

## The ultimate husband in Chinese chapter 1366-1370

### Chapter 1366

“You...” Ren Yingying was about to cry.

Dong Wu sighed secretly and said boldly: “Your Highness Princess, why don’t you do this, I have a proposal, both of us will take a step back, Princess, please return to the palace with me, I will let Yue Feng go.”

Said, Dong Wusao Glancing at Ren Yingying, he continued: “Princess, you just want to save Yue Feng, I promise, as long as the princess promises to come back to the palace with me, I will open the city gate and send someone to escort Yue Feng away! Besides, when I encounter Yue Feng’s incident , I will never report to His Majesty, how?!”

Dong Wu is also a little helpless now, Ren Yingying is His Majesty’s most beloved daughter, no matter what, he must bring Ren Yingying back to the palace! As for Yue Feng, you can let him go first.

“This...” Hearing this, Ren Yingying bit her lip and pondered.

I finally met Yue Feng, and I really couldn’t bear to part with him!

For a time, Ren Yingying fell into a situation where it was difficult to choose, her brows were furrowed, which was pitiful.

Nima!

At this moment, Yue Feng couldn’t hold back his fire. If it wasn’t for the fact that his arms were broken and his internal strength did not recover, would he be able to tolerate a small commander and bargain with himself and Ren Yingying?

It’s just so frustrating!

“His Royal Highness Princess!”

Seeing Ren Yingying’s contemplation, Dong Wu was a little anxious: “I am not the only one who came out to find the princess today. Before the others come, the princess has to make a decision quickly, otherwise, everything will be It’s too late.”

Phew!

At this moment, Ren Yingying took a deep breath, bit her lip tightly, and looked at Dong Wu very unwillingly: “Okay, I promise you! I will go back to the palace with you, and you will let Yue Feng go.”

Saying that, Ren Yingying gave Yue Feng a deep look: "However, I have to heal Yue Feng before I can return to the palace with you!"

Seriously, Ren Yingying was a hundred reluctant to be separated from Yue Feng.

But no way!

In the current situation, it is almost impossible for him to take Yue Feng and force his way through the city gate. Seeing Ren Yingying's agreement, Dong Wu was overjoyed

and nodded again and again: "Of course, the princess can heal Yue Feng, and the subordinates will wait outside the door. Don't disturb!"

A group of garrison troops exited the room.

"Yingying! I'm sorry!" The moment the door was closed, Yue Feng was full of disgust, and said bitterly to Ren Yingying: "It's all me, if I wasn't hurt, I wouldn't hurt you..."

When he said this, Yue Feng could not wait to slap himself a few times.

If you can't protect the woman you love, what kind of man is he?

Ren Yingying bit her lip tightly, squeezed out a smile, and said softly: "I don't blame you, maybe we are destined to have so many twists and turns."

After speaking, Ren Yingying opened the medicine bottle and whispered: "I'll give you the medicine, and I'll go back to the palace after the medicine."

Well...

Yue Feng replied, quietly watching Ren Yingying help him lift his clothes, and then gently smear the ointment on the broken on the arm.

Seeing the shocking scars on Yue Feng's body, Ren Yingying's delicate body trembled and she was stunned.

So much hurt!

How did he endure so far?

For a time, Ren Yingying felt distressed. She was a strong girl and understanding, so she didn't show a very sad look, but kept a gentle smile on her face.

She didn't want Yue Feng to feel uncomfortable.

Seeing her forced smile, Yue Feng didn't know why, and his heart was very depressed!

The atmosphere is also indescribably sad.

Ren Yingying bit her lip, and seeing Yue Feng staring at her, she finally couldn't help it: "Why are you looking at me like this?"

Yue Feng resisted the pain in his heart and said with a smile: "I was thinking, you are so beautiful, I used to be so stupid, why didn't I pursue you earlier, and also, if we have a daughter in the future, we'd better be as beautiful as you..."

