

## The ultimate husband in Chinese chapter 1821-1830

Chapter 1821 The

voice fell, and Zhu Rong rose to the sky, blocking in front of Yue Feng.

“Yang Jian, if you want to touch my brother, first ask me if I will answer.” Zhu Rong roared, a hot and violent aura erupted from his body.

hum.

In the next second, a sea of blazing flames burst into flames, as if the entire sky was ignited. Under the scorching flames, within a thousand meters of the surrounding area, the withered grass and trees instantly turned into fly ash.

“Ah...”

“Your Majesty, save...” In the

blink of an eye, there were more than 20,000 soldiers in the Beiyang army, and a terrified scream broke out, and finally died in the sea of fire.

Feeling the incomparably scorching flames, Yue Feng quickly activated his inner strength and deployed a protective film around to protect Liu Xuan and Chang'e.

Yue Feng has the cold fire of white lotus and is not afraid of these flames, but Chang'e and Liu Xuan can't stop it.

hiss.

At the same time, Yue Feng couldn't help sucking in the cold air, looking at Zhu Rong very shocked.

As expected of the god of fire that the world admires, the power of this burst of flame is no less than that of Shennong's poisonous mist.

Among the monstrous flames, Zhu Rong's figure was like electricity, and he fought fiercely with Yang Jian in the air.

However, although Zhu Rong is brave, his strength is weaker than Yang Jian. In two rounds, he is suppressed by Yang Jian.

“Zhu Rong, I'm here to help you.”

This chapter is provided by . Visit for daily update.

At this moment, the Shennong clan shouted, flew up, cooperated with Zhu Rong, and fought against Yang Jian together. With Shennong's help, Zhu Rong's pressure has been reduced.

Speaking of it, fighting alone, neither Zhu Rong nor Shennong is Yang Jian's opponent, but when the two join forces, it will be different.

For a time, the three of them were in the air, the sky was dark and the sun and moon were dark.

The Yue Feng below was fighting the Beiyong army that was constantly rushing up. Although the enemy is outnumbered, we can barely support it.

"Husband."

Looking at the scene in front of her, Liu Xuan intertwined her hands, she was very worried, and couldn't help shouting, "Be careful."

At this time, Liu Xuan really wanted to go up and help, but since she was deprived of her inner strength After that, I couldn't cultivate again in these years, and I could only watch and worry.

"Yue Feng."

At the same time, Chang'e was also in a hurry. In the protective film, she shouted at Yue Feng: "Quick, help me to unlock the acupuncture point."

Although Zhu Rong and Shennong have joined forces, they can temporarily block Yang Jian, but this is not a long-term solution. After all, there are so many Beiyong troops around, and it is impossible for Yue Feng to resist alone.

At this time, Chang'e only wanted to quickly repel Yang Jian to ensure her own safety.

This...

Hearing this, Yue Feng's eyes flickered and he hesitated.

Chang'e is not weak, so she has a better chance of winning against Yang Jian.

It's just that, after all, she killed Hou Yi, if she rashly unblocks her acupuncture points and she suddenly shoots at her, it will be hard to resist.

After all, Shennong and Zhu Rong were working together to deal with Yang Jian. If they were attacked by Chang'e, they would not have time to rescue them.

Rumbling...

Just when Yue Feng was hesitating, suddenly, the Buzhou Mountain Range under his feet, there was a burst of violent roars and vibrations, and then, the hillside suddenly collapsed, revealing a large pit with a diameter of more than ten kilometers. come out.

Obviously, the interior of Buzhou Mountain is empty, and the fierce battle between Yang Jian, Zhu Rong, and the Shennong clan just now caused a landslide due to the terrifying aura that erupted.

Chapter 1822

Hula.... The

incident happened suddenly, no matter it was Yue Feng or Yang Jian, everyone didn't have time to react, they all exclaimed and fell directly.

On the other side, Xi Cang Continent!

Imperial City, Imperial Palace.

Yutian Palace was the place where Emperor Xi Cang handled the affairs of the state and received foreign envoys. It was magnificent and majestic.

Originally, Yutian Palace was very solemn and solemn, but today, it is extremely lively and festive.

At this time, the Royal Heaven Palace was full of banquets, and the civil and military officials sat in full costumes, toasting with Emperor Xi Cang on the dragon seat, and the atmosphere was very cheerful and joyful.

Yes, today is a very important festival in Xicang Continent, the Shangqing Festival. It is similar to the Mid-Autumn Festival in the Earth Circle, so every year when this festival comes, Xi Cang Huang will hold a large banquet.

And this year, the banquet was held in the Imperial Palace.

