

The ultimate husband in Chinese chapter 1661-1665

Chapter 1661

“I always thought it was a legend.”

Everyone’s comments about you and me are extremely shocking.

According to legend, the ancestor of Tianquan Sect, before he founded the sect, once traveled to the rivers and lakes, met a group of people from the rivers and lakes, and besieged a unicorn. Kirin.

The unicorn is quite spiritual, and I am very grateful. Since then, I have always followed the ancestors, both teachers and friends. Hundreds of years later, the ancestors drove the crane to the west, and the unicorn fell asleep in the back mountain cave in sorrow. .

Later, the Tianquan Sect Master listed the cave in Houshan as a forbidden area, and called this unicorn a holy beast, and strictly prohibited his disciples from approaching it.

Every disciple who has just joined the Tianquan Sect has heard of this matter, but they have never seen this holy beast unicorn, and they all think it is a legend.

But today, seeing the natural phenomenon, there were constant roars coming from the Houshan cave, only then did I know that the rumors were true.

Roar! Roar! Roar!

The roar kept coming, and it was louder and louder, shocking people.

“Sect Master!”

At this moment, an elder of the Tianquan Sect walked over quickly, sweating profusely, and said anxiously at Master Sanjue: “The news just came, all sects in the Kyushu continent, see us here. Bian Tiansheng has a vision, thinking that it is a treasure born, and they are all marching towards our Tianquan Sect.”

When he said this, the elder looked indignant.

The awakening of the holy beast, the unicorn, is the matter of Tianquan Sect. Those sects in Kyushu are really making fun of it.

Whoa!

In an instant, everyone around was in an uproar, and many disciples began to talk in a low voice.

“Those sects in Kyushu, what kind of fun are you making?”

“That’s right, this holy beast unicorn belongs to our Tianquan Sect.

” Let’s go.”

“Everyone, be quiet!”

At this moment, Master Sanjue raised his hand with a calm expression: “Don’t be nervous about this kind of thing, since those sects are here, I will explain the situation to them at that time. “

Speaking, Master Sanjue instructed the elder: “Arrange the disciples immediately, wait at the intersection of the mountain, and once other sects come, take them to the other garden.”

Tianquan Sect, there is a special garden . , is specially for guests to rest.

When he said this, Sanjue Zhenren had a calm expression on his face, and his whole body was filled with a powerful aura.

The Tianquan Sect, as the Big Dipper of Mount Tai in the arena of Zhongyuan Continent, has enough strength to make the various sects that come here not dare to act rashly. In the heart of Sanjue Zhenren, the holy beast only belongs to the Tianquan Sect, and no one else wants to worry about it.

“Yes, Sect Master!” Hearing these words, the elder seemed to have taken a reassurance pill, and hurriedly went to prepare.

...

the other side!

In the northwest of Tianquan Sect, in a mountain forest dozens of miles away.

Yue Feng sat there cross-legged, quietly recovering from practice, with Liu Xuan quietly accompanying him.

Not far away, Deng Kun and others sat there and rested, while guarding the surroundings.

call!

After a while, Yue Feng slowly opened his eyes and exhaled a breath of turbid air, feeling refreshed!

Ha ha...

After recovering, the inner strength finally completely recovered. On the way to Zhongyuan Continent, Yue Feng continued to cultivate and recover, and now, his internal strength has completely recovered to its peak state.

Feeling the inner strength filling his body, Yue Feng felt extremely excited.

“Husband!”

At this time, Liu Xuan couldn't say how happy she was. Looking at Yue Feng, she smiled and said, “Husband, you're fine, it's great..” Although she lost her inner strength, Liu Xuan could see it. , Yue Feng's spirit is much better than yesterday, and he is completely different.

“Congratulations to Sect Master Yue, the injury is healed!” Deng Kun and the others also quickly gathered around and congratulated them one by one.

Yue Feng smiled slightly, signaling everyone to be polite!

“Roar!”

But at this moment, I heard a roar from the direction of Tianquanzong again, which caused the world to shake and was very shocked.

What the hell!

Hearing the loud cry at such a close distance, could it be a divine beast?

Chapter 1662 What the

hell!

Such a loud cry, could it be a divine beast? Hearing the roar

, Yue Feng was refreshed. He didn't have time to think about it. He quickly shouted to Deng Kun and the others: “Quick, the location of this divine beast should be not far from us. Let's hurry up and take a look!”

The wind moved the figure, and with Liu Xuan, quickly flew in the direction of Tianquan Sect.

“Go, keep up!” Deng Kun shouted, calling for his men to follow closely!

After a while, Yue Feng and the others arrived at the foot of Tianquanzong Mountain.

