

The ultimate husband in Chinese chapter 1701-1710

Chapter 1701

At this time, Duan Yu walked into the center of the hall, cupped his hands at King Guangping, smiled and congratulated: "Congratulations, Your Majesty, to be honored as a great treasure!"

When he said this, Duan Yu's tone was very polite, but his body , but filled with an air of arrogance.

"Haha!"

King Guangping smiled slightly, nodded and said, "No ceremony, no ceremony. As the prime minister of Xicang Continent, you can come from thousands of miles to congratulate you. If you have the heart, come and congratulate you!"

" The Xi Cang army, who fought in the east and west, made illustrious military exploits, has a high prestige in the Xi Cang continent, and has a magical weapon to open the sky, and is famous for Jiuzhou.

Such a person, to come to congratulate, can be regarded as giving full face to the royal family of Tianqi.

"Thank you, Your Majesty!"

Duan Yu didn't rush to take the seat, but looked at King Guangping with a smile: "Your Majesty, I have two things here this time. To this end, on behalf of the Xi Cang Continent, I present a batch of genius treasures to show my sincerity." After speaking

, Duan Yu let out a light sigh of relief and continued: "The second item is to represent the Xi Cang Continent and sign a contract with your Apocalypse Continent. Eternal Alliance, for generations to come, our two continents will help each other and share great events."

"Hahaha, good, good!"

Hearing this, King Guangping laughed and nodded in agreement.

To be honest, the current situation in the Kyushu mainland is unpredictable. King Guangping has just become emperor and is in urgent need of establishing good relations with other continents. Now that Duan Yu has come to propose an alliance, King Guangping naturally cannot get what he wants.

Whoa!

At the same time, the surrounding civil and military officials were all delighted.

The strength of Xi Cang Continent has always been strong, and now we come to sign a covenant. With this powerful ally, in the future, the Apocalypse Continent will surely prosper.

This chapter is provided by . Visit for daily update.

“However!”

At this moment, Duan Yu smiled slightly and said slowly: “Before signing the Eternal Alliance, I have a request!”

“Please say it!” King Guangping replied with a smile without thinking about it.

call!

Duan Yu took a deep breath, and his smile showed a bit of seriousness: “Since I want to become an ally of eternity, in order to show my sincerity, I want His Majesty to hand over a few people!”

Hiss!

When the voice fell, the entire Qianyuan Hall was suddenly silent, and everyone’s eyes were fixed on Duan Yu.

what did he say? How many people do you want His Majesty to hand over?

In the Apocalypse Continent, imperial power is supreme, and no one dares to speak to His Majesty like this.

At this moment, King Guangping’s complexion also changed suddenly. Although this section of feathers is powerful and can be called a generation of heroes, but in front of civil and military officials, if this condition is proposed, where will you put your face.

For a time, the atmosphere of the Qianyuan Hall was indescribably solemn, and the civil and military officials and messengers from other continents did not dare to express the atmosphere!

Finally, at this time, I only saw King Guangping laughing, looking at Duan Yu and saying, “Okay, then tell me, who do you want me to hand over?”

When he said this, King Guangping had a benevolent expression on his face. , but suppressed his anger.

If he hadn't just ascended the throne and continued to have good relations with other continents, he would have ordered Duan Yu to be arrested long ago.

Duan Yu smiled slightly and said word by word, "I want Your Majesty to hand over the Ouyang family and Yue Feng's friends!"

Wow!

Hearing this, the entire Qianyuan Hall was once again in an uproar!

It turned out that Duan Yu was talking about these people.

good!

The main purpose of Duan Yu's visit this time was to capture the friends of the Ouyang family and Yue Feng.

The last time the incident at Lü Bu's tomb ended, Duan Yu saw his wife, who was taken away by Zhu Bajie, and knew that his wife's chastity was no longer there. At that time, Duan Yu was furious and pursued Zhu Bajie all the way, but his strength was weak. After a while, it was finally lost.

During the following period, Duan Yu had been sending people to inquire about Zhu Bajie's whereabouts, but found nothing.

Because of this, Duan Yu couldn't eat or sleep every day, and his heart was full of anger. You know, he and his wife Xu Qing are more affectionate than Jin Jian, but as a prime minister, he can't even protect his wife. bend.

Duan Yu knew that Zhu Bajie and Yue Feng had a good relationship and called each other brothers and sisters. Recently, he learned that Yue Feng's relatives and friends were arrested by the Tianqi royal family, and King Guangping held the enthronement ceremony. He didn't hesitate at that time and rushed over in person .

Duan Yu thought about it, first control Yue Feng's relatives and friends, and then force Yue Feng to appear.

When Yue Feng was caught, Zhu Bajie naturally came to him.

"Duan Yu!"

At this moment, King Guangping said slowly: "I can't promise you this matter!"

Qin Rongyin could not forget Yue Feng all the time. If he wanted to get him, he had to get rid of Yue Feng completely. Feng, these relatives and friends of Yue Feng, how can they be handed over to Duan Yu if they want to use them to lead Yue Feng out?

