

The ultimate husband in Chinese chapter 1481-1490

Chapter 1481

Are Hu Mingyue and Yan Yunfei friends? You must know that Yan Yunfei's strength is very strong, and among all the contestants, he is among the best! No one dared to laugh at Yan Yunfei speaking for Hu Mingyue.

"I..." Tian Jing was also stunned for a while, then summoned up his courage, looked at Yan Yunfei and said: "Yan Yunfei, what's the matter with you, he Hu Mingyue got so many inner pills, let me laugh What's the matter?"

After speaking, Tian Jing pointed to the temporary list next to him proudly: "Because I entered the top ten on the list, I am qualified to laugh at him..."

Tian Jing said it well, the temporary list is on the list. , he is the tenth place, if nothing else, today is a smooth promotion.

"You are in the top ten, right?" Yan Yunfei sneered, then turned his head to Yue Chen and said, "Master Yue, I put all my inner alchemy in the name of Hu Mingyue, and I give up the competition!

" Yan Yunfei had a firm look on his face. To be honest, Yan Yunfei had also made a lot of efforts for the first place in the martial arts competition, and he was very unwilling to just give up.

But no way. Now that I know that Hu Mingyue is a member of the Nayun royal family, I must support her. After all, his own sect still needs to rely on the Nanyun royal family in order to achieve longer-term development.

"What?!"

At this moment, there was an uproar in the audience, and everyone present looked at Yan Yunfei in disbelief, their eyes full of surprise. Yan Yunfei wanted to give up the game, but also gave his inner elixir to Hu Mingyue unconditionally?

What is the relationship between the two of them, and is it worth Yan Yunfei to pay such a high price?

Yan Yunfei had obtained more than 1,000 Inner Pills, and if he had given it to Hu Mingyue, Hu Mingyue would immediately be ranked second.

This... for

a time, the atmosphere is also a little complicated.

“Yan Yunfei!” At this moment, Yue Feng came over, patted Yan Yunfei’s shoulder lightly, and said with a smile, “Thank you, you don’t have to do this! I can’t lose!” Eyes full of approval. I can’t tell that this Yan Yunfei has a heroic demeanor and is very moral in all corners of the world.

“But...”

Seeing Yue Feng’s rejection, Yan Yunfei became a little anxious: “If you don’t, you will be eliminated...”

At this time, Yan Yunfei still didn’t know that Yue Feng still had a piece of wolf king gold. Naidan, I haven’t taken it out yet.

Yue Feng smiled and signaled him not to panic.

“Haha...”

At this moment, Tian Jing reacted, pointed at Yue Feng and laughed loudly: “Oh, you are quite strong and don’t accept help from others, then I ask you, you are more than thirty Neidan, how did you get promoted?”

“Hahaha!” The

voice fell, and everyone around them calmed down and burst into laughter.

Seeing time is running out, Yue Chen is too lazy to talk nonsense, and said impatiently at Yue Feng: “Hu Mingyue, this is not a place for you to joke, if you only have this inner alchemy, you will be eliminated!”

A small role, With so much nonsense, I am still waiting to return to His Majesty.

“Who said I don’t have it anymore?”

Yue Feng smiled lightly, and took out the golden inner core from his body: “Is this one considered?”

The moment the golden inner core was taken out, a golden brilliance flowed, and everyone around him , I just feel that my eyes are flashed.

hiss!

The next second, seeing the golden inner core in Yue Feng’s hands, everyone gasped.

This... what is this alchemy? Is it golden?

Tian Jing opened his mouth wide and was completely stunned.

Chapter 1482

“This...” At the same time, Yue Chen, who was on the side, was also shocked, staring at the golden inner core in Yue Feng’s hand, and he couldn’t say anything when he was excited: “This... this Is it the golden inner core of the wolf king?”

Immediately, Yue Chen couldn’t hide the shock in his heart, looked around, and said loudly: “Everyone, Your Majesty explained that if someone gets the golden inner core of the wolf king, they can get it. Eight hundred ordinary inner pills.”

What?

This golden inner core can be worth 800 ordinary inner cores? ! Hearing this, everyone present was stunned, and looked at Yue Feng with complex and curious eyes.

The Fengling Wolf King is very powerful. How did he get the Wolf King’s inner core as a cultivator in the Martial Saint Realm?

At this time, Yue Chen reorganized the ranking of the next list, and the great sage announced: “Hu Mingyue, a golden inner pill, plus the previous thirty ordinary inner pills, converted into 830 pills. Ranked fifth! Successfully advanced to the top ten...”

