

The ultimate husband in Chinese chapter 1791-1800

Chapter 1791

At this time, Zhu Rong was holding the wine and said carelessly: "Haha, Shennong, you can't drink enough. It's only a few cups, and your face is so red?"

"Nonsense, I want to taste herbs often. , can I compare with you?"

Yue Feng felt extremely relieved when he heard Zhu Rong bickering with Shennong.

Brother Zhu Rong is so interesting, he is the only one in the world who dares to run on Shennong like this.

"Brother Zhu Rong, Senior Shennong!" Yue Feng shouted happily and walked quickly.

Swish!

Hearing the voice, Zhu Rong, Shennong, and Liu Xuan were stunned for a moment, and then their eyes converged, and they were both surprised and happy when they saw that it was Yue Feng.

"Husband!"

Liu Xuan was the most excited, with a coquettish cry, she threw herself into Yue Feng's arms and was extremely happy: "I'm relieved to see that you're all right, you know, during this time, I have I'm all worried about you."

When she said this, Liu Xuan hugged Yue Feng tightly, for fear that Yue Feng would disappear in the blink of an eye.

Yue Feng showed a smile and comforted Liu Xuan in a low voice.

"Haha!"

At this time, Zhu Rong strode over, looked at Yue Feng and laughed loudly: "Little brother Yue Feng, I knew that if you are lucky, you will definitely turn bad luck into good luck!"

At the same time, the Shennong clan also He nodded towards Yue Feng.

Yue Feng bowed his hands to the Shennong clan, very politely: "Senior Shennong, will you be okay after a few years?" At

that time, his life was at stake, and it was Ren Yingying who carried himself and entered the Shennong clan by accident. The residence, and then cultivated here for many days. It can be said that Shennong saved his life.

Yue Feng's grievances are clear, and this matter will never be forgotten for the rest of his life.

Shennong smiled: "This old man is here to take care of his life and live happily, naturally."

For a while, several people greeted each other, and the atmosphere was very warm.

What?

Seeing this scene, Chang'e on one side was trembling with her tender body, her face full of incredulity.

Shennong? Vulcan Zhurong?

This Yue Feng actually knew them? And the relationship is still so good?

Thousands of years ago, Hou Yi ascended the throne as the emperor, established the royal family and started to rule the Northern Ying continent for thousands of years. At that time, Hou Yi specially ordered people to recruit talents from all walks of life and share wealth. The first people to be invited were Shennong and Zhu Rong. these people.

It's a pity that Shennong and Zhu Rong were both indifferent people. They did not pursue glory and wealth, so they rejected Hou Yi. At that time, Hou Yi was very angry, so he sent people to arrest Shennong, Zhu Rong and others. However, Zhu Rong and Shennong were as if The world has evaporated, and no one can be found.

Chang'e was Hou Yi's wife, so she naturally knew these things.

So Chang'e was shocked when she saw Zhu Rong and the Shennong clan.

No wonder Your Majesty, for so many years, the whereabouts of Shennong and Zhu Rong could not be found. It turned out that they were all living in seclusion in Buzhou Mountain.

Um?

Just when Chang'e was secretly surprised, Zhu Rong and Shennong also saw her, and their expressions changed, and they were all stunned.

"Chang'e?"

“Hou Yi’s wife?”

Zhu Rong and the Shennong clan, who were both from the same era as Chang’e, how could they not know each other?

In shock, Zhu Rong looked at Yue Feng in surprise: “Brother Yue Feng, why did you bring her?”

At the beginning, they rejected Hou Yi’s invitation, so they lived in seclusion in Buzhou Mountain, and did not ask about the world. Chang’e was Hou Yi’s wife, but Yue Feng brought her. Wouldn’t this reveal their whereabouts?

Chapter 1792

Seriously, with the strengths of Shennong and Zhu Rong, they are not afraid of Hou Yi at all, but they don’t want to cause trouble for the sake of peace.

At this time, Shennong and Zhu Rong did not know that Emperor Houyi had died violently.

“Brother Zhu Rong!”

At this time, Yue Feng smiled, walked over and said slowly: “This matter is a long story.”

Immediately, Yue Feng explained the experience of the past two days in detail. . Of course, Yue Feng didn’t say anything about his ventriloquist, impersonating Zhu Bajie and Chang’e, and angering his descendants. Just say the descendants are dead.

What?

Hearing this, Zhu Rong and Shennong looked at each other, each other’s faces were full of shock, and they couldn’t come to their senses for a long time.

Hou Yi is dead?

Afterwards, Zhu Rong and the Shennong Clan all looked at Chang’e, their eyes were complicated and flashed with strange light.

“I really didn’t expect it.”

