

The ultimate husband in Chinese chapter 1741-1750

Chapter 1741

Quiet!

Seeing Chang'e being taken away by the guards, at this moment, the whole place was silent, and you could hear the drop of a needle clearly.

Although Yang Jian is the true monarch of Erlang, he has a high position and authority, but after all, he is a minister. He even overstepped his power and arrested the Empress Chang'e...

It's really a bit unethical...

But then again, the death of Emperor Houyi is too strange, the descendants of the emperor Before his death, the names of Empress Chang'e and Zhu Bajie were engraved on the jade platform. At this time, Yang Jian's arrest of Chang'e can be regarded as unselfish and impartial.

"Everyone!"

At this time, Yang Jian put away the three-pointed two-edged sword and looked around the audience: "Although Your Majesty is dead, the Northern Ying Continent cannot be without a master for a day. Let's discuss it and choose a sage first. Temporarily take the throne as emperor, just stabilize the situation!"

Wow!

The voice fell, and a heated discussion broke out in the audience.

Yang Jian was right. Emperor Hou Yi ruled the Northern Ying Continent for thousands of years, and suddenly died suddenly. The entire Northern Ying Continent was in chaos. If a new ruler was not elected as soon as possible, the situation would definitely be more troublesome!

It's just that the great emperor Houyi is unparalleled in the world, who can temporarily take his place?

At this moment, a slender and charming figure came out first and knelt down in front of Yang Jian in public: "My subordinate Gong Gong, see your Majesty!" To

be honest, Gong Gong was unwilling to recognize Yang Jian as the emperor. .

But there is no way, Yang Jian's strength is too strong, he is not an opponent, it is better to push the boat to be a personal favor.

More importantly, Gonggong was always thinking about the Fang Tianhuaji on Yue Feng's body. If he supported Yang Jian as emperor, he would be considered a great hero, and it would be very convenient for him to do anything in the future.

This chapter is provided by . Visit for daily update.

"Chen wait, see Your Majesty!"

In an instant, the entire secret room knelt down.

These civil and military officials are all smart people. They all recommend Yang Jian to be the emperor when they see Gonggong, and they are not far behind.

Like Gonggong, when Yang Jian was elected emperor, everyone was somewhat dissatisfied.

But Yang Jian's strength is obvious to all, and Yang Jian is upright. Although he shot Chang'e just now, it was also to find out the cause of Emperor Houyi's death, so it is most suitable for him to be the emperor.

However, there were only three people standing there motionless, with a calm expression and a gesture of staying out of the way. It was Yue Feng, Mu Xixi, and Song Qian. For Yue Feng, whoever became the emperor of Northern Ying Continent didn't matter to him.

Um!

Looking at the kneeling civil and military officials, Yang Jian nodded slowly, his expression did not fluctuate in the slightest, and said lightly: "Since everyone loves so much, then it is better for me to be respectful than to obey!" After

speaking, Yang Jian turned his head and looked at Xiayue. Feng, and then asked Gonggong: "This person is Yue Feng. Is that the kid who let Zhu Bajie go?"

"In the mainland, there is a lot of excitement about wearing it, and Yang Jian has a prominent position, so he naturally knows it.

"Yes!" Gong Gong responded, very respectfully.

"Since he is Yue Feng..." Yang Jian pondered, then made up his mind, and said lightly: "Then lock the three Yue Feng with Chang'e! Tomorrow dawn, bring them into the hall and interrogate them together!"

Hou Yi's name engraved before his death refers directly to Zhu Bajie and Chang'e.

And Yue Feng let Zhu Bajie go... In this way, Yue Feng and Chang'e were accomplices. Or the death of Emperor Hou Yi, Yue Feng also participated! In this case, let Chang'e and Yue Feng be locked together.

"Yes, Your Majesty!" The

voice fell, and several guards walked over quickly and tied the three Yue Feng.

At this moment, Yue Feng wanted to cry without tears, and shouted at Yang Jian: "Erlang Zhenjun... Oh no, His Majesty the Emperor, I am innocent, I just happened to pass by here before, why are you arresting me... The death of the descendant of the Great Emperor has nothing to do with me, you can arrest the Empress Chang'e, what are you arresting me for..."

When he said this, Yue Feng looked innocent and his tone was very sincere.

Seriously, this is the biggest lie Yue Feng has told since he can remember. But no way.

Chapter 1742

The death of Emperor Houyi is no trivial matter. If he admits it, not only will he be buried with him, but Mu Xixi and Song Qian, and even people from the Earth's Circle Continent will be implicated.

However!

Yang Jian ignored it at all, waved his hand, and motioned for the guards to take the three Yue Feng down.

Soon, the three of Yue Feng were taken into the prison.

hiss!

As soon as he entered the prison, when he saw the scene in front of him, Yue Feng couldn't help gasping for air!

