

The ultimate husband in Chinese chapter 1431-1440

Chapter 1431

After pushing the door open, Sikongyu said in a gentle tone, "Daughter, I brought Yue Feng to you, you should have no regrets."

When he said this, Sikongyu had a kind smile on his face, the tone is somewhat sad. Sikongyu's daughter, suffering from a strange disease, will die soon, and she only wants to see Yue Feng before she dies.

hiss!

Yue Feng's body was shocked, and he couldn't help taking a deep breath.

Nima, is this the beauty those four guys said?

I saw a delicate figure lying quietly on the bed inside, with a tight body and charming curves, but that face was dark and swollen, which was unbearable to look directly at.

This woman is Sikong Yu's daughter, Sikong Yanran.

Sikong Yanran is just 18 years old this year, she is smart, witty, and unparalleled in beauty!

Because she grew up on Icefire Island since childhood, Sikong Yanran wanted to see the outside world. Half a year ago, while her father was not paying attention, she sneaked out of Icefire Island.

After traveling on several continents, Sikong Yanran was filled with admiration after hearing a lot about Yue Feng's deeds. At a young age, he founded Tianmen and became famous in the Kyushu continent. Who can do it in the world?

Since then, Sikong Yanran has regarded Yue Feng as her idol, and went to the Diyu Continent, wanting to see the idol's demeanor, but she encountered a situation on the way and was poisoned. He was extremely ugly, and his body became weaker every day.

Sikongyu felt distressed and helpless when he learned about his daughter's situation, because almost no one could solve this kind of poison.

In desperation, Sikongyu had to find a way to catch Yue Feng and bring him to his daughter, so as to fulfill her daughter's wish.

"Yue... Yue Feng?"

Seeing Yue Feng, Sikong Yanran trembled, surprised and happy.

This chapter is provided by . Visit for daily update.

The voice is very nice, but it looks weak and weak.

Although I had always admired Yue Feng, this was the first time I saw a real person. In an instant, Sikong Yanran was not only happy, but also a little shy.

Sikongyu smiled slightly, his eyes full of softness: "Daughter, father took a lot of effort to capture Yue Feng, are you happy?"

"

Hearing this, Sikong Yanran was taken aback and looked at Yue Feng carefully. Sure enough, seeing that his acupoints were blocked, she suddenly became a little anxious: "Father, how can you arrest people casually? Besides, it's Yue Feng..."

Yue Feng is his idol, how could Dad do this?

"Haha..."

Sikongyu said indifferently, "Don't you want to see him very much? You should be happy when your father arrests him."

Because there is only one daughter, Sikongyu has loved him in every possible way since he was a child. , As long as his daughter is happy, let alone catch Yue Feng, even if he breaks into the palace to catch the emperor, Si Kongyu will not frown.

"Father..."

Hearing this, Sikong Yanran was very helpless, she wanted to say something, but she didn't know how to say it.

I really wanted to see Yue Feng, but it was really rude for my father to use this method.

call!

Looking at the scene in front of him, Yue Feng secretly sighed and vaguely understood something.

The girl in front of her was poisoned, and her time was running out. Because she worshipped herself, her father arrested him and asked her to meet him, but his wish was fulfilled.

It is really pitiful for the hearts of parents in the world.

Yue Feng was a little suffocated before, but now that he understands the situation, he suddenly sympathizes with Sikong Yanran in front of him. This girl, now looks, although it is not very beautiful, but it is a pity that the Mood for Love is about to wither.

Chapter 1432

Yue Feng at this time, I don't know yet, Sikong Yanran is a peerless beauty, so ugly at this time is caused by poisoning.

Thinking to himself, Yue Feng couldn't help but say, "This...this girl, but was poisoned?"

"Not bad!" Sikongyu nodded, heartache and helplessness flashing in his eyes.

It is a great irony that he is the dignified Island Master of Ice and Fire Island, with the strength to cross the Tribulation Realm, but he can't save his beloved daughter.

Yue Feng showed a smile and continued: "If my guess is correct, she was poisoned by the 'corpse flower'?" After speaking, Yue Feng carefully observed Sikong Yanran's situation.

The corpse flower is a highly toxic flower and plant that grows in the place where the evil spirits gather, and it specializes in sucking the bones for food, hence the name corpse flower.

In Wuji Danshu, it is recorded that people who have been poisoned by corpse-eating flower poison will accumulate in their dantian and accelerate the exhaustion of their lives. Ordinary people will die on the spot, and practitioners will not last for ten days at most.

