

The ultimate husband in Chinese chapter 1281-1290

Chapter 1281 When the

voice fell, the man in white took the chess piece and began to teach Yue Feng.

Yue Feng was in a hurry to leave here, how could he not be in the mood to learn, but he had no choice but to bite the bullet and listen to the explanation of the man in white.

“By the way!” After explaining some basic knowledge of Go, the man in white looked at Yue Feng subconsciously and asked, “Little brother, what’s your name?”

“My name is Yue Feng!” Yue Feng thought Unexpectedly, he responded, and then asked back, “Dare to ask the eldest brother

’s name?” When he said this, Yue Feng guessed the identity of this person in his heart.

Living in the forbidden area of the palace is definitely not an ordinary person.

“Me!” The man in white came to his senses and said very proudly: “My name is loud, I’m afraid to scare you a little baby if I say it. Listen, my name is Zhu Bajie! Back then, I still did Marshal Guotianpeng...”

Just halfway through, Zhu Bajie thought of something and waved his hand: “Forget it, the hero doesn’t mention Yong Ying!”

Zhu Bajie? !

At this moment, Yue Feng’s head buzzed!

Marshal Tianpeng, Zhu, Zhu Bajie? !

Yue Feng was shocked, and exclaimed: “Fuck, you....you are Tianpeng Marshal Zhu Bajie?!”

When he said this, Yue Feng couldn’t help but look at Zhu Bajie, extremely surprised, and said to himself He said: “No, isn’t it that Zhu Bajie has a fat head, big ears, long nose, and a pig face? He is so handsome?

” Who has fat head and big ears? Old Zhu, I am a famously beautiful man.”

After speaking, Zhu Wuneng scratched his head and looked at Yue Feng with a puzzled expression: “Little baby, have you heard my name?”

This chapter is provided by . Visit for daily update.

What the hell!

It's really Zhu Bajie!

In an instant, Yue Feng was speechless for a long time!

Yes, this person is Zhu Bajie. However, the rumored image of the fat pig was completely rumored. In fact, Zhu Bajie was a handsome and powerful man. Not only that, this person is omnipotent in piano, chess, calligraphy and painting!

Not to mention the shortcomings. Zhu Bajie really has two shortcomings. The first is that there is no seriousness, and the second is lust.

Yue Feng couldn't help but say: "Brother Zhu, you are in our Earth Circle Continent, but you are a famous person. You are really well known!

" Proud: "Am I so famous?"

Seeing that Zhu Bajie was in a good mood, Yue Feng quickly changed his voice and asked, "Brother Zhu, you are really famous. Brother Zhu, a big man like you is really our junior. An example to learn from. Brother Zhu, can you help me as a junior, how can I leave the palace?"

"Haha..." Zhu Bajie burst out laughing: "Little brother, do you want to know how to leave the palace, You have to have fun with me! Come on, don't talk about this, just play chess."

When he said this, Zhu Wu had a smile on his face, but his eyes were dodging, not looking at Yue Feng!

In fact, the palace has no other exit at all!

In fact, Zhu Bajie was imprisoned in this forbidden area! He also wanted to leave the palace, but he couldn't even get out of the forbidden area!

Zhu Bajie has a problem, that is, when he sees a woman, he can't walk, so he wants to flirt a few times. Thousands of years ago, Zhu Bajie was the Tianpeng Marshal of the Northern Ying Continent. His status was below one person and above ten thousand people! Once, when the descendant of the emperor celebrated his birthday, all the civil and military officials were drunk, and even the queen Chang'e was drunk. Zhu Bajie was so daring that he sneaked into Chang'e's bedroom secretly, and while she was drunk, he wanted to kiss Fangze. As a result, he was bumped into by Emperor Hou Yi.

Chapter 1282

Emperor Hou Yi loved Chang'e deeply. Seeing that Zhu Bajie almost destroyed his queen, the descendants were very angry and wanted to kill Zhu Bajie on the spot. But Zhu Bajie, as the marshal of Tianpeng, made great achievements in battle! The descendant emperor thought of his old love and couldn't bear to kill him, but he came up with a way to make Zhu Bajie's life worse than death. That is to lock Zhu Bajie in a forbidden area! And at the entrance of the forbidden area, a trapping formation was set up, so that Zhu Bajie could not escape. This level is a thousand years old!

Although Zhu Bajie is very strong, he is unable to break through the 'Wanmu Xuan Chong Formation'! So it has been trapped here for thousands of years! For thousands of years, no one dared to enter the forbidden area until Yue Feng accidentally broke in.

