

The ultimate husband in Chinese chapter 1521-1530

Chapter 1521

At this moment, the spiritual energy between heaven and earth seems to be evacuated, its power is amazing, and it is so terrifying!

boom!

Finally, the moment Yue Feng rushed to the ground, the entire Jiuyang Temple was filled with dust!

Bloody battles in all directions, Lu Bu's stunt that shocked the world back then!

This blow directly smashed the Jiuyang Temple into ruins, and, centered on the position of Yue Feng, terrifying cracks appeared on the entire ground, spreading in all directions, and many surrounding palaces collapsed with a bang...

In the cracks in the ground, the magma burst out! Many palace masters and royal guards were affected, and nearly 10,000 people fell in a pool of blood!

"Pfft..."

Not only that, but Linghu Wushang's four Longchung Jinweis all spit out blood and flew out.

This....

seeing this scene, everyone's back is cold and their heads are buzzing!

Bloody battles in all directions! !

What Yue Feng displayed turned out to be Lu Bu's bloody battle in all directions!

so horrible!

Seeing this scene, Emperor Tianqi trembled and his face was ashen!

In just one move, he killed so many of his subordinates. If he was allowed to escape, there would be endless troubles in the future!

die!

Yue Feng must die today!

“Kill, kill him for me, no matter how much you pay, you must kill Yue Feng!” Emperor Tianqi shouted wildly, his heart was completely filled with madness!

The voice fell, and many experts in the palace recovered and rushed up again!

call!

At this moment, Yue Feng held Fang Tianhua halberd tightly and stood there proudly, with the same suffocating energy, but his face was pale.

good!

The Bloody Battle Bafang just now consumed a lot of Yue Feng’s internal strength. You must know that the Bloody Battle Bafang is Lu Bu’s famous stunt, and it is extremely powerful. Only the masters above the tribulation realm can exert real power.

And Yue Feng is no more than the fifth rank of Martial Emperor, so he can’t bear it if he uses it forcibly!

“Yue Feng...”

At this moment, Ren Yingying couldn’t help crying, looking at Yue Feng with worry: “How are you? How about...”

“I’m fine!”

Yue Feng smiled slightly, looked at Ren Yingying from a distance, and comforted: “Don’t worry, I will definitely be able to take you away today!” The

voice fell, Yue Feng took a deep breath, held Fang Tianhua halberd tightly, and rushed into the crowd again.

Time passed by minute by minute, and the battle became more and more intense!

Although Yue Feng has pure Yang internal force to protect his body and Fang Tianhua halberd in his hand, there are too many enemies around him. Not only are there countless royal guards, but there are also a steady stream of Royal Forest troops coming, and he can’t kill them all.

At the beginning, Yue Feng was able to hold on, but gradually he became a little weaker.

At this time, Yue Feng was already covered in blood, and around him, the fallen palace guards almost piled up into a hill.

There are simply too many enemy troops to kill! And Yue Feng's body is also covered with bruises, all scars!

"Yue Feng, die!"

Finally, Linghu Wushuang found an opportunity and slapped Yue Feng in the back of his heart!

"Push!"

In an instant, Yue Feng's body was shocked, and a mouthful of blood spurted out!

"Brother Feng!"

Seeing this scene, the four Duan Feng brothers who were not far away roared in unison, their eyes instantly blood red!

"Kill!"

Yue Feng roared like crazy, and regardless of his injuries, he turned around and slapped Linghu back without injury!

But at this moment, another Longxiang Jinwei rushed over quickly, held the middle long sword tightly, and stabbed towards Yue Feng fiercely!

"Puchi! Puchi!"

Yue Feng couldn't dodge in time, the sword pierced his shoulder directly, and the blood gushed out all at once!

Dengdengdeng...

Under the severe pain, Yue Feng clutched at the wound, staggered back a few steps, and fell to the ground all of a sudden!

"Haha..."

Seeing this scene, Emperor Tianqi was greatly excited, and his eyes flashed with madness: "Kill him, kill him for me, and smash his body into ten thousand pieces..."

Chapter 1522

"Father, don't!"

At this moment, a heart-piercing voice came with a cry!

Following the voice, I saw Ren Yingying standing there not far away, tears streaming down her face!

At this moment, Ren Yingying stomped her feet in a hurry, crying heartbreakingly!

“Father, I beg you, stop, don’t kill Yue Feng, I beg you.. My daughter kneels down and begs you, I can’t live without him...” Ren Yingying’s tears were like broken pearls , can’t stop at all.

