

## The ultimate husband in Chinese chapter 1651-1660

Chapter 1651 The

former Emei sect, because it only accepted female disciples, was relatively special, so there were very few visitors. On weekdays, except for the disciples of this sect, there were few visitors, and it was very deserted.

And since Zhou Qin became the leader of the martial arts alliance, people have come to see him every day.

At this time, in the Emei Hall, there were no empty seats, and the people present were the heads of various sects in the Earth Circle Continent.

A few days ago, Zhou Qin ordered the major sects to clear the forces related to Yue Feng. At this time, the major sects gathered here and were reporting the situation!

“Clan Leader Zhou, those forces that have a good relationship with Yue Feng have almost been eliminated!”

“Member Zhou, I have also eliminated a lot of Yue Feng’s friends!”

At this time, everyone looked at Zhou Qin, you Word by word, reporting progress.

There was a smile on Zhou Qin’s face, and he nodded in approval: “Okay, very good, you are doing well. I will give you the antidote for this year’s ‘Black Sky Pill’ later.

” Excited, he spoke in unison. At the same time, looking at Zhou Qin’s eyes, there is also awe.

After all, the taste of Heitian Dan’s attack is really unpleasant.

“Leader Zhou!”

At this moment, a figure walked quickly into the hall! His expression was a little apprehensive, but mixed with a bit of excitement.

It is the owner of Tangjiabao, Tang Qingyun!

“Tang Qingyun, I called everyone here today, why are you late?” Zhou Qin said lightly, her beautiful face did not fluctuate at all, but her whole body was filled with heart-pounding majesty.

Gudong!

Tang Qingyun swallowed his saliva secretly, and said in fear: "Back to the leader, my progress here is a little slower. But the leader of the Zhou alliance, rest assured, I will do my best to complete the task you explained and eradicate the forces related to Yue Feng.

", Tang Qingyun looked at Zhou Qin's face, and said cautiously: "On the way I came, I passed a valley and found a collapsed big hole. There was a faint light flickering in the big hole. I think there must be treasures in it, so let Tangjiabao My disciples stayed there to guard, and I hurried to report to the leader, so I came late."

Wow!

Hearing this, the other sects around were in an uproar. They looked at each other in dismay, unable to hide the shock in their hearts.

Collapsed hole? And treasures?

Zhou Qin also smiled and said, "Come on, let's go with this seat to see if there are treasures."

"Yes!"

"It's the leader of the alliance!"

Soon, the various sects quickly prepared and set off with Zhou Qin. .

Half an hour later, in a valley, I saw a huge hole in the ground. Dozens of Tang Family Fort disciples were on alert.

There really is a big hole!

Seeing this scene, everyone was inexplicably excited. They all gathered around.

When they walked to the edge of the cave and saw the scene inside, everyone was secretly surprised.

I saw this hole, more than 100 meters deep and 50 to 60 meters wide! It is not an ancient tomb, but a huge secret room, showing the ancient atmosphere of vicissitudes, but most of the places have collapsed. Obviously, it should be a place where a certain ancient sect practiced.

As for what sect, there is no way to verify it.

After all, there have been many sects in the Diyu Continent for thousands of years, but they all disappeared.

call!

Seeing this scene, Zhou Qin smiled lightly, there must be something good in this cave!

At this moment, Zhou Qin really wanted to go down and have a look, but considering her identity, she held back!

Tang Qingyun, who was on the side, couldn't hide his excitement. If there was something good in it, he would have made a contribution in front of the leader.

Soon, several Tangjiabao disciples who were exploring the cave came up.

"Is there anything?" Tang Qingyun quickly stepped forward and asked.

"Master, I found a flute." One of the disciples responded, and then handed over a flute.  
flute?

Tang Qingyun frowned when he found the flute.

The other sect masters around also gathered around.

I saw that the flute was full of emerald green, with a halo flowing on it, as if there was water flowing, but there was no spiritual power fluctuation. There are also three quaint characters engraved on it: Cui Xian Flute.

Chapter 1652 "Cuixian

Flute? It sounds very elegant! But this flute looks ordinary.

"

The flute handed it to Zhou Qin: "President Zhou, look..."

Zhou Qin took the flute and frowned, "A broken flute, what's so good about it?"

When he said this, Zhou Qin was still subconscious. Motivated the internal force, injected the flute, put the flute to the mouth, and played it lightly.

When Zhou Qin was in school, he had studied musical instruments for several years.

