

The ultimate husband in Chinese chapter 1271-1275

Chapter 1271 The

other side. Apocalypse Continent! Palace! Hall of Mental Cultivation!

The Hall of Mental Cultivation is the place where Emperor Tianqi usually rests. It is magnificent and extremely luxurious!

At this time, Emperor Tianqi was sitting on the dragon couch, with a gloomy face, and the eunuchs next to him did not dare to come out, and they were trembling.

The entire Hall of Mental Cultivation was shrouded in a dull and depressing atmosphere.

Below, Ren Yingying stood there quietly, feeling uneasy.

After returning from Beiyang Continent, Ren Yingying came to see the father and emperor immediately. At this time, seeing the expression of Emperor Tianqi, he knew that he was still angry! After all, Yue Feng made a lot of trouble in the palace before, and he rescued Yue Feng.

call!

At this moment, Ren Yingying let out a sigh of relief, walked slowly forward, and said softly: "Father, I'm back!"

"Yeah!"

Emperor Tianqi's expression did not fluctuate at all, he replied lightly, looked at Ren Yingying and said: "Yueying, you still know how to come back."

When he said this, Emperor Tianqi forcibly suppressed his anger.

This daughter had spoiled her so much since she was a child that she became more and more courageous, and at that time, she dared to rescue Yue Feng in front of everyone.

Thinking of Yue Feng, Emperor Tianqi's inner anger rose! After being the emperor for so many years, I was almost killed for the first time! This Yue Feng really deserves a thousand cuts!

"Royal Father!"

Ren Yingying squeezed out a smile, stepped forward, and said coquettishly, "I was wrong, Emperor Father, don't be angry! I knew I shouldn't have done that at the time, but... Yue Feng can't die. ..."

"Bang!"

As soon as the words fell, Emperor Tianqi slammed down the dragon chair, pushed Ren Yingying away, and scolded: "You still have the face to mention Yue Feng? At that time, Yue Feng killed your fiance Yan Xiong, and the national teacher. He is extremely arrogant, despising my royal power, even if you don't kill him for your father, but save him in public!"

Speaking of which, Emperor Tianqi stared at Ren Yingying, his eyes spitting fire: "You are a princess, , disregarding the face of the royal family, to save an enemy, you say, what is the crime?"

"Pfft!"

Hearing this, Ren Yingying's body trembled, and quickly knelt down: "Father, the daughter is guilty, you want to If you are punished, order your daughter to die!"

"You..."

Seeing Ren Yingying's attitude of admitting punishment, Emperor Tianqi trembled with anger: "Okay, okay, you admit punishment, right? You know I'm reluctant to kill you, yes, I won't kill you! But you listen to me, from today onwards, you are not allowed to step out of the palace gate!"

Speaking of which, Emperor Tianqi looked at Ren Yingying with a serious face and asked coldly : "Yueying, tell your father honestly, do you like that Yue Feng?"

"Father, I..." Ren Yingying's heart trembled, her delicate face instantly turned red, and she lowered her head and said: " I didn't..."

"No?" Hearing this, Emperor Tianqi took a deep breath and smiled angrily: "Yueying, you are my most beloved daughter, what do you think, I don't know? You don't? I like Yue Feng, why do you want to save him? And when I mention Yue Feng, your face turns red. How did I give birth to your unsatisfactory daughter?"

Feeling the gaze of Emperor Tianqi, Ren Yingying's face was hot, and she didn't know how to answer for a while !

"I don't care how important that Yue Feng is in your heart." Emperor Tianqi's tone became cold: "You two, it's impossible, you die as soon as possible!"

Ten years ago, Tianqi's army conquered Diyuan Continent, because Yue Feng failed!

Ten years later, this Yue Feng, who single-handedly entered the Tianqi Palace, ruined the reputation of the royal family!

This Yue Feng is the enemy of the entire Apocalypse Continent!

So no matter what, my daughter can't be with Yue Feng!

Emperor Tianqi's eyes were firm, and he continued coldly: "I have already thought about it. After three months, I will hold a competition for you to recruit relatives. I will choose a new husband for you among the nine continents! The winner is your husband."

Chapter 1272

What?

Ren Yingying's pretty face changed, and she said anxiously: "Father...I don't want to compete by martial arts!"

"This is up to you!" Emperor Tianqi slapped the table angrily, and waved his hand impatiently: "Go back!"

"No! I don't want to compete by martial arts, I don't want to..." Ren Yingying cried, "Father, you have to do this, I would rather not marry for the rest of my life!" As the words

fell, Ren Yingying burst into tears, covering her mouth and turning around ran out!

