

The ultimate husband in Chinese chapter 1601-1610

Chapter 1601

After the death of Emperor Tianqi, Yue Chen joined the queue of King Guangping in time, his official title remained unchanged, and he continued to enjoy the glory and wealth.

At this time, in the hall of the Supervisory Division.

In the main seat, there was a handsome young man sitting, with a slightly immature face showing a calmness that did not match his age.

It was Yue Wuya!

On the side seat next to him, Yue Chen sat there honestly, with a flattering and polite expression on his face.

“Master Yue!” At this time, Yue Wuya

spoke slowly, without the slightest emotion in his expression: “That Xing Yao you arrested, how’s the interrogation in the past two days?”

Yue Wuya is trying his best to share the worries of King Guangping, especially the matter of Yue Feng’s party, he has never taken it lightly.

Yue Chen hurriedly stood up and arched his hands: “Reporting to His Royal Highness, that Xing Yao’s tone is too strict, the minister has not asked anything yet, but rest assured, His Highness, the minister must have a way to make her speak.”

When he said this, Yue Chen looked complimented, but his heart was unspeakably depressed.

Two nights ago, after capturing Xing Yao, Yue Chen prepared to kiss Fang Ze and enjoy the tenderness. However, at a critical moment, Yue Wuya came to ask about this matter.

Although Yue Wuya was still a child, he was a prince after all, so when he intervened, Yue Chen naturally did not dare to do anything to Xing Yao.

Um!

Hearing this, Yue Wuya nodded, then looked at Yue Chen: “Master Yue, I heard that you and Yue Feng were cousins?”

Yue Chen suddenly felt a sudden shock in his heart, and couldn't help but muttered: It's broken, did His Majesty send this kid to investigate him?

Thinking to himself, Yue Chen said with a smile, "Yes, but that was the past, and now I have nothing to do with him."

"You don't have to be nervous!" Yue Wuya chuckled lightly, with a condescending attitude: "I have no other intentions, just asking, although he is my biological father, he has no feelings in my heart." After

speaking, Yue Wuya continued: "I just want to tell you that since you have taken refuge with my father, In the future, I will serve him wholeheartedly, and I can't have two hearts, understand?"

"Understood, I understand..." Yue Chen nodded again and again, and at the same time he couldn't help wiping his cold sweat.

This kid is young, but he knows how to play tricks.

He will be a difficult master in the future.

"Master Yue, it's not good."

As he was talking, a panic call came from outside, and then a prison guard rushed in in a panic, sweating profusely.

It is Zhao Chang!

"What's it like to be in a panic?" Yue Chen frowned and scolded, then asked, "What happened?"

At this time, Yue Wuya also stood up.

Zhao Chang sweated like rain and stammered: "His Royal Highness, Lord Yue, there is... someone has come to rob the prison!"

What? !

Hearing this, Yue Wuya and Yue Chen were both stunned for a moment, then their expressions were extremely excited, and they asked in unison, "Yue Feng has appeared?"

Yue Feng's friends and family members are almost caught. Yes, it can only be Yue Feng himself.

"No..." Zhao Chang shook his head and responded, "It's Wudang from the Earth Circle, those sects of Shaolin..."

Wudang and Shaolin...

Yue Chen frowned and said quickly, "Quick, call the Imperial Forest Army and go to support immediately."

When he said this, Yue Chen was very anxious. Ma De, these sects of the Earth-round Continent are really bold and dare to come to prison!

Yue Wuya, who was next to him, chuckled softly and said slowly: "Master Yue, don't worry, these sects are nothing to worry about, just catch them together next time!"

After speaking, Yue Wuya took out a piece of order from his body. Give the card to Zhao Chang: "Go to the station outside the city, show the token, and let the disciples of the Ming sect gathered there come to support."

After becoming a prince, Yue Wuya's position in the Ming sect was also rising, and he had mobilized the entire Ming sect. Disciple's right!

Chapter 1602

"Subordinates obey!" Zhao Chang took the Mingjiao token from Yue Wuya's hand, turned around and left quickly.

"His Royal Highness, the major sects in Diyu Continent, come to rob the prison. I will also go and see, I will call them, there is no return!" Yue Chen said respectfully to Yue Wuya, and walked out.

Yue Wuya nodded, the corners of his mouth twitched, revealing a slight smile, and he sipped his tea leisurely.

The father said that only when things are not chaotic can a great cause be achieved.

At this time, Yue Wuya, regardless of his temperament and attitude, was obviously different from before, and his body was filled with a royal demeanor.

Time passed by minute by minute.

Two hours later, Yue Chen walked in tiredly, his face full of excitement, and said to Yue Wuya: "Your Highness, this servant is fortunate enough to not be disgraced, and all the people from Wudang and Shaolin have been captured. "

Speaking, Yue Chen did not forget to flatter him: "Thanks to His Highness's Mingjiao disciples for help, otherwise, these sects would not be easy to deal with."