"Woooo..." Suddenly, a quiet and gentle flute sounded.

hum!

When the flute sounded, I saw a powerful wave that spread wildly around! In the air, it seems to form layers of ripples!

Feeling this fluctuation, everyone present changed their faces! They covered their ears one after another. Ever since they heard the flute, they became dizzy and could not stand steady!

Not only that, everyone's dantian seems to be suppressed!

This... the sound of this flute playing is so terrifying?

This is not an ordinary flute, it is simply an artifact!

For a time, everyone around looked at the flute in Zhou Qin's hand, and they were extremely shocked!

"This flute has such power..."

At this moment, Zhou Qin's body trembled, unable to hide her excitement: "Not bad!"

You must know that in the duel of the Jianghu masters, a little mistake will determine the key to victory and defeat, and this flute can actually suppress the inner strength of other people's dantian, which is an absolute good thing!

"Congratulations to the leader of the alliance for obtaining such an artifact." At this time, Tang Qingyun was the first to come over and shouted respectfully.

When shouting these, Tang Qingyun was full of smiles, but his heart was extremely distressed.

This flute was originally discovered by a disciple of Tangjiabao. Tang Qingyun thought that this flute was just an ordinary weapon, so he gave it to Zhou Qin first. But Tang Qingyun never imagined that this seemingly ordinary flute turned out to be an artifact! If I knew this earlier, I wouldn't tell Zhou Qin!

Thinking of this, Tang Qingyun felt a pain in the flesh!

"Congratulations to the leader, getting the divine weapon!" The other sect masters around also clasped their fists and congratulated in unison.

Um!

Zhou Qin nodded, his face full of joy and excitement.

With this flute, one's own strength will surely rise to a higher level. Thinking about it, Zhou Qin praised Tang Qingyun: "Tang Qingyun

, you have contributed a lot to this seat's acquisition of the artifact this time, and you will be the deputy leader in the future."

"Thank you, leader!"

Said: "Don't worry, the leader of the alliance, after Tang Qingyun, I will do my best to serve the leader of the alliance."

Tang Yunqing was full of smiles. Although he missed the artifact, it was not bad to sit on the deputy leader.

"Om!"

Just as he was talking, suddenly, Tang Qingyun sensed the ground beneath his feet, and bursts of violent roars came! The strong vibration almost made people stand unsteady, as if the world had collapsed!

wow..

Under the violent vibration, the cave next to it collapsed completely, and the dust and smoke filled the air!

hiss!

The expressions of the people around them changed drastically, and they looked around, inexplicably terrified.

what's the situation?

Is there an earthquake?

Zhou Qin was also taken aback, and immediately looked in the direction of the vibration with everyone around him!

Just seeing the southwest, the direction of Zhongyuan Continent, the distant horizon, the changing situation is very shocking!

Chapter 1653 What the hell

!

It is the direction of Zhongyuan Continent!

Everyone was stunned for a moment, and then some people couldn't help but muttered to themselves: "I'm going, this... Is there another artifact born?"

Ten years ago, the birth of the Kaitian Axe shook the world. A few months ago, The appearance of the ancient tomb of Lu Bu once again caused a shock in Kyushu. Everyone still remembers the situation at that time!

As soon as the voice fell, someone interrupted directly.

“No, this is not the case with the birth of an artifact!”

“Yes, and the leader of the alliance has just obtained an artifact, even if a natural vision is born, it is on our side..”

“Could it be that another ancient tomb was born?”

“Also It’s not like..”

When everyone’s comments came from you and me, Zhou Qin didn’t react at all, but looked up at the sky, with a bit of excitement and excitement on her seductive face.

call!

After a few seconds, Zhou Qin took a deep breath and said, “Whether it’s an artifact or an ancient tomb, there must be treasures in such a vision, pass my order, and all sects can prepare, follow me to the Zhongyuan Continent, make no mistake!”

When saying this, Zhou Qin’s beautiful face showed a bit of firmness.

I have already obtained a Dizi artifact, and this treasure that was born is even more determined to get it.

“Follow the command of the leader!” The

voice fell, and the surrounding masters of various sects responded in unison!

A few minutes later, the various sects quickly assembled, and with Zhou Qin, they headed for the Zhongyuan Continent.

....

On the other side, Northern Ying Continent.

Yue Feng was attacked by Zhang Na and fell off a cliff. Yue Feng only felt that his body was falling rapidly.

Huhuhu...

The wind whistled in his ears, and when he saw the abyss below, Yue Feng didn't have time to think about it.