"You..." After

hearing this, Ren Yingying's face, The brush turned red all of a sudden, and said angrily, "It's not serious again."

Chapter 1367

Speaking, thinking that she would be separated from him soon, and at the moment of killing, Ren Yingying finally couldn't bear it anymore, and burst into tears.

"Wow..."

At this moment, Ren Yingying no longer insisted, and released all the sadness and sadness in her heart.

He was about to return to the palace soon, and then he had to face the martial arts competition arranged by his father.

In this case, for yourself and Yue Feng, do you still have a future?

"Okay, Yingying don't cry, don't cry..." Seeing her pear blossoms with rain, Yue Feng was very distressed. At this time, he wanted to reach out and touch her face, but his arms were not conscious, so he had to look affectionately Ren Yingying: "Don't cry, you are a princess, you are not allowed to cry, you know."

Ren Yingying couldn't help but glance at him and pouted: "I cry, it's not because of you, you little conscience, if you You haven't been caught in Tianqi Continent by the head of the Tianyi Sect, can't you remember to find me? I look at you, and I don't think about me."

When she said this, Ren Yingying's beautiful face showed a hint of Somewhat resentful.

Uh...

Yue Feng couldn't help laughing and crying: "How come.... I miss you..."

Seeing him, Ren Yingying burst into laughter: "Okay, I'm teasing you!"

While joking, Tian Xiang continued. Bone plaster was also applied.

Yue Feng only felt that his arms were numb and numb, but he couldn't move.

"Okay, the medicine is ready!"

Ren Yingying clapped her hands with a relaxed look on her face, and then said seriously: "Yue Feng, your arm will take at least half a month to recover, so you have to promise me that this half For a month, don't do anything with anyone, you know?"

When she said this, Ren Yingying's eyes were full of concern, as if her wife told her husband who was discharged from the hospital.

"Got it, wife!" Yue Feng nodded with a smile: "I promise you, I will never fight anyone until my arm is healed!"

Shuh!

Hearing this title, Ren Yingying's face turned red all of a sudden, and she couldn't help but spit: "It's not serious again!"

Saying this, Ren Yingying's heart was filled with happiness and sweetness!

At this moment, the atmosphere of the room also changed from depressed to relaxed and subtle.

"Squeak—" At this moment, the door was pushed open, and then Dong Wu

stuck his head and said cautiously: "His Royal Highness, it's getting late, it's time for us to go back to the palace!"

Looking at Yue Feng with envy.

Mad, this Yue Feng is really lucky to be favored by the princess. If it weren't for the princess, I would be able to catch Yue Feng and take credit to His Majesty.

"Got it!"

Upon seeing Dong Wu, Ren Yingying immediately put away her smile and responded angrily!

Immediately, Ren Yingying looked back at Yue Feng, her eyes full of reluctance: "Yue Feng, I'm going back to the palace, you have to take care of yourself!"

Seriously, Ren Yingying didn't want to leave so soon, but she knew in her heart and continued. If you drag it down, the other commanders of the Imperial Forest Army will rush over, which will be very unfavorable to Yue Feng.

Hu..

Yue Feng took a deep breath, endured the reluctance in his heart, and squeezed out a smile. My heart hurts!

Ren Yingying glanced at Yue Feng affectionately, and then walked outside. Just two steps, Ren Yingying suddenly turned around and rushed over, kissed Yue Feng on the face, and whispered, "Yue Feng, I love you."

When the voice fell, Ren Yingying burst into tears! Without further ado, he walked out quickly and left with Dong Wu, but when he walked out of the inn, he still turned back three times.

call!

At this moment, Yue Feng was unspeakably uncomfortable, until Ren Yingying's figure disappeared from sight, and then he slowly recovered!

Dong Wu's words count!

After Ren Yingying was sent back to the palace, Dong Wu immediately sent someone to escort Yue Feng out of the imperial city.

