

The ultimate husband in Chinese chapter 1491-1500

Chapter 1491

“This...”

Xing Yao’s delicate body trembled slightly, her eyes fixed on Yue Feng, and she was extremely shocked: “This... This Hu Mingyue is lucky, isn’t it?”

” A game, no matter who said it, it was Yan Yunfei’s victory.

But who would have thought that this Yan Yunfei would give up and voluntarily admit defeat?

Ren Yingying’s eyes flickered slightly, and she glanced at Yue Feng who was on the stage: “What’s the matter? Obviously, this Yan Yunfei and Hu Mingyue know each other, and their relationship is not ordinary. Yan Yunfei wants to help Hu Mingyue enter the top five!” Said At these times, Ren Yingying’s tone was a little helpless.

In the arena, only by showing great strength can we win the respect of others, and this Hu Mingyue, to use this method to win, is really contemptible.

Thinking to herself, Ren Yingying looked away from Yue Feng. Even if someone like Hu Mingyue is extremely smart, he doesn’t bother to take a second look.

call!

At the same time, looking at Yue Feng’s back, slowly walking down the ring, Emperor Tianqi also frowned secretly.

This Hu Mingyue, in the previous competition, defeated Wudang Ye Wentian with swordsmanship!

In the semi-finals of Wenbi, together with Ye Ziyi, they successfully passed the formation.

And today, Yan Yunfei, whose strength was several levels higher than him, voluntarily conceded defeat...

All of this is enough to show that this Hu Mingyue is extraordinary.

“Yue Aiqing!”

Thinking to himself, Emperor Tianqi waved at Yue Chen: “Which sect does this Yan Yunfei belong to?”

This chapter is provided by . Visit for daily update.

“Report to Your Majesty!” Yue Chen hurriedly nodded and bowed in response: “Yan Yunfei, Shenghai Pavilion from Nanyun Continent, this person has given up the game, why is His Majesty interested in him?”

Emperor Tianqi did not answer, but slightly With a smile, he continued to ask: “Where is Hu Mingyue?”

“He...”

Yue Chen pondered for a while, and responded carefully: “When this person signed up, he came from Dongao Continent, what sect, didn’t say!”

That’s weird!

Emperor Tianqi frowned, pondered for a moment, and ordered: “Yan Yunfei voluntarily conceded defeat in the confrontation just now, and he must have a close relationship with Hu Mingyue... Go and check the origin of this Hu Mingyue.” With

that, Emperor Tianqi said. After thinking for a while, he continued: “Hu Mingyue hides the identity of the sect, it must be difficult to check, you can start with this Yan Yunfei.”

“Yes, Your Majesty!”

Yue Chen is not a fool, he immediately understood something, hurry up Greet the guards next to him and go to investigate Yan Yunfei secretly.

.....

the other side!

Yue Feng left the arena and returned to the inn.

As soon as I arrived at the inn, I saw Yan Yunfei sitting in the lobby on the first floor.

“Sir!” Seeing Yue Feng, Yan Yunfei quickly stood up to say hello.

“Today! Thank you!” Yue Feng said with a smile, with a sincere expression on his face.

To be honest, if it wasn’t for Yan Yunfei’s abstention, he would have to show his strength. At that time, it would be easy to be suspected by Emperor Tianqi.

Yan Yunfei looked free and easy, smiled and waved his hand: “Your Excellency is polite, it is my honor to help you advance smoothly!”

Saying that, Yan Yunfei looked around to make sure that no one was eavesdropping, and lowered his voice: "Sir, I can't continue the game, I should return to the Southern Cloud Continent, but before I leave, I have an unkind request. "

"Please say it!" Yue Feng laughed.

Yan Yunfei became serious and asked cautiously, "I don't know yet, what is the status of your lord in the Nanyun royal family?"

When he asked these questions, Yan Yunfei felt a little uneasy. After all, it is very impolite to ask the other party's identity so directly.

However, Yan Yunfei wanted to clear his confusion before leaving.

Chapter 1492

"This..."

Seeing Yan Yunfei's look of anticipation, Yue Feng pondered and said in a low voice, "Actually... I am the consort of the eldest princess." To

be honest, Yue Feng didn't want to He told Yan Yunfei the truth, but everyone gave up the game for himself. For such a great affection, he thought it was a reward. If he concealed his identity again, he would not be able to justify it.

More importantly, Yue Feng could feel that Yan Yunfei was a very loyal and principled person and would not reveal his secrets.

hiss!

Hearing this, Yan Yunfei was stunned for a moment, and then he took a deep breath!

The next second, Yan Yunfei's body trembled, and he was about to salute!

