

## The ultimate husband in Chinese chapter 1851-1860

### Chapter 1851

“Niangniang.”

At this time, Fang Zhiqiu reacted, bit his lip and said softly: “Since the niangniang said so, we naturally believe you.”

After saying that, Fang Zhiqiu looked at Yue Feng unwillingly: “Yue Feng Feng, you are lucky today, but you also have to remember your words, if you don’t pay back the dragon spirit, our Fang family will not share the sky with you.” As

soon as the words fell, Fang Ting suddenly became anxious and stomped: ” Sister...”

Fang Zhiqiu interrupted before he finished speaking.

“Sister, this time we will give Chang’e a good face.” Fang Zhiqiu said lightly to comfort her.

To be honest, Fang Zhiqiu was very reluctant to let Yue Feng go like this.

But there was no way, the woman beside him was Empress Chang’e, whose reputation has been passed down for thousands of years, and everyone in the Kyushu continent knows it.

Although the Panlong Jing was a treasure handed down from the Fang family, it would not be worthwhile to offend the Empress Chang’e.

Hearing this, Fang Ting pouted and stepped aside.

Phew...

Seeing this scene, everyone present was very emotional.

As expected of Empress Chang’e, she has a lot of face, and a few words will ease the situation.

Haha... Yue Feng showed a smile, and his heart was also very relaxed and relaxed. To the Fang family sisters, he

said, “The two young ladies are indeed a lot of adults. I, Yue Feng, thanked me here, and we will meet later.” With that, Yue Feng strode downstairs.

This chapter is provided by . Visit for daily update.

Seeing his smug look, the two sisters were so angry that their teeth were itchy, but they didn't feel good, after all, Chang'e was watching.

Chang'e was also very speechless, but she followed quickly.

"Oops!"

When he reached the entrance of the stairs, Yue Feng tilted his head and smiled at Chang'e: "Thanks to you just now, otherwise, these two girls are really not easy to kill."

When he said this, Yue Feng said on the surface. Danger Langdang, but was very grateful in my heart.

After all, in the situation just now, it was really difficult to handle without Chang'e coming forward.

"Yue Feng, you don't have a smile on your face." Chang'e said with a stern face, "This is only one time, next time, don't expect me to help you." What

Chang'e said was the truth.

In the box just now, I called Yue Feng's husband, and I lost my dignity. I can't wait to kill Yue Feng immediately. If I hadn't left in a hurry, I wouldn't have helped him.

Um?

Hearing this, Yue Feng scratched his head and looked at Chang'e seriously: "What did you call me just now?" As

he said, Yue Feng's eyes deliberately looked at Wu Biao behind him.

Chang'e's delicate body was shocked, she was so smart, why didn't she know what Yue Feng meant?

"Old...husband." Chang'e bit her lip tightly, her face blushed, and she shouted reluctantly.

Calling Yue Feng's husband, Chang'e felt ten thousand reluctance in her heart.

But there is no way, here is the chassis of Li Heihu. If Yue Feng calls Li Heihu back, it will be troublesome.

Haha...

This husband made Yue Feng feel at ease and took Chang'e downstairs.

The voices of the two were not loud, but they were clearly heard by Fang Zhiqiu and Fang Ting not far away.

What?

At this moment, Fang Zhiqiu and Fang Ting's delicate bodies trembled, and they looked at each other in shock.

Total shock.

This... Chang'e actually called Yue Feng's husband? Fairy Moon Palace, turned out to be Yue Feng's woman.

No wonder just now, Chang'e took the initiative to speak for Yue Feng.

For a time, the two sisters trembled, and they were completely stupid.

...

On the other side, Xi Cang Continent, the Imperial Palace.

In the splendid bedroom, Duan Yu was wearing a dragon robe, sitting there leisurely sipping fine wine, with a few beautiful palace maids beside him, carefully waiting on him.

After killing Emperor Xi Cang, Duan Yu lived directly in the palace. Although he had not officially ascended the throne, he had to experience the joy of being an emperor first.

"His Majesty!"

Chapter 1852

At this moment, a young eunuch walked in quickly and respectfully said: "There is someone outside the palace, called Yue Chen, who is from Tianqi Continent and claims to be His Majesty's friend."

Yue Chen?

Hearing this, Duan Yu put down the wine glass and narrowed his eyes subconsciously.

This kid is not a good official in Tianqi Continent, why did he suddenly find himself?

Thinking to himself, Duan Yu raised his hand: "Xuan him come in."

"Yes!" When the voice fell, the little eunuch responded quickly, and then walked out quickly.