Said, Yue Chen looked at Tian Jing, who was stunned by the side: “Tian Jing, from the tenth place, to the eleventh place, and eliminated...”

Dengdengdeng. ..

When the voice fell, Tian Jing trembled, staggered back a few steps, his face was ashen, as if he had eaten a turtle egg, which was extremely ugly.

This... I could be promoted, and I was eliminated like this?

How could this be? At the same time, Lu Jiechen, who was next to him, also frowned, his face full of gloom.

Mad, forgot about Hu Mingyue, and there is a wolf king’s inner pill.

It’s just like this, but don’t be complacent. If you meet in the next game, I will definitely not be merciful.

Thinking to himself, Lu Jiechen looked at Yue Feng’s eyes, flashing with a strong killing intent.

At this moment, everyone around looked at Yue Feng in a daze, but they still didn't calm down!

This change in the situation is really unpredictable. A boy whose strength is only in the realm of Martial Saint, even in the semi-finals, he successfully advanced and ranked fifth.

If you hadn't seen it with your own eyes, who would have believed it?

call!

Seeing the scene in front of him, Yan Yunfei smiled and at the same time heaved a sigh of relief.

This Lord Hu Mingyue has successfully advanced, and he doesn't have to give up the game. At the same time, Yan Yunfei also raised a trace of admiration for Yue Feng in his heart. As expected of a member of the Nagumo Royal Family, at a critical moment, turning the situation around is truly breathtaking and has to be admired.

Haha... Yue Feng clenched his fists at Yue Chen: "Thank you, sir! Strictly enforce the fairness of the game!" To

be honest, talking to Yue Chen so politely, Yue Feng resisted from the bottom of his heart, but in order to continue the game, Have to put it on.

"You don't need to thank me!" Facing Yue Feng's thanks, Yue Chen looked arrogant and said indifferently: "If you want to thank you, thank your majesty. If it weren't for your majesty's explanation in advance, the wolf king's inner alchemy also counts, and your kid has been eliminated. ..."

This Hu Mingyue is just good luck, but only good luck can't get the first place.

After all, the following games are getting more and more brutal. Yue Chen stopped talking nonsense and waved his hand: "Okay, the top ten on the list have come out. Everyone, go back and have a good rest, I should also go back and report to Your Majesty." After the words

fell, Yue Chen led the Imperial Forest Army and quickly returned. Imperial City.

...

the other side.

Apocalypse Palace.

In the bedroom, Ren Yingying sat in front of the window sill, staring blankly at the night outside, with a hint of sadness on her beautiful face.

Chapter 1483

Since learning that Yue Feng died in the moat, Ren Yingying only felt that her whole world had collapsed.

Although Ren Yingying has been asked to watch civil and military competitions with members of the royal family in the past few days, her mind is not on the competition at all, but misses Yue Feng all the time.

Today is the semi-final of the martial arts competition. Neither Emperor Tianqi nor the civil and military officials could be present to watch the game, and Ren Yingying also had a relaxing day.

But she missed Yue Feng too much, and Ren Yingying hadn't eaten for a day.

"Princess." At this moment, a sexy woman walked into the bedroom quickly, with a valiant appearance and a charming temperament, it was Xing Yao.

Xing Yao held a list in her hand with a smile on her face.

Ugh!

When he got to the front, seeing Ren Yingying, who was widowed, Xing Yao couldn't help sighing secretly, and softly

said to comfort: "Princess, are you still thinking about Yue Feng?" .

Xing Yao didn't know why. Every time he saw Yue Feng, he was angry and always wanted to teach him a good lesson, but when he suddenly learned that Yue Feng had died, he felt inexplicably sad.

Ren Yingying didn't respond, still staring blankly at the night sky.

A few seconds later, Ren Yingying turned around and stared at Xing Yao: "Sister Xing Yao, my father lied to me, Yue Feng is not dead, right? He will not die so easily."

This man, himself I have gone through so many dangers with him.... can turn the corner, how could it be possible to die in the moat?

At this time, Ren Yingying, because he was too sad and missed, paranoidly determined that Yue Feng could not die.

“Princess.” Seeing her like this, Xing Yao was very distressed, took Ren Yingying’s hand and softly comforted: “Don’t do this, Yue Feng is already dead, I specifically asked Linghu Wushang before, he saw Yue Feng with his own eyes. Feng fell into the moat and never came up again... Princess, people can’t come back to life, forget him!”

