

## The ultimate husband in Chinese chapter 1711-1715

### Chapter 1711

“You...”

Jiang Shan bit her lip tightly, watching Duan Yu spit out a few words: “You’d better kill me directly, otherwise, I will smash you to pieces.”

Jiang Shanhe Ouyang Zhennan has been married for so long and has always respected each other like a guest. At this time, her husband was dead, and Jiang Shan was in despair.

“Tsk tsk!”

Seeing Jiang Shan’s face returning to death, Duan Yu’s face showed a bit of drama: “It’s really a husband and wife, since that’s the case, then I’ll fulfill you!” The

voice fell, Duan Yu slowly raised his right hand, and the inner strength of the whole body surge.

Swish!

In an instant, the entire cell was like a lit dynamite storehouse, and everyone was terrified and shouted.

“Duan Yu, stop me!”

“Come at me if you have the ability!”

“Beast, beast!”

” Tears fell down Shan’s face, and with endless resentment, she stared at Ouyang Zhennan who was not far away, and she was completely desperate.

Husband, I will come to accompany you soon.

At this moment, Duan Yu suddenly withdrew his palm, and sneered: “You want to die? I won’t let you die!” After

speaking, Duan Yu said to Yue Chen next to him, “Lord Yue, trouble you to do something. It’s a matter !”

This chapter is provided by . Visit for daily update.

“Master Prime Minister, please tell me.” Yue Chen rushed up and smiled.

There was a hint of cunning on Duan Yu's mouth, and he said slowly: "Wait a minute, help me release the news, and say that Yue Feng's adoptive father, Ouyang Zhennan died in my hands, and his adoptive mother is also in my hands. Come on, if Yue Feng wants this charming woman to be fine, he will take Zhu Bajie to find me in Xi Cang Continent as soon as possible." To

be honest, at that moment, Duan Yu really wanted to beat Jiang Shan to death. But seeing Jiang Shan so stunning, she couldn't bear it.

More importantly, King Guangping only promised to hand over two people. He had already killed one of them. If he killed the second, he would not be able to lead Yue Feng out.

"Haha..."

Hearing this, Yue Chen nodded with a big smile, patted his chest and assured: "Don't worry, Prime Minister, I will help you spread these words."

In Yue Chen's heart, Yue Feng has always been his. Heart trouble.

Now that Duan Yu is helping to deal with Yue Feng, it is natural to ask for it.

Um!

Duan Yu nodded with satisfaction and glanced at Jiang Shan: "Take her out, come with me tomorrow, and return to Xi Cang Continent together!" The voice fell, and Duan Yu strode out of the cell.

"Take the person out!" Yue Chen quickly instructed his subordinates, and then quickly followed him out.

Whoops!

A few guards, too soon to come up, tied Jiang Shan Wuhua.

"Mother!"

"Madam!"

Seeing this scene, the other people in the cell were all uncomfortable and couldn't help but shouted.

At this time, Jiang Shan was also heartbroken, and turned her head towards Ouyang Meihui with a slight smile: "Meihui, in the future, when your mother and father are not by your side, you must take good care of yourself, remember that no matter who comes in later, you will be interrogated Yue Feng. whereabouts, don't say a word."

“Mother, don’t...” Ouyang Meihui was about to collapse, her tears kept flowing.

...

the other side!

Northern Ying Continent, on the hillside northwest of the Imperial Palace!

Zhou Qin and many of his subordinates, holding Yue Feng, Mu Xixi, and Song Qian, finally arrived here after several hours of trekking. On the opposite side of this hill is the Beiyong Palace.

Today’s weather is not very good, gloomy, just like Yue Feng’s mood at this time.

“Zhou Qin, the Beiyong Palace is heavily guarded, and it is easy to be exposed by many people. The best way is for you and I to sneak into the palace and steal the bow and arrow.” Yue Feng looked at the imperial city not far away. , said slowly.

Um!

Chapter 1712

Zhou Qin responded, thoughtfully.