After a while, the little eunuch brought in two people. They were Yue Chen and Chen Yun.

“Your Majesty!”

When he got to the front, Yue Chen quickly pulled Chen Yun to his knees, very respectful and polite: “Yue Chen and his wife Chen Yun, to meet your majesty, long live your majesty, long live your majesty.”

When he said this, Yue Chen I was very excited.

Finally, I finally saw Duan Yu, and I can start a new life here in the future.

“Haha...”

Duan Yu laughed and raised his hand: “Master Yue, please get up, get up...”

He said so, but his eyes were fixed on Chen Yun. Extremely surprised and surprised.

Haha...

What a coincidence, it turns out that this woman is Yue Chen’s wife. Hahaha!

At that time, Duan Yu happened to meet Chen Yun who was fleeing in the waters of Donghai City. At that time, he learned that Chen Yun was from the Yue family and Yue Feng’s sister-in-law. Be around until you get the Sky-Opening Axe.

That past was an indelible nightmare in Chen Yun’s heart, but for Duan Yu, it was an unforgettable memory.

Huh...

Duan Yu’s gaze made Chen Yun feel uncomfortable and wanted to turn around and leave, but feeling the majesty in the bedroom and Duan Yu’s powerful aura, Chen Yun had to lower her head and take a deep breath. Secretly forbear.

“Master Yue.” At this time, Duan

Yu looked at Yue Chen with a smile: “You are a popular man next to King Guangping, you are not a good official in Tianqi Imperial City, why did you suddenly come here to see me?”

Shen, seeing Yue Chen in casual clothes and bringing his wife, he knew that he was not here to talk about state affairs.

Ugh!

Yue Chen gave a wry smile, and briefly explained his experience. At the end, Yue Chen's face was full of sincerity: "I have no choice but to go to your Majesty. As long as Your Majesty is willing to take it in, I, Yue Chen, will definitely be grateful. Do your best, be loyal and serve."

"Okay, okay." Duan Yu nodded and laughed: "Master Yue is so talented, how can I not take it

in?" After speaking, Duan Yu recruited a little eunuch: "Go, Immediately arrange a residence for Lord Yue, and on the day of the enthronement ceremony, I will seal Lord Yue an official position in front of the civil and military officials."

"Thank you, Your Majesty." Yue Chen was overjoyed and quickly kowtowed to thank him.

Chen Yun next to her had a calm expression on her face, and her mood was extremely complicated.

"That's right!"

At this moment, Duan Yu thought of something, his eyes fell on Chen Yun, and he said with a smile: "I heard that Madam has always been Lord Yue's virtuous helper, I have a problem, I don't know if Madam is willing or not. Help."

Shuh!

Hearing this, Chen Yun's body trembled, and she instantly became nervous.

What does this Duan Yu want to do?

Yue Chen didn't know the grievance between his wife and Duan Yu, so he didn't think much about it, and quickly said, "Yes, why would you not? Please tell me, Your Majesty."

"It's not a big deal." Duan Yu said with a smile: "Didn't I capture Yue Feng's adoptive mother before, this Jiang Shan, I have been giving her the opportunity to help lead Yue Feng out, but this Jiang Shan is stubborn." After

speaking, Duan Yu looked at Chen Yun and said: "I want Madam to stay in the palace to persuade this woman, how about that?"

"I..."

Chen Yun bit her lip, thinking about rejecting it, but was interrupted by Yue Chen.

“No problem!” Yue Chen patted his chest and said, “Don’t worry, Your Majesty, I will leave this matter to my wife. I will never disappoint Your Majesty.”

When he said this, Yue Chen’s face was full of confidence. His wife has always been smart, and this kind of thing can definitely be done.

However, Yue Chen didn’t notice that Chen Yun’s face didn’t fluctuate at all, but her delicate body was trembling with anger.

At this time, Chen Yun was very angry.

Why did he marry such a waste? Duan Yu must have made an excuse to stay in the palace, and then took the opportunity to defile himself.

### Chapter 1853

It’s just that Chen Yun couldn’t refuse Duan Yu. Now Duan Yu is the emperor, if he refuses, he will deceive the emperor and have his head beheaded.

“Okay!” Duan Yu nodded approvingly: “Then please Mrs. Chen Yun, she will stay in the palace for a few days.”

Immediately, Duan Yu and Yue Chen exchanged a few words, and ordered the little eunuch to escort Yue Chen. left.

As for Chen Yun, she stayed in the palace and was placed in the small courtyard where Jiang Shan lived.

At this time, in the small courtyard.

