

The ultimate husband in Chinese chapter 1871-1880

Chapter 1871

However.

At this moment, Tan Chao didn't notice it, Yue Feng didn't panic at all, but a smile appeared on the corner of his mouth.

Haha...

It was a coincidence that when Zhengchou couldn't find Zhao Lu, she called.

"Hey, Mr. Zhao, what's your order?" At this time, Tan Chao said to the phone in a very polite tone: "Well, the famous auto show here has already been held, but there is a problem in the middle."

Although Tan Chao She has a prominent family and is only in Fengyun City, and Zhao Lu is a strong woman who has been in the limelight in recent years in the Xuanye Continent. She is not at the same level at all.

"Problem?" On the other side of the phone, Zhao Lu frowned: "What's the problem?"
Phew

!

Hearing Zhao Lu's name, everyone present was inexplicably excited.

Is this the president of the famous Dafeng Group? It is said to be a beautiful woman, but I did not expect her voice to be so good.

Under the excitement, everyone's faces showed a bit of longing.

It would be even better if we could meet this legendary woman.

"That's right, Mr. Zhao." Tan Chao took a deep breath and said slowly: "Just now there was a person who damaged the helicopter we exhibited at our exhibition. He is a poor man, and he doesn't have any money to pay for it. He keeps saying that he knows you. I think it's ridiculous."

"What? Is the helicopter broken?" Zhao Lu on the other side of the phone changed her expression when she heard Tan Chao's words.

Speaking of this famous car show, Zhao Lu has been planning for a long time. You must know that the famous car culture on the Xuanye Continent is still in its infancy, so

Zhao Lu thought about introducing all the famous supercars from the Diyuan Continent to this place. Come on, you will definitely make a lot of money by then.

This chapter is provided by . Visit for daily update.

And that helicopter was brought by Zhao Lu, especially to attract customers, but it was only one, but I didn't expect it to be damaged after only one day of display.

Who doesn't get angry about this?

"Where is that person? Did he say what his name was?" Zhao Lu asked coldly in anger.

"Mr. Zhao, that kid is right next to him..." Tan Chao said quickly, and he was just halfway through, but at this moment, Yue Feng strode over and grabbed the phone!

"Oh, you..." Tan Chao was furious, this kid is so bold.

Yue Feng ignored him, showed a smile, and said to the phone, "Zhao Lu."

"Who is it?" He suddenly changed his voice, causing Zhao Lu to be stunned for a moment, and then he questioned in disgust.

"Who do you think I am?"

"...Dad...Dad?" On the

other side of the phone, Zhao Lu's body trembled, and then she stuttered, surprised and happy: "Is it you? Is it really you? ?"

Back then, Yue Feng and Zhao Lu made a bet, but Zhao Lu lost, and she would call Dad when she saw Yue Feng. Zhao Lu still remembered the scene at that time. As soon as she heard Yue Feng's voice, she subconsciously called out. come out.

The Dafeng Group is invested by Yue Feng. It can be said that without Yue Feng, Zhao Lu would not be where he is today. It's just that over the years, Yue Feng has been busy with the affairs of the rivers and lakes, and I rarely see her. Now I suddenly hear Yue Feng's voice, why is she not excited.

What?

This time, everyone around was stunned!

Did I hear it wrong, Mr. Zhao...calling...calling his father?

Tan Chao froze completely, staring at Yue Feng blankly, unable to say a word!

To make Mr. Zhao willingly call his father, who is this kid?

At this moment, Yue Feng smiled slightly and said to the phone: "Zhao Lu, you have developed the company well for so many years, I am very satisfied, the helicopter you showed on the field was accidentally damaged by me. The problem is."

"No problem, no problem..." On the other side of the phone, Zhao Lu was so excited that she was about to cry, and quickly said, "Dad..Dad..this..what the hell is going on?"

Chapter 1872

Yue Feng smiled and said slowly to Zhao Lu over the phone: "It's nothing to do, I just broke the helicopter, but your partner Tan Chao, don't let me go, Said to keep me and my friends under control."