"Okay, very good!"

Yue Wuya nodded, his face full of expression. Approved, heart is also very excited.

Haha...

Some hidden dangers have been solved, the father knows, he will definitely be very happy.

With a compliment, Yue Wuya got up and returned to the palace.

"His Royal Highness!"

When approaching the gate of the palace, a young eunuch hurried up to meet him and said respectfully, "There is someone outside the gate of the palace asking to see His Highness."

"Who is the other party?" Yue Wuya asked with a frown.

The little eunuch shook his head: "I don't know, it's just a little girl."

little girl?

Is it ice?

Hearing this, Yue Wuya's eyes flashed.

Speaking of which, since Han Ao Ran was forced to resign from the head of Emei and left with Han Bing, Yue Wuya has not seen Bing Bing in all these years.

In Yue Wuya's heart, there are very few women close to him, and Han Bing is one of them.

Thinking to himself, Yue Wuya waved the little eunuch to step back and walked quickly towards the palace gate.

Not ice?

When he was about to arrive, when he saw the scene in front of him, Yue Wuya was suddenly very disappointed.

I saw a delicate figure standing outside the palace gate, with a pretty appearance, a very innocent and lovely girl, but not a cold ice.

Before she could get close, the little girl greeted her and said with a smile: “His Royal Highness Yue Wuya?”

Yue Wuya nodded, looking at the other party’s dress, what he realized: “Are you a disciple of Emei?”

“Yes!”

The little girl nodded, and immediately said, “My family’s head, there is something I want to discuss with you. I don’t know it’s inconvenient under the palace.”

Zhou Qin, head of Emei?

What is she doing to me?

Muttering in his heart, Yue Wuya nodded and said, “It’s convenient, let’s lead the way.”
To

be honest, if it was someone else, Yue Wuya would not be interested in meeting each other, but Zhou Qin was different. Helped myself a lot.

More importantly, she, like herself, hated Yue Feng very much. Zhou Qin hated Yue Feng because of love and hatred. Yue Feng did not know how many times he had rejected her!

The little girl didn’t talk nonsense, she led the way. Yue Wuya followed behind.

Ten minutes later, in a forest outside the imperial city, Yue Wuya saw Zhou Qin.

At this time, Zhou Qin was wearing a deep purple dress, floating like a fairy, but only painted light makeup, which was charming but not blasphemous.

Yue Wuya clearly felt that this Zhou Qin was obviously different from before after not seeing him for a long time.

It used to be quite normal, but now it seems to be a bit more evil.

At this time, Yue Wuya didn’t know that Zhou Qin’s whole person had completely changed since he practiced the ‘Indestructible Mantra’.

“Oh!”

Seeing Yue Wuya, Zhou Qin’s seductive face showed a charming smile: “Is this the handsome guy I used to know? In a blink of an eye, he has become the envy of everyone, His Royal Highness.”

Zhou Qin's tone made Yue Wuya very uncomfortable, and he said straight to the point: "What's the matter with you suddenly looking for me, and you are still in a place like this?"

"There are too many children." Zhou Qin smiled and couldn't help teasing.

Immediately, Zhou Qin got serious and asked, "Did the martial arts of Wudang and Shaolin come to rob prison?"

Yue Wuya nodded.

"I'm looking for you because of this." Zhou Qin said with a smile, with a little smile in his eyes.

"You want me to let go of martial arts like Wudang and Shaolin?" Yue Wuya's eyes flickered, realizing something, and said.

"Clever." Zhou Qin nodded approvingly, then shook his head and said: "However, I don't want you to let go of the major sects. I want you to create an opportunity for me, the Emei sect, to save the Wudang and Shaolin sects. In this case, the major sects will appreciate my Emei."

In fact, Wudang and Shaolin and other sects also invited Emei to join the prison before they planned to rob the prison.

Zhou Qin hated Yue Feng deeply, how could he really save Yue Feng's family and friends? Pretending to agree, but deliberately delaying until the end, he brought his disciples to Tianqi Imperial City. Missed the robbery.

Zhou Qin smiled slightly and said seriously to Yue Wuya: "You still owe me three conditions. Now you are the prince. You can't fail to say anything."

After speaking, Zhou Qin continued: "Don't worry, I only save Wudang and Shaolin sects, Yue Feng's friends and family, I will not take any of them!"

Chapter 1603

When Yue Wuya fell into Zhou Qin's hands, Zhou Qin negotiated conditions with him, as long as he helped him get the Qiqiao Linglong Pill, Yue Wuya had to promise Zhou Qin three conditions!

Zhou Qin has never forgotten about this!

"Okay, I'll help you!" Yue Wuya took a deep breath and nodded in agreement!

To be honest, Zhou Qin was forced by some strong men to do so. Yue Wuya was very unhappy in his heart, he is now the prince, who would dare to talk to him like this?

But the promises made by oneself must be fulfilled. This is a principle that cannot be violated.