I saw that there were guards standing around the entrance of the prison, all wearing armor and holding long knives. It could be said that the guards were heavily guarded, and I was afraid that a fly would not be able to fly in.

Nima!

Seeing this scene, Yue Feng wanted to cry without tears!

So many guards, I'm afraid there is no chance to escape!

“Brother-in-law!”

At this time, Song Qian was also extremely nervous, and said softly, “What should I do?” With so many guards, each of them is still so powerful, even if she and her master have completely recovered their internal strength, cooperating with her brother-in-law is not an opponent. what.

Mu Xixi on the side, although her expression was calm, she was also a little uneasy in her heart.

As a piano sage, Mu Xixi has also experienced many strong winds and waves, but the situation in front of her is the first time she has experienced it. You must know that this is the imperial city of the Northern Ying Continent. It is really difficult to escape from here.

Feeling the nervousness of Mu Xixi and Song Qian, Yue Feng showed a smile and comforted in a low voice, “It’s all right!”

After speaking, the three of them were taken into the cell.

What the hell!

The moment he entered, Yue Feng saw Chang’e inside at a glance.

I saw that Chang’e was sitting quietly inside, with shame and anger on her beautiful face. But even if she was imprisoned in a cell, she still couldn’t hide Chang’e’s cold and arrogant temperament.

“Go in!”

At this moment, the guard pushed Yue Feng three in, then slammed the iron door shut, ready to leave!

“Stop!”

An icy voice came from Chang’e’s mouth: “Who told you to keep the three of them in?” When she said this, Chang’e looked at the guard, her tone was modest, but she was somewhat majestic.

The guard did not dare to neglect, and responded quickly: “Reporting to the maiden, it is.... Your Majesty’s meaning!”

Chang’e is the maiden after all. Although she is suspected of the death of Emperor Houyi, she still has to be respectful until the truth is found out. .

His Majesty?

Hearing this, Chang'e's delicate body trembled, and her whole body was stunned.

The next second, Chang'e stared at the guard: "What is your majesty? Who is your majesty?"

"When Yang Jian proclaimed himself emperor just now, Chang'e was already in prison, so she didn't know who the majesty the guard was talking about.

Gudong!

Feeling Chang'e's aura, the guard secretly swallowed his saliva and responded, "It's... Erlang Zhenjun, just now, all the civil and military officials have jointly elected Erlang Zhenjun to be the emperor..."

Huh!

As soon as the words fell, Chang'e's delicate body was shocked, her face was extremely pale, and her heart was even more frightened and angry.

Yang Jian, this thief, His Majesty has just died suddenly, and his bones are not cold, has he started to claim the emperor?

Chapter 1743

"Niangniang!"

At this time, the guard watched Chang'e's complexion change, and said cautiously: "Erlang Zhenjun is loyal and has never thought of proclaiming himself emperor, but when the first emperor died and the court was in chaos, there must be someone to stabilize the situation. That's fine, so..." He was Yang Jian's confidant, so he naturally wanted to explain.

However, before he could finish speaking, Chang'e interrupted him.

"Go away, I don't want to hear it!"

An icy voice came from Chang'e's mouth, her delicate body trembling faintly.

The guard didn't dare to say anything more, and with a sound, he was about to leave the cell.

"Stop!"

However, at this moment, Chang'e thought of something, and pointed at Yue Feng's three, and said coldly: "Take these three troublemakers away with me too!"

” Locked up with three civilians? Too lost.

Nima!

Trickster?

Hearing this, Yue Feng felt a little unhappy in his heart, but he didn't speak.

“Niangniang!” The guard was also embarrassed, and said with a wry smile: “It is His Majesty's intention to lock the three Yue Feng and Niangniang together. The subordinates dare not resist the order. I hope Niangniang will take more care!” The

voice fell, and the guard quickly hurried. Turn around and slip away.

For a while, Yue Feng and Chang'e were the only four left in the cell.

Chang'e was very angry, but she didn't bother to pay attention to the three Yue Feng, and sat there quietly, closing her eyes and resting.

Chang'e's coldness and arrogance, Yue Feng naturally would not take it to heart. After all, she is a long-established character and a well-known fairy in the Moon Palace. It is understandable that she has been imprisoned for injustice and has a bad temper.

More importantly, Chang'e was arrested because of herself.

If he hadn't deceived the Great Emperor Hou Yi with his ventriloquism, the Great Emperor Hou Yi would not have died in a fit of rage, nor would he have carved the names of Chang'e and Zhu Bajie with his fingers on the jade platform in the secret room.

“Brother-in-law... I'm so tired!” At this time, Song Qian took Yue Feng's arm and said softly, “I'm so tired!”

Mu Xixi had previously expelled the power of Tianhuo Dan, although her life was not in serious trouble, But after so many twists and turns just now, the whole person is extremely weak.

