

## The ultimate husband in Chinese chapter 1361-1365

### Chapter 1361

Yue Feng smiled slightly and said casually: "He is the head of Tianyi Sect. The specific process is hard to describe. I will tell you slowly in a while!"

At this time, Yue Feng really wanted to hold on tight. Hold Ren Yingying. However, both of his arms were broken, and he was completely powerless!

"Hey!" Seeing Ren Yingying ignoring herself, the innkeeper was very upset, and said coldly, "I warn you, don't meddle in your own business..." Before the

words were finished, Ren Yingying's face turned cold, and she scolded angrily. With a cry: "Go away!"

Ren Yingying's heart hurts so much that her beloved man is injured like this, and she can't restrain her inner anger at this time!

Whoa!

In an instant, everyone around was in an uproar.

"This kid has a sick mind too!"

"Yeah, he looks so handsome and wears decent clothes, but he yelled at a beggar..." The

innkeeper was stunned for a while, then reacted immediately, pointing at Ren Yingying and yelling Said: "Ma De, even he beat me!"

How can I bear being despised again and again! Neither the innkeeper nor the people around could see that Ren Yingying was a woman disguised as a man!

Whoops!

The voice fell, and several inn guys next to each other looked at each other and gathered around again.

"You are presumptuous!"

Ren Yingying's pretty face was frosty, she snorted, and then took out a gold medal from her body.

hiss!

Seeing the words on the gold medal, the innkeeper couldn't help gasping for air as if struck by lightning, and immediately knelt down with a thud.

Pfft!

At the same time, several inn clerks all turned pale and knelt in a row.

The innkeeper and a few guys could clearly see that the gold medal had the characters 'Princess Yueying' written on it.

As a commoner of the imperial city, the innkeeper of course knows that Princess Yueying is His Majesty's most beloved daughter, and if he provokes her, a hundred heads are not enough to cut off!

what's the situation?

Why did you kneel all of a sudden?

Seeing the scene in front of them, everyone around was dumbfounded. They were far away and couldn't read the words on the gold medal, so they didn't know the situation.

At this time, Ren Yingying looked at the innkeeper coldly: "At the feet of the emperor, bullying the weak, do you know the guilt?"

"Don't panic.

He never thought that the handsome boy in front of him was actually a princess.

hiss!

In an instant, everyone around was blinded.

This... is this the princess?

quiet!

At this moment, the street in front of the inn was silent! All the people knelt on the ground in unison! The atmosphere did not dare to breathe.

"Well..."

At this moment, Yue Feng felt the pain from the broken arm, and couldn't help but snorted.

Ren Yingying regained her senses, her originally cold face was instantly gentle: "Yue Feng, what's wrong with you?" With

that, Ren Yingying tilted her head and stared at the innkeeper: "What are you still doing? Prepare for me quickly. One room."

Yue Feng was so seriously injured that he had to be treated as soon as possible.

"Quick!"

Hearing this, the innkeeper hurriedly said to the man, "Go and prepare the room, get a good room." As if the

man was amnesty, the innkeeper quickly got up and went to prepare.

A few minutes later, Ren Yingying helped Yue Feng into the room.

"Yue Feng!"

After entering the house, Ren Yingying felt embarrassed and hugged Yue Feng at the moment when the door closed: "Do you know how I spent this time? I thought I would never see you again. Do you know how much I miss you? Do you know that every night, you will appear in my dreams on time. I miss you so much..."

Chapter 1362

"Why can't I see you?" Yue Feng smiled slightly and comforted: "You are a princess, and your royal father loves you so much. If you don't want to go, just go wherever you want."

When saying this, Yue Feng looked at Ren Yingying, his face full of tenderness, and at the same time a little distressed!

It's only been nearly a month since I haven't seen you, and Ren Yingying seems to be a little haggard.

"I..."

Ren Yingying shook his head with a sad face: "I'm no longer free. Did you know that the royal father is going to hold a martial arts contest for me and put me under house arrest in the palace..."

As he spoke, two tears fell from his face.