In Ren Yingying's heart, Yue Feng was completely filled, and could no longer hold any

call!

Looking at Ren Yingying's back, Emperor Tianqi was furious, his eyes blazing with anger, and he said coldly to the eunuch beside him: "Go on, show me the princess, and don't allow her to leave the palace for half a step, no mistake!"

"Yes ! , Your Majesty!"

Several eunuchs responded quickly, and then chased out!

the other side!

Northern Ying Continent, Buzhou Mountain!

Time flies, Yue Feng cultivated for half a month in Shennong Blessed Land unknowingly!

During this half month, under the care of Shennong, Yue Feng's body completely recovered.

At this time, on the stone table outside the thatched hut. Yue Feng and Zhu Rong sat there, talking and laughing, drinking heavily!

"I wish you big brother!" Yue Feng drank the last glass of wine and looked at Zhu Rong with a face full of reluctance: "I'll be leaving after I finish drinking!"

Seriously, this Shennong Blessed Land is simply a In a paradise, Yue Feng really wants to live here without any worries for a lifetime. But I still have a lot of things to do, I can't go.

call!

Zhu Rong took a deep breath and said with a smile, "There is no such thing as a banquet in the world. You can leave if you want. However, when you have time in the future, you have to come back and find Big Brother for a drink!"

When he said this, Zhu Rong's eyes also flickered. reluctant.

After a period of contact, Zhu Rong admired Yue Feng's character very much, it can be said that it was a late meeting! At this time, Yue Feng was leaving, and Zhu Rong couldn't bear him.

"Haha..."

don't worry, big brother!" Hearing this, Yue Feng laughed and nodded, "If I come next time, I will definitely bring some more wine, and I will find you to have a good drink!"
After speaking

, Yue Feng stood up, To the Shennong clan next to him, he said gratefully: "Senior Shennong, I'm leaving, you take care of yourself!"

Shennong clan nodded: "I hope next time we meet, don't let me save you again!"

Uh...

hear this , Yue Feng scratched his head, smiled embarrassedly, and a warm current rose in his heart.

Shennong is not good at words, but Yue Feng can also understand what he means, that is, he hopes that he will be well in the future, free from diseases and disasters!

After some greetings, Yue Feng left Shennong Blessed Land.

call!

Half an hour later, at the foot of Buzhou Mountain, Yue Feng couldn't help but take a deep breath and looked back at the misty mountain range.

Somehow, Yue Feng thought of Ren Yingying. Yingying she...she should have returned to the Tianqi Palace by now.

Do you want to go see her?

In the next second, Yue Feng thought about it, forget it.

Before, I only made a lot of trouble at the Tianqi Palace. Now, aren't you asking for trouble?

Or have a chance to go again in the future!

Thinking to myself, Yue Feng walked along the mountain road and walked towards the distance!

Chapter 1273

Huh?

Not far, Yue Feng frowned.

He only felt a murderous aura coming from not far away. Yue Feng looked at it subconsciously, and saw not far away, a graceful figure, flying from mid-air, graceful like a fairy, stunning and youthful!

It is Gonggong!

Today's Gonggong, wearing an emerald green dress, perfectly shows her tight figure, but also reveals a fresh and refined beauty!

However, that delicate face was covered with frost! There is more anger in his eyes!

"Yue Feng!"

When they got to the front, Gong Gong fell to the ground and stared at Yue Feng: "I didn't expect that we would meet again so soon!"

When he said this, Gong Gong couldn't hide his anger.

A few days ago, Gonggong was trapped by Yue Feng's formation and lost the bet, not only called Zhu Rong's father, but also called Yue Feng's uncle!

This is a total disgrace to the Gonggong! Just now, I learned that Yue Feng had left Shennong Blessed Land and descended to Buzhou Mountain, and Gonggong was waiting on Yue Feng's only road.

Needless to say, the purpose is naturally to teach Yue Feng a good lesson, and to vent his heart!

Nima!

This is obviously revenge!

Yue Feng was stunned for a moment, then looked at Gonggong with a smile: "Oh? Isn't this my beautiful niece? What? Knowing that my uncle was leaving, he came to see me on purpose?"

Shuh!

Hearing this, Gonggong's delicate face instantly flushed red, and he couldn't express his shame and anger: "Well, you Yue Feng, you dare to speak up when things come to an end, yes, I'm here to see you off, I'm here to see you off. Western!"

When he was talking, Gong Gong's eyes were full of shame and anger!

hum!