Mu Xixi next to her didn't speak, but her beautiful face also showed exhaustion.

Um!

Yue Feng responded and went to the corner to get some hay. Set up the cell simply.

After it was done, Yue Feng asked Mu Xixi and Song Qian to lie down and rest for a while.

“Hey, who told you to rest here?” However, at this moment, Chang’e’s cold voice came: “You guys sleep here, where will this palace rest? Ignorance and troublemakers, there are really no rules at all. “

When she said this, Chang’e stared at Yue Feng with a displeased expression on her face.

What the hell!

Yue Feng was stunned for a moment, and he felt unhappy in his heart! Even if you were a high-ranking concubine before, but now everyone is a prisoner, you even put on airs for me?

Thinking to himself, Yue Feng looked at Chang’e with a smile: “Niangniang, this is not easy? If you want to rest, just squeeze everyone together!” After

saying that, Yue Feng moved his body inside to make room for it. Come out a bit.

“You... presumptuous!” Chang’e blushed and was furious as she scolded: “What are you? Why does this palace want to talk to you... I tell you, this place has the final say, this palace. If you want to rest, you have to stand honestly... understand?”

What the hell!

Hearing this, Yue Feng was dumbfounded!

This Chang’e, in this situation, still thinks she’s a high-ranking empress?

“Alas!”

At this moment, Song Qian couldn’t bear it anymore, took a step forward, and said to Chang’e, “Miss Chang’e, I know you’ve been imprisoned and feel aggrieved in your heart, but please respect others, now everyone is being jailed. Locked together, why can’t we rest when you can rest?”

Song Qian was kind-hearted, and under normal circumstances, she would never quarrel with anyone, but seeing Chang’e being so unreasonable, she couldn’t help it.

Chapter 1744

“Respect?” Hearing this, Chang’e

sneered, with an aloof stance, her eyes full of contempt: “But three treachery, do you have the right to talk to me about respect?”

Extremely firm, unable to refute: "Bengong repeats it again, here, I have the final say, I said that you are not allowed to rest here, you cannot rest."

Nima!

At this moment, Yue Feng's face changed, and his heart was filled with anger.

What if you are Chang'e? Isn't he still locked in a cell like us?

It's fine if you don't respect people, and now you still treat us like servants, do you really think you're still in a splendid palace?

The more Yue Feng thought about it, the more depressed he became.

"Oh, even though it's a straw mat, it's quite comfortable!" Yue Feng sighed and looked very comfortable, while paying attention to Chang'e's reaction.

To be honest, Yue Feng didn't want Chang'e to turn her face, but Chang'e was too much.

"Yue Feng, you are so bold."

Seeing this scene, Chang'e stomped her feet in anger, and said tenderly, "Get up for me. Who told you to lie down?"

This Yue Feng was so presumptuous that he dared to defy his own. Order. How can I, my dignified concubine, be squeezed with a man?

call!

Yue Feng took a deep breath, and with a dead pig's attitude not afraid of boiling water, he said leisurely: "Why should I get up? Now we are both prisoners and treated the same, why should I listen to you?"

Saying that, Yue Feng's face showed a bit of playfulness, and continued: "Miss Chang'e, I said just now, if you are tired and want to rest, I will give you a seat, don't be embarrassed!"

"You... "

Hearing this, Chang'e's chest rose and fell sharply, but she was speechless.

Because Yue Feng is right, everyone is a prisoner now, and it is indeed a bit arrogant to force them out of the way.

However, it was too much for Yue Feng to contradict himself like this.

At this moment, Chang'e really wanted to kill Yue Feng with one palm, but the acupuncture points around her body were blocked by Yang Jian, and she couldn't exert any internal strength.

puff!

Seeing this scene, Song Qian couldn't help laughing.

My brother-in-law is really daring and dare to be so angry with Chang'e. It is estimated that there are not many people in the world who dare to talk to Chang'e like this.

Mu Xixi, who was beside him, also showed a smile.

....

on the other side.

At the junction of Apocalypse Continent, Diyuan Continent, and Zhongyuan Continent, there is a mountain range, majestic and grand, stretching for thousands of miles.

In the deepest part of this mountain range, there is a valley. The four seasons are like spring, just like a paradise. Inside the valley, there is an antique Jian ethnic group.

It is Wangyou Valley!

Wangyou Valley is a cultivation organization far away from the world. It has been passed down for thousands of years. The disciples in the valley rarely walk around the rivers and lakes, so few people know about it.

It is rumored that the ancestor of Wangyougu, once hurt by love and far away from the world, created Wangyougu here.

The disciples in Wangyou Valley are almost all people who have been hit in the world and are disheartened by the mortal world.