Zhu Bajie has been imprisoned here for thousands of years, and suddenly sees Yue Feng breaking in. Of course, he can't let him run away. He must pull Yue Feng and play with him. So Zhu Bajie lied to Yue Feng, saying that he would play chess with him, and told him how to leave the palace.

Yue Fengxin thought it was true, so he had to play chess with Zhu Bajie! At this time, Yue Feng did not know that he was deceived by Zhu Bajie. The palace has no other exit at all!

"Om!"

However, the two of them were playing chess. Suddenly, Yue Feng sensed the ground beneath his feet, and there was a violent roar! The strong vibration almost made people stand unsteady, as if the world had collapsed!

Nima, what's the situation?

Is there an earthquake?

Yue Feng was taken aback, turned his head quickly, and looked in the direction of the vibration!

At the same time, the maids and eunuchs in the palace also came out in a panic and looked at the sky in the distance!

Just seeing the northeast, in the direction of the Earth's Circle Continent, a blood-colored cloud rose from the distant horizon, which was very shocking!

What the hell!

It is the direction of the Earth Continent!

Yue Feng was stunned and couldn't help muttering to himself: "I'm going, this... Is there another artifact born?"

Ten years ago, when the Kaitian Axe was born, Yue Feng was in Dongao Continent. ! Yue Feng's memory is still fresh. At that time, the sky and the earth were shaking, and the sky was a vision!

“Does it need to be said!” At this time, Zhu Bajie reacted, staring at the blood-colored cloud in the distance, his eyes burning hot: “It is definitely not an ordinary artifact that can cause such a big movement.”

Said With that, Zhu Bajie sighed and shook his head mockingly: “It's a pity that my old Zhu is trapped here, if I can get out, I can definitely grab this magic weapon!”

Yes!

Hearing this, Yue Feng nodded in agreement!

Wait.... not right!

The next second, Yue Feng realized something and stared at Zhu Bajie with wide eyes: “Brother Zhu, what did you just say? You are trapped here and can't go out? Didn't you say there is another way out for

the palace?” In an instant, Yue Feng realized that he had been deceived.

“This...”

Zhu Bajie quickly closed his mouth, very embarrassed, and then smirked: “Little brother, let me tell you the truth, I am actually trapped here, there is nothing else here. Way out!”

When he said this, Zhu Bajie wanted to slap himself twice.

Why did you miss out?

Originally, I wanted to lie to Yue Feng for a few days and let him play with me, but now it's alright, it's all revealed!

Swish!

In an instant, Yue Feng's face turned dark, and he said angrily, “Then why did you lie to me before?”

At this time, Yue Feng wanted to give Zhu Bajie a hard lesson.

But held back.

Because Yue Feng sensed Zhu Bajie's strength, it was unfathomable, and he couldn't beat him at all.

“Haha, didn’t I want you to play with me for two more days!” Zhu Bajie scratched his head and explained with a smile.

Nima!

Yue Feng was depressed and said coldly, “You should play with yourself in the future!”

Chapter 1283 When the

voice fell, Yue Feng turned around and left! Since there is no other way out, he can only leave the forbidden area and risk leaving from the gate of the palace!

“Hey, little brother, don’t be angry?”

Zhu Bajie was so anxious that he quickly chased after him!

...

at this moment! Nanyun Continent!

Inside the palace hall, the queen stood at the entrance of the hall, looking up at the sky, her beautiful face was full of excitement.

Behind the Queen, Long Qianyu and the civil and military officials all looked at the sky one by one, shocking and inexplicable!

call! A few seconds later, the queen

breathed a sigh of relief and said, “The blood-colored cloud has risen from the sky, there must be an artifact, and if you pass my will, you can go to the Earth Circle Continent. There must be no mistake!”

There was a certain firmness on the beautiful face.

Ten years ago, the Kaitian Axe was born, and the Nanyun Continent missed the opportunity to snatch it. This time, we must seize the opportunity!

“I will obey!” The

voice fell, and the civil and military officials responded in unison!

...

Xuanye Continent, Wanhai City!

In the Fang family hall, the patriarch Fang Shixian sat there with a shocked expression on his face.

Beside him, stood two slim figures, young and beautiful, each with its own merits! It is Fang Shixian's two daughters, Fang Zhiqiu and Fang Ting!

At this moment, the three father and daughter stared blankly at the distant sky outside, unable to speak for a long time.

"Dad, is this an artifact alive!" Fang Ting reacted, unable to hide her excitement and excitement: "Ten years ago, the one that appeared in the Apocalypse Continent was an axe, I don't know what this is... ." When the

voice fell, Fang Zhiqiu said indifferently: "It seems that it came from the Earth Circle!"