Before the Queen of Nayun, who announced that she was consecrating the consort of the eldest princess, who does not know about the entire Nayun Continent!

The eldest princess Long Qianyu's status in the Southern Cloud Continent is second only to the Queen of Southern Clouds, one person is below ten thousand people, and her consort, her status is even more respected!

Yue Feng was quick-witted and stopped Yan Yunfei in time: "Don't salute, there is a reason for me to hide my identity, understand?" "Understood

, understand!"

Yan Yunfei nodded again and again and complimented: "Don't worry, ma'am, I won't tell the second person."

At this time, Yan Yunfei was indescribably excited. Haha... It turns out that the one who helped me was the concubine. With this relationship, in the future, the status of Shenghai Pavilion in the rivers and lakes of Nanyun Continent will not have to be improved?

After a few chats, Yan Yunfei said goodbye to Yue Feng and left happily.

After leaving the inn, Yan Yunfei was about to return to where he lived, pack up his luggage, and return to the Southern Cloud Continent.

However, Yan Yunfei didn't notice that he was secretly targeted by several imperial soldiers.

These imperial soldiers were sent by Yue Chen.

.....

On the other hand, Yue Feng rested in the inn for a while, and went to the Wenbi scene early!

Wubi, he has already entered the top five, Wenbi in the afternoon, if he is in the top four, he will be able to successfully participate in the finals tomorrow. When entering the arena, Yue Feng was full of confidence!

Haha....

When the game was about to start, Yue Feng immediately laughed when he saw what the guards brought up.

As you can see, there are several tables on the playing field, and there are eight exquisite wooden utensils on the table.

It is the Luban lock!

Luban lock is the continent of the earth, the ancient generation of master craftsmen, Luban's most famous work, seemingly simple, but intricate and complex, do not understand the tricks, never try to unlock it for the rest of your life.

Even if you understand it, it will take some time.

Today's game is to unlock the Luban lock?

At this moment, Yue Feng was relaxed. You must know that when Yue Feng was a child, he liked to play with some toys with organs, and Luban lock was one of them.

At this time, there was also a lot of discussion around.

“What is this?”

“Is it a wooden mechanism?”

“It looks very simple, but there seems to be another mystery in it...”

Everyone watching the game frowned and whispered. Although the nine continents have been communicating with each other for a long time, some ancient things have not been fully popularized. Just like this Luban lock, there are very few people who really understand it.

At this moment, Yue Chen came out and explained the rules.

Today’s game is very simple, eight people, two teams, the game unlocks the Luban lock, the fast people advance, and the slow ones are eliminated.

After the rules are said, the grouping begins.

What the hell!

After being divided into groups, Yue Feng was still very relaxed, but he was stunned.

The one with him turned out to be Ye Ziyi.

This...

At this time, Ye Ziyi also trembled, and her heart was bitter.

How did you get into a group with Hu Mingyue?

Chapter 1493

If it was before, Ye Ziyi wouldn’t be so depressed, but after these two days of contact, she knew that Hu Mingyue was hiding.

Therefore, seeing that she and Hu Mingyue were in a group, Ye Ziyi felt the pressure was like a mountain, making her breathless.

soon. The game is on!

Yue Feng and Ye Ziyi walked to the table, looked at each other, and smiled bitterly at each other.

“Looks like I’m going to lose this game!” Ye Ziyi smiled and said in a low voice.

When saying this, Ye Ziyi suddenly felt free and easy. To be honest, Ye Ziyi didn’t even think about winning the first place when he came to the Wenbi recruiting conference this time.

After all, his purpose is to come and see the talents of the nine continents, and by the way, prove his talents.

More importantly, since he is a daughter, how can he be the princess’ consort?

Yue Feng gave her a comforting expression, smiled and said nothing.

If it were normal, Yue Feng might deliberately let Ye Ziyi go.

But no way.

In order to take Ren Yingying away, Yue Feng is determined to win this competition.

Whoa!

The game in the field was very calm. The eight contestants were all focused on the Luban lock in their hands, and they were all over the place, racing against time.

The people around watching the battle were enthusiastic and exclaimed from time to time.

“Young Master Dugu is so fast!”

“This quick thinking and dexterous technique really make people feel inferior!”

Under the discussion, the eyes of many people converged on the group of Yue Feng and Ye Ziyi.

“Haha... This Hu Mingyue is in a group with Ye Ziyi...”

“It is said that this Hu Mingyue is Ye Ziyi’s sidekick...”

“Really? No wonder Ye Ziyi took care of him so much before, but... If you say that, Hu Mingyue is going to be eliminated today, how can the minions win the master, right...”

