

The ultimate husband in Chinese chapter 1441-1450

Chapter 1441

New hatred and old hatred, one day I will avenge it!

But in the next second, Yue Feng's eyes were tightly locked on a sexy figure. Wearing a golden princess dress and a delicate gold headdress, she is indescribably noble and charming, especially her hot body, which is perfect and impeccable.

It is Ren Yingying!

It's just that, completely different from the cheerful atmosphere of everyone around, Ren Yingying sat there dumbfounded, as if he had lost his soul, with a desolate expression that was pitiful!

Since learning that Yue Feng was dead, Ren Yingying was disheartened and committed suicide several times, all of which were discovered in time.

Ren Yingying was ordered to watch the game together today. Not to mention how uncomfortable she was. She seemed to be sitting there, but she couldn't even look at the contestants in front of her. Yue Feng was all in her mind.

A loved one is dead, and there is no point in living.

It doesn't matter who is the concubine.

Yingying...

At this moment, Yue Feng wanted to rush up, but held back.

He clearly saw that Ren Yingying had lost a lot of weight, and his spirit was also lethargic.

Yue Feng was extremely distressed, tried to calm down, looked around, and saw many familiar figures.

Ye Wentian of the Wudang faction, the elders of the Tianshan faction, and the elite disciples of other sects... they all came to participate in the Wubi audition.

Especially this Ye Wentian. Ten years ago, he was the leader of the younger generation in the Wudang faction, and now he is the candidate for the next generation of Wudang Sect Leader. The strength has also reached the realm of the second paragraph of Wuhuang, and the future is limitless.

There are quite a few acquaintances!

Murmuring in his heart, Yue Feng's eyes flashed, and his face suddenly turned gloomy.

Nima!

Why did he come...

I saw a figure standing proudly in the crowd opposite, with a confident and arrogant look on his face.

It is the deputy leader of the Ming Sect, Lu Jiechen!

Seeing him, Yue Feng frowned and was very surprised.

Wasn't this Lu Jiechen seriously injured by him ten years ago? Not only is he alive and well now, but he also came to participate in the martial arts recruiting conference?

Surprised, Yue Feng couldn't help but look at a figure beside Lu Jiechen.

It was a handsome young man, but his body was filled with an air of youth and maturity.

It was Yue Wuya!

Is this kid too?

Muttering in his heart, Yue Feng's face changed, and his mood suddenly became extremely bad!

In the ancient tomb of Lu Bu, it was this kid who helped Zhou Qin deal with herself. At that time, he thought he was the son of Zhou Qin and Hao Jian, but he did not expect that he was actually a disciple of the Ming Cult.

At this time, Yue Feng did not know that the young man in front of him was his own son.

Lu Jiechen didn't notice Yue Feng's gaze, and stood there, feeling the strength of the surrounding contestants, showing a sneer of contempt.

None of these contestants are their opponents!

Wubi's number one is none other than himself!

"Master!"

At this time, Yue Wuya said with a smile: "You must get the first place and marry your aunt back to the Ming Sect."

Two months ago, at the alchemy conference, Yue Wuya snatched the elixir from Ren Feifei and completely healed Lu Jiechen's old wound. After completely recovering his internal strength, Lu Jiechen rekindled his fighting spirit and came to participate directly when he learned that the weather royal family held a competition to recruit relatives.

Yue Wuya especially hopes that Master can win and successfully marry his aunt. You know, in Yue Wuya's heart, Ren Yingying is a very important person. When there was no aunt, he had already been killed by Emperor Tianqi.

Chapter 1442

"Haha..." Lu Jiechen smiled confidently, nodded to Yue Wuya and said, "Teacher, don't worry, for the sake of your master's ambition, you will surely marry your aunt back."

Lu Jiechen In my life, I have seen countless beauties, but this Ren Yingying is really unique. As a princess, this woman has an aristocratic atmosphere, and with her hot body, it is simply perfect. If you can marry this woman, you will be blessed for the rest of your life. Coupled with the current Mingjiao, it has made a comeback. If he can marry Princess Yueying, Mingjiao will definitely return to the glory of the year.

At this time, all the contestants have arrived.

Around the Jiuyang Temple, many people gathered, and many people were whispering and excited!

After all, it is rare for ordinary people like them to meet once in a lifetime, and people are talking about it.

"There are so many experts in the arena."

"Yeah, there are so many people, I don't know who will be the concubine in the end..."

At this moment, Emperor Tianqi nodded at Yue Chen.

"Wu Bi audition, start now!" Yue Chen took a deep breath and said loudly!