Ten years ago, a peerless magic weapon 'Open Heaven Axe' was born in the Apocalypse Continent, causing shocks in Kyushu, although the Fang Zhiqiu sisters Neither of them had ever seen the axe, but the shaking of the world at that time was still fresh in my memory.

call!

At this moment, Fang Shixian took a deep breath and stood up slowly: "Hurry up and pack up, we can go to the Earth Circle Continent!"

When he mentioned the Earth Circle Continent, Fang Shixian thought of Yue Feng!

This bastard, who pretended to be a bodyguard and infiltrated the Fang family, robbed the Fang family's treasure, the Dragon Spirit.

Fang Shixian has always held a grudge against this matter.

Now there is another vision of heaven and earth in the Earth Circle Continent, and there will be a magical soldier born, Fang Shixian has no hesitation!

With the strength of the Fang family, even if they can't grab the artifact, they have to take back the family heirloom Pan Dragon Spirit.

"That's great!"

Fang Ting was very excited, nodded and said, "My sister and I are going to prepare!" After saying that, she and Fang Zhiqiu walked out of the hall quickly.

.....In

the Earth Circle Continent, there was a sudden vision and the earth shook, which shocked the major sects of Kyushu.

For a time, not only the Nanyun royal family, the Fang family, and the major sects of the nine continents, all gathered their disciples and quickly set off towards the Diyuan continent.

Even the Dan Zong and Jian Zong of Dongao Continent. Xing Yao and others from the Apocalypse Continent, as well as the five major factions in the Diyuan Continent, the Beggar Gang, Peach Blossom Island, etc... All have the same goal, and they all want to go ahead and rush to the location of the natural vision to capture the divine artifact. .

Chapter 1284

At this moment, Diyuan Continent, Huashan!

Huashan is located in the northwest of Diyuan Continent. The mountains here are high and steep, and the scenery is unique. Since ancient times, there has been a saying that "the most dangerous mountain in the world".

At the top of Huashan Mountain, there is an antique Jian ethnic group. Here, it is the Huashan School!

The Huashan faction has been passed down for thousands of years, and has an indelible position in the history of the rivers and lakes of the Earth Continent. For thousands of years, Huashan has sent many strong people!

Only in recent years, Huashan sent talents withered, and gradually lost their reputation in the arena.

The current head of the Huashan faction is named Yang Baimei. This person is over seventy years old, but this old man is strong and strong, and his strength has reached a stage of martial arts!

On the rivers and lakes, Yang Baimei, the head of Huashan Mountain, is honored as Baimei Taoist priest.

At this moment, the sky above Huashan School is covered with blood clouds! Thunder bursts!

Yes, the place that caused the earth to shake is Mount Hua! The violent shock shattered Mount Hua, and the gravel kept falling from the top of the mountain!

At this time, in the Huashan Hall. Sect Leader Yang Baimei sat there with a dignified expression! In front of him are the elders of the Huashan faction. There are 30,000 to

40,000 people in the Huashan faction. At this time, they all look complicated and inexplicable!

Huashan suddenly vibrated violently, with lightning and thunder, as if the sky was collapsing.

Faced with this unexpected situation, Yang Baimei quickly gathered everyone together!

At this time, Yang Baimei looked around and said lightly, "Don't panic, everyone, Huashan is shaking, it's a blessing rather than a disaster, the time for us to revitalize the Huashan faction is here!"

Wow!

The voice fell, and the entire hall suddenly burst into a heated discussion.

Born with a vision, there must be an artifact in the world!

An elder from Huashan walked forward slowly, and said excitedly: "Master, do you know the origin of the divine artifact that is about to be born?"

At this moment, the eyes of everyone in the hall focused on Yang Baimei.

Yang Baimei smiled slightly, shook his head and said, "You all guessed wrong, Huashan is shaking today, it's not the birth of an artifact. It's an ancient tomb of a senior who is about to appear!"

What?

Tomb! ?

Hearing this, everyone present was stunned.

The birth of the ancient tomb can cause such a big movement. It can be seen that the owner of this ancient tomb has an unusual identity.

"Everyone, be quiet!" Yang Baimei raised his hand and continued: "If I guess correctly, the tomb that is about to be born should be the tomb of Marquis Lu Wen and Lu Bu!

" tone. As the headmaster, he has read the Huashan School's collection of books. In the collection of the Huashan School, there was a record that when Lu Bu was fighting in the Central Plains, no one could match in the world! But then he was besieged and killed in battle. His tomb was buried under Mount Hua.

Today, a vision suddenly occurred, the earth shook, and Yang Baimei immediately thought of Lu Bu. Presumably, it was Lu Bu's tomb, and he was about to be born.