However, this cliff is tens of thousands of feet high, and it is too deep.

More importantly, Yue Feng's inner strength had not completely recovered. With such continuous use of palm strength, his dantian inner strength was quickly exhausted.

Seeing that there are still 100 meters to the end, Yue Feng's internal strength is completely exhausted.

Done!

Looking at the ground of the woods that was getting closer and closer, Yue Feng was about to cry without tears, and his heart suddenly became desperate.

The height of 100 meters, if it was before, I would not have cared about it at all, but at this time, my internal strength is not consumed at all, so if I fall, I will definitely fall.

Um?

Seeing the ground getting closer and closer, Yue Feng inadvertently looked at the woods not far away and was stunned!

I saw more than a dozen people, with shovels and hammers in their hands, digging a hole in the ground, all sweaty and hot.

Among the dozen or so people, a man with a peaked cap was obviously the leader, standing there and commanding constantly.

Nima!

Did you encounter a group of tomb robbers? !

Seeing this scene, Yue Feng couldn't help frowning and cursed.

As the sect master of Tianmen, over the years, he has been practicing in various continents, and Yue Feng can see at a glance what these people do. These people are definitely robbers.

Yes, the group of people Yue Feng saw were the same group of people as Deng Kun from the Mouse Club.

The Rat Society mainly makes a living by robbing tombs, and where there are ancient tombs, ten years ago, after the barrier between the Kyushu continents disappeared, the disciples of the Rat Society even walked to various continents.

Just the night before, Deng Kun took his men to rescue Liu Xuan on the barren mountains near Yunzhou City, but they did not find the ancient tomb, so they left and came to Beiyang Continent. Here, the mouse will find an ancient tomb. At this time, some members of the Rat Society were exploring in the ancient tomb, and some members of the Rat Society stayed outside the ancient tomb.

Chapter 1654

Crash....Bang!

Just when Yue Feng was muttering, his body quickly fell, breaking a few branches first, and then fell heavily!

“Pfft...”

Without the protection of inner strength, Yue Feng fell firmly this time, and the blood in his body was surging. He only felt that his bones were falling apart, and a mouthful of blood spurted out.

Yue Feng only felt that there was nothing on his body that was not painful, his eyes were black, and he almost fainted. At the same time, he was extremely annoyed.

This Zhang Na actually planned to harm herself.

This account will have to be settled with her sooner or later.

The sound of Yue Feng’s landing was not very loud, but it also alarmed Deng Kun and the others.

Swish!

In an instant, Deng Kun’s eyes came over, because it was dozens of meters away, and the middle of the forest was dense, so he didn’t see Yue Feng.

However, Deng Kun was a very cautious person, and immediately asked his subordinates, “What was the sound just now? Did you hear it?”

Everyone around looked at each other and responded.

“It seems that something has fallen.”

“Yes, I heard it too.”

Hearing this, Deng Kun waved his hand without hesitation: “Go and have a look!” After saying that, he walked over first.

Several of the subordinates clenched the hammers in their hands and followed behind, all with vigilant expressions.

Rats will dig ancient tombs all year round, and often encounter wild animals in the wild and forests, so they are very vigilant.

What the hell!

These guys are here!

Hearing the footsteps, Yue Feng was taken aback, and his internal strength was exhausted. If these people had bad thoughts, he would have no resistance at all.

Thinking to himself, Yue Feng gritted his teeth and stood up with the tree next to him.

“It’s a person!”

“I’m going, I fell like this and didn’t die?”

“Boy stop!”

At this moment, Deng Kun’s group came over, and when they saw Yue Feng, they yelled at each other, at the same time speeding up, surrounded by come up.

Nima!

Still found!

Yue Feng felt bitter in his heart, then looked around and said with an apologetic smile: “My friend, I was just passing by and I didn’t see anything. Could it be convenient and let me go?” Tomb robbery itself is disgraceful, there are many taboos, Yue Feng That said, I don’t want to do too much.

And when he finished the last sentence, Yue Feng looked at Deng Kun.

Yue Feng has been practicing in the arena for so many years, and at a glance, he can see that Deng Kun is the leader of this group.

“Passing by?”

Deng Kun looked at Yue Feng up and down, his face full of ill will: “Look at you, you are not an ordinary person!”

After saying this, Deng Kun waved his hand: “I found all the valuable things on him, and then he was tied up. , dig a hole and bury it!”

This person in front of him, who has reached the martial arts realm, is definitely not an ordinary person.