As soon as the voice fell, Yue Feng and tens of thousands of other contestants were quickly divided into dozens of groups and began to conduct strength tests.

I saw that there were more than a dozen white marbles neatly placed in the field! Each of these white marbles weighs a ton.

The audition test is very simple, that is, the contestants are required to carry these white marbles.

Ordinary people naturally sigh with admiration for these white marbles, but for practitioners, as long as they reach the realm of Martial Saint, they can move them.

Under normal circumstances, a section of Martial Saint can lift one piece of white marble, and the criteria for passing the audition is that you need to lift three pieces.

The third stage of Wu Sheng can pass the audition.

Totally easy.

Seeing this scene, Yue Feng showed a smile!

Soon, the first group of contestants slowly walked towards the white marble in the field.

“Wow! It’s lifted!”

“It’s amazing...”

In an instant, I saw many contestants holding up the white marble, causing exclamations from the surrounding people.

Of course, there are very few who can pass the audition test. Although there were a lot of participants, there were tens of thousands of people, but there were only more than 1,000 people who were more than three rank Martial Saints.

Whoa!

Just then, the crowd burst into exclamations.

“Fuck, this person has raised eight yuan.”

“He raised eight yuan? Oh my god, what kind of strength is this?”

After a voice of discussion came, Yue Feng also followed the eyes of others and saw the scene. A handsome figure in the middle easily lifted eight white marbles with a very casual expression.

It was Ye Wentian!

“Ye Wentian, 2nd Duan Martial Emperor, passed the audition.” The tester next to him spoke in admiration.

This kid turned out to be the second-tier Martial Emperor. It is indeed a rising star of the Wudang school.

Yue Feng muttered to himself, but he didn't take it to heart. This Ye Wentian was considered a talent, but when he met him, he was considered unlucky.

Just thinking about it, the surrounding crowd once again set off a commotion.

I saw Lu Jiechen slowly come on stage.

"Deputy leader of the Ming Sect."

"He also came to participate..."

Ten years ago, Lu Jiechen was a well-known figure, and the people of Jianghu were called evil lords.

Despite being silent for so many years, he was recognized by many people as soon as he played.

Under the exclamations of everyone, Lu Jiechen put a smile on his face, used his inner strength, and lifted twelve white marbles at once.

hiss!

Seeing this scene, many people around couldn't help gasping for air.

Chapter 1443

"Fuck, twelve pieces..."

"This should be the one that lifts the most rocks..."

"Needless to say? He is the deputy leader of Mingjiao..." "The

exclamations continued to come out, and the testers next to them also trembled with excitement: "Lu Jiechen, the fourth stage of the Martial Emperor's strength, pass... pass!" The

voice fell, and the audience was silent!

Fourth stage Martial Emperor!

It can be said that it is the ultimate existence on the rivers and lakes.

Feeling the shock of the people around him, Lu Jiechen showed a smile and walked down smartly.

"Haha..."

Emperor Tianqi nodded with satisfaction and said with a smile: "The audition is so exciting, not bad, especially this Lu Jiechen, who is so powerful and imposing, I am very optimistic about him..."

Said Then, Emperor Tianqi tilted his head towards Ren Yingying and said, "Yueying, what do you think?"

There are so many experts in the arena today, and any one who jumps out is stronger than Yue Feng.

Ren Yingying smiled bitterly and said nothing.

Of course, Lu Jiechen is no stranger to her. The deputy leader of the Ming sect, known as the Evil Lord in the Jianghu people, also attended the birthday banquet with Lu Lingshan and Xing Yao. Witness Yue Feng's blood-washing Ming Sect!

I love Yue Feng. No matter if Wubi is Lu Jiechen or someone else, he would rather die than marry them.

Nima!

This Lu Jiechen has not only recovered from his injuries, but his strength has also improved a lot. Yue Feng could feel that Lu Jiechen's strength was about to reach the fifth stage of Martial Emperor!

However, Yue Feng didn't take it to heart. If I really want to meet Lu Jiechen in the next game, I will definitely not show mercy.

Soon, it was Yue Feng's turn to play.

call!

Arriving in front of the pile of white marbles, Yue Feng secretly exhaled, pretending to be reluctant, and lifted three white marbles.

Yes, Yue Feng deliberately concealed his strength, and before he came, he also took a 'Guixu Dan!'

Gui Xudan can hide the aura of a cultivator and conceal his true strength. It was used by Yue Feng when he went to the Xuanye Continent and served as a bodyguard for the two young ladies of the Fang family.