Jiang Shan was sitting in the room. Although her hands and feet were not tied, the acupuncture points were blocked. Outside the yard, there were guards everywhere, so she had no chance to run.

Ugh.

At this time, Jiang Shan looked at the night outside and sighed.

Her husband died, and she was trapped here by Duan Yu again.

Could it be that he really couldn’t escape this miserable fate?

Da Da...

At this moment, there was a sound of footsteps outside the door, and then, a slender figure walked in, as beautiful as a flower, but his expression also showed a bit of depression.

It was Chen Yun. Chen Yun was left in the palace and was very flustered. She was really scared, and Duan Yu humiliated herself in every possible way. But the matter has come to this point, Chen Yun can only be at ease when it comes.

“Mrs. Jiang!”

After entering, Chen Yun showed a smile and said slowly, “Don’t come here…”

Before she could finish her words, she was interrupted by Jiang Shan.

“Please go out!” Jiang Shan’s beautiful face was frosty: “I don’t want to see you, and I’m not interested in talking to you.” The voice was not loud, but there was no room for negotiation.

Back then, Yue Feng was slandered, and everyone in the entire continent knew about it, and the person behind it was this Chen Yun, why didn’t Jiang Shan know him?

Saying that, Jiang Shan turned around and didn’t look at Chen Yun.

call!

Having hit a soft nail, Chen Yun was very annoyed.

Just a prisoner, how dare you stand on the shelf?

However, Chen Yun didn’t dare to attack, after all, this is Xi Cang Continent, not her own place. After being embarrassed for a few seconds, Chen Yun didn’t want to stay any longer, so she turned around and went out to the next room to rest.

Entering the room, Chen Yun lay on the bed and fell asleep shortly after. Running all the way from Tianqi Continent to Xicang Continent is really tiring.

“Squeak!”

Not knowing how long she slept, Chen Yun was in a daze when she heard the door being pushed open.

hiss!

Thinking that Jiang Shan took the initiative to find her, Chen Yun hurriedly sat up, but when she saw the person who came in, her body trembled, and the whole person was stunned.

I saw that the person who came was wearing a golden dragon robe, very handsome, but there was a bit of gloom in his eyes.

It was Duan Yu!

“You...”

Chen Yun was frightened, bit her lip tightly, and said nervously: “You...what are you going to do? You...”

Chen Yun knew that Duan Yu would definitely come to find her, but she didn't expect that quick!

“Hehe!” Duan Yu raised his mouth and said with a smile: “Beauty, you don't know me after a few years? But I still remember that when we went from the Earth Circle to the Apocalypse Continent, we were together all the way. What an amazing journey.”

Pop!

When the words fell, Duan Yu suddenly shot, pointing like lightning, and directly touched Chen Yun's acupoint!

Chen Yun didn't have time to react at all, so she couldn't move.

“You!” Chen Yun clenched her teeth, she never thought that Duan Yu was the emperor, but he still had the same despicable methods as before.

“Beauty, even though so many years have passed, sometimes in the middle of the night, I still think of your gentleness, and, without your help, I couldn't find the opening axe, and I wouldn't be today!” Duan Yu walked away! Come over, hold Chen Yun on the bed, and admire Chen Yun up close.

Chapter 1854

At this time, Duan Yu's gaze was like a beast, staring at Chen Yun.

pretty!

I really didn't expect that after so many years, this Chen Yun is still so sexy.

At this time, Chen Yun, wearing a short skirt, has a sexy curve, showing a sultry state.

“You...you quickly let me go...” Chen Yun was about to cry and kept screaming.

“Let you go? Your husband took the initiative to bring you to join me. If I let you go, where can you go? Besides, it was your husband who promised you to stay in the

palace. Do you think this is God's will? Haha. .." Duan Yu couldn't help laughing up to the sky, indescribably excited.

Afterwards, Duan Yu kissed Chen Yun's red lips at once.

"Get out!" Chen Yun shouted loudly, but she was tapped and couldn't move at all.

At this time, Chen Yun really wanted to die!

Ten years ago, he was unlucky, fell into Duan Yu's hands, and suffered humiliation.

But today, he was indirectly sent to Duan Yu by that trash husband.

Could it be that Duan Yu was destined to be his nemesis?

Along with Duan Yu's actions, it became more and more excessive, only to hear the sound of refusal from the inside of the room.

However, it didn't take long for Chen Yun to hold back. Under Duan Yu's offensive, she couldn't hold back.

Right now, in the next room.

The movement kept coming, and Jiang Shan, who had already rested, was soon woken up.

Swish.

At this moment, when she heard the shameful voice, Jiang Shan's delicate face suddenly blushed, and at the same time, she was also extremely shocked.

