

The ultimate husband in Chinese chapter 1751-1760

Chapter 1751

“Don’t panic, Zhu Bajie is alone, let’s go together!” The captain of the guard wiped his sweat and howled loudly!

The voice fell, and the dozens of guards left, looked at each other, and rushed over at the same time!

“Haha, if you want to catch me, come on, I’m going to have a good time with Lao Zhu today!” Zhu Bajie didn’t panic at all, but was extremely excited, shouting, his figure flashed, and he rushed into the crowd!

Bang bang bang...

Zhu Bajie shuttled through the crowd, his whole body filled with fighting intent, and he shot out one palm after another!

At this time, Zhu Bajie’s eyes were extremely red, and he felt that the depression of being detained for thousands of years was all at once vented, and it was indescribably smooth!

In a blink of an eye, nearly a hundred guards, except for the captain who was still struggling to support, all fell in a pool of blood.

hiss!

Seeing this scene, the people watching the battle from a distance suddenly exclaimed!

“God, this man is so powerful that he has injured so many guards!”

“He looks so handsome, and is so strong, and he calls himself Lao Zhu. Could it be that he is the Grand Marshal of Tianpeng, who was famous all over the world a thousand years ago?”

” It seems so...”

Under the exclamations of everyone, there were many women who were also fascinated by Zhu Bajie’s handsome demeanor.

So handsome, so powerful!

Haha..

This chapter is provided by . Visit for daily update.

happy, really happy!

Hearing the applause in the distance, Zhu Bajie felt very happy.

“Zhu Bajie, don’t be mad!”

At this moment, there was an angry shout from the direction of the palace not far away, and then, a golden figure flew over quickly, imposing and domineering.

He was wearing a golden armor, holding a three-pointed two-edged sword, and a black dog more than fifty meters long by his side.

It is True Monarch Erlang, the current Holy Emperor, Yang Jian!

What the hell!

why did he come here?

Seeing Yang Jian, Zhu Bajie was shocked, and then squeezed out a smile: “Erlang Zhenjun, long time no see!”

When saying this, Zhu Bajie looked very relaxed. He and Yang Jian have never had any grudges, and Yang Jian has an indifferent temperament and seldom cares about other people’s business, so Zhu Bajie is not panic at all.

“Zhu Bajie!” Yang Jian’s handsome face did not fluctuate in the slightest, and said lightly: “I was about to find you, but you took the initiative to send it to the door! In that case, you will follow me to the prison and wait for the trial!”

The sound was not loud, but it spread throughout the audience, no doubt about it.

What?

Go to jail and wait for trial?

Zhu Bajie was stunned for a moment, then said with a smile: “Yang Jian, you really know how to joke, I haven’t had enough fun in the flowery world outside, why should I go to jail with you?”

” It must be because the death of Emperor Hou Yi caused a problem with the stimulated spirit.

As soon as he finished speaking, Yang Jian said coldly: “Don’t mess around with me. You killed His Majesty Hou Yi, the crime is unforgivable. If you know the situation, just follow me, don’t force me to do it!”

What?

I killed Emperor Houyi?

Where are all these.

Zhu Bajie's expression was stunned, but his brain was buzzing.

The next second, Zhu Bajie reacted and looked at Yang Jian dumbfounded: "I just came back from outside, but you said that I killed Emperor Houyi? It's really interesting, then tell me, how did I kill him?"

"At these times, Zhu Bajie had a cynical attitude.

"Are you still pretending?"

Yang Jian frowned and suddenly became angry: "You were in a private meeting with Chang'e, and your Majesty bumped into you, causing your Majesty to go into a rage and die violently. Before you died, on the jade cultivation platform, you carved the Given the names of you and Chang'e, and the evidence is conclusive, you still want to deny it?"

Chapter 1752

Speaking, Yang Jian took a deep breath and said coldly: "I tell you, Chang'e has been put in prison by me, and Yue Feng, who let you out before, was also caught by me, if you are smart If so, don't resist, otherwise, what awaits you will be a doom!"

I'll go!

Hearing this, Zhu Bajie was stunned, stared at Yang Jian closely, and did not calm down for a while.

That's what happened.

But he and Chang'e had never met, so where did the secret meeting come from?

"How is it?" Yang Jian sneered: "The affair between you and Chang'e has already been exposed, what else do you have to say?"

Alas! Hearing this, Zhu

Bajie scratched his head and smiled wryly: "Okay, I admit, I do have a relationship with Chang'e, but if you want to arrest me, I'm afraid it won't be that easy!"

Bajie had a smile on his face, and his heart was inexplicably excited.