And Sikong Yanran in front of him was exactly like this.

"How do you know?" Sikongyu was surprised when he heard Yue Feng's words!

Swish!

At the same time, Sikong Yanran and the four brothers next to him also looked at Yue Feng closely.

Especially Sikong Yanran, whose eyes showed deep admiration! As expected of his idol, he immediately guessed the poison in him!

Yue Feng smiled slightly: "Of course I know, not only do I know, but I can detoxify." To be honest, being caught by them like this is really suffocating.

But feeling Sikong Yanran's kindness, Yue Feng couldn't bear to see her poisoned to death.

“real?”

Sikongyu was stunned for a moment, and then his face was full of urgency: “How to solve it?”

“How to solve it, you don’t need to know!” Yue Feng replied with a smile: “But there is a little trouble, I need to go out and find the materials for alchemy. .”

Saying that, Yue Feng looked at Sikongyu seriously: “So, senior help me to detoxify the acupoints first, I will go out to find a few materials, and then I can refine the detoxification medicine.” On the

Wuji Danshu, it is recorded that A kind of Qingming Dan, which can detoxify the poison of corpse flowers, but some of the materials are relatively rare, and it is estimated that it will take some time to find them.

Solve the hole?

Sikongyu was looking forward to it, but when he heard the word ‘resolving acupoints’, he suddenly became vigilant and sneered: “Yue Feng, don’t play this trick with me, I know that you are in the art of alchemy. You have great accomplishments, otherwise I wouldn’t have used the name of selling fake medicine pills to lure you to show up, but...”

After speaking, Sikong Yu turned sharply, with a bit of shrewdness in his eyes: “Food The antidote for corpse flower poison has been lost thousands of years ago, and no one in the world can refine it, so don’t lie to me, you want me to help you solve acupoints, do you want to sneak away?”

When saying this , Sikongyu looked contemptuous, as if seeing through Yue Feng’s tricks.

In order to save his daughter, Sikongyu traveled to many places and visited many famous doctors in the past two days, but he was helpless. More importantly, he had just captured Yue Feng by disgraceful means, how could he return his grievances to his virtues to save his daughter?

Therefore, in Sikongyu’s heart, he thought that Yue Feng wanted to take the opportunity to escape and go out to find the materials for alchemy, but it was just an excuse.

Nima! This old man...

Seeing the determination on Sikongyu’s face, Yue Feng wanted to cry without tears. Your own kindness has been treated as a donkey’s liver and lungs by you.

“Daughter!”

At this time, Sikongyu smiled at Sikong Yanran and said, "You have also seen your idol, so you don't have any regrets."

Immediately, Sikongyu tilted his head and said to Yue Feng, "Yue Feng, I have no other requirements. Before my daughter leaves, just stay by her side and accompany her, and when my daughter returns to heaven, I will naturally let you go."

Damn!

You said that there is a cure, you don't believe it, and you want me to accompany your daughter until she dies?

What kind of reasoning is this?

At this moment, Yue Feng was so depressed that he wanted to refute a few words, but he still held back.

Chapter 1433

"Father!"

At this moment, Sikong Yanran hurriedly said, "Let Yue Feng go!"

"Why?" Sikong Yu was puzzled.

Doesn't your daughter admire Yue Feng very much? Now that I have caught him, my daughter has let him go?

"I..."

Sikong Yanran bit her lip tightly and said softly, "He is a famous hero all over the world, I am satisfied to meet him, I am a dying person, just his admirer, He's not a friend, how can I keep him with me?"

This...

Hearing this, Sikongyu pondered, frowning in thought.

He knew that what his daughter said was right, and he arrested Yue Feng, which he should not have, and now let him accompany his daughter, it was even more unreasonable.

However, if Yue Feng is to be released, her daughter will not be able to see him in the future, wouldn't she be even more unhappy?

For a while, Sikongyu was in a tangle.

Yue Feng nodded secretly. This old man is domineering and unreasonable, but his daughter's is so sensible.

Whoa!

At this moment, the four brothers who had been silent beside them couldn't help but muttered.

"What does the little junior sister mean?"

"Yeah... this Yue Feng has been arrested, why is she not happy?"

"Oh... I see, the junior sister means that she and the Yue Feng has nothing to do with her, let Yue Feng accompany her, she has no name or distinction..."