After a few seconds, Zhu Rong reacted and said to Chang’e in disbelief: “Hou Yi’s wife, the dignified empress, the woman who is respected by the world as the Fairy of the Moon Palace, actually had a tryst with other men, And he killed his own husband.”

Alas!

The voice fell, and Shennong, who was on the side, also shook his head and sighed with emotion: "It's true that the world is getting worse, and people's hearts are not ancient." To

be honest, although the two of them are different from Houyi, they also admire Houyi very much.

Zhu Rong and Shennong were very sorry to learn that Chang'e and Zhu Bajie were dating, which caused Hou Yi to go crazy and die suddenly.

"you..."

Hearing this, Chang'e's beautiful face turned red all of a sudden, and she stomped her feet angrily: "Don't listen to his nonsense, Zhu Bajie and I are nothing at all. My husband's death has other hidden feelings."

Saying this When the time came, Chang'e did not forget to give Yue Feng a stern look.

This bastard, without his own consent, told the matter, and caused him to be ashamed and thrown into Buzhou Mountain. It's really hateful.

"Niangniang!"

As soon as he finished speaking, Yue Feng said with a smile: "Don't explain this matter. Yang Jian has found evidence, so it's useless for you to explain."

When he said this, Yue Feng's eyes With a bit of a smile.

"You..."

Chang'e was furious, but she was speechless to refute.

After all, Yang Jian found evidence, and it was a fact, but why did Hou Yi engrave the names of himself and Zhu Bajie? You and Zhu Bajie obviously didn't have a date.

Haha..

Seeing Chang'e being extremely annoyed but not having a good fit, Yue Feng was in a very happy mood.

I told you to scold me all the way and look down on me.

In a happy mood, Yue Feng's eyes fell on Liu Xuan. Yue Feng could clearly sense that Liu Xuan's spirit was much better than before, and her whole body was full of energy. Compared to when she met her before, she was completely different.

Obviously, after Liu Xuan was brought by Zhu Rong, the Shennong Clan specially took care of her body.

“Senior!”

At this time, Yue Feng bowed deeply to the Shennong Clan: “My wife must have troubled you a lot during the few days here, thank you.”

Saying that, Yue Feng’s eyes showed some anticipation: “Senior Shennong, my wife’s face is a kind of poison of a practice method. It has penetrated into the body, and it has become what it is now. Do you have a way to heal it?”

Say the last sentence At that time, Yue Feng turned his head to look at Liu Xuan, feeling extremely guilty.

If it wasn’t for herself, Xuan’er wouldn’t be like this, but Shennong’s medical skills are superb, so there must be a way.

Chapter 1793

“Haha!”

Before Shennong’s response, Zhu Rong laughed and said firstly, “Brother Yue Feng, don’t worry, I specially asked Shennong for a drink today, just to let Shennong heal the faces of my younger brother and sister.

” Here, Zhu Rong looked at the Shennong clan and said, “Shen Nong, brothers Yue Feng have spoken, don’t hide it, hurry up and come up with the means to help my younger brother and sister, and give me a good treatment.”

Shuh!

At this moment, Yue Feng looked closely at Shennong, with anticipation in his eyes.

Next to Liu Xuan, her delicate body trembled faintly, and she was also extremely excited and urgent.

Can you still be beautiful?

“This...”

Shennong took a deep breath, pondered for a moment, and said slowly: “In the past few days, when I nursed her body, I also paid attention to her face, but it was an extremely sinister skill. Caused by the law, it is supposed to be curable.”

After speaking, Shennong's words changed, and he said with regret: "It's just that these sinister poisons have been deposited in her body for too long, and they have penetrated into the bone marrow, and it is difficult to cure them with medication. ."

Huh?

Hearing this, Liu Xuan felt even more sad, and the expectation in her heart disappeared instantly.

Yue Feng was also extremely lost, as if someone had poured a basin of cold water on his head.

Even the Shennong clan was helpless. Could it be that Xuan'er has been like this all her life?

"Isn't it?!" Zhu Rong frowned, thinking he had heard it wrong, and stared at Shennong: "Have you tasted all kinds of herbs, and your medical skills are the best in the world? You can't even heal a face? What are you doing? joke?"

Shennong looked helpless and smiled bitterly: "I also really want to be cured, but I said just now that the sinister poison in her body has been deposited for too long, at least ten years, and it has penetrated into the bone marrow, how can I do it? You? Treat me like an immortal."

Zhu Rong was straight-faced and insisted: "That won't work, you have to think of a way."

Although Zhu Rong and Yue Feng spent little time together, they hit it off.

In Zhu Rong's heart, Yue Feng is his confidant, brother, and his business is his own business.

"I don't care!"

At this time, Zhu Rong spoke again, with a rogue attitude, and said to the Shennong clan: "If you can't do anything to help my brother and sister's face heal, I'll ask you to drink every day, annoying you! "

Hearing this, Zhu Rongshi wanted to cry without tears.