You must know that many peerless masters were extremely cultivated during their lifetimes. After they die, their inner strength will be filled in the tomb. When their tomb cannot bear these internal forces, the tomb will rush out of the ground and see the world again.

Today, Huashan is shaking. If you guessed correctly, it should be Lu Bu's tomb, which is about to be born.

Whoa!

In an instant, the entire hall exploded, and everyone was extremely excited and excited.

Lu Bu's tomb!

Lu Bu is the number one general of the Three Kingdoms. It is said that he has a stunt: bloody battles in all directions! This skill is unmatched! Now that his ancient tomb is about to appear, if he can get this stunt, the Huashan faction can rise!

"Pass my order!!"

At this moment, Yang Baimei took a deep breath, and his strong voice spread throughout the hall: "I order all the disciples to return to the mountain gate and guard the entrances of Huashan Mountain. Once other sects appear, report to me immediately!"

When he said this, Yang Baimei had a determined look on his face.

All the sects must have known about the shaking of the heavens and the earth just now, and maybe they are already on their way.

The ancient tombs that appeared in the Huashan faction, the treasures inside cannot be robbed by outsiders!

"Yes! Sect Master!"

Chapter 1285

Everyone in the hall responded with a bang, and then they went to deploy and prepare.

...

On the other side, Northern Ying Continent!

Earthquakes are still going on, but not as strong as before!

"Little brother, don't leave yet, play chess with me." Zhu Bajie pulled Yue Feng and kept holding him back.

“Brother Zhu, you can’t take me out of the palace. Isn’t it a waste of time for me to play chess with you here. I’m going back to the Earth Continent, and there are still important things to do. I’ll definitely come back to play with you when I get a chance.” As Yue Feng spoke, he quickly walked out of the formation and left the forbidden area.

This Zhu Bajie, obviously ignorant of the palace’s exit, still tricked himself into playing chess with him, which is really annoying!

As a result, as soon as Yue Feng left the forbidden area, he saw groups of Beiyong soldiers patrolling at the entrance of the forbidden area.

The number of soldiers was several times higher than before.

Obviously, when Emperor Hou Yi knew that Yue Feng had escaped from the prison, he strengthened the defense of the entire palace.

call!

Seeing this scene, Yue Feng took a deep breath, his face full of helplessness. There are too many soldiers patrolling the palace, and it is really difficult to get out of here! Yue Feng murmured in his heart, and had no choice but to turn around and return to the forbidden area.

Seeing Yue Feng’s return, Zhu Bajie hurried up and flattered with a smile: “Brother, you can’t leave the palace, haha, why don’t you continue to play with me!”

Yue Feng was too lazy to pay attention to him! I played with him for a long time, but I was deceived in the end! unforgivable!

Yue Feng’s indifferent attitude made Zhu Bajie very helpless: “Little brother, it’s my fault that I lied to you, can’t I apologize to you?”

Yue Feng chuckled and still ignored him.

Zhu Bajie was completely useless, scratching his ears and cheeks anxiously.

the next morning!

Yue Feng was sleeping righteously when he felt a tap on his shoulder.

Yue Feng opened his eyes in a daze, and saw a person standing beside the bed, looking at himself with a smile that was not a smile!

It turned out to be the descendant of the Great Emperor!

hum!

In an instant, Yue Feng's body was shaken, his mind went blank, and he sat up with a jolt.

Nima, why did Emperor Hou Yi come?

If it was broken, the descendants must have learned that they had escaped from the prison, so they sent people to search everywhere, and then they found it here.

Thinking to himself, Yue Feng couldn't hide his anxiety, and said to Emperor Hou Yi in front of him: "Your Majesty, I...I..."

"Haha..." Just when Yue Feng was terrified, Emperor Hou Yi in front of him suddenly laughed.

And this laughter is Zhu Bajie's.

Yue Feng's expression froze, completely stunned!

Nima, what's going on?

At this moment, I saw this 'Emperor Hou Yi', reached out and rubbed his face, and saw dust falling on his face. In a blink of an eye, this 'Emperor of Descendants' turned into the appearance of Zhu Bajie.

"Haha..."

Zhu Bajie burst into laughter, out of breath with joy: "Haha...Brother, don't you think my way of pretending to be a person is amazing? It was my fault that I lied to you before, I thought about it for a long time before I thought of this way to make you happy. Hahaha, you can forgive me!"

Nima!

It was a false alarm!

Yue Feng took a deep breath, and then looked at Zhu Bajie in surprise: "Brother Zhu, you know how to disguise yourself?" I

have to say, the appearance of Zhu Bajie pretending to be Emperor Hou Yi just now is so similar!

"Transfiguration? I don't know..." Zhu Bajie smiled, took out a small bottle from his pocket, and shook it in front of Yue Feng: "I can change my appearance thanks to this thing."