At this time, Duan Yu was sitting in a brocade python robe in a brocade python robe. At this moment, there were ministers around, who came to toast, but Duan Yu rarely raised his cup, and he had a rebellious and aloof attitude.

As a prime minister, he has a respected position in Xi Cang Continent, one person is more than ten thousand people, and Duan Yu does not look down on anyone except Xi Cang Huang.

And beside Duan Yu, sat a slender figure, with delicate facial features and a graceful figure, but a cold face, and a trace of sadness between his eyebrows.

It is Yue Feng's adoptive mother, Jiang Shan.

Since she was brought to the Xicang Continent by Duan Yu, Jiang Shan has been imprisoned in the Prime Minister's Mansion, and today's Shangqing Festival, Duan Yu had a momentary interest and had to bring Jiang Shan to the banquet.

As a prisoner, Jiang Shan had no choice but to follow.

"Beauty."

At this moment, Duan Yu looked at Jiang Shan with a half-smiling smile: "Why are you so unhappy in such a happy scene? Come, pour a drink and have a drink with me."

When he said this, Duan Yu said There was a smile on his face, but there was a bit of playfulness in his eyes.

During this period of time, he deliberately released the news of Jiang Shan's capture, but he never saw Yue Feng's shadow. Duan Yu decided to take a different approach and bring Jiang Shan to the banquet, and then humiliated him in public.

When the time comes, Yue Feng will definitely come to the door when he learns of the situation.

"Don't drink."

An icy voice came from Jiang Shan's mouth, looking at Duan Yu coldly: "I don't drink, and I won't pour you wine."

This Duan Yu killed his husband, who was then The scene, Jiang Shan is still vivid in her mind, she can't wait to kill Duan Yu immediately, how could it be possible to pour wine for him?

Snapped.

As soon as he finished speaking, Duan Yu slapped Jiang Shan's face without warning.

With this slap, Duan Yu used all her strength, only to hear Jiang Shan's tender cry, her tender body trembled, she fell to the ground, covered her face, and stared at Duan Yu resentfully.

Huh...

The crisp slap on the face suddenly attracted the attention of everyone in the hall. In an instant, the entire Yutian Palace was silent.

“A slut who doesn’t know how to lift up, shame on your face.” Duan Yu didn’t care about the eyes around him, sneered, looked at Jiang Shan and humiliated: “I tell you, this is Yutian Palace, the most sacred place in Xicang Continent, You can participate in the banquet here, you have burned high incense in your past life.”

“It’s your honor that I let you pour me wine, you bitch, how dare you put on airs for me?”

Having said that, Duan Yu sat there thorny with a gloomy expression on his face, and shouted: “Get up quickly and pour a drink for Lao Tzu, or else, Lao Tzu... let the ministers appreciate your demeanor. “

You...”

Hearing this, Jiang Shan glared at Duan Yu tightly, her delicate body trembled, she was embarrassed, her red lips parted lightly, and she did say a word, but she couldn’t say it.

She felt that Duan Yu was not joking. If he didn’t pour him a drink, this Duan Yu would really humiliate himself in this Imperial Palace.

## Chapter 1823

At this moment, Jiang Shan really wanted to die, so she didn’t have to be humiliated by Duan Yu, but her husband died tragically, and her revenge was not avenged, so she died like this, which is really unwilling.

Whoa!

Seeing this scene, the surrounding civil and military officials looked at each other and began to whisper.

“Did the Prime Minister drink too much?”

“It’s a demeanor to bully a woman like this...”

“Shh, keep your voice down, and be careful that the Prime Minister hears you.” During the

discussion, many ministers felt that Duan Yu was a little bit sloppy . It’s too much, but I don’t dare to speak loudly. After all, Duan Yu’s position is high and he has great military exploits, so no one dares to provoke him.

“Come on.”

At this time, seeing Jiang Shan’s face full of shame and hesitation, Duan Yu was too lazy to talk nonsense, and urged coldly: “You want to pour me a drink, it seems that you plan to show your figure in front of everyone. .”

With that, Duan Yu stood up, grabbed Jiang Shan's arm, and was about to tear his clothes.

"You..."

Jiang Shan was extremely embarrassed and wanted to struggle, but Duan Yu grabbed her wrist and couldn't break free. She kept shouting, "Let me go, let go..."

"At that time, Jiang Shan's eyes were filled with tears of humiliation.

This section of Yu first killed her husband, and now she has to humiliate herself.

Oh my God, why are you so unfair, why let this wicked go unpunished?

"Stop."

Seeing that Jiang Shan's clothes were about to be torn to pieces, she heard a low voice, not loud but full of majesty.

It is the Emperor Xi Cang!