Thinking to himself, Yue Wuya said seriously: "After this matter is finished, I still owe you two conditions."

Zhou Qin pursed his lips and smiled, and couldn't help teasing: "What? The little handsome guy has grown up slowly, Are you afraid that I will often pester you in the future?"

Yue Wuya was too lazy to talk nonsense, and said lightly: "I'm very busy, I have nothing else to do, I'm going back to the palace!" The

voice fell, Yue Wuya turned and walked towards the imperial city.

boy!

Watching Yue Wuya leave, the smile at the corner of Zhou Qin's mouth gradually solidified, revealing a bit of gloom.

The next two things, I'm afraid you can't do it so easily!

.....

Midnight, the Imperial City prison.

Although the fierce battle during the day had subsided for several hours, there was still a bloody smell in the air.

In the prison, Master Lingbao, Master Kongwu and Gongsun'e were all sitting there with their heads down and depressed.

I thought that this time, by uniting various sects, we could successfully rescue Yue Feng's family and friends.

Unexpectedly, not only did the Royal Forest Army support quickly, but the Ming Cult also came to help, resulting in the failure of the prison robbery.

"Hey!"

At this time, Jiang Shan, who was not far away, sighed softly and couldn't help but said, "Spiritual Master Lingbao, Master Kong Wu, you are too impulsive, you should have a careful plan before coming to the prison. Ah."

When saying this, Jiang Shan looked at Ouyang Zhennan, who was dripping with blood, and her eyes were full of distress.

So many sects have been arrested, and the Earth Circle Continent is completely over.

The voice fell, Lingbao Zhenren, Gongsun'e and others were all annoyed.

“Who would have known that King Guangping was so cunning and formed an alliance with Mingjiao...”

“Yeah, if it wasn't for the help of Mingjiao, those imperial guards wouldn't be a problem at all...”

“Alright, alright, what do you say now? It's too late!”

Everyone was talking, each with a helpless and depressed expression.

Putong putong...

And at this moment, I saw the two jailers at the gate of the prison collapse without warning.

Swish swish...

Then, dozens of figures rushed in quickly, all of them were female disciples, all in white long skirts, all of them were beautiful and beautiful, they were disciples of the Emei School.

The first one, a deep purple dress, is absolutely stunning, it is Zhou Qin.

Emei sent?

It's Sect Master Zhou.

Seeing the scene in front of them, everyone in the cell was surprised and delighted, indescribably excited.

It was agreed before that the major sects converged together to rescue Yue Feng's family and friends, but Emei was not seen for a long time.

I thought that Emei would not come, but I didn't expect it to appear at a critical time.

Although the Emei faction was late, it was the hope of the entire Earth Continent.

“Sect Master Zhou!”

“Sect Master Zhou, you are too timely...”

At this time, Master Lingbao and Master Kongwu were all excited.

In their eyes, Zhou Qin at this time was simply the savior.

After all, if all these sects are disposed of, the rivers and lakes of the Earth Circle Continent will be completely over.

Zhou Qin walked slowly, showing a faint smile: “The Emei faction had some delays before, so it’s late, everyone, please don’t blame me.” After

speaking, Zhou Qin waved his hand.

The surrounding Emei sect disciples immediately walked into the cell and loosened the bonds of the various sects. From start to finish, it went smoothly. Not a single Apocalypse soldier found out that Emei was sent to save people. Of course, this was because Zhou Qin and Yue Wuya had negotiated, and Yue Wuya had already transferred the Tianqi Imperial Forest Army. At this time, there were no royal guards around the prison. That’s why Zhou Qin went so smoothly and saved the major sects.

However, after loosening the bonds of the major sects, the disciples of the Emei School did not loosen the bonds of the Ouyang family and Yue Feng’s friends.

This... what’s the situation?

In an instant, Spirit Treasure Master, Master Kongwu and others were all at a loss.

The next second, Master Lingbao looked at Zhou Qin and couldn’t help but ask, “Sect Master Zhou, why didn’t you save the Ouyang family?”

Zhou Qin smiled lightly and said slowly, “Why should I save them ? ?”

Uh...

Hearing this, Lingbao’s expression froze, and he didn’t know how to speak!

At this time, Zhou Qin’s beautiful face showed a bit of disdain, and continued: “I came to rob the prison this time to save the heads of the sects, and for the sake of the inheritance of various sects. As for the Ouyang family and the Tianmen... .What does their life and death have to do with me?”

Chapter 1604

When he said this, Zhou Qin’s expression was cold and without the slightest emotion.

Ugh!

Seeing this scene, Master Lingbao, Master Kong Wu and others also shook their heads secretly, very helpless.

The relationship between Zhou Qin and Yue Feng is known to everyone in the entire Earth Continent, and the right and wrong between Yue Feng and Zhou Qin is really difficult for others to say. At this time, Zhou Qin was unwilling to save the people of the Ouyang family, and it was difficult for others to comment.