Saying that, Xing Yao showed a smile and made a very relaxed look: “I compare Wubi today to half. The list of the finals is here, you will find something very interesting when you look at it.” When the

voice fell, Xing Yao handed over the list in his hand.

In Xing Yao’s heart, she also felt very sad about Yue Feng’s death, but people have to look forward, and she didn’t want Ren Yingying to sink like this.

What’s more, there are indeed some outstanding talents in this competition.

“I don’t see it!”

Ren Yingying shook her head without thinking, and pushed the list away directly: “No matter who these contestants are, I don’t want to hear about them!” No matter how

good these contestants are, In my heart, I can never compare to Yue Feng!

Seeing her like this, Xing Yao smiled bitterly, and had to put the list aside and said softly: “In today’s semi-final, there is a person named Hu Mingyue, who only has the martial arts realm, but ranks third, don’t you think it is very strange? Strange...”

Xing Yao kept paying attention to the changes in Ren Yingying’s expression when she said this.

To be honest, Xing Yao and Ren Yingying were sisters in love, and they couldn’t bear to see her go on like this, so they wanted to say something interesting to divert her attention.

Martial Saint Realm...

In the semi-finals, but won the third place?

Hearing this, Ren Yingying frowned and said with disdain, “Cheat.”

Xing Yao laughed, shook his head and said, “How is that possible? It is said that he got the golden inner core of the Fengling Wolf King. By the way, in the previous competition, he won Wudang Ye Wentian with swordsmanship. At that time, I felt that , This Hu Mingyue is not an ordinary person.”

After speaking, Xing Yao looked at Ren Yingying and continued: "Isn't the princess interested in such a person?"

Chapter 1484

"I..." Ren Yingying bit her lip lightly, with a dull look on her face: "This Hu Mingyue, I have no interest at all, sister Xing Yao, let me be alone for a while."

When saying this, Ren Yingying's expression did not fluctuate at all.

His beloved Yue Feng is gone, and no matter how interesting people are, they can't attract Ren Yingying's attention.

"Hey..."

Xing Yao sighed softly and got up slowly: "Okay, then I won't bother, Her Royal Highness, rest early!" Her Royal Highness, the Princess, really loves Yue Feng too deeply.

When the words fell, Xing Yao was very emotional, turned around and left the palace.

Ren Yingying sat there, still staring blankly at the night sky outside.

Yue Feng....

Do you know how much I miss you?

....

the other side!

Yue Feng returned to the inn, had dinner, and rested early.

After passing the Wubi semi-finals, Yue Feng felt extremely comfortable, and slept very sweetly this time.

The next day was the Wenbi semi-final. Early in the morning, Yue Feng rushed to the scene of the competition.

shit.

When he arrived at Jiuyang Temple, Yue Feng was stunned when he saw the scene in front of him.

I saw that the Wen competition field was full of wooden stakes. Each of these wooden stakes was two meters high, and there were as many as ten million densely packed, filling the entire competition field like a huge maze.

Yue Feng saw that these wooden stakes were connected by iron chains, which seemed complicated and messy, but there were traces to follow.

Jiugong Golden Lock Array?

Taking a brief glance, Yue Feng secretly muttered in his heart.

Over the years, Yue Feng had already penetrated the Baiqi Divine Formation, so he could see at a glance that the huge maze made of wooden stakes in front of him was actually a formation.

The Jiugong Golden Lock Formation is a medium formation in the Baiqishen formation, and it is not difficult to break, but for those who do not know anything about formations, as long as you go in, don't even think about coming out.

As expected of the royal family, it actually made such a big battle.

Muttering in his heart, Yue Feng walked over slowly, his expression extremely relaxed.

Entering the entrance, you will see the waiting area. Many Wenbi players have already arrived. Most of them are helpless when they look at the big formation in front of them!

After entering, Yue Feng saw Ye Ziyi standing there in the crowd, also showing her eyebrows in love.

Obviously, just like everyone else, this young lady of the Ye family was also stunned by this nine palace golden lock formation.

In addition, the surrounding stands were full of people. Yesterday, the semi-finals of the martial arts competition were held in the trial grounds, and ordinary people could not watch.

So today's Wenbi semi-finals, the people of the entire imperial city came.

"Do you see anything?" When he got to the front, Yue Feng showed a smile, leaned over, and said softly at Ye Ziyi.

"This..." Ye Ziyi bit her lip, unable to hide her anxiety: "This seems to be a formation, I haven't seen any pattern yet."