Chapter 1286

"What is this?" Yue Feng looked at the vial in Zhu Bajie's hand, full of curiosity.

Inside this vial, there is white powder. Can this thing change a person's appearance?

The corners of Zhu Bajie's mouth twitched, looking at Yue Feng, very proud: "This thing is called Yi Rongsan. It can change a person's appearance. This is a rare treasure. I got two bottles by chance, and I pretended to be just now. The descendants

teased you and used a bottle. Now there is only one bottle left."

Is there such a strange thing?

Hearing these words, Yue Feng's face was full of surprise: "Brother Zhu, this Yi Rong San can change your appearance, but it's a rare treasure, such a good treasure, you just use it so casually, it's a waste!

" Trapped here, no matter how good the baby is, it's useless for me to keep it." Zhu Bajie said with a blank look on his face, taking it for granted.

Yue Feng didn't know whether to laugh or cry, and said quickly, "Brother Zhu, we can use this Yi Rongsan to escape from the palace. We can dress up as Emperor Hou Yi and walk out of the palace directly. Who dares to stop those guards?"

Huh?

Yes, that's a good idea!

Zhu Bajie's eyes lit up, and after a few seconds, he said with a bitter face: "But this Yi Rong San, although it can change a person's appearance, can't change the voice. If we pretend to be descendants and leave the palace, those guards will definitely He will talk to us, and as soon as we open our mouths, we will reveal the contents." As

soon as the words fell, Yue Feng laughed, cleared his throat, performed ventriloquism, and imitated the tone of Emperor Hou Yi: "Zhu Bajie, see you. This emperor, don't you kneel yet?"

This ventriloquism was learned by Yue Feng in Tongtian Island.

At that time, the sect master of Tongtian passed ventriloquism to Qin Rongyin, and wanted her to pass the time to play when she was bored. Yue Feng was under Qin Rongyin's bed at that time, so he learned it.

Hearing Yue Feng's voice, which was exactly the same as Emperor Houyi, Zhu Bajie was shocked, and the whole person was stunned!

This is amazing!

The next second, Zhu Bajie couldn't help but be excited and laughed loudly: "Awesome, little brother, haha... So, we can escape from the palace?"

Haha...hahaha! After being trapped for so long, I can finally go out.

Just as he was happy, Zhu Bajie suddenly said with a bitter face: "However, I only have this bottle of Disguise Disposal. The two of us, only one person can disguise, what should we do? The valid time is only a quarter of an hour..."

Yue Feng's eyes flashed, and he suddenly had an idea: "Well, wait for me to change into the appearance of Emperor Houyi, let the soldiers in the palace withdraw first, and then you come out again. "

Good! Good!" Zhu Bajie smiled happily, clapped his hands and said, "This method is wonderful! Then hurry up!"

After saying that, Zhu Bajie took out Yi Rongsan and rubbed it on Yue Feng's face.

Yue Feng only felt cool and refreshing on his face, and then the skin on his face changed little by little.

A few seconds later, Zhu Bajie clapped his hands and said with a smile, "Okay, you're done!"

Phew!

Yue Feng took a deep breath, looked in the mirror, and was surprised to find that he had turned into the appearance of Emperor Hou Yi!

Haha...

This Yi Rong San is really amazing!

At this moment, Yue Feng couldn't help but admire secretly!

But unfortunately, Zhu Bajie only had this last bottle of Yi Rongsan left. After he used it, there would be no more in the world.

"Little brother, whether my old Zhu can regain his freedom depends on you!" Zhu Bajie was full of anticipation.

Yue Feng laughed, nodded and said, "Brother Zhu, don't worry, as long as I follow my method, we can both leave safely!" The

voice fell, and Yue Feng took Zhu Bajie out of the forbidden area. At the gate of the forbidden area, Yue Feng asked Zhu Bajie to hide in the dark, and then Yue Feng walked out alone.

Swish!

As soon as Yue Feng appeared, the guards outside all gathered their eyes.

Chapter 1287

"Your Majesty?"

"His Majesty the Great Emperor..."

Seeing that it was Emperor Hou Yi, these guards were extremely respectful, and they all fell to the ground. Yue Feng's disguise was so vivid that these guards thought it was the real Emperor Hou Yi.

Haha...

Seeing this scene, Yue Feng was indescribably excited. He silently displayed ventriloquism, and in the tone of Emperor Hou Yi, he said lightly, "Get up!"

Yue Feng used ventriloquism very skillfully. The guards in front of them, without the slightest suspicion, stood up carefully one by one.