Since Yue Feng had put on a mask and changed his identity, it was necessary to hide his strength in the early game. After all, the strength of Wudan Wuhuang is too eye-catching.

“Hu Mingyue, 3rd Duan Wusheng, passed.” The tester said in a light tone, without even looking at Yue Feng.

The third section of Martial Saint only passed the audition criteria. There are so many people with this strength that they are not worth paying attention to at all.

Yue Feng smiled and stepped back directly.

To be honest, with Yue Feng’s strength, it is not a problem to lift fifteen yuan. But since you changed your name and surname and changed your identity, you can’t be too public.

Half an hour later, the results of the Wubi audition came out.

There were nearly 50,000 people participating in the audition, and only 1,200 people passed the final test, and Yue Feng’s test scores were at the bottom.

And the number one was Lu Jiechen.

For a while, after the Wubi audition ended, the entire imperial city was discussing Lu Jiechen. The deputy leader of the Ming Cult is mature and stable, and has strong strength. In this martial arts competition, it is very likely that he will become the first place in the martial arts competition.

In addition to Lu Jiechen, there were several others who became the object of everyone’s attention.

Ye Wentian is one of them.

Ye Wentian, the head of Young Master Wudang, handsome, stylish, unrestrained and suave, was the perfect match for Princess Yueying, they were a match made in heaven.

“Haha...” At this time, in the inn’s room, upon hearing the public opinion outside, Yue Feng laughed it off.

It’s just after the audition, the real competition has not yet started. After entering the finals, I want everyone in the world to know that I am Ren Yingying’s man. Ren Yingying, no one can take her away!

Thinking to himself, Yue Feng closed his eyes and rested for a while.

In the afternoon, I have to participate in the Wenbi audition, so I need to nurture my spirit. In the afternoon, Wenbi must also advance.

Chapter 1444

Wow!

As a result, Yue Feng was resting when he heard a commotion on the first floor of the inn.

“Wow, so handsome, so handsome!”

“With so many subordinates following, which son is this? He’s so stylish...” The screams of girls made Yue Feng feel a little upset. chaos.

“Dalong, what’s going on next?” Yue Feng couldn’t help asking.

Dalong walked in quickly and said respectfully, “Boss, it seems that he is the son of some big family, who is going to participate in the Wenbi audition in the afternoon...”

Who is it, such a grand show?

Yue Feng frowned and walked out.

When I got outside, I saw Dafeng, Erfeng, and four sisters, standing there like a nympho.

Yue Feng followed their gaze and saw a person sitting at the table on the first floor, drinking tea slowly.

Wearing a white silk gown, he showed his extraordinary temperament. His facial features were sharp and angular. Behind this beautiful man, there were more than a dozen big men standing quietly, all dressed in black. Obviously his bodyguard.

“The eldest son of the Dugu family, Dugu Jiu.” The

Dugu family is a very prominent cultivation family in Zhongyuan Continent. It is quite famous in the rivers and lakes of Zhongyuan Continent, and this Dugu Jiu is the eldest young master of the Dugu family. .

I have to say that this Dugu Jiu is not only handsome, but also more extraordinary in manners and conversation. Facing so many fans around him, he smiles and shows a somewhat free and easy bearing.

Anyone who is familiar with Dugu Jiu knows that this young master Dugu is a well-known talent.

Now to participate in Wenbi, it is natural to come for the first place.

“Ah...”

“Really handsome...”

Feeling Dugu Jiu’s smile, some of the women around suddenly fell into a state and kept screaming.

call!

Seeing this scene, Yue Feng secretly sighed in relief.

It seems that there are many opponents in this competition.

Yue Feng could see that this Dugu Jiu came to the inn to rest temporarily, so he stopped watching the excitement and returned to his room to continue resting.

afternoon!

Wenbi audition arena.

Around the arena, the people watching the lively, surrounded by a circle, it was a sea of people, but the scene was quiet. After all, it is more than literature, more than literature, and needs a quiet environment. So the people consciously kept silent.

Thousands of exam seats were placed on the square, complete with pen, ink, paper and inkstone.

Although the audience was very quiet, their enthusiasm remained undiminished, and most of the people watching Wenbi’s audition this time were young women.

Beauty loves talented people, no matter which dynasty it is, it is the same.

Of course, so many young women came to see Dugu Jiu.

Yue Feng entered the arena, and after being arranged to sit in a position, he looked up at the direction of due north. As in the morning, Emperor Tianqi was carrying members of the royal family, a lot of them, sitting on the high platform. Ren Yingying was there, still absent-minded.

Whoa!

At this moment, a woman’s screams erupted from the surrounding viewing seats.