Today's Wangyou Valley owner has been passed down to the thirty-second generation. The owner of the valley is called Situ Wangqing!

Situ Wangqing is a woman full of charm, but she is only thirty years old. Twelve years ago, she was deceived by the man she loved, and she was heartbroken, and finally joined Wangyou Valley!

The past generations of Wangyou Valley Master, because they have no intention of strife in the rivers and lakes, do not have a deep obsession with the realm of cultivation, so they are not high.

But Situ Wangqing is a gifted talent, a rare cultivation genius. When he first joined Wangyougu, he was still a military general. Now ten years later, he has reached the strength of a period of tribulation.

Chapter 1745

At this time, in the hall of Wangyou Valley, the owner of the valley, Situ Wangqing, sat there. She's wearing a long white dress that fits snugly! That tight body is so charming!

On both sides of the hall, dozens of Wangyougu disciples stood quietly, all of them looked solemn!

"Guzhu!"

At this moment, a man walked in quickly, with a refined temperament and a smile on his face. It is Chen Yun's good friend, stay tuned!

That's right, Jing Guan dressed up and looked like a member of the Taoist sect, but he was actually a person from Wangyougu, and his identity was unusual. He was one of the five elders of Wangyougu.

"Watch!" Seeing him, Situ Wangqing

said lightly, "I asked you to go outside and inquire about the outside world. What did you find out?"

They do not communicate with the outside world, but since the formation of the Kyushu Continent's barrier, this concept has gradually changed.

Especially after Situ Wangqing became the valley owner, he wanted to develop the strength of Wangyou Valley.

Therefore, Situ Wangqing dispatched a watchful eye and went out to inquire about the situation on various continents.

"Return to the Valley Master!" Jing Guan took out a piece of paper from his body, and said politely: "I found everything about the situation in each continent and wrote it down!"

Immediately, Jing Guan leaned forward with a mysterious look on his face: "And , I also brought back a person."

"Who?" Situ Wangqing frowned.

Jing Guan smiled and clapped his hands!

Suddenly, two Wangyougu disciples walked in slowly with a slender figure.

The woman is wearing a long purple dress, her skin is as white as snow, her facial features are exquisite and beautiful, like a fairy, but her breath is very weak.

It was Su Qingyan!

Previously in the Superintendent's Mansion in Tianqi Continent, Chen Yun was humiliating Su Qingyan. Jing Guan suggested that Chen Yun hand over Su Qingyan to herself.

At that time, Chen Yun had no idea, so she agreed to Jing Guan's suggestion. Hand over Su Qingyan to Jingguan.

At that time, Jing Guan took Su Qingyan out of the imperial city at night without stopping, and returned directly to Wangyou Valley.

Whoa!

In an instant, many male disciples in the hall stared at Su Qingyan, unable to extricate themselves.

Is this woman in front of me a fairy descended to earth? Exquisite face, sexy body, really intoxicated.

beautiful!

Charming, sexy, all the beautiful words in the world are not enough to describe her beauty.

Most of these male disciples were hurt by love, so they joined Wangyougu. They had given up on women in the world, but when they saw Su Qingyan, flames ignited in their hearts again.

Even Situ Wangqing was attracted by Su Qingyan's temperament and beauty.

In her heart, she was already beautiful enough, but compared to Su Qingyan, she was a little ashamed.

"Who is she?"

Finally, after a few seconds, Situ Wangqing reacted and couldn't help but ask gently.

Jing Guan hurriedly took a step forward and responded with a smile on his face: "Gu Master, her name is Su Qingyan, she is the Sect Master of Wenzong in Dongao

Continent, and she is also the woman of Sect Master of Tianmen in Earth Circle Continent!”

What?

Is she the suzerain of Wenzong, or Yue Feng’s woman?

Hearing this, Situ Wangqing was instantly moved, and a bit of shock appeared on his delicate face.

Over the years, Yue Feng has become famous in the Kyushu continent, and Wangyougu has been inquiring about the outside world, and he is too familiar with him.

Whoa!

At the same time, the other disciples around also erupted into a heated discussion.

No wonder the temperament is so special and so beautiful.

It turned out to be the woman from Yue Feng.

“Jing Guan!”

At this time, Situ Wangqing waved at Jing Guan, and after he approached, he whispered: “This Su Qingyan’s identity is so special, you bring her into our Wangyou Valley, not afraid of causing trouble. ?”

Over the years, Yue Feng’s reputation in the Kyushu mainland has become more and more famous, and Wangyougu is developing and growing, so there is no need to provoke Yue Feng for a Su Qingyan.

Chapter 1746

“Don’t worry about the owner of the valley!” Jing Guan smiled slightly: “The owner of the valley, during this time, the people of Su Qingyan and the Ouyang family have been imprisoned by King Guangping in Tianqi prison. If Yue Feng wanted to save them, he would have They all went to save them. I guess that Yue Feng doesn’t want to save

them anymore. So the owner of the valley doesn't have to be afraid of Yue Feng. This Su Qingyan is very powerful. If it can be used by us, it will be a big deal for the future development of Wangyou Valley. Help."