Yue Feng didn't pay attention to the discussions of the people around him, and he carefully loosened the Luban lock, not too fast. Slow, and Ye Ziyi was in a hurry.

She was right, in this game, she really was going to lose.

Because of the Luban lock, Ye Ziyi had only heard of it, but had never seen it before. It was the first time to unlock such a delicate thing today, so she was naturally in a hurry.

Whoa!

After a while, Yue Feng completely unlocked the Luban lock, smiled slightly, and put the Luban lock on the table.

What?

Seeing this scene, the audience was in an uproar.

This... Hu Mingyue actually beat Ye Ziyi?

Isn't he Ye Ziyi's sidekick?

On the high platform, Xing Yao couldn't hide his excitement and muttered to himself: "This Hu Mingyue is really interesting, every game is not the best, but they can be promoted smoothly, and now they are in the top four of Wenbi. It's ..."

Phew!

Hearing this, Ren Yingying breathed a sigh of relief, her expression not fluctuating at all.

This Hu Mingyue, at first glance, has played Luban lock before, and it is normal to be able to unlock it so easily. In a word, to win this game, it can only be said that he is lucky, and it has nothing to do with talent.

"This Hu Mingyue actually won again."

At this time, the queen on the side also frowned, and her beautiful face was slightly moved.

In the heart of the queen, Hu Mingyue did not look down on Hu Mingyue at all. Ordinary in appearance and average in literary talent, she is not worthy of her own daughter at all. It is a miracle that he has successfully advanced to the present.

Emperor Tianqi didn't say a word, but his eyes were also looking at Yue Feng in a trance.

This Hu Mingyue is a bit interesting.

Thinking to himself, Emperor Tianqi asked Yue Chen, "Yue Aiqing, how did the investigation go when I explained to you in the morning?" During the

morning martial arts competition, Yan Yunfei voluntarily abstained and gave the promotion right to Hu Mingyue. At that time, Emperor Tianqi suspected that there was a problem with Hu Mingyue's identity.

At this time, seeing that he has entered the top four of the Wenbi, I became more and more curious about his identity.

Chapter 1494

"Avoid, this Hu Mingyue's identity is still being investigated, soon, very soon!" Yue Chen wiped the sweat from his forehead and responded quickly.

At this moment.

in the arena.

"Hu Mingyue, you must win to the end, I will cheer you on." Ye Ziyi smiled at Yue Feng, and after speaking, she turned and walked off the field.

Yue Feng did not speak, but nodded with a smile.

Whoa!

Seeing this scene, many people around were in an uproar again, and everyone was blinded.

what's the situation?

Ye Ziyi actually cheered Hu Mingyue on?

Are they not a master-servant relationship?

In the crowd, Jiang Qing's face was extremely ugly.

Yes, after being eliminated, Jiang Qing did not leave, but kept watching the game on the spot. He had to watch Hu Mingyue being eliminated with his own eyes.

As a result, Hu Mingyue not only did not get eliminated, but also successfully entered the final top four.

"Young Master Ye!" At this time, seeing Ye Ziyi walking out of the arena, Jiang Qing and many people gathered around and couldn't help asking

, “Isn’t this Hu Mingyue your sidekick? Why did you let him?”

At that time, Jiang Qing was puzzled.

The others beside him also responded.

“Yeah, why are you cheering for him?”

“Even if the relationship is good, the servant is the servant after all. How can you win the master?”

The people’s inquiries kept coming, Ye Ziyi smiled and didn’t rush.

The next second, Ye Ziyi looked around and said indifferently, “Who told you that Hu Mingyue is my sidekick?”

This...

Hearing this, everyone around was stunned.

Ye Ziyi continued: “Hu Mingyue and I are friends, not a master-servant relationship, and I admire him very much, so don’t make random guesses!”

When saying this, Ye Ziyi looked back at the scene. Yue Feng’s eyes flashed with a strange brilliance, full of reverence.

What?

Not master and servant? are friends?

Moreover, Ye Ziyi still admires Hu Mingyue very much?

Ye Ziyi is the young master of Famous Sword Villa. Who is the person who can be admired by him?

At this moment, Jiang Qing and the others looked at Yue Feng subconsciously, their minds blank and completely dumbfounded.

.....

Night is coming!

In a tavern on the outskirts of the imperial city, several people gathered around the wine table, drinking vigorously.

The one sitting in the middle, tall and imposing, was Yan Yunfei.

The few around, all wearing bright armor, were soldiers of the Royal Forest Army, and the one at the head, with a shrewd face, was the leader of the Royal Forest Army, Du Yinghai.

“Brother Yan, come here, have another drink!”

At this moment, Du Yinghai raised the glass at Yan Yunfei, very respectful and polite: “To be honest, Brother Yan and I really hit it off, you want to return to the Southern Cloud Continent, I’m really reluctant.”