“Master Dugu!”

“So handsome...”

I saw a handsome figure, slowly entering the arena, it was Dugu Jiu whom Yue Feng had seen at noon.

I have to say, this Dugu Jiu has an extraordinary temperament. Not only the surrounding audience, but even the Emperor Tianqi sitting on the throne showed some appreciation.

This time, the martial arts competition has brought so many talents and talents, this Dugu Jiu seems to have the temperament of a genius.

Thinking about it, Emperor Tianqi nodded at Yue Chen next to him.

Yue Chen immediately understood, took a step forward slowly, and said loudly: "Everyone, today's Wenbi audition is for you to write an essay. You can choose the topic yourself, astronomy, geography, piano, chess, calligraphy and painting, or ranking. How to govern the world, etc... Just write what you are good at!"

Chapter 1445

Speaking, Yue Chen looked around, smiled and said, "Those with excellent literary talent can pass the audition.." The

voice fell, and all the contestants present frowned and pondered.

shit.

This is a bit similar to the ancient imperial examinations.

At this moment, Yue Feng muttered to himself, crying and laughing a little! Writing essays is okay, but this kind of ancient essays are not good at all.

correct!

Confused, Yue Feng suddenly thought of something, his eyes lit up, and he instructed Pang Tong in Linglong Tower: "Pang Tong, can this kind of article be written?"

"Haha..."

Pang Tong smiled, very relaxed: "Don't worry, master, this kind of thing is a piece of cake for me."

As a famous strategist in the Three Kingdoms period, as famous as Zhuge Kongming, a small article is not a problem at all.

Pang Tong pondered for a while, then said, "Let's just write an article on how to rank the formation."

Hmm!

Yue Feng nodded, and then ordered: "By the way, the literary talent is good, and it is enough to pass the audition, you don't have to do it too well!"

Nima!

Emperor Tianqi was watching from above, so he couldn't be too flamboyant. If the article is written too well and gets noticed by Emperor Tianqi, he may be exposed.

"Understood, Master!"

Pang Tong responded, and after thinking for a while, he opened his mouth and said the article, Pang Tong said one sentence, and Yue Feng wrote one.

"Wow...."

Just halfway through writing, I heard screams coming from the surroundings again.

"Young Master Dugu has handed in the papers!"

"It's been handed in so quickly, he deserves to be a famous talent..."

Under the admiration, the many women in the surrounding viewing seats were full of admiration.

Yue Feng looked up and saw Dugu Jiu stood up and handed in his own article, while everyone around was still thinking hard and writing hard.

"Excellent literary talent, wonderful!" The examiner next to him was very impressed with Dugu Jiu's article.

Immediately, he hurriedly handed it over to Yue Chen, Yue Chen did not dare to neglect, and handed it directly to Emperor Tianqi.

"Wonderful!"

After a glance, Tianqi Emperor Longyan Dayue praised again and again: "It really is a good article."

Yue Chen, who was next to him, hurriedly shouted: "Dugu Jiu, the first submission, the essay selection has passed!"

"Thank you . Your Majesty."

Dugu Jiu bowed his hands respectfully at Emperor Tianqi, and left the stage gracefully.

In an instant, many women around couldn't help but whisper and praise.

"The first one was handed in, and he was praised by His Majesty..."

"After this, Wenbi, Dugu son will definitely look down on the talents..."

"Only such a peerless talent can be worthy of a beautiful princess. ..."

Hehe!

Hearing the discussion, Yue Feng sneered in disdain.

Even if this Dugu Jiu is indeed talented, it is still unknown whether he can get the first place in Wenbi.

After all, he has 'Mr. Fengchu' Pang Tong to help him secretly.

After a while, many people around began to submit papers, and Yue Feng also followed and submitted his own articles.

really!

Not as Yue Feng expected, although Pang Tong's essay was very casual, he easily passed the audition.

The ultimate husband in Chinese chapter 1446-1450

Chapter 1446

Haha...

Yue Feng was overjoyed, Wubi and Wenbi had passed the audition, and he was just waiting for the competition tomorrow. When leaving the audition arena, Yue Feng glanced back, and Ren Yingying, who was sitting on the high platform, couldn't wait.

Yingying, wait for me for three days.

In three days, I will definitely make it to the finals.

Immediately, Yue Feng was about to return to the inn and join the Four Dragons and Four Phoenixes. At this moment, a person hurried out of the venue and rammed directly into Yue Feng.

Boom!

Nima, the exit of the competition venue is so fast that it can hit you. Why is this person in such a hurry?

