

The ultimate husband in Chinese chapter 1466-1470

Chapter 1466

Nima....

Yue Feng frowned, he could see that Jiang Qing and his friends were turning their heads to look at him from time to time, their eyes full of resentment. Yue Feng didn't take it to heart.

Soon, after eating and drinking, Yue Feng and Silong Sifeng returned to the inn. After resting in the inn for a while, Yue Feng went to the Wenbi scene.

When I got there, I saw the notice board at the entrance, and the list of each group had been posted.

Dalong is right. Today's Wenbi is an offensive and defensive battle. The contestants form a group of eight, lining up with each other. Each took twenty soldiers, and the last two victorious advanced.

Soon, Yue Feng found his group list and saw Ye Ziyi's name on it. Unexpectedly, he and Ye Ziyi were in the same group.

Seeing this, Yue Feng couldn't help but smile.

Soon, the game is about to start, and the players in each group are on standby in the designated area.

"Are you also in this group?"

Seeing Yue Feng, Ye Ziyi smiled lightly and said hello, with a smile on her face, but she felt a little disappointed.

Seriously, Ye Ziyi really wanted to match up with Dugu Jiu.

After all, there are eight people participating in each group, but there are only two places to advance. If you can team up with Dugu Jiu, you can cooperate with each other and advance steadily!

You know, Dugu Jiu is not only a famous talent, it is said that he also has good attainments in the art of war.

As for this Hu Mingyue, in the first two days of the game, it seems that it was based on luck, and he must not understand the art of war. Today's game is an offensive and defensive battle, and people like Hu Mingyue can't cooperate at all!

“Well, what a coincidence!” Yue Feng showed a smile and nodded towards Ye Ziyi!

Um?

Just as he was talking, Yue Feng noticed that there were four people staring at him secretly with hostility in their eyes.

These four people are all in the same group as Yue Feng, two of them are a pair of brothers, named Zhang Qiang and Zhang Tao respectively.

Nima..

it's them.

Aware that the other party's eyes were not good, Yue Feng suddenly remembered that the four of them who were drinking with Jiang Qing at noon were Zhang Qiang and Zhang Tao.

In an instant, Yue Feng immediately understood something. At the noon wine table, Jiang Qing must have explained to them that if they were matched together, when the game started, these four people would jointly target themselves.

It's no wonder that at noon, Jiang Qing looked at herself in the wrong way, and whispered to these people, so the conspiracy was here.

Thinking to himself, Yue Feng raised his eyes and looked around, and soon met a malicious gaze.

I saw that Jiang Qing was sitting on the stand not far away, looking at himself with a smile that was not a smile, very proud.

Jiang Qing was very excited at this time.

Haha... That's great, my four friends have been matched with Hu Mingyue in a group.

When the offensive and defensive battle begins, and the four friends unite, Hu Mingyue will undoubtedly lose, and there is no possibility of promotion at all.

For a time, Jiang Qing became more and more excited, and couldn't wait to see Yue Feng being eliminated.

“Brothers.” At the same time, Zhang Qiang and Zhang Tao were also communicating in low voices: “After we get off the court, we will force this Hu Mingyue off the court and let him be eliminated first.”

“Yes, we must Exporting bad anger for Young Master Jiang...”

Several people were discussing, and at this moment, Yue Chen walked out from the main examination platform, and a thick and clear voice came out of his mouth. The sound was not loud, but it spread throughout the entire competition venue, and everyone present could hear it clearly: “Now, please enter the fifth group!”

Immediately, Yue Chen looked around the audience and said seriously: “The rules of offense and defense. , you should be very clear, but let me add one more thing, when the game starts, you can allied with each other, but remember that of the eight people in each game, only two people can advance in the end, well, I will add these , I wish you good luck next!

“

It’s time for me to play.

Hearing this, Yue Feng’s body was shocked, and then he and Ye Ziyi and others walked slowly onto the arena. Yue Feng and Ye Ziyi were in the fifth group!

Chapter 1467

When entering the arena, Yue Feng said to Ye Ziyi, “Young Master Ye, take care of me later. I’m not very good at arranging troops.”

When he said this, Yue The wind’s voice was so loud that Zhang Qiang and the four heard it on purpose, with a sincere expression and anticipation in his eyes.

Yes, Yue Feng said this on purpose, not only to hide his strength, but also to confuse the four Zhang Tao and let them relax their vigilance.

Haha...