Phew!

Hearing this, Situ Wangqing breathed a sigh of relief and said, "What do you mean, give her Wangyou Water?"

Wangyou Water is a kind of spring water in the depths of Wangyou Valley, whether it is a cultivator or an ordinary person, If you want to take it, you will forget everything before, which is very magical. People who drink Wangyou water are like losing their memory.

If the disciples who join Wangyou Valley are too deeply hurt, they will be given Wangyou Water, so that they can forget their troubles.

"Not bad!"

Jingjian nodded with a smile on his face: "This Su Qingyan has an extraordinary identity and strong strength. If she persuades her with words, I'm afraid it will be difficult for her to surrender. Only by taking Wangyou Shui can she be willing to do so. I want to do things for us in Wangyougu!"

"Okay!"

Hearing this, Situ Wangqing showed a smile and nodded approvingly: "Just do it like this, I'll leave this matter to you.

" Yes!"

Jing Guan responded and immediately ordered his disciples to take Su Qingyan out of the hall.

Soon, Su Qingyan was taken into an elegant courtyard.

"Bring the holy water!"

After entering the room, Jing Guan ordered the two disciples! Holy water is the water of forgetfulness.

"Yes, elder!" The voice fell, and a disciple quickly responded and walked out quickly.

This chapter is provided by . Visit for daily update.

After a while, a disciple came back with a cup of Wangyou water in his hand.

After Jing Guan took it, he motioned the two disciples to leave, and then slowly walked towards Su Qingyan.

When he got to the front, he watched Su Qingyan quietly, and said with a smile: "Beauty Su, don't be nervous, I won't hurt you, I rescued you from the supervisor's wife, I just can't bear to see you Xiang Xiaoyu. Lose, come, drink this glass of water, and there will be no more troubles!"

After speaking, Jing Guan handed Wang Worry Water to Su Qingyan's mouth.

Seeing this scene, Su Qingyan was embarrassed and angry, and she was so anxious that she struggled desperately at the same time, but the acupoints on her body were blocked, which was of no use at all.

....

on the other side!

Northern Ying Continent, in a tavern a few miles north of the imperial city!

Zhu Bajie and Xu Qingyi were sitting there, and the table in front of them was full of delicious food and wine.

"Haha.."

At this time, Zhu Bajie gulps drinking and eating meat, looking very excited: "Houyi is dead, and finally there is no need to avoid his pursuers!"

When he said this, Zhu Bajie was extremely excited. of pleasure.

Previously in Shengzong, Yue Feng suddenly disappeared, Zhu Bajie was so anxious, he took Xu Qingyi down the mountain quickly to inquire about Yue Feng's news.

As a result, Yue Feng's news was not heard, but he received news of Hou Yi's sudden death. You must know that Zhu Bajie, once the Marshal of Tianpeng, was not afraid of heaven and earth, but he was deeply afraid of Emperor Houyi. The sudden death of Emperor Hou Yi was a surprise to Zhu Bajie.

Next to Xu Qingyi, eating with restraint, her beautiful face did not fluctuate. Zhu Bajie let loose, she was already used to it.

"Beauty, hurry up and fill your stomach, Lao Zhu, I will take you to experience the prosperity and majesty of the imperial city!" Zhu Bajie smiled at Xu Qingyi and said.

In the past, when Emperor Hou Yi was there, he did not dare to make trouble in the imperial city.

Now, don't you just go if you want, go if you want? Who can stop himself? Hahaha!

More importantly, I didn't know what happened to Chang'e during the time I left...

Thinking of Chang'e, Zhu Bajie's eyes were full of excitement, and she couldn't wait.

When Emperor Hou Yi died, Chang'e must be very sad and need comfort.

haha...

um!

Xu Qingyi responded and said nothing.

During the time I was with Zhu Bajie, I had a good understanding of his personality, so I couldn't wait, so I must have wanted to meet some woman.

But Xu Qingyi didn't care. After all, Zhu Bajie was lustful, she was used to it. Zhu Bajie had already completely conquered the woman Xu Qingyi.

Chapter 1747

Soon, after having a full stomach, Zhu Bajie set off with Xu Qingyi.

A few hours later, Zhu Bajie and Xu Qingyi arrived at the imperial city of the Northern Ying Continent. Now that the descendant of the Great Emperor is dead, Zhu Bajie is not afraid of the sky and the earth, so he wants to come to Beiyang Imperial City to play.

call!

At this moment, seeing the imperial city in front of her, Xu Qingyi's heart was incomparably shaken.