"Well..." Yue Feng pondered and waved his hand: "There is no need for guards here today, you all retreat! Also, pass my order, all the guards in the entire palace are withdrawn!"

What?

All the guards in the palace were removed?

Hearing this, the guards present were all stunned.

However, looking at Yue Feng's serious face, no one dared to question.

"Yes, Your Majesty!" In the

next second, the guards responded in unison, then retreated, and in a blink of an eye, they were gone.

Haha...

it worked!

Yue Feng was overjoyed and was about to call Zhu Bajie out.

However, at this time, only a pleasant and pleasant voice was heard from not far away.

"Your Majesty? Why are you here?"

Looking for her voice, she saw Chang'e walking slowly over the lotus steps.

Nima!

Why is Chang'e here?

Seeing Chang'e, Yue Feng's heart skipped a beat, but there was still a slight smile on his face: "Well... I have nothing to do, so I can just walk around!"

When he said this, Yue Feng felt a little panic in his heart. Chang'e is the closest person to Emperor Hou Yi. She won't see through herself.

In fact, Yue Feng's worries are unnecessary. , even if the real Emperor Hou Yi is here, it is still difficult to distinguish the true from the false.

Just when Yue Feng was muttering in his heart, Chang'e came to him and smiled lightly: "Your Majesty, what are you doing in the forbidden area?"

While speaking, Chang'e couldn't help but glance at the courtyard behind.

Back then, Chang'e was almost ruined by Zhu Bajie, and she always held a grudge in her heart. At the same time, she also knew that Emperor Houyi had not forgotten this matter in his heart! At this time, when I saw Emperor Hou Yi walking at the gate of the forbidden area, I thought he had thought of the past. For a time, Chang'e's heart became a little complicated. Before Yue Feng could respond, Chang'e took his hand and said

with a smile: "Your Majesty is tired, let's go there to rest."

Wind, sit down on the stone bench next to you!

Gudong!

At this moment, looking at Chang'e's compact body up close, and smelling the refreshing fragrance, Yue Feng couldn't help but secretly swallowed his saliva.

I have to say, this Chang'e is really like a fairy descending to earth, even more beautiful than the legendary one!

That exquisite and tight curve, perfect and charming appearance, is worthy of being called the fairy in the moon.

"Concubine Ai, my legs are sore, rub my legs." Yue Feng looked at Chang'e and said with a smile.

When he said this, Yue Feng couldn't help but remember that Chang'e stepped on her face with her foot. Now that she is disguised as a descendant, of course she has to feel Chang'e's tenderness.

Chapter 1288 In the

end, Yue Feng didn't even dream of it, the voice fell, and Chang'e on the side showed a charming smile and asked: "Your Majesty, you usually beat my legs, and you bring me tea and water, why do you want me today? How about hammering your leg? Your Majesty is wrong today."

Uh...

Yue Feng was speechless, who would have thought that the great descendant of the emperor would serve Chang'e every day. At that time, Yue Feng was embarrassed, so he had to say: "Uh... I was wrong just now, what I mean is, I want to ask Concubine Ai's legs whether they are sore or not, I will beat Concubine Ai's legs."

"If my legs are not sore today, Your Majesty doesn't need to beat my legs." Chang'e said with a smile, followed by a change in her voice: "Your Majesty, the earth was shaking just now. Looking at the direction of the shaking, it should be the Earth Circle Continent. This kind of big shaking is a harbinger of the birth of an artifact, or the birth of a cemetery of a peerless master. Anyway, there must be treasures. , I don't know, Your Majesty, what are your plans? Do you want to send troops to the Earth Circle?"

"This..." Yue Feng scratched his head and didn't know how to answer.

Chang'e on the side continued: "Your Majesty, I remember that two thousand years ago, there was a peerless master named Lu Bu. This person is known as the number one warrior. It is said that Lu Bu conquered the world back then, relying on him to have a peerless exercise called " Bloody battles in all directions"! Because this skill was used a lot, after Lu Bu died, the ancient tomb was also full of his inner strength, and the aura of blood evil. Therefore, only when his ancient tomb is in the world will blood-colored clouds appear in the sky. Speaking of

this, Chang'e exhaled softly and said seriously: "Your Majesty must make a decision early, if you can obtain the skill of Bloodbattle Bafang, Your Majesty's strength will definitely be improved to a higher level!"

Bloodbattle Bafang!

The name sounds domineering.

At this moment, Yue Feng's eyes became hot, and he felt that the blood all over his body was boiling. No, I have to leave the palace as soon as possible, return to the Earth Continent, and go to the ancient tomb to get the bloody battle.