Speaking of which, Zhu Bajie has always been obsessed with Chang'e, otherwise, a thousand years ago, he would not have taken the initiative to molest and was imprisoned by Emperor Hou Yi. In Zhu Bajie's heart, as long as he can have a relationship with Chang'e, whether it is a good thing or a bad thing, he will do it with joy.

Therefore, when Yang Jian said that he had a private meeting with Chang'e, Zhu Bajie was not angry, on the contrary, he was only excited.

Zhu Bajie has already thought about it, no matter what the real situation is, as long as he admits to having a private meeting with Chang'e, then he and Chang'e are on the same boat. It will be easier to get close to her in the future.

Thinking of this, the corners of Zhu Bajie's mouth raised, indescribably excited.

Swish!

At this moment, Yang Jian's eyes were like electricity, and he locked on Zhu Bajie: "It really is you!"

Immediately, Yang Jian clenched his three-pointed and two-edged sword, and his cold voice spread throughout the imperial city: "Zhu Bajie, this beast, colluded with his wife and killed Emperor Houyi, such an unfaithful and unrighteous person, everyone gets it and kills him. In conclusion, today I, Yang Jian, the third-generation Holy Emperor of the Northern Ying Continent, swear to the heavens to personally take action and kill Zhu Bajie in order to comfort the spirit of the late emperor in heaven!"

Om!

The voice fell, Yang Jian slowly raised the three-pointed two-edged sword, and a powerful breath swept out. In an instant, the sky above the entire imperial city was surging, as if the end was coming!

Erlang Zhenjun, domineering and unparalleled.

One place of anger, the world changes color!

Whoa!

Seeing this scene, many of the guards below, as well as the people in the distance, felt that their hearts were depressed and panicked, and they didn't dare to let out the air!

Gudong!

Feeling Yang Jian's endless killing intent, Zhu Bajie secretly swallowed his saliva.

Madd, it's no wonder that Yang Jian will come. It turned out that he was the emperor and wanted to avenge Hou Yi.

He was muttering in his heart, but Zhu Bajie didn't panic at all, and looked at Yang Jian with a smile: "Oh, Yang Jian, I said why are you so anxious to arrest me, it turns out that you are an emperor, and you want to use me as a prestige. ."

With that, Zhu Bajie looked serious: "I tell you, Yang Jian, although you are the emperor, you have to help me take good care of Chang'e. If she makes a mistake, I can't forgive you! By the way, And my brother Yue Feng."

Lustfulness is the nature of Zhu Bajie, even if the sky falls, the first thing that comes to his mind is the safety of the beauty.

"Arrogant!"

Hearing this, Yang Jian's eyes flashed with a cold light, and then his body flashed, holding the three-pointed two-edged sword tightly, and flew up!

At this moment, Yang Jian's internal force exploded, and the sky was about to shatter!

"Batian Slash!"

At the moment when he was 100 meters away from Zhu Bajie, Yang Jian suddenly raised his hand, and a terrifying force erupted from the three-pointed two-edged sword, forming a terrifying blade shadow that suddenly slammed towards Zhu Bajie!

This sword shadow is more than 100 meters long, and it is completely formed by Yang Jian's fighting spirit!

In an instant, as soon as the knife shadow appeared, the surrounding temperature seemed to drop by more than ten degrees! Everyone felt a chill, their eyes widened, and they couldn't help sweating for Zhu Bajie! !

"Batian Slash?" "As soon as the Holy Emperor made his move
, he immediately performed a stunt!"

"Now Zhu Bajie can't fly with his wings attached!"

Under the shock, many guards took a deep breath!

Batian Slash is Yang Jian's unique skill. Thousands of years ago, Yang Jian used this stunt to annihilate more than a dozen sects that disobeyed the descendants of the Great Emperor, and shook the world!

Chapter 1753

Seeing Yang Jian's ultimate move, Zhu Bajie was also shocked, he quickly raised his hand in front of him and deployed a protective film!

"Boom!..." The

next wonderful thing, Yang Jian's knife shadow slashed on the protective film. I heard a thunderous roar, and the protective film suddenly shattered!

puff!

Zhu Bajie vomited out a mouthful of blood, and his body flew far away. In the end, it fell on the city wall and slipped down.

Made!

Is Yang Jian's strength so terrifying?

Zhu Bajie wiped the blood from the corner of his mouth, stood up, and looked at Yang Jian tightly, incomparably horrified in his heart.

Zhu Bajie was also confident at first, thinking that he could block Yang Jian, because when he was the marshal of Tianpeng, Zhu Bajie and Yang Jian's strengths were comparable!

However, after being imprisoned by Emperor Hou Yi for a thousand years, Zhu Bajie slackened his cultivation.

Now that a thousand years have passed, Yang Jian's strength has far surpassed Zhu Bajie!

"Zhu Bajie! You give me death!"