Duan Yu stopped, cupped his hands at Emperor Xi Cang, and said with a smile, "What's your majesty's order?" His

mouth was polite, but Duan Yu's face was still somewhat rebellious.

call!

At this moment, Jiang Shan secretly breathed a sigh of relief, and at the same time looked at Emperor Xi Cang in surprise.

As the prime minister, Duan Yu humiliated himself in public, which was understandable. Why did Emperor Xi Cang stop it?

For a time, while Jiang Shan was happy, she was very curious.

"Duan Aiqing." Xi Canghuang's face did not fluctuate at all, and he asked lightly, "Who is this woman? Why do you treat her like this?"

When saying this, Xi Canghuang's expression flashed with a hint of dissatisfaction.

This section of Yu is the prime minister, but at the Shangqing Festival banquet, it is really indecent.

"Avoid." Duan Yu didn't care, and responded with a smile: "This woman is just a prisoner brought by a servant from Tianqi Continent." A

prisoner?

Emperor Xi Cang frowned slightly, then slammed down the dragon chair, and shouted angrily: "Duan Yu, do you know the crime?"

Hulah...

Feeling the anger of Emperor Xi Cang, the surrounding civil and military officials all trembled. They all knelt down, only Duan Yu stood there proudly.

"What do you mean by His Majesty's words?" Duan Yu showed a smile, neither humble nor arrogant: "What crime did I commit?"

Others are afraid of Emperor Xi Cang, but Duan Yu is not afraid. Over the years, he has fought in the east and west, and served the continent of Xi Cang. Having made great contributions, it can be said that Emperor Xi Cang has been able to sit firmly on the emperor for so many years, all by himself, so there is no reason to blame himself.

"What sin?"

Chapter 1824 The

Emperor Xi Cang sneered and said furiously: "Today is the Shangqing Festival, you actually brought a prisoner to the temple, do you still have the royal family in your eyes? Now you have to undress her, doing an indecent act, There is nothing around, do you still see me in your eyes?" After speaking

, Emperor Xi Cang waved his hand: "Someone, pull Duan Yu down and put him in jail."

When he said the last sentence, Emperor Xi Cang's eyes flickered. resolutely.

Yes, Duan Yu is indeed a talented person. In recent years, he has also made a lot of credit for Xi Cang Continent, but because of this, Duan Yu is the master of his work, and Xi Cang Huang has long started to reject him in his heart.

Moreover, over the years, Duan Yu has acted arrogantly and domineeringly by virtue of his status as prime minister, civil and military officials, and fearless like a tiger. What made Emperor Xi Cang even more angry was that Duan Yu insulted the members of the royal family more than once, and did not take the royal family seriously. inside.

Duan Yu was so invincible, Emperor Xi Cang wanted to get rid of him for a long time, but he never had the chance, and today, Duan Yu took the initiative to cause trouble, how could Emperor Xi Cang let go of this great opportunity?

Hula...

The voice fell, and several palace guards in black armor walked in quickly.

Seeing this scene, the surrounding civil and military officials were silent like a cicada, and they didn't dare to take a breath. No one came out to plead for Duan Yu. After all, Duan Yu's actions over the years were too arrogant.

Next to Jiang Shan, her body was trembling, her heartbeat was racing, she was scared and surprised.

Duan Yu, the wicked man, will finally be punished.

However.

Several imperial guards came to Duan Yu, but did not intend to do anything.

Um?

Emperor Xi Cang frowned, very annoyed: "What are you doing standing still? Press Duan Yu down immediately."

But the voice fell, and several palace guards still did not move.

"Your Majesty."

At this moment, Duan Yu showed a smile and mocked: "Can't you see it? They won't listen to you at all. Let me tell you the truth, these past few years, these imperial guards in the palace, I have long been Replaced with my own."

What?

As soon as these words came out, the entire Yutian Palace was in an uproar, and all the civil and military officials trembled, staring at Duan Yu dumbfounded, extremely shocked.

Emperor Xi Cang's expression also changed, glaring at Duan Yu and shouting angrily: "You...you are bold."

When saying this, Emperor Xi Cang was furious and Duan Yu was arrogant and domineering. He knew it, but he didn't expect that Duan Yu was so bold that even the imperial guards of the palace were replaced by his own.

This kind of person is a serious problem to keep, and must be eliminated today.

"Someone... come quickly." In

his anger, Emperor Xi Cang stood up abruptly and shouted loudly: “Quickly take down Duan Yu, take it down...”

However, Yu Yu was the only one who responded to him. Several echoes from Tiangong.

However, the other guards outside the hall came, but instead of attacking Duan Yu, they surrounded the civil and military officials.