Duan Yu, this beast, is actually with Yue Chen's wife....

Ashamed and angry, Jiang Shan pondered secretly, and suddenly had an idea in her heart.

Listening to the voice, Chen Yun was completely forced. If this is the case, Chen Yun must be very angry with Duan Yu. Maybe she can start with Chen Yun before she has a chance to escape.

.....

On the other side, the Earth Circle Continent, the Emei School.

Today's Emei Mountain is very lively, with lanterns and colorful lights everywhere, and a festive atmosphere.

Today, Zhou Qin specially held the Moon Appreciation Conference, and specially invited all the sects of Jianghu to participate. Zhou Qin is the leader of the martial arts alliance, and all the sects did not dare to neglect, and came to join in one after another.

At this time, in the main hall, the masters and heads of various sects are almost here, greeting each other and greeting each other, which is very lively.

On the throne of the main hall, Zhou Qin is dressed in a black cheongsam, her tight and graceful figure is looming, and it is unbelievably beautiful! Coupled with her powerful aura, it makes people dare not blaspheme.

Beside Zhou Qin, Faye Wong and several elite disciples stood there with smiling faces.

Today, Faye Wong is extremely excited.

Speaking of which, although the Emei School has been passed down for thousands of years and is a well-known and upright sect in the Earth Circle Continent, its influence and appeal are still inferior to those of Wudang and Shaolin.

But since Zhou Qin became the head of the sect, in just a few years, Emei's reputation has completely overshadowed Shaolin and Wudang, and it seems to be the largest sect in the Earth Circle Continent.

And now, Zhou Qin is the leader of the martial arts alliance, and all the sects are guided by the Emei horse. It can be said that this is the peak of the prosperous era of the Emei faction for thousands of years.

And myself, as Zhou Qin's confidant, whoever sees it has to give face, can you be unhappy.

In the seats in the hall, the masters of various sects frequently raised their glasses and toasted Zhou Qin, each with a more respectful and polite attitude.

As the leader of the martial arts alliance, his strength is strong, and more importantly, he is trapped in the Beiyong Palace and can escape unharmed. Who can achieve this kind of strength?

You must know that the Beiyong Palace is the place with the strongest strength and defense in the Kyushu.

However, Yue Wuya, who was sitting in the first place in the VIP seat, was indifferent, sitting there alone drinking suffocating wine.

Yue Wuya had no interest at all in this Moon Appreciation Conference, he just waited for the banquet to end quickly.

Because Zhou Qin said that as long as the Moon Appreciation Conference was over, he agreed to let Han Ao Ran go.

## Chapter 1855

“His Royal Highness.”

At this time, Zhou Qin smiled brightly, raised his glass, and said to Yue Wuya: “Tonight our Emei faction will hold a moon appreciation conference. You see that the moonlight is so beautiful, why is Your Royal Highness so unhappy? Come on? , I have a cup of honor to Your Highness.”

When he said this, Zhou Qin was respectful, but there was a smile in his eyes.

She knew that Yue Wuya was sitting here without saying a word, just to wait for the banquet to end, watching herself let go of Han Ao Ran.

However, Zhou Qin hated Han so arrogantly, how could Yue Wuya get his wish? “You don’t need to worry about me. ” Yue

Wuya shook his head and said lightly: “I’ll clean it up, you can greet these fellows in the rivers and lakes.” . The leader personally toasted, but he was rejected. But it’s no wonder that he is His Royal Highness the prince of Tianqi Continent, and is qualified to put on this air. “Okay.” Zhou Qin smiled and said softly, “If that’s the case, then His Royal Highness is free.” With a smile on the surface, Zhou Qin felt a hint of coldness in his heart. Good you Yue Wuya, embarrassing me in front of so many people. At this time, a disciple quickly ran over and knelt in front of Zhou Qin: “Report—— Han Bing came to the mountain gate and said that he wanted to see Han Ao Ran..” What? Originally, the hall was full of hilarity, but at this moment it became quiet, and everyone looked at each other, inexplicably surprised. Frost came up?

Didn’t she fall into Lu Bu’s tomb? Did not die?

Even if she didn’t die, the Jianghu order issued by the Emei faction had not been revoked. She even dared to appear, and she was too daring. Who gave her the courage?

Binger.

At this moment, Yue Wuya, who was sitting in the seat of the VIP, was shocked and immediately stood up, looking anxiously towards the door of the hall.

Why did this silly girl suddenly come here? Now that Han Ao Ran is still in Zhou Qin’s hands, how can she break into Emei?