In King Guangping's heart, the diplomacy of the Apocalypse Continent is far less important than getting rid of Yue Feng.

Chapter 1702

After all, Yue Feng is the confidant of the Tianqi royal family.

call!

Feeling the determination of King Guangping, Duan Yu took a deep breath and smiled bitterly: "Your Majesty, otherwise, I don't want you to hand over all these people to me, let me choose one or two, it's alright!

" Come here, you can't come back empty-handed!

Moreover, Yue Feng had too many relatives and friends, and Wang Zhen of Guangping had to leave them all to himself. It would be very troublesome to take care of them. It would be better to choose one or two people who were closest to Yue Feng, who would still be able to lead Yue Feng to appear at that time.

One or two?

King Guangping frowned, pondered, nodded and

said, "Okay!" After that, King Guangping ordered Yue Chen, "When the ceremony is over, you will take Duan Yu and go to the prison to select people!"

"Yes .!" Yue Chen quickly responded.

At the same time, Duan Yu also showed a smile, cupped his hands and said, "Thank you, Your Majesty!"

.... the

other side!

In the Zhongyuan Continent, in a cottage dozens of miles north of the Tianquan Sect.

Under Zhou Qin's order, the masters of various sects in the Earth Circle Continent pursued Zhu Rong all the way, but they couldn't have Zhu Rong's speed.

"Waste!"

Zhou Qin sat there in the abandoned hall of the cottage, her beautiful face was covered with frost, and she shouted: "What a bunch of trash, so many people, even two of them can't be caught.

" In front of them, the masters of various sects stood there with their heads bowed, trembling, not daring to take a breath.

"You people!" Hao Jian came out and reprimanded: "When it's okay, what do you say to Alliance Leader Zhou to do your best, it's really a problem, but it's such a pustule..."
What

!

Hearing this, many sect masters couldn't help but hold back their fire.

This Hao Jian, who has no ability to bullshit, but relying on the fiance of the Zhou alliance leader, he is pretentious and pretending to be a tiger.

But because of Zhou Qin's presence, although everyone was upset, they didn't dare to attack.

At this time, Hao Jian wanted to say more, but was interrupted by a cold look from Zhou Qin.

"Okay!"

Zhou Qin raised his jade hand, feeling annoyed: "Go and bring the three Yue Fengs out to me!"

Then Zhou Qin tilted her head and instructed Hao Jian, "Bring a few people and prepare them. Pill stove." It's

fine for Zhu Rong to run away, anyway, the ugly woman he rescued has little effect on him, and the most important thing now is to train Song Qian into a medicinal pill as soon as possible.

"Okay, I'll go right away!" Hao Jian responded quickly and ran out.

At the same time, the masters of other sects also went out one after another.

After a while, a fire was lit in the open space outside, with a huge pill stove on it, and the fire was burning red.

Yue Feng, Mu Xixi, and Song Qian were also brought out.

hiss!

Seeing the alchemy furnace, Yue Feng's body was shocked, he couldn't help gasping for air, and his heart was full of anger.

Nima!

Zhou Qinxin is too cruel this time, do you really want to make Song Qian into a medicinal pill?

At the same time, Mu Xixi and Song Qian next to them also trembled and their faces turned pale.

“What are you still doing?”

At this time, Zhou Qin slowly walked out of the hall, her face was frosty, without the slightest emotional fluctuation: “Put Song Qian into the pill furnace!”

Hula!

The voice fell, and a few people quickly surrounded her, holding Song Qian tightly, and walking towards the Dan furnace.

“Don’t...”

Song Qian was resisting all over! Although she traveled around with Mu Xixi, where did she experience such a thing? At that time, the little face was white with fright.

“Brother-in-law, master, save me...” Song Qian cried to Yue Feng and the two of them, her tears kept flowing.

I am still young, and I want to be like a master in the future and become a famous fairy in the world.

Chapter 1703

Mu Xixi bit her lip, watching her disciple be pushed into the alchemy furnace, her lips were bleeding.

“Zhou Qin!”

At this moment, Yue Feng’s eyes were blood red, and he stared at Zhou Qin: “You let him go, we have something to say, don’t you hate me? You made me into a medicinal pill, little sister. She is innocent, innocent...” In the

last sentence, Yue Feng was exhausted and his voice was hoarse.

Song Qian’s cousin, who has experienced so many ups and downs at a young age, is enough to make people feel distressed, and now she has to suffer such a catastrophe, it is really unfair.

“Haha!” In the

face of Yue Feng’s request, Zhou Qin chuckled lightly, unmoved, and said coldly: “Yue Feng, you don’t do this kind of thing, if you knew today, why was it in the first place? What are you talking about now? It’s too late, I told you last night, I want to repay ten times what you did to me.”

Said, Zhou Qin’s eyes showed a bit of abuse: “Just be honest and wait and see. How could she be trained as an elixir?”

Nima!

Hearing this, Yue Fengqi’s whole body trembled and he almost fainted.

At this time, Song Qian was being held, and she was getting closer and closer to the pill furnace. The scorching high temperature made the hair on her forehead into a curl, and her delicate face was extremely red.