While crying, Ren Yingying knelt down and kept begging for Emperor Tianqi.

However!

Emperor Tianqi didn’t hear the same thing, his eyes flickered with sinister rays of light, like madness.

At this time, Emperor Tianqi just wanted to kill Yue Feng as soon as possible, and he didn’t want to pay attention to the others!

Seeing this, Ren Yingying knew it was useless to plead for mercy, so she stood up and rushed over, but was stopped by the guards in front of her.

Yue Feng openly opposes the royal family, he is courting death! It is useless for the princess to ask for mercy.

Yue Feng’s face was pale, and he fell to the ground. He couldn’t hear Ren Yingying’s cry at all. He only felt that his strength was disappearing little by little.

Yue Feng forced a smile, without the slightest fear of death, looked at Emperor Tianqi and said word by word: “I tell you, today is death, I have to take Yingying away!” The voice was not loud, but it spread throughout the world field!

Seeing his awe-inspiring attitude, many people were slightly moved!

In particular, many experts in the arena, watching Yue Feng closely, couldn’t tell the complexity in their hearts!

As a man, you must be like Yue Feng, stand upright and do whatever you can for the woman you love!

“So much nonsense, go to hell!”

At this moment, Linghu Wushang roared and rushed over again. Hit Yue Feng with a palm!

Just like Yue Feng, Linghu Wushang was also a little exhausted at this time, but Yue Feng was injured, and this palm could not be avoided!

“Brother Yue Feng!”

At this moment, Zheng Chunqiu shouted, rushed over to block in front of Yue Feng, raised his right hand to meet Linghu Wushang’s palm!

“Clang!” The

two palms collided, and the figures each took a few steps back!

Although Zheng Chunqiu is the sect master of Danzong, and now his strength has reached the fifth stage of Martial Emperor, but his strength is slightly inferior to Linghu Wushang, blocking Linghu Wushang’s palm also makes his face pale!

“Brother Zheng! I’m sorry, I have troubled you!” Yue Feng smiled bitterly and said to Zheng Chunqiu!

“Yue Feng, treat me as a brother, don’t say these things.” Zheng Chunqiu gritted his teeth and pulled out his sword to force back the several palace guards who rushed up: “There is a saying that people die for their confidants, before they die, Let’s kill a few more...”

“Yes, even if you die here, you have to kill them!” Yue Feng laughed and stood up again.

“Brother Feng!”

“Sect Master...”

At this moment, the four brothers Duan Feng and the surrounding Tianmen disciples rushed over with a loud roar, guarding around Yue Feng.

At this time, the four brothers Duan Feng were also covered in blood. These blood belonged to the enemy and their own.

There are simply too many enemies to kill!

But... no matter what, we must protect Yue Feng!

...

the other side!

The Earth Round Continent, the main altar of Huaguoshan!

In the Water Curtain Cave, Sun Dasheng was sitting on a chair, sipping tea leisurely.

Beside him, Li Nan quietly sat there to accompany him.

A month ago, at the exit of the ancient tomb of Lu Bu, he was besieged by various sects, and Sun Dasheng was seriously injured. After returning to the sect, he has been retreating and recovering.

Now that more than a month has passed, Sun Dasheng's injury is almost healed.

At this time, although Dasheng Sun was drinking tea, his mood was a little worried, and he couldn't help saying: "I don't know what happened to Fengzi. I heard that I returned to the Ouyang family half a month ago, and now people don't know where they are going."

"Okay, don't worry about it!" Li Nan smiled and comforted softly: "Brother Feng is auspicious, no matter what troubles you encounter, you can turn the corner..."

Chapter 1523

Call!

Hearing this, Sun Dasheng breathed a sigh of relief and showed a smile: "That's right, Fengzi is a cat and has nine lives..."

"Master..." As

he said, outside the door a disciple walked in quickly, looking flustered, and said to Dasheng Sun, "Sect Master, Madam, it's not good, it's not good!"

The disciple was panting and covered in cold sweat.

"What's the panic?" Sun Dasheng said angrily: "If you have something, talk about it!" After speaking

, Sun Dasheng picked up the teacup and took a leisurely sip.

The disciple was sweating like rain: "Sect Master, something is bad, Tianmen Sect Master, Brother Feng... Brother Feng is dead!"

What?

Sun Dasheng was shocked, stood up abruptly, stared closely at the disciple, his head was blank: "What did you say?! Fengzi... Fengzi is dead!"

In shock, the teacup in his hand fell to the ground and shattered into pieces .

Li Nan, who was next to him, also trembled, and his brain was buzzing.