From a distance, you can see the intersection at the foot of the mountain, and there are dozens of Tianquan Sect disciples guarding it.

“Everyone!”

As soon as he approached, a Tianquan Sect disciple greeted him and said politely, “Are you also born for treasures?”

No, Tianquan Sect deserves to be inherited for thousands of years. The main sect of the sect is full of details. Although this disciple’s tone is polite, he is neither humble nor arrogant. Not to be underestimated.

Um!

Yue Feng nodded.

“Please come with me!” That day, the Quan Zong disciple smiled slightly, made a gesture of “please”, and immediately led the way in front of him, walking towards Bieyuan.

Yue Feng and Liu Xuan looked at each other and were very puzzled.

what’s the situation?

When I heard the roar before, it was obvious that the divine beast was about to appear in the world. Why didn’t the disciples of Tianquan Sect panic at all?

To be honest, if the place where the beast was born was from another sect, Yue Feng would definitely break through. But Tianquan Sect is one of the best sects in Zhongyuan Continent, and it is very powerful, so Yue Feng is not good at acting rashly.

More importantly, Liu Xuan had no internal strength and needed protection, so Yue Feng didn’t dare to mess around.

Soon, at Bieyuan, Yue Feng was stunned when he saw the scene in front of him.

shit.

So many sects have come?

I saw that there were a lot of people gathered in the square of Bieyuan, it can be said to be a sea of people. Nearly a million people!

The vision of heaven and earth in Zhongyuan Continent, all the sects in the Kyushu Continent, all rushed over at the first time. At this time, dozens of sects have come, adding up to nearly one million people, the scene is indescribably grand!

Like Yue Feng, the people of these sects were all brought to Bieyuan by the disciples of Tianquan Sect.

The Tianquan Sect is strong and powerful, and no sect dares to offend easily!

Um?

Is she here too?

After looking around, Yue Feng frowned when he saw a familiar figure in the crowd.

It was Zhou Qin!

At this time, Zhou Qin, surrounded by dozens of Emei disciples, stood in the most conspicuous place, wearing a long white dress, which set off the exquisite and charming curves, the charming face, indescribably charming, but the whole body was missing The former kind of cheerful and unrestrained, but a little bit more cold!

Zhou Qin was the first group to rush over the vision of the heaven and earth in Zhongyuan Continent.

After becoming the leader of the martial arts alliance in the Earth Circle Continent, Zhou Qin was arrogant and arrogant. Originally, he did not want to obey the arrangement of Tianquan Sect and went up the mountain to investigate, but considering his identity, Zhou Qin still held back.

Swish!

Feeling that someone was staring at her, Zhou Qin frowned slightly and turned her head to look over. The moment she met Yue Feng's eyes, her delicate body was shocked and her face changed suddenly.

Yue Feng? !

Wasn't he chased by the Tianqi royal family and disappeared? Even came.

In shock, Zhou Qin looked at Liu Xuan next to Yue Feng, and endless resentment rose in her heart.

Yue Feng can accept such an ugly woman, why couldn't he forgive himself and accept himself in the first place?

Chapter 1663

At this time, Zhou Qin didn't know that the ugly person beside Yue Feng was the Liu Xuan she was familiar with.

Thinking about it, Zhou Qin's eyes gradually became cold, and there was a faint murderous intent.

Zhou Qin thought about it, and after robbing the treasure, he left Tianquan Sect and shot Yue Feng.

This man, who used to despise himself so much, he must return it tenfold.

At this moment, I saw not far away, two beautiful figures, led by the disciples of Tianquan Sect, came slowly!

Seeing them, Yue Feng was both surprised and happy, and his mood suddenly improved!

It's Song Qian and Mu Xixi!

These two women, one is young and beautiful, the other is gentle and wise. In the crowd, the two were particularly dazzling, as if the eyes of all men were focused on them.

Today, Song Qian is wearing a yellow short skirt, full of youthful breath, showing her sexy and mature body to the fullest. The almost S-shaped curve makes many men present straighten their eyes.

Then I went to see Mu Xixi, wearing a long purple dress, which was extraordinarily quiet, charming, and extremely dignified.

The presence of the two of them made the surrounding atmosphere lively.

"Qin Sheng...."

"It's really Qin Sheng. According to rumors, this Qin Sheng is a famous iceberg beauty. Now, when I see it, it really lives up to its reputation."

Although Mu Xixi is indifferent to fame and fortune, she travels all the year round . The Kyushu Continent, in these years, has also been well-known far and wide, and many experts in the arena can recognize it at a glance.

Listening to the discussion of the people around, Mu Xixi and Song Qian's expressions were extremely indifferent.