When he said this, Du Yinghai rolled his eyes, revealing a faint smile.

Yes, Du Yinghai was ordered by Yue Chen to come to investigate the relationship between Yan Yunfei and Hu Mingyue.

Of course, the main purpose is to find out Hu Mingyue’s true identity.

Speaking of which, Du Yinghai and Yan Yunfei didn’t know each other very well at first, but knowing that Yan Yunfei was broad-minded and liked to make friends from all over the world, he came to see him off in the name of admiration!

Yan Yunfei didn’t know Du Yinghai’s purpose, thinking that the other party was really making friends with him, and in the face of Du Yinghai’s hospitality, he agreed to sit down and have a few drinks.

Chapter 1495

“Come, drink!”

At this moment, Yan Yunfei and Du Yinghai had a cup of tea without thinking.

Three rounds of wine!

Seeing that Yan Yunfei was almost drinking, Du Yinghai leaned over and made a very casual look: “Brother Yan, I really don’t understand, with your strength, it’s no problem to take the top two in the end, why face that Hu Mingyue? , do you want to abstain?”

“Haha...” Yan Yunfei smiled, shook his head and said, “It won’t work if you don’t abstain, then Hu Mingyue is a big man.”

Big man? Hearing this ,

Du Yinghai suddenly regained his energy and asked: “Where is the big man? Can Brother Yan help me solve my doubts?”

It was indescribably exciting.

Haha...

The identity of Hu Mingyue is about to be revealed. After such a big game, I finally have some eyebrows and can communicate with Lord Yue.

"This..."

Although Yan Yunfei was drunk, he still kept a hint of sobriety, shook his head and smiled, "I can't say it, I can't say it..."

Is it!

It seems that drinking is not enough.

Du Yinghai scolded secretly, then squeezed out a smile, and continued to persuade him to drink: "Okay, since I can't say it, I won't ask more brothers, let's continue drinking, we won't go home tonight if we don't get drunk!"

"Okay!"

" People clink glasses again!"

At this moment, when he raised his head to drink, the corner of Du Yinghai's mouth evoked a hint of insidiousness.

As the captain of the Imperial Forest Army, if you haven't seen any kind of person, you won't believe it. You can't find out Hu Mingyue's true identity from your mouth.

.....the

next day!

Tianqi Imperial City, Jiuyang Temple.

The weather was good today, the sun was shining brightly, and the field was even more crowded.

After several days of screening competitions, today is the final finals. Early in the morning, the people watching the competition and people from all walks of life came early.

The Apocalypse Royal Family is going to choose a consort for the princess, and it's the final final. This is a grand event that hasn't happened in thousands of years in the Apocalypse Continent.

Especially this final final, it must be very exciting, no one wants to miss it.

In a short while, the top five contestants in the martial arts competition have already arrived, and the final competition will begin immediately.

Of the five contestants, Lu Jiechen was still the loudest, and as soon as he came on stage, the crowd cheered!

“Lord Lu...”

“Lord Lu is mighty...” In the

crowd, Yue Wuya’s face flushed red, and he was indescribably excited.

Among the last five people, Master is the most powerful. As long as he wins the first place, he will have the opportunity to marry his aunt back to the Ming Sect. Can you be unhappy?

But Yue Feng, who was standing beside Lu Jiechen, was no one cared, and no one even wanted to take a second look.

This Hu Mingyue, all the way through luck.

Today’s final will definitely be the first to be eliminated.

“Everyone!”

At this time, Emperor Tianqi slowly stood up from the dragon seat, glanced at the audience, and finally landed on the five Lu Jiechen, smiled and said: “Congratulations to the five, entering the final final, today’s game , I hope you can show your strength, I wish you good luck!” The

voice was not loud, but it was full of majesty, and everyone in the entire Jiuyang Temple could hear it clearly!

“Thank you Your Majesty for Ji Yan!” At this time, Lu Jiechen, Yue Feng and others responded in unison.

Emperor Tianqi nodded, stopped talking nonsense, and waved his hand: “Okay, the game can start!” After the

voice fell, Emperor Tianqi sat back on the dragon chair, very happy.

Wubi selected the last five. Except for Hu Mingyue, the other four were very satisfied.

The ultimate husband in Chinese chapter 1496-1500

Chapter 1496

Emperor Apocalypse looked at these contestants and nodded with satisfaction. These contestants are all dragons and phoenixes! Especially this Lu Jiechen, who is stable, strong, and powerful. If he becomes the concubine, he can rest assured.

"The game begins!"