I haven't seen her for a while, and I don't know how she is, whether she is suffering or not.

At this time, Yue Wuya was anxious and looking forward to it at the same time.

Swish!

At this moment, a beautiful figure slowly walked into the hall, dressed in a white short skirt. While sexy and charming, it also had the taste of a little woman, not to mention how beautiful.

It is ice.

"Bing'er?!"

At this moment, Yue Wuya's face was full of surprise and joy, and he couldn't help calling out!

After not seeing each other for such a long time, Binger has become more beautiful. More importantly, seeing her state, it seems that she has not suffered much during this time, and she is relieved.

"Brother Wuya?"

Hearing the voice, Han Bing's delicate body was shocked, and he looked at Yue Wuya, also full of surprises. Han Bing learned that Zhou Qin held a moon viewing conference in Emei, and invited various schools of Jianghu to participate. Without thinking much, Han Bing came directly, wanting to force Zhou Qin to let go of his mother in front of the wealthy people of Jianghu.

In the past, Han Bing would never do this, because Zhou Qin was very strong, but after learning all the inextinguishable scriptures, Han Bing is no longer afraid, it can be said that he is fearless.

But he never thought that he would meet Yue Wuya at the banquet.

Swish!

After saying hello to Yue Wuya, Han Bing quickly calmed down and his eyes locked on Zhou Qin.

## The ultimate husband in Chinese chapter 1856-1860

### Chapter 1856

At this moment, the eyes of the audience are also focused on Han Bing!

“Zhou Qin!” Han Bing took a step forward and said coldly at Zhou Qin: “What would my mother say, she is also your teacher, and she is not bad to you, but you have repeatedly destroyed her reputation and robbed the head of the family. Now she is locked in a dungeon again, so deceiving her master and destroying her ancestors, but becoming the leader of the martial arts alliance, it’s a joke.” After speaking, Han Bing could

n’t hide the anger in his heart, and continued: “I won’t say anything extra. Now, you let my mother go immediately, otherwise, I’ll turn this place upside down.” The

voice was not loud, and it was a little tender, but full of aura.

“Wow!”

In an instant, the entire hall was in an uproar.

“This Han Bing has such a big tone.”

“As expected of Han Ao Ran’s daughter, she has such a strong personality.”

Everyone’s comments and ridicule kept coming, but at this time Bing was completely inaudible. Eyes, lock Zhou Qin firmly!

Before going up the mountain, Bingbing was ready to sink the boat.

Even if she is afraid of death, she must rescue her mother today.

Hehe...

In the face of Han Bing’s gaze, Zhou Qin did not become angry, but smiled slightly, turned to look at Yue Wuya, and joked: “His Royal Highness, I originally promised you, this moon appreciation conference is over, I would have let go of Han Ao Ran, but now you can see that this ice suddenly came up and made a big party. If I agree, where will the face of this martial arts leader go?”

Zhou Qin deliberately did this when he said this. A very helpless look. In fact, Zhou Qin held this moon viewing conference to attract Han Bing to come out, so to speak, to stop Yue Wuya’s mouth.

This...

This chapter is provided by . Visit for daily update.

Yue Wuya frowned, embarrassed, unable to speak.

Yes, Binger did this, which really made Zhou Qin very embarrassed.

At this time, Yue Wuya didn't know that Zhou Qin fell into her trap a few days ago when she said that she was holding the Moon Appreciation Conference.

The next second, Yue Wuya took a deep breath and prepared to persuade Han Bing:  
"Bing'er..."

However, Zhou Qin interrupted him before he finished speaking.

"His Royal Highness, how can you say that this is also a family matter of our Emei faction. Since Han Bing has done this, I think you should not interfere."

Immediately, Zhou Qin looked around and said coldly: "What are you still doing? Take down the ice for me."

Hula... When

the voice fell, the surrounding experts stood up and surrounded the ice. .

In an instant, the atmosphere in the hall became tense.

However, there was no fluctuation or panic on Han Bing's pretty face.

"Zhou Qin!!"

Yue Wuya suddenly became anxious, stood up abruptly, and shouted angrily at Zhou Qin: "If you dare to touch Bing'er today, I will not finish with you."

When he said this, Yue Wuya said His eyes were blood red, and his whole body was full of anger.

Even if Bing'er's actions today are a little out of the way, it doesn't make her in any danger.

After all, Han Bing is her favorite girl in this world.

"His Royal Highness!"

Zhou Qin looked at Yue Wuya with a smile, and said in a relaxed tone: "You have seen the situation, so I won't say more, today I have to take down the ice, I just want to ask, if I touch her, can you How? I'll arrest her, and lock up this little villain with Han Ao Ran, and torture her in every possible way, so what can you do?!"