Duan Yu was right. The imperial guards of the palace had long since been replaced by him. In the palace at this time, it can be said that Duan Yu had the final say. Duan Yu’s horse was looking ahead.

Surrounded by the imperial guards, the civil and military officials were all trembling, and no one came out to save them.

At this time, Duan Yu was firmly in control of the situation, whoever came out would die.

What?

Seeing this scene, Emperor Xi Cang’s tiger body trembled, his face was extremely ugly, and he glared at Duan Yu: “Duan Yu, what are you doing? Rebel?”

“Rebel?”

Duan Yu raised his mouth and looked at Xi Cang. The emperor showed a playful smile: “Your Majesty, don’t look at me like this, when you named me prime minister ten years ago, you just wanted me to help you conquer the world, and you didn’t take me as your own at all. I expected that you would cross the river and demolish the bridge, so I prepared in advance.”

“I thought you would wait for two years before you could find a chance to cure my sin, but I didn’t expect that this day would come so early, but it’s not bad. , I don’t have to continue to pretend. I tell you, I will not only rebel, but also rob your throne! Not only will I rob your throne, but the thirty-six concubines in your harem, I want them all!”

Chapter 1825

“Om!”

Duan Yu’s voice fell, and a powerful aura burst out from Duan Yu’s body, slapped it fiercely, and hit Emperor Xi Cang directly.

Swish.

Seeing this scene, all the civil and military officials present were shocked.

This... Duan Yu is crazy, he wants to kill His Majesty and become the emperor himself?

Jiang Shan's body trembled even more, and the whole person was stunned.

I thought that Duan Yu would not have to be humiliated by him if he was thrown into prison, but he didn't expect that the situation had reversed so much that people couldn't react.

Xi Canghuang was even more frightened. He wanted to dodge, but Duan Yu was too fast to dodge. Speaking of which, Xi Canghuang's cultivation strength was also very strong, but he was inferior to Duan Yu.

After all, Duan Yu possessed a peerless divine weapon to open the sky. With the blessing of the divine weapon, Duan Yu's cultivation speed was much faster than that of ordinary people. Even if Emperor Xi Cang had the heavenly and earthly treasures, he couldn't compare.

Bang!

This palm, containing ten layers of Duan Yu's skill, slammed hard on the heart of Xi Canghuang, and when he heard a miserable cry, the whole person flew straight up, smashed the dragon chair behind him, and flew more than ten meters away. , and finally smashed on the golden wall behind and fell down.

At the moment of landing, Emperor Xi Cang spurted blood, and finally stared at Duan Yu unwillingly, swallowing his last breath.

hiss.

Seeing this scene, everyone present was dumbfounded, completely dumbfounded.

This piece of feathers was so cruel that he actually killed His Majesty.

Under the shock, none of the civil and military officials came out to cry for Emperor Xi Cang, and all of them had only panic in their hearts.

Jiang Shan was also completely stupid, staring at Duan Yu blankly, speechless.

Acting decisively, with such a ruthless shot, is this still a human being?

"Everyone." At this moment, Duan Yu walked slowly to the broken dragon seat, looked around the audience

, and said word by word: "Those who follow me will prosper, those who disobey me will perish. Where to go, you decide for yourself."

It's not big, but it is majestic and domineering, and the crowd is almost breathless.

"Your Majesty, please see Your Majesty."

"Your Majesty, long live, long live, long live."

In an instant, the entire Yutian Palace knelt down in a large area. Civil and military officials shouted in unison, all of them were extremely respectful and did not dare to be dissatisfied at all.

In Xicang Continent, martial arts are popular, and for thousands of years, the principle of 'the strong is respected' has been pursued.

Therefore, Duan Yu showed his powerful strength and killed Emperor Xi Cang. In their opinion, it was not a rebellion, but a performance of a strong man.

Um!

Duan Yu nodded with satisfaction, smiled and said, "Get up, pass my will, and three days later, hold the enthronement ceremony."

"Yes, Your Majesty." The

civil and military officials responded in unison.

At this moment, Duan Yu tilted his head and glanced at Jiang Shan, and said lightly: "Take her down and put her in jail."

Duan Yu originally planned to humiliate Jiang Shan today and attract Yue Feng to take the initiative to come to the door, but people are not as good as heaven. , Emperor Xi Cang suddenly wanted to punish his own sins.

However, killing Emperor Xi Cang and ascending the throne himself was an unexpected joy.

At this time, Duan Yu, in high spirits, was not interested in continuing to humiliate Jiang Shan.

Soon, several imperial guards came over, tied Jiang Shan Wuhua, and took them out of the Yutian Palace.

Done.