“Zhou Qin!” At this moment, an angry shout came from the corner of the prison, and then a figure stood up, it was Sun Dasheng!

Sun Dasheng stared at Zhou Qin, and cursed: “You are so phony to come here. I don’t mind asking you to save me!”

“Yes, we live and die by the sky, and we don’t need others to save...”

“That’s right, it’s not uncommon...”

Shah!

Hearing this, Zhou Qin’s face changed suddenly. It was as cold as frost and stared at Sun Dasheng: “I’m already a prisoner, and I’m not far from death, and I’m still stubborn.”

Seriously, Zhou Qin is very If you want to kill Sun Dasheng and Wen Chou Chou immediately, you must know that when Zhou Qin killed the head of the Huashan faction, and then put the blame on Yue Feng, only Sun Dasheng and Wen Chou Chou know the truth.

Kill them and you will be free once and for all.

It’s just that with so many sects around, it would be inappropriate to do it.

“Zhou Qin!”

At this moment, Su Qingyan couldn’t stand it any longer, and couldn’t help but said, “You and Yue Feng’s grievances are right and wrong, and you know best in your own heart, so you don’t have to put on a show. It looks like a fake and aloof.”

As Yue Feng’s woman, Su Qingyan naturally understands the grievances between Zhou Qin and Yue Feng. It can be said that many things are caused by Zhou Qin.

Seeing her fall into trouble at this time, not only did she not save the Ouyang family and Tianmen, but she also spoke sarcastically, even if Su Qingyan had a good temper, she couldn't help it.

"Fake audacity?"

Hearing this, Zhou Qin's face froze, anger came from his heart, he stepped forward, raised his jade hand, and threw it directly at Su Qingyan!

With this slap, Zhou Qin tried her best, even with the endless resentment in her heart. In terms of appearance and aptitude, she couldn't compare to this Su Qingyan, but Yue Feng accepted her and refused to do so. Accept yourself.

"Crack!"

Su Qingyan was blocked from her inner strength and couldn't dodge at all. She heard a crisp sound, Su Qingyan groaned, she was slapped to the ground, and her lips were bleeding!

"Hey!"

Seeing this scene, the surrounding people from other sects all gasped in air!

Zhou Qin is too ruthless this time. If he doesn't agree with each other, he will act. Is this to completely break with Yue Feng? You know, this Su Qingyan is Yue Feng's woman, she actually said she would fight? !

In particular, the leaders of Lingbao Zhenren and Master Kongwu looked at each other with embarrassed expressions on their faces.

At this time, they all wanted to come over to persuade peace, but seeing Zhou Qin's face full of frost, they held back.

"Someone, tie this Su Qingyan to me." Zhou Qin said coldly before he could relieve his anger.

As soon as the voice fell, several Emei disciples responded and were about to surround them.

"Stop, stop..."

At this moment, a delicate figure shouted, rushing over quickly and blocking Su Qingyan's face, her delicate face was full of anxiety and determination.

It is Xiao Xi!

Xiao Xi and Yue Feng follow each other in life and death, so when the Ouyang family came to Tianqi Continent, they also followed.

At this time, Zhou Qin wanted to do something to Su Qingyan, but Xiao Xi didn't have time to think about it, and tried her best to stop her.

Having lived with Su Qingyan in the Ouyang family for so many years, Xiao Xi has long regarded her as her own sister!

"Get away from me!" Zhou Qin frowned and shouted angrily!

Chapter 1605

A maid dares to challenge herself, she is just courting death!

Xiao Xi shook her head with a resolute expression: "With me here, you can't hurt Sister Qingyan."

Immediately, Xiao Xi stared at Zhou Qin: "You bad woman, you have done so many things sorry for your son before, He also slandered the young master, saying that he killed the head of Huashan, and a woman like you with a heart like a scorpion can't die..."

"Crack!" Before he

finished speaking, Zhou Qin walked over quickly and slapped it hard. , threw it on Xiao Xi's face.

"Damn girl, how dare you talk to me like that. I don't have any tutoring!" Zhou Qin said coldly, only to feel annoyed with a slap.

"Crack! Slap! Slap!" The

crisp voice kept ringing!

Xiao Xi is extremely weak, how can she bear it? ! At this moment, blood oozes from the corners of her mouth, and her legs are extremely soft. But she still shouted: "Bad woman, you must not die well, you must not die well..." It's

okay to see death and not save, but also to bully Sister Qingyan, there is no woman in the world more vicious than Zhou Qin .

Hearing this, Zhou Qin became even more angry, grabbed Xiao Xi's hair and slapped her harder and harder!

"Xiao Xi..."

“Zhou Qin, are you still human when you hit a little girl?”

“Nima, come to me if you have the ability...”

Seeing this scene, Sun Dasheng, Wen Chou Chou, and Su Qingyan and the others were all shocked and angry, and shouted at Zhou Qin.