This is the imperial city of Northern Ying Continent? It's too majestic, I don't know how many times bigger than the Xi Cang Continent.

"Beauty, have you ever seen such a majestic imperial city?" Zhu Bajie said with a smile: "It is no exaggeration to say that this should be the largest and most majestic imperial city in the Kyushu continent. I've lived here for more than a thousand years, it's amazing!"

Zhu Bajie is not only lustful, but also likes to brag in front of beautiful women. Seeing Xu Qingyi's shocked expression at this time, she couldn't help but brag about herself.

Of course, for the sake of face, he wouldn't say that he was trapped here for more than a thousand years.

While talking, Zhu Bajie and Xu Qingyi entered the city gate.

It was already dark at this time, but it did not affect Zhu Bajie's mood at all.

Haha... I

revisited the old place, and I didn't have any worries, and I was in a good mood.

But at this moment, Zhu Bajie felt something was wrong. Usually at this time, there should be a lot of traffic in the imperial city, but today it is deserted. Not only that, there are many palace guards patrolling the streets.

I'm going, it's not right!

Didn't Emperor Hou Yi die suddenly? Why are there so many guards patrolling the streets?

"Zhu Bajie?"

"Quick, surround yourself!"

Just as Zhu Bajie was frowning secretly, a group of guards not far away rushed over to see him shouting angrily.

"Beauty, you go first!"

Seeing this scene, Zhu Bajie was shocked and angry, and hurriedly shouted at Xu Qingyi.

Xu Qing didn't have time to think, turned around and ran out of the city.

Whoops!

As soon as Xu Qingyi left, Zhu Bajie was surrounded by more than 100 guards.

"Everyone, what do you mean?" Zhu Bajie didn't panic at all, looked around, and said lazily.

"Take it!"

The captain who led the team, too lazy to talk nonsense, shouted angrily.

Whoops!

The voice fell, and more than a hundred guards rushed towards Zhu Bajie with their inner strength.

The truth of Hou Yi's death has not yet been found out, but the clues point directly to Zhu Bajie and Chang'e. Now that Chang'e has been imprisoned, the entire court is looking for Zhu Bajie, but I didn't expect that Zhu Bajie would take the initiative. delivered to your door.

"Yo?"

Zhu Bajie didn't know the situation, but the other party shot without saying a word, and was immediately provoked: "I thought I, Lao Zhu, were easy to bully, right? I haven't moved my muscles for a long time, so I will use you to practice my hands today! "

Om!

When the voice fell, Zhu Bajie moved his wrist and rushed over.

Bang bang bang...

In an instant, Zhu Bajie was like a tiger entering a flock, only to hear a sound of vibration, and the guards suddenly turned their backs.

.....

At this moment, the imperial city is in prison.

In the cell, Mu Xixi and Song Qian were lying in the corner, resting and breathing evenly.

On the other side, Yue Feng was lying in the center with his back up and down, and he was sleeping soundly.

Next to Yue Feng, Chang'e was sitting there, closing her eyes and resting her mind, secretly urging her inner strength to try to open the acupuncture point.

What just made Chang'e annoyed was that Yang Jian's acupoint sealing technique was too special. He tried several methods, but all failed.

call!

After an unknown amount of time, Chang'e gave up completely and slowly opened her eyes.

Chapter 1748

Swish!

That is, the moment she opened her eyes, when she saw the scene in front of her, Chang'e's face turned extremely red, her delicate body trembled, and she felt an indescribable shame and anger in her heart.

I saw Yue Feng put one hand on his lap, his expression relaxed, and he was sleeping soundly.

At this moment, Chang'e was very angry. As a high-ranking empress, she would not be respectful when she met her, but this Yue Feng not only contradicted herself, but now even sleeping, she disrespected herself.

Just too presumptuous!

Thinking to herself, Chang'e's pretty face was frosty, she raised her jade hand, and slapped her with a slap in the face.

Snapped!

With this slap, Chang'e used all her strength, only to hear a crisp sound, Yue Feng was immediately slapped awake!

Nima!

Yue Feng covered his face and sat up all of a sudden, very annoyed.

What is this? You can get beaten while sleeping!

Muttering in his heart, Yue Feng turned his head to look!

hiss!

Seeing this, Yue Feng was instantly attracted, staring blankly at Chang'e who was close at hand, and couldn't help gasping for air.

I have to say, this Chang'e's figure is really tight and the curve is so perfect, especially the shy and annoyed look, which is even more charming!

Damn Yue Feng!

Chang'e was already on fire in her heart. Seeing Yue Feng staring at her unblinkingly, she was even more ashamed and angry, and said coldly: "Yue Feng, you... close your dog eyes for me!

" dog eyes?

Hearing this, Yue Feng felt a little angry.

Since I was put in the cell, I have been patient with you everywhere. You said I was a troll before, but now you call me a dog?