During the discussion, Sikongjia suddenly thought of something, his eyes lit up, and he shouted at Sikongyu: "Master, I know what little junior sister means, she wants to marry Yue Feng!" The

voice fell, Sikongyi three, all of them It's clapping.

"That's right, the younger sister became Yue Feng's wife, and Yue Feng has the obligation to accompany her all the time..."

"Master, let's arrange a wedding room for the two of them and have a wedding."

"Wonderful, this method Wonderful!" What the

hell!

Hearing this, Yue Feng's expression changed.

These four dull-headed guys are even more looking forward to their thoughts, and they can come up with such tricks.

Swish!

At the same time, Sikong Yanran, who was lying there, was extremely shy, and said anxiously, "You....you all shut up, I...don't..."

She wanted to say, 'I just... Don't marry Yue Feng', but the respect for Yue Feng in her heart forced her to swallow her words.

It is also my honor to marry my idol.

But the four senior brothers, just saying it casually, is simply too embarrassing.

“Okay!”

At this moment, Sikong Yu pondered for a while, and smiled at Sikong Yanran: “This method is good, girl, I will hold a wedding for you tonight, and after the wedding, Yue Feng will be your man. , of course I want to accompany you by my side...”

When he said this, Sikong Yu looked at the four apprentices next to him in approval.

These four boys, who usually talk madly, finally came up with a brilliant idea today. Anyway, my daughter’s time is running out, so marrying Yue Feng is not a disadvantage! This boy Yue Feng, although his strength is low, is only a fifth-rank Martial Sovereign, but he is young and has a lot of room for improvement in the future! At least you can get to the Tribulation Realm, right? Barely considered a talent! It’s okay for her daughter to marry him before she dies.

Chapter 1434

Nima!

Marriage event, is that settled? This time, Yue Feng was dumbfounded and wanted to cry without tears.

Who are these people, the apprentice is crazy, and the master is not normal.

You and this girl, without saying a word, are about to get married? This is too random.

“Old gentleman, listen to me first!” The

next second, Yue Feng smiled bitterly at Sikongyu: “I promised to accompany your daughter, but only for a few days, I still have very important things, and... You don’t need to get married.”

Not to mention what the girl looks like, I don’t know her yet, so I just got married, completely violating my own principles.

“What?”

Sikongyu frowned, his face full of displeasure: “Do you think my daughter is not worthy of you? Let me tell you, if my daughter is not poisoned, she is more beautiful than a fairy, you want to marry, but I don’t want her to marry. What!”

After speaking, Sikongyu took a deep breath and continued: “Besides, my daughter admires you so much, treats you as an idol, and you won’t live for a few days now, so you can just let it go, can’t you?”

Saying this At that time, Sikongyu’s eyes were full of love for his daughter!

At the same time, Sikong Yanran also looked at Yue Feng quietly, her eyes flickering uncertainly, and her heart trembled faintly.

Yue Feng refused so bluntly, did he despise himself for being ugly?

Thinking about it, Sikong Yanran felt a sense of loneliness and sadness in her heart.

This...

Hearing this, Yue Feng was very embarrassed. He was speechless for a while, so he had to nod his head: "Okay! Get married, get married..."

That's all, this girl is also quite pitiful, so she treats herself as a good deed. If you get married, just get married. Anyway, if you are just pretending, you won't do anything to her.

Seeing his promise, Sikong Yanran was overjoyed.

"Haha..."

The four brothers next to them clapped their hands even more excitedly.

"Boy, you have a good eye."

"Yes, if you can marry our little junior sister, you can laugh out loud in your dreams..."

Hearing their words, Yue Feng couldn't help laughing. What is there to be happy about marrying a dying man? To be honest, I had the ability to save her, but this Sikongyu didn't believe it, and no one could do anything about it.

Soon, under Sikongyu's suggestion, the four brothers arranged the wedding room with great interest. After everything was done, they began to worship the heavens and the earth and entered the bridal room. Although the steps were much simpler, it was very lively with these four wonderful brothers. .

Finally, after all the ceremonies were over, Sikongyu and the four brothers all withdrew.

For a while, Yue Feng and Sikong Yanran were left in the festive room.

Sikong Yanran was only eighteen years old, she was a thin-skinned girl and was very shy and speechless.

Yue Feng sat beside him and was speechless in his heart.

What's the matter with Nima.

Inexplicably, there is an extra wife?