All of a sudden, Zhang Tao and Zhang Qiang looked at each other with sneer and contempt.

This Hu Mingyue is really cowardly. Panic before the game even started. Let you offend Jiang Gongzi and wait for the first one to be eliminated.

Yue Feng didn’t care about the mocking gazes of Zhang Qiang and the others, but stared at Ye Ziyi, waiting for her response.

“This...”

Ye Ziyi bit her lip and said indifferently, "Let's see the situation later." Although he was familiar with the art of warfare since he was a child, he used to talk about it on paper before, and today is the first time he used it in an actual combat exercise.

To be honest, Ye Ziyi didn't want to agree to Yue Feng. Hu Mingyue's literary talent was average, and her ability to form troops was definitely not as good as her own. Alliance with him had no advantage at all.

But no way. This Hu Mingyue knew that she was a daughter. Help if you can!

Thinking to herself, Ye Ziyi said softly to Yue Feng, "Wait for the start of the game, bring your own soldiers and get closer to me, don't be washed away."

"Okay..."

Hearing this, Yue Feng pretended to be very excited and nodded again and again: "Thank you, Young Master Ye, for taking care of you. It's up to you whether you can advance this time!"

When he said this, Yue Feng's face was flattering, but he was secretly applauding in his heart. Although this Ye Ziyi is usually very charming and has a little temperament as a young lady, she is still kind in her heart.

At this moment, the soldiers assigned to each contestant were in place, and the competition began.

"Go!"

At the moment when the match whistle sounded, Zhang Qiang shouted, and led the soldiers behind him to charge directly to Yue Feng.

At the same time, Zhang Tao and the other two also attacked from the other direction.

Nima!

The game has just started, and it's against me?

Yue Feng cursed inwardly, without thinking too much, he motioned the twenty soldiers behind him to set up a defensive formation and quickly converge with Ye Ziyi.

Ye Ziyi Bingxue is smart, and after meeting with Yue Feng, he immediately asked his soldiers to deploy a defensive formation.

Mad! Seeing this scene, all four Zhang Qiang frowned secretly, their faces gloomy.

Ye Ziyi and Yue Feng, the defensive formation formed by forty soldiers was almost impeccable.

“Rush...”

Just when Zhang Qiang and the four were hesitating whether to continue the attack, the other two contestants in the group, leading the soldiers, rushed towards them.

There are a total of eight contestants in each competition group. At first, Zhang Qiang and the three of them focused their attention on Yue Feng and Ye Ziyi, forgetting that there were still two contestants.

“Ma De, let’s eliminate these two people first.” Zhang Qiang shouted with a gloomy face, and led the soldiers to turn back to meet them!

Zhang Tao and the other two followed closely behind!

In an instant, the six teams scuffled.

Because it is a competition and there are not many people, the scale of the battle is not large.

But... the battle is fierce!

The six teams charged with each other, shouting constantly, and all kinds of weapons and skills were flying all over the field!

call!

Seeing this scene, Yue Feng breathed a sigh of relief, and said to Ye Ziyi, “Now that they are fighting, we can look for opportunities to sneak attack.”

Chapter 1468 On the

battlefield, the situation is changing rapidly. As long as you seize key opportunities, you can control the overall situation. Judging from Yue Feng’s experience, the moment is a good time.

However!

Ye Ziyi shook her head: “No, they fought so chaotically, if we join in, we will be deeply involved.”

Ye Ziyi’s eyes flickered, and she was very determined: “Let’s take it easy and watch the snipe and clam. Fight, sit and reap the benefits of the fisherman.” What the hell

!

Such a good opportunity, are you still waiting for it?

Yue Feng didn't know whether to laugh or cry, and said slowly, "Wait for the four Zhang Qiang and defeat the other contestants one by one, then we won't have a chance."

"You mean Zhang Qiang has four alliances?" Ye Ziyi asked subconsciously.

Yue Feng nodded.

Ye Ziyi frowned slightly, looking at the battle situation in front of her, and said slowly: "Impossible, there are only two places to advance, how could the four of them be in an alliance?" After

speaking, Ye Ziyi shook her head, still unwilling to attack .

Yue Feng smiled bitterly, very depressed. Although Ye Ziyi's literary talent is good, in terms of "arranging troops", he is still at the point of talking about soldiers on paper, and his insight into the battlefield situation is also very lacking.

Zhang Qiang, Zhang Tao, four, the alliance is so obvious, she still can't see it.