Thinking to himself, Yue Feng smiled at Chang'e and said, "Whether or not I will go to Di Yuan Continent, I will talk about it later.... Concubine Ai, I am a little tired. I have to go back to the bedroom first, or you should go to rest first?"

" At these times, Yue Feng's eyes were full of urgency. Zhu Bajie said that the effective time for Yi Rong San is only a quarter of an hour, that is to say, after a quarter of an hour, his appearance will change back. You have to hurry up and support Chang'e.

"Yeah!" Chang'e didn't notice the change in Yue Feng's expression, nodded in response, and turned to leave.

However, at this moment, only a complaining voice was heard, and suddenly it sounded from behind: "What's the situation, little brother, it's been so long, and those soldiers haven't been dealt with? You don't want to leave me and run away alone. ?"

Oops!

Hearing the sound, Yue Feng was startled, then turned his head to look, and saw Zhu Bajie walking out from the door of the forbidden area with rambles in his mouth.

It's over, how did this pig teammate come out of the forbidden area? !

Yue Feng wanted to cry without tears!

"Huh? Chang'e..." As soon as Zhu Bajie came out, he saw Chang'e, and his body froze.

At this moment, Chang'e was also full of surprise, staring blankly at Zhu Bajie, speechless. This Zhu Bajie, who had been imprisoned in the forbidden land for thousands of years, suddenly came out?

It's over, it's over!

At this moment, Yue Feng was extremely anxious.

This Zhu Bajie is really...has been locked up for so long, and his temper is so urgent, can't he wait a little longer?

"Miss Chang'e!"

At this moment, Zhu Bajie came over and said to Chang'e with a smile: "Oh, I didn't expect you to be so charming after not seeing you for so long."

While saying this, Zhu Bajie looked at Chang'e up and down, and her eyes were straight.

Zhu Bajie also knew that the situation was not good, but he was naturally lustful. As soon as he saw Chang'e, he couldn't move, and he couldn't help but sway a few words!

Nima!

Hearing Zhu Bajie's words, Yue Feng didn't know whether to laugh or cry.

This Pig Bajie is really daring, what time is it, and he hasn't forgotten to flirt with Chang'e.

"Zhu Bajie!"

At this moment, Chang'e reacted, her pretty face flushed, and she glared at Zhu Bajie in embarrassment and anger: "You are really unchanging, the emperor should have killed you directly!"

Chapter 1289

Immediately, Chang'e said to Yue Feng, "Your Majesty, just kill Zhu Bajie. It would be a disaster to keep him."

When she said this, Chang'e's eyes flashed with coldness. When she thought that she had almost been defiled by Zhu Bajie, Chang'e was furious!

"Okay, okay, I'll behead him later!"

Yue Feng nodded with a smile, and the moment he finished speaking, he suddenly shot and clicked on Chang'e's acupuncture point like lightning.

Papa.....

The incident happened suddenly, and Chang'e didn't have time to react at all! The delicate body trembled, and she couldn't move at all!

"Your Majesty, you..."

At this moment, Chang'e was shocked and looked at Yue Feng blankly: "What are you doing? Why did you attack me?"

At this time, Chang'e still didn't understand what was going on. Emperor Hou Yi has always been caring and loving to himself, and would never do anything to himself.

Yue Feng smiled slightly and looked at Chang'e playfully: "Miss Chang'e, listen carefully, am I your majesty, haha..."

When he said this, Yue Feng did not use ventriloquism, but changed back to his voice.

Anyway, it's going to be revealed, so there's no need to put it on.

What?

This.... this voice is... that Yue Feng?

Chang'e's delicate body trembled, and she stared at Yue Feng blankly, her face full of incredulity.

How did he become like His Majesty? I didn't even see it myself.

The next second, Chang'e calmed down, glared at Yue Feng fiercely, and said angrily: "Good you Yue Feng, you escaped from prison and pretended to be His Majesty the Great Emperor. You are so bold! You really deserve to be damned!"

Yue Feng sneered. "Okay, come here if you want to kill me, I'm afraid you won't be able to catch me in the future!"

Then, Yue Feng said to Zhu Bajie, "Brother Zhu, it's not advisable to stay here for a long time, let's go quickly."

The voice fell, and Yue Feng took the lead in rushing towards the distance.

However, Zhu Bajie did not panic, but walked slowly to Chang'e!

Admiring Chang'e's beauty up close, Zhu Bajie was very intoxicated, he couldn't help reaching out his hand, raised Chang'e's chin, leaned in and said with a smile: "Beauty Chang'e, I really can't bear to leave you, but you insist on killing me. , I have no choice, we can only meet by fate!"

When saying this, Zhu Bajie looked regretful.

"You..." Chang'e was tapped on the acupuncture point, and she couldn't escape. She stomped her feet angrily, and shouted: "Zhu Bajie, get rid of your dirty hands!"