At this moment, Yang Jian jumped up and jumped on the back of the roaring dog, like a god who came into the world, with a three-pointed two-edged sword in his hand, a shock burst out, and he shot at Zhu again. Bajie splits.

Nima!

Feeling the difference in strength between himself and Yang Jian, Zhu Bajie didn't dare to fight again, his internal strength exploded, and he slapped it out with one palm. With this palm, Zhu Bajie really used all his strength!

boom!

The palm force and the sword light collided, and Zhu Bajie's internal force was almost emptied by this palm. However, the power is also very amazing, and the surrounding air is torn apart! Even Yang Jian had to back away!

hum!

Taking advantage of this opportunity, Zhu Bajie quickly took out a jade bottle, sprinkled a piece of poisonous smoke, turned around and ran away.

Zhu Bajie always carried this poison cigarette bottle with him. Zhu Bajie is playful by nature, and carries a lot of strange things with him. For example, he used Yi Rong San to make up Yue Feng to pretend to be Hou Yi... and the poisonous smoke used this time is also one of them!

The poisonous smoke filled the air, and Yang Jian and the surrounding guards did not dare to chase after him. When the poisonous smoke dissipated, Zhu Bajie had disappeared from everyone's sight in the blink of an eye.

"Bang!"

Yang Jian was extremely annoyed, and slapped his palm on the city wall. Zhu Bajie escaped under his own eyes, his face was extremely ugly.

"Send my will and do all we can to capture Zhu Bajie! Life and death are irrelevant." In the

next second, a cold voice came from Yang Jian's mouth. He clenched his fists tightly, unspeakably annoyed.

He had just sat on the throne, the supreme being in the world, and even let Zhu Bajie escape!

However, even if you run to the ends of the earth, you will not be able to escape from my palm.

.....

On the other side, the Northern Ying Continent, the imperial city prison.

In the prison, Mu Xixi and Song Qian woke up, Chang'e couldn't let go of her arrogance and restraint, and then went to beat and scold Yue Feng!

For a time, the atmosphere was very awkward.

At this time, Chang'e glared at Yue Feng, and was about to meditate and rest for a while. Suddenly, she heard a loud noise from outside. It looked very noisy.

Chang'e was upset by the noise, and shouted to the outside: "Someone!" The voice fell, and a cell guard walked in quickly and respectfully said: "Miss, what are your orders?"

When he said this, the cell guard The mood is very complicated.

Although Chang'e was locked up, she was also a concubine and did not dare to neglect her.

"Why is it so noisy outside? What's going on?" Chang'e frowned slightly, her red lips parted slightly, and she asked angrily.

This ..

that cell guard scratched his head, with a look of ignorance: "I don't know either, I'll go take a look!" The

voice fell, and he walked out quickly.

After a while, the cell guard ran back sweating profusely.

"Niangniang!" As soon as he came in, the guard wiped the cold sweat from his forehead and said complicatedly: "Yes... it was Zhu Bajie who appeared, and His Majesty took action in person!"

Chapter 1754

Zhu Bajie appeared?

Hearing this, Chang'e's delicate body trembled, and her beautiful face was both surprised and delighted!

If Yang Jian takes action personally, he will be able to catch Zhu Bajie. As long as he catches Zhu Bajie, he will be able to return his innocence! Up to now, Chang'e didn't know why the descendants engraved their names and Zhu Bajie's names on the jade platform before they died. Chang'e believed that as long as Zhu Bajie was caught, she could prove her innocence.

What?

Yue Feng on the other side was shocked and almost jumped up.

Yang Jian took the shot himself, I'm afraid Big Brother Zhu is a little overwhelmed.

"How is the situation now?"

At this time, Chang'e reacted and asked the guard, "Has Zhu Bajie caught it?"

When she asked this, Chang'e's beautiful face was full of anticipation.

The guard shook his head: "He ran away!"

Run away?

Hearing this, Chang'e's face was full of disappointment. Seeing the guard's expression of hesitating to speak, she couldn't help but ask, "Why did you run away?"

"When Zhu Bajie and His Majesty the Holy Emperor fought, they kissed.. personally admitted that they had a private date with the Empress and killed Your Majesty.. Empress, I can't say more, I have to go!" After speaking, the

guard turned around and hurriedly Leave.

Swish!

At this moment, Chang'e's delicate body trembled, her face flushed red, she was embarrassed and angry, and she almost fainted.

Damn, this .. this damn Zhu Bajie, actually said that he was secretly dating him? Isn't this out of nothing?

At this moment, Yue Feng was also stunned, he only felt his brain buzzing, and the whole person was a little dazed!

What the hell!

Brother Zhu admits to dating Chang'e?

The reason why Emperor Hou Yi died was obviously that he was mad at him by his ventriloquism. But how... did Zhu Bajie admit it?