Yue Feng was very depressed, and at the same time, he was a little puzzled.

It's so soft, what did I encounter just now...

The next second, Yue Feng was stunned when he saw the person in front of him.

This person's face is white and handsome, he is dressed in a light yellow long gown and dressed as a scholar. He is obviously a contestant in the Wenbi audition. However, thinking of the soft touch when they bumped into each other just now, Yue Feng suddenly understood something.

Dress up as a man! Yes, Yue Feng can be sure that this person is a woman disguised as a man!

At this moment, Yue Feng was at a loss, a woman, disguised as a man, came to participate in Wenbi? Even if she wins the championship, can she still marry Ren Yingying?

"How did you walk?" In the end, before Yue Feng could speak, the other party spoke first, looking very unhappy.

Um?

This chapter is provided by . Visit for daily update.

You bumped into me and said I couldn't walk?

Yue Feng frowned, not knowing whether to laugh or cry.

This woman's name is Ye Ziyi, she is the eldest lady of Famous Sword Villa in the Yellow Sea Continent!

Famous Sword Villa, famous for casting weapons, has been passed down for more than a thousand years, and has a high reputation in the rivers and lakes of the Yellow Sea Continent.

Ye Ziyi is the daughter of the owner of the famous Sword Villa. She is talented and intelligent. Ye Ziyi wanted to travel around the world for a long time, and this time she learned that the Tianqi royal family was holding a competition to recruit relatives, so she immediately came to participate. She came to the recruiting conference purely to prove that she was more talented than men.

After handing in the papers just now, Ye Ziyi passed the Wenbi audition and was very happy. She was about to return to the inn, but she didn't know that she ran into Yue Feng.

Ye Ziyi was very angry, the person in front of him looked ordinary at first glance, but his eyes were so rude, staring at him up and down, it was really impolite.

“Hey!”

Ye Ziyi was very unhappy, and said angrily, “Don't you say a word when you bump into someone? Are there no rules at all?”

Huh?

Hearing this, Yue Feng was stunned for a moment, then looked at her with a smile: “Interesting, you bumped into me, why should I apologize to you?” The

woman disguised herself as a man to participate in the Wenbi audition, she was quite courageous, She is so charming and unreasonable, at first glance she is the eldest lady of which family.

“You!” Ye Ziyi was very angry, with a proud look on her face: “Don't apologize, right, okay, next time you are careful with me, it's better not to touch me!”

It's really hateful, he is famous for his famous Sword Villa. Miss, whoever sees herself is not polite.

If I didn't want to reveal my identity, I really wanted to teach this rude person a good lesson.

In Ye Ziyi's heart, the Yue Feng in front of him was ordinary in appearance and average in strength, so there was no need to entangle with him at all.

Haha...

and threatening me?

Seeing Ye Ziyi's angry look, Yue Feng secretly laughed and said, “Even if we meet again next time, what can you do to me? Instead, it's you, obviously a girl, but pretending to be a weak scholar? Why? Do you still want to marry the princess?”

Chapter 1447

To be honest, Yue Feng didn't want to quarrel with her, but the audition has passed, and it's okay for now, so he just wants to tease her.

Yue Feng was very curious as to who the woman in front of her was, who was so daring to disguise herself as a man to participate in the competition of the Tianqi royal family. Aren't you afraid of being beheaded if your identity is exposed?

"You..."

Ye Ziyi's delicate body trembled, and she looked at Yue Feng tightly, in disbelief. How did he know he was a woman?

From signing up to now, no one can tell...

The next second, seeing Yue Feng looking at him with a half-smiling smile, Ye Ziyi realized something instantly, and her face turned red all of a sudden.

By the way...

I bumped into him just now, he... he should have felt it...

Thinking to himself, Ye Ziyi is even more shy, blushing like a ripe apple, and she can't help but feel a little bit in her heart. Panic.

"How is it?"

Seeing her face changing, Yue Feng said with a smile: "Do you want to be more serious with me? This competition is mainly to choose a consort for Princess Yueying. You say, if the Tianqi royal family knows that someone is pretending to be a woman Men's clothing, what will be the reaction?"

"I..."

Ye Ziyi's face flushed, and she was embarrassed and speechless.

The next second, Ye Ziyi stretched out her hand and pulled Yue Feng, walked to a corner where no one was around, bit her lip and said softly: "Forget it, it was me who was wrong just now, this matter is over, don't say it out. , can you help me keep it a secret?"

Ye Ziyi's eyes showed some anticipation when she said this.