I was discussing Yue Feng just now, saying that he had nine lives, so why did he die?

“Return to the head. The news came from Tianqi Continent. The weather royal family held an incomparable recruitment meeting for Princess Yueying. Just before the meeting, Brother Feng broke into the palace and wanted to take the princess away, but was discovered by Emperor Tianqi. ..”

The disciple clenched his fists, extremely sad and indignant: “Later, Brother Feng was besieged by the masters of the palace, and finally fell into the moat with serious injuries, and never came up again... These are the finals, Emperor Tianqi personally announced. The...”

“Fengzi...”

Hearing this, Sun Dasheng staggered back a step and cried out in pain, tears streaming down instantly!

The next second, Sun Dasheng roared: “Call all the disciples immediately, follow me to pacify the weather royal family, avenge Fengzi, avenge...”

When he shouted the last sentence, Sun Dasheng’s eyes were extremely blood red, and the whole body was filled with evil spirits.

Fengzi is the best brother in his life.

If something happened to him, no matter how much he paid, the weather royal family had to pay for it with blood.

“Yes, Sect Master.”

Feeling the anger of Sun Dasheng, the disciple responded and walked out quickly.

.....

On the other side, the Ouyang family.

In the back garden, several slim figures were sitting in the gazebo chatting.

Several women, compact, sexy and charming, almost all have their own merits, it is Su Qingyan, Xiao Yuruo, and Qin Rongyin.

And sitting above it was the patriarch’s wife, Jiang Shan.

After being together for so long, Jiang Shan likes Su Qingyan more and more.

The few women of the adopted son are gentle and beautiful, and kind-hearted. Who doesn't like them when they meet them?

Next to her, Xiao Xi was busy serving tea and pouring water, very well-behaved and attentive.

The atmosphere is peaceful, peaceful and happy.

"Qingyan, Yuruo..."

At this time, Jiang Shan smiled and joked: "I guess, after a while, there will be another sister by your side. As far as I know, Xiaofeng this time Going to Tianqi Continent is to take over Yingying..."

When saying this, Jiang Shan's smile showed a bit of teasing.

Swish!

When the words fell, Su Qingyan, Xiao Yuruo, and Qin Rongyin's faces all turned red all of a sudden, they were very embarrassed.

They already knew the purpose of Yue Feng going to Tianqi Continent.

It's just that they were all tacit, and when they heard Jiang Shan say it directly, they were all a little coy and shy in an instant.

"Mom..."

Feeling the embarrassment of Su Qingyan and the others, Meihui couldn't help standing up: "Brother is true, isn't it enough to have Qingyan and Yuruo sisters? Now I'm going to find that princess again."

There was complaining in her mouth, but Mei Hui was very happy in her heart.

Brother is really amazing, is this to turn all the outstanding women in the world into his sister-in-law?

Chapter 1524

Jiang Shan smiled slightly, if Yue Feng brought Ren Yingying too, the size of the Ouyang family would grow again, which is really exciting.

"Actually..." At

this time, Xiao Yuruo bit her lip lightly and said softly: "That Ren Yingying is very good... Yue Feng really wants to bring her back, it's better..."

When she was in the royal family, it was because of Ren Yingying that she was able to keep her body like a jade. Speaking of which, in Xiao Yuruo's heart, she had already regarded Ren Yingying as a sister.

Hearing this, Su Qingyan next to her also pursed her lips and smiled.

Yue Feng is handsome and suave, and being favored by so many beauties shows that the man he likes is very good,

"Haha..."

At this moment, a burst of laughter came, and then, Ouyang Zhennan walked away with a smile. Come over: "What are you talking about?"

At this time, Ouyang Zhennan was in a good mood.

Half a month ago, Zhu Bajie arrived in time to block Gonggong who was causing trouble. At that time, Gonggong and Zhu Bajie fought, but they didn't get any advantage, and finally left.

After Zhu Bajie stayed in the Ouyang family for a few days, he took the beauty Xu Qingyi to go sightseeing.

The Ouyang family returned to its former tranquility. As the patriarch, Ouyang Zhennan was naturally happy.

"Dad, you're here!"

Mei Hui hurried over, hugged Ouyang Zhennan's arm, and said with a smile, "Let's talk about my brother again, I heard that the Tianqi royal family is going to hold a competition for that Ren Yingying, what do you think? Can my brother bring her back?"

Shuh!

When the words fell, Su Qingyan, Xiao Yuruo and Qin Rongyin all looked at Ouyang Zhennan closely, waiting for his answer.