Ha ha!

Yue Feng was originally in a very depressed mood, but when he saw this scene, he was overjoyed.

This Zhu Rong is too interesting. It is estimated that he is the only one in the world who dares to threaten Shennong in this way.

While laughing, Yue Feng was extremely moved.

In this lifetime, it is an honor to meet a big brother like Zhu Rong.

“Okay...”

Shennong couldn't be bothered by Zhu Rong, he nodded with a wry smile: “Let me think of a way.”

Shennong likes cleanliness the most, if Zhu Rong came to drink every day, it would be too uncomfortable.

The voice fell, Shennong frowned, and began to think of a way.

Got it!

At this moment, when his eyes fell on Chang'e, Shennong's eyes flashed, and he suddenly thought of something.

The next second, the Shennong clan said excitedly at Yue Feng: “I remember, there is something in the world that can help you restore your wife to her original appearance.”

“What is it, senior, please tell me.” Yue Feng was shocked and hurriedly asked .

As long as she can make Xuan'er as beautiful as before, she will not frown even if she goes up the mountain of swords and goes down to the sea of fire.

Liu Xuan, who was next to her, was also shocked, clutching Yue Feng's arm tightly, her eyes glowing with hope again.

“This thing is called the ‘Huanyan Pearl’. It was a divine object used by the Nuwa Empress to pinch her face when she created a human.” Shennong showed a smile and said slowly: “As far as I know, this The thing later fell into the hands of Hou Yi, if I remember correctly, Hou Yi still used this fetish to win Chang'e's favor.”

Chapter 1794

said here, Shennong turned his head to look at Chang'e, and said with a smile, “I'm right.”

Shuh!

At this moment, the eyes of Yue Feng and the others all converged on Chang'e.

Especially Yue Feng, who was extremely excited and looked at Chang'e closely:
"Niangniang, does the descendant really have a magic face?"

As he spoke, Yue Feng held Liu Xuan's hand tightly and was ecstatic.

That's great, now that Shennong has spoken out about the treatment, Xuan'er will be able to recover her appearance.

"Not bad!"

Chang'e was very unhappy to be stared at by Yue Feng, but her delicate face did not fluctuate in the slightest, and she said lightly: "Your Majesty, there is indeed a magic face pearl."

"Where is it?" Yue Feng quickly asked.

Chang'e smiled lightly and looked at Yue Feng: "Why should I tell you?"

When she said this, Chang'e's tone was unusually indifferent.

As a woman, Chang'e felt some sympathy when she saw Liu Xuan's ugly face, but when she thought that she was Yue Feng's woman, her sympathy disappeared instantly.

Uh...

Hearing this, Yue Feng was very embarrassed, then scratched his head and smiled:
"Niangniang, it's important to save people..."

Before he could finish speaking, Chang'e interrupted him coldly.

"She's not dead!" Chang'e said coldly, staring at Yue Feng, unable to hide her resentment: "Also, you said before that you wanted to help me restore my innocence, but you went back on your word, taking advantage of the soil to make a grandson. During the fierce battle with Gonggong, he attacked me, so despicable and shameless, why should I help you?"

At this moment, Yue Feng was dumbfounded.

It turned out that Chang'e was brooding over these things.

"Niangniang, I raided you before to protect myself." Yue Feng explained with a serious look: "Otherwise, how could you easily let me go? Right?"

"Then you promised me before, you can prove it. What about my innocence? Did you lie to me?" Chang'e asked.

“Of course not.”

Yue Feng didn't even think about it, then shook his head and said, “How can I lie to you if I want to talk?”

“Okay!” Chang'e said coldly, without talking nonsense, “Then tell me, how can you help me? Restoring innocence?”

In Chang'e's heart, restoring her own innocence was the most important thing. Otherwise, his reputation for thousands of years will be ruined.

This...

Yue Feng scratched his head and pondered.

After more than ten seconds, Yue Feng said very embarrassedly: “Actually... Actually, Hou Yi's death is related to me...” In the next few minutes, Yue Feng will tell the real situation and how to use it. Ventilator, pretending to be Zhu Bajie and Chang'e, all said.

To be honest, Yue Feng didn't want to talk about this kind of thing, especially in front of Chang'e.

But no way.

Xuan'er's face finally had a cure, so she couldn't give up.

What?

In an instant, several people present were dumbfounded, staring at Yue Feng, unbelievable?

It turned out that it wasn't Chang'e and Zhu Bajie who were dating, but Hou Yi was so angry that Yue Feng used ventriloquism to deceive Hou Yi...

Especially Chang'e, her eyes were fixed on Yue Feng, her delicate body trembled and her legs went soft. , almost fainted.