After Ren Yingying came back from Beiyong Continent, she has been under house arrest in the palace, and it has been nearly a month today.

Ren Yingying was originally an unrestrained personality. She was under house arrest for a month and almost went crazy. Early this morning, taking advantage of the opportunity of the palace guards to change shifts, she slipped out in disguise as a man.

As a result, before leaving the imperial city, he met Yue Feng on the street.

What?

Fighting to recruit relatives?

Hearing this, Yue Feng only felt a buzzing sound, and his whole mind went blank.

No wonder she disguised herself as a man and left the palace alone.

Thinking to himself, Yue Feng looked at Ren Yingying: "You... didn't talk to your father, say, say we are in love with each other..."

When he said this, Yue Feng was a little embarrassed. This is too stupid to ask. Before, he made a lot of trouble in the imperial city and almost killed Emperor Tianqi. How could Emperor Tianqi agree to his daughter and be with his enemy?

"Who is in love with you..." Ren Yingying blushed and subconsciously let out a coquettish cry. But after saying that, she wanted to laugh a little. Aren't you and Yue Feng just in love with each other?

Ren Yingying bit her lip: "My father guessed... I guessed that I like you, but I won't let me be with you, so I have to hold an incomparable recruitment meeting."

Saying that, Ren Yingying raised her head, affectionately Looking at Yue Feng: "Yue Feng, I don't want any competition to recruit relatives, I just want to be with you in my life, can you take me away?"

When it came to the last sentence, Ren Yingying's eyes were full of anticipation, which was intoxicating.

"Okay!"

Yue Feng nodded without thinking.

Ren Yingying had fallen out with her father for herself. If she failed her, would she still be considered a man?

Seeing his promise, Ren Yingying was very happy and showed a happy smile. He raised his foot and kissed Yue Feng's face, saying, "That's right, I'll help you heal first. You look like this, how can you take me far away?"

“But...” Yue Feng’s face was a little gloomy, and he gritted his teeth: “My injury, you...you can’t help me... My two arms are broken, this is the leader of Tianyi Sect, crushed by her unique method, unless there is a healing medicine for bone continuation, otherwise, It’s very difficult to cure.. Even if Shennong tastes Senior Baicao, it may not be able to cure this kind of injury.”

Hearing this, Ren Yingying suddenly became anxious, and her eyes were full of distress and concern: “Then what should I do?”

Immediately, Ren Yingying clenched her pink fist tightly, gritted her teeth and said fiercely: “Tianyijiao, if it wasn’t for the tension between me and the royal father now, I would have sent troops to destroy this sect.”

Seeing her angry expression, Yue Feng’s heart warmed and persuaded: “Okay, don’t be angry, I can survive this time, it is all God’s blessing, if it is destined that my two arms can’t be cured, I don’t blame anyone, it’s you. I’ll be content with being by your side!”

“No...”

Ren Yingying looked resolute: “I must cure you, there must be a way. I heard that there is a healing elixir in Tianqi Palace called ‘Tianxiang Xugu paste’, which can definitely cure you!”

Saying these At the time, Ren Yingying was very excited.

Tianxiang Xugu paste is the unique healing medicine of the Tianqi royal family. Ren Yingying clearly remembers that when he was a child, an emperor’s younger brother broke his leg while riding a horse. He was cured with this ointment, and he was able to move freely the next day. I heard from the royal father that this Tianxiang Xugu paste is an extremely precious medicine, and it will definitely cure Yue Feng’s injury!

“You wait for me here!” Ren Yingying said to Yue Feng, “I’ll go back to the palace, and I’ll be back when I go!”

Before going out, Ren Yingying did not forget to kiss Yue Feng’s face.

“Sigh...”

Yue Feng was stunned when he smelled the fragrance left on his face, and when he recovered, Ren Yingying had already walked out of the room.

For a time, Yue Feng was dumbfounded, moved, and worried! She has already slipped out of the palace, and if she goes back, isn’t she self-defeating.

Thinking to himself, Yue Feng couldn’t help but secretly pray for Ren Yingying.

Ren Yingying, you must come back safely.