When she said this, Ye Ziyi looked at Yue Feng, her eyes With a bit of expectation: "Can you understand it?" In the

previous offensive and defensive battle, this Hu Mingyue could bring himself to turn the tide of the battle, and this time there must be a way. Yue Feng smiled slightly and whispered: "Of course, when you go in, don't rush in, just follow me..."

A nine palace golden lock formation is not a problem at all.

"Okay!"

Ye Ziyi nodded heavily when she heard this, feeling very excited.

"Everyone, be quiet." At this moment, the examiner Yue Chen walked out slowly and shouted.

Chapter 1485 The

voice fell, and the audience was silent.

Yue Chen was very satisfied with the effect, a smile appeared on the corner of his mouth, looked around, and said slowly: "Everyone, congratulations, you have passed the previous Wenbi test, today is the Wenbi semi-final, and you have to consider your formation. Look. Have you arrived at these stakes? This is a nine-gong golden lock formation, and everyone will enter in sequence. Within half an hour, as long as you can get out, you will be promoted! If you can't get out, you will be eliminated!"

Said, Yue Chen carried raised his hand.

The guards who were standing beside the formation suddenly opened the entrance and saw a handsome figure who walked in first.

It is Dugu Jiu! Facing this formation, he seemed fearless.

Whoa!

Seeing this scene, the audience burst into cheers.

"Yes, Master Dugu!"

"Does Master Dugu still know how to form formations? He looks so confident... he's really amazing!"

"Doesn't matter? Master Dugu is a first-class talent, a small formation. What is the law?"

Listening to the praise and cheers of the crowd, Dugu Jiu showed a confident smile on his face.

Yes, Dugu Jiu has studied quite a lot of formations, and this Jiugong Jinsuo formation is also a formation he is more familiar with.

Haha...

This Dugu Jiu is a bit interesting. In the Wenbi competition, it can be regarded as a strong opponent. Seeing the scene in front of him, Yue Feng smiled and said nothing.

“Hu Mingyue!”

At this moment, Ye Ziyi whispered: “It’s almost time for us, can we enter together later?”

Although Yue Feng had already spoken just now, Ye Ziyi was still a little nervous.

After all, this is the semi-final. The formation created by the royal family is definitely not easy.

Yue Feng smiled, gave her a don’t panic, and then whispered: “Wait for you to walk in front, I will follow, don’t worry, I will tell you how to go when the time comes.”

Yue Feng has already thought about it. , In today’s semi-finals, Ye Ziyi also ceded the limelight, making everyone think that they were following Ye Ziyi. Before the finals, you have to keep a low profile.

“Okay!”

Hearing this, Ye Ziyi quietly calmed herself down and nodded.

At this time, the guards in front also just called the names of the two, and Ye Ziyi hurriedly walked in.

Yue Feng made a nervous appearance and quickly followed behind Ye Ziyi.

“Haha, did you see... it’s this Hu Mingyue again. This kid follows Ye Ziyi, and wants to be in the light of others...”

“That’s right, in the previous offensive and defensive battle, this Hu Mingyue was promoted by Young Master Ye. Yes, are you still playing this set today?”

“Wait and see, his luck is coming to an end. After the semi-finals, he will be eliminated soon if he has no real talent.”

At this moment, seeing Yue Feng followed Ye Ziyi and entered the Jiugong Golden Array. The people in the surrounding viewing seats couldn’t help but look contemptuous and laughed.

In their hearts, Ye Ziyi was the only one responsible for Hu Mingyue's success.

in array.

Yue Feng ignored the ridicule around him, followed behind Ye Ziyi, and kept giving instructions in a low voice: "Take two steps forward, turn left, yes... wait for the three forks in front of you, then turn right..."

This nine palace golden lock formation, Yue Feng has long been familiar with it, and he can pass by with his eyes closed.

Under Yue Feng's whispered command, Ye Ziyi did not dare to carry the slightest bit, and walked slowly through the formation, feeling both nervous and excited.

Excitedly, this Hu Mingyue seems to really understand this formation.

And the nervous thing is, can such a large nine palace golden lock formation really be able to come out smoothly within half an hour?

At this time, Ye Ziyi still didn't know that around them, the other contestants had lost their way behind this huge formation, and they were all dizzy and complaining.

Chapter 1486

Time passes minute by minute.

Before I knew it, half an hour had come.

Everyone in the viewing seat, as well as Emperor Apocalypse sitting on the high platform, and members of the royal family, all looked at the exit position of the formation.

Swish!

In the next second, I saw a figure walking out very dashing.