Seriously, to plead with Yue Feng, Ye Ziyi felt ten thousand reluctance in her heart, but she is a delicate young lady of the famous Sword Villa, when has she ever been too soft to others?

But no way.

It was a violation of the rules for me to disguise myself as a man before participating in the competition. If it was found out by the Apocalypse Royal Family, it would be troublesome.

How good is it early.

Yue Feng showed a smile, and said slowly: "We are not familiar with each other, why should I help you keep it a secret?"

I regret it now that you played the eldest sister's temper with me.

Ye Ziyi was in a hurry and pulled Yue Feng's sleeve: "Even if I beg you, okay? Don't tell me." She

just passed the audition, and it would be a pity if she gave up.

After all, with his talent, he is fully capable of entering the finals.

Yue Feng smiled and said nothing.

Ye Ziyi was completely panicked, bit her lip and said, "So, there will be a dinner party at the Governor's Mansion tonight. I have an invitation letter, and I will take you there."

After saying that, Ye Ziyi looked at Yue Feng and continued. Said: "This Governor General is a celebrity in front of Emperor Tianqi. Therefore, all the people who participated in this dinner are the most prestigious and influential people in the contestants. How about it?"

Ye Ziyi bit her lip tightly, this was her final bottom line. , If this person bites again and doesn't let go, he can only tear his face. The person in front of him looked like an ordinary person with no background. To be able to attend the banquet at the Governor's Mansion with him was considered a high incense burnt by his ancestors.

Governor's Palace Dinner?

Hearing this, Yue Feng thought for a while, then nodded and said, "Seeing that you are so sincere, then I'll make it difficult and come with you at night."

It was just a bump, so there's no need to feel sorry for her.

More importantly, this Governor General is a celebrity in front of Emperor Tianqi, and he may be able to find out some information about Ren Yingying from his mouth.

At this time, Yue Feng still didn't know that this governor was Yue Chen!

Chapter 1448

Huh!

Seeing that Yue Feng agreed to go to the dinner, Ye Ziyi breathed a sigh of relief.

At this time, Yue Feng asked curiously, "I don't know what your name is? Why do you have to disguise yourself as a man to participate in the competition?"

"Me?" Ye Zi smiled and said, "My name is Ye Ziyi, and I come from Famous Sword Villa in the Yellow Sea Continent. Participating in this competition, I mainly want to prove my talent and prove that I am better than a man."

Ye Ziyi looked arrogant when she said this.

What?

Famous Sword Villa?

Hearing this, Yue Feng was stunned, and was secretly shocked.

Although Yue Feng has never been to the Yellow Sea Continent, he has heard of the fact that there is a famous sword villa in the Yellow Sea Continent, which is a family that forged weapons.

Unexpectedly, I can meet the people of Mingjian Villa today.

"What about you?" At this moment, Ye Ziyi couldn't help but ask, "What's your name?"

Yue Feng smiled slightly: "My name is Hu Mingyue!"

Hu Mingyue?

Ye Ziyi couldn't help but muttered in her heart, what a strange name, at first glance it sounded like a woman.

Thinking to herself, Ye Ziyi was too lazy to talk nonsense, and waved her hand: "Then let's say, in the evening, the two of us will be at the gate of the Governor's Mansion, see you soon!"

Ye Ziyi turned and left after the words fell.

Watching her back walk away, Yue Feng smiled and quickly returned to the inn.

–Night

is coming!

The entire Apocalypse Imperial City is beginning to light up.

On Huangcheng Street, there was a bustling and lively scene. After the audition during the day, both the contestants of Wenbi and the people of Wenbi came out to relax.

In a mansion in the imperial city, it is even more lively! At the gate of the mansion, the two characters of Yuefu are written, and on the plaque next to it, the Governor General is written.

It is Yue Chen's mansion!

After coming to Tianqi Continent for nearly ten years, Yue Chen has climbed up step by step from a small adjutant, and now he is also the Minister of Rites and the Governor General, with power and power, and infinite scenery.

But Yue Chen is ambitious and still not satisfied with his current fame and fortune.

This time, many heroes and talents came from the Kyushu continent, and Yue Chen took the opportunity to hold a dinner party to invite those dignitaries to expand his network.

At this time, Yuefu was decorated with colorful lights and a lively atmosphere. I saw that many contestants with extraordinary identities were invited!

At the entrance of the hall at this time, Yue Chen, dressed in a gorgeous satin gown, showed the temperament of a dignitary, standing there, smilingly welcoming the guests.

Beside her, Chen Yun is wearing a long red dress, showing her perfect curves. A few years later, Chen Yun is still charming and charming.