After praying for a long time, Yue Feng sat cross-legged on the bed and silently recovered his inner strength.

Although the two arms were broken and the injury was serious, it did not affect the recovery of the inner strength of the dantian.

Chapter 1363

“Everyone should be honest, don’t walk around casually, and be inspected by the Royal Forest Army.”

As a result, Yue Feng didn’t practice for a while, when he heard a commotion on the street outside, accompanied by a neat pace, very noisy. In an instant, the bustling and bustling streets were suddenly silent.

hiss!

Yue Feng frowned, looked out across the windowsill, and couldn’t help gasping for air.

I saw that on the street outside, there were garrison troops everywhere. It seemed that the entire imperial city was under martial law. The people who were shopping outside were all under control and were interrogated one by one.

Seeing this scene, Yue Feng had a bad feeling.

If it’s broken, it must be Ren Yingying who sneaked out of the palace. When the emperor found out, he sent the Imperial Forest Army to find her whereabouts in the imperial city under martial law.

Yue Feng saw that these imperial guards not only checked the people on the street, but also all the shops began to be strictly searched.

Nima!

Looking at the situation, I will find this inn in a while... What should I do?

At this moment, Yue Feng wanted to leave the inn and find a place to hide. After all, he had made a lot of trouble in the imperial city before, and he was a repeat offender appointed by Emperor Tianqi.

But... I left, what should I do if Ren Yingying can’t find herself when she comes back?

Boom!

Just when Yue Feng was in a dilemma and was secretly anxious, the door of the room was suddenly kicked open. Then, a tall general in armor broke in with a team of imperial guards.

This general's name is Dong Wu, the deputy commander of the Imperial Forest Army, and the fifth stage of the Martial Saint Realm.

Yue Feng guessed correctly, the Imperial Forest Army suddenly put martial law on the imperial city, and they checked everywhere, just looking for Ren Yingying.

Early this morning, Emperor Tianqi summoned Ren Yingying and found that she was not there. Emperor Tianqi was immediately furious, and immediately ordered Dong Wu to block the entire palace and retrieve the princess no matter what.

At this time, Dong Wu walked into the room, glanced around quickly, and waved his hand: "Go, check the next one immediately!" After the

voice fell, Dong Wu turned around and was about to leave. His duty was to find the princess as soon as possible and return to the palace, so he didn't pay much attention to Yue Feng who was sitting cross-legged on the bed.

Swish!

However, when Dong Wu was about to leave, his eyes swept over Yue Feng, and in just a short moment, Dong Wu stopped in an instant, and his body was shocked!

"Yue Feng?" In the

next second, Dong Wu stared at Yue Feng, extremely surprised: "It's you..."

When Yue Feng made a big noise in the palace, he killed the national teacher with one move, shocking the audience! At that time, Dong Wu was also present. Yue Feng held a blood-drinking sword and killed the national teacher in the palace. Dong Wu would never forget that shocking scene! Still fresh in my memory! There were two sword wounds on Dong Wu's body. They were slashed by Yue Feng during the melee at that time!

So how could he not know Yue Feng? !

In Dong Wu's heart, a person like Yue Feng is a big man who is out of reach, and he can't even catch Yue Feng's move! But Dong Wu never expected to meet him at this inn!

Nima!

Now that he is like this, he is more shabby than a beggar, can he still be recognized?

At this moment, Yue Feng was also stunned, secretly complaining in his heart.

I haven't recovered my inner strength yet, my arm is broken, but I met the Imperial Forest Army, which is too bad.

"Yue Feng?!" At this time, Dong Wu reacted, looked at Yue Feng and sneered: "When you made a big noise in the palace, how powerful were you? I didn't expect it to be so miserable now."

To be honest, seeing Yue Feng, Dong Wu was very jealous, this was a move that killed the existence of the national teacher, and he couldn't provoke him at all!

However, when both of Yue Feng's arms were broken, Dong Wu suddenly felt confident.

Yue Feng did not respond, sneered silently!