It is Dugu Jiu!

Whoa!

In an instant, there was an uproar in the audience, and many people looked at Dugu Jiu's eyes with admiration.

"As expected of the Dugu son, he is the first to advance!"

"Amazing!"

At this time, Yue Feng, who was still in the formation, showed a smile and whispered to Ye Ziyi: "Okay, let's also Go out, go straight ahead, turn right at the first corner, that's the exit."

When he said this, Yue Feng's face was full of confidence.

In fact, Yue Feng could have gone out with Ye Ziyi long ago, but in order not to make it public, Yue Feng deliberately took Ye Ziyi and detoured the same way in the formation.

It can be said that with Yue Feng's ability, he has long since emerged from the formation, and the first one to come out is simply not Dugu Jiu's turn!

Can you finally go out.... Hearing this, Ye Ziyi was very excited, and according to Yue Feng's instructions, she quickly walked out of the formation.

This chapter is provided by . Visit for daily update.

At this moment, Ye Ziyi only felt that her legs were extremely soft! This Hu Mingyue actually really understands the formation technique!

Who is this Hu Mingyue?

The moment she walked out of the formation, Ye Ziyi couldn't hide the shock in her heart, her eyes were fixed on Yue Feng, and her delicate body was trembling.

On the other hand, Yue Feng had a calm expression on his face.

"Ye Ziyi, Hu Mingyue is promoted!"

At this moment, seeing the two figures coming out of the formation, Yue Chen was stunned, and then subconsciously shouted!

At the same time, Yue Chen looked closely at Yue Feng, his brows furrowed.

This Hu Mingyue is also very lucky. Yesterday, the semi-final was incomparable, which was beyond everyone's expectations. He took out a wolf king's golden inner alchemy

and got the fifth place. Today's Wenbi semi-final went well again. I got promoted. This kid is not well known, but luck is not bad.

Swish!

At this moment, Ren Yingying, who was sitting next to Emperor Tianqi, also frowned, and her eyes fell on Yue Feng.

Is this that Hu Mingyue?

Martial Saint Realm passed the Wubi semi-finals, and today's Wenbi semi-finals also successfully advanced.

Last night, when Xing Yao mentioned Hu Mingyue, although Ren Yingying did not show any interest, she still remembered it in her heart. this person. Therefore, when he heard Hu Mingyue at this time, his attention was immediately attracted to the past.

Yingying...

Sensing Ren Yingying's gaze, Yue Feng was shocked, surprised and delighted.

Did Yingying recognize herself?

She can recognize it, can Emperor Tianqi and Yue Chen also recognize it?

Aw...

Just when Yue Feng was secretly uneasy, the surrounding audience booed. All eyes looked at Yue Feng with deep ridicule.

"Relying on Young Master Ye to advance, what kind of skill is it!"

"That's right, this Hu Mingyue is just a little smart..."

"He can get out of the formation without following behind Ye Ziyi?"

Until now, everyone still believed that Yue Feng was dipped in Ye Ziyi's light, but they did not know that Ye Ziyi was able to get out of the formation smoothly because of Yue Feng. wind direction.

Chapter 1487

"This..."

At this time, Empress Apocalypse, who was sitting on the side, with a beautiful face full of doubts, couldn't help saying: "This Hu Mingyue, who has been following Ye Ziyi, is obviously cheating. "

Empress Apocalypse, she is beautiful and beautiful, and she is also the mother of the world. She has always been very principled, and when she saw Yue Feng and Ye Ziyi come out together, she was immediately dissatisfied.

After all, this incomparable recruitment meeting is not only related to the face of the royal family, but also to the happiness of her daughter's life. We will never tolerate anyone taking advantage of loopholes and playing tricks.

"Your Majesty..."

Seeing that the Empress was also a little dissatisfied, Yue Chen didn't have time to think about it, and quickly said respectfully to Emperor Tianqi: "This Hu Mingyue can only follow Ye Ziyi to get out of the formation, does this count as... cheating? "

Huh!"

As soon as these words came out, the surroundings were silent, and all eyes were focused on Emperor Tianqi.

The atmosphere was also a little dull. In the current situation, as long as Emperor Tianqi said a word, he could deprive Yue Feng of his right to continue the game.

Shit...

At this time, Yue Feng was also a little nervous.

This old emperor, won't he really convict himself of cheating?

However!

Emperor Tianqi didn't speak, and kept silent.

This Hu Mingyue is indeed suspected of cheating, but...

"Your Majesty!"