At this moment, Yue Chen came out, looked around the audience, and said loudly: "In the first round, Lu Jiechen vs. Zhang Xiangsheng!" The

voice fell, and Lu Jiechen and Zhang Xiangsheng slowly walked onto the ring. .

Swish!

In an instant, the eyes of everyone in the audience were focused on the two of them.

Zhang Xiangsheng is from the Tianquan Sect of the Xi Cang Continent. He is a fourth-rank martial emperor. In the previous martial arts competition, he has always been in the top five, and his strength should not be underestimated.

Lu Jiechen looked relaxed and smiled at Zhang Xiangsheng: "Not much nonsense, let's do it, I can let you do a trick!"

What?

Lu Jiechen wants Zhang Xiangsheng to make a move?

How confident are you at this time to be able to say such big things?

Hearing this, there was an uproar around.

Zhang Xiangsheng's face flushed red, feeling greatly humiliated, and he shouted angrily, "Lu Jiechen, it's still unknown who will win this game! I don't need you to let me go!"

Buzz!

The voice fell, and a powerful breath burst out from Zhang Xiangsheng's body, and then, his whole person flashed lightning quickly, threw a punch, and hit Lu Jiechen directly.

This chapter is provided by . Visit for daily update.

With this punch, Zhang Xiangsheng exploded ten layers of internal force, and when he saw where the figure passed, the air was distorted!

However!

Lu Jiechen was not in a hurry, with a hint of contempt at the corner of his mouth. He didn't mean to avoid him at all. Instead, he threw a punch lightly and greeted Zhang Xiangsheng!

"Bang!" The

two of them collided with their fists and made a dull vibration. They saw Zhang Xiangsheng's face pale, and he was directly sent flying away, flying dozens of meters away, and finally landed under the ring.

What?

Seeing this scene, everyone was stunned, their eyes focused on Lu Jiechen, full of shock and admiration!

One move.... actually defeated Zhang Xiangsheng in one move.

As expected of the deputy leader of Mingjiao, this strength is... too strong!

"In the first round, Lu Jiechen won!" At this moment, Yue Chen strode out and announced loudly with excitement.

Lu Jiechen smiled slightly, clasped his fists at Emperor Tianqi, then turned around and walked down the ring slowly, his expression very arrogant.

"Master Lu is mighty!"

"Awesome!"

At this moment, the people around kept shouting the name of Lu Jiechen, cheering endlessly!

Nima! This Lu Jiechen's strength is so much stronger than before?

Seeing this, Yue Feng frowned secretly.

“The next game, Hu Mingyue vs. Wu Cang!” Just as Yue Feng was muttering secretly, Yue Chen’s voice came from the field.

What the hell!

It’s time to be yourself. Yue Feng’s spirit was shocked, and he quickly stepped onto the ring.

boom!

At this moment, as soon as Yue Feng entered the ring, there was laughter around him.

“Haha, it’s this Hu Mingyue again!”

“Yesterday’s duel, this kid had shit luck and Yan Yunfei gave up, so he can advance. What will he do today?”

In the hearts of everyone, they always thought that Yue Feng It’s good luck to keep it up until now.

However, today is the finals, no matter how lucky he is, there is no chance of winning.

After all, this Hu Mingyue is only the realm of Martial Saint.

Chapter 1497

“Why is this Hu Mingyue again!” At this time, the queen sitting on the high platform couldn’t hide her impatience: “His game has no meaning at all.”

This Hu Mingyue was all luck before . Well, there is no real talent at all. At the same time, Xing Yao next to him could n’t

help but said to Ren Yingying: “Princess, this Hu Mingyue has played, do you think he will win this game?”

Yao couldn’t help but be excited.

Perhaps it is because this Hu Mingyue is so special. You must know that it is a miracle that a cultivator in the martial arts realm can enter the finals of the martial arts competition.

“It’s none of my business whether he wins or not, Sister Xing Yao.” Ren Yingying responded lightly, without the slightest emotion on her face.

Seriously, if it was before, Ren Yingying would have also paid attention to this Hu Mingyue.

But since knowing that Yue Feng was dead, Ren Yingying's whole world has been darkened, and she is no longer interested in anything.

Seeing her lack of interest, Xing Yao smiled and stopped talking.

At this point, in the arena!

“Hu Mingyue!”

At this time, Wu Cang slowly stepped onto the stage, full of abuse and mockery, and smiled at Yue Feng: “Did you not think that you would fight against me!”

When he said this, Wu There was a sense of revenge in Cang's heart.

In the previous semi-final, at the royal trial site, Wu Cang wanted to snatch the inner elixir that Yue Feng got, but Yan Yunfei drove him away.

Wu Cang is a man who will pay revenge, and he has always held a grudge against him!