Seeing that he didn't speak, Dong Wu continued: "Yue Feng, you killed the national teacher for the sake of Your Majesty. It is an unforgivable sin. Obediently go to see Your Majesty with me and accept the punishment!"

When he said this, Dong Wu said in his heart. Excited and excited.

Hahaha...

Although I didn't find the princess, I did a great job catching Yue Feng.

Thinking to himself, Dong Wu waved his hand impatiently: "Take Yue Feng to me!"

Chapter 1364

Hula!

Dong Wu's voice fell, and more than a dozen Apocalypse Imperial Forest troops behind him surrounded Yue Feng directly!

Nima!

Yue Feng suddenly broke into a cold sweat and shouted, "Whoever is not afraid of death, come up." After speaking, Yue Feng jumped off the bed.

At this time, Yue Feng's eyes were flickering with suffocation. Although his arms were drooping, the aura that filled his body was still heart-pounding.

Swish!

Feeling the aura on Yue Feng's body, more than a dozen imperial guards subconsciously stopped and looked at each other, not daring to act rashly.

Gudong!

At the same time, Dong Wu also swallowed subconsciously, secretly shocked.

This Yue Feng is indeed a hero of a generation, his arm is broken, and his momentum is still so strong?

But then, Dong Wu calmed down and said with a chuckle: "Yue Feng, who are you scaring, both of your arms are dead, who can you kill?"

"Really?" Yue Feng sneered, tightly Looking at Dong Wu, he began to talk nonsense: "I tell you, I am practicing a special exercise, this exercise requires you to break your arm first, now, this exercise I will immediately Once you've practiced it, if you want to try your power, just come up."

When he said this, Yue Feng's face was cold, but his heart was nervous.

Yes, Yue Feng said this to scare Dong Wu on purpose. In this world, how can there be a practice that breaks one's own arm...

a strange practice?

Hearing this, Dong Wu was stunned, staring at Yue Feng blankly, unable to speak for a while.

Is there such a thing as such? This Yue Feng will not be talking nonsense...

But, with Yue Feng's strength, who can hurt him like this?

For a time, Dong Wu was suspicious and did not dare to act rashly.

The Imperial Forest Army behind them were also frightened by Yue Feng, standing there, not daring to let out a breath.

Haha...

This group of people is too stupid, they were frightened by just a lie.

Just a genius.

Seeing Dong Wu's expression, Yue Feng couldn't be more happy, maybe he was too excited, which affected the wound on his body, and a burst of pain came, Yue Feng couldn't help coughing.

In an instant, Yue Feng's face turned pale.

Oops!

Revealed!

At this moment, Yue Feng wanted to cry without tears!

"Yeah, are you kidding me?!"

Seeing Yue Feng's incomparably weak expression, Dong Wu's face flushed, and he was extremely embarrassed and angry: "Yue Feng, you can't escape today!"

Om!

As soon as the words fell, Dong Wu's inner strength exploded, he pulled out his saber, and slashed directly at Yue Feng!

His dignified deputy commander of the Royal Forest Army was actually tricked by Yue Feng with such a simple trick! It's just too embarrassing to be in the face of a subordinate!

"Hey! Sigh..."

Yue Feng was shocked, and hurriedly dodged to the side, shouting while dodging.

However, Yue Feng's internal strength has not recovered, and he can't escape Dong Wu's sword at all.

Seeing this knife, he was about to slash at Yue Feng. Suddenly, a slender woman ran in outside the door. At the same time, she shouted: "Dong Wu, stop me!"

This woman's figure is simply too hot! It is Ren Yingying!

Chapter 1365

In her hand, she was holding a delicate jade bottle, which contained the sacred healing medicine 'Tianxiang Xugu ointment' unique to the Tianqi royal family.

Just now, Ren Yingying sneaked back to the palace and gave Yue Feng the medicine. After she got the medicine, she didn't stop at all, and hurried back to find Yue Feng. As a result, on the street, Ren Yingying saw that the Imperial Forest Army had blocked the imperial city and was looking for herself everywhere.

Ren Yingying was very anxious and did not stop along the way.

It doesn't matter if the Yulin Army finds himself, he must not catch Yue Feng.