At this moment, Jiang Shan's beautiful face was full of sadness, and her heart was completely desperate.

Duan Yu became the emperor, and his fate, I am afraid it will be worse.

.....

On the other side, Northern Ying Continent, Buzhou Mountain.

Huhu...

In the collapsed giant deep pit, Yue Feng's body kept falling, listening to the wind whistling in his ears, Yue Feng was secretly surprised.

Nima, the bottom of Buzhou Mountain turned out to be empty. Just now, Yang Jian and Gonggong fought, and the mountain collapsed and a big pit appeared. Yue Feng just fell into the pit.

## **The ultimate husband in Chinese chapter 1826-1830**

### Chapter 1826

Yue Feng saw that this deep pit was pitch black, and I didn't know how deep it was.

What made Yue Feng more anxious was that as he fell, the surroundings were pitch black, and he could barely see his fingers. In this case, Liu Xuan and Zhu Rong could not be seen at all.

"Xuan'er, Brother Zhu Rong, Senior Shennong..." Yue Feng couldn't help shouting in a hurry. Huhu

... Before he finished speaking, Yue Feng could clearly sense that there was a strong aura fluctuation from below, and the fluctuation became stronger as he fell. Nima. Yue Feng was taken aback, his whole body tensed up. This... the fluctuation below this seems to be an enchantment. Strange, how could there be an enchantment under the Zhou Mountain? hum. Just thinking about it, Yue Feng only felt a powerful aura fluctuation, blowing towards his face, and suddenly the world was spinning. It was obvious that he had entered the enchantment. Pfft, by the time Yue Feng woke up, his feet had already touched the ground. Although he was prepared, his inertia still made Yue Feng stumble back a dozen steps. Stabilizing his figure, Yue Feng quickly looked around, suddenly feeling depressed. Nima, where is this place? It's pitch-dark all around, and I can't see anything. Whoosh. It was at this time that he heard a movement

from above his head, because the surroundings were too dark, and Yue Feng could only vaguely see a figure that fell down. "Ouch..." At the moment of landing, the figure let out a coquettish cry, the voice was very soft, but it showed a bit of pain.

Obviously, at the moment of landing, he sprained his foot.

"Xuan'er?"

Yue Feng shouted, hurried over and hugged the figure in his arms.

call!

smell good.

Soft into his arms, Yue Feng couldn't help sighing, and then asked eagerly, "How are you? Xuan'er..." With that, Yue Feng was about to summon the cold fire of Bailian to illuminate the surroundings.

Snapped!

Before he could finish speaking, the figure quickly broke free from Yue Feng's embrace, and then, a slap slapped over without warning.

Nima, did you make a mistake?

Yue Feng covered his face and hurriedly called out the cold white lotus fire. In an instant, the white flame shone brightly, and when he saw the person in front of him, Yue Feng's expression was stunned and embarrassed.

I saw Chang'e glaring at herself with a blushing face, her aura was compelling, but she was also extremely charming.

This chapter is provided by . Visit for daily update.

"Yue Feng, you shameless traitor, dare to take advantage of this palace and court death." Chang'e said coldly, her eyes flashing with disgust and contempt.

I'm going..

Hearing this, Yue Feng wanted to cry but had no tears, and quickly explained: "Miss, I misunderstood, I thought you were my wife."

Yue Feng didn't lie, although he was very familiar with Liu Xuan's voice, but just now Yue Feng didn't have time to think about the situation, and instinctively decided that it was Liu Xuan.

Because Liu Xuan has no internal strength, it is possible for her to be sprained.

But Yue Feng forgot that Chang'e was sealed off, and the situation was the same as that of ordinary people. Falling from a height would also cause sprains.

“Shut up for me.”

Chang'e scolded coldly, frowning with disbelief.

In Chang'e's heart, she believed that Yue Feng was intentional.

Feeling Chang'e's anger, Yue Feng gave a wry smile and didn't explain anymore.

“Fuck...” In the

next second, Yue Feng looked around with the help of the cold light of Bailian, and suddenly his body was shocked, and the whole person was stupid.

At the same time, Chang'e looked around, her body trembling.

In chapter 1827, I

saw that the deep hole that I fell from was extremely huge, and it stretched endlessly around, as if it had no end.

Nima, the bottom of Buzhou Mountain is actually empty?

For a time, Yue Feng and Chang'e were dumbfounded, and they were shocked. At the same time, they felt that the cave was filled with the spiritual energy of heaven and earth.

Not only that, there are many huge stone pillars not far away. Each of these stone pillars is more than 100 meters high. It seems that there are characters on it, but after years of baptism, it has already been weathered and mottled.

Obviously, this should be an ancient tomb.