" Being molested by Zhu Bajie?"

So annoying!

What the hell!

Seeing this scene, Yue Feng, who rushed to a hundred meters away, was suddenly depressed.

What time is it, this Zhu Bajie still hasn't forgotten to flirt with Chang'e, he can really kill him, no wonder he has been imprisoned for more than a thousand years.

Thinking to himself, Yue Feng could not laugh or cry, so he hurriedly shouted at Zhu Bajie: "Let's go, Brother Zhu, we won't be able to leave when Emperor Houyi arrives!"

Huh!

Hearing Yue Feng's cry, Zhu Bajie took a deep breath and came back to his senses: "Brother Yue Feng, why don't we take the Empress Chang'e away too..."

Chapter 1290

"Brother Zhu, are you alive enough?!" Yue Feng was about to collapse: "Brother Zhu, if you catch Chang'e, the descendants will kill you even if they chase to the ends of the earth. We should leave quickly. Right .."

Hearing this, Zhu Bajie reluctantly smiled at Chang'e: "Beautiful Chang'e! I'm leaving! We will have a date later!" After the

voice fell, Zhu Bajie made a blowing kiss, and then quickly followed. Shangyue wind. In a blink of an eye, the two disappeared from Chang'e's sight.

"Zhu Bajie, Yue Feng!" Looking at the disappearing backs of the two, Chang'e's delicate body trembled, her charming eyes flashing with endless shame and anger: "You wait for me, I will definitely catch you, Let you both survive and die!"

.....

Yue Feng and Zhu Bajie ran all the way, and finally stopped after running for a long time.

call!

At this moment, Yue Feng stood on a hillside, looking at the Beiyang Palace behind him, he couldn't help but let out a sigh of relief!

Nima, finally escaped, it's not easy!

"Haha, after being trapped for thousands of years, my old Zhu has finally regained his freedom!" Zhu Bajie, who was next to him, was also very excited and couldn't help laughing and sighing.

Yue Feng smiled and couldn't help but ask: "Brother Zhu, where are you going next?"

"Of course, it's the Diyuan Continent! There is a baby born in the Diyuan Continent, and you have to go grab it!" Zhu Bajie Without thinking, he said: "Before in the Diyuan Continent, there was a natural vision, and there must be treasures in the world. How could I, Lao Zhu, miss such a good thing?"

Yue Feng nodded with a smile: "That's right, we can be together. Let's go !"

Yue Feng has already thought about it, this Zhu Bajie's strength is unfathomable, and if he has a good relationship, he will be a powerful helper in the future.

"Okay!"

Zhu Bajie had a straightforward personality, and immediately nodded, "Let's go!"

After saying that, the two flew towards the Earth Circle Continent. During this period, the conversation between the two continued to sound from the air.

"Brother Zhu, after stealing the treasure, what are you going to do?"

"Of course it's looking for beautiful women and having fun!"

"Uh...Brother Zhu is really a man of temperament.

"Zhu I is romantic and suave, which beautiful woman doesn't have a heart -warming heart when she sees it?" "

What about Chang'e?"

“This...she is an exception!”

Along the way, the two talked and laughed. After seven or eight hours of flight, Yue Feng and Zhu Bajie finally arrived at Diyu Continent!

—On

the coast of the East China Sea, Yue Feng stood by the sea and looked at the high-rise buildings in Donghai City, very cordial.

Yue Feng originally wanted to find a restaurant, order a few dishes, and have a good rest. But along the way, Yue Feng found many strange people. These people dress strangely, and at first glance they look like people from other continents. These people all rushed in the direction of the Huashan faction. Only after inquiring did Yue Feng know that the previous tremors came from the Huashan faction.

Obviously, these people from other continents want to go to Huashan and capture the treasure. Knowing this, Yue Feng didn't have time to think about it, and rushed towards Huashan with Zhu Bajie.

At the foot of Mount Hua, there is a city called Xiyue City. The city has a population of several million, and the streets are full of traffic.

After three or four hours of flight, Yue Feng and Zhu Bajie finally arrived in the suburbs of Xiyue City.

“Little brother, rest for a while!” Zhu Bajie said.

“Okay!”

Yue Feng nodded, and after flying for nearly ten hours, he was also a little tired. You know, uninterrupted flight is very consuming internal energy.

The voice fell, and the two slowly flew down from the air.

As soon as he landed on the ground, Zhu Bajie's eyes were fixed on the bustling streets of Xiyue City, his eyes were full of novelty, and he couldn't wait to say, “Brother Yue Feng, there are so many beautiful women in this city, I'll go take a look!”