Especially Sun Dasheng, his eyes were blood red and he was about to explode with anger.

Xiao Xi is so cute and cute, but being beaten like this by Zhou Qin is really annoying.

“Haha...”

Zhou Qin sneered when he heard Sun Dasheng’s scolding: “You don’t let me fight, I want to fight, I can’t help but kill this dead girl who has no education at all.” The

voice fell, Zhou Qin stimulated her inner strength, and slapped Xiao Xi’s heart with a ruthless slap!

In an instant, Sun Dasheng, Su Qingyan and the others all changed their faces, and their hearts were raised in their throats.

Son...

see you in the next life.

Seeing Zhou Qin hit with a palm, Xiao Xi couldn’t stop her tears and closed her eyes in despair.

Although Xiao Xi is also a cultivator, how can she be Zhou Qin’s opponent?

“Sect Master Zhou, no!”

At this critical moment, a figure walked over quickly with a serious expression!

It is the master of nothingness!

Zhou Qin frowned, and withdrew her palm abruptly!

call!

Master Kong Wu took a deep breath, put his hands together and said slowly: “Amitabha Buddha, the head of Zhou, everyone is from the same continent, and they are of the same spirit, so don’t fight infighting during the critical period, and don’t wantonly hurt innocents, make murders. “...” The

original grievance between Zhou Qin and Yue Feng was not easy for Master Kong Wu to intervene, but seeing her dealing with a little girl at this time, she was compassionate and could not bear it any longer.

The voice fell, Lingbao real person also persuaded: "Yes, it's just a little girl, why should the head of Zhou have the same knowledge as him, before the Royal Forest Army comes, let's hurry up."

To be honest, the real Lingbao wanted to persuade Zhou Qin to save the Ouyang family and the people from Tianmen. But seeing the situation develop to such a situation, it can only completely dispel the idea.

"You're lucky this time."

Zhou Qin slapped Xiao Xi again: "This time, for the sake of Wudang and Shaolin, I will spare your life, and next time it falls to me, I will let you. You can't survive, you can't die. You bitch, I just slapped you a few times this time, so you're lucky."

The ultimate husband in Chinese chapter 1606-1610

Chapter 1606

Seriously, Zhou Qin has already killed Xiao Xi!

But... Shaolin and Wudang are famous and authentic in the land of the earth, and they have a very high status in the arena. They came out to plead for Xiao Xi, and Zhou Qin would definitely give them this face.

Xiao Xi's face was red and swollen from being beaten, but her eyes still flashed with stubbornness.

"Zhou Qin, wait for me with your special code!" At this moment, Sun Dasheng stared at Zhou Qin closely: "When I go out alive, I will settle the account with you!"

At the same time, Wen Chou Chou also had red eyes and glared at him. With Zhou Qin.

He could not forget the tragic death of his wife.

And just now, Zhou Qin wanted to kill Xiao Xi... This kind of woman, staying in the rivers and lakes is a disaster!

call!

Feeling the anger of Sun Dasheng's people, Zhou Qin chuckled disdainfully: "It's not certain who will trouble whom in the future." After

saying that, Zhou Qin waved his jade hand to the surrounding Emei disciples: "Quick, take it with you. Everyone, leave."

Since he has been in the prison for so long, if he continues to stay, it is easy to be suspected.

After all, this is the imperial city prison, and the defense can never be so loose.

"Yes, Sect Leader." Dozens of Emei disciples responded one after another, then led the way in front of them and escorted the various sects away.

Zhou Qin followed slowly.

When the last person was taken out, Zhou Qin turned around, looked at Sun Dasheng and the others in the cell with a half-smile, and said coldly: "Sun Dasheng, Wen Chou Chou, even if you can escape alive, at that time, the land The rivers and lakes of the Yuan Continent have been firmly in my hands... At that time, even if you three brothers join forces, I, Zhou Qin, will not be afraid at all."

This chapter is provided by . Visit for daily update.

When the words fell, Zhou Qin smiled charmingly and turned to leave.

What?

Are the rivers and lakes of the Earth Circle Continent under her control?

In an instant, the expressions of Sun Dasheng and Wen Chou Chou changed.

She was so sure, could it be a conspiracy?

broken!

Wen Chou Chou has a stable personality and has foresight. He suddenly thought of something, and said anxiously: "This Zhou Qin, it is a fake to save the major sects, she must use some insidious method to deal with Lingbao real people."

When saying this, Wen Chou Chou was sweating anxiously.

Mad, I'm still careless. The head of Huashan was killed by Zhou Qin before. How could she be so kind to save Wudang and Shaolin...

Thinking to myself, Wen Chou Chou hurried to the iron fence and looked outside. He shouted: "Real Lingbao, Master Kongwu, Zhou Qin has ulterior motives, you have to be careful..."

However, the only people who responded to him were Huhu Yefeng, Wudang and Shaolin, who had been arrested by Zhou Qin. Take it away. "Palace Master Wen is right, Zhou Qin

is too sinister..."