It is no wonder that the names of himself and Zhu Bajie are engraved on the jade platform where Hou Yi practiced.

It turned out that all this was done by Yue Feng.

What's even more hateful is that this Yue Feng didn't know anything about it before.

Chapter 1795

“Niangniang!”

Feeling Chang’e’s anger, Yue Feng scratched his head and smiled embarrassingly: “I’m sorry, I didn’t think about it at the time, I wanted Houyi’s life, the situation was urgent at that time... Houyi If I knew that I broke into his cultivation place by mistake, I would definitely not be able to live, and I would have no chance to escape, so I made a joke with him... imitating the voices of you and Zhu Bajie, who knows that the descendants will be mad. “

Crack!”

Before she could finish speaking, Chang’e slapped Yue Feng’s face without warning.

This slap was heavy, but for a moment, the surroundings were silent.

“Yue Feng, you killed my husband, and I want you to pay with your life. Not only you, but also all the people who are related to you can’t escape the relationship.” Chang’e said coldly, with a beautiful face, Frost covered, murderous.

Chang’e and Hou Yi have been together for thousands of years.

But Hou Yi, who was killed by Yue Feng, still used this despicable method, and more importantly, indirectly blamed himself. Any woman can’t help but get angry.

“You...how did you beat someone?” Liu Xuan couldn’t help but speak, feeling very distressed.

Yue Feng covered his face, a red slap print was clearly visible, but there was no trace of anger on his face, but a wry smile.

“Niangniang, I know it’s my fault, I want you to apologize.” Yue Feng walked over and looked at Chang’e with a sincere expression: “If you’re upset, hit me a few more times, or else, You can kill me, as long as you tell me the whereabouts of Huanyanzhu.”

“Huanyanzhu?”

Chang’e sneered and gritted her teeth: “You can’t even think about it in your life, and I will kill you, but not only If you want to kill you, this ugly woman, don’t even think about living.”

At this time, Chang’e really wanted to kill Yue Feng immediately, but the acupoint was blocked, so she could only speak ruthlessly for a while.

As for Huanyanzhu, it was impossible for her to tell Yue Feng.

call!

Hearing this, Yue Feng smiled bitterly and said slowly: "Okay, but Niangniang, you want to kill me to avenge Hou Yi, it is understandable, but after you kill me? Don't you want to restore your reputation and innocence?"

"What do you mean?" Chang'e was stunned, frowning, and said coldly.

"Think about it carefully, I'm the only one in the world who can prove your innocence." Yue Feng said with a serious face, "Although you know the truth, how can you prove it?"

"So, you still need me. Just help, as long as you tell me where Huanyanzhu is. After I get it, I will definitely accompany you back to the palace. In front of the civil and military officials, I will tell the truth. When the truth is revealed, the innocence of the empress will be preserved."

When the time comes, if you want to kill or slash, you will do what you want, how about it?"

After saying the last sentence, Yue Feng looked at Chang'e closely, waiting for her response.

To be honest, the sudden death of Emperor Hou Yi made Yue Feng feel a little uncomfortable. After all, it was his own unintentional loss, and he felt a little guilty for Chang'e.

"Husband!"

As soon as she finished speaking, Liu Xuan suddenly hugged Yue Feng, her face full of worry: "Don't...I don't want to treat my face anymore, I just want you to be safe and sound, just stay with me for the rest of my life."

"He has gone through so many twists and turns, how can he bear Yue Feng to be dealt with by Chang'e?"

Liu Xuan has already thought about it, as long as Yue Feng has himself in his heart and accompanies him, it doesn't matter what he looks like.

At the same time, Zhu Rong and Shennong were also slightly moved, looking at Yue Feng, their faces full of complexity and admiration.

For the woman he loves, he puts his own life and death aside.

real man.

"Xuan'er, don't be afraid." Yue Feng showed a smile and whispered to Liu Xuan, "I'll be fine, trust me."

After speaking, Yue Feng's eyes fell on Chang'e again: "How is it? Niang Niang has considered it?"

"Okay."

Chapter 1796

Chang'e nodded, her beautiful face did not fluctuate in the slightest, and said coldly: "I promise you, you will remember Yue Feng, even if you help me recover my innocence in the end, don't think I forgive you, when the time comes, I will still kill you."

Yue Feng smiled and said nothing.

Chang'e calmed down and continued, "Your Majesty did give me that magic face pearl. I felt it was inconvenient to wear on my body, so I put it in the Ksitigarbha Pavilion."

Ksitigarbha Pavilion?

Hearing this, Yue Feng was overjoyed and a little puzzled at the same time.

What is this place?