After leaving the imperial city, Yue Feng looked back at the direction of the imperial palace, feeling extremely bitter in his heart. It was as if a movie were being played in his eyes, and the figure of Ren Yingying was constantly echoing.

Chapter 1368

Yue Feng took a deep breath and tried to make himself more awake, no longer thinking about Ren Yingying. Immediately afterward, he walked towards the Earth Circle Continent. Now, let's hurry back to the Earth Continent and see how Brother Wen and the Great Sage are doing.

Thinking about it, Yue Feng quickened his pace. As a result, before walking very far, I saw a few people in front and quickly greeted them.

Nima!

Wouldn't it be someone who taught Tianyi?

Yue Feng was instinctively alert, and at the same time, he was a little flustered.

My arm has just been connected, and my internal strength has not recovered yet. When it comes to fighting, I am not an opponent!

Just as I was thinking, these people came to me!

Yue Feng saw that these people were uniformly wearing black brocade clothes. This kind of clothes is not something ordinary people can wear, and their identities must be extraordinary!

“Master Consort!”

At this moment, one of the leaders came over and gave a respectful salute to Yue Feng: “My name is Fang Chao, I am the captain of the Queen’s bodyguard, His Majesty learned that the Concubine had left the ancient tomb, I was besieged by various sects, and we specially asked us to rescue!”

When he said this, several people behind Fang Chao also nodded.

Concubine? This title made Yue Feng suddenly stunned. But then he reacted. Not long ago, at the ancient tomb of Lu Bu, the Queen of Nanyun named herself the concubine and asked herself to marry Long Qianyu.

good!

Fang Chao is the captain of the palace guards in the Southern Cloud Continent. At that time, Empress Nagumo led the soldiers and left the tomb first. After returning to Nanyun Continent, the Queen heard that Yue Feng was besieged, and immediately sent Fang Chao to rescue him.

However, when Fang Chao arrived, Yue Feng had already been captured by Ling Xiaoxiao, Fang Chao had no choice but to take someone and quickly go to Tianyijiao to investigate. In the end, Yue Feng was not found, because Yue Feng had already been released by Song Qian.

There was no way, Fang Chao had to focus on Tianyi Sect and expand his search scope. He happened to pass through Tianqi Imperial City today, but he didn’t expect to encounter Yue Feng.

Nima!

It turned out to be the guards of the Nanyun Palace, and I thought this group of people were from the Tianyi Sect, which shocked me!

Yue Feng muttered and smiled at Fang Chao: “You guys have worked hard, you can go back to your life and tell Her Majesty, I’m fine, don’t worry about me!”

After that, Yue Feng turned to leave!

Seeing that he was about to leave, Fang Chao felt anxious, stopped Yue Feng, and said politely, "Father Consort, Your Majesty said, please let us take you back safely, His Majesty is still waiting for you and Princess Long Qianyu to marry, so , you should go back with us!"

What?

Go to the Nanyun Continent with you?

Hearing this, Yue Feng could not laugh or cry, and categorically refused: "No, I have an urgent matter. You can go back by yourself!"

This...

Fang Chao looked embarrassed: "Master Consort, Your Majesty's decree, we must take you back, we will not Dare to disobey, don't make it difficult for me!"

After finally bumping into Yue Feng, if he were to leave, how would he go back and explain to the queen?

"Oh, you!"

Yue Feng was very speechless, looking at Fang Chao in disbelief: "You just said that you didn't find me, why not?"

After speaking, Yue Feng was too lazy to talk nonsense, and turned around and left.

Seeing that Yue Feng was not cooperating, Fang Chao was very depressed and said with a wry smile: "If that's the case, then this subordinate will have to offend him!"

After the voice fell, Fang Chao slapped Yue Feng's neck with a palm.

Snapped!

Yue Feng's inner strength didn't recover, he didn't have time to react at all, and as soon as his eyes darkened, he immediately fainted!

Nima, is this kid so arrogant?

I'm your concubine, and I actually do it directly!

For a moment of confusion, Yue Feng couldn't help scolding in his heart, and then he didn't know anything.