Noticing this, Yue Feng thought of the ancient tomb of Lu Bu that he had entered before. To be honest, the ancient tomb of Lu Bu is already big enough and majestic, and the place in front of him is dozens, even hundreds of times larger than the ancient tomb of Lu Bu. .

shit.

At this moment, Yue Feng was both excited and extremely shocked.

Even the words on the stone pillars have weathered and fallen off. This ancient tomb has existed for at least 10,000 years.

“Niangniang!”

At this time, Yue Feng couldn't help but say: “You are knowledgeable and knowledgeable, but do you know what this place is?” At the same time, Yue Feng looked at the nearest stone pillar. The ancient characters on it were too long ago. Well, I don't know it at all.

Chang'e looked disgusted: “How do I know?”

When she said this, Chang'e's expression was very indifferent, but her heart was a little complicated and shocking.

Yes, Chang'e has lived for thousands of years and knows the characters on the stone pillar, but it is not clear where it is.

Ugh.

Feeling Chang'e's dislike, Yue Feng sighed softly and said with a smile, “It's all down anyway, let's go inside and investigate.”

Saying that, Yue Feng took the lead and walked forward.

“Stop.”

Just after taking two steps, Chang'e's tender voice was heard behind her. The voice was not loud, but it was full of commands.

Yue Feng stopped and looked back at Chang'e, only to see her pretty face blushing, biting her lip, very charming.

“What's your mother's order?” Yue Feng said with a smile.

“Didn't you see that Ben Gong twisted her foot just now?” Chang'e said angrily, “Hurry up and untie the acupuncture point for me, let me heal my foot injury, and then explore this place together.” The

voice just fell, Yue Feng He smiled and shook his head: “That's not good, if I give you a solution, and you want to kill me on the spot, what should I do? I'm not as strong as you, isn't this courting death?”

Chang'e suddenly became anxious: “Don't worry, Ben Gong's words won't kill you, so hurry up and relieve the acupuncture point.”

“Niangniang!”

Yue Feng shook his head with a smile, and said seriously: “It’s not that I don’t believe you. So Niangniang should feel wronged, and when I find Big Brother Zhu Rong and the others, I will give you a solution.”

This shameless troublemaker.

Seeing Yue Feng’s resolute expression, Chang’e was angry, but she had no choice but to do anything. Finally, she thought about it and whispered, “If that’s the case, then you can help Ben Gong...”

After saying this, Chang’e’s face was very natural. showing a bit of coldness.

In her heart, it is a great honor for Yue Feng to be able to support her. However, as soon as the words fell, Yue Feng couldn’t help shouting: “Niang Niang

, you are really joking, this place is so big, I will help you, when are we going to go?”

The cunning of the points.

Yes, Yue Feng said this on purpose, wanting to tease Chang’e. In fact, it was nothing to support Chang’e, but who made her look down on herself all the time.

“Then...”

At this moment, Chang’e was in trouble, biting her lips tightly, as if it was hard to open her mouth, she glanced at Yue Feng, then lowered her head: “Or... or you hug... I?”

Chapter 1828 The

last word fell, Chang’e’s delicate face was extremely flushed, and her heart was suppressed by shame and anger.

If it weren’t for this place being too gloomy, I wouldn’t want a troublemaker like Yue Feng to hold him.

I go!

Is this still Chang’e?

Yue Feng was stunned for a moment, staring blankly at Chang’e, speechless.

Haha.. Yue Feng laughed and nodded: “Okay, Niang Niang Jade Words, since everything has been said, then I will take some losses and hug Niang Niang.”

Shuh!

Hearing this, Chang'e's face became hot, and she was extremely embarrassed: "Shut up for this palace..."

This treachery, cunning and cunning, did not speak seriously, and when she was safe and regained her innocence, she must be To kill him with his own hands, to vent the hatred in his heart.

Feeling Chang'e's anger, Yue Feng accepted it as soon as he saw it, instead of making provocative words.

Immediately, Yue Feng picked up Chang'e and slowly walked forward.

hiss!

At that moment, Ruan Xiang fell into his arms, and Yue Feng couldn't help taking a deep breath.

So soft, so fragrant.

Chang'e's body was tense, she felt like a heart was about to jump out. She was shy and nervous at the same time.

In order to hide her nervousness, Chang'e kept urging: "Hurry up, why do you walk slowly?"

"My niece, how can you walk fast when I hold you?"

"You..."

"The squabbles kept ringing in the empty deep hole..

...

On the other side, the Apocalypse Continent, the Imperial City.

In the Qianyuan Hall, the civil and military officials stood neatly in two rows, each with a serious look, and the atmosphere of the entire hall was indescribably depressing.