At this moment, Yue Chen was indescribably excited!

At this banquet tonight, as long as you have a good relationship, your network will expand from the Apocalypse Continent to other continents. In the future, you will have friends in Kyushu. If you want to do something, isn't it easy?

“Wife, when I have established relationships with various continents and look for opportunities, we will return to Donghai City in a beautiful way.” At this time, Yue Chen took Chen Yun's hand and said confidently.

Yue Chen can't forget that back then, he provoked public anger and was pursued by various sects in the Earth Circle Continent.

And now, he is already a high-ranking first-rank officer, with the support of the Tianqi royal family behind him, and when the time comes, he will return to the Earth Circle Continent to see what those sects dare to do to him.

Um!

Chen Yun nodded, her delicate face was filled with a happy smile.

Back then, he and Yue Chen were like bereaved dogs, but now they are inexhaustible wealth and glory.

Just as he was talking, a servant ran over excitedly and said to Yue Chen, "Sir, the deputy leader of the Ming Sect, Lu Jiechen is here!

" Even the deputy head of the Ming Sect came to cheer, Lord Yue Chen's face is really big!

"quick..."

Chapter 1449

Yue Chen's spirit was shocked, and he was very happy: "Go and greet!" After saying that, he hurried to the gate, and

Chen Yun hurriedly followed.

At this moment, Yue Chen and his wife were extremely happy.

Haha....

Lu Jiechen is a famous person in the Jianghu of the Apocalypse Continent. He can accept his invitation, which can be regarded as enough face!

At the gate, I saw Lu Jiechen, accompanied by Yue Wuya, slowly coming.

"Aiya!"

Yue Chen was overjoyed, hurried up to meet him, with a tone of compliment and excitement: "Master Lu has come to the humble house, my Yuefu is really full of brilliance..."

"Master Yue is really polite!" Lu Jiechen With a smile on his face, he bowed his hands to Yue Chen: "Master Yue is deeply favored by His Majesty, and he is in a high position,

but he is a virtuous corporal and invites me to be a person in the rivers and lakes. I am the most honored Lu.”

Lu Jiechen is arrogant by nature . . . , before that, he wouldn't put Yue Chen in his eyes at all.

But after so many years, Lu Jiechen has sharpened a lot of edges and corners. Now whoever he sees, Lu Jiechen greets him with a smile. More importantly, Lu Jiechen came to participate in the incomparable recruiting conference, and naturally he had to have a good relationship with this popular man next to Emperor Tianqi.

“Haha...Okay, okay, Cult Master Lu, please come in, the banquet will start soon.” Lu Jiechen's words made Yue Chen's heart flutter, and his face was full of smiles.

Lu Jiechen smiled slightly and walked into the hall!

Whoa!

In an instant, the guests in the hall were in an uproar.

“Cult Master Lu is here, Master Yue is really amazing.”

“Yeah...”

“It goes without saying that Lord Yue is greatly used by His Majesty, and even Cult Master Lu should give some face...”

Hearing the constant discussions, Yue Chen was full of smiles, his inner superiority felt great satisfaction. Even Lu Jiechen has become his friend, who would dare to look down on him in the future?

At this moment. Outside Yuefu.

Yue Feng finally found this place by asking passers-by.

From a distance, Ye Ziyi was standing there.

“Sorry, I kept you waiting!” When he got to the front, Yue Feng smiled and said a little embarrassedly.

Nima, this Yuefu is too hard to find.

When he said this, Yue Feng couldn't help looking at Ye Ziyi!

Ye Ziyi deliberately changed her clothes. Although she was still dressed as a scholar, she was indescribably chic and suave.

On the other hand, Yue Feng was still wearing the same clothes that he wore in the competition. It was very ordinary, and it was difficult to find it when he was thrown in the crowd.

Ye Ziyi smiled: "I just arrived too!"

After saying that, Ye Ziyi looked at Yue Feng's outfit and frowned secretly. This person is also too casual. When he attends the Governor General's dinner, he doesn't know how to dress up?

At this time, the guard at the door checked Ye Ziyi's invitation and let them in.

"Famous Sword Villa, Young Master Ye is here."

With a shout, Yue Chen and Chen Yun hurried up to greet him.

When they got to the front, Yue Chen smiled at Ye Ziyi and said, "Haha, I, Yue, are really honored to be able to come. Come in..."

To be honest, Yue Chen and Ye Ziyi were not familiar with each other, but the name of Mingjian Mountain Villa was well known for a long time. Moreover, Yue Chen didn't see the identity of Ye Ziyi's daughter's family. You must know that the owner of Mingjian Villa has several sons and daughters. Who would have thought of a young lady disguised as a man?