At this time, Zhou Qin, looking at the Beiyong Palace on the opposite side, saw that the palace was majestic and solemn, especially its huge scale, which was even more magnificent than the palace of Tianqi Continent!

Is the scorching sun bow hidden in this Qionglou palace?

“Leader Zhou!”

At this moment, Hao Jian came out eagerly and persuaded: “Only you and Yue Feng go in, absolutely not, this Yue Feng has many tricks, if he sets a trap inside and ambush you What should I do?” When the

voice fell, Faye Wong also hurried out and said anxiously: “Yeah, senior sister in charge, this Yue Feng is the most cunning, you have to guard against it, otherwise, take a few senior sisters with you.”

Seeing this scene, Yue Feng was indescribably annoyed.

Hao Jian and Faye Wong, this man and woman, are more bitter than the other. I finally deceived Zhou Qin, and I must not fail.

really!

Hearing what Hao Jian said, Zhou Qin frowned and began to hesitate.

Ugh!

Seeing the situation, Yue Feng sighed and smiled bitterly at Zhou Qin: "Zhou Qin, if you don't believe me, forget it, but I can tell you that the Beiyang Palace is heavily guarded, if you bring a lot of people in, you will definitely be discovered. The best way is for the two of us to sneak into the palace secretly. This way, the chance of being discovered is small."

Phew!

Hearing this, Zhou Qin breathed a sigh of relief, nodded and said, "Okay, let's go to the palace together."

After speaking, Zhou Qin tilted her head and said to Faye Wong, "You are here, watch Song Qian carefully. And Mu Xixi."

"Yes, senior sister in charge." Faye Wong responded quickly.

Hao Jian was so anxious that he wanted to continue to persuade him, but seeing Zhou Qin's resolute expression, he had to hold back.

Soon, Zhou Qin unblocked Yue Feng's acupoints, then made some simple preparations, and then headed towards the palace. Mu Xixi and Song Qian were both in his hands. Even if Yue Feng's acupoints were unblocked, he was not worried about his tricks.

Night falls.

Taking advantage of the night, Yue Feng and Zhou Qin quietly sneaked into the vicinity of the gate of the palace.

I saw that there were guards everywhere in the palace. These guards were all very powerful, and it could be said that they were on guard. Not only that, but there are also hundreds of giant birds in the sky, hovering constantly, and there are several soldiers standing on top of each giant bird.

call!

Seeing this scene, Zhou Qin couldn't help but let out a soft sigh, and was very shocked.

It is indeed the palace of the descendants of the great emperor. With such strict guards, I am afraid that flies will not be able to fly in.

Thinking about it, Zhou Qin asked Yue Feng in a low voice, "Yue Feng, are you really sure that you can sneak in?"

When he said this, Zhou Qin looked calm, but felt a little uneasy in his heart.

The palace guards are so strict, and these guards are so strong, once they and Yue Feng are exposed, I am afraid that it will be difficult to fly.

Ha ha!

This Zhou Qin thought that as the leader of the martial arts alliance, he was not afraid, but there were times when he was afraid.

Yue Feng smiled secretly and nodded seriously: "Don't worry, as long as you follow me, don't walk around, there will be no problem."

The seriousness of his mouth made Yue Feng a little flustered in his heart.

After all, Yue Feng fled with Zhu Bajie before, and he had experienced the strength of the imperial palace in the Northern Ying Continent. You must know that this is the palace where the descendants of the great emperor live. Once it is discovered, it will be over.

"Since that's the case, hurry up and lead the way!" Zhou Qin urged, too lazy to talk nonsense.

Yue Feng smiled and said nothing more.

At this moment, the guard at the door in front of him began to change his shift. Yue Feng did not hesitate, greeted Zhou Qin in a low voice, and quickly slipped in.

call!

At the moment of entering, seeing the luxurious layout inside the palace, Zhou Qin was deeply shocked again.

Such a majestic palace is truly magnificent.

After he has grown up with Emei, he will control the martial arts rivers and lakes in the Kyushu mainland, and he will also build a more majestic palace than this one, and become a female emperor who has never been seen before or since.