Hu!

Yue Wuya took a deep breath, his tone was cold, and he looked at Zhou Qin and said word by word, "Then, I will level your Emei."

Chapter 1857 The

voice fell, Yue Wuya held the Overlord's Hammer tightly, and was about to rush up to block the ice.

However, at this moment, Yue Wuya suddenly stopped and frowned.

strangeness!

I was fine just now, why is my body weak and weak, and I can't use any internal strength? Dantian seems to be suppressed!

This is a clear sign of poisoning!

Surprised, Yue Wuya only felt that he couldn't even stand.

Looking at Yue Wuya's expression, Zhou Qin was very proud, and asked with a smile, "What's wrong with Your Royal Highness? Have you been drinking too much?"

At this time, Yue Wuya, no matter how stupid, realized something, and pointed at Zhou Qin. He shouted angrily: "Zhou Qin, you poisoned me in the wine?"

"Hee hee..."

Zhou Qin smiled and nodded smugly: "Yes, I poisoned you, Moreover, in this entire hall, only your wine glass is poisonous."

What?

Yue Wuya was shocked and angry, and was extremely shocked in his heart! It's really Zhou Qin's poison, this woman is so sinister.

Just... what kind of poison is this? So powerful, I didn't even notice it at all!

At this moment, the smile on Zhou Qin's face grew thicker, and the jade hand took out a delicate jade bottle, looked at Yue Wuya, and said proudly: "His Royal Highness, I know

that you are strong, and ordinary poisons will definitely be seen through by you, so What I use is a strange poison in the world, 'San Gong Pills' "

San Gong Pills! This kind of strange poison in the world has only appeared in legends! As the name suggests, after taking the San Gong Pill, the internal force in the body seems to have disappeared out of thin air, and it cannot be exerted at all.

Speaking of which, after Yue Wuya became the prince, he was already very cautious, but just now he was thinking about his own thoughts and didn't care about the wine in the glass. He never expected that Zhou Qin would actually poison the wine, or this kind of domineering. of San Gong Pills.

At this time, Yue Wuya was furious.

This San Gong Pill is rare in the world. It is rumored that the prescription was lost hundreds of years ago. I did not expect that Zhou Qin would have it.

"You...why did you do this." Yue Wuya was furious, staring at Zhou Qin and roaring.

He is the prince of the Apocalypse Continent, with a detached status and high authority, but he did not expect Zhou Qin to use such despicable means to plot against him, which is simply too embarrassing.

What's more annoying is that he still regards her as a friend.

Feeling Yue Wuya's anger, Zhou Qin did not panic at all, smiled lightly, and said slowly: "His Royal Highness, why are you so angry? In fact, I also regard you as a friend. Together, we can create a bright future, but unfortunately, you are fascinated by this evil species of ice." After

speaking, Zhou Qin continued with a smile: "To tell you the truth, today's moon viewing conference is what I set up. The purpose of this game is to lure the ice out, and in order to prevent you from making trouble, I can only play tricks on your wine glass in advance, so please feel wronged."

Hearing this, Yue Wuya trembled with anger . : "Okay, very good, Zhou Qin, if you do this, you won't be afraid of my Apocalypse army coming to Mount Emei?"

At this time, Yue Wuya regretted it very much, because one day ago, he listened to Zhou Qin's suggestion and moved down the mountain. The army withdrew.

If I had known this earlier, I should have made the army camp on the mountain.

Zhou Qin smiled slightly: "His Royal Highness, the so-called teacher is famous, you are an outsider, you have to participate in the affairs of our Emei faction, and the person you want to protect is still a sinner, you say yourself, if this matter spreads out, Is your

reputation damaged, or is our Emei faction affected? Also, if your father knows the truth, will he send troops?"

"You..."

After saying this, Yue Wuya's face turned ashen, a Words can't refute it.

Yes, I came out this time to catch Yue Feng, but because of Han Ao Ran's matter, it was delayed for so long.

When the father found out, he would definitely be furious.

At this time, Zhou Qin was too lazy to talk nonsense, and waved his hand: "Take down the ice, everyone can pity Xiangxiyu, don't hurt this evil species, lest His Royal Highness feel distressed."

Chapter 1858

After speaking, Zhou Qin sat down leisurely.

With so many sect masters, it is more than enough to deal with a cold ice, and there is no need to do it yourself.

Hula...

When the voice fell, dozens of sect masters exploded their inner strength and rushed towards the ice!