While greeting, Yue Chen didn't even look at Yue Feng.

I have to say that Yue Feng dresses up too casually. In Yue Chen's eyes, he thinks it is Ye Ziyi's follower.

Ye Ziyi smiled slightly and greeted Yue Chen.

Yue Feng was stunned there.

Nima!

It was the two of them. Yue Feng glanced at Yue Chen, then stared at Chen Yun and looked up and down. I haven't seen each other for so many years, sister-in-law Chen Yun is still sexy and charming.

Chapter 1450

However, Yue Feng can't forget the evil heart beneath the beautiful appearance of Chen Yun's sister-in-law. Yue Feng will never forget the matter of being slandered by Yue Feng and his wife.

Because of Yue Chen and his wife, they were regarded as beasts who defiled their younger brothers and sisters, they were scolded by the people of Donghai City, they were expelled from the Yue family, and they were even targeted by the entire rivers and lakes of the Earth Circle. Although those things are over and he has regained his reputation, Yue Feng always remembers it.

Especially last time, Yue Feng made a lot of trouble in the palace to avenge his master Nangong Jue. At the last critical moment, he was raided by Yue Chen. If Ren Yingying hadn't rescued him in time, he would have died in Yue Chen's hands.

Yue Feng has never forgotten to seek revenge for Yue Chen, but he did not expect to encounter him here.

What made Yue Feng even more unexpected was that it was Yue Chen who held the banquet, and he was the governor general in Ye Ziyi's mouth.

Nima!

The two of you have hurt me so badly before, but you haven't been retributed yet, and you've lived a good life here.

Thinking to himself, Yue Feng secretly clenched his fists.

Seriously, if it wasn't for participating in the martial arts recruiting conference, Yue Fengzhen would have started immediately.

Seeing that Yue Feng's eyes were constantly on her body, Chen Yun was very unhappy.

However, for a follower, staring at him so recklessly, it's really not polite at all.

Next to him, Yue Chen frowned. However, because Ye Ziyi was beside him, Yue Chen was not easy to attack.

At this time, Yue Chen and Chen Yun didn't realize that the person in front of them was the Yue Feng that they wanted to get rid of in their dreams.

The atmosphere was a little subtle.

"What's up?"

Aware that something was wrong with Yue Feng, Ye Ziyi couldn't help but said softly, "Do you know this Governor General?"

"I don't know!" Yue Feng exhaled secretly and responded with a smile.

When he said this, Yue Feng withdrew his gaze and made a very honest appearance.

Dalong said that this kind of mask is not very bright, and he can't be too excited, otherwise it will be easy to be seen by Yue Chen.

Ye Ziyi didn't say anything anymore, and took Yue Feng into the hall!

What the hell!

There are many people.

As soon as he entered, Yue Feng was stunned and saw many familiar figures.

Wudang Ye Wentian, the famous genius Dugu Jiu in Zhongyuan Continent, and many familiar faces, without exception, were all very famous people in various continents.

Swish!

The next second, Yue Feng's eyes fell on Lu Jiechen.

Nima, he's here too... Yue Feng sighed, but fortunately he resisted the urge just now and didn't do anything to Yue Chen, otherwise, with so many masters present, it would be hard for him to retreat.

At this moment, Yue Feng was in a bad mood and wanted to leave immediately, but on second thought, it would be easier to be noticed if he left directly.

Thinking about it, Yue Feng had no choice but to bear his emotions, and walked towards the front of the banquet with Ye Ziyi.

At this time, the guests are almost here. Because of his strength and fame, Lu Jiechen was placed in the main seat by Yue Chen.

Ye Ziyi is from Mingjian Villa, and her position is relatively high.

At the front of the seat, Yue Feng was about to sit next to Ye Ziyi, and at this moment, an unpleasant voice sounded beside him.

"Hey..."

A young boy came over and looked at Yue Feng up and down, with contempt in his eyes: "This is my position, and what you are qualified to do?"

This boy is Jiang Qing, a member of the Southern Cloud Continent. The eldest young master of the cultivation family. I was used to being arrogant and domineering on weekdays, and it was very uncomfortable to see Yue Feng taking his place.

In Jiang Qing's heart, he also believed that Yue Feng was Ye Ziyi's sidekick.

Swish!

At this moment, hearing the movement here, all the guests in the hall all looked at Yue Feng.

Yue Feng was very embarrassed, smiled bitterly, and looked at Ye Ziyi who was sitting there.