After walking the rivers and lakes for so many years, this kind of scene has long been accustomed to.

Swish!

At this moment, Song Qian saw Yue Feng at a glance, her eyes lit up, and she walked over quickly.

“Brother-in-law!” When she arrived, Song Qian took Yue Feng’s hand and was extremely excited: “Brother-in-law, it’s really you!”

Before the fierce battle between Yue Feng and the Tianqi royal family, there was a lot of trouble in the Kyushu mainland. At that time, Song Qian and Mu Xixi is traveling on other continents.

Knowing the situation at that time, Song Qian was so anxious that she begged Mu Xixi to rush to Tianqi Continent for help, but she was still a step too late.

In the past few days, Song Qian and Mu Xixi have been investigating Yue Feng’s whereabouts, but there has been no progress. Yesterday, when they saw the vision of the heaven and earth in Zhongyuan Continent, they rushed over.

At that time, Song Qian thought, the vision of heaven and earth, such a big thing, the brother-in-law might come, but unexpectedly, he really met Yue Feng.

At this moment, Mu Xixi also came over and smiled to Yue Feng: “Yue Feng, it’s great to see that you’re all right!”

Although his tone was flat, there was a bit of concern.

Yue Feng smiled and nodded.

It was a pleasure to meet my cousin here.

Whoa!

And the people around, there was a heated discussion, and their faces were full of astonishment.

Damn, what’s going on?

Doesn’t it mean that Qin Sheng is arrogant, alone, and has few friends, so he is so familiar with a man at this time?

Under the discussion, many people’s eyes are focused on Yue Feng!

The next second, everyone was shocked!

“I’ll go, this... This is the Tianmen Sect Master Yue Feng?”

“It’s him? Isn’t he being chased by the Tianqi royal family?”

“It’s really...”

“This Yue Feng, who was chased and killed by the Tianqi royal family, dares to come here now, how bold!”

Yue Feng’s side, Only Deng Kun and a few people. Everyone thought that Yue Feng was the head of a small sect, and no one cared about him. At this time, after a closer look, he realized that this was the famous Tianmen sect master! Yue Feng, Yue Wudi!

Chapter 1664

“Xiao Qian?” At this moment, Liu Xuan, who was not far away, came over, her delicate body was trembling, her eyes were fixed on Song Qian, and she was extremely excited: “Is it really you?”

”, Liu Xuan is already full of tears!

Ten years!

For more than ten years, Liu Xuan has never seen this cousin. Speaking of which, among many relatives, only Liu Xuan and Song Qian have the best relationship.

“You...” Song Qian was startled when she saw Liu Xuan’s ugly face, her eyebrows knitted tightly and said, “Who are you? Do I know you?”

When she said this, Song Qian had doubts in her eyes. .

Of all the people I know, only the people closest to me will call me Xiaoqian, because this is my nickname.

However, the ugly woman in front of her didn’t even know her.

Ugh!

Seeing this scene, Yue Feng couldn’t help sighing, and whispered to Song Qian: “Little sister, she... she’s Xuan’er.” After saying that, Yue Feng lowered his head, indescribably ashamed.

Liu Xuan became what she is now, all because of herself. You have an inescapable responsibility.

What?

Hearing this, Song Qian was stunned.

“Wow!”

After a few seconds, Song Qian reacted and hugged Liu Xuan tightly, and at the same time couldn't help crying: “Sister, I miss you so much, I miss you so much all these years... .”

In Liu Xuan's heart, during the ten years of separation, Song Qian has been in the Earth Circle Continent.

But in fact, Song Qian has gone through too much, especially when she was placed under house arrest by the Yue family and was defiled. tears.

Whoops!

Just when the two sisters Liu Xuan met, there was a sound of footsteps not far away, and they saw several elders of Tianquan Sect, accompanied by Master Sanjue.

“Everyone!”

When he got to the front, Master Sanjue looked around and said with a smile: “Everyone came here in your busy schedule, my Tianquan Sect is really full of brilliance, but this time the vision of heaven and earth is not an ancient tomb of an artifact. In this world, it's my Tianquan Sect's holy beast, the unicorn awakened...”

In the next few minutes, Master Sanjue explained the situation in detail.

Whoa!

In an instant, there was an uproar in the audience.

“Holy beast unicorn? It turns out that the world is shaking because of the unicorn mythical beast .

“

It's unbelievable that it has been sleeping for a thousand years.”

Under the discussion of the crowd, Yue Feng was also stunned, and at the same time he couldn't hide the shock in his heart.

Nima!

I have to say that the Tianquan Sect has such a profound background that there is actually a beast sleeping in the mountain gate.

Not far away, Zhou Qin's beautiful face was also changing, and he was also a little annoyed.