What?

On the other side of the phone, when Zhao Lu heard this, her legs went weak and her whole body trembled with anger.

This Tan Chao, who dares to disrespect Yue Feng, is simply courting death.

Thinking about it, Zhao Lu quickly said, "I'll handle this matter, I'll come right over."

Yue Feng said nothing and threw the phone to Tan Chao.

Tan Chao took the phone and took a deep look at Yue Feng, feeling a little uneasy in his heart.

After a while, footsteps came from the hall on the first floor, and I saw a woman, surrounded by men in black, walked up quickly.

This woman, dressed in light brown business attire, set off her exquisite figure, indescribably charming and elegant, and her delicate face, with light makeup, was extremely charming, but her expression was very serious.

It was Zhao Lu.

Whoa!

In an instant, the audience was amazed, and all the men's eyes were fixed on Zhao Lu, not even blinking.

Is this the female president of Dafeng Group? A famous strong woman in the business world?

It's really beautiful. And this temperament is not inferior to those of the female stars.

Seeing Zhao Lu, Tan Chao trotted all the way to meet him, and said cautiously, "Mr. Zhao..."

However.

Zhao Lu didn't even look at Tan Chao, stepped on her high heels and walked straight towards Yue Feng.

When they got to the front, Zhao Lu suppressed her excitement and bowed deeply to Yue Feng: "Dad."

While speaking, Zhao Lu couldn't help but look at Chang'e beside Yue Feng.

What a beautiful woman.

At this moment, Zhao Lu was secretly amazed. She was also very confident in her appearance, but compared to Chang'e, she was still slightly inferior.

At the same time, Zhao Lu admired Yue Feng even more.

As expected of the man he respects, the women around him are better than the other.

At this time, Zhao Lu didn't realize that the beautiful woman beside Yue Feng was the famous Empress Chang'e.

Yue Feng smiled slightly, and greeted Zhao Lu with a nod: "You can deal with this matter."

Hmm!

Zhao Lu responded, then turned her head to look at Tan Chao: "What the hell is going on?"

"Mr. Zhao!" Tan Chao rubbed his hands together and carefully repeated the story of Yue Feng destroying the helicopter.

Swish.

Knowing the details, Zhao Lu's face flushed with anger.

"Tan Chao, I think you don't want to cooperate with our Dafeng Group. Do you know who the person in front of you is? How dare you stop him from leaving and control him?" Zhao Lujiao shouted.

Feeling Zhao Lu's anger, Tan Chao couldn't help shivering.

Although I have little contact with Zhao Lu, every time I meet, Zhao Lu gives the impression of being an approachable strong woman. I have never seen her blushing with anyone, but now, she has posted a message because of this man. Such a big fire..

"Mr. Zhao, I didn't do anything to him." Tan Chao wanted to cry without tears, and said, "It's because I have a bad attitude, so it's not necessary."

"Isn't it necessary?"

Zhao Lu's pretty face was frosty: "Do you know who he is? The hero of our Earth Circle, the Sect Master of Tianmen, Yue Feng! Let me tell you, Dafeng Group was founded by him, do you understand now? "

What?

Tan Chao's body was shocked, but his mind was buzzing.

Chapter 1873

He... Is he Yue Feng?

Over the years, Yue Feng's reputation has become more and more famous, and everyone in the Kyushu continent knows it.

At the same time, everyone present also exploded the pot, looking at Yue Feng blankly, shocked.

It turns out that he is Yue Feng, no wonder he has such a big tone. Even a strong woman like Zhao Lu would call him father.

A few seconds later, Tan Chao's tone was trembling, his face was crying, and he said to Zhao Lu: "Mr. Zhao, I was wrong..."

"You don't need to say anything, our cooperation is canceled, and there is no need to hold the famous auto show." Zhao Lu was so angry that she didn't bother to talk nonsense: "For the details of the termination of the cooperation, my assistant will find you." It's

over.