Even if you are a high-ranking Moon Palace Fairy, you can't be so disrespectful to people.

However, Yue Feng did not have a seizure, but looked at Chang'e with a smile: "Miss Chang'e, I was sleeping soundly, but I was woken up by your slap, how can I close my eyes and rest?"

When he said this, Yue Feng's eyes He deliberately looked up and down on Chang'e.

"You..."

Chang'e blushed instantly, stomping her feet in anger, but she couldn't refute.

Yue Feng was right, he was sleeping, and he slapped him to wake him up, but...the way he slept just now was so presumptuous that he put his hand on his own...for

a while, Chang'e was ashamed and angry. Five ratios, but he was speechless to refute, after all, such a shameful thing can be said.

Haha...

At this moment, Yue Feng felt unspeakably at ease, and after looking at it a few more times, he smiled and teased: "I can't sleep anyway, I don't think Empress is in the mood to rest, why don't I accompany Empress to talk, Relieve your worries!"

Saying that, Yue Feng sat up with a serious look.

"You are bold!"

Chang'e was shocked, and shouted at Yue Fengjiao, "Who wants you to accompany this palace? Go away!"

Being framed by Yang Jian, she was already in a bad mood, but now she is teased by Yue Feng, At this time, Chang'e was almost unbearable. If it weren't for her internal power being sealed, she would really want to slap Yue Feng to death.

Ugh!

Seeing the scene, Yue Feng sighed lightly and said to himself: "Forget it, I'll continue to sleep, sigh, I don't know what happened to my big brother Zhu, this person is too inauthentic, he and Empress Chang'e You didn't even tell me about the date, and I was put in jail."

When he said this, Yue Feng quietly paid attention to Chang'e's reaction.

Yes, Yue Feng said it to Chang'e, but he wanted to take revenge on purpose. After all, Chang'e was a high-ranking fairy in the Moon Palace. She slapped herself and couldn't fight back.

"Shut your mouth!"

Chang'e blushed and stomped her feet angrily: "Who is dating Zhu Bajie? If you talk nonsense again, this palace will cut your tongue.

" Staring at Yue Feng: "By the way, tell this palace honestly, where is Zhu Bajie?"

Emperor Houyi wrote on the jade platform, Chang'e is still confused, but this kind of thing definitely didn't happen for no reason. , If you want to know the truth, you must start from Zhu Bajie.

And Yue Feng and Zhu Bajie have a close relationship, so naturally they know his whereabouts.

Chang'e has already thought about it, as long as she finds Zhu Bajie and asks him to clarify, she will be able to return her innocence.

Chapter 1749

"Ouch!"

Hearing this, Yue Feng looked surprised, patted his forehead, and responded with a smile: "Niangniang, what are you talking about, last night, you still Meet Zhu Bajie in the secret room, you should know his whereabouts best, why did you ask me instead?"

After speaking, Yue Feng held back his smile and continued: "Besides, we are all locked up in prison. How do I know his whereabouts?"

"Shut up!"

Hearing this, Chang'e's pretty face was frosty, her body trembled with anger, and she scolded: "You are talking nonsense, this palace promises that you will not see it. Tomorrow's sun."

Chang'e has always been pure and self-love. She was slandered by Yang Jian before, and she was already furious. Now, being said that by a treachery is a shame.

Chang'e became angrier the more she thought about it, raised her jade hand, and hit Yue Feng fiercely. However, the internal force was sealed, and this palm was easily avoided by Yue Feng.

While dodging, Yue Feng kept making jokes.

“Oh, what are you doing, Niangniang? You don’t have any restraint anymore, how indecent is it to do it like this?”

“Shut up!”

“Now that we are locked together, we are considered inmates, can’t we say something if we have something to say...” Bengong has

nothing to say to you, please stop for me...”

For a while, Chang’e and Yue Feng’s chasing, beating and scolding continued, and they soon woke up Mu Xixi and Song Qian who were resting. .

This...

The moment he opened his eyes, and seeing the scene in front of him, Mu Xixi was stunned for a moment, frowning tightly.

What did Yue Feng do?

It actually attracted Chang’e’s cell to be chased and beaten?

Next to Song Qian, her beautiful face was also full of doubts.

“Brother-in-law!” In the

next second, Song Qian couldn’t help but shouted softly at Yue Feng, “What are you doing?”

Chang’e quickly stopped when she heard the voice, embarrassed and furious. As a concubine, chasing with a man and being seen by others is really unsightly.

“It’s okay, it’s okay...” Yue Feng replied with a slight smile.

Oh!

Song Qian nodded, and in the next second, she saw the handprint on Yue Feng’s face, and she was stunned: “Brother-in-law, you... what’s the matter with your face?”

Song Qian hurriedly left. past.