These masters are the leaders of various sects, and they erupted at the same time. The atmosphere gathered, the air in the entire hall was distorted, and the momentum was amazing.

"Bing'er."

Seeing this scene, Yue Wuya's eyes were extremely red, and he couldn't help crying out. He wanted to rush up to help, but he was so weak that he couldn't even try, so he could only stare in a hurry.

Han Bing stood there pretty, with no fluctuation on her delicate face, no panic at all, and a proud expression.

"The sword turns to the clouds!" The

next moment, the cold words were spit out from Han Bing's mouth, and then he clenched the long sword and waved it gently.

“Om!”

I saw that in the hall, the situation changed in an instant, and the next moment, a very strong breath burst out from the long sword in Han Bing’s hand, and swept away towards the rushing sect master!

“Oh, my hand...”

“Ah!” In the

blink of an eye, the dozens of sect masters screamed incessantly, staggering back one by one, their faces extremely pale, and everyone was injured!

That’s right, what Frost uses is the skill in the Indestructible Scripture. Because they are all martial arts fellows, and there are people from the Emei faction, so Han Bing did not make a ruthless attack.

Otherwise, these people are afraid that they will all fall in a pool of blood.

hiss!

Seeing this scene, the other people around couldn’t help but gasped!

Is this... or the ice that was cornered and jumped off a cliff a few days ago? In just a few days, the strength has become so terrifying?

call!

Yue Wuya took a deep breath and looked at Han Bing with incomparable excitement, his eyes were full of incredible.

When did Binger become so powerful?

Haha... That’s fine, with such a strong strength, Zhou Qin can’t do anything to her.

Zhou Qin, who was sitting next to him, suddenly stood up, her delicate body trembling faintly, her eyes fixed on the ice, full of inconceivable.

This... is this a skill in the Indestructible Scripture? !

How could she? !

Thinking to herself, Zhou Qin looked closely at Han Bing, and asked in great surprise: “Han Bing, where did you learn this trick? Tell me honestly, otherwise, I can’t spare you!”

When he said this, Zhou Qin was incomparably anxious, and also had some inexplicable fear in her heart.

You must know that the indestructible scripture was learned from Zhang Jiao, and Zhang Jiao had already been killed by himself, that is to say, in the world, only you can know it!

But the move 'Sword Turning Clouds' that Han Bing used just now was clearly a skill of indestructible scriptures.

## Chapter 1859

At this moment, Zhou Qin suddenly sounded. Faye Wong said before that she had issued a Jianghu order to chase down the ice, but the ice finally had nowhere to go, jumped off the cliff, and fell into the ancient tomb of Lu Bu.

When listening to this, Zhou Qin didn't care. After all, Lu Bu's ancient tomb was full of traps, and ice fell into it.

But now it seems that after Han Bing fell into Lu Bu's ancient tomb, not only was it okay, but he also found the secret room where Zhang Jiao was imprisoned by accident.

Could it be that on Zhang Jiao's corpse, there is a secret book of indestructible scriptures? Got it by Frost?

At this time, Zhou Qin did not know that Zhang Jiao was not killed by her at that time.

"Zhou Qin."

Just when Zhou Qin was thinking about this, Han Bing sneered and said softly: "Don't do anything wrong, don't be afraid of ghosts knocking on the door, and see me using the skills of the immortal scriptures, are you panicking? "

Speaking, Han Bing looked around and continued to say loudly: "Everyone, the Zhou alliance leader you admire is actually a despicable and shameless woman with a heart like a scorpion. Let me tell you a story, tell me a story. How did this Zhou Qin learn the indestructible scriptures!"

Immediately, Han Bing explained in detail what happened to Zhang Jiao.

What?

After listening to Han Bing, Zhou Qin's delicate body trembled, and her face was extremely embarrassing!

Zhang Jiao didn't die?

WOW.

At the same time, the entire hall was in an uproar. Whether it was from other sects or from the Emei sect, they all looked at Zhou Qin in shock.

People in the arena, the most important thing is credit and morality.

If this matter is true, Zhou Qin goes back on his word and kills Zhang Jiao, which would be rebellious.

This kind of person is the leader of the martial arts alliance, which is simply a joke.

For a time, everyone looked at each other, whispered, and looked at Zhou Qin's eyes, all of which shone strangely.

But no one dared to come out and question. After all, the masters of various sects have taken Zhou Qin's Heitian Pill, and their lives are in her hands. Who dares to seek death?

At this time, Zhou Qin reacted and looked at Han Bing with a half-smile but not a smile: "Okay, little villain, the story is vivid and vivid, then I ask you, did you say that Zhang Jiao was killed by me, what about others? ?"