Ouyang Zhennan smiled slightly: "I have already sent someone to the Apocalypse Continent to investigate the news, and it is estimated that I will get the news today."

When he said this, Ouyang Zhennan looked relaxed and comfortable.

As his adopted son, with both civil and military skills, there is nothing that cannot be done.

"Patriarch, it's not good..."

At this moment, a family disciple hurried over, his face panicked.

When they got to the front, the disciple of the family couldn't hide their grief and cried, "Young master, the young master was killed by the weather royal family and buried at the bottom of the imperial city's moat..."

Wow!

As soon as the words fell, the audience was shocked.

"What did you say?" Ouyang Zhennan was shocked, thinking that he had heard it wrong, and looked at the disciple closely: "Xiaofeng... is he dead?"

At this time, Ouyang Zhennan's mind was blank.

The disciple nodded, very sad: "It is absolutely true, Emperor Tianqi announced it in public at the competition..."

Yes, this family disciple was sent by Ouyang Zhennan to Tianqi Continent to investigate the situation. .

When Emperor Tianqi announced the news of Yue Feng's death in public, the disciple of the family did not stop for a moment, and rushed back to report the news.

At this time, the family disciple did not know that Yue Feng was not dead at all, but the situation he faced at this time was not optimistic either.

"No.."

At this moment, Meihui reacted and burst into tears: "Brother won't die, he won't die..."

"Yue Feng..."

"How could this happen?"

At the same time, the women Su Qingyan and Xiao Yuruo were all trembling, and tears blurred their vision.

Pfft!

Qin Rongyin, in particular, was so sad that he couldn't face this fact, and as soon as his eyes darkened, he fainted.

"Apocalypse Royal Family!" Su Qingyan endured the grief, her pretty face was covered with frost: "You want you to pay your debts with blood."

As the Sect Master of Wenzong, Su Qingyan's inner endurance is much stronger than others .

Chapter 1525

Knowing that Yue Feng died in Tianqi Imperial City, Su Qingyan's inner anger also rose.

"Someone!"

At this time, Ouyang Zhennan recovered his senses, and shouted through gritted teeth:
"Call everyone immediately and rush to Tianqi Imperial City to avenge Feng'er."

"Yes..."

The family disciple said Wiping away her tears, she hurried out.

The news of Yue Feng's death soon spread in the Earth Circle Continent.

In just half a day, not only Huaguoshan and Ouyang family, Changsheng Palace and Fuyao Palace, and other sects also received news.

Whether it is the Palace of Longevity or the Palace of Fuyao, after learning the news, they immediately summoned their disciples and quickly set off to the Apocalypse Continent!

There is only one purpose.

Avenge Yue Feng! ! !

.....

On the other side, Apocalypse Imperial City, Jiuyang Temple!

At this moment, the battle in the Jiuyang Temple has entered a white-hot, and the air is full of blood!

"Ah!" The

screams and screams are endless! In the entire Jiuyang Temple, blood seems to have merged into a river!

The battle is getting fiercer!

Do not! It can be said to be tragic...

Although Yue Feng is no longer hiding his strength, and he has the support of the four brothers Zheng Chunqiu and Duan Feng, but it blocked the siege of the masters of the Tianqi royal family, but the form is not optimistic!

After all, this is the Tianqi Imperial City. Under the will of Emperor Tianqi, the Imperial Forest Army, the defenders of the city, as well as the palace guards and many recruited masters, are coming continuously, and Yue Feng can't resist it at all!

During the chaos, Yue Feng asked Tianmen disciples to set up a simple formation. But under the fierce attack of the Apocalypse Royal Family, the formation didn't last long before it was broken. There is no way, in the chaos, only simple formations can be arranged, and powerful formations can only be deployed after a long time of command.

Bang bang bang!

In the blink of an eye, under the fierce battle, tens of thousands of Tianmen elite disciples suffered countless casualties! The Apocalypse Royal Family could not be resisted at all, and the persecuted ones were retreating! In the end, he shrunk in a corner of Jiuyang Altar.

Nima!

Could it be...is this God's will...I really want to die here today?

Looking at the brothers around him, dead and wounded, Yue Feng's eyes were blood red and his heart was burning. With tears in his eyes, Yue Feng shouted at the four brothers Zheng Chunqiu and Duan Feng: "Brothers, I'm sorry for you, in the next life, we will still be brothers!"

"Brother Yue Feng, if you can fight side by side with you, although No regrets in death!" Zheng Chunqiu had no strength at this time, but his fighting spirit remained undiminished, and he echoed loudly.