Although Yue Feng is only a cousin-in-law, but in Song Qian’s heart, just like her own brother, seeing the handprint on Yue Feng’s face, she felt distressed.

call!

When they got to the front, seeing that Yue Feng's face was only red and not swollen, Song Qian secretly exhaled.

Immediately, Song Qian couldn't help but ask, "Brother-in-law, what's the matter?" The moment the words fell, Song Qian couldn't help but glanced at Chang'e.

Don't guess, it must be Chang'e.

Swish!

At the same time, Mu Xixi also frowned and looked at Yue Feng, waiting for his answer, thinking secretly in her heart.

This Yue Feng was not beaten for molesting Chang E while he and Song Qian were resting.

This...

Yue Feng scratched his head and pondered.

Chang'e on the side looked calm, but she was nervous. It doesn't matter if he hit Yue Feng, because he put his hand on his lap while sleeping, but how could he say such a thing? If you let others know, your reputation will be gone. For a time, Chang'e was so anxious, but embarrassed, she reminded Yue Feng.

Haha...

Chang'e's expression changed very slightly, but Yue Feng still saw it, and she felt indescribably at ease.

Slowly said: "That's it, there are too many mosquitoes in this cell. When I was sleeping just now, there was a mosquito on my face. When the lady saw it, she was so kind and slapped me to death!" Yue Feng tilted his head and smiled at Chang'e: "That's right, Niangniang!"

Chapter 1750

What?

Chang'e to help you fight mosquitoes?

Hearing this, Song Qian frowned slightly and became even more confused.

Empress Chang'e, she is so high above and like a fairy, she actually helped my brother-in-law fight mosquitoes?

It's...a bit out of the ordinary.

Mu Xixi on the side, but the corners of her mouth twitched slightly, smiling without saying a word. She could see at a glance that what Yue Feng said was not the truth, but just a reason to take care of Chang'e's face.

"You..."

Hearing this, Chang'e's face flushed, but she couldn't refute it.

This Yue Feng is too presumptuous to make up such a lie.

But as irritating as this lie is, it is better than telling the truth.

—This

time, the other side!

On the streets of Beiyang Imperial City, which was originally a deserted street, at this time, amid the screams of killing, it became abnormally bloody and chaotic.

Under the siege of hundreds of palace guards, Zhu Bajie did not fall behind. Holding a nine-toothed rake, he shuttled back and forth in the crowd, as fast as lightning. Every time he made a shot, a guard would definitely fall.

Bang bang bang!

In the blink of an eye, more than a dozen guards had fallen into a pool of blood.

"Zhu Bajie!"

At this time, the captain of the guard, with blood-red eyes, stared at Zhu Bajie: "You have committed a heinous crime, and you can't escape. If you are sensible, you should surrender and be captured!"

When he said this, the captain of the guard was full of resentment. This Zhu Bajie not only killed the late emperor, but also killed so many of his subordinates.

"Zhu Bajie, you can't escape today!"

"That's right, even if you have the ability to reach the sky, don't even think about leaving the imperial city!"

“Go ahead and capture it!”

At this moment, the other guards around also rushed towards Yue Chenda. Shouting, each look more angry than one.

A heinous crime?

Zhu Bajie was confused, didn't he just escape from the imperial city and teased Chang'e before leaving? As for giving me such a big charge? At this time, Zhu Bajie did not know that after the death of the descendant, the emperor engraved his name on the jade platform.

“Fuck! Get the hell out of there!” Zhu Bajie held a nail rake and looked at the many guards surrounding him with no fear on his face!

The descendants of the great emperor are dead, you still don't want to let me go?

Well, since you want to fight, have a good fight!

“Ow!”

At this moment, a loud tiger roar resounded through the world!

At the same time, the shops on both sides of the street, doors and windows, and the ground were all shattered!

At this time, Zhu Bajie jumped up, suspended in mid-air, and a huge macular tiger appeared in front of him. This macular tiger was more than ten meters long. The momentum is amazing!

“Tiger Roaring Universe!”

“Kill!” Zhu Bajie roared frantically, raising his hand to point at the crowd!

Tiger Roaring Universe is one of Zhu Bajie's great stunts. He didn't want to use it, but he was imprisoned by Emperor Hou Yi for thousands of years. Now Hou Yi is dead, and these guards are still unwilling to let them go. , Zhu Bajie can't handle so much anymore.

At this time, Zhu Bajie just wanted to kill him and vent his hatred.

In an instant, the tiger roared wildly and rushed over in an instant, and a crack was cut in the air wherever it passed!

“Ah!”

The nearly 100 guards only felt a flower in front of their eyes. The macular tiger had already arrived. The huge impact made them unable to stand still! Under the attack of the tiger, there were more than 20 people who were directly beaten and vomited blood, and there was no way to resist!