Chapter 1713

Yue Feng took Zhou Qin and carefully avoided the patrolling guards while planning his own route.

Although Yue Feng has only been to the palace once, but Yue Feng has a good memory, even at night, he did not lose his way. Zhou Qin always followed closely behind, not daring to walk around.

Even though he became the leader of the martial arts alliance in the Earth Circle Continent, his mood has changed, but Zhou Qin still has some self-awareness.

Soon, Yue Feng took Zhou Qin to a special courtyard entrance.

“Zhou Qin, Lie Sun Bow, it’s in this yard, come with me.” Yue Feng looked very anxious, started talking nonsense, and walked in first.

Zhou Qin nodded and quickly followed.

hiss!

But at this moment, when she walked in and saw the scene in front of her, Zhou Qin’s delicate body trembled, and she was stunned.

I saw that inside the entrance of the yard, there was a black pile of wooden stakes, each of which was more than two meters high, like a huge labyrinth.

Zhou Qin felt that these wooden stakes seemed disorganized, but there were traces to follow.

Yes, the yard that Yue Feng brought her to was the place where Zhu Bajie was locked up, and it was also a restricted area of the entire palace. Yue Feng wants to bring Zhou Qin here and trap her. After all, in this courtyard, Zhu Bajie was closed for thousands of years!

This...is this an array?

It looks so mysterious.

Zhou Qin bit her lip and looked left and right.

“Follow me!” At this moment, Yue Feng urged: “Through this piece of wood, you can see the scorching sun bow. If no one finds us, hurry up!” The

voice fell, Yue Feng walked quickly walked in.

Zhou Qin reacted and quickly followed.

“Yue Feng!”

Seeing Yue Feng reciting the formula in a low voice, it should be the method of breaking the formation, Zhou Qin couldn't help but ask: "Do you know what formation this is?"

Yue Feng smiled slightly: "Of course I do, it is called The Wanmu Xuanchong Formation is a superior formation, very clever and mysterious."

When he said this, Yue Feng couldn't help but think of Zhu Bajie.

With Zhu Bajie's strength, he has been trapped in it for thousands of years. Once Zhou Qin goes in, he will never come out.

Yes, Yue Feng made up a scorching sun bow and tricked Zhou Qin into entering the palace, with the ultimate goal of trapping her in this Wanmu Xuanchong formation. Yue Feng hopes that after Zhou Qin is trapped, he can think about repentance.

Oh!

Zhou Qin responded and nodded silently, thoughtfully.

How could I forget that Yue Feng has always been an all-around genius, and any difficulties can't help him, let alone a small formation?

At this moment, Yue Feng and Zhou Qin successfully passed through this piece of wood.

Ha ha!

Finally got the artifact.

Passing through this formation, a small courtyard appeared in front of him. Zhu Bajie had lived in this small courtyard for thousands of years. Zhou Qin was extremely excited, and asked Yue Feng, "Where's the scorching sun bow, in which room?"

"

Whoosh!

The corners of Yue Feng's mouth twitched, and he looked at Zhou Qin with a smile: "Zhou Qin, I don't care about what you have done these days. I hope you can repent in this place, and we will have a future!"

When the words fell, Yue Feng turned around and rushed towards the piece of wood!

Although Yue Feng's internal strength did not fully recover, Zhou Qin was completely unprepared for the sudden incident. When she reacted, Yue Feng had disappeared into the pile of wood.

“Yue Feng! You...”

After a few seconds, Zhou Qin recovered, her beautiful face flushed red, and at the same time, she tapped the ground with her toes and rushed towards the piece of wood.

However, rushing to the front, Zhou Qin was dumbfounded.

Chapter 1714

Which of the thousands of wooden stakes is the way out?

Regardless, if Yue Feng can go out, so can he.

Thinking to herself, Zhou Qin bit her lip and rushed in, but within a few minutes, Zhou Qin lost her way. You must know that this Wanmu Xuanchong formation is an extremely clever formation. It is extremely mysterious. Zhou Qin knows nothing about formations, so how can he get out of it?