At this moment, Tan Chao's body was shocked, and he almost collapsed on the ground, wanting to cry without tears.

the other side!

Xi Cang Continent, in a small courtyard behind the palace. The room was full of spring.

After some cloud and rain, Duan Yu put on the dragon robe, and his handsome face was full of comfortable smiles!

Beside her, Yue Chen's wife Chen Yun, with tears all over her beautiful face, looked at Duan Yu, wishing she could kill him.

Himself...self defiled by him again.

Ten years ago, Chen Yun fell into Duan Yu's hands and suffered humiliation along the way. Although so many years have passed, in Chen Yun's heart, it has always been a lingering nightmare, but she never imagined that today, ten years later, he fell into the clutches of Duan Yu again.

What made Chen Yun even more unacceptable was that she took the initiative to deliver it to her door!

At this moment, Duan Yu walked over with a smile, looked at Chen Yun's figure fascinatedly, and teased: "Mrs. Yue, you and I meet again after a long time, you should be happy, why do you look like you are going to kill me?"

"Not to mention, Yue Feng's sister-in-law is really delicious, and it feels the same as before, which is so memorable.

"Go away, get out of here!" Chen Yun's body trembled, clenching her teeth, and couldn't help crying. At this time, Chen Yun can't wait to slash Duan Yu with a thousand knives!

I was sullied by this Duan Yu over and over again, how will I meet anyone in the future?

Seeing the resentment on her face, Duan Yu was not angry at all, and said with a smile, "Mrs. Yue...why can't you think so much? Honestly, what's so good about that Yue Chen, a bereaved dog, you still have to follow me with all my heart. He."

After speaking, Duan Yu continued with a smile: "The so-called husband and wife have a hundred days of kindness in one day, and we have more than one day of kindness, I think so, you will stay in the palace in the future and serve me well, I will Guarantee your life's glory and wealth, haha..."

"You..."

Hearing this, Chen Yun was embarrassed and glared at Duan Yu, but she couldn't say a word.

At this time, Chen Yun really wanted to kill Duan Yu, but she felt Duan Yu's powerful aura, and she was still the emperor. Chen Yun knew that she could not kill him in this life.

Don't talk about yourself, even Yue Chen is here, not Duan Yu's opponent.

At this time, Duan Yu stopped talking nonsense and sorted out the dragon robe: "Beauty, what I said, you should consider it carefully, I will come to see you at night, wait for me obediently."

Haha... The

voice fell, and Duan Yu laughed out loud . . , walked out refreshed.

At this moment, Chen Yun's beautiful face was filled with shame and anger, and she couldn't tell the despair in her heart.

Being targeted by this demon, I am afraid that I will never be able to leave this palace.

Why is your life so hard?

Squeak.

At this moment, the door of the room was suddenly opened, and a graceful figure walked in slowly, and the beautiful face showed a bit of complexity.

It was Jiang Shan.

Jiang Shan was sleeping just now. After being woken up by Duan Yu and Chen Yun's voices, Jiang Shan couldn't sleep. Hearing Duan Yu leaving, she came over to have a look. "Who let you in." Chen Yun shuddered, thinking that it was Duan Yu who came back. Seeing Jiang Shan, she was immediately ashamed and angry, and said

coldly, "Go out."

He pursed his lips, but felt so ashamed in his heart that he could not wait to find a seam to crawl in.

He was defiled by Duan Yu, and she must have heard it. Thinking of this, Chen Yun's face blushed, and there was a burst of humiliation in her heart.

Chapter 1874

"Chen Yun." Looking at the messy room, Jiang Shan was also a little shy, then she bit her lip and said softly, "Don't get me wrong, I didn't come to see your jokes." After speaking

, Jiang Shan walked slowly Come over and continue: “They are both women, I can understand your mood, if I guessed correctly, you really want to kill Duan Yu now, right?”

Hu!