As he spoke, Zhou Qin kept an eye on the outside of the hall, calm on the surface, but panicked in his heart.

If Zhang Jiao really came, he would really be finished.

But Zhou Qin's mind was quick, she bet Zhang Jiao didn't come.

Sure enough, when the words fell, a trace of disappointment flashed on Han Bing's face, and he responded coldly: "Master, his old man, has been trapped for too long. After leaving the ancient tomb, he went to see the outside world.

"With his lips, he said to Zhou Qin, "But don't take chances. I'll be enough to deal with you, and I don't need Master and his old man to come forward."

Hehe..

Hearing this, Zhou Qin suddenly laughed: "Edit, then go on. Editor, the Zhang Jiao you are talking about is a man from thousands of years ago, if it really happened, how could he not come to me for revenge?"

After speaking, Zhou Qin looked around and said seriously, "Everyone, don't listen to her nonsense. , This indestructible scripture is actually the treasure of our Emei sect. Only the masters are qualified to practice, but this secret manual is too profound.

Thousands of years ago, the previous heads of my Emei sect did not have it. Comprehend...”

“I, Zhou Qin, was not talented. After taking over as the head, I was fortunate to understand the mysteries of the Indestructible Sutra, and I wrote down my own experience. Pay attention, look at it, steal it, and practice it yourself.”

“Stealing the sect’s practice method, and making up a story, in turn slandering this seat, this kind of person is the most shameful.”

Phew!

Hearing this, many people suddenly nodded.

Chapter 1860

It turns out that the truth is like this.

In the hearts of everyone, Zhou Qin’s statement is the most credible. After all, she is the leader of the martial arts alliance and will not talk nonsense. As for Han Bing, although the story of the previous general is very attractive, is it true that Zhang Jiao is not there? Yes, no one can prove it.

Seeing everyone’s reaction, Zhou Qin showed a smile, looked at Han Bing proudly and said, “What kind of mother is there, what kind of daughter is there, when Han Ao Ran is in office, he seduces a man to give birth to you, a wicked breed, so that Our entire Emei sect has been shamed, and now you have created something out of nothing, slandering this seat, you are really out of blue and better than blue.”

“You...”

Bingqi’s delicate body trembled, and she said tenderly: “Zhou Qin, the truth is What kind of thing, you know best in your heart, and the person who wants to hide it is the most shameful.”

Zhou Qin was too lazy to talk nonsense, and said coldly: “This seat does not have a verbal dispute with you. “

Om.

The voice fell, and a powerful breath burst out from Zhou Qin’s body, and then, the figure flew up and went straight to the ice.

In Zhou Qin’s heart, even if Han Bing has learned the indestructible scripture, it is not her opponent. After all, she is so many years older than Han Bing and has practiced for so many years, and her background is not comparable to her.

“The sword turns the world!”

At the moment of flying, Zhou Qin let out a cold coquettish cry, a shock burst out from the long sword in his hand, and he stabbed directly at Han Bing. He heard this sword, which contained the sound of wind and thunder. The momentum is amazing.

That’s right, Zhou Qin’s explosive move is exactly the skill in the Indestructible Scripture.

call.

Seeing this scene, the masters of various sects present were extremely shocked.

“Leader Zhou is really a genius in cultivation.”

“Yeah, if you use a casual sword, it has the potential of wind and thunder. Who can stop it

.”

, I heard your sentence and my sentence, and they all decided that the ice was lost.

Yue Wuya, who was on the side, was very anxious, and looked at Han Bing with worry.

Yue Wuya was convinced of what Han Bing had just said. But even if she also learned the inextinguishable scriptures, I’m afraid she is not Zhou Qin’s opponent.

After all, Zhou Qin has been the head of Emei for several years. How can her background be compared to Han Bing?

“The sword turns the world.”

At this moment, I heard Han Bing’s tender cry, the jade hand reversed, internal strength surged, and a sword trick was also displayed, which seemed exactly the same as Zhou Qin’s, but the details of the display, slightly different.

However, these details are invisible to everyone.

clang!

The next second, the two sword tactics collided with each other, and in an instant, a tyrannical aura swept through the entire hall.

At this moment, Zhou Qin’s delicate body stepped back several steps, her face instantly ugly!

“You...”

Zhou Qin only felt a tightness in her chest, she stabilized her figure, looked at Han Bing in shock and anger, her delicate face was full of incredible!

This.. how is this possible!

You and her are using the same skills, why is there such a big difference in power? Moreover, the strength of the ice is far worse than his own!