After being silent for a while, Sikong Yanran bit her lip lightly and said softly, "Yue Feng, I'm sorry, my father and my four senior brothers are too rambunctious, don't mind."

Yue Feng smiled and said it was all right . .

Sikong Yanran continued: "Don't worry, my father will go out tomorrow, I will leave the four brothers, and then you can leave!"

She could see that Yue Feng did not want to stay here.

Although I admired him very much and liked him, I didn't want to have the slightest restraint on him.

"Thank you!" Feeling her kindness, Yue Feng was very touched, and smiled: "It's getting late, you should rest!"

With that, Yue Feng sat down and tried to motivate his inner strength to rush Open the hole.

If it's normal, Yue Feng doesn't mind to stay and accompany his admirer.

But now is a critical period, Ren Yingying is still waiting for herself, she can't stay here to waste time.

Um!

Chapter 1435

Sikong Yanran replied softly, but couldn't sleep, her clear eyes stared at Yue Feng.

Since taking Yue Feng as an idol, Sikong Yanran has fantasized many times that she can meet him.

Unexpectedly, not only did they meet today, but they also became relatives.

Sikong Yanran knew that Yue Feng could agree because he didn't want to make himself sad. He didn't really want to become a husband and wife with him, but... If he could accompany him by his side, even if it was only for one day, he would be satisfied!

Before I knew it, half an hour passed.

Yue Feng was sweating profusely and was very depressed.

I have to say that Sikongyu's acupoint-pointing technique is very peculiar. Yue Feng has tried it for so long, but there is no sign of the acupoints opening.

Nima!

If you can't open the acupuncture point, you can't leave by yourself.

How to do this?

"Yue Feng!"

Just when Yue Feng was secretly anxious, Sikong Yanran said softly: "You are the 'retrograde acupuncture technique' of our Ice and Fire Island."

As Sikongyu's only beloved daughter, Sikong Yanran naturally knows how to solve acupoints.

It was so!

Hearing this, Yue Feng nodded, and then, following Sikong Yanran's method, he rushed to open the acupuncture point in less than an hour.

call!

At this moment, Yue Feng breathed a sigh of relief, indescribably happy.

Nima, finally break free.

Immediately, Yue Feng looked at Sikong Yanran: "Thank you."

Sikong Yanran smiled lightly, nodded and said, "You're welcome!"

Immediately, Sikong Yanran asked curiously, "Yue Feng, can you tell me your story?"

She has always been curious about how Yue Feng is so young. To achieve today's achievements, after all, this is not something ordinary people can do.

Yue Feng smiled, walked to the chair beside the bed and sat down, and slowly told his experience.

Of course, there are some interesting things to say.

For a while, Sikong Yanran was amused and giggled.

Yue Feng felt Sikong Yanran's kindness and tenderness more and more, and felt very emotional and sympathetic in his heart. Such a good girl, but she was poisoned by corpse flower, which is really distressing.

What's even more pity is that he knows the way to save him, but that Sikongyu doesn't believe it. Really speechless.

Unconsciously, Sikong Yanran fell asleep while Yue Feng was telling the story.

call!

Yue Feng breathed a sigh of relief, stood up and wanted to leave, but after a second thought, he dismissed the idea. Since you promised her to leave tomorrow, let's keep the promise.

Thinking to himself, Yue Feng was bored and began to look around the room.

Um?

After a while, Yue Feng discovered that there was a small compartment next to it, and inside the compartment were all rare spiritual herbs.

Obviously, Sikongyu got all of these in order to save his daughter. He didn't know where they came from. After using them, they didn't work, so they just piled them up here.

Haha....

Yue Feng looked over it carefully and was overjoyed.

These spiritual herbs happened to contain the materials for the antidote of the corpse flower poison. Sure enough, good people are still blessed by God.

Muttering in his heart, Yue Feng didn't have time to think about it. He picked up the porcelain pot next to him and started refining the medicine pill.

After a small amount of effort, the medicinal pill was brought to the refining department, and Yue Feng stood by the bed, quietly waiting for Sikong Yanran to wake up.

Chapter 1436

In a blink of an eye, the night passed.

“Hmm...”

The moment Sikong Yanran woke up, she was very moved when she saw Yue Feng standing beside the bed, and couldn't help but softly said, “You... you haven't slept all night?”

Yue Feng nodded with a look on his face. It doesn't matter! At his level, not sleeping all night is nothing at all!