Seeing this scene, Ye Ziyi was a little anxious, and quickly took a step forward and bowed to Emperor Tianqi: "Hu Mingyue and I just happened to leave. If we follow the same route, we can only say that our two methods of cracking the formation are the same, so how can it be considered cheating? Please also ask Your Majesty to learn from it."

When she said this, Ye Ziyi was very nervous, fearing that Yue Feng would be disqualified from the competition. After all, it was entirely up to him to help him secretly to advance to the semifinals today. And yourself, is the one who gets the light.

At this moment, Yue Feng tilted his head to look at Ye Ziyi, and a warm current rose in his heart.

Because he never thought that at a critical moment, Ye Ziyi would speak for him. You must know that she and she were just grabbing each other's handle, and they weren't even friends.

call!

At this time, Emperor Tianqi breathed a sigh of relief, raised his hand, glanced at Yue Feng, and said lightly: "Hu Mingyue has successfully advanced, and you can continue the game!"

Even if this Hu Mingyue is suspected of cheating, there is not enough evidence.

Moreover, Hu Mingyue defeated Wudang Ye Wentian with swordsmanship in the martial arts competition before.

The Emperor Tianqi at this time, like everyone around him, has yet to see that the real identity of Hu Mingyue in front of him is Yue Feng, the sect master of Tianmen.

call!

When the words fell, Yue Feng and Ye Ziyi breathed a sigh of relief. Yue Feng made a very grateful look, and bowed to Emperor Tianqi: "Thank you, Your Majesty."

Nima, although Emperor Tianqi is hateful.

But in some things, there are still principles.

The emperor has spoken, although the queen next to him is still a little dissatisfied, but it is not good to say anything!

"Princess!" At this moment, Xing Yao came over and whispered to Ren Yingying: "Look, this Hu Mingyue has some skills, and this Wenbi semifinal has advanced again."

Saying this At that time, Xing Yao's eyes were fixed on Yue Feng, very curious.

A cultivator in the martial arts realm can pass the semi-finals in the civil and martial arts competitions.

This is not something ordinary people can do.

“Just luck!” Ren Yingying responded lightly.

However, after saying that, Ren Yingying couldn't help but look at Yue Feng.

Is this person really powerful? Or just pure luck?

Chapter 1488 is

very fast, half an hour is up, there are very few people who have successfully emerged from the formation, and only eight people have been successfully promoted in the end.

At the end of the game, Yue Feng did not stop and left the field quickly.

Today is really dangerous, and I was almost eliminated by cheating.

“Hey! Hu Mingyue!”

A shout came from behind as soon as he left the arena.

Yue Feng turned his head to look, and saw Ye Ziyi trot chasing after him, her beautiful face was red and charming.

“What's wrong?” Yue Feng asked with a smile, feeling very relaxed.

Wenbi also passed the semi-finals, I was refreshed.

“I...”

Ye Ziyi was very embarrassed when she got to the front, bit her lip and hesitated, then said softly, “Thank you today, thank you.”

Ye Ziyi said this with sincerity on her face. The words of thanks come from the heart.

As the eldest lady of Famous Sword Villa, Ye Ziyi has an arrogant personality and seldom accepts help from others, but today is an exception.

Without this Hu Mingyue, he would have been trapped in the formation and finally eliminated.

Haha...

just because of this.

Yue Feng smiled and waved his hand indifferently: “It's a small matter!”

After saying that, Yue Feng turned around and was about to leave.

“Hey, wait!” Ye Ziyi shouted quickly.

Yue Feng smiled bitterly and turned to look at her: “Is there anything else?”

This Ye Ziyi, what do you want to do today?

Ye Ziyi’s face was a little red, but her eyes were serious: “Hu Mingyue, are we friends now?” To

be honest, Ye Ziyi looked down on Yue Feng at first, thinking that he was relying on luck to compete in the game up to now.

But today, Yue Feng’s performance directly overturned Ye Ziyi’s opinion.

“Yes!” Yue Feng nodded without thinking.

“Then...”

Ye Ziyi lowered her head and said softly, “Since I’m a friend, can you teach me the formation?”

Ye Ziyi is very eager to learn. She was almost eliminated in today’s semi-final, and her heart suddenly started to learn. array of ideas.

And Hu Mingyue in front of him is an ideal master.

What the hell!

This woman wants to learn formation from me?

Yue Feng was stunned for a moment, and then smiled bitterly: “This... is also possible, but not right now! There are still competitions in the next two days, so I don’t have time to teach you.”