King Guangping wore a dragon robe and sat on the throne with a gloomy face.

After so long, there is still no whereabouts of Yue Feng, and Yue Wuya took the army to the Diyuan Continent to find Yue Feng, but there was no good news, which made King Guangping very irritable and completely impatient.

Summoning the ministers today, King Guangping is ready to discuss and deal with this matter. Yue Feng is immortal, and King Guangping will have trouble sleeping and eating! These days, King Guangping wanted to spend the night with Qin Rongyin every night. But Qin Rongyin was always reluctant.

King Guangping knew that his wife had Yue Feng in her heart, so she refused to accept her for a long time. Therefore, Yue Feng must die!

“Your Majesty!” At this moment, a prison guard captain walked in quickly and respectfully said to King Guangping: “Bring the suspect.”

Behind him, a slim figure followed with iron chains on his hands and feet, but There is a bit of loneliness on the face of Yingqi, but the breath that permeates the whole body makes people not dare to underestimate.

It was Xing Yao.

Um.

King Guangping nodded, waved his hand, and asked the captain of the guards to step back.

In the next second, King Guangping’s eyes fell on Xing Yao, and he said slowly: “I gave you a day to think about it. Now that a day has passed, how are you thinking? Are you willing to submit to me? Above people, continue to be the goddess of war in the Apocalypse Continent.”

When he said this, King Guangping looked indifferent, but his eyes showed a bit of anticipation.

King Guangping captured Xing Yao and wanted her to submit to him. But Xing Yao was not willing. So King Guangping said, give her a day to think about it. If you don’t obey yourself, take off her clothes in public and let the Apocalypse soldiers humiliate her! Now the day has come!

Chapter 1829

Swish.

At this moment, the eyes of everyone in the hall focused on Xing Yao.

Xing Yao bit her lip tightly, looked at King Guangping, and finally said slowly: “I will.”

Yes, Xing Yao is a false surrender, not really wanting to be loyal to King Guangping at all.

At first, Xing Yao was determined to avenge Emperor Tianqi, but slowly, he realized that it was too difficult to kill King Guangping, so Xing Yao could only pretend to submit to King Guangping and look for opportunities to assassinate him later.

Haha...

King Guangping was overjoyed, he quickly stood up and nodded at Xing Yao: "Okay, okay! Xing Aiqing, you don't have to kneel when you see me in the future!"

At the same time, King Guangping ordered the guards outside the hall: "Quick, Quickly release Xing Aiqing."

At this time, King Guangping was very excited.

To make Xing Yao willing to be loyal, his persuasion for the past two days was really not in vain.

At this time, King Guangping did not know that Xing Yao never intended to be loyal to him.

Soon, the guards came in to untie Xing Yao.

At the same time, the surrounding civil and military officials also rushed forward to congratulate.

"Congratulations to Commander Xing Yao."

"Haha, in the future we will be ministers in the same hall again, which is gratifying."

Xing Yao squeezed out a smile, and nodded hello to everyone symbolically.

At this moment, the originally depressed atmosphere also became relaxed, but Xing Yao had a smile on his face, but his heart was always heavy.

He pretended to be loyal to King Guangping, and he was fine for the time being.

However, Yue Feng's relatives and friends are still in prison. Gotta find a way to let them go. Xing Yao didn't know why she cared so much about Yue Feng's affairs.

"Okay."

At this moment, King Guangping sat down slowly and patted the dragon chair. In an instant, the hall became silent. In the next second, King Guangping looked around and said indifferently: "During this time, Yue Feng has never appeared. How to deal with his comrades ,

all Aiqings will talk about it.”

“Wow!”

Officer, a heated discussion broke out immediately.

“Your Majesty, since that’s the case, let’s just kill it.”

“Yes, those people have been locked up for so long, and they haven’t led Yue Feng out, so there is no point in continuing to lock them up.”

“Yes, all of them are executed. Show your Majesty’s majesty.”

Everyone’s words came from you and I, and the opinions were surprisingly unanimous, all of which advocated killing the Ouyang family and Sun Dasheng’s gang. After all, these people had been locked up for too long, and they didn’t attract Yue Feng, so it was useless to keep them.

“Okay.”

Upon hearing these proposals, King Guangping nodded, his eyes flashing coldly, and he said, “Pass on my will, tomorrow afternoon, all these people will be escorted outside the palace gate and beheaded to show the public.”

“Your Majesty is wise.” Civil and military officials, all in unison.

broken!

Xing Yao on the side, but her delicate body trembled, and her heart was secretly anxious!

How to do? King Guangping was so cruel that he wanted to kill all those people in the prison.