Immediately, Yue Feng took out the medicinal pill and said with a smile, “Come on, take the antidote!”

“This...”

Sikong Yanran trembled, surprised and delighted: “This medicinal pill can cure the antidote! My corpse poison?”

Seeing Yue Feng nodding, Sikong Yanran didn't hesitate, took the pill and swallowed it.

hum!

In an instant, Sikong Yanran felt that a warm current was walking through her dantian, and her indescribably comfortable and sluggish spirit was much better.

“In your case, even if you take the antidote, you still need to cultivate for three days before you can fully recover, you know?” Yue Feng urged with a smile.

At this time, Yue Feng was in a very relaxed mood. The girl was cured, and she had no regrets when she left.

Um!

Sikong Yanran nodded obediently, admiring and grateful: “Thank you...”

Bang Bang Bang... As

he was talking, the door suddenly banged.

Immediately afterwards, the four brothers were heard laughing and shouting outside.

“Little Junior Sister, are you and my little brother-in-law awake...”

“We’re here to deliver breakfast.”

“Hey, haven’t you got up yet...”

Shah!

Hearing this, Sikong Yanran couldn’t help but feel shy.

Yue Feng was also extremely embarrassed.

These four guys are really open-mouthed.

In the next second, Sikong Yanran calmed down and said calmly, “Where’s my father?”

“He went out and said he wanted to find a way to treat you!” Sikongjia responded outside the door.

Hearing this, Sikong Yanran frowned. Ben also wanted to tell his father that his poison had been cured by Yue Feng. My father is not here, so I can’t inform him of the good news right away.

Thinking to herself, Sikong Yanran said, “Then come in!” The

four Sikongjia brothers pushed open the door and came in with breakfast.

“Four senior brothers!”

Seeing them come in, Sikong Yanran said slowly: “My poison has been cured by Yue Feng, please let him go!”

Huh?

Hearing this, the four brothers looked at each other and shook their heads.

Sikong Jia had a firm look on his face: “No, Master said, Yue Feng will always be with you!”

At the same time, Sikong Yi nodded: “Yes, when Master left just now, he explained that no matter what Yue Feng said, We don’t believe it! We can’t let him go...”

“You...”

Sikong Yanran stomped her feet angrily: "Don't you understand me? My corpse poison has been cured by Yue Feng, I won't die, and I don't need Yue Feng to accompany me..."

Although he knew the four senior brothers, he was still angry with them at this time.

"That won't work either!" Sikongjia shook his head with a determined look on his face: "In short, Master said, no matter what the situation, he can't be let go!"

Nima!

Seeing this scene, Yue Feng didn't know whether to laugh or cry.

These four guys are really dead brains.

At this moment, Sikong Yanran secretly gave Yue Feng a wink, then pretended to be in pain, curled up, and whispered softly, "Oh..."

Yue Feng understood and waited for the opportunity!

"What's the matter?"

"Little Junior Sister..."

"Has the poison attacked?" The

four brothers didn't know that Sikong Yanran was pretending, so they were all startled, and they came up one after another, each with concern and worry on their faces!

Papapa...

At this moment, Yue Feng shot like electricity and clicked on their acupoints one after another.

Chapter 1437

"You..." The

body froze there, the four brothers were extremely shocked and looked at Yue Feng blankly.

Didn't Master tap his acupuncture points last night?

How did he untie it?

"Don't stare at me like that!"

Yue Feng said with a smile: "Your acupuncture points will be automatically unlocked after an hour!" After

saying that, Yue Feng gave Sikong Yanran a deep look: "Miss Sikong, I still have something urgent to do, let's say goodbye."

Well!

Sikong Yanran nodded and said softly: "When I'm completely healed, I will definitely thank you for your life-saving grace!"

Yue Feng laughed and waved his hand: "It's a lot of work, don't be so troublesome!" The

voice fell, Yue Feng stepped out.

"Hey, Yue Feng, don't run!"

"You've already married my little junior sister, so it's not too irresponsible to leave like this!"

When he left the manor, Yue Feng could still hear the calls of the four brothers, but he didn't feel relieved, but he speeded up and rushed towards the direction of Tianqi Imperial City.

After a day and a night of delay, I don't know what happened to Ren Yingying.

Soon, when they arrived at Mingyue Lake, they saw Duan Feng and four others from a distance, anxiously talking about something there.

Around them, there are also the ten heavenly kings, as well as the second general of Hengha.