When Yan Yunfei was there before, Wu Cang didn't dare to do anything to Yue Feng, but yesterday Yan Yunfei gave up the game and left the imperial city. Wu Cang had no worries in his heart, and naturally he would not take Yue Feng in his eyes.

At this time, Wu Cang didn't know that Yue Feng didn't need Yan Yunfei to protect him.

Nima!

This shit!

In the face of Wu Cang's ridicule, Yue Feng cursed inwardly, with danger on the surface, but did not respond.

“Haha...” Seeing that Yue Feng didn't speak, he thought he was cowardly, and Wu Cang became more and more proud: “Hu Mingyue, by the way, what method did you use yesterday to make Yan Yunfei give up the game? Tell me, Maybe, I'll give up the game too... Haha...” Before he finished

speaking, Wu Cang couldn't help laughing, his eyes full of contempt.

boom!

For a while, the audience also burst into laughter.

Yue Feng was too lazy to talk nonsense, chuckled lightly, looked at Wu Cang and said lightly: “Wu Cang, stop talking nonsense, hurry up, I'm still waiting for the first place!”

When he said this, Yue Feng had a firm expression on his face.

What?

This kid still wants to take the first place?

Haha...

As soon as the voice fell, many people present were stunned for a moment, and then they laughed again, and almost all tears came out.

This kid is so capable.

You are a Martial Saint, how can you beat Martial Emperor?

Do you really think that all the contestants, like Yan Yunfei, simply gave up the competition?

At this moment, the Apocalypse Emperor on the stage raised a chuckle and shook his head secretly.

This Hu Mingyue's previous performance was not bad, very smart and exciting, but it makes people very unhappy about talking big.

"Just like him, he is still arrogant and wants to take the first place?" The queen next to him also looked disdainful.

And Ren Yingying sitting on the other side, needless to say, her delicate face is full of disgust.

This Hu Mingyue is really thick-skinned, and bragged to the finals of the competition to recruit relatives. If he really won the first place, he might as well die.

Lu Jiechen, who was sitting in the rest area, smiled contemptuously.

Did this kid know that he was going to lose, so he deliberately said a few big words to attract the attention of the Tianqi royal family?

But what's the use of talking big? Without strong strength, let alone the royal family, even the people around you will not give you a second look.

Chapter 1498

"Haha!" On the

arena, Wu Cang even laughed, leaning back and forth, clutching his stomach, and pointing at Yue Feng: "You kid is so funny, with your strength, you want to win the first place? It's really bragging. Draft!" After

speaking, Wu Cang's face turned gloomy: "Then let me see what you are capable of!"

The moment the voice fell, Wu Cang suddenly raised his hand!

Chi Chi... In an

instant, the air in front of Wu Cang suddenly twisted and turned!

"Qianjue Slash!"

With Wu Cang's icy roar, the twisted air suddenly condensed flying knives as thin as cicada's wings. Do it!

"Hu Mingyue, your game is over!"

An icy voice came from Wu Cang's mouth. Immediately, he raised his hand and pointed at Yue Feng. In an instant, the thousands of flying knives turned into a shower of meteors and arrows, and suddenly flew away. past! Everywhere he passed, the air was cut open with cracks!

hiss!

Seeing this scene, everyone in the audience couldn't help gasping for air, secretly sweating for Hu Mingyue!

This Wu Cang is worthy of the realm of Emperor Wu, his strength is too strong!

These tens of millions of flying knives cover almost the entire arena. Who can escape? And Hu Mingyue is still in the realm of the Martial Saint, I am afraid that in the blink of an eye, he will be stabbed with many holes!

For a time, all eyes were focused on Yue Feng, most of them were indifferent and without sympathy. Hu Mingyue is only a Martial Saint, and in the final finals, he still has no shame, and he is not worthy of sympathy at all!

"Hu Mingyue, come on!" At this moment, an exclamation sounded from the audience, showing concern.

It was Ye Ziyi!

That's right, after Wenbi was eliminated yesterday, Ye Ziyi didn't leave immediately, but stayed and waited to watch the final!

Of course, there is another reason, that is to cheer Yue Feng!

In addition to Ye Ziyi, there was another person who was secretly worried about Yue Feng.

This person is Xing Yao!

At this time, Xing Yao was staring at the field, her heart was hanging, and she was secretly anxious for Yue Feng.

Xing Yao didn't know why she was worried about this Hu Mingyue.

She only knew that since the incomparable recruitment, whether it was Wenbi or Wubi, the only thing worthy of her attention was this Hu Mingyue.

After all, it is really not easy for him to be in the realm of Martial Saint. It would be a shame to lose like this!