At this time, Yue Feng didn't know that all the royal families in the Kyushu mainland had special places to store their treasures, such as the Yunbao Building of the Tianqi royal family, the Qiyun Hall of the Nanyun royal family, and the Northern Ying royal family, it was called the Jizo Pavilion.

The Tibetan Pavilion is a forbidden area for the royal family. Only Emperor Houyi and Chang'e know how to enter. Anyone who trespasses is a capital offense.

Seeing Yue Feng's puzzled look, Chang'e's beautiful face showed a bit of contempt: "No need to guess, only me and Your Majesty know the location of the Ksitigarbha Pavilion, and ordinary people can't find it, including Yang Jian."

Although Yue Feng was a hero of the Earth Circle, in Chang'e's eyes, he was still a bum.

Immediately afterwards, Chang'e told Yue Feng how to enter the Tibetan Pavilion, and at the end, Chang'e reminded: "Yue Feng, I warn you, come out immediately when you get the magic face beads, don't touch other things, otherwise you will not be able to bear it. Consequences, do you understand?"

"Understood, understand!" Yue Feng nodded again and again, indescribably excited.

He knew that the Tibetan Pavilion was the place where Hou Yi and Chang'e put things, and there must be many rare treasures, but he only needed Xuan'er to change back to the way he used to be.

No matter how precious things are in the world, they can't compare to Xuan'er's peerless appearance.

Soon, Yue Feng and Liu Xuan exchanged a few words and hurriedly set off.

Chang'e, on the other hand, stayed at Shennong's residence. Speaking of which, Chang'e did not hesitate to stay here, but there was no way. Outside, Yang Jian was still chasing her. Before the truth came out, staying here was the safest.

.....

On the other side, Beiyong Imperial City.

The weather was good today. On the hills outside the imperial city, a dark team gathered. Half of the team were all black armor, filled with a chilling air, and the other half were people from all corners of the world, all of them powerful.

Yes, these people are the Apocalypse army led by Yue Wuya, as well as the masters of various sects in the Earth Circle Continent.

The two sides added up to a total of more than 100,000 people, and the momentum was huge, but at this time they gathered on the top of the mountain, but they were cautiously dormant one by one.

At the highest point of the mountain, two people stood there, quietly looking at the imperial city not far away.

It is Yue Wuya and Faye Wong.

call!

Yue Wuya's expression was calm, but his heart was indescribably shocked.

This imperial city in the Northern Ying Continent is actually so large, several times larger than the Tianqi Imperial City, so majestic and magnificent, it is rare in the world. It is no wonder that the Northern Ying Continent is recognized as the strongest among the Kyushu, and it really lives up to its reputation.

Faye Wong on the side was also trembling, and her eyes were full of shock.

Of course, she was not shocked by the majesty of the Beiyong Imperial City, but was shocked by the iron-like defense of the Imperial City.

She can clearly see that there are thousands of defenders guarding the imperial city at this time, and the swords are everywhere, shocking people's hearts.

And in the sky above the imperial city, there are soldiers riding big birds, patrolling back and forth.

Since the sudden death of Emperor Hou Yi, Yang Jian has strengthened the guards of the imperial city. After Chang'e and Yue Feng escaped, Yang Jian was furious and sent more staff. It can be said that today's imperial city is really like an iron wall, and I'm afraid not a fly can fly in.

"His Royal Highness... what should we do?" Faye Wong was very anxious and couldn't help asking Yue Wuya.

Such a strong defense, even with Yue Wuya's help, I'm afraid it won't be easy to rescue Zhou Qin.

Chapter 1797

Phew...

Yue Wuya took a deep breath, looked around the Beiyong Imperial City, looked around the Imperial City, there were countless soldiers guarding it, and sighed.

A few seconds later, Yue Wuya slowly opened his mouth and said, "We want to save Zhou Qin, but we can't do it hard

. With a bit of confidence, he continued: "Wait for you to mobilize the army and the masters of various sects to call out at the main entrance of the imperial city and lead out the defenders within the imperial city. Then, I will take the opportunity to sneak into the palace from another direction. If there is no accident, Zhou Qin can be rescued."

Yue Wuya grew up under the guidance of King Guangping since childhood, and his mind and shrewdness are by no means comparable to those of his age.

More importantly, Yue Wuya is Yue Feng's son, and he has inherited the talent of arranging troops. It is no problem to deal with this situation.

"His Royal Highness is witty and smart, Faye Wong really admires it." Faye Wong was overjoyed and complimented without losing the opportunity.

Yue Wuya chuckled, too lazy to talk nonsense: "Okay, don't be flattering, remember, the Northern Ying Continent is powerful, don't confront them head-on, just hold back and buy me time."

"Understood. Faye Wong nodded again and again, excited.

This move is really good.

This time, Senior Sister Zhou Qin is saved!