After Yue Feng was captured by Sikongyu, Duan Yu was in a hurry. After meeting with Duan Feng, he hurriedly sent a signal to ask for help to find Yue Feng.

"Brother Feng!"

At this time, everyone was overjoyed to see Yue Feng appearing and safe and sound.

When he got to the front, Yue Feng didn't have time to explain what happened before, and asked eagerly, "Have you not seen Ren Yingying yet?"

Phew!

Duan Feng looked at each other in dismay, and all shook their heads.

Nima!

Looking at the situation, Ren Yingying definitely won't be able to come out.

Yue Feng frowned, unable to express his anxiety.

"Brother Feng!"

At this moment, Duan Yu clenched his fists tightly and couldn't help saying: "Why don't we just break into the palace, I don't believe it, we can't take Miss Ren!"

"Yeah..."

"Feng Brother, order it!"

Duan Feng and several others also agreed, one by one, gearing up for the battle.

Although Yue Feng didn't explain the situation, they were not fools either. The imperial city was about to start a martial arts contest, and Yue Feng had been eager to see Ren Yingying. Obviously, the two had already established a relationship.

Since it is Brother Feng's woman, no matter what, she must be brought out of the palace.

"No..."

Yue Feng shook his head, very determined: "We can't be impulsive."

Emperor Tianqi has recruited so many strong people, even if Tianmen has grown now, the odds of winning are very small.

"Then what should I do?" Duan Feng was a little anxious, and glanced at the direction of the imperial city: "I just inquired, the competition will start tomorrow, and today outside the palace, registration has already started, if we don't do it, we won't have a chance. Yes!"

At the same time, Duan Yu and everyone are also watching Yue Feng closely, all of them are anxious!

call!

Yue Feng took a deep breath and looked at the golden palace buildings under the sun, saying word by word, "It seems that I can only participate in this competition, and there is no other way."

Seriously, Yue Feng Feng also wanted to break into the palace and bring Ren Yingying out.

But he knew that this impulse would only bring a heavy price. Maybe he will have to die in the palace. So I can only sign up for this competition.

What?

Brother Feng is going to participate in the competition to recruit relatives?

In an instant, everyone in Duan Feng was stunned, staring at Yue Feng, speechless.

“Okay, you are guarding outside the imperial city. If there is an unexpected situation, it is convenient to answer me!” Yue Feng quickly explained a few words, and when the voice fell, he directly entered the imperial city.

hiss!

When approaching the gate of the palace, seeing the scene in front of him, Yue Feng suddenly gasped!

I saw that there were two registration points specially set up outside the palace gate, and there were tens of thousands of people queuing up, almost a sea of people!

Chapter 1438

Nima!

So many people come to sign up?

Yue Feng murmured secretly, walked over to take a look, and understood the rules for recruiting relatives in this competition.

In this martial arts recruiting meeting, the weather royal family set up Wenbi and Wubi respectively.

Needless to say, Wubi, as the name suggests, is a competition of cultivation strength. Wenbi, on the other hand, tests the talents of the contestants, including piano, chess, calligraphy and painting, astronomy and geography, etc.

Emperor Apocalypse has already planned to choose the champion of Wenbi and then the champion of Wubi. Let the daughter choose who to be the concubine. No matter who the daughter chooses, it is a happy event for Tianqi Continent. After all, there are so many people who come to participate in the competition, whether it is the champion of Wenbi or the champion of Wubi, they are all great talents!

A competition to recruit relatives, but also make so many tricks? Muttering in my heart, Yue Feng was about to go forward to sign up.

“Hey, have you seen Yue Feng?”

“It’s the sect master of Tianmen, have you seen it?”

At this moment, there was a commotion behind him, Yue Feng looked back and was stunned, speechless.

I saw that, 100 meters away, the four Sikongjia brothers were pulling the people who signed up around them and kept asking about their whereabouts.

Not only that, but in the other direction, Sikong Yu also looked around with a gloomy face.

What the hell!

How did they find it again?

Didn’t you help Sikong Yanran detoxify? Why isn’t it over yet?

Yue Feng furrowed his brows tightly, shocked and angry in his heart.

Then he thought about it, it would take three days for Sikong Yanran to fully recover, so Sikong Yu would not believe what she said, believing that he lied to his daughter.

Nima, always being pestered by them, I can’t participate in the martial arts recruiting conference.

More importantly, with so many royal guards around, they were so shouting to find themselves that it was easy to call over those martial emperor masters in the palace. Just avoid them now!