Could it be... he and Chang'e really dated before?

Thinking to himself, Yue Feng turned his head to look at Chang'e, his eyes scrutinized and complicated: "Niangniang, you and Zhu Bajie..."

Before he could finish speaking, Chang'e interrupted.

"Shut up for me." A cold voice came from Chang'e's mouth, and her delicate face was full of shame and anger: "You don't have to speculate, Zhu Bajie and I have nothing to do with each other."

Saying this At the time, Chang'e's petite body kept trembling.

This Zhu Bajie is simply too abhorrent, even if he doesn't clarify the facts, and slandering his innocence, it is a crime that deserves death!

There is also this Yue Feng, who has been talking sarcastic words next to him, which is not a good thing.

Uh...

don't you just ask, as for such a rage?

Yue Feng scratched his head, very helpless, then after thinking about it, he understood something.

Zhu Bajie is so lecherous, and has coveted Chang'e for nearly a thousand years. When she escaped from the imperial city, she did not forget to tease Chang'e.

Seeing this, Zhu Bajie admitted it deliberately, and the purpose was to have a relationship with Chang'e.

Yes, definitely so.

Understanding this, Yue Feng was a little dumbfounded.

This big brother Zhu is really bold. In order to have a relationship with Chang'e, he has admitted such a big crime. You know, this matter involves the death of Emperor Hou Yi. Also, even if Zhu Bajie escaped, he would not be able to escape Yang Jian's pursuit.

Thinking about it, Yue Feng suddenly became anxious.

"Miss Chang'e!"

At this moment, Song Qian couldn't bear it any longer, and shouted at Chang'e, "My brother-in-law is just asking, why are you so fierce, besides, Zhu Bajie has admitted it, but you still insist What's the use?"

Song Qian pouted, with a look of dissatisfaction: "You have a private meeting with Zhu Bajie, you are reasonable..."

Song Qian has a kind heart, if it were normal, she would definitely not talk to Chang'e like this , but seeing her fierce Yue Feng, I was suddenly reluctant.

In Song Qian's heart, her brother-in-law is an omnipotent hero, and no one has the right to scold him, not even the aloof lady Chang'e.

Chapter 1755

“Where’s the dead girl from!” Chang’e’s pretty face changed and she looked at Song Qian: “What about this palace, you are a troublemaker like you, who can make irresponsible remarks? One more thing, this palace killed you You!” When the

voice fell, Chang’e raised her jade hand and was about to hit Song Qian.

“Come on, who’s afraid of you!”

Song Qian didn’t panic at all, sticking out her tongue at Chang’e, with a charming gesture.

When Chang’e and Yue Feng were chasing just now, Song Qian could see that Chang’e’s internal strength was sealed, and she couldn’t mobilize at all. More importantly, when her brother-in-law was present, she was not afraid that she would hit her.

Whoosh!

At the same time, Yue Feng rushed over, stopped Chang’e, and said with a smile, “Okay, okay, I’m a straight girl, don’t mind if you say anything.”

Immediately, Yue Feng’s face revealed a few words After pondering, he continued: “Besides, the empress and the big brother Zhu have a very close relationship. After all, she is also my sister-in-law. If you are your own, don’t kill or beat them at any time, so that outsiders will listen to the joke.”

Shuh!

Hearing this, Chang’e’s delicate face instantly became extremely blushing, and she stomped her feet angrily: “Who is your sister-in-law? Get away from me.”

At this time, Chang’e was almost fainted from anger.

It’s all because of Zhu Bajie, who admitted his affair with him, but now it’s completely unclear.

Buzzing...

Just as he was talking, he heard a vibration on the ground of the cell. The vibration was not loud, but Yue Feng and the others could hear it clearly.

What the hell!

what’s the situation?

Yue Feng frowned, lowered his head, stared at the ground, and saw the floor of the cell, a stone slab was slowly pushed up, and then a pile of loess was pushed to both sides, revealing a deep hole.

Obviously, someone had made a hole in the ground, hit the cell, and just hit it.

call!

Seeing this scene, Song Qian quickly retreated behind Mu Xixi, and then the master and apprentice stared at the hole with curiosity and nervousness.

Who was so daring to punch a hole in the ground into the palace prison?

Chang'e on the side was very calm, and her beautiful face did not fluctuate in the slightest.

Whoosh!

At this moment, a thin figure in the hole suddenly came out, and I saw that this person was dressed in a khaki skinny leather suit, with a roe head and mouse eyes, pointed mouth and monkey cheeks, and a face like a big mouse.

He looks 30 or 40 years old, his eyes are shrewd and cunning, and he is not a master at first sight, but he is less than one meter tall and looks very funny.

Haha...

where is this dwarf from?