“Zhou Qin, I beg you, I beg you...”

Seeing this situation, Yue Feng collapsed completely, knelt on the ground all of a sudden, and kept kowtowing to Zhou Qin and begging for mercy.

However, Zhou Qin sneered and ignored Yue Feng at all.

“Yue Feng! Do you want shame?”

At this time, among the disciples of the Emei School, a charming figure came out. It was Zhou Qin’s junior sister, Faye Wong!

Before Zhou Qin became the head of the school, among the many sisters, she had the best relationship with Faye Wong. At that time, at the Millennium Ceremony in Emei, Zhou Qin forced Han Ao Ran away and declared herself the head of the school. It was also Faye Wong who supported her the most!

It can be said that Faye Wong is Zhou Qin’s most trusted person. Now that Zhou Qin is the leader of the martial arts alliance, Faye Wong has risen with the tide, and her position in the Emei faction is also rising.

“My senior sister has already made the words clear, but you are still struggling. As a man, if you are reduced to this level, you might as well die!” Faye Wong stared at Yue Feng and said coldly.

At the same time, Hao Jian came out with a face full of smugness and mockery, and said, “Yeah, Yue Feng, you should save some energy, it will be your turn later!”

Yue Feng ignored them both, his eyes were tight Staring at Zhou Qin, he was agitated.

However, Zhou Qin didn't even look at him, and coldly ordered: "Put this Song Qian into the alchemy furnace for me !

"

into the furnace.

At this time, Song Qian was already full of tears. She wanted to struggle but had no strength, so she had to close her eyes.

"Little sister!" Yue Feng shouted desperately, his heart was cut like a knife!

At this time, Song Qian was less than half a meter away from the alchemy furnace!

"Whoosh!"

Seeing that Song Qian was about to be pushed into the pill furnace, at this critical moment, a silver beam shot out! Hit hard on the Pill Furnace!

boom!

In an instant, a piece of sparks splashed around, and with a roar, the pill furnace shattered.

At the same time, five figures flew from the air not far away, the one at the head was wearing a long white dress, and the slender curves were looming, which was absolutely stunning.

It is the eldest lady of Ice and Fire Island, Sikong Yanran!

The four behind her are her four senior brothers, Sikongjia's four brothers.

"Yue Feng!"

At this moment, Sikong Yanran was full of joy, and said to Yue Feng, "Don't panic, I'm here to save you!"

When he said this, Sikong Yanran was extremely excited, her face was flushed, and she couldn't say anything. charming.

Before going to sea with Yue Feng and returning to Icefire Island, they encountered a storm on the way. After being separated, Sikong Yanran was very anxious, and brought four senior brothers back to the mainland to search for Yue Feng's whereabouts.

But at that time, Yue Feng joined Shengzong and went to Beiyong Continent, so Sikong Yanran searched for many days, but found nothing!

Two days ago, the Zhongyuan Continent suddenly had a vision. Experts from various continents came one after another to hold a ring competition in Tianquan Sect. In the final, Yue Feng lost to Zhou Qin. Not only did he lose, he was also caught by Zhou Qin.

Sikong Yanran heard the news, and without hesitation, she chased after him all the way.

Seeing Yue Feng now, Sikong Yanran was extremely happy.

call!

Seeing Sikong Yanran, Yue Feng was also relieved and nodded with a smile.

“Oh, little junior sister, your man’s little sister, was almost made into an elixir!”

“Fortunately, we came in time!”

“All thanks to me, fortunately I found my little brother-in-law!”

Chapter 1704

“That’s right, the little brother-in-law has been caught. If the little brother-in-law is not found, our little sister-in-law will be widowed...”

At this moment, the four brothers yelled at each other, not at all. Care about so many people around.

Swish!

Hearing this, Sikong Yanran’s delicate face turned red all of a sudden, she stamped her feet, and said coquettishly, “You all shut up!” My

four senior brothers, really, so many people are watching and saying such things, It’s so embarrassing.

This...

next to Mu Xixi, frowned slightly, looked at Yue Feng, and looked at Sikong Yanran, feeling very puzzled.

Who are these people?

How do they call Yue Feng the little brother-in-law?

At the same time, Zhou Qin frowned and looked at the four brothers coldly. These four people, dressed as Yamano villagers, had never seen the world at first sight, but they destroyed their own pill furnaces, and they were courting death.

“Four senior brothers, quickly untie Yue Feng!”

At this moment, Sikong Yanran gave a light command, and then quickly walked towards Yue Feng.

Whoops!

As soon as the voice fell, the four brothers responded, and immediately urged their figures!

“Little brother-in-law, I’m here to save you!”

“I’ll come!”

“You all stay out of the way, I’m still the best at saving people!”

“Forget it, last time my little brother-in-law asked you to go back to the palace to save people. , In the end, you rescued a difficult queen and came back...”

While bickering, the four brothers rushed over.

Whoops!

At this moment, under Zhou Qin’s signal, the surrounding masters of various sects immediately drew their swords and blocked them in front of Yue Feng.