"Brother Feng, we won't lose!"

"Yes, Tianmen will not be destroyed, and the battle will never cease!"

At the same time, the four brothers Duan Feng also howled desperately.

The four brothers also tried their last strength, and at this time they were all supported by one breath.

In Duan Feng's hand, he held the Nine Dragons Banner of the Heavenly Dao more than ten meters high, standing in front of him. The golden flag, already dyed red with blood, fluttered fiercely in the cold wind!

Heaven is immortal!

Keep fighting!

These eight characters are the soul of Tianmen, and they are also the rules of their behavior when they walk in the rivers and lakes. It is also the belief they hold fast. Even if they shed the last drop of blood, they will not be shaken in the slightest.

hiss!

Seeing this tragic scene, the people not far away, whether they were ordinary people or experts from various continents, were extremely shocked.

Is this...is Tianmen founded by Yue Feng?

The blood is fierce, and the fighting spirit is high. It is really better to be famous than to see it!

Shocking, shocking!

Chapter 1526

While sighing, many people couldn't help but secretly regret in their hearts. Although Tianmen is admirable, it is a pity that their opponent today is the Tianqi royal family.

The situation in front of us is very obvious, and Tianmen...it can't hold it anymore.

Yue Feng can't escape death!

"Aiqings, soldiers, Yue Feng's Heavenly Sect is exhausted, kill them all, and destroy them all, not one, not one.... Not one! After destroying the Heavenly Sect, we will attack the Earth Circle Continent. At that time, the gold and silver jewelry in the Earth Circle Continent are all yours! Kill me!" At this moment, Emperor Tianqi raised his dantian angrily and shouted, his eyes full of madness.

"Kill!" The

voice fell, and many imperial palace masters and hundreds of thousands of royal guards shouted loudly one by one, the momentum was like a rainbow, and the tide was coming.

Seeing this scene, Duan Feng's four brothers and Zheng Chunqiu all smiled miserably, and despair flashed in their eyes!

Pfft!

Yue Feng's body was trembling, and he knelt there on one knee, his face covered in blood.

did my best.

I...really tried my best.

Yingying, I'm sorry, I'm incompetent, I can't take you away!

Thinking to himself, Yue Feng let out a long sigh of relief and slowly closed his eyes. Completely desperate.

"No..."

Seeing this scene, Ren Yingying almost burst into tears, and kept begging to Emperor Tianqi: "Father, I beg you, let Yue Feng and the others go... I promise you, I will If I don't go with him, I will forget him, I will marry whoever you ask me to marry, I just ask you to spare his life..."

However!

Emperor Tianqi was completely mad at this time, he couldn't hear it at all, and kept shouting "Rush up, kill them all, kill them all..."

When he shouted these words, Emperor Tianqi's voice was completely hoarse. , with endless anger and resentment flashing in his eyes!

This Yue Feng, who has made a lot of trouble in the imperial city, doesn't care about the royal family at all, he must die today!

Hula...

With the siege of the Royal Forest Army and the imperial palace experts, Yue Feng and the others were completely pushed into a dead end, and there was no way out.

"Fengzi, hold on, I'm here!"

At this moment, a loud shout came from a distance, and the sound was thunderous, piercing the sky.

From a distance, tens of thousands of people are coming! The man in the lead, holding a giant axe, looks like a god of war!

If it's not Sun Dasheng, who else is it!

“Great Sage!”

Seeing Sun Dasheng leading Huaguo Mountain to charge, Yue Feng's nose was sore, and he almost cried.

“Fengzi, I even thought you were dead, haha...” Sun Dasheng laughed in the sky, but tears flashed in his eyes.

On the way here, Sun Dasheng was very sad, thinking that Yue Feng was transferred into the moat and died. When the result arrived, I was overjoyed to see that Yue Feng was still alive and well!

“Fengzi, eldest brother is here too!”

At the same time, another voice sounded, and when I followed the voice, I saw more than 100,000 people strode in from the northeast! In the crowd, there was a big flag with a big character written on it: ‘Wen’!

The leader, dressed in white robes, holding a folding fan, is gentle and elegant, with a smile on his face. But it was this book business spirit that shocked the audience!

Lord of the Palace of Longevity, Wen Chou Chou!

Whoa!

Seeing this scene, everyone watching the battle from a distance suddenly exclaimed.

“The Hall of Longevity... Huaguo Mountain...”

“Yue Feng came to support...”

Chapter 1527

“It seems that the war situation has turned a corner.”

Under the discussion, some people who had not been worried about Yue Feng before, were secretly relieved at this time.