However, since he caught himself digging a grave, no matter what his identity was, he could not be allowed to leave alive. You must know that rats have strict rules. When digging graves, no outsiders are allowed to be present, even if they pass by.

Whoops!

The voice fell, and several people rushed up directly, tied Yue Feng Wu Hua Da, and collected everything on Yue Feng's body at the same time.

Nima!

To bury me?

Chapter 1655

At this moment, Yue Feng was shocked and angry. These tomb robbers dared to do something to themselves. It was like the Tai Sui Lord breaking ground. At the same time, Yue Feng also struggled desperately.

It's just that the internal strength was exhausted before, and some fell seriously and couldn't use any strength.

Whoa!

Seeing what was found from Yue Feng's body, Deng Kun and the people around them all had their eyes straight, and they were extremely excited.

The pendant on this kid's neck is a glittering and exquisite pagoda, and there are some elixir.... There are

a lot of good things on this kid.

Seeing this scene, Yue Feng secretly sighed and said to Deng Kun, "Friend, as long as you let me go, these are all yours!"

Seriously, if this kind of tomb robber used to be, Yue Feng would not be righteous. Take a look.

But now there is no way, I have no internal strength, and I am not the opponent of this group of people at all.

Yue Feng thought about it, as long as these people are willing to let him go, it doesn't matter even if he gives them the things on his body first, and when his inner strength recovers, he can easily grab it back.

"Let you go?"

Hearing this, Deng Kun smiled slightly, with gloomy eyes flashing: "You are too naive to think, let me tell you, we are a group of rats, specializing in digging graves, this kind of thing is I can't see the light, since I was met by you, will I let you go?"

After speaking, Deng Kun waved his hand impatiently: "Hurry up and bury it."

Several of his subordinates immediately dragged Yue Feng, Go to the cave not far away.

Looking at the unfathomable and gloomy cave, Yue Feng's face suddenly filled with despair.

"Fuck!"

It was at this time that Deng Kun shouted out, "Hold on!"

Several of his subordinates stepped aside with bewildered expressions on their faces.

Yue Feng also let out a long sigh of relief, and was frightened by a cold sweat.

At this time, Deng Kun walked over quickly, grabbed Yue Feng's wrist, and held a gold mask just found in his hand. His tone was complicated and a little surprised: "Where did you come from this mask?"

"At that time, Deng Kun tried his best to restrain his excitement!"

This golden mask is exquisite in workmanship and exquisite in carving. As a hall owner of the Rat Club, Deng Kun is too familiar with this thing! This is the personal possession of the famous Tianmen Sect Master.

Although the Rat Society is not ranked among the rivers and lakes of the Diyu Continent, the situation of the various schools in the rivers and lakes is also well known.

Especially the Tianmen Sect Master Yue Feng, who has led Tianmen to eradicate evil in the past few years, his reputation has spread far and wide, and Deng Kun is like thunder.

As a small person, although he has never really seen Yue Feng, Deng Kun also knows that Yue Feng has a golden mask, which symbolizes the status and identity of Tianmen Sect Master.

And the mask in his hand is the token of the Tianmen Sect Master, with nine dragons carved on it, you can't go wrong!

Sect Master of Tianmen!

Don't say that you are a little hall master, even the whole rat club can't afford to provoke him.

At this moment, looking at Deng Kun's tone, it was obviously different from just now. With incomparable surprise and shock, Yue Feng's hanging heart finally fell to the ground. Obviously, this Deng Kun knew himself.

The next second, Yue Feng looked indifferent and said lightly, "This is my thing, my name is Yue Feng!"

What!

He... is he really the Sect Master of Tianmen? Yue Feng?

Hearing this, Deng Kun's face changed, and his body couldn't help shaking.

hiss!

At the same time, the expressions of the other members of the Rat Society also changed drastically, and they were all shocked.

The next second, his knees bent, and he fell to the ground with a thud.

"Yue... Sect Master Yue, is a small person with no eyes..." Deng Kun was sweating profusely, and he stuttered as he spoke, feeling extremely frightened in his heart.

Done!

I just robbed Yue Feng and buried him. Isn't this courting death? You know, with the current strength of Tianmen, the Rat Society can be wiped out in minutes.

## **The ultimate husband in Chinese chapter 1656-1660**

Putong Putong...

At the same time, the rest of the members of the Rat Society also reacted, and they all knelt down one by one, all bowed their heads, and were extremely panicked.