“Yue Feng, you bastard lied to me, I’m going to kill you.” Still unable to find a way out, Zhou Qin was so angry that she couldn’t help cursing coquettishly.

the other side.

Yue Feng easily passed through that piece of stake, and when he saw the exit in front of him, he was indescribably excited.

Haha... My

own trick of ‘introducing the king into the urn’ is perfect.

Zhou Qin, just stay inside and think about repentance.

Thinking to himself, Yue Feng relaxed, walked out of this restricted area, and walked towards the outside of the palace. Although Yue Feng is very familiar with this palace, he is still cautious.

After all, there are too many guards in this palace.

“Yue Feng, you bastard lied to me, I’m going to kill you...”

At this moment, Zhou Qin’s coquettish shout came from behind.

Whoops!

With a juicy voice, the nearby patrolling guards were suddenly attracted. They came together one by one.

“Who is it?”

“Stop!”

Zhou Qin was trapped in the big formation, and many guards couldn't see it, but they saw Yue Feng, and they shouted angrily for a while, and quickly surrounded.

Seeing this scene, Yue Feng didn't have time to think, turned around and ran towards the depths of the palace.

While running, Yue Feng muttered to himself, almost crying without tears.

Zhou Qin was successfully trapped. But these palace guards in front of them are not easy to deal with.

To be honest, if Yue Feng was at his peak strength, he would not take these guards into consideration at all, but at this moment his internal strength had not fully recovered, and if he encountered these guards, he could only escape.

The sky is gloomy during the day, and at night, the moon and stars are even darker.

I don't know how long I ran and finally got rid of the guards behind him, but because it was dark and couldn't see clearly, Yue Feng was very depressed and found that he was lost!

Yue Feng had been to this palace in the Northern Ying Continent once. Although he remembered the various paths of the palace in his heart, it seemed that he had never been to the place in front of him.

Yue Feng was depressed to see that there was a quaint stone forest in front of him, exuding a quaint and vast atmosphere. At the end of the stone forest, there was a palace carved from white marble. Indescribably quaint atmosphere.

The strange thing is that there are many guards patrolling around other palaces, but there is no one around this white marble palace.

In front of the white marble palace, a white jade stone tablet was erected.

The stone tablet is more than ten meters high, and several vigorous characters are written on it: “Where the Holy Emperor is, trespassers will die.”

Yue Feng leaned over and saw these words, and his heart suddenly trembled.

The place of the Holy Emperor?

You wouldn't come to the palace where the descendant emperor lived, would you?

But why is there no one around?

Muttering in his heart, Yue Feng walked in curiously.

hiss!

As a result, as soon as he walked into the palace and saw the scene inside, Yue Feng was stunned for a moment, and suddenly took a breath of cold air.

I saw the inside of the palace, it was empty, only the place facing the door, there was a secret passage.

Chapter 1715

Yue Feng can see that this secret passage is very deep. On the stone walls on both sides, lamps and candles are lit, winding down all the way, I don't know where it leads? What the hell is this place?

Yue Feng frowned, and without thinking much, he strode in.

To be honest, the situation at hand is unclear, Yue Feng did not want to take risks, but he had no choice but to go back the same way, and there were thousands of guards waiting for him.

After walking for a few minutes, finally, Yue Feng came to an end!

Such a big secret room?

Seeing the scene in front of him, Yue Feng opened his mouth wide and was extremely shocked.

In front of him is an extremely empty secret room. There are thousands of square meters, and there are candles all around. The underground secret room is illuminated as if it were daytime. On the walls on both sides, dragons and phoenixes are carved. Although the lines are simple, they are full of vitality.

Um?

Anyone else?

Yue Feng looked around, and when he saw the center of the secret room, he was stunned.

I saw a square jade platform in the center of the secret room. On the jade platform, there was smoke, and a man in clothes was sitting.

The man had his back to Yue Feng, a golden dragon robe and a burly figure. Although he couldn't see his face, he could feel the majesty and domineering that pervaded his body from far away.

hiss!