In an instant, the four brothers stopped, each with a solemn expression.

There are so many people on the other side, it’s a little difficult to handle.

Sikong Yanran was also secretly anxious. Not only was there a lot of people on the other side, but this Zhou Qin was also in the realm of tribulation. Both sides were outnumbered and outnumbered, so it would be a bit difficult to successfully rescue Yue Feng by relying on herself and a few senior brothers.

However, Yue Feng had saved his life, and he still had a marriage contract with him. Even if he couldn’t save him, he would die together.

Thinking to herself, Sikong Yanran bit her lip tightly and said, “Four senior brothers, wait for you to find a chance to go first, leave me and Yue Feng alone.” When the words

fell, Zhou Qin chuckled lightly, her face concealed. Lived contempt: "Just a few of you, still want to save people? Give me a good obedient hand and capture them all!"

After saying that, Zhou Qin raised his jade hand and ordered everyone to do it!

"Yue Feng, are you dead?"

At this moment, I only heard a coquettish shout from the horizon, and following the sound, everyone was stupid!

I saw tens of thousands of figures on the hillside not far away, rushing in like a tide! All in silver armor, holding a long spear, it is the Guards of the Southern Cloud Continent. The leader is a woman, with a slender figure, a long purple dress, and a cold and charming temperament. It is Long Qianyu!

I go!

Why is she here?

Yue Feng was stunned for a moment, and the whole person was a little stunned!

What...

Long Qianyu of Nagumo Continent?

Seeing the scene in front of them, the masters of the major sects were all shocked! One by one, their eyes converged on Long Qianyu, unable to speak for a long time!

Who does not know in the entire Kyushu, Long Qianyu is the younger sister of the Queen of Nanyun, with a detached status, one person is more than ten thousand people, and his own strength is also very powerful.

Such a character actually came to rescue Yue Feng?

By the way, I heard that Yue Feng was named the Consort of the Southern Cloud Continent, I thought it was a rumor!

Now it seems that it should be true!

Zhou Qin was also stunned, her beautiful face showed complexity.

There were a few Sikong Yanran who came before, so I don't need to take it seriously, but this Long Qianyu is not easy to deal with.

This Long Qianyu, with such a big fanfare, came to save Yue Feng!

Could it be... Yue Feng is really her concubine?

Thinking about it, a bit of resentment rose in Zhou Qin's heart.

How many women does this Yue Feng have? He can accept so many women, why can't he accept himself in the first place?

Chapter 1705

At this moment, Long Qianyu's figure flew up and came towards Yue Feng.

At the same time, tens of thousands of Southern Cloud Continent Imperial Guards also came quickly and stood beside Long Qianyu. "Yue Feng, can't you die?" When he got to the front, Long Qianyu

glanced at Yue Feng and said coldly, "If you can't die, just follow me."

There was no sign of fluctuation on his face.

Before the birth of the unicorn of Tianquan Sect, there was a vision of heaven and earth, and the Nanyun Continent was also alarmed. After learning that Yue Feng was captured by Zhou Qin, Queen Nanyun was very anxious and ordered Long Qianyu to come to the rescue.

After all, Yue Feng was Long Qianyu's consort.

Long Qianyu was reluctant in his heart, but the Queen's order could not be disobeyed, so he had to come.

However, she was very resistant to Yue Feng in her heart. At this time, people found her, but she still didn't look good.

Ugh!

Feeling the indifference of Long Qianyu, Yue Feng was dumbfounded.

This Long Qianyu, at first glance, was forced to come by the Queen of Nanyun, and his heart was on fire.

Thinking about it, Yue Feng was about to respond.

"Wait!"

However, at this moment, Sikong Yanran, Miss Binghuo Island, walked over slowly, looked at Long Qianyu, and said softly, "Why does Yue Feng want to go with you?"

Hula!

The voice fell, and the four brothers from Icefire Island also walked over quickly and shouted at Long Qianyu!

“Yes, my little brother-in-law, why do you want to go with you?”

“Yue Feng is my little sister’s man, not yours.”

“With so many soldiers, can you grab a man?” The

four brothers have lived on the Ice and Fire Island for a long time, and they don’t know the situation in the Kyushu Continent. They still don’t know that the Long Qianyu in front of me is the famous eldest princess of the Southern Cloud Continent. I don’t know, Yue Feng was sealed as a concubine.

“Shuh!” The

four brothers, you and I came, all of them were talking about Long Qianyu. In an instant, Long Qianyu’s face flushed red, and he was extremely embarrassed and angry.

Her own dignified princess is extremely noble, but she was accused by these four husbands in front of so many people.

“Presumptuous!”

At this moment, a general in the Imperial Guard came out and shouted angrily at the four brothers: “Yue Feng is the consort of our Southern Cloud Continent, this is Long Qianyu, from our Southern Cloud Continent. The eldest princess, how dare you talk to the eldest princess like this? Courting death!”

Qiang! Clang! Clang!

As soon as the voice fell, tens of thousands of imperial guards pulled out their long knives one after another, and the bright light reflected the sky. Suddenly, the entire cottage was enveloped in a chilling atmosphere.