Yue Feng, the Sect Master of Tianmen, the hero of the Earth Circle, who would dare to provoke such an existence?

call!

Seeing this scene, Yue Feng breathed a sigh of relief, and said lightly: "Forget it, it's not surprising for those who don't know, you all get up."

Seriously, if this kind of situation is encountered in ordinary times, Yue Feng will never be lenient, but This Deng Kun, after knowing his identity, immediately changed his attitude, indicating that he was also very moral.

More importantly, now that my internal strength is exhausted, even if I want to ask guilt, I still feel powerless.

"Sect Master Yue has a deep understanding of righteousness, and I, Deng Kun, are grateful!" Deng Kun wiped the cold sweat from his face, feeling indescribably grateful.

Fortunately, he recognized the identity of the other party in time.

Otherwise, if you really want to bury Yue Feng, things will be troublesome.

Although there are no other people around, the power of Tianmen is too great, and it is easy to find out.

Fortunately, Deng Kun hurriedly called two of his subordinates to loosen Yue Feng's ties, helped him sit on the stone beside him, and then returned the items he had found before respectfully.

From the returned things, Yue Feng found two elixir to treat the injury. After taking it, the pain on his body suddenly eased a lot.

The pain eased, and Yue Feng's mood improved a lot. Looking at Deng Kun, he asked with a smile, "You guys know how to do it, right?"

"Sect Master Yue is smiling!" Deng Kun responded cautiously with a smiling face.

This chapter is provided by . Visit for daily update.

With that said, Deng Kun turned his head and shouted at his subordinates: "All the things in the tomb have been taken away. Hurry up and seal the entrance, we have to withdraw!"

"Yes, Hall Master!" The

voice fell, and the surrounding mice The members of the society quickly packed their things, and at the same time, the people in the ancient tomb also came out.

At this time, Deng Kun squeezed out a smile and said politely to Yue Feng: "Sect Master Yue, your injury will not heal for a while. Where are you going, why don't we escort you."

When he said this, Deng Kun's face was sincere.

He admires Yue Feng's magnanimity, and more importantly, if he gets closer to Yue Feng, his status in the Rat Club will rise steadily in the future.

After all, it is not easy to get acquainted with a person like Yue Feng.

"This..." Yue Feng breathed a sigh of relief.

Nima!

She was framed by Zhang Na and pushed off the cliff, I'm afraid Zhu Bajie still doesn't know about it.

The most important thing now is to return to Shengzong, meet Zhu Bajie, and then seek revenge for Zhang Na and Liu Jintan.

It's just... I've exhausted my internal strength, and I won't be able to recover for a while, so it's not appropriate to return to the Holy Sect now.

Just when Yue Feng was thinking about this, he saw a woman slowly walking out of the ancient tomb. Although this woman was wearing sackcloth, she couldn't hide her charming curves, but her face was extremely ugly.

It is Liu Xuan!

A day ago, after Liu Xuan was rescued by Deng Kun, she followed the people from the Mouse Society to the Northern Ying Continent to dig an ancient tomb.

After these years of experience, Liu Xuan's character is much tougher than before, but it was the first time to dig an ancient tomb, so she was very nervous.

“Ugly!” As soon as they came out, the person next to him urged impatiently: “Come on, you’re scrambling

. By the way, is the coffin covered?”

Let her do it all.

“I...” Liu Xuan bit her lip, lowered her head, and said solemnly, “No, I’m afraid...”.

After arriving at the ancient tomb, the coffin has to be covered. This kind of thing, no matter how courageous a woman is, will be afraid.

Chapter 1657

Liu Xuan’s voice was very small, but Yue Feng could hear it clearly. At this moment, Yue Feng only felt a buzzing sound in his head, and suddenly it went blank.

This...is this Xuan’er’s voice?

Yue Feng and Xuan’er have lived together for so long, Liu Xuan’s voice has long been etched in Yue Feng’s heart. More importantly, in the previous seven-year appointment, Yue Feng was not present because of something, causing Liu Xuan to leave Donghai sadly. Shi, Yue Feng has always felt guilty about this matter, thinking about how to find Liu Xuan all the time!

Swish!

At this moment, although Yue Feng was exhausted, he didn’t know where the strength came from. He suddenly stood up and stared at Liu Xuan.

“Xuan’er, is that you?” Yue Feng’s eyes instantly turned red, and he shouted, his voice hoarse.

Xuan’er, it’s really Xuan’er!

“Wow!”

Tears flowed freely, Yue Feng’s vision blurred!