Hearing this, Chen Yun said coldly, “What are you trying to say?”

Jiang Shan smiled and said seriously, “If you want to kill Duan Yu, I can help you.”

Jiang Shan was trapped here, only Relying on one person’s strength, he couldn’t escape at all, so he could only come to Chen Yun.

What?

Chen Yun was stunned for a moment, then laughed and mocked: “You help me? You can’t protect yourself, how can you help me? Also, why should I trust you?”

This Jiang Shan is Yue Feng’s righteousness Mother, I have framed Yue Feng several times, how could she help me?

No one will believe this.

“Because I, like you, also want to kill this villain.” Jiang Shan sighed lightly, with a bit of resentment on her beautiful face: “My husband died at Duan Yu’s hands, it would be difficult not to kill him. Let go of the hatred in my heart.”

Thinking of the scene of Ouyang Zhennan’s tragic death, Jiang Shan couldn’t hide her anger, and her delicate body trembled.

call!

Hearing this, Chen Yun frowned slightly, doubting her belief: “Even if you didn’t lie to me, how can we be Duan Yu’s opponent with only two weak women?”

Jiang Shan smiled lightly and did not answer immediately, but raised her jade hand. A hairpin was removed from the head.

The next second, Jiang Shan handed the hairpin to Chen Yun and said slowly, “This is called ‘Blood Feather’. It looks like a hairpin, but in fact, it is a very powerful hidden weapon, from Tangjiabao.”

good.

This hairpin really came from Tangjiabao. When Jiang Shan married Ouyang Zhennan, the whole world came to congratulate him. The owner of Tangjiabao at that time brought this one as a gift. hairpin.

Tangjiabao?

Chen Yun was completely stunned, staring at the hairpin blankly, speechless in shock.

Although Tangjiabao's strength is not as good as those of Shaolin and Wudang, it is known for its hidden weapons, and Chen Yun has naturally heard of it.

"Okay!"

After a few seconds, Chen Yun no longer hesitated, nodded heavily, looked at Jiang Shan and said, "How to act, you can tell me." With Tangjiabao's hidden weapon, Duan Yu would surely die.

Seeing her promise, Jiang Shan was very excited and said slowly: "If Duan Yu comes again in the evening, you can find a way to disarm him, and press the button on the hairpin when you have a chance..." As

she said, Jiang Shan came over and gave her a demonstration.

Chen Yun is a smart woman, and she quickly learned how to use it. Then she thought of something and worried: "But Duan Yu is the emperor. If he dies, wouldn't we all have to be killed?"

You know, killing a king is a big crime Ah, this is still the palace, and it is heavily guarded.

"You don't have to worry about this." Jiang Shan smiled lightly and comforted: "Xicang Continent is different from other continents, martial arts prevail, whoever is stronger is the king. A few days ago, Duan Yu was in front of civil and military officials, killing the predecessor Xi Canghuang, no one dares to stand up and criticize."

"So, it is the same for us to kill Duan Yu. Once Duan Yu dies, someone in the court will definitely snatch the emperor's position, and no one will care how Duan Yu died! "

"Moreover, if Duan Yu dies, the new emperor will be grateful to both of us. Without our assassination, the new emperor would not have ascended the throne. What do you think?" After

speaking, Chen Yun nodded again and again, completely dispelling her worries. .

Soon, after Jiang Shan and Chen Yun agreed, they returned to their room.

One day passed quickly.

When it was getting dark, Chen Yun went to the back kitchen and cooked a table of wine and vegetables.

Chapter 1875

“Haha...”

As soon as the wine and dishes were prepared, he heard a loud laugh from outside. Then, Duan Yu walked in with his head held high, smiling all over his face: “My beauty, I’m here.”

Um?

Just came in and saw the table full of wine and food, Duan Yu’s smile froze, and he was stunned.

What’s the situation? Why so many drinks and dishes.

“Your Majesty!”