Gudong.

Seeing this scene, the masters of the various sects in the Earth Circle Continent couldn’t help swallowing saliva secretly.

I heard that the Imperial Guard of the Southern Cloud Continent is the elite of the Southern Cloud Continent. When I saw it today, it really lived up to its reputation.

Consort?

At the same time, Sikong Yanran and the four brothers were also stunned.

Mu Xixi, who was on the side, also turned her head and gave Yue Feng a meaningful look. This Yue Feng is quite feminine.

“Did you hear that? Although this Yue Feng is a waste, he is my consort. Can I take him away now?” Long Qianyu looked at Sikong Yanran, spoke lightly, and then waved her hand!

Whoa!

In an instant, several soldiers of the Imperial Forest Army were about to come over to untie Yue Feng.

“Oh? What are you doing?”

The ultimate husband in Chinese chapter 1706-1710

Chapter 1706

“No, no, no.”

“He is your concubine of the Southern Cloud Continent, and also the husband of our little junior sister. You can't let you take it away!”

At this moment, the four brothers reacted and hurriedly stopped a few guards The army stopped them one after another.

Long Qianyu frowned, and scolded coldly and tenderly: “Go away!”

At this time, Long Qianyu was anxious and angry. It was shameful enough for so many people to know about his relationship with Yue Feng. Waste of words, just want to leave with Yue Feng as soon as possible.

The four brothers looked at each other, then shook their heads at the same time. The four of them, although their personalities are a bit naive and don't know how to be sophisticated and tactful, are very principled. They only know that Yue Feng is the man of the little junior sister, and he worshipped him at the beginning, so no matter what, he should not be taken away by others.

“I can’t let you take him away.” At this time, Sikong Yanran also came over, looked straight at Long Qianyu, and said firmly: “Yue Feng is my husband, come with me.”

Although Sikong Yanran knew that Yue Feng was the concubine of the Southern Cloud Continent, but Sikong Yanran could also see that the eldest princess in front of her had no feelings for Yue Feng at all, and even if she was taken away, she would not take good care of Yue Feng.

hum!

At this moment, Long Qianyu was completely angry, and Haoran’s inner strength was released from his charming body, and he looked at Sikong Yanran closely: “You want to rob me? Do you know the consequences?”

Sikong Yanran didn’t respond, but she was absolutely beautiful. His face was full of determination. She must not let Long Qianyu take Yue Feng away!

For a time, the atmosphere became solemn, and the air was filled with the smell of gunpowder.

Whoa!

Seeing this scene, Zhou Qin and the masters of the major sects in the Diyuan Continent watched the excitement one by one with great interest.

This Long Qianyu and Sikong Yanran, two daughters fighting for a husband? !

This chapter is provided by . Visit [for daily update.](#)

The corners of Zhou Qin’s mouth twitched, revealing a playful smile. I thought that Sikong Yanran and Long Qianyu were both coming to rescue Yue Feng, and it would be very difficult for him to deal with it, but he never expected that instead of joining forces, Long Qianyu and Sikong Yanran became infighting.

At this moment, Zhou Qin couldn’t help but glance at Yue Feng. Yue Feng, let you mess around with flowers and weeds, and now you will eat the consequences.

I go!

Seeing that the atmosphere was getting more and more stiff, Yue Feng was dumbfounded.

In the next second, Yue Feng pointed at Long Qianyu and said with a wry smile: “Long Qianyu, Miss Yanran, everyone is my own family, don’t be too stiff, let’s go together...”

“No!

” Just after landing, Long Qianyu interrupted coldly, without the slightest hesitation: “Today you have to follow me, no one can stop you!”

At the same time, Sikong Yanran was also extremely firm and said softly, “Husband, you are injured. Now, I must save you, don’t worry, I will serve you well and help you regain your strength.” The

voice was not loud, but it was also very firm.

Uh...

Yue Feng opened his mouth, one head was bigger than two, very speechless. This... both women came to save themselves, but at this time they had an infighting.

I really don’t understand that these two women have the same purpose, they both want to save themselves from leaving, why can’t they live in harmony?

At this moment, the four brothers held out their chests and kept shouting at Long Qianyu.

“Hey, what if you’re the eldest princess of the Southern Cloud Continent?”

“Just because you have a lot of people, you want to use a gun to bully the weak... rob someone else’s husband?”

“Long Qianyu , even if there are many of you, our four brothers are not afraid. It doesn’t matter who you are, if you want to take away the little brother-in-law, there is no way!” The little sister was happy, even if she went up to the mountain of swords and fell to the sea of fire, she would not hesitate.

“Looking for death!” Long Qianyu’s pretty face froze, too lazy to talk nonsense, and waved her hand: “Take it all for me!”

As the eldest princess in the Southern Cloud Continent, who sees herself not being respectful? But the five Sikong Yanran in front of him repeatedly challenged his authority, which was simply courting death.

Whoops!

The voice fell, and the surrounding tens of thousands of Nanyun Imperial Guards quickly surrounded Sikong Yanran.