To be honest, watching the situation intensified, many people couldn't bear the domineering of Emperor Tianqi.

This Yue Feng and the princess are in love with each other, how good it is to directly fulfill, they have to beat the mandarin ducks.

More importantly, this Yue Feng is a rare talent. What a pity to kill him?

"Great Sage, Brother Wen..."

At this time, Yue Feng was excited and affected the wound, spitting out a mouthful of blood, and his eyes were instantly moist.

I thought that he had reached a desperate situation, but when he saw Sun Dasheng and Wen Chou Chou, a glimmer of dawn ignited in Yue Feng's heart again.

In a blink of an eye, Huaguo Mountain and the Hall of Longevity had already rushed in front of them. It was not until this time that Sun Dasheng and Wen Chou Chou saw Yue Feng's appearance.

At this time, Yue Feng has been chopped up like no one, and his body is covered in blood!

Seeing this scene, Sun Dasheng's eyes instantly turned red!

"Holy shit, Nima, the old emperor gave me an order, the Huaguo Mountain disciples obeyed, kill me! Kill me!" Sun Dasheng almost roared, the giant axe in his hand turned over, and he directly attacked the enemy army crowd!

"The disciples of the Hall of Longevity obey the order, and step down this golden palace for me to destroy the Tianqi royal family!" Wen Chou Chou clenched his fists tightly.

Wen Chou Chou was originally very Wenzong, but it can be seen that when his brother was chopped up like this, he lost his sanity in an instant. Instead, he was full of evil spirits!

"Kill it!"

Huaguo Mountain, the Hall of Longevity, a total of more than 100,000 disciples rushed up like a tide, and all of them were red-eyed!

"Here comes another gang to die! All are destroyed for me, destroyed!"

Seeing this scene, Emperor Tianqi's face was extremely ugly, and he seemed to be crazy, and he screamed!

In the eyes of experts in the distant arena, the Huaguo Mountain and the Hall of Longevity had more than 200,000 people, and the momentum was not small. In the heart of Emperor Tianqi, he didn't care at all.

After all, his own Apocalypse Royal Family has ruled this continent for thousands of years. How can the three sects be destroyed if they want to be destroyed? !

“Ah!” The

melee broke out again, and people kept falling, and the sky of the entire imperial city seemed to be dyed red with blood!

Although Huaguo Mountain and Changsheng Hall came in time, they still did not prevail! After all, the Apocalypse Royal Family dominates the entire Apocalypse Continent, and soldiers are coming in a steady stream!

In a short while, the disciples of Huaguoshan Hall of Longevity suffered many casualties. If things continued like this, they might not be able to withstand it for long.

For Yue Feng, the situation is still not optimistic!

However!

Yue Feng couldn't care about these anymore, and he was completely red-eyed!

“Kill, kill, kill!”

Yue Feng howled like crazy, waving Fang Tianhua halberd, waving wildly!

However, his pace was staggering, and he was clearly at the end of the game.

“Yue Feng!” At this moment

, Xing Yao rushed out of the crowd and looked at Yue Feng closely, her eyes twinkling complexly: “You surrender, maybe there is still a chance!”

At this time, Xing Yao was also covered in bathed in blood.

Of course, because of his respect for Yue Feng, Xing Yao did not fight him directly, but kept dealing with the four brothers Zheng Chunqiu and Duan Feng.

To be honest, Xing Yao couldn't bear to watch Yue Feng die in such a battle, and in a hurry, he couldn't recognize it and persuade him to surrender.

“Surrender?”

Hearing this, Yue Feng couldn't help laughing up to the sky: "Xing Yao, have you ever seen me surrender since you knew me? You are the emperor's old man, don't worry, just do it. ."

Chapter 1528

"You..."

Xing Yao blushed and stomped her feet angrily.

This Yue Feng is really too stubborn. In the current situation, there is no chance to reverse the situation at all, and his mouth is still so hard.

When the next life is gone, how can you be with the princess?

Xing Yao has already thought about it, as long as Yue Feng is willing to cooperate, he will find a way to delay it and create an opportunity for him to escape.

It's just that she didn't expect that Yue Feng had already killed the red eye, and she didn't give herself a chance to help him at all!

"Xing Yao!"

At this moment, Emperor Tianqi said coldly: "You don't need to persuade her to surrender, even if he surrenders, I will not spare him!"