Thinking to herself, Faye Wong turned around, and couldn't wait to shout to the people around her: "Quick, hurry up to deploy the formation and head towards the main gate of the imperial city."

Wow, wow, wow...

The voice fell, Faye Wong took the masters of various sects, Prepare quickly, and then rush towards the main entrance of the imperial city.

Faye Wong led hundreds of thousands of people, and the momentum was huge. Before she got close to the city gate, she attracted the attention of the city gate defenders.

At the same time, the people who came in and out also fled in all directions, for fear of being affected by the fish pond.

"Stop."

"You are so bold, at the foot of the emperor, what do you want to do when you gather in a crowd?" Just when Faye Wong was more than 100 meters away from the city gate, the guards near the city gate poured out one after another and shouted loudly. .

Seeing this scene, Faye Wong's body trembled faintly, and she was very uneasy, but her face was strong and calm.

"We don't mean to offend." The clear voice came from Faye Wong's mouth and spread around the city gate: "We are here to pick up our head of the Emei faction to leave, and I would like to ask you all to make it easier."

The tone is neither humble nor arrogant, but in fact Faye Wong is nervous.

After all, this is the Beiyong Imperial City.

The head of the Emei faction?

Hearing this, many guards looked at each other in dismay, and then a guard captain came out, frowned and shouted angrily: "Presumptuous, you head of the Emei faction, even if you are in the imperial city, just leave on your own, but you have gathered so many people, is it? What's your heart?"

After speaking, the captain looked arrogant and waved his hand: "If you are sensible, leave quickly, or you will be at your own risk."

Phew!

Faye Wong took a deep breath, a smile appeared on her delicate face, and said slowly: "This soldier, to tell you the truth, our head is trapped in the palace, so we have so many people here."

What?

The captain's face changed, he suddenly understood something, and shouted angrily: "What do you mean, you are going to forcefully break into the palace to save people?"

Zhou Qin was trapped in the Wanmu Xuanchong Formation in the palace, which was a forbidden area, so the Beiyong royal family didn't know that Zhou Qin was trapped, and even these guards didn't know.

But Faye Wong's meaning is obvious. They came with so many people that they wanted to forcefully break into the palace to save people.

"Not bad!"

At this time, Faye Wong was so nervous that her palms were sweating, but her face still looked very arrogant: "Please inform your emperor, if you don't want things to get worse, then send our head out quickly. ."

When saying this, Faye Wong secretly prayed.

Your Royal Highness, I am trying to attract the attention of the defenders of the imperial city. You must find an opportunity to sneak into the palace successfully.

"It's the other way around."

The captain of the guard yelled angrily, pulled out his saber, pointed at Faye Wong and scolded: "What a arrogant and arrogant female thief, she actually said such rebellious words, today, one of you Can't jump."

Chapter 1798

Speaking of this, the captain of the guard turned his head and whispered to his subordinates behind him: "Quick, hurry up and report to Your Majesty, and say that the Earth Circle Continent has attacked."

"Yes!" The subordinate did not dare to neglect, With a sound, he turned and ran towards the palace.

At this time, the captain of the guard took a few steps forward and looked at Faye Wong closely: "You are the leader of this group of people, I tell you, if you don't want to die, take people away. If not, you and I will fight one-on-one first. "

When he said this, the captain of the guard held his long sword high, his inner strength surged, and he looked like he would take action at any time.

"Giggle."

Faye Wong chuckled and made a very disdainful look: "A little captain of the guard is also worthy of fighting against me? You are not qualified enough, hurry up and ask your emperor to send our head out."

Yue Wuya had explained that the strength of the Northern Ying Continent was too strong to be able to confront them head-on, as long as they were contained.

Therefore, Faye Wong will not fight with this captain of the guard at all.

"You are courting death!"

The captain of the guard, feeling greatly humiliated, roared, and was about to rush over.

Da Da Da...

At this moment, I only heard the sound of horses' hooves from within the imperial city!

Faye Wong hurriedly looked up, and suddenly her body trembled.

On the street inside the city gate, I saw an army of hundreds of thousands, lined up neatly, galloping! These hundreds of thousands of soldiers, wearing uniform black black armor, can feel the chilling aura on them from a long distance!

The leader was a god-like man, dressed in golden armor, holding a three-pointed two-edged sword, and a black dog more than fifty meters long beside him.

It is Erlang Zhenjun, the current Beiyang Emperor, Yang Jian!

hiss!

At this moment, feeling the terrifying aura on Yang Jian's body, Faye Wong's heart tightened, and she only felt that it was difficult to breathe. Feeling Yang Jian's strength, Faye Wong even trembled.

This... is this the emperor of Northern Ying Continent?

He couldn't even perceive his realm.

This strength is too strong.

call!