Xuan’er.. The Xuan’er I dream of seeing! It’s my Xuan’er!

Yue Feng burst into tears and looked at Liu Xuan! When You Qi saw her face, Yue Feng trembled inwardly, unable to express his guilt.

old...husband? !

Suddenly hearing Yue Feng's voice, Liu Xuan's delicate body trembled, and her whole body was stunned.

Did you hear it wrong?

The next second, when she met Yue Feng's gaze, Liu Xuan only felt that her heart was trembling, and tears welled up in her eyes!

Liu Xuan never thought that she would meet Yue Feng in this way in Beiyong Continent.

At this time, Liu Xuan was excited and complicated.

He is just ugly, he is no longer worthy of him.

Moreover, he didn't come to the original seven-year appointment, which means that he has given up this relationship. Since this is the case, he should not go and recognize each other.

Thinking to herself, Liu Xuan resisted her inner excitement and turned her head, pretending that she didn't know Yue Feng.

This... what's the situation?

This time, Deng Kun and the people around were stunned, staring at Yue Feng blankly, their eyes full of confusion and doubts.

Does Sect Master Yue know this woman?

No, how could such an ugly woman have anything to do with Sect Master Yue?

Yue Feng didn't pay attention to the gazes around him, and just stared at Liu Xuan tightly. Seeing her tilting her head and not looking at him, she felt uneasy and said loudly, "Xuan'er, I'm my husband, Xuan'er..."

Although Liu Xuan's appearance was different from before, but her voice would not change, and she would not have heard it wrong. Doesn't she know herself?

However, Liu Xuan never looked back, standing there with her back to Yue Feng.

"Pfft!"

Seeing that Liu Xuan was still unwilling to recognize her, Yue Feng was in a hurry and was about to go over. However, as soon as he stood up, his injuries were affected, and a mouthful of blood spurted out.

"Sect Master Yue!"

“It’s okay, Sect Master Yue!”

Seeing this scene, Deng Kun and others were shocked and exclaimed at the same time.

“Husband...”

At the same time, Liu Xuan was also startled, she couldn’t help it anymore, she screamed, and at the same time, she walked over quickly and supported Yue Feng.

“Xuan’er, you finally agree to recognize me!” Yue Feng smiled bitterly and couldn’t help asking.

“Don’t talk for now...” Liu Xuan was in a hurry. Seeing his weak and pale face, she was extremely distressed. While crying, she said, “Are you alright, where are you hurt?”

## Chapter 1658

Liu Xuan doesn’t want to recognize each other on the surface, but in fact, she has been thinking about Yue Feng all the time. Seeing that he was hurt so badly, she couldn’t hide it!

“Xuan’er... I’m fine... I’m fine...” Feeling Liu Xuan’s concern, Yue Feng’s nose was sore, and he almost didn’t cry.

Xuan’er has really lost a lot of weight. God knows what she has gone through all these years. It’s really distressing to be so thin!

Swish!

Seeing this scene, Deng Kun and the members of the Mouse Club were all stunned, their heads buzzing.

“What?”

“This... This woman is called Sect Master Yue’s husband?”

“She is Sect Master Yue’s wife?”

At this moment, Yue Feng looked at Liu Xuan with tenderness and concern in his eyes: “Xuan’er, what are you doing? Here? Still with the Rat Society?”

Yue Feng’s eyes were full of doubts when he said this.

“I...”

Liu Xuan pressed her lips, very embarrassed, lowered her head and said softly, "I was arrested by someone for debt collection, and then the members of the Mouse Society rescued me..."

In the next few minutes, Liu Xuan simply explained the situation.

Swish!

After listening to this, Yue Feng's eyes were instantly blood red, and he was burning with anger.

Liu family!

It's Liu's family again, from Nima, Xuan'er has been hurt by you like this, and she still refuses to let her go.

At this moment, Yue Feng clenched his fists tightly, his fingernails were about to dig into the flesh, and he secretly vowed that one day, the Liu family would completely disappear.

call!

Seeing that Yue Feng's face was extremely cold, Deng Kun and the others all trembled, and they felt extremely nervous. It's over, it's over now! Before, I was disrespectful to Sect Master Yue, but these Yue Fengs can be magnanimous and don't care. However, he took his woman and asked her to rob the tomb with him.

This.... Sect Master Yue can forgive himself lightly?

"You avoid it first!"

Just when Deng Kun and the others were in a state of panic, Yue Feng spoke lightly, no doubt!