After speaking, Emperor Tianqi's eyes fell on Yue Feng, Word by word: "Yue Feng, do you think someone will come to support and turn the situation around? You underestimate my Apocalypse Royal Family. Today, neither of you nor your comrades want to leave alive! All have to die!" The

last sentence When the words came out, Emperor Tianqi showed a cold smile.

Haha....

Ben was still thinking that after killing Yue Feng today, he was slowly dealing with his accomplices. Unexpectedly, Huaguo Mountain and Changsheng Palace would be delivered to the door so quickly. It saves me a lot of trouble, and I can catch it all in one go!

"Yue Feng, I'm coming to Fuyao Palace!"

At this moment, I heard a coquettish shout from the sky!

What?

Anyone else coming?

Emperor Tianqi's expression froze, extremely sinister!

At the same time, everyone watching the battle from a distance was also shocked, and quickly followed the sound, and all of them were stupid in an instant!

I saw tens of thousands of slender figures on the horizon outside the imperial city, flying quickly! All are female disciples, all in white long dresses, like a beautiful white lotus.

And headed by six amazing fairies.

It is the six palace masters of Fuyao Palace!

"Hey...this..."

"Oh my God, Fu.... Fuyao Palace is here too!"

Seeing the scene in front of them, many people present were stunned, and a heated discussion broke out!

Especially the masters of various sects, their hearts are even more shocked! Although Fuyao Palace rarely intervenes in rivers and lakes, but ten years ago, helping Yue Feng and defending against the Apocalypse army is still fresh in the memory!

hiss!

At this moment, many men's gazes were staring at the six fairies, intoxicated and unable to extricate themselves!

Each of these six palace masters has a beautiful face and a sexy figure, each with its own merits! It is really like a fairy descending to the earth, standing together, it is dizzying and intoxicating!

beautiful. charming. sexy.

All the beautiful words in the world are not enough to describe them!

"Yue Feng, you're still alive, that's great!"

At this moment, the little fairy Yukong came over and saw Yue Feng, who was covered in blood, and burst into tears of joy!

After learning that Yue Feng died in the moat of the weather royal family, the little fairy Erqing was heartbroken, and immediately discussed with Bai Shengshui and came directly to the Tianqi Continent to avenge Yue Feng.

Seeing that Yue Feng was alive and well at this time, he was filled with joy and sorrow, and was indescribably excited.

Seeing the little fairy, Yue Feng's tired face also squeezed a smile: "Wife, you are here."

"Don't push your inner strength, I'll help you!!" The little fairy's tears blurred and she walked quickly Come and hug Yue Feng!

Swish...

At the same time, several Bai Shengshui also came lightly and blocked Linghu Wushang!

"How much help does Yue Feng have?"

"Yes, these six fairies are the same, is it the Fuyao Palace? It's so beautiful!"

Seeing this scene, everyone watching the battle from a distance couldn't help but whispered. .

Chapter 1529

"A group of rabble!"

At this time, Emperor Tianqi's face was gloomy, and the corners of his mouth raised a trace of disdain. Although tens of thousands of people came to the Fuyao Palace, they were all female-like people, so there was nothing to worry about.

"Yue Feng..."

"Xiao Feng..."

"Brother..."

At this moment, a voice came from a distance again, and I saw tens of thousands of figures, coming from the sky, One by one is extraordinary.

The leaders were Ouyang Zhennan and Su Qingyan!

hiss!

In an instant, everyone around was shocked again.

This... is another reinforcement coming? !

Just like the little fairy, everyone in Su Qingyan thought that Yue Feng was dead. After arriving at this time, everyone was overjoyed to see Yue Feng's figure!

"Yue Feng..."

At this moment, Su Qingyan took the lead, rushed over, hugged Yue Feng at once, unable to hide the joy in her heart, and choked: "Yue Feng, you bastard, I thought you were dead, do you know how sad I am?"

When she said this, Su Qingyan hugged Yue Feng tightly, with a happy smile on her face!

Just know that the man you fancy will not die so easily!

After all, he is a great hero!

"Yue Feng."

At the same time, Xiao Yuruo and Qin Rongyin rushed over and fell directly into Yue Feng's arms, indescribably excited.

They also thought that Yue Feng was dead! At this time, seeing that Yue Feng was not dead, but he was so weak under the fierce battle, he couldn't control it, and hugged Yue Feng tightly!

Whoa!

This scene directly made the surrounding people explode!

"Fuck... There are so many women in Yue Feng?"

"Every one is as beautiful as a god, so enviable!"

"If I had one, it would be worth dying in this life!"

Under the discussion, no The young man looked at Yue Feng closely, unable to hide the envy and jealousy in his heart.