"Yeah, this woman is so vicious, how could she be so kind?"

"

He Jiang Shan, Su Qingyan and the others also reacted, and they all dropped their hands and feet, anxiously.

...

On the other hand, under the guard of Emei disciples, Wudang and Shaolin sects managed to escape from the imperial city.

Of course, this was because Zhou Qin and Yue Wuya had negotiated, and Yue Wuya issued an order in advance to let the guards at the city gate relax their vigilance. Otherwise, with the strength of the Emei faction, it would be impossible to successfully take out so many sects. .

After all, this is Tianqi Imperial City.

However, Master Lingbao and Grand Master Kongwu were not aware of this. They only knew that it was the most important thing to get out of here quickly. They never thought about why they escaped so smoothly.

Chapter 1607

Finally, in the woods a few miles away from the imperial city, everyone stopped to rest.

"Everyone!"

This is, Zhou Qin showed a smile and said slowly: "You fought fiercely with the royal family before, and your internal strength was too much. If you continue to walk like this, I am afraid that the Imperial Forest Army and the Ming Cult will soon catch up.

”, Zhou Qin took out a jade bottle and said with a smile: “Just right, I have some elixir here to restore internal strength, everyone take it quickly, the internal strength has recovered, and we can also cope with emergencies.”

After finishing the last sentence, Zhou Qin handed the jade bottle to the disciple next to him, indicating that they should share it with Master Lingbao.

At this time, Zhou Qin had a smile on his face, but there was a hint of gloom in one eye.

Whoa!

At this moment, Wudang and Shaolin masters from various schools were extremely excited and excited.

Master Lingbao and Master Kongwu were even more grateful when they stood up.

“Many thanks to Sect Leader Zhou.”

“Sect Leader Zhou thought too well.”

“Yeah, and with so many elixir, it really cost Sect Leader Zhou a lot of money.”

When everyone said you and me, Zhou Qin’s face came Shang smiled even more intensely, waved his hand and said, “Everyone is from the same continent, with the same spirit, you don’t have to be so polite.”

At this time, the disciples of Emei began to divide the medicinal herbs, and the gang of Spirit Treasures People, without the slightest doubt, took it one after another.

Seeing this scene, Zhou Qin’s mouth twitched, as long as these people took the medicine pill, he would be half-successful.

wow...

After everyone took the medicine pill, they all sat cross-legged on the ground and began to recover their inner strength.

However, just a few seconds later, Master Kongwu suddenly frowned and his body trembled... Something was

wrong...

At this moment, Master Kongwu’s face was pale, and his heart was also surprised, strange, after taking the medicine pill, The speed at which oneself recovers internal strength should be accelerated, but... now not only does Dantian have no response, but internal strength seems to be imprisoned, and it can’t be motivated at all!

Not only that, but he is also weak, as if... Dantian seems to be suppressed!

This... this is clearly a sign of poisoning!

I thought to myself, Master Kong Wu was about to stand up, but his legs were so weak that he couldn't exert any strength at all.

Haha...

The medicine works!

Seeing this scene, Zhou Qin was extremely proud, and looked at Master Kongwu with a full smile: "Master Kongwu, what's going on?" The

tone seemed to be very concerned, but it showed a bit of drama.

"Sect Master Zhou, Lao Na..." Master Kong Wu opened his mouth and was interrupted by Zhou Qin as soon as he uttered a few words.

Zhou Qin smiled and said: "Master, do you feel that your body is weak and weak, that your dantian is suppressed by an invisible force, and you can't mobilize a little internal force ?

"

The child changed, and looked at her in surprise: "Zhou Sect, there is something wrong with the medicine you gave us, right ?

"

Looking at Zhou Qin in shock and anger, they all scolded.

"Sect Master Zhou, what do you mean?"

"You are such a beautiful woman, why are you so cruel? You actually poisoned us?"

Chapter 1608

"Zhou Qin, what is your intention? Our major sects have no grievances or hatred with your Emei sect. Why do you want to poison?"

" Suddenly his face changed, and he clearly felt that his inner strength could not be exerted, and at the same time, his body was extremely sour!

At the same time, the expressions of other people around also changed, and their bodies trembled!

“Oops, my internal strength seems to be suppressed...”

“Me too...”

“What a domineering poison...” Before the

words were finished, the masters of various sects slumped on the ground one after another. Can't move at all.

Seeing this scene, Zhou Qin said to Master Kongwu: “Master guessed right, what I gave you is not a magic medicine to restore internal strength, but a poison! Master Kongwu, didn't you think of it?”

What?

It's really poison...

Master Kong Wu is frightened and angry, and these sects have no grievances with Zhou Qin, why did she do this?

Master Kong Wu was sweating profusely, what poison did this Zhou Qin have? It was so powerful that I didn't even notice it at all!