Chapter 1707

Looking at the Nanyun Imperial Guards rushing up, the four brothers of Icefire Island looked at each other and immediately blocked in front of Sikong Yanran.

“Little Junior Sister, don’t be afraid.”

“Yes, we have us. Today, no matter what, we cannot let them take my little brother-in-law away .

“

Sikong Yanran was shy and angry.

These four senior brothers are really irrelevant at all, what time is this, and they are still talking nonsense.

Thinking about it, Sikong Yanran’s inner strength urged, and together with the four brothers, they greeted the tens of thousands of the Imperial Forest Army.

Ha ha!

This Long Qianyu and Sikong Yanran are finally going to fight.

Seeing this scene, a sneer rose in Zhou Qin’s heart, and then, a figure flashed towards Yue Feng.

Zhou Qin’s speed was very fast, Yue Feng’s internal strength did not recover, he didn’t react at all, and his wrist was tightly grasped.

Whoosh!

In the next second, Zhou Qin did not hesitate at all, and took Yue Feng to fly quickly into the distance, not forgetting his opponent’s order: “Take Song Qian and Mu Xixi away too!”

“Yes, leader of the alliance!” The major sects of Yuan Continent responded one after another, grabbed Mu Xixi and Song Qian, and quickly followed Zhou Qin away.

Nima!

Seeing this scene, Yue Feng was so anxious that he wanted to cry without tears.

I originally thought that both Sikong Yanran and Long Qianyu were here, and I could be rescued safely, but who knew that Sikong Yanran and Long Qianyu had a fight!

What was even more unexpected was that Zhou Qin took the opportunity to take herself, Song Qian and Mu Xixi away!

“Yue Feng!”

“Husband!”

At this time, seeing Yue Feng being taken away by Zhou Qin, Long Qianyu and Sikong Yanran were both shocked and couldn't help but exclaimed tenderly.

However, when Sikong Yanran shouted, his face was full of anxiety. Yue Feng was so seriously injured that he continued to be tortured by Zhou Qin, for fear of his life.

As for Long Qianyu, he couldn't say anything about holding back his fire. She is the dignified eldest princess of the Southern Cloud Continent, and there is nothing she can't do, and today, it is too shameful to let Zhou Qin take Yue Feng away under her own eyes.

“Oh, the little brother-in-law has been taken away!”

“It's broken, that woman named Zhou Qin is so cruel, she wouldn't kill the little brother-in-law!”

“It's all the fault of this eldest princess, if it wasn't for her entanglement, Can Zhou Qin take the little brother-in-law away from under our noses?”

At this moment, the four brothers shouted and put the responsibility on Long Qianyu.

Swish!

Hearing these words, Long Qianyu's beautiful face showed endless anger, and then he waved his jade hand: “Chase!” After the

voice fell, Long Qianyu flew up, like a night elf, towards Zhou Qin who left. direction, quickly chase.

Seriously, if the four brothers were so entangled, Long Qianyu would definitely kill them. But the most important thing now is to chase Yue Feng back. After all, this time, when he brought troops to Zhongyuan Continent, he sealed the Queen's order to save Yue Feng, and the Emperor's life must not be violated! More importantly, don't lose your face!

Whoops!

Hearing Long Qianyu's order, tens of thousands of the Imperial Forest Army, mighty, chased after Zhou Qin!

Seeing this, the four brothers scratched their heads and looked at Sikong Yanran one by one.

“Little Junior Sister, what should I do?”

“My little brother-in-law has been snatched away again!”

“Should we chase after him? Otherwise, you should change your husband. This Yue Feng is too much trouble.”

Chapter 1708

Seeing them at this time, still full of mouth, Sikong Yanran stomped her feet angrily: “Chase, hurry up.” With that, Sikong Yanran tapped the ground with her toes and quickly chased after!

The four brothers looked at each other and quickly followed, shouting at the same time, “Little Junior Sister, wait for us!”

At this moment, Yue Feng was here.

High in the sky!

Yue Feng was held tightly by Zhou Qin, and he was anxious and complicated when he heard the constant wind coming from his ears.

“Zhou Qin, I admit that I was too indifferent to you before. In this way, I forgive you. You let us go. I will pretend that nothing happened in the past two days...”

After saying this, Yue Feng couldn't help it. She tilted her head to look at Song Qian behind her, and saw that her face was pale and very weak.

Ha ha!

Zhou Qin smiled coldly, her beautiful face was full of indifference, and there was no room for negotiation: “Forgive me now? It's too late!”

Alas!

Feeling Zhou Qin's heartlessness, Yue Feng sighed in his heart, his face full of despair.

After flying for a full two hours, Zhou Qin finally got rid of Long Qianyu and Sikong Yanran who were behind.

Seeing a valley ahead with complicated terrain, Zhou Qin breathed a sigh of relief and instructed the people behind him, “Just rest down below!”

At the same time, Zhou Qin instructed Hao Jian, “Ignite the fire and continue alchemy.”

When he said this, Zhou Qin couldn't wait. She clearly felt that the power in Song Qian's body was getting more and more violent.