"Yes, Sect Master Yue!" Duncan nodded quickly, greeted his subordinates, and walked into the distance!

"Wow..."

Seeing Duncan and the others walking away, Liu Xuan couldn't bear it any longer, she couldn't help herself, she fell into Yue Feng's arms, and couldn't help crying: "Husband, I thought it would be hard to stop. I can't see you anymore... I miss you so much..."

In recent years, although Liu Xuan decided to forget about Yue Feng and start over, the shadow of Yue Feng has been deeply etched in his soul, how could he forget it ?

When Deng Kun and the others looked at it just now, Liu Xuan was a little embarrassed. Now there are only herself and Yue Feng left. She suppressed the emotions in her heart, and she couldn't control it all of a sudden, and it all turned into tears!

"Xuan'er..." Yue Feng hugged her tightly, feeling unspeakable guilt in his heart: "In the seven-year appointment at that time, I happened to have trouble in those days, so I missed the appointment... I'm sorry, Xuan'er... I'm sorry. .."

But Liu Xuan cried more and more fiercely, the tears couldn't stop at all: "But later, where did you go, you didn't contact me, do you know that I miss you so much, I thought you didn't want me anymore..."

Speaking of this, Liu Xuan's jade hand clenched into a fist and gently hit Yue Feng's chest: "These years, I pretended to be a strong woman and started my own company, but in the dead of night, I couldn't sleep, my mind was full of thoughts. You, do you know! But I still can't find you! You don't come to me either, I hate you, I hate you so much!"

Listening to Liu Xuan's words, Yue Feng felt extremely uncomfortable. Tears fell recklessly.

"I'm sorry, Xuan'er, I'm sorry..."

## Chapter 1659

While talking, Yue Feng helped her wipe the tears from her face, feeling distressed, she kept saying: "Xuaner, it's my fault, I hate it, it's all my fault...from now on, we will never be separated again, you don't have the same knowledge as me, don't be angry, okay."

Speaking of this, Yue Feng made a funny face.

Liu Xuan was teased by his tears and slapped him lightly on the chest again: "Okay, I'm not angry anymore. By the way, how is your injury?"

"I'm fine..." Yue Feng Showing a smile, he stopped Liu Xuan's hand at the same time: "With you by my side, I will be able to heal myself soon." After

speaking, Yue Feng sat cross-legged on the ground and began to recover his inner strength. I just took some elixir, and I should recover quickly.

Liu Xuan responded and quietly accompanied her.

Phew...

Seeing this scene, Deng Kun and the others who were not far away couldn't help but sigh in relief.

Judging from this situation, Sect Master Yue would not trouble himself anymore. Thinking to himself, Deng Kun wanted to come over and ask about Yue Feng's injury, but seeing Yue Feng meditating cross-legged, he didn't dare to come over to disturb him rashly.

Time passed by minute by minute.

Finally, an hour later, Yue Feng's internal strength recovered almost, and the pain all over his body disappeared a lot, very relaxed.

Although his internal strength has not completely recovered, he can move freely.

"Husband, is your injury much better?" Liu Xuan took Yue Feng's hand and said happily.

Liu Xuan could clearly feel that Yue Feng's radiance at this time was completely different from the weak appearance just now. I have to admire in my heart that my man is too strong.

Um!

Yue Feng nodded with a smile, and it was at this moment that he felt Liu Xuan's pulse, and his face changed suddenly.

"Xuan'er!" In the

next second, Yue Feng's eyes were full of pity, and he stared at Liu Xuan tightly: "Why is your pulse so weak? What happened to you?"

When he said this, Yue Feng's eyes were rosy, almost To shed tears.

Just now, the internal energy was completely exhausted, but I only felt that Liu Xuan had lost a lot of weight over the years, and she could not perceive her physical condition. At this time, her internal energy had recovered a lot, and she could feel that Liu Xuan's dantian and pulse were very weak.

Especially in Dantian, Yue Feng clearly felt that there was a trauma that was very serious. It can be said that Liu Xuan at this time was like a candle in the wind, which could be extinguished at any time.

Yue Feng didn't know that Liu Xuan had been through so much over the years. In Lingyin Pavilion, she was framed and mutilated by her peers, her dantian inner strength was forcibly abolished, her body was already weak, and a day ago, she was tortured with a whip by Chen Hao. , almost lost his life.

It can be said that Liu Xuan's vitality is very fragile now.