Seeing this person's figure, Yue Feng was stunned for a moment, and then he became happy, but he didn't dare to laugh out loud, because Yue Feng clearly felt that the strength of this dwarf had reached the realm of transcending tribulation.

Crossing the Tribulation Realm, who dares to laugh at it?

This... who?

At this time, Mu Xixi and Song Qian also looked surprised.

Pfft!

At this moment, the dwarf didn't even look at the three Yue Fengs, and walked straight to Chang'e, bent his knees, and knelt down directly, with a very respectful tone: "Tu Xingsun is too late to save the car, please forgive me!"

What?

Tu Xingsun? Is he Tu Xingsun?

Hearing this, Yue Feng opened his mouth wide, and the whole person was stunned.

According to ancient records, there was a tall man named Tu Xingsun in the Shang Dynasty. He was short in stature, but with great skills. He was famous for his escaping from the earth. According to rumors, no matter how much danger he encountered, he could always escape unexpectedly.

The ultimate husband in Chinese chapter 1756-1760

Chapter 1756

Yue Feng is familiar with ancient books and documents, and is no stranger to Tu Xingsun, but he never imagined that he would meet him in the prison of Northern Ying Continent.

Nima!

Unexpectedly, this Tu Xingsun has lived for so long, and he is still Chang'e's subordinate.

Yue Feng guessed right, Tu Xingsun was the subordinate of Chang'e. Thousands of years ago, Tu Xingsun was besieged and killed by the rivers and lakes of the northern mainland because of his despicable behavior. Later, Chang'e rescued him. Chang'e knew that his escape technique is a must in the world, so he was taken as his subordinate.

To this end, Tu Xingsun was grateful, and since then he has followed Chang'e and obeyed Chang'e's orders. However, Chang'e thought that his image was too ugly, so he seldom took him with him, and only summoned him to do business at critical times.

"Tu Xingsun!"

Chang'e looked indifferent and glanced at Tu Xingsun: "Why are you here so late?"

There is a special way of contact between Chang'e and Tu Xingsun.

When Chang'e and Yang Jian played against each other before, they felt that they were lost, so Chang'e secretly sent a signal to Tu Xingsun, waiting for his rescue.

Because of this, Chang'e was imprisoned, so she didn't shout and seemed extremely calm.

However, Tu Xingsun came later than expected, so Chang'e naturally wanted to ask.

"Niangniang!"

Tu Xingsun smiled bitterly, lowered his head and said, "There are guards all around the prison, and there are soldiers patrolling in the sky. The walls are like iron walls. It took a lot of effort for the subordinates to avoid those guards, so it was delayed. Some time."

After speaking, Tu Xingsun raised his head with a serious look on his face: "But don't worry, Empress, this subordinate's burrow will lead directly to the outside of the imperial city, let's go quickly, leave here first, and then make plans!

" !

This chapter is provided by . Visit [for](#) daily update.

Hearing this, Chang'e nodded, but there was a bit of complexity on her beautiful face.

To tell the truth, as a high-ranking concubine, the mother of the world, and escaped from the imperial city, Chang'e was a hundred reluctant in her heart.

But there is no way. I can't explain the matter of my date with Zhu Bajie. Yang Jian doesn't believe in himself. If he continues to stay here, it will only be more detrimental to himself.

As she spoke, Chang'e was about to jump into the hole with Tu Xingsun.

"Hey, wait!"

At this moment, Yue Feng hurried over and said to Chang'e with a flattering face: "Niangniang, take us with you!"

Speaking of which, Yue Feng didn't want to ask, but thought about it. , After Chang'e and the two entered the cave, she and Mu Xixi quietly followed.

But after thinking about it, Tu Xingsun's earth escape technique is unparalleled in the world. If he and Chang'e entered the underground cave, they would quickly seal the entrance. By then, it would be too late if he wanted to follow.

Swish!

Hearing this, Chang'e frowned, but did not answer, her face was indifferent.

"Who are you?"

At this time, Tu Xingsun came over and looked at Yue Feng up and down: "My lady is so precious, why should I take you away? What are you guys who deserve to go with your lady?"

Uh... Yue Feng scratched his head and responded with

a smile: "My niece and I are our own people. To be more specific, we are a family. Since we are a family, how can we die? Right, niece..."

Bah!

As soon as the words fell, Chang'e's face flushed, she couldn't help spit, and said angrily: "Whoever is talking nonsense with your family, the crime deserves death, Tu Xingsun, kill him for me!"

This Yue Feng is too presumptuous, he has nothing to do with Zhu Bajie, but he humiliates himself by saying 'family' on the left and 'family' on the right.

Simply tired of living.

"Yes, Niangniang!" Tu Xingsun responded quickly!

hum!