However, in the end it was a step too slow!

"Princess!"

Seeing Ren Yingying, Dong Wu was both surprised and delighted, and hurriedly knelt down to the ground: "Deputy Commander of the Imperial Forest, Dong Wu sees Her Royal Highness!"

Whoa!

At the same time, more than a dozen imperial guards behind Dong Wu also quickly knelt down.

At this time, Dong Wu was indescribably excited!

Not only can I catch Yue Feng, but now the princess has also found it!

My luck today is really good. When I return to the palace to see His Majesty next time, I will definitely be promoted to an official title!

"Dong Wu!" Ren Yingying gave a coquettish cry, and said coldly, "Take your subordinates and get out of here immediately, and also, open the city gate immediately! Yue Feng and I are leaving!" The

tone was firm, not allowing Doubt.

Saying that, Ren Yingying walked up to Yue Feng, unable to hide her endless tenderness: "I brought out Tianxiang Xugu paste, and I'll give you the medicine later. Then we'll leave."

Wow!

Seeing this scene, Dong Wu and the surrounding Royal Forest Army were all dumbfounded.

This....what's the situation?

Is the princess helping Yue Feng get medicine? Talk so softly.

The two of them....

Seeing Dong Wu froze there, everyone is stupid, Ren Yingying frowned, very impatient: "Dong Wu, didn't you hear what I said? Disobey my order, Aren't you afraid of being beheaded?"

“Your Highness Princess!”

Dong Wu reacted when he heard this, and a layer of cold sweat broke out on his forehead instantly, and said tremblingly: “Princess, don’t blame, please forgive your subordinates for not being able to fulfill your request.”

Said At these times, Dong Wu’s heart was very complicated.

He is not a fool, and it can be seen that Ren Yingying and Yue Feng have a close relationship. However, Yue Feng was appointed by His Majesty, and he had a heavy responsibility, how could he watch the princess leave with him?

Swish!

Ren Yingying’s pretty face was full of anger, and she said coldly: “Dong Wu, what do you mean, you want to bring me and Yue Feng back to the palace?”

Dong Wu took a deep breath and nodded: “Your Highness Princess, this Yue Feng killed the national teacher, and His Majesty personally issued a hunting order at that time, if I let him go, I would be remiss.”

After a pause, Dong Wu continued: “Also, Your Majesty just ordered me to find the princess. You, so... so I have to take the princess, you and Yue Feng back... Your Royal Highness, you are your majesty’s daughter after all. If you make a mistake, your majesty can forgive you, but your subordinates are different. Your Majesty knows that if your subordinates let you and Yue Feng go, His Majesty will punish my nine clans... So please ask the princess... Don’t make it difficult for your subordinates...”

Ren Yingying was too lazy to talk nonsense: “Dong Wu, you are very capable. Now? I won’t go back with you today, and you still can’t arrest me? I’ll say it again, get out of here immediately! Also, open the city gate immediately. Otherwise, don’t blame me for killing you!”

Dong Wu is only a fifth-tier martial arts sage, and it is easy for Ren Yingying to kill him.

Swish!

In an instant, Dong Wu was dripping with cold sweat, but he still knelt there with a resolute expression on his face.

At this time, Dong Wu was in a panic. He knew what would happen if he angered Ren Yingying, but if he angered Ren Yingying, he would at most die here. If you let Ren Yingying go by yourself, if His Majesty finds out, it will be a big crime to deceive the king, and it will punish the nine clans!

Seeing Dong Wu kneeling there motionless, Ren Yingying couldn't do anything, and there was a bit of coldness in her eyes: "Are you really not afraid of death?"

Seriously, at this time, Ren Yingying really wanted to kill Dong Wu immediately!

But... Dong Wu is so loyal to the royal family that he really can't do it!

"His Royal Highness, if you insist on leaving with Yue Feng, just step over my body."

Dong Wu suppressed the fear in his heart and made a dignified gesture: "Your Majesty has ordered me to find the princess. , take the princess back. The subordinates dare not resist the decree! Princess, please be considerate of the servants."