Thinking to himself, Yue Feng shook his head and smiled bitterly, and stopped talking!

After all, it was difficult for Ye Ziyi to explain the matter that he and Jiang Qing had a grudge against and was targeted by his friends for a while.

Soon, ten minutes passed by in a flash.

Zhang Qiang and Zhang Tao, with the cooperation of each other, quickly pushed the other two contestants out of the competition area and successfully eliminated them.

Immediately, the four greeted their respective soldiers, converged, and slowly approached Ye Ziyi and Yue Feng.

What?

The four of them are really an alliance?

Seeing this scene, Ye Ziyi's delicate body trembled, and she was very surprised.

Whoa!

At the same time, many people on the surrounding viewing platform also exclaimed.

“Four against two? This match is interesting.”

“The one in white is the young master of Famous Sword Villa, Ye Ziyi, right? I heard that this young master Ye is also a genius.

” But Young Master Ye is very powerful, and the outcome is unpredictable.”

Under the discussion, many people’s eyes converged on Ye Ziyi, in everyone’s heart, among the remaining six contestants in the field, only Ye Ziyi ability is the strongest.

At this moment, this side of the arena!

“Young Master Ye!”

Zhang Qiang was smug, and said to Ye Ziyi, “You are also a smart person, why do you want to help this Hu Mingyue? Even if Hu Mingyue is your sidekick, you shouldn’t be with him. He has formed an alliance. Now the situation is very clear, the four of us, fight the two of you, and if you know each other, take the initiative to admit defeat and quit the game.”

“You...”

At this moment, Ye Ziyi bit her lip and was very angry. Looking at Zhang Qiang: “You think that you are in the alliance and you will win? It’s just a little too early to say.”

When she said this, Ye Ziyi looked very calm, with no expression on her face, but she felt a little panic in her heart. .

Two-on-four, how can this be played?

The point is, next to Hu Mingyue, he can’t help at all.

“Ye Ziyi!”

At this moment, Yue Feng came up and whispered to Ye Ziyi: “Don’t panic, we can’t lose, I have a way to defeat them...” The voice was very small, only the two of them can hear.

Seeing Yue Feng talking in a low voice, Zhang Qiang thought he was scared and sneered, disdainfully.

Chapter 1469

“You?” Ye Ziyi was a little anxious, and replied in a low voice: “What can you do?”

If this Hu Mingyue really had the talent of being a commander, he would not have asked for an alliance with him at first.

“If you don’t believe me, then we two will be eliminated together.” Yue Feng smiled slightly, looking very inscrutable.

Could it be...

he really has a way?

Seeing his expression, Ye Ziyi was silent for a while, and finally nodded: “Okay, I’ll listen to you...” For some

reason, Ye Ziyi finally chose to trust Yue Feng.

After all, he just saw Zhang Qiang’s four alliances, but he didn’t notice it.

Of course, the more important point was that Ye Ziyi had no choice at all now.

“Zhang Qiang!”

At this moment, Yue Feng took a deep breath and said to Zhang Qiang, “Don’t be complacent, it’s not certain who wins and who loses, my son said, don’t talk nonsense on the field, if you want to attack, just Come on though!”

His tone was indifferent, but there was deep contempt.

At this moment, Zhang Qiang and the four were all furious and stopped talking nonsense.

“Attack!”

“Give it to me!”

“Disperse their formation and drive them out of the arena...”

In an instant, following the orders of Zhang Qiang and the others, the 80 soldiers behind them directed towards Yue Feng and the two of them. rushed over.

Eighty people played against forty people, which was double the number of people. Although the scale was small, the momentum was very shocking.

Looking at the people rushing up, a smile appeared on Yue Feng’s face. Immediately afterwards, Yue Feng whispered to Ye Ziyi: “Let the ten people on the left move forward five steps, the five people in the middle, take three steps back, and the rest, move ten steps to the left...”

When he said this , Yue Feng's face was calm, even very leisurely.

"Everyone, listen to my orders!" Ye Ziyi didn't hesitate, Yue Feng said something, and she repeated it loudly: "The ten people on the left, move forward five steps, and the five people in the middle back three steps..." The

voice fell, and forty soldiers , following Ye Ziyi's command, the position quickly changed.

Whoops!

At this time, Zhang Qiang and the four leading soldiers rushed to the front.

However, at this moment, a scene that shocked everyone appeared.