In the next second, a powerful aura erupted from Tu Xingsun's body, and then, the thin figure was like a cannonball, hitting Yue Feng with a palm!

Chapter 1757 I

have to say that Tu Xingsun is the power to cross the Tribulation Realm, which is really terrifying. In the blink of an eye, Tu Xingsun's palm came to Yue Feng.

"Brother-in-law, be careful!"

"Yue Feng!"

Seeing this scene, Mu Xixi and Song Qian's expressions changed, and they couldn't help exclaiming.

Tu Xingsun's speed is extremely fast, Yue Feng's internal power is sealed, and he can't dodge at all!

“Niangniang!”

Yue Feng was shocked, and when he saw this palm, he was about to pat himself on the body, and shouted loudly: “As long as you take us away, I have a way to return your innocence! Prove that you did not kill the descendants. Great Emperor!”

When he said this, Yue Feng stared at Chang’e with a serious look on his face.

“Tu Xingsun, stop.” Hearing this, Chang’e raised her hand and stopped Tu Xingsun.

Tu Xingsun immediately withdrew his palm.

At this moment, Yue Feng clearly felt that the majestic palm force disappeared without a trace before his eyes, and he was relieved immediately!

“Yue Feng!” At this moment, Chang’e

walked over slowly and looked at Yue Feng up and down: “What did you just say? Is there a way to clear my innocence? How can you prove my innocence?”

It is extremely urgent. Like all women in the world, Chang’e considers her innocence more important than her life. As long as her innocence can be restored, she will still be that aloof Moon Palace Fairy, who is admired by the world.

call!

Facing Chang’e’s gaze, Yue Feng breathed a sigh of relief and said with a smile, “How can I prove your innocence, I can only say after you take us away successfully.”

Saying that, Yue Feng showed a very sincere look: “Niangniang, don’t blame me for being cautious. If I say now, wouldn’t it be too much of a loss for you to let Tu Xingsun kill all three of us?”

“You What a brave man!” The voice fell, Tu Xingsun jumped out, pointed at Yue Feng and scolded: “You dare to negotiate conditions with your mother, I think you are tired of living!” After saying that, Tu Xingsun was about to start.

“Tu Xingsun, step back!” Chang’e scolded lightly.

Tu Xingsun glared at Yue Feng and stepped aside unwillingly.

“Okay!” Chang’e pondered for a few seconds, looked at Yue Feng and said, “I believe you for the time being, but let me warn you first, if you dare to lie to this palace, even in the ends of the earth, I will kill

you!”

Ma!

I told you to help you, but also called me a dog?

Muttering in his heart, Yue Feng squeezed out a smile, nodded and said, "Don't worry, madam, I won't lie to anyone, and I won't lie to you!"

Chang'e was too lazy to talk nonsense, greeted Tu Xingsun, and entered the cave first.

Yue Feng didn't dare to neglect, and hurriedly called out to Mu Xixi and Song Qian to follow behind.

...

On the other side, the Earth Circle Continent, Yunzhou City!

Lishui Community, in an apartment!

Chapter 1758 In the

elegant and bright hall, Shen Man was sitting on the sofa, his beautiful face was full of tension!

Yes, this apartment was bought by Liu Xuan. When she left Donghai City, Liu Xuan decided to come back and set up an advertising company in Yunzhou City. After earning some money, she bought an apartment first.

In front of Shen Man, there was a man in a long robe, with a gloomy look on his thin face, it was Tang Qingyun, the owner of Tangjiabao!

Behind him, stood more than a dozen Tangjiabao disciples, all of them staring at each other, fierce and vicious.

"Mrs. Shen!" At this time, Tang Qingyun sat there in a big thorn, and said slowly: "I heard that you are Yue Feng's mother-in –

law, tell me, how can I lead him out?"

On the mainland, Yue Feng brought Zhou Qin into the Beiyang Palace and trapped her with a formation. Later, they beat Hao Jian and Faye Wong and left. At that time, the masters of the major sects did not dare to stop him. After that, everyone reacted and tried to go to the imperial city to rescue Zhou Qin, but when they found out the strength of the imperial city guards, everyone flinched. However, Zhou Qin must be saved.

Because at the beginning, Zhou Qin gave the masters of various sects to take Hei Tian Pill. If something happened to Zhou Qin, everyone would not get the antidote in the future. When the poison broke out, everyone would die miserably.

After discussion, everyone decided to start with Yue Feng!

After all, Zhou Qin was trapped in the palace because of him, and he must have a way.

It's just that Yue Feng is nowhere to be found, and it is too difficult to find him. In the end, I don't know who it is, and suddenly the relatives and friends of Yue Feng sounded, and suggested to start from this aspect.

In this case, Tang Qingyun found out that Yue Feng had a woman named Liu Xuan who lived in Yunzhou City, so he came over.