“Yes, Alliance Leader!” Hao Jian and the others responded and rushed to prepare.

“Zhou Qin!” Seeing this situation, Yue Feng became anxious, shouted, and stared at Zhou Qin: “Zhou Qin, let’s go, as long as you let us go, I can tell you a secret.

” What secret?” Zhou Qin asked with a chuckle.

call!

Yue Feng took a deep breath, looked very serious, and started talking nonsense: “Two months ago, I went to the Imperial Palace of Beiying Continent, and I have seen the Great Emperor descendants. Incomparably, he has a divine bow, called the scorching sun bow, at that time I stayed in the palace for a period of time and knew where the scorching sun bow was hidden.” After

speaking, Yue Feng continued with anticipation on his face, “As long as you are willing to If you let us go, I’ll take you into the Beiying Palace and find this sun bow! How about it?”

Sun bow?

Hearing this, Zhou Qin’s beautiful eyes flashed, and she immediately became interested: “What you said is true?”

In Kyushu, who does not know the story of Hou Yi shooting the sun.

Since becoming the leader of the alliance, Zhou Qin has been very well-informed, knowing that the descendant of the Great Emperor has lived for thousands of years and still rules the Northern Ying Continent. However, the matter of the sun bow has never been heard.

“It’s absolutely true!” Yue Feng nodded his head with sincerity on his face.

Yes, Yue Feng is completely lying, he said that, it was just a stopgap measure, he was just lying to Zhou Qin.

This way...

Zhou Qin bit her lip lightly and pondered.

“Zhou Qin!”

Seeing Zhou Qin hesitate, Yue Feng became a little anxious, and said bitterly, “Even if you say that Song Qian has become a medicinal pill, you will only get a Skyfire Pill, but the Lie Sun Bow is an artifact, how can you choose? , you know better than me.”

“Besides, I am very familiar with the Northern Ying Continent. You don’t have to worry, you will be seen by the descendants of the Great Emperor .

” Hearing this, Zhou Qin breathed a sigh of relief, and was immediately moved, and said lightly: “Okay, I will believe you for the time being, if I go to the descendant’s palace, I can’t see the scorching sun bow, not only will I want Song Qian Alchemy, neither you nor this Saint Qin can escape death.” When he said this, Zhou Qin’s pretty face was full of frost, and his eyes were full of killing intent.

Chapter 1709

“Don’t worry, I won’t lie to you!” Yue Feng looked at Zhou Qin, nodded seriously, and squeezed out a smile, but he was a little uneasy.

Nima!

Zhou Qin has become more ruthless than before, I’m afraid it’s not easy to deceive.

But anyway, Song Qian doesn’t need to be alchemy for the time being.

“Leader Zhou!”

At this moment, Hao Jian walked over quickly, with a worried expression on his face: “Yue Feng is talking nonsense, he is lying to you, don’t believe what he says!

” At that time, Hao Jian glared at Yue Feng fiercely.

In Hao Jian’s heart, he has always regarded Yue Feng as a thorn in his side and a thorn in his flesh. Now that he is in trouble, it is the time to relieve his hatred. How can Zhou Qin let him easily forgive him?

“Shut up!” Zhou Qin waved his hand to interrupt, without any room for negotiation: “This is my decision, it’s not your turn to dictate!”

After speaking, Zhou Qin instructed the major sects: “Get ready now, go to the north Ying Continent.”

“Follow your orders!” The

voice fell, and everyone around agreed, and immediately began to prepare to leave.

What!

Seeing this scene, Hao Jian couldn’t help holding back his fire, staring at Yue Feng, unable to hold back the resentment in his heart.

Yue Feng, you wait for me, with me, you can never leave safely.

At this time, Hao Jian had already thought about it, even if Yue Feng helped Zhou Qin to obtain the divine weapon, he would have to find an opportunity to plot against Yue Feng.

Soon, after everyone had assembled, they followed Zhou Qin and rushed towards the Northern Ying Continent.

.....

the other side! Apocalypse Continent.

In Tianqi prison, the Ouyang family, as well as Sun Dasheng, Wen Chou Chou and others, sat there, one by one, with their heads downcast and depressed.

It has been half a month, and there is no news of Yue Feng, and I don't know how he is doing.

Boom!

At this moment, the prison door was pushed open, and then, more than a dozen figures walked in quickly, and the two leading them were Duan Yu and Yue Chen.

Duan Yu's face was gloomy, showing a bit of arrogance.

Yue Chen is accompanied by a smiling face, a dog-legged appearance.

hiss!

Seeing this scene, everyone in the cell was stunned for a moment, and at the same time took a cold breath.

Are these two people hooked up? What are they going to do?

"Master Prime Minister!"

When he got to the front, Yue Feng looked ingratiating: "Yue Feng's family and friends are all here. Your Majesty only promised to give you two, so you can choose for yourself."

Seriously, Yue Chen is here. The Heaven and Earth Continent is also of high authority, and if it were someone else, it would never have such a humble attitude.