Ye Ziyi?

She is here to watch the game...

Hearing Ye Ziyi's cry, Yue Feng showed a smile, and his heart warmed. Looking at the oncoming flying knife, Yue Feng was not in a hurry, and did not mean to dodge at all, but raised his hand in front of him, condensing a layer of protective film.

Bang bang bang...

At this moment, tens of thousands of flying knives came quickly, hit the protective film, and sent out a dense vibration. I saw that the protective film did not show any signs of rupture, and they were all blocked!

What?

This... what's going on here? !

Isn't this Hu Mingyue Wu Sheng? Can it actually attack the Martial Emperor Realm?

Seeing this scene, the audience was shocked, and even many people couldn't help but stand up.

The Emperor Tianqi on the high platform and everyone in the royal family were also stunned!

Wu Cang froze even more, his mouth wide open, as if he was stupid!

At this moment, everyone around can clearly feel that Hu Mingyue in the field, the breath that pervades his body, is very powerful, completely beyond the realm of Wu Sheng!

good!

Chapter 1499

When the protective film was condensed just now, Yue Feng was not hiding his strength.

Anyway, it has reached the final finals, so there is no need to pretend.

“Wu Cang!”

At this moment, Yue Feng looked at Wu Cang, who was stunned, with a smile on the corner of his mouth: “Did you not think that, tell you, my strength is not a Martial Sage at all!”

Immediately, Yue Feng moved He moved his hands and feet and said lightly: “You’ve already taken action, now it’s my turn!” The

voice fell, Yue Feng’s inner strength exploded, and his figure rushed over like lightning.

boom!

Wu Cang didn’t have time to react at all, he slapped Yue Feng firmly, his whole body was like a kite with a broken string, he flew out of the ring, flew more than 100 meters, collided with the surrounding pillars, and then slipped off. down.

“You... poof...”

Wu Cang staggered to his feet, his face was extremely pale, he stared at Yue Feng, and was extremely shocked. This... This kid actually hides his inner strength. In his anger, Wu Cang pointed at Yue Feng. Yue Feng, after only saying one word, his eyes darkened and he passed out.

hiss!

At this moment, the audience is silent!

All the eyes in the audience, hundreds of thousands of pairs of eyes, stared at Yue Feng, each one was shocked and speechless!

This... this Hu Mingyue had hidden his strength before!

good boy!

At this moment, in the rest area, Lu Jiechen stared at Yue Feng with a gloomy expression on his face.

This kid is so cunning. He hid his strength before, and even he was deceived by him!

However, no matter how strong you are, you are still inferior to Emperor Wu.

Wait and fight with me, you still can't get the first place. Thinking to himself, a coldness flashed in Lu Jiechen's eyes!

"This..."

At this time, on the high platform, the queen's delicate body was trembling, and she looked at Yue Feng incredulously: "This Hu Mingyue, is he so strong? Before he Why should you hide your strength?"

The other royal family members around also frowned, very puzzled.

On the dragon seat, Emperor Tianqi frowned, looking at Yue Feng in the field with a gloomy expression. For a while, the atmosphere was a little depressed.

"Your Majesty!"

At this time, Yue Chen said cautiously, "Look at this..."

At this time, Yue Chen was very uneasy.

This Hu Mingyue actually hid his strength from the beginning. This is suspected of deceiving the king, and he is the chief examiner. If His Majesty is to blame, he will not be able to escape the crime of dereliction of duty!

As soon as the words fell, the queen said angrily: "Your Majesty, this Hu Mingyue has hidden his strength and committed the crime of deceiving the king, and must not be tolerated!"

Hearing this, Yue Feng's heart was shocked, and he suddenly became angry.

This queen, I have no grudges with you before. When I was hiding my strength, you had to belittle me every game. Now that I have shown my true strength, you say I deceived you again?

While muttering secretly in his heart, Yue Feng was always paying attention to Emperor Tianqi's expression, and he was also a little uneasy in his heart.

This emperor will not really sentence himself to deceive the emperor, and then disqualify himself from the competition.

If this is the case, wouldn't all his previous efforts be in vain?

Whoa!

At this moment, everyone watching around couldn't help but whispered.

"This Hu Mingyue, hiding his strength, does it count as deceiving the king?"

"I don't know... hiding his strength, it should be counted as deceiving the king.."

"Interesting, this game is getting more and more interesting..."

Chapter 1500

Listening to the discussions around him, Emperor Tianqi pondered, unable to pay attention for a while.

This Hu Mingyue, hiding his strength, has indeed committed a serious crime. But then again, this person is brave and resourceful, and he is really a rare talent. It would be a pity to be sentenced to deceive the king and disqualified from the competition.