"I..." Facing Tang Qingyun's gaze, Shen Man shook his head, very nervous: "I don't know where he is..."

She clearly felt that the group of people in front of her were all powerful cultivators. not to be trifled!

"I don't know?" Tang Qingyun sneered and his eyes became cold: "It is said that Yue Feng was in your house back then and was a door-to-door son-in-law for three years. As a mother-in-law, would you not know his whereabouts?"

"I don't know!"

Shen Man was anxious all of a sudden, and his tone was filled with sadness: "To tell you the truth, my daughter was killed by him, woo woo..." Before he finished speaking, Shen Man covered his face, tears streaming down his face. come out.

Half a month ago, Liu Zhiyuan owed a lot of debt, and the grandmother of the Liu family had no money to pay it off for him, so she told the debt collector that Liu Xuan had the money to pay it back for Liu Zhiyuan. Later, Liu Xuan was caught on the mountain by those debt collectors, and later Liu Xuan was rescued by the people from the Rat Society. Shen Man didn't know about these things. Shen Man only knew that her daughter was missing, so she called the police, but there was no clue.

Later, Shen Man made a special trip back to Donghai City to ask the Liu family. At that time, Liu Zhiyuan told Shen Man that Yue Feng had come to the Liu family to ask Liu Xuan's news, and the Liu family gave it. Therefore, Liu Xuan was missing, and it was very likely that she had been with Yue Feng. wind related.

Shen Man believed it to be true, so he hated Yue Feng to the core!

If the daughter is alive, she will definitely give her news. Now that half a month has passed, and there is still no news, something must have happened. "You..." At this time, Shen Man wiped away the tears from the corners of his eyes, and asked cautiously, "Everyone, what are you looking for with Yue Feng

?" Yue Feng, the broom star, must have done something wrong and implicated himself!

Tang Qingyun stood up slowly, looked at Shen Man and said with a sneer: "Yue Feng betrayed his promise, framed Zhou Qin, the head of the martial arts alliance, and trapped her in the palace of the Northern Ying Continent. We came to him, just to let him find a way to put her. Alliance Lord Zhou is rescued! Otherwise, we will be in a state of doom without a leader!"

The masters of various sects have taken Heitian Pill. If something goes wrong with Zhou Qin, won't the entire rivers and lakes be completely chaotic?

What? !

Shen Man was shocked.

Yue Feng, this bastard, actually framed the leader of the martial arts alliance?

Thinking to himself, Shen Man said anxiously: "Hey man, you have misunderstood. I have nothing to do with Yue Feng at all. Besides, he killed my daughter, and I can't wait to find him and slap him a few times."

Chapter 1759

Speaking of this, Shen Man stood up, looked at Tang Qingyun, and said cautiously: "Otherwise, the hero will give me a contact information, if I have news about Yue Feng, I will notify you as soon as possible, how about it? "

Hearing Shen Man's words, Tang Qingyun nodded and sneered in his heart. Yue Feng, Yue Feng, you are a real failure! Your mother-in-law actually offered to deal with you.

The corners of Tang Qingyun's mouth twitched, looking at Shen Man and nodding in approval: "Okay, very good!"

.....

On the other side, the Earth Circle Continent, Zhongzhou City.

It's getting late, and the street is already lit up!

Zhongzhou International Hotel is the most luxurious hotel in Zhongzhou. People who come here to spend are either rich or expensive.

At this moment, in the luxurious box on the top floor of the hotel, Li Qin and Tang Lan were sitting on the sofa!

Li Qin and Tang Lan are both contract stars of Yuefeng Entertainment. Li Qin is Yue Feng's classmate and Tang Lan is Yue Feng's teacher. In recent years, under the packaging of Yuefeng Company, Li Qin and Tang Lan have a big hit, she is now a figure in the film and television music circle and a queen level.

This box is the most luxurious and largest box in the entire hotel. It is gorgeous everywhere and can be said to be magnificent. In the hall in the center of the box, a sumptuous feast was prepared.

However, Li Qin and Tang Lan, sitting at the table, were a little nervous.

Today, Li Qin and Tang Lan are here to meet the new boss. Half a month ago, Zhou Qin became the leader of the martial arts alliance and began to suppress all parties related to Yue Feng, including the hill entertainment company under the name of Yue Feng. There is no doubt that Yue Feng's entertainment company went bankrupt under strong pressure, and Li Qin and Tang Lan also lost their jobs.

However, Li Qin and Tang Lan, after all, are big stars, and soon there will be new entertainment companies that come to the door to sign contracts.

Tonight is the day when Li Qin and Tang Lan meet the boss of the new company.

Although they have high achievements in the entertainment industry, after all, they are making money under their subordinates. Therefore, before meeting the new boss, Li Qin and Tang Lan were somewhat nervous.