Seriously, whether it is Su Qingyan, Xiao Yuruo, Qin Rongyin, little fairies...everyone is a goddess of the highest quality, and they are the focus wherever they go.

At this time, so many top-notch beauties, all surrounded by Yue Feng, asking for warmth, each one of them pretending to be sweet wives, it is really shocking.

Let me ask, isn't that man envious of this scene?

“Kill!”

Seeing the Ouyang family and Fuyao Palace come to support, Sun Dasheng and Wen Chouchou both had their morale soared!

The situation slowly turned around. From a disadvantage at the beginning, to an even match!

I don't know how long the fight lasted.

Until the sky darkened and night fell, both sides gradually stopped.

good!

From the beginning of the fight to the present, whether it was Yue Feng, Wen Chou Chou and Sun Da Sheng, as well as the opponent's Linghu Wushang and the Imperial Palace experts, they were all exhausted and no longer able to fight.

call!

“Brothers, stop!” At this moment, Yue Feng sat there paralyzed, took a deep breath, and looked at Emperor Tianqi tightly: “Emperor Tianqi. Just stop here, as long as you promise not to invade the Earth Circle in the future, And let Yingying come with me, I will not kill you, our grievances will end here...”

When he said this, Yue Feng looked calm.

Yes, Yue Feng didn't want to fight anymore. In this battle, the Tianqi royal family suffered heavy damage, but Tianmen's brothers also died a lot.

More importantly, even if Emperor Tianqi was hateful, he was Yingying's father.

If you really want to kill him, how will you face Yingying in the future?

Chapter 1530

“Haha...”

Hearing Yue Feng's words, Emperor Tianqi laughed loudly, looking at Yue Feng, still showing a bit of contempt: “Yue Feng, you are really whimsical, I am the honor of the ninety-five , admired by all the people, I want to conquer the land of the earth, it is a great cause to open up the territory and expand the land, it is not your turn to dictate.”

After speaking, Emperor Tianqi's face became more and more gloomy: “As for you to take Yingying away, it is even more impossible to think about it. If you have the ability, just kill me directly. Don't talk so much nonsense!”

If you are frightened by Yue Feng's two words, what kind of majesty will you talk about in the future? Where is the royal face?

In Emperor Tianqi's heart, He Yue Feng had reached an unending situation, and there was no room for recovery.

Nima!

It's all this time, and you're still stubborn.

Yue Feng's face was ashen, and the anger in his heart was rising.

I have already made a step back, but the Emperor Tianqi is still unrelenting. Do you really think I am afraid of you?

call!

Seeing this scene, the people watching the battle all looked at each other with complicated expressions on their faces.

"Is this about negotiating?"

"The two sides are evenly matched, and they can't fight anymore. However, looking at the situation, the emperor is still unwilling to compromise."

"If this is the case, the two sides will not rest for a while, let's continue fighting..."

Under the discussion, a strange light flashed in the eyes of many people.

The development of the situation is getting more and more interesting.

I thought that the Tianqi royal family would destroy Yue Feng and his comrades, but he didn't expect that Yue Feng's support had come so much, and the situation at this time was frozen.

For a time, the situation suddenly became delicate.

Yue Feng and Emperor Tianqi glared at each other and became deadlocked to each other.

"Brother Emperor!"

At this moment, a slow voice sounded from not far away.

Immediately afterwards, a figure stepped out of the crowd and slowly walked over, dressed in a black brocade robe, with an extraordinary bearing, and a powerful aura pervaded his body!

Exactly.. King Guangping!

Behind him, there are more than a dozen masters of the rivers and lakes, each with a cold expression and a strong breath, all of which are in the realm of Martial Emperor!

hiss!

Seeing the appearance of King Guangping, the audience immediately exclaimed.

“Guang...King of Guangping?”

“Ten years ago, Emperor Tianqi asked King Guangping to kill Qin Rongyin himself. King Guangping loved Qin Rongyin deeply and couldn't bear to let her go, so he angered Emperor Tianqi and was finally dragged to He was beheaded on the street, and was rescued by an expert at a critical moment, and he has disappeared since then. I didn't expect to appear again today...”

“The people who follow him are all very powerful, are they all his subordinates? ?”

Under the shock, everyone's eyes focused on King Guangping, and all of a sudden, some people not only secretly worried about Yue Feng!

After all, King Guangping is a member of the Tianqi royal family. If he helps Emperor Tianqi, Yue Feng will be in trouble.

After all, under the fierce battle before, Yue Feng and his people were exhausted and had no strength to fight again!