At this moment, Zhou Qin's smile grew thicker, and she looked at Master Kongwu with a playful expression: “Master Kongwu, don't guess, what I use for you is ‘Heitian Dan’. This poison, look at it seems to be fragrant, but it is extremely poisonous.”

Hei Tian Dan?

Hearing this word, Master Kong Wu and Spirit Treasure Master, as well as many sect masters, were all confused.

What kind of poison is this, why haven't I heard of it before?

Seeing their expressions, Zhou Qin chuckled lightly.

That's right, this black heaven pill is the poison recorded in the ‘Indestructible Scripture’ that Zhou Qin cultivated. It was invented thousands of years ago by Zhang Jiao, the leader of the Yellow Turban Army, in order to control his subordinates.

Later, the Yellow Turban Army was destroyed, Zhang Jiao disappeared, and this poison disappeared.

Now that Zhou Qin has practiced the indestructible scriptures, he has once again reproduced this Black Heaven Pill.

At this time, Zhou Qin looked at Master Kongwu and the others, and said proudly: "Master Kongwu, Spirit Treasure Master, the effect of this Heitian Pill is similar to that of Tongtian Sect's Tongtian Pill, but the effect is ten times more overbearing. With that

said, Zhou Qin's eyes fell on Master Kongwu: "Moreover, this poison also has a characteristic, the stronger the strength of the poisoned person, the faster the effect of the drug will occur, and Master Kongwu will be the first to respond, as expected. He is the No. 1 monk of Shaolin."

Master Kong Wu practiced Yi Jin Jing since he was a child. This kind of exercise is not very powerful in the early stage, but the more you practice, the stronger it becomes! Master Kong Wu's current strength is really strong!

At this time, the powerhouses of the major sects were in a hurry.

Zhou Qin just said that this Heitian Pill is ten times more domineering than Tongtian Pill?

Hearing this, everyone's expressions changed greatly, and they couldn't help but gasp for air!

Although Tongtian Sect no longer exists, Tongtian Pill is no stranger to everyone. Back then, Tongtian sect master used this kind of Tongtian Pill to control his subordinates. It will rot all over and die miserably.

And the efficacy of this Heitian Pill is actually ten times more domineering than Tongtian Pill. When the poison strikes, wouldn't it be even more terrifying?

"Zhou Sect..." Master Kong Wu was the first to react. He first recited a Buddha's name, then looked at Zhou Qin and said slowly: "Why are you doing this? We have no grievances or enmity."

Chapter 1609

At the same time, all the people in Lingbao were also staring at Zhou Qin, and they were so angry.

This week's relatives, it's really insidious, to take advantage of people's danger and poison the major sects, aren't you afraid of becoming the public enemy of the Earth Circle?

Zhou Qin smiled and looked at Master Kongwu and others, and said slowly: "Masters, don't panic, I didn't want your lives to do this."

"My conditions are very simple, starting from today. From now on, you respect me as the leader of the martial arts alliance. You must not violate my orders in the slightest. As

long as you agree, I will help you to relieve the toxicity immediately. You must know that after taking the Heitian Pill, the poison will penetrate into your meridians. , In the entire Kyushu, except me, there is no other person who has the antidote.”

When he said this, Zhou Qin’s eyes swept over everyone.

Yes, the reason why Zhou Qin saves the major sects, the ultimate purpose is to be the martial arts leader of the Earth Continent. You must know that with the strength of the Emei faction, it is very difficult to wipe out the sects of Wudang and Shaolin.

This time, Wudang and Shaolin sects, in order to save Yue Feng’s friends and family, were imprisoned in the prison by the Tianqi royal family, which was a rare opportunity.

Whoa!

Hearing this, all the heads present immediately exploded.

“You want to be the leader of the martial arts alliance?”

“Although you are the head of Emei, but you are still young and young, how can He De be the leader of the martial arts alliance?”

“That’s right, and with such despicable means, you Do you really think that we are all afraid of death?”

Everyone’s words from you and I were all blaming Zhou Qin.

Hearing this, Zhou Qin smiled slightly and looked around: “Whether you have the ability, let’s not talk about it, in short, your lives are now in my hands.”

With that said, Zhou Qin walked slowly to Master Kongwu : “Master Kongwu, you Shaolin is the Big Dipper of Mount Tai in our Earth Circle. You should make a statement first.” .

“Amitabha!” Master Kong Wu looked helpless, looked at Zhou Qin and said deeply: “Zhou Sect, I Shaolin and you Emei have always been in the same spirit. Speaking of which, when you joined Emei to worship, Lao Na At the time, I was still witnessing, you are not bad, but now you have escaped into the evil way, which is really a pity...”

After speaking, Master Kong Wu sighed and continued: “Zhou Sect, listen to Lao Na’s advice, the sea of suffering is boundless and there is no turning back. Ah.”

Zhou Qin frowned, and said coldly: “Long-long, do you respect me as the leader of the martial arts alliance?”