"Squeak—"

At this moment, the box door was opened, and a middle-aged man walked in slowly!

A man in his forties, very stylish, with sharp facial features and a gentleman's beard. He is the type of uncle who likes girls at first sight. He wears a casual suit and is indescribably elegant!

Li Qin and Tang Lan looked at each other secretly, and the tension in their hearts disappeared a lot!

Nice gentleman man!

Seeing the man come in alone, Li Qin and Tang Lan both smiled. This should be his new boss. I didn't expect such a gentleman to work under such a boss. It should be very easy and fun!

“Ouch!”

At this moment, the man walked up to him and said with a smile, “Miss Li Qin, Miss Tang Lan, I’m so sorry for keeping you all waiting. My name is He Xin! I’m the boss of Galaxy Entertainment!” The gentleman’s atmosphere is full, which makes people feel good in an instant.

Galaxy Entertainment is the new company that Li Qin and the two are going to sign!

Li Qin and Tang Lan quickly stood up and shook hands with He Xin respectively.

With a smile on his face, He Xindao shook hands with the two women respectively, and they shared it at the touch of a button, without taking any advantage. This made Li Qin and Tang Lan even more fond of him.

“Two such big stars have promised to join my company, it’s really brilliant!” At this moment, He Xindao praised with a smile, and then took out two delicate boxes from his body: “Miss Li Qin, Tang Lan Miss, it’s the first time we meet, a small gift is not a respect!”

After saying this, He Xin opened the box.

Whoa!

Seeing the contents inside, both Li Qin and Tang Lan trembled!

I saw that there were two diamond necklaces in the two boxes. The huge diamonds exuded a charming light, which was the size of a pigeon egg.

Such an exquisite diamond necklace costs tens of millions!

Chapter 1760

“This...”

At this moment, Li Qin and Tang Lan warmed their hearts.

This boss is too generous! It was the first time we met, and it was such a precious gift.

“Boss He, is this inappropriate!” Li Qin reacted and said with a blushing face!

When the words fell, Tang Lan also bit her lip and whispered: “Yeah, it’s too precious, I... I can’t accept it.”

Haha!

He Tao said with a smile, "Both are film and television singers, superstars in the world, and a necklace, why is it inappropriate? I'm afraid they won't be worthy of you!"

"Thank you." After

hearing this, Li Qin and Tang Lan couldn't say anything else, so they all said their thanks!

"Come on, sit down!" He Xindao greeted very attentively: "Two big stars, it is a great event to be able to sign with my company, it is worth celebrating, and have a few drinks later!

", He Xinxin warmly opened the chair for the second daughter.

Li Qin and Tang Lan did not hesitate and sat down one after another. Li Qin and Tang Lan are not good at drinking, but because they just met the new boss, they had to accompany them!

Three rounds of wine, five flavors of food!

He Xinxing took advantage of Jiuxing, called his deputy, brought the contract, and asked Li Qin and Tang Lan to sign it.

At this time, Li Qin and Tang Lan were dizzy and dizzy. They didn't read the contract carefully, so they signed their names. The boss was elegant and would not be a bad guy!

"Haha!"

Seeing Li Qin and the two signing the contract, He Tao said with a smile: "Congratulations to the two goddesses, they have officially become a member of our Galaxy Entertainment. I hope we will have a happy cooperation and create brilliant future together!"

Immediately, He Channel made a gesture of invitation: "It's still early, why don't the two of you go to our studio to see?"

Hmm!

Li Qin responded and nodded happily.

Tang Lan has no objection.

At this moment, there was a smile on the corner of He Xin's mouth, and he said, "I will let the people below make arrangements immediately."

Soon, He Xin called his assistant, and then invited Li Qin and Tang Lan to get in his car, left the hotel.

He Channel said that Galaxy Entertainment has recently built a new film and television base in Zhongzhou, which is not small.

Hearing this, Li Qin and Tang Lan were very excited. After all, the stronger the company is, the more resources it will have, and the more magnanimous its star path will be.

Um?

However, when the car drove out of the city, Li Qin felt that something was wrong, and couldn't help but tilted his head to look at He Channel: "Boss He, isn't the film and television base in the western suburbs? Why did we come to the eastern suburbs?"

"At the same time, Tang Lan also frowned.

I saw that the car was driving slowly and came to a new group of villas. This villa area has just been developed and not many people have moved in yet. He Channel

smiled slightly: "Oh, it's like this. I saw the two of you drinking a lot just now, so I thought about finding a place for you to rest, and then go to visit the studio!"

A villa in the distance: "That villa was newly bought by me. It has just been renovated. It's not far from the studio. If you two don't dislike it, let's rest here first."