I saw forty soldiers, under the command of Ye Ziyi, cooperate closely with each other, both offense and defense, defending like an iron wall, no matter how Zhang Qiang and others attack, the formation is not chaotic.

Whoa!

Seeing this scene, everyone watching the game suddenly exclaimed!

This Ye Ziyi one-on-four, actually stabilized the situation?

This... is this too strong? !

"Talent..."

Emperor Tianqi, who was sitting on the dragon chair, also looked at Ye Ziyi with a smile, his face full of admiration: "In the face of disadvantage, it is a rare talent to be able to take it easy..."

At this time The Emperor Tianqi, and the people around him still didn't know that the real commander was actually Yue Feng, and Ye Ziyi was just repeating his words.

Therefore, everyone's eyes are looking at Ye Ziyi in amazement, completely ignoring Yue Feng!

Facing the shocked gazes of everyone around, Ye Ziyi was also surprised and delighted, her delicate body trembled, and she looked at Yue Feng's eyes, full of shock!

It turned out to be blocked!

How did he do that?

Chapter 1470

Ye Ziyi at this time clearly felt that the words that Yue Feng explained to him seemed very ordinary, but they contained supreme mystery.

He... didn't he know how to arrange troops?

For a time, Ye Ziyi looked at Yue Feng, full of doubts!

Yue Feng smiled and looked relaxed. What Yue Feng deployed just now was a relatively simple formation in Baiqishen Formation, but it was more than enough to deal with people like Zhang Qiang.

Speaking of which, if it wasn't for the fear of revealing his identity and attracting the attention of Emperor Tianqi, Yue Feng would not have used Ye Ziyi's mouth to deploy the formation. At the beginning of the game, Zhang Qiang and others were defeated.

This...it's impossible! The four Zhang Qiang were also shocked and extremely angry in their hearts. My side has the advantage of the number of people, but it is like this. If you really want to lose, it will be too embarrassing!

"Zhang Qiang, Zhang Tao...Go on, knock them out." At this moment, Jiang Qing in the stands, with an extremely ugly face, shouted like crazy.

The bad breath in my heart must be dealt with, this Hu Mingyue must lose!

"Charge..."

Hearing Jiang Qing's call, Zhang Qiang gritted his teeth, led the soldiers again, and launched a charge.

However, no matter how the four Zhang Qiang attacked, they still did not break through the formation of Ye Ziyi and Yue Feng. On the contrary, when their morale was low, Ye Ziyi got a hint from Yue Feng and launched a counterattack without hesitation, directly taking Zhang Qiang and the three. out of the field.

Whoa!

At this moment, the entire audience was boiling, and everyone's eyes were focused on Ye Ziyi, full of admiration.

"Amazing!"

"It turned the tide of the battle, turning defeat into victory!"

"Wonderful, this game is really wonderful."

Listening to the cheers around, Ye Ziyi froze there, incomparably pleasantly surprised.

At this moment, only Ye Ziyi knew that the one who really won the game was not himself, but Yue Feng next to him.

Without him, his formation would have been chaotic long ago, and it would be impossible to hold on to the end!

“What!”

Seeing this scene, Jiang Qing almost went crazy, staring at Yue Feng in the field: “Hu Mingyue, you are lucky this time, let’s wait and see later!” He said to

himself After that, Jiang Qing left the stands with a gloomy face.

Like everyone around him, Jiang Qing also believed that Yue Feng took Ye Ziyi’s light.

“In this match, Ye Ziyi and Hu Mingyue will advance!” At this moment, Yue Chen came out, raised his dantian, and a clear voice came from his mouth.

call!

Hearing this, Ye Ziyi reacted, saluted Emperor Tianqi, and walked out of the arena.

Yue Feng quickly followed behind.

As soon as he came out of the field, many people gathered around and started talking to Ye Ziyi to please.

“Young Master Ye, how did you do it just now?”

“Such an excellent means of commanding troops is really eye-opening..”

Ye Ziyi squeezed out a smile and dealt with the crowd perfunctorily, and then went directly to Yue Feng. Out of the field!

“Alas!”

Seeing that there were not many people around, Ye Ziyi stopped Yue Feng and asked curiously, “What you deployed just now, is that a formation?”

Just like those people, Ye Ziyi was full of curiosity at this time.

At the same time, Ye Ziyi suddenly discovered that the Hu Mingyue in front of her was different from before, and was somewhat unfathomable.

“What formation?”

Facing Ye Ziyi's question, Yue Feng looked confused.