Yingying was still waiting for her to take her out. As for the palace, how can there be time to accept apprentices?

“It’s okay in the future!” Ye Ziyi thought for a while, then said with a smile, “I’ll find you when you have time.”

Ye Ziyi said with anticipation in her eyes: “So, you have to tell me yours. True identity, I will find you to apprentice in the future.” What the

hell!

This is determined to be a teacher.

Yue Feng was stunned for a moment, and showed a smile: "Forget it, after this competition is over, I will find you when I have time. At that time, I will tell you my true identity!"

Although she knew that Ye Ziyi would not reveal her true identity, for the sake of safety, let's continue to hide it.

"Then... okay!" Seeing that Yue Feng still didn't say who she was, Ye Ziyi was very disappointed, but she agreed.

Immediately, Ye Ziyi thought of something, took out something from her body and put it in Yue Feng's hand: "This is my personal token, you will come to Mingjian Villa in the future, show this, and someone will take you to see me directly, Don't lose it!"

This is a jade sword pendant, carved into the shape of a sword from top-quality jade, with exquisite workmanship.

This jade sword pendant is Ye Ziyi's personal item, and it is also the status symbol of the eldest lady of Mingjian Villa.

Chapter 1489

At this time, Ye Ziyi gave this pendant to Yue Feng, obviously, in his heart he regarded him as a true friend.

"Okay!"

Yue Feng took it in his hand and admired it, then put it away.

Afterwards, the two chatted for a while and then said goodbye to each other.

Back at the inn, Yue Feng was indescribably happy and excited. In the Wubi semi-finals, and the Wenbi semi-finals, I successfully advanced.

After a good night's rest, Yue Feng was full of energy. When he woke up the next day, Yue Feng was full of energy. When I arrived at the martial arts arena the next day, I saw on the sign at the door that the groups had been divided.

The ten people who advanced to the semi-finals were divided into five groups to compete. Those who won were promoted, and those who lost were eliminated. This time, the matchup was no longer about looking for inner alchemy, but about real strength.

Yan Yunfei?

When he got to the front, Yue Feng was stunned when he saw the lives of his own group, and then he smiled bitterly.

This Yan Yunfei had helped him a lot in the semifinals before, and it was really hard to fight against him.

Muttering in his heart, Yue Feng entered the arena.

After a while, after Emperor Tianqi and members of the royal family arrived, the game began.

In the first round of the competition, Lu Jiechen and another contestant appeared.

Undoubtedly, within five minutes after the game started, Lu Jiechen defeated his opponent, won the victory, and won the cheers of the audience.

“The next match, Yan Yunfei, against Hu Mingyue.”

After two matches, Yue Chen came out and read out the name list for the next match.

Swish!

The voice fell, and the eyes of the audience all converged on Yue Feng.

Of course, none of the people’s eyes showed admiration, but sympathy and disdain.

“Hu Mingyue, isn’t this the guy who has always been in the litany of the Wenbi competition?”

“Who is he? This boy is very lucky, the semifinals of the Wenwu double competition have been successfully advanced, but today’s strength In the duel, he will lose!”

“Does it need to be said? Yan Yunfei’s strength has always been in the top three, the strength of the third rank of Martial Emperor. Hu Mingyue is no match for Martial Sage, so he doesn’t have to fight.

” No one was optimistic about Yue Feng.

Moreover, there are still people shouting loudly at Yue Feng.

“Hey, Hu Mingyue, I think you don’t fight anymore, just admit defeat!”

“That is, be careful that Yan Yunfei accidentally kills you.”

“Haha...”

Hearing the voices of everyone, Yue Without the slightest fluctuation on Feng's face, he slowly walked towards the ring.

On the other side, Yan Yunfei also had a complicated face and walked up.

"Your Majesty!" At this time, on the high platform, Yue Chen smiled and said to Emperor Tianqi, "You said that Hu Mingyue would simply surrender and give up the game?"

No matter how lucky Hu Mingyue was before, there is none today win possible.

After all, the disparity between the strengths of the two sides is too great, and this Hu Mingyue has no chance of winning.

"This Hu Mingyue seems to have to give up the game." Emperor Tianqi said lightly with a dull look on his face.

How could a Martial Saint realm be an opponent of a Martial Emperor.

There is nothing to look forward to in this kind of competition!

"Alas!"

Seeing this scene, Xing Yao shook her head secretly and whispered to Ren Yingying: "This one, I'm afraid this Hu Mingyue is going to lose, he is no Martial Sage, and Yan Yunfei is Martial Emperor.