But Duan Yu is different. He is not only the Prime Minister of Xi Cang Continent, his official rank is bigger than himself, his strength is stronger, and he also possesses divine weapons, so he is not something he can provoke at all.

What?

Hearing this, the Ouyang family, Sun Dasheng, Wen Chou Chou and everyone were all shocked.

This... Duan Yu wants to choose two people? This section of Yu is notoriously ruthless, and if he falls into his hands, how could he still be alive?

Thinking about it, everyone was terrified.

“Um!”

At this moment, Duan Yu nodded, looked around, and then pointed to Ouyang Zhennan and Jiang Shan: “Just the two of them!”

Ouyang Zhennan and Jiang Shan are Yue Feng’s adoptive father and adoptive mother, and they are the best close people.

Swish!

Ouyang Zhennan was shocked, his eyes staring at Duan Yu, full of hatred.

Chapter 1710 In those days

, Duan Yu made trouble with the Ouyang family and killed many family disciples. Ouyang Zhennan will never forget this blood feud.

Feeling Ouyang Zhennan’s hatred, Duan Yu didn’t care.

“Quick, bring people out!” Yue Chen hurriedly ordered his subordinates.

As soon as the words fell, several guards walked quickly to the cell and brought Ouyang Zhennan and Jiang Shan out.

“Lord Prime Minister.” Yue Chen came over with a look of flattery: “Would you like to send the two of them to the inn where you are resting, and tomorrow I will shoot the Imperial Forest Army and escort you back to Xicang Continent?”

“No need!”

Duan Yu smiled slightly , shook his head and said: "I'll interrogate here, anyway, your majesty promised to give me two people, since this is the case, the life and death of these two people are under my control, and the trial there is the same, right!"

"Yes , yes! !" Yue Chen nodded again and again, and then stepped aside.

At this moment, Duan Yu chuckled and walked to Ouyang Zhennan: "Ouyang Piff, didn't you expect that we would meet in such a place?" After

speaking, Duan Yu's eyes suddenly became cold: "I ask you, Zhu Ba Where is the ring?"

Duan Yu heard that Zhu Bajie had been living in the Ouyang family some time ago, and as the patriarch, Ouyang Zhennan must know his whereabouts. Zhu Bajie kidnapped his wife, Duan Yu just wanted to find Zhu Bajie!

"Bah!"

Ouyang Zhennan spat out a mouthful of blood and scolded angrily: "You bastard, you can't expect to hear anything from me! Don't say I don't know, even if I do, I won't tell you."

Ouyang Zhennan was stubborn, even though he was detained for so long, he was still arrogant.

Swish!

Duan Yu was furious, his eyes were extremely blood red: "You are courting death!" When the

voice fell, Duan Yu's inner strength exploded, and he slapped Ouyang Zhennan with a slap in the face!

With this palm, Duan Yu mobilized ten layers of skill, and the air around him was distorted as the palm force surged!

boom!

Ouyang Zhennan's acupoints were blocked and he couldn't dodge at all. He just heard a grunt and flew out, spewing a mouthful of blood, life and death unknown!

"Patriarch!"

"Father!"

Seeing this scene, Ouyang Meihui, Sun Dasheng and the others all shouted loudly, and at the same time, tears welled up.

Jiang Shan's delicate body trembled, and she felt that the world was spinning, and she almost fainted.

He and Ouyang Zhennan had been in love with each other for decades, and they wanted to grow old together, but they didn't expect that her husband would die tragically in the prison of Tianqi Imperial City.

hiss!

Seeing the situation in front of him, Yue Chen next to him couldn't help taking a breath.

I'll go, this feather is as ruthless as the rumors say.

A killer will come out of nowhere.

"Fuck you!"

At this moment, Sun Dasheng's eyes were blood-red and blood-red, like a beast, he stared at Duan Yu and shouted hoarsely: "Duan Yu, if you have the feeling, untie the acupuncture point for me, let's have a one-on-one relationship. Do it, Nima, what kind of hero are you?"

At the same time, Wen Chou Chou and others around him also hated Duan Yu and were furious.

Although Ouyang Zhennan is Yue Feng's adoptive father, in Yue Feng's heart, he is the closest family member. However, as Yue Feng's brother, he watched Yue Feng's family die tragically.

"Duan Yu, our Tianmen and you are at odds!"

"Nima, if I don't die, sooner or later I will kill you in the Xicang Continent and take your head!"

Everyone in Tianmen also shouted angrily, and the blood all over their bodies was covered with anger. ignite.

Hearing what everyone said, Duan Yu didn't care at all, and sneered: "A bunch of trash, they can't protect themselves, and they are still talking wildly?" The

voice fell, Duan Yu stepped forward, walked to Jiang Shan, and looked at her up and down.

This woman is Yue Feng's adoptive mother. Unexpectedly, the charm still exists today. This body is simply too beautiful.

Duan Yu showed a smile, stretched out his fingers, hooked Jiang Shan's chin, and said softly: "Beauty, if you are acquainted, tell me where Zhu Bajie is. To avoid the pain of flesh and blood."