Master Kong Wu shook his head: "Zhou Sect, although your talent is good, you need to be a martial artist. Alliance Leader, it's not enough..." "Oh." Hearing

this, Zhou Qin nodded with a cold expression on his face: "So, do you disagree?"

There are several acupoints on the body of Master Kong Wu.

After taking Hei Tian Pill, Master Kong Wu was already very weak, and Zhou Qin pointed a few pain points.

"Hi..."

Under the severe pain, Master Kong Wu's face was instantly pale, and his forehead was dripping with cold sweat! His whole body was shaking like a sieve, and he kept sucking in the cold air.

At this time, Master Kongwu only felt that his whole body was bitten by thousands of ants, and he could not know the pain without experiencing it himself.

The corners of Zhou Qin's mouth twitched, revealing a smile, which seemed charming and charming, but everyone around was trembling with fear.

This woman is so beautiful, yet her heart is so vicious.

"Real Lingbao."

At this time, Zhou Qin's eyes fell on the real person Lingbao: "Master Kongwu is old, and he can't understand this matter, and the real person Lingbao can't be so pedantic. Just kneel down and respect me martial arts. The leader of the alliance. You can save the pain of flesh and blood."

Chapter 1610

"Hehe..." Lingbao sneered, with a fearless expression on his face: "Zhou Qin, you underestimate my Wudang. If I were to serve you as the leader of the alliance today, what kind of famous Wudang would I talk about?"

"Okay, okay!" Zhou Qin nodded again and again: "Have a backbone!" When the voice fell, Zhou Qin shot again and tapped several pain points of Lingbao Zhenren.

Immediately, the real Lingbao screamed and fell directly to the ground and rolled.

I have to say that this Black Heaven Pill is indeed extremely domineering. Once the practitioner takes it, in addition to the suppressed internal strength and weakness, the

pain sensation has improved a lot. That is to say, the perceived pain is several times deeper than usual.

Under such circumstances, even Master Kong Wu, such as Master Lingbao, would not be able to resist!

hiss!

Seeing this scene, the other sect masters around were pale and their hearts trembled! "What about you?" At this time, Zhou Qin looked around, and her icy

voice was like a cold spring in hell: "Those who obey me will prosper, those who go against me will perish, you must think clearly."

The first one came out, knelt down in front of Zhou Qin in public, and said loudly: See the leader! "

Just kidding, this Zhou Qin's methods are too cruel, even Master

Kongwu and Lingbao Daoist can't stand it. People like me are not as good as death? The so-called person who knows the times is Junjie, and the situation in front of you has to be soft.

"See the leader! " "

In an instant, the other people around also knelt down a lot.

The situation in front of us is very obvious. If you don't obey Zhou Qin, you will die.

Everyone is not a fool, and no one wants to die."

Seeing this scene, Zhou Qin's mouth twitched, revealing a smile.

The previous efforts were indeed not in vain.

Thinking to himself, Zhou Qin looked at Master Lingbao and Master Kongwu: "How is it? Master Kongwu, Master Lingbao, have you figured it out now?"

Phew!

Master Kong Wu took a deep breath, sweating all over his body, he was already weak, and he said intermittently: "Since... Zhou Sect Leader is well-received, Lao Na has no objection..."

When he said this, Kong Wu In the master's painful expression, there is a bit of helplessness.

The situation is now over, and all the major sects have already supported Zhou Qin. If Shaolin persists, it will be difficult to support him alone. After all, his life now rests in Zhou Qin's hands.

The real Lingbao next to him didn't speak, but his expression was indifferent, apparently tacitly agreeing.

call!

Zhou Qin breathed a sigh of relief, and was extremely proud in his heart. Looking at Master Kongwu, he smiled and said: "It's so good, Master doesn't have to suffer like this." After the

voice fell, Zhou Qin walked over slowly and untied the relationship between Master Kongwu and Wuwu. The pain point on Lingbao's real life.

The pain was relieved, and the expressions of Master Kong Wu and the two suddenly eased a lot.

quiet!

At this moment, except for the night wind in the surrounding mountains and forests, the audience was silent.

This woman is so terrifying, gentle and charming on the surface, yet so cruel!

"Everyone!"

At this time, Zhou Qin looked around and smiled slightly: "Since everyone loves so much, the leader of this alliance will be disrespectful. Let's take a rest first, and when you return to the Earth Continent, this alliance will let you do one thing. Son."

"Please make it clear!" In an instant, the masters of the surrounding sects responded in unison, each with a respectful expression.

"I want you to go back and eradicate all the forces related to Yue Feng, and leave none of them." An icy voice came from Zhou Qin's mouth. Although he was smiling, his eyes were full of viciousness.

Over the years, Tianmen has promoted good and eliminated evil, and has subdued many evil forces in the rivers and lakes. These evil forces have all changed their evil and followed good. Some have merged into Tianmen, and some have not.