"Days, Xing Yao has been paying attention to Hu Mingyue, it is a pity to see that he is going to lose at this time.

Ren Yingying's face did not fluctuate in the slightest, and she said lightly: "It's his business that he loses, sister Xing Yao, don't mention this Hu Mingyue to me, okay?"

She knew that Xing Yao did this because she wanted to I forgot about Yue Feng.

However, in his heart, Yue Feng cannot be replaced by anyone. As for the Hu Mingyue in front of him, compared with Yue Feng, he is one heaven and one underground.

"Okay... don't mention it!" Xing Yao pursed her lips and nodded, but her eyes were still fixed on Yue Feng in the field. There was a hint of admiration in his eyes. This Hu Mingyue is really interesting. By luck all the way, they have been promoted.

Chapter 1490

"Yue Chen, let them start the game quickly." At this time, the queen sitting on the side said lightly.

When saying this, the queen glanced at Yue Feng, then shook her head. This Hu Mingyue, only the Martial Saint Realm entered the top ten, is simply a joke.

“Yes, the Queen Mother!”

Seeing the Queen’s opening, Yue Chen stopped talking nonsense, and quickly said to the two on the stage: “Hu Mingyue, Yan Yunfei, you can start.” The

voice fell, and Yan Yunfei directed at Emperor Tianqi . He folded his fists and said loudly, “Your Majesty, I will admit defeat in this match!”

When he said this, Yan Yunfei had a firm expression on his face. Yes, Yan Yunfei was very unwilling, but there was nothing he could do.

This Hu Mingyue is a member of the Nanyun Royal Family, and his sect still relies on the Nanyun Royal Family, how can he win against him?

Moreover, to be able to enter the finals, I should be satisfied.

Whoa!

In an instant, there was an uproar in the audience.

What...

this... this Yan Yunfei, actually gave up the game?

Shouldn’t it be Hu Mingyue who conceded defeat?

For a time, everyone who was still mocking Yue Feng opened their mouths wide, staring at Yan Yunfei in stunned silence, completely dumbfounded.

Even Emperor Tianqi and Yue Chen were stunned there, speechless for a long time.

“This...” The

queen’s delicate body was shocked, and her delicate face was full of doubts: “Why did you just admit defeat? In this game, Yan Yunfei won no matter how he fought!”

This scene was really unexpected. This Hu Mingyue has successfully advanced again!

At this time, Ren Yingying, who was sitting on the side, couldn’t help but look at Yue Feng, frowning slightly, unable to hide the shock in her heart.

How could this Hu Mingyue be able to make Yan Yunfei retire?

At this time, Ren Yingying didn't realize that this Hu Mingyue was exactly the Yue Feng she was thinking about!

"Yan Yunfei!"

At this moment, Yue Chen looked puzzled and looked at Yan Yunfei closely: "Are you sure you want to give up the game? As long as you win this game, you will successfully enter the top five!"

"The top five, even if you don't get the final first place, can still get very rich rewards.

If it was someone else, it would be impossible to give up no matter what.

And Yan Yunfei, who was in front of him, had to admit defeat, and his opponent could win with one hand. It's really incomprehensible.

"Yes." Yan Yunfei nodded firmly without thinking about it.

Saying that, Yan Yunfei clenched his fists towards Yue Feng, and said with a smile, "I'm going down, I wish you good luck!" He wanted to address him as an adult, but he held back when he thought of so many people around him watching.

When the words fell, Yan Yunfei turned around and walked off the ring.

Although he conceded defeat, his attitude was high and admirable.

call!

Looking at Yan Yunfei's back, Yue Feng took a deep breath, feeling indescribably complicated and moved. To be honest, Yue Feng did not expect that Yan Yunfei would take the initiative to admit defeat.

But in any case, his identity was successfully concealed from the past. After all, Yan Yunfei was in the realm of the Martial Emperor, and if he really wanted to fight, he would be easily exposed.

"This time, Hu Mingyue wins!"

At this time, Yue Chen looked at Hu Mingyue in a complicated way, and loudly announced the result of the competition: "Hu Mingyue, successfully advanced to the top five!"

Yue Feng didn't speak, he clasped his fists at Emperor Tianqi on the high platform, turned and walked off the ring.

At this moment, no one was cheering around, and everyone's eyes were the same as Yue Chen's.

This kid is just a cultivator of the Martial Saint Realm, and Wubi is even in the top five. Who would have believed it if he hadn't seen it with his own eyes.