In the next second, a powerful aura burst out from Gong Gong, raised his hand and hit Yue Feng directly!

I have to say that Gonggong is very powerful, and wherever she sees her figure, the air is torn apart!

Nima.

What a hatred, if you say it, do it!

Feeling the tyranny of Gonggong's strength, Yue Feng was taken aback, but instead of avoiding it, he urged Chunyang's internal force, raised his hand and slapped it directly to meet him!

boom!

In an instant, the palms of the two sides touched, and a dull vibration was heard. Then, Yue Feng's face was pale, and his body took a dozen steps back!

Although Yue Feng's strength has reached the realm of Emperor Wu, and looking at the entire Kyushu, almost no one can match it, but Gonggong is a cultivation powerhouse from ancient times to the present, and the background is not comparable to Yue Feng!

call!

After stabilizing his figure, Yue Feng took a deep breath, frowned and looked at Gong Gong, his heart was full of shock!

Nima, this woman's strength is too strong! Reckless is not an opponent!

Gong Gong also frowned, looking at Yue Feng in surprise, secretly surprised in his heart.

That palm just now, but it contained his three-layered skill, was actually blocked by him? ! I thought this palm would kill this kid. This kid is young, his strength is so strong, and he knows how to form formations, so he can be considered a talent! It's a shame to kill it like that! Might as well capture him alive!

Thinking to himself, Gong Gongyue raised his hand and took out a kit. This kit is golden in color and looks extraordinarily beautiful.

I only saw Gonggong's red lips open slightly and chanted a spell, this golden bag suddenly became bigger!

At the same time, Gonggong flew over again and slapped Yue Feng in the chest!

This palm was so powerful that Yue Feng couldn't resist, and was instantly knocked to the ground. Before he could react, Gong Gong grabbed Yue Feng and stuffed him into the golden bag.

This golden bag is a treasure of Gonggong, called the Yin-Yang Qiankun Bag! This Qiankun bag is extremely tough, if a person is stuffed into it, he will never get out!

Chapter 1274

Nima!

Yue Feng was stuffed into the Qiankun bag, and he scolded secretly, and was about to struggle. However, I found that the powerful spiritual power in the Qiankun bag completely suppressed my own power, and I couldn't exert any power!

"Gonggong, let me out!" Yue Feng yelled, tearing the Qiankun bag with all his might, but to no avail.

Done!

Here's to trouble!

Realizing that he couldn't get out, Yue Feng wanted to cry without tears!

"Just stay in my Qiankun bag obediently." Gonggong's face showed a smile, he lifted the Qiankun bag, jumped lightly, and flew into the distance!

Yue Feng couldn't see the situation outside, but he could also feel that he was being carried away by Gonggong.

Where is this woman taking herself?

If she didn't kill herself, she would definitely try her best to torture herself... Thinking to herself, Yue Feng couldn't help but feel anxious!

I don't know how long it took, Yue Feng was shaken in the yin and yang universe bag, and he almost vomited!

Just when Yue Feng couldn't bear it anymore, Gonggong stopped!

Swish!

The next second, Yue Feng only felt his body light up, and the dark world in front of him suddenly brightened.

Yue Feng knew that Gonggong let him go!

Snapped!

The moment Yue Feng opened his eyes, Gong Gong made a lightning strike and sealed Yue Feng's acupoint! Yue Feng's body suddenly stiffened, unable to move.

"Hey...you..." Yue Feng wanted to speak, but when he saw the surrounding environment, Yue Feng was stunned!

What the hell! where is this?

In front of you is a magnificent palace! The palace is very large, several times larger than the Qianyuan Hall of the Tianqi Palace! On both sides of the aisle outside the hall, two rows of soldiers stood neatly, holding long spears, solemn and solemn!

This, this is not the palace of Northern Ying Continent, right?

Yue Feng looked around and saw that in the palace hall, in addition to Gonggong, there were hundreds of people standing!

These hundreds of people, all wearing official uniforms, did not speak, and looked at Yue Feng curiously, and their bodies were filled with a powerful atmosphere.

hiss!

Yue Feng couldn't help but suck in the cold air!

Nima, these hundreds of people are all in the realm of Emperor Wu!

These people should be the civil and military officials of the Northern Ying mainland, right?

In front of the officials, there is still a throne! This throne is entirely made of pure gold, carved with dragons and phoenixes, and inlaid with various gems. It is very beautiful!

On the throne, there was a man sitting quietly, wearing a dragon robe! Majestic and domineering, his powerful aura is heart palpitating!