At the same time, the many sect masters behind Faye Wong, as well as the army of tens of thousands of Apocalypse, also sucked in the air.

"It's so strong."

"It's a strange weapon. Could it be a three-pointed two-edged sword? He... he is the true emperor Erlang Yang Jian?"

"I'll go, no, don't scare me.

" The few people were talking in low voices, and they all panicked.

Swish.

At this moment, Yang Jian was suspended in the air, his eyes locked on Faye Wong, and he said coldly, "You want to forcefully break into the palace?" The

voice was not loud, but it spread throughout the entire imperial city, making one's heart palpitate.

"Yes..." Facing Yang Jian's gaze, Faye Wong only felt that Mount Tai was on the top, her delicate body was trembling, and it was difficult to say: "Yes... Yes."

Faye Wong at this time, completely lost her previous Calm down, no confidence at all.

"Why?" Yang Jian calmed down and looked indifferent: "I just got a reward, saying that you, the head of the Emei faction, are trapped in the palace?"

"Yes...Yes." Faye Wong replied in a low voice, dripping with sweat, she didn't dare to look at Yang Jian, his aura was so strong...

Haha...

Yang Jian chuckled and continued to ask: "I ask you again, where is your head trapped in the palace?"

Chapter 1799

"I..." Faye Wong trembled, looked at Yang Jian and shook her head: "I...I...I don't know where the Sect Master is trapped, in short, our Sect Master is trapped in the north In the Ying Palace..."

Faye Wong was right. At that time, there were only Yue Feng and Zhou Qin who entered the palace. Later, only Yue Feng came out. She really didn't know where Zhou Qin was trapped.

"I don't know?"

Yang Jian sneered, with anger flashing in his eyes: "So, your Earth Circle Continent is deliberately provoking a war. There is no reason, so you deliberately made up a reason, right?"

The forbidden area set up by Emperor Houyi, Zhu Bajie was specially detained. For thousands of years, no one has been to the forbidden land. Including Yang Jian.

In this case, Zhou Qin was trapped inside, and Yang Jian naturally didn't know.

At this time, Yang Jian only felt that the Earth Circle Continent was crazy and dared to invade the Northern Ying Continent.

This...

At this moment, Faye Wong's red lips parted slightly, but she couldn't say a word.

"The whole army obeys the order!"

At this moment, Yang Jian, who was suspended in mid-air, stared at Faye Wong and everyone, and said coldly: "Kill these people in front of you and leave no armor behind to strengthen me. Mighty!"

"Kill!" The

voice fell, and the hundreds of thousands of Beiyong troops below let out a howl that shocked the world, pulled out their weapons and rushed towards Faye Wong.

To be honest, Yang Jian had just ascended the throne and became emperor, and was trying to figure out a way to establish his prestige, but at this time, Faye Wong came to the door with people from the Earth Circle Continent.

For Yang Jian, this is simply beyond expectation.

call!

Faye Wong's tender body trembled, she didn't have time to think about it, she quickly turned around and shouted, "The major sects in the Earth Circle Continent obey the orders, back, fast, back!"

She brought everyone here, and the purpose of coming here was to buy time for Yue Wuya, how could it really fight with the Northern Ying Continent?

Even if you fight, you can't beat it.

"Retreat!"

"Retreat!" The

voice fell, and the masters of the major sects in the Earth Circle shouted, turning around and retreating.

While retreating, everyone cooperated with each other to resist the attack of the Northern Ying Continent. Although they looked embarrassed, they did not suffer too many casualties.

Seeing this scene, Yang Jian, who was suspended in mid-air, sneered at the corner of his mouth: "A gang of rabble."

Originally, Yang Jian planned to take action personally, but seeing the opponent so vulnerable, he lost all interest.

Yang Jian went out in person, and the entire imperial city's defenders gathered at the main gate.

However, at this moment, over the north gate of the imperial city, a young man quietly flew past and entered the palace.

It was Yue Wuya. Yue Wuya had been waiting at the north gate early. Seeing that the Beiyong Emperor was attracted by Faye Wong, he didn't think much about it, and hurriedly took the opportunity to enter the Beiyong Palace.

Haha...

As soon as he entered the palace, Yue Wuya showed a smile and was very happy. This Faye Wong is quite good at doing things, not only attracting the defenders, but even the palace guards are not there.

Yes, knowing that the Earth Circle Continent came to provoke, Yang Jian transferred all the guards of the palace out. At this time, Yue Wuya entered the palace, as if entering a realm of no one.

At this time, Yue Wuya felt very relaxed. But soon, Yue Wuya's head became big, this palace is really too big.

Nima.

The imperial palace in the Northern Ying Continent is several times larger than the Tianqi Imperial Palace. With so many palaces in Qionglou, where is Zhou Qin trapped?