...

the other side!

Diyuan Continent, at the foot of Mount Hua!

In the ancient tomb of Lu Bu, Zhou Qin killed Yang Baimei, but put the blame on Yue Feng. Later, the major sects began to besiege the three Yue Feng brothers. After Yue Feng was captured by Ling Xiaoxiao, Sun Dasheng and Wen Chou Chou faced the siege of various sects, and soon they couldn't support it!

At this time, in the open space at the foot of Mount Hua, the ground was almost stained red with blood. The disciples of Tianmen, Huaguoshan, and the Hall of Longevity were all dead, wounded, and wounded.

And Sun Dasheng and Wen Chou Chou were also scattered in the melee.

"You bastards, this account, I have written down this account!" Seeing that the situation was getting worse and worse, Sun Dasheng was furious, shouting angrily, wielding a double axe, forcing the few people in front of him to retreat, turning to the distance rush away.

Despite his hot personality, Sun Dasheng is not stupid.

Now brother Wen doesn't know where he is, and if he continues to fight alone, he will die.

"Run?"

Zhou Qin snorted coldly, jumping up and chasing after her.

"Sect Master Zhou, I'm here to help you!"

At this moment, a handsome figure flew out of the crowd, followed by Zhou Qin, chasing after Sun Dasheng.

It was Fang Lingyun of the Tianshan faction!

In the past ten years, the various sects in the Diyuan Continent have produced talents in large numbers, and Fang Lingyun of the Tianshan sect is one of the best.

Fang Lingyun, who is less than thirty years old, has already reached the realm of the fifth rank of Martial Saint. In the rivers and lakes of the Earth Round Continent, the name is extremely loud.

And recently, Fang Lingyun was appointed as the successor of the next head of the Tianshan Sect. It can be said that he has a very high status in the Tianshan faction.

Zhou Qin didn't care about Fang Lingyun, who was following up, and his eyes were locked on the Sun Dasheng in front of him!

Chapter 1369

Unconsciously, the three of you chased me and came to a secluded valley.

Nima!

Seeing that there is no road ahead, Sun Dasheng scolded secretly.

"Sun Dasheng, today next year will be your day of death!" Zhou Qin said coldly, her figure accelerated instantly, and she slapped directly at Sun Dasheng!

With this palm, Zhou Qin performed the technique of immortal scripture!

At this time, Sun Dasheng was alone and helpless, and it was a good time to kill him!

hum!

In an instant, I saw where Zhou Qin passed, the air was distorted, the palm was extremely fast, and it was already close to Sun Dasheng's chest!

"Yeah, just because you want to kill me?"

Sun Dasheng clenched his fists and released his anger. He clenched the double axe across his chest, blocking Zhou Qin's palm!

"Clang!" The

powerful palm force slapped the double axe fiercely, making a loud noise, and Sun Dasheng was shaken back several steps, and a mouthful of blood spurted out!

Whoa!

At the same time, Sun Dasheng's double axe also shattered instantly!

"Zhou Qin..."

Sun Dasheng only felt stuffy in his heart, stabilized his figure, looked at Zhou Qin in shock and anger, his face was full of incredible!

This...it's impossible!

In the ancient tomb, when she and Brother Wen were chasing Zhou Qin, she could only flee in embarrassment. It only took less than a day. How could this woman be so powerful?

Thinking to himself, Sun Dasheng understood something, and said furiously: "Zhou Qin, you still said that you did not kill the head of Huashan? When you killed Yang Baimei, you used that slap just now.

" Fang Lingyun, who came over, also looked at Zhou Qin in shock: "Sect Master Zhou, what's going on?"

When he spoke, Fang Lingyun sensed Zhou Qin's strength, and a huge wave was set off in his heart.

Second paragraph of Wuhuang?

In the previous melee, the masters of various sects focused on the three Yue Feng brothers, and no one noticed the change in Zhou Qin's strength.