Thinking to himself, Yue Feng quickly lowered his head to avoid being discovered.

“Sect Master!”

At this moment, a hand clapped on Yue Feng’s shoulder, looking very happy, and at the same time, a scent of rouge pollen floated over.

Yue Feng was startled, looked back, and suddenly heaved a sigh of relief.

It is the four dragons and four phoenixes!

“Come on, cover me from leaving!”

Yue Feng reacted and quickly ordered, and then, surrounded by four dragons and four phoenixes, quickly left the registration point.

A few minutes later, at the inn where the Four Dragons and Four Phoenix were resting, Yue Feng frowned, very depressed.

What!

Sikongyu and his four dumbfounded apprentices are looking for themselves in the imperial city. In this situation, they don't even have a chance to sign up.

If you can't fight, you will attract the palace guards. What can we do?

Seeing his frowning look, Dafeng sat down close to him and asked gently, "Sect Master, why are you so troubled?" When the

voice fell, Dalong couldn't help but curiously said, "Sect Master, didn't you say you wanted to? Are you taking that Princess Yueying away? How can the competition be held as scheduled?"

Swish!

Chapter 1439

In an instant, Erlong and several others also looked at Yue Feng closely. Yue Feng smiled wryly, and explained the predicament he was facing. Anyway, they are also their own people, don't be afraid of their jokes.

"Haha..."

After listening to Dalong, he suddenly laughed: "So the sect master went to pick up the princess, and then he was besieged by the palace masters. Sect master, now Emperor Tianqi, must think you fell into the moat and died! And , Sikongyu, that old man looking for you everywhere, will definitely alarm the Tianqi royal family! If Tianqi Emperor knew that you are not dead, the consequences would be disastrous! There is a way to solve the suzerain's urgent needs!" After

speaking, Dalong took off from his body. Take out a mask. This mask is as thin as paper, with vivid facial features.

"Mask?" Yue Feng frowned.

Dalong smiled mysteriously: "Sect Master, this mask is a treasure. As long as you wear it on your face, you can change your face. Of course, you can't be seen by others at close range. If you observe you up close, you will find that you are wearing a mask."

Speaking of this, Dalong grinned: "After the sect master puts on the mask, then change your name and participate in the competition to recruit relatives, and others will not recognize you."

No. Before being subdued by Yue Feng, the four dragons and four phoenixes had done a lot of bad things. In order to avoid being hunted down by various forces, they would use this mask to avoid being pursued.

Of course, this face has a lot of flaws, can't touch water, and can't be seen up close by familiar people, otherwise it's easy to recognize.

Hearing this, Yue Feng was overjoyed. Can't wait to let the big dragons put on masks for themselves.

A few minutes later, Dalong clapped his hands and was very satisfied: "Okay, Sect Master!" The

voice fell, and Dalong handed over a mirror.

After Yue Feng took it, he took a photo and was very satisfied.

When I saw in the mirror, I had a beard glued on myself, a little less frivolous, a little more calm, and my appearance had changed a lot. unless you look closely.

Haha... I

have to say that the Dalong mask, although not very subtle, is quite practical.

Once you have changed your identity, you can take part in the competition with confidence.

"Sect Master, because this mask material has a limited duration, you need to change a new mask at six hours. But six hours is enough for you to finish the game." Dalong said with a smile.

Yue Feng nodded, then thought of something, and ordered: "By the way, don't call me Sect Master later, just call me the boss! From now on, my name is Hu Mingyue!"

Since you have to dress up, your name will naturally have to be changed. .

When Ren Yingying made an appointment with Mingyue Lake before, Yue Feng turned the three words Mingyue Lake upside down and changed it into his new name.

"Yes, boss!" The

voice fell, and the four dragons and four phoenixes responded in unison.

Yue Feng stopped talking nonsense, ordered them to stay at the inn, and then went to the registration point alone. When they got there, Yue Feng signed up for both Wenbi and Wubi.

To be honest, Yue Feng's martial arts are good now, but he is not 100% capable of winning the martial arts competition. So also reported the text ratio. There is Pang Tong in Linglong Pagoda, who is unparalleled in literature, and should be able to get a good ranking.

What made Yue Feng happy was that after the disguise, no one knew him anymore. Yue Feng saw that there were a lot of acquaintances at the registration point, including many sect masters from the Earth Circle Continent, but these people didn't even look at him.