After a long trip, it turned out that it was not the treasure that appeared in the world, but the divine beast of the Tianquan Sect had awakened.

"Everyone!"

At this moment, Master Sanjue raised his hand and said very politely: "The awakening of the holy beast unicorn is a matter of our Tianquan Sect. I hope you will not interfere, but my Tianquan Sect will not either. Let everyone come in vain, and I will let the disciples set up a banquet later..."

Roar... Before I

finished speaking, I heard a roar from the back mountain. This roar was deafening, and everyone only felt dizzy and tinnitus. He couldn't help covering his ears.

"Sect Master!"

At the same time, a disciple of Tianquan Sect ran over in a panic, with blood on his body, and said to the real person Sanjue in horror: "Holy beast, holy beast is berserk, and he was injured as soon as he left the cave. Many senior brothers and two elders were also injured!"

What?

Chapter 1665

Hearing this, Sanjue's face changed greatly.

At the same time, everyone present also looked at each other in dismay and couldn't help but whisper.

"What's the situation? The holy beast has gone berserk?"

"Isn't that divine beast unicorn guarding the Tianquan Sect? How can it be violent?"

"Interesting..."

Listening to everyone's discussion, Yue Feng also frowned secretly.

Legend has it that divine beasts, like humans, encounter bottlenecks in the process of cultivation. After reaching the bottleneck, if they are lucky, divine beasts will reach a higher level.

In such a situation, if a human cultivator is a human being, he is going to go crazy.

It seems that this unicorn mythical beast, awakened from a thousand years of sleep in Tianquan Sect, should have encountered a bottleneck and became violent.

“Everyone, don’t panic!”

At this time, Sanjue Master took a deep breath, and his resounding voice spread throughout the entire Bieyuan.

The voice fell, and Sanjue Master was ready to leave for the back mountain.

Roar!

At this moment, a roar that shocked the world came again, and then, a huge figure with flames all over his body rushed out from the direction of the back mountain.

It is a unicorn.

This unicorn is more than seventy meters long and five or six meters high, with scales all over its body, and a pair of eyes, shining with bloodthirsty light, and the whole body is filled with purple flames.

The moment the unicorn appeared, the surrounding temperature suddenly increased, as if the air was about to burn.

hiss!

Seeing this scene, the audience was shocked, their eyes fixed on the fire unicorn, and one by one sucked in the air.

“Kirin, it’s really a unicorn!” “It’s still a fire unicorn

....”

“Oh my god, I didn’t expect to see a divine beast in my lifetime!”

I felt my heart beating faster and my blood was boiling.

Yue Feng also looked solemn, looking at the fire unicorn, his heart was incomparably amazed.

As expected of a divine beast, this momentum is too strong!

Although the unicorn is not one of the four mythical beasts, according to rumors, the strength of the unicorn is not at all lower than that of the four mythical beasts such as Qinglong White Tiger and Suzaku Xuanwu.

According to ancient records, the unicorn has a head like a dragon, a body like a lion, and its body is covered with dragon scales, making it extremely powerful.

Liu Xuan and Song Qian next to her were also shocked.

“This!”

At this moment, Liu Xuan stood there, her delicate body trembling lightly, her tone trembling: “Is this the divine beast unicorn? What a powerful aura!”

Yue Feng smiled slightly and stopped Liu Xuan’s voice. On his shoulders, he reassured: “Don’t be afraid!”

He has a Qiongqi spirit beast. It stands to reason that Qiongqi and Qilin are on the same level, but Yue Feng’s little Qiongqi has only been practicing for a few years. The unicorn beast in front of me has been cultivating for thousands of years! Although Yue Feng couldn’t beat the unicorn, Yue Feng was sure that he could protect Liu Xuan.

Mu Xixi, who was next to her, bit her lip, and kept looking at the qilin in mid-air. As a famous qin saint all over the world, she was very knowledgeable, and of course she knew the qilin!

Whoops!

At this time, many Tianquan Sect disciples came quickly and surrounded Qilin.

At the same time, Master Sanjue stimulated his internal force, suspended in mid-air, and slowly said to the unicorn: “Master Holy Beast, the forty-fifth generation head of Tianquan Sect, Master Sanjue welcomes Master Holy Beast to leave the customs!”

In Tianquan Sect, the holy beast unicorn has a lofty status, even if it is the head, he should respectfully call him the holy beast.

When he said this, Sanjue Zhenren’s face was calm, but his heart was a little anxious. He clearly felt that the violent aura that filled the Qilin’s body was getting stronger and stronger. At this time, this unicorn has turned its face and does not recognize people. It is completely violent. It only wants to see people and kill!