Fang Lingyun clearly remembered that before entering the ancient tomb, Zhou Qin's strength was not high, but now it turned out to be the realm of Emperor Wu, which must be strange.

Can one palm smash Sun Dasheng's double axe, how powerful and terrifying? !

And the head of Huashan, Yang Baimei, was shattered by someone's palm and shattered his heart and dantian!

Could it be that... Sect Leader Yang was really killed by Zhou Qin?

Thinking to himself, Fang Lingyun continued to ask: "Zhou Sect, what does the death of Yang Sect have to do with you?" Broken

!

Just focusing on chasing and killing Sun Dasheng, forgetting that Fang Lingyun is following.

In the face of Fang Lingyun's doubts, Zhou Qin's face did not fluctuate at all, but a hint of gloom rose in his heart: "Yes, Yang Baimei was killed by me, Yang Baimei is ignorant of current affairs, and if you insist on provoking me, I will kill you. There 's nothing to regret."

Said, Zhou Qin's imposing manner continued, "Fang Lingyun, you have also seen, with my current cultivation speed, given time, I will definitely surpass all sects, and you will

soon take over the Tianshan Mountains. , if you have a little knowledge, you will serve me, and when I become a martial arts supreme, you will not be without your benefits.”

Since it was revealed, he simply did not hide it.

There was no one else around anyway, so he was not afraid of Fang Lingyun spreading the news.

“You...”

Hearing this, Fang Lingyun was shocked and angry: “Zhou Qin, the murderer who killed the head of Yang turned out to be you, you are too vicious, you even blamed Yue Feng, causing the sect of the Earth Circle Continent. Do you know how much harm you do to the Earth Continent? And you still want me to be loyal to you? Hehe...”

With a sneer, Fang Lingyun looked determined and contemptuous: ” Although you are beautiful, you have a vicious heart, don’t let me join in with you!”

Shua!

Hearing this, Zhou Qin’s face was extremely gloomy: “I don’t know how to lift up, in this case, you and Sun Dasheng will die together.” After the

voice fell, Zhou Qin ran the indestructible scripture again, raised his hand and slapped it directly towards Fang Lingyun Call away!

hum!

The next second, a powerful aura directly enveloped Fang Lingyun.

Fang Lingyun’s expression changed greatly, he hurriedly activated his inner strength and raised a palm to resist, but he underestimated the power of Zhou Qin’s palm!

boom!

When the two of them touched their palms, they heard Fang Lingyun let out a scream, and the whole person spilled a rain of blood in the air, and was directly shaken and flew out, flying more than 100 meters, and finally hit a rock. , and fell down.

When he landed, he saw Fang Lingyun’s entire right arm was shattered, and he was no longer breathing!

Hiss...

Seeing this scene, Sun Dasheng couldn’t help gasping for air.

This Fang Lingyun is also considered to be the leader of the Jianghu masters, but he was killed by Zhou Qin in one move!

What kind of exercises does she practice? It was so terrifying!

In the next second, Sun Dasheng calmed down, his eyes were blood red, he stared at Zhou Qin tightly, and shouted: "Zhou Qin, he has no grievances with you, you will kill you, are you still human? Righteousness will kill yourself, and you will not end well."

When he said this, Sun Dasheng clenched his fists and secretly adjusted the turbulent aura in his body.

"What are you calling me?"

Zhou Qin's delicate face was full of evil and evil, and she looked at Sun Dasheng: "Those who obey me prosper and those who disobey me die. If he doesn't obey me, he will die, and then you will be the next!" The

voice fell . , Zhou Qin's eyes flashed with murderous intent, and he walked step by step.

Chapter 1370

Nima!

Did he just die at Zhou Qin's hands today?

Sun Dasheng clenched his fists tightly, his eyes were blood red, watching Zhou Qin walk step by step, the distance was getting closer and closer, Sun Dasheng was not only unwilling, but also filled with anger!