Thinking to himself, Emperor Tianqi looked at Yue Chen: "Yue Aiqing, how do you think I should deal with it?"

"I..."

Yue Chen was stunned for a moment, then hesitantly said: "Chen...I don't know either."

It's okay to flatter yourself, what kind of ideas can you have for such a big thing.

"Royal Father!"

At this moment, Ren Yingying, who had been silent all the time, couldn't help but say: "This Hu Mingyue, who concealed his strength and deceived Emperor Father, completely ignored our royal family and not only disqualified the competition, and beheaded in public!"

When she said this, Ren Yingying gave Yue Feng a cold look with a very firm attitude.

Because of Yue Feng's death, Ren Yingying was in a bad mood. Seeing this Hu Mingyue at this time, she actually concealed her strength and came to participate in the incomparable recruitment, and her inner anger was immediately aroused.

After all, this competition was to choose a concubine for her. Hu Mingyue's concealment of her strength was disrespect to herself.

What the hell!

As soon as the words fell, Yue Feng trembled and almost jumped up in place, then looked at Ren Yingying with tears in his eyes.

Yingying... I'm Yue Feng.

How can you cut off my head?

At this time, Yue Feng wanted to rush to Ren Yingying and tell her his identity aloud, but when he saw that Emperor Tianqi hadn't made a statement, he held back.

Whoa!

At this moment, the audience also exploded, and there was an uproar.

"It's over, this Hu Mingyue is about to end..."

"The princess has spoken, this Hu Mingyue not only can't continue the game, I'm afraid that his life will not be saved..."

"It's a pity, why do you say he hides his strength? What?"

Under the discussion of the surrounding people, Emperor Tianqi slowly stood up, looked around the audience, and waved his hand!

In an instant, the entire arena fell silent.

The next second, Emperor Tianqi looked at Yue Feng quietly, and said slowly: "Yueying is right, you hide your strength and ignore the royal majesty, so you should be disqualified from the competition and beheaded in public!" The

voice fell, and several royal guards, immediately walked over!

"Wait."

Yue Feng was in a hurry, and shouted at Emperor Tianqi: "Your Majesty, in the rules of the game, it is not said that you can't hide your strength. I did this as a psychological method, so that my opponent would underestimate the enemy, and, I haven't been hiding my strength, how can I deceive the king? I also ask Your Majesty to learn from it." The

words were righteous and powerful!

“This...”

Hearing this, Emperor Tianqi pondered.

This Hu Mingyue was right, he did this just to win the game. The reason for bullying you is too far-fetched.

Moreover, many masters from the surrounding continents are watching, really want to kill him, it is difficult to convince the public.

Thinking to himself, Emperor Tianqi took a deep breath, looked at Yue Feng and said, “Since you think you are innocent, then I ask you, when you signed up, you only said that you were from Dongao Continent, but did not say your sect. ,why?”

“I...”

At this moment, Yue Feng’s mind quickly turned, and he replied calmly: “I really don’t have a sect, my master is an expert who is idle and wild, he is indifferent by nature, and he rarely pays attention to Jianghu Besides, I promised him that I wouldn’t say his name to the outside world. So, please don’t blame your Majesty!”

When he said this, Yue Feng was calm on the surface, but he suppressed his resentment.

Yes, the master Yue Feng said was the sword demon Nangong Jue. In fact, since Yue Feng was called a cultivator, the only master was Nangong Jue.

I see!

Hearing this, Emperor Tianqi softened a lot, nodded and said, “Well, I’ll spare you this time and allow you to continue the game!” In the

continent of Kyushu, there are many hidden strange people who don’t like it. It’s normal to reveal your identity.

“Royal Father!” Ren Yingying became anxious all of a sudden, and stomped her feet: “Why did you spare him...”

But seeing the seriousness on her father’s face, Ren Yingying didn’t say much.

“Princess!” Xing Yao’s face was puzzled, and she leaned over and asked in a

low voice: “I think this Hu Mingyue is very good, hiding his strength shows that he is very smart, why do you hate him so much?”

Yao didn’t say it, it was Hu Mingyue’s behavior, which was very similar to Yue Feng.

"I just don't like it anyway!" Ren Yingying didn't say much, but responded lightly.

To be honest, it is precisely because this Hu Mingyue's ingenuity is so similar to Yue Feng that Ren Yingying is so opposed to it.

After all, in her heart, Yue Feng was the only man she loved.

call!

Seeing that the emperor took back his life, Yue Feng secretly sighed in relief, and then he clenched his fists at Emperor Tianqi: "Thank you for your magnanimity!" The

voice fell, Yue Feng quickly walked off the ring and returned to the rest area.