“Husband, I’m fine..” Liu Xuan smiled softly and comforted her softly: “Maybe I’ve been too tired all these years, but don’t worry, I’ll be fine.” To

be able to meet Yue Feng again, she I am very satisfied, the past is not important anymore.

“Xuan’er!”

Seeing her optimistic look, Yue Feng was heartbroken and hugged her tightly in his arms.

Silly Xuaner.

My body is already weak like this, and I have to support it.

In the heartache, Yue Feng leaned into Liu Xuan’s ear and said very firmly: “Xuan’er, don’t worry, I will definitely help you take care of your body, as long as you can return to your previous state of health, no matter what the difficulties, I will help you. You won’t even frown.”

Hmm!

Liu Xuan pressed her face tightly to Yue Feng’s heart, nodded heavily, and the corners of her mouth twitched, revealing a happy smile.

His man is the hero of the entire Earth Circle. If he says it, he will definitely be able to do it.

Chapter 1660

Boom!

Yue Feng and Liu Xuan are in love, only to hear a thunderous sound from the sky in the distance. The strong vibration almost made people stand unsteady, as if the world had collapsed!

Nima, what’s the situation?

Earthquake?

Yue Feng and Liu Xuan were both taken aback, they turned around quickly and looked in the direction of the vibration!

At the same time, Deng Kun, who was not far away, also looked surprised, looking at the sky in the distance!

Just seeing the northwest, the direction of the Zhongyuan Continent, and the distant horizon, a strange cloud rises, and the heaven and the earth change, which is very shocking!

This... This is the direction of Zhongyuan Continent!

After a few seconds of silence, Yue Feng reacted and couldn't help frowning and said, "Could it be that a divine soldier was born again? Or the tomb of that ancient powerhouse appeared?"

Liu Xuan didn't say anything, just hugged Yue Feng's arm tightly, her eyes Full of shock.

"Sect Master Yue!"

At this moment, Deng Kun walked over quickly with a look of excitement on his face: "The vision of heaven and earth, obviously a treasure has been born. Judging from this location, it should be Zhongyuan Continent!"

Deng Kun said, He clasped his fists and looked extremely sincere: "Yue Zongzhu is not disgusted, please allow me to accompany Yue Zongzhu to check it out together?!"

When he said the last sentence, Deng Kun looked urgent.

Before the artifact was born, the rivers and lakes forces like the Rat Society were simply not qualified to investigate. However, with an existence like Yue Feng leading, it would be different.

"Okay!"

Yue Feng pondered for a while, then nodded: "Then you all prepare, let's set off immediately!"

Seriously, if the mice were such a force in the past, he would not be in the company of them at all.

But now there is no way, his internal strength has not recovered yet, and with Deng Kun and others, he can also take care of him.

More importantly, Xuan'er also needs someone to protect her.

A few minutes later, Deng Kun quickly assembled his men, guarded Yue Feng and Liu Xuan, and quickly set off towards Zhongyuan Continent.

.....

The natural phenomenon of the Zhongyuan Continent caused a shock in the Kyushu Continent, and various sects gathered their disciples and quickly gathered to the Zhongyuan Continent.

Over the years, every time the heaven and the earth shake, there must be treasures. Ten years ago, it was the Kaitian Axe. A few months ago, it was Lu Bu's ancient tomb. This time, no matter what kind of treasure it is, all sects don't want it. missed opportunity.

From its inception to the present, the head of Tianquan Sect has been passed down for forty-five generations, and now the head of the sect is a well-known Sanjue real person in the world.

Of course, Sanjue Zhenren is a nickname, the honorific title of people in the arena.

According to legend, Sanjue Zhenren has three unique skills, namely swordsmanship, formation, and alchemy.

At this moment, in the sky above Tianquan Sect, the sky and the earth change color, and the situation changes!

On the back hill platform.

Sanjue real person frowned, looking closely at a cave in the back mountain, his expression seemed calm, but there was a trace of anxiety.

Behind him, nearly a thousand Tianquan disciples gathered there, all fidgeting and looking flustered!

Roar... Roar...

With the changing situation above, the roars of beasts continued to be heard from the depths of the cave in front of me. The roars shocked the world and made people tremble.

call!

At this time, Master Sanjue took a deep breath, looked around, and said lightly: "Don't panic, our holy beast unicorn of Tianquan Sect has been sleeping for thousands of years, and now he wakes up, everyone will wait here for the holy beast to come out. ."

Whoops!

Hearing this, a heated discussion erupted around him.

"Holy beast unicorn?"

"Really..."