If I had known, I should have figured out the pattern of the palace in advance and the details of Zhou Qin's trapping.

Depressed, Yue Wuya had to investigate one by one. However, after checking more than a dozen palaces, Yue Wuya still didn't have any clues.

Um?

It was at this moment that Yue Wuya discovered a courtyard, and in other places, there were one or two guards patrolling, but there was no one here.

Yue Wuya suddenly became curious.

Where is this place, why is there no one?

Thinking to himself, Yue Wuya quickly approached, and saw a stone tablet several meters high in front of the courtyard.

Seeing this, Yue Wuya was suddenly stunned.

It turned out to be a forbidden place, no wonder no one.

Thinking to himself, Yue Wuya was about to turn around and leave.

"Let me out, Yue Feng, you bastard, I can't spare you..."

Chapter 1800

However, at this time, I heard a faint shout from the yard, Yue Wuya's body was shocked, and he was surprised and happy.

Although the sound was not loud, Yue Wuya immediately heard it, it was Zhou Qin's voice.

Whoosh!

In the next second, Yue Wuya didn't think much, then broke into the yard.

hiss!

As soon as he entered the courtyard and saw the scene in front of him, Yue Wuya's expression was startled, and he couldn't help taking a breath.

Man, so many stakes?

Soon, Yue Wuya reacted and walked in without thinking much.

Yue Wuya didn't know anything about the formation, and he still didn't know that what was in front of him was an extremely mysterious Wanmu Xuanchong formation, and it was because of this formation that Zhou Qin was trapped in it.

At first, Yue Wuya didn't care, but after walking for a while, he felt that something was wrong.

what happened?

How to go around, there are so many stakes around?

Thinking to himself, Yue Wuya couldn't help shouting: "Zhou Qin, can you hear me?"

"Yue Wuya?"

At this time, Zhou Qin, who had been trapped for several days, was in a hurry, and suddenly When I heard Yue Wuya's voice, I was surprised and happy: "Is that you? Yue Wuya?"

Although Yue Wuya could not be seen through the stake, Zhou Qin knew that he was here to save himself. I am very happy.

"It's me." Yue Wuya was sweating profusely, and while looking for an exit, he responded, "What's going on with these stakes?"

"This is a formation, it's very powerful, don't rush in, think of a way first. Find a way to break the formation."

"I... I've already come in!"

"You..."

.....

At this moment, outside the imperial city, the Beiyang army is still fighting against Faye Wong and the others, and the situation is very fierce.

However, no one noticed that in the west of the imperial city, in the sky not far away, a man was flying fast. This man was tall and straight, with handsome features, but he was just a little anxious and urgent.

It was Yue Feng.

From Chang'e's mouth, after learning the location of the Tibetan Pavilion, Yue Feng rushed over.

I go.

At this moment, seeing the situation at the main entrance of the imperial city, Yue Feng was stunned.

Yue Feng clearly saw that Yang Jian was suspended in mid-air, commanding the battle, and it was the major sects of the Earth Circle Continent who were facing off against the Beiyang army!

What's the situation?

The major sects of the Earth Circle Continent have come to the Northern Ying Continent? Who gave them the courage? Yue Feng clenched his fists tightly. After all, the Earth Circle Continent was where he was born and raised. Seeing that the major sects in the Earth Circle Continent were in trouble, Yue Feng was extremely anxious. But now, he must save Xuan'er's face first! Xuan'er paid too much for herself! Let's save them when we get the magic face beads!

Muttering in his heart, Yue Feng didn't think much about it, and hurriedly slipped into the palace.

Haha...

At this moment, Yue Feng was very excited.

On the way here just now, Yue Feng was still worried. The Beiyang Imperial City was heavily guarded. How could he sneak into the palace, but he didn't expect that Yang Jian was throwing soldiers and fighting people. It was a golden opportunity.

Soon, after entering the palace, Yue Feng touched the direction of the Tibetan Pavilion according to the position Chang'e said.

Yue Feng has been here twice in the palace of Northern Ying Continent, and he has already figured it out. Entering this time is as easy as visiting his own back garden.

“Ask Chang’e in the middle of the moon, are you lonely.”

At this moment, Yue Feng hummed a little song while walking through the halls, very comfortable.

correct.

When passing the forbidden area, Yue Feng suddenly thought of Zhou Qin.

This woman has been trapped inside for several days, and she doesn’t know what’s going on.

Thinking about it, Yue Feng turned around and walked towards the small courtyard.

To be honest, Yue Feng didn’t want Zhou Qin to die. After all, she was the leader of the martial arts alliance in the Earth Circle. If something happened to Zhou Qin, the entire Earth Circle would be in chaos.

To trap her here, I just want her to repent and admit her mistakes.