If you guessed correctly, the man on the throne is the emperor of the Northern Ying Continent!

And beside the Beiyong Emperor, there was a woman sitting quietly. Should be the queen.

Yue Feng glanced at the queen and took a deep breath! The queen is about thirty years old, with a delicate face, as beautiful as a fairy! The body curve is even more exquisite, wearing a moon-white long skirt, she looks immortal and very charming!

Especially the gentle and dignified temperament, but also reveals a kind of demeanor of the world!

Yue Feng only felt his head buzzing. To be honest, Gonggong this woman is already very sexy, but this queen is even more suffocating!

"Gonggong!" At this moment, the Beiyong Emperor slowly opened his mouth and said: "Who is this kid? What are you arresting him for?"

When he said this, the Beiyong Emperor's eyes were looking at Yue Feng up and down, cold and stern. On the face, there is no fluctuation in the slightest!

Chapter 1275 Gonggong

took a step forward and responded respectfully: "Report to Emperor Houyi, his name is Yue Feng, this person has a lot of research on how to play. Isn't His Majesty wanting to recruit more talents recently, if you can keep this person, it must be useful!"

What?

Emperor Hou Yi?

In an instant, Yue Feng's body trembled, looking at the Beiyang Emperor, the whole person was stunned, and his brain was buzzing!

This Northern Ying Emperor, known as the Great Hou Yi... Could it be that this Northern Ying Emperor... is... Hou Yi?

Since the Beiyang Emperor is a descendant, then the queen sitting beside him is Chang'e? According to legend, Fairy Chang'e is the wife of the descendants. Now that she sees it, Chang'e is really beautiful and suffocating!

At the same time, the entire palace hall was also full of discussion!

"This kid named Yue Feng, who is so young, actually knows the formation technique?"

"If he really understands the formation technique, he is indeed a talent!"

The eyes of the civil and military officials all looked at Yue Feng!

Emperor Hou Yi was also interested, looked up and down at Yue Feng, and said slowly, "Your name is Yue Feng?" The

voice was not loud, but it showed a majesty that people dared not make mistakes!

"Yes." Yue Feng nodded and responded.

"Do you understand the formation?" The descendant Emperor looked at Yue Feng and asked again.

"This..." Yue Feng scratched his head and said very humbly: "I understand a little bit!"

Emperor Hou Yi nodded slightly, showing a smile: "Then I ask you, do you want to stay in the imperial court, for the sake of I work?"

When he said this, there was a sense of urgency and expectation in the eyes of Emperor Hou Yi. The descendants are powerful, but he is not omnipotent! Descendants do not know anything about the formation method, not only that, but there are very few people who understand formation formation in the entire Northern Ying Continent!

Therefore, in the eyes of Emperor Hou Yi, Yue Feng is a talent that can't be found!

"This..." Yue Feng scratched his head with hesitation on his face, and then smiled: "I can't agree to this, please forgive me!"

If it was before, in the face of Emperor Houyi's invitation, Yue Feng would agree without hesitation. . After all, being able to work with such a famous person in the world is an undeserved honor.

However, the Tianmen created by myself is now headless, and I have to go back to manage it myself. More importantly, Su Qingyan and Xiao Yuruo were still looking forward to their own return, so how could they stay here?

hiss!

In an instant, the hall was silent, and everyone's eyes were looking at Yue Feng in astonishment!

What is this kid saying?

Emperor Hou Yi took the initiative to invite him, but he turned it down?

In Northern Ying Continent, Emperor Hou Yi is supreme! No one dared to reject him!

At this moment, Hou Yi's face turned pale. You must know, in front of the civil and military officials, who is directly rejected by Yue Feng, where is the face?

For a while, the atmosphere of the entire hall was extremely solemn.

"Bold Yue Feng!"

At this moment, Gong Gong came out and shouted at Yue Fengjiao, "The emperor himself invited you, but you are so ignorant of praise, do you want to court death?"

While saying this, Gong Gong secretly watched Hou Yi glanced at him. She didn't kill Yue Feng before, but she brought him here on purpose and dedicated him to Emperor Houyi, just to make a contribution.

But now that Yue Feng has made Emperor Houyi so shameless, the emperor is really going to be angry, and he will be implicated.

Nima!

This woman...

Hearing Gonggong's clamor, Yue Feng cursed inwardly, but ignored her!

In the next second, Yue Feng squeezed out a smile and said to Emperor Houyi: "Your Majesty, please forgive me for speaking more directly, I was originally from the Earth Circle and came to your land by accident, so I can't stay here. it's here!"