"Zhou Qin, even if I die, I will die with you!" Sun Dasheng roared, his voice completely hoarse!

Facing the siege of many masters before, Sun Dasheng almost tried his best. However, he was unwilling to die at the hands of Zhou Qin!

"To perish together?"

Hearing this, Zhou Qin sneered: "You deserve it too?" To

be honest, Zhou Qin was inexplicably flustered when he saw Sun Dasheng before, but now, Sun Dasheng is already at the end of the fight, so there is no need to be afraid!

More importantly, he has cultivated the inextinguishable scripture, and his strength is already above him!

Thinking to herself, Zhou Qin used her inner strength and slapped Sun Dasheng with her palm again!

“Stop it!” At this moment, I only heard a coquettish shout from the horizon.

Um?

Zhou Qin’s delicate body was shocked, and she followed the voice and was stunned.

I saw not far away, a few women flew over, their curves were graceful, and they were astonishing!

It is the six palace masters of Fuyao Palace!

Fuyao Palace? !

Seeing the Six Fairies, Zhou Qin’s heart was extremely complicated, and there was a trace of fear in her eyes.

Zhou Qin had seen the strength of the Fuyao Palace. Back then, in the Xingxing Building, seven palace masters fought against Xing Yao, and there are still rumors about them in various places.

call!

At the same time, Sun Dasheng was also secretly relieved when he saw the six fairies.

Although he was not very familiar with Erqing, Sun Dasheng also knew that Fuyao Palace had always been Yue Feng’s friend, especially the little fairy Erqing, who was Yue Feng’s woman.

At this time, after the six fairies landed, the little fairy came out and looked closely at Zhou Qin: “Zhou Qin, we are here today, you can’t hurt the Great Sage Sun!

” Send someone to check.

However, when she learned that Yue Feng was besieged, the little fairy was anxious, so she hurriedly called Bai Shengshui and a few sisters to come to help. As soon as I came here, I saw that Zhou Qin was going to kill Sun Dasheng.

Seeing that the situation was not good, Zhou Qin bit her lip tightly and did not respond, but her face was very ugly.

“Sun Dasheng!” At this moment, the little fairy turned her head towards Sun Dasheng and asked, “Where is Yue Feng? Is he all right?”

When she said this, Er Qing couldn't hide her concern for Yue Feng.

"Fengzi..." Sun Dasheng took a deep breath and said in a very angry tone: "He was taken away by a twelve- or thirteen-year-old girl, who still looks like the head of the Tianyi Sect, Ling Xiaoxiao."

What? ?

Hearing this, the little fairy stomped her feet in a hurry, and when she heard the news, she came, but she didn't expect to be a step slower.

"Little sister, don't worry, let's find a place to heal Dasheng Sun first. Then we're trying to find a way to find Yue Feng!" At this time, Bai Shengshui comforted him, and he and a few fairies took Sun Dasheng away.

Zhou Qin on the side wanted to chase after Dasheng Sun, but she was afraid of the strength of the Six Fairies, so she held back.

"Zhou Qin!"

Sun Dasheng was taken away by the six fairies. At this time, he turned his head and stared at Zhou Qin: "You slandered our three brothers and caused us to be besieged by various sects. Sooner or later, I will step down on your Emei!"

"Sooner or later, I will I want to flatten your Emei!"

This roar echoed over the entire valley.

Hearing this, Zhou Qin was about to explode with anger, her delicate face was full of gloom: "Tread my Emei? Today you can escape, you are lucky, but you can't escape the first day of the first year, but you can't escape the fifteenth, I will kill you sooner or later!"

After saying this, Zhou Qin turned around and left!

...

On the other side, Nagumo Continent, the Imperial Palace!

Yue Feng didn't know how long he had been in a coma. He only knew that when he opened his eyes, his head was still a little dizzy.

Nima, this Fang Chao is too stupid. Knowing that I am the concubine, he still dares to take action! Muttering in his heart, Yue Feng looked around and was stunned.