After signing up, Yue Feng returned to the inn to rest.

Of course, Yue Feng did not forget to inform Duan Feng and the others, and kept an eye on the situation of Mingyue Lake.

If Yingying takes office tonight and slips out of the palace, she won't have to play tomorrow.

However.

The night passed, and there was no movement from Duan Feng's side.

The next morning, Yue Feng got up early, and under the service of the four women of Dafeng, after washing and having breakfast, he went out quickly.

Chapter 1440

Yue Feng went all the way to the gate of the palace, and from a distance, he saw the royal announcement posted on the bulletin board. Yue Feng went to see it with the flow of people, and saw the rules of the game clearly written on it.

Considering that some contestants signed up for the civil and military competitions at the same time, the civil and military competitions were held separately.

Wubi in the morning and Wenbi in the afternoon.

Wenbi and Wubi mode are both eliminated and selected. The first day is the audition, and the next three days, after layers of screening, can enter the final finals.

Seeing the rules clearly, Yue Feng quickly rushed to the scene of the competition. Jiuyang Temple!

The Jiuyang Altar was used by Emperor Tianqi when he ascended the throne. Now it has been designated as the competition venue. At this time, the Jiuyang Temple was divided into two, and the Wenbi area and the Wubi area were established.

hiss!

As soon as he arrived at the place, Yue Feng couldn't help gasping for air and was dumbfounded.

I saw that the Jiuyang Temple, where the competition was held, was already crowded with people.

Princess Yueying's competition to recruit relatives has already caused a huge sensation in the imperial city. Today is the first day of the competition, and almost all the people of the imperial city have come.

At the entrance of the Jiuyang Temple, you can see nearly a thousand imperial guards standing there neatly in two rows, with bright armor, and from a distance, they are solemn and solemn! In front of these garrison troops, stood a man, dressed in gorgeous clothes, showing his dignity.

It was Yue Chen!

That's right, the deputy chief examiner who recruited relatives this time was Yue Chen. The chief examiner is Xing Yao.

Over the years, Yue Chen, with his intelligence and intelligence, has made a steady progress in his official career. He has grown from the previous supervisor to the current governor-general, and he is a high-ranking official.

Because he can speak well, and is very observant, Yue Chen is very appreciated by Emperor Tianqi, and Xing Yao and him are in charge of this competition.

Yue Chen?

At this moment, Yue Feng's face changed slightly, and his heart was full of anger and emotion.

Yue Feng can't forget how Yue Chen framed him back then. He was a brother, but Yue Chen didn't care about his brotherhood at all, and kept pushing himself to death.

I haven't seen each other for so many years. I didn't expect that he did not receive retribution, but lived so nourishing in the Apocalypse Continent. Not only was he a high-ranking official, he was also the deputy chief examiner of this competition.

Thinking to himself, Yue Feng suppressed his anger and did not show it on his face.

call!

Yue Feng followed many contestants, and when he passed by Yue Chen, and saw that he did not recognize him, Yue Feng secretly breathed a sigh of relief.

At the same time, Yue Feng was still a little puzzled. Strange, I fell off the moat at that time, why did the weather royal family not move?

Thought you were drowned?

If this is the case, the weather royal family has not released the wind....

At this time, Yue Feng did not know that Emperor Tianqi ordered the palace to block the news after he thought he was dead.

After all, the royal family wanted to successfully hold the martial arts recruiting meeting, and they didn't want to cause extra trouble. If Yue Feng's death spread, Tianmen would definitely come to take revenge. Even if the Tianqi royal family was not afraid, it would also affect the smooth holding of the martial arts recruiting meeting.

Following the crowd into the Jiuyang Temple, Yue Feng was stunned again!

Just to the north of the Jiuyang Temple, a new white marble high platform was built, and at the center of the high platform was a dragon chair. On the dragon chair, Emperor Tianqi sat there quietly!

Next to Emperor Tianqi, sat the queen, as well as many princes and princesses!

After all, this is the first time to hold a marriage recruitment conference for the princess. The masters from nine continents have come, and Emperor Tianqi attaches great importance to it, so when the audition begins, he is present to watch the game.

Swish!

When the enemy met, he was extremely jealous.

Seeing Emperor Tianqi, Yue Feng clenched his fists secretly, forcibly suppressing his inner anger.

Nima....

This Emperor Apocalypse, he killed his teacher Nangong Jue first, and now he is forcibly separating himself and Yingying.