Descendants of the Great?

Although he didn't see his face, Yue Feng immediately recognized that this man was the descendant of the entire Northern Ying Continent.

It's bad, it's bad...

It's not good to go somewhere by yourself, but I broke into the place where the descendants of the Great Emperor practiced. Isn't this courting death?

At this moment, Yue Feng froze there, wanting to cry without tears.

No wonder there are no patrolling guards around the palace. It turns out that this place is where the descendants of the Great Emperor practice.

Thinking to himself, Yue Feng really wanted to turn around and run away, but he felt the powerful aura pervading the descendants of the Great Emperor. This breath was almost overwhelming. Yue Feng only felt that his legs were filled with lead. The same, how can not move.

However, what made Yue Feng puzzled was that the descendant of the Great Emperor did not stand up immediately, but sat there, motionless.

Time passed by minute by minute.

I don't know how long I stood, Yue Feng felt that his legs were numb, however, the descendant emperor still did not respond.

Yue Feng didn't know that the moment he stepped into the secret room, the descendant emperor felt it, but the cultivation entered a critical moment, and there must be no mistakes.

The practice of the descendants of the great emperor is called 'Xiantian Yujin'. This kind of practice requires peace of mind. If it is disturbed in the slightest, or interrupted rashly, it will go crazy.

Therefore, the descendant emperor noticed that someone was coming in, but he did not dare to stand up and catch Yue Feng.

This descendant is definitely cultivating, and it is a critical moment of cultivation! Finally, Yue Feng saw the clue and guessed that the descendant of the Great Emperor should be at a critical moment of cultivation, so he ignored him.

To be honest, Yue Feng really wanted to step forward and attack the descendant with a slap, killing him directly. After all, since Yue Feng rescued Zhu Bajie, the descendants have been sending Gonggong to hunt down Yue Feng and Zhu Bajie everywhere.

If the descendants don't die, the woman Gonggong will always follow the descendants' orders to hunt down and kill herself and Zhu Bajie. At this time, Yue Feng saw that the descendants were practicing at a critical moment, and he was moved to kill! Want to attack the descendants with a slap!

However, Yue Feng thought about it for a while, but still felt that it was not right. If he attacked the descendant with a slap, then the descendant of the great emperor just finished his cultivation, what if he suddenly shot himself? His internal strength has not completely recovered, let alone counterattack, there is no chance to hide.

Thinking about it, Yue Feng's eyes suddenly lit up, and he had an idea in his heart.

You can disturb the state of mind of the descendant emperor and let him go crazy! Yue Feng laughed, he had learned ventriloquism, he could imitate the voices of Zhu Bajie and Chang'e, and pretend they were dating!

The descendant of the great emperor loves Chang'e deeply. If he hears that Chang'e is dating another man, he will definitely be mad, and he will definitely go crazy by then!

Haha... Yes, this is the way to go.

After making up his mind, Yue Feng slowly moved his steps and distanced himself from the descendant of the Great Emperor.

After retreating more than ten meters, Yue Feng cleared his throat, then performed ventriloquism, imitating Chang'e's voice.

"Zhu Bajie, what should I do?"

After saying this, Yue Feng imitated Zhu Bajie's voice again: "Don't be afraid, Chang'e beauty, the descendants seem to be practicing, and it's still a critical moment, Chang'e beauty, since we are here secretly On a date, I met the descendants. After the descendants finish their cultivation, they will definitely break us up. Why don't you come with me.... We will fly away."

After speaking, Yue Feng imitated Chang'e's voice and said: "Alright, Big Brother Zhu, anyway, the one I love in my heart is you, with the descendants, every day feels like being trapped in a cage, do you know that the person I love in my heart is you!"

At this moment, Yue Feng performed ventriloquism and learned from Zhu Ba The voices of Jie and Chang'e, pretending to be secretly dating, were simply vivid.

If anyone else was present, it would definitely be a surprise.

Because Yue Feng's learning is too similar, as if Zhu Bajie and Chang'e are really dating here.