At this moment, Xing Yao wanted to step forward to stop her, but the situation in front of her was already the trend of the times, and it was irreversible.

“Yue Aiqing.”

At this time, King Guangping’s eyes fell on Yue Chen, and he said with a smile: “Tomorrow afternoon, all those who are related to Yue Feng will be executed! This matter will be handed over to you.”

Swish!

Yue Chen hurriedly strode out and said loudly, "Don't worry, Your Majesty, this minister will definitely live up to the emperor's kindness."

Hmm.

## Chapter 1830

King Guangping nodded, stopped talking, and stood up slowly: "Let's retreat." After speaking, he slowly walked out of the hall.

"Respectfully send your majesty." The civil and military officials all knelt down and watched.

After King Guangping left, the civil and military officials also got up and left one after another.

However, Xing Yao didn't leave in a hurry, but stood there, anxious.

No, save Yue Feng's relatives and friends!

Xing Yao looked at Yue Chen's leaving back, and thought of an idea.

late at night.

In the prosperous area of Tianqi Imperial City, in a large mansion.

In the courtyard, there was a sumptuous banquet table. Yue Chen sat on the main seat, holding a charming woman in his arms, teasing and frolic with each other.

In the open space in front, there are several singers dancing to cheer.

I don't know, I thought this was the brothel art academy.

Yue Chen is notoriously afraid of his wife, so he didn't dare to be so unrestrained at first, but today King Guangping ordered him to be executed tomorrow, so Yue Chen had an excuse to tell Chen Yun that he would strengthen the prison guard tonight, and he would very busy.

In fact, Yue Chen was actually here to drink and have fun. .

"Sir."

At this moment, a guard walked in quickly and said loudly: "There is someone outside the door asking to see you."

Being disturbed by Yaxing, Yue Chen was very angry, staring at him and scolding: "Made, no Do you see that this official is busy? No one will be seen tonight, get out."

The guard trembled and was dripping with cold sweat.

"Ha ha."

At this moment, a chuckle came from outside the door, and then, a charming woman walked in slowly, with a bit of mockery on her beautiful face, she looked at Yue Chen: "Master Yue, you are really big. Your majesty."

It was Xing Yao.

Gudong.

Seeing Xing Yao, Yue Chen's anger immediately dissipated without a trace, his eyes were squinting at Xing Yao's perfect curve, his eyes were straight, and his mouth was secretly swallowing saliva.

"Oh, it turned out to be Commander Xing." After a few seconds, Yue Chen reacted and said with a smile: "It's a rare visitor, come here, come and take your seat."

However, Xing Yao stood there and didn't move, but looked at him with a shyness. He glanced at the few singers beside him.

Yue Chen immediately understood and waved his hand: "You all step back first."

"Yes, my lord." Several singers responded and left slowly.

For a while, in the lobby, only Yue Chen and Xing Yao were left.

"Commander Xing." Yue Chen said with a smile: "Visit late at night, I don't know what advice you have?"

When he said this, Yue Chen's eyes never left Xing Yao's body.

beautiful.

It's so beautiful.

At this time, Xing Yao, although wearing black casual clothes, couldn't hide her graceful figure, especially her unique strong temperament. Any man who saw it would fall.

Yue Chen is notoriously lecherous, and naturally he is no exception.

“Master Yue.” Xing Yao’s expression was indifferent, without the slightest fluctuation, and said lightly: “Tomorrow, you will be imprisoned for repeat offenders, and you have a heavy responsibility. If you don’t go to the cell to make arrangements to prevent someone from robbing the prison, but you are drinking and having fun here, you are not afraid of being caught by Your Majesty. Know, to punish you?”

Haha..

Hearing this, Yue Chen was stunned for a moment, and then he couldn’t help laughing: “Commander Xing, everyone is smart, you don’t need to scare me with this.”

After speaking, Yue Chen’s eyes narrowed slightly, Looking at Xing Yao: “If my guess is right, you are here tonight for those of Yue Feng’s comrades, right? Besides, in the hall today, you didn’t really want to rely on His Majesty, it was just an expedient measure at the time. Right?”

Yue Chen’s eyes were full of cunning when he said the last sentence.

Yue Chen is cunning and insidious, and he is good at observing words and expressions. He has been an official in Tianqi Continent these years, and he has long been mixed into a person. When he was in the hall during the day, Yue Chen saw at a glance that Xing Yao’s allegiance to King Guangping was false.

After all, it was Xing Yao who brought Yue Chen to Tianqi Continent. Yue Chen knew how loyal Xing Yao was to Emperor Tianqi, how could he go against his faith and be loyal to King Guangping?