Chen Yun squeezed out a smile, walked over slowly, and helped Duan Yu open the chair very attentively: “Your Majesty, this is specially prepared for you by the concubine, Your Majesty has worked hard for a day for state affairs, it is very hard , so the concubine specially made a few side dishes, and wanted to have a few drinks with Your Majesty.”

After speaking, Chen Yun made a very shy look: “During the day, the concubine carefully thought about His Majesty’s words and felt that It makes sense, so the concubine intends to stay in the palace and serve your majesty well.”

Haha...

Hearing this, Duan Yu was overjoyed, grabbed Chen Yun’s hand, pulled it into his arms, and said with a smile: “Okay, Alright, I know that beauty is so smart, she will definitely not reject me.” As

he spoke, Duan Yu did not forget to touch Chen Yun’s slender waist.

“My concubine, I will pour wine for His Majesty.” Chen Yun felt disgusted, but did not move.

At this time, Chen Yun’s face was tender and sweet, but she was nervous in her heart.

In addition to being bitter and mean, she is also a bit arrogant and arrogant. When did she go so lowly to please a man? And, is he still the enemy he hates to the core?

But there is no way, for the sake of his innocence and dignity, tonight's plan must be successful, and there must be no mistakes.

"Haha.." The

wine was poured quickly, Duan Yu was extremely relaxed and comfortable, and pulled Chen Yun to clink the glasses: "Beauty is so caring, I will accompany you to have a few drinks tonight."

Beauty is so proactive and considerate , I'm really happy.

At this time, Duan Yu didn't realize that Chen Yun's gentleness and charmingness were all faked in order to numb him with alcohol.

call!

At this moment, when Jiang Shan in the next room heard the movement, she bit her lip, unable to express her nervousness, and kept praying secretly in her heart.

Chen Yun must succeed. If she fails, the consequences will be disastrous.

Three rounds of wine, five flavors of food.

Although Duan Yu's cultivation strength was very high, he couldn't resist Chen Yun's insistence on drinking. At this time, his face was flushed and he was slightly drunk.

And Chen Yun has been drinking with her, and her delicate face is also full of red, incomparably charming.

"Haha... The beauty is really good for drinking." Duan Yu said with a smile, his eyes fixed on Chen Yun's delicate body, and he became more and more obsessed.

Duan Yu was in a very happy mood at this time, and then thought of Jiang Shan.

Haha..

I almost forgot, there is a beauty next door.

Wouldn't it be better for two beauties to accompany and drink together?

"Beautiful wait, I'll go and call Mrs. Ouyang next door, and let's be happy together." Duan Yu said, standing up with the wine, ready to go out.

Here comes the opportunity.

Seeing Duan Yu's back, Chen Yun's body trembled with excitement, and without thinking too much, she immediately pulled off the hairpin on her head, aimed at Duan Yu's back, and pulled the mechanism.

The ultimate husband in Chinese chapter 1876-1880

Chapter 1876

"Whoosh!"

Chen Yun pressed the switch, and a burst of air rang out. From the hairpin, a silver needle shot out, and a cold light was reflected under the candlelight, and lightning flashed straight to the back of Duan Yu's heart. And go.

On the silver needle, a faint blue light flickered faintly, obviously quenched with poison.

When the incident happened suddenly, Duan Yu didn't have time to react, let alone dodge.

Ding!

I saw the silver needle hit the back of Duan Yu's heart, but it didn't pierce it, but made a crisp sound and was bounced away.

What?

Seeing this scene, Chen Yun's body trembled, and her face suddenly turned pale.

How could this be? His sneak attack was perfect, why did the silver needle not stab Duan Yu in the middle, but instead was bounced off?

Swish.

At this moment, Duan Yu turned his head slowly, his eyes were extremely cold, and he directly locked on Chen Yun.

The next second, when he saw the silver needle falling to the ground, Duan Yu understood something and sneered: "Well, you bitch, it turns out that the gentleness just now was fake, do you want to assassinate me?"

"I..." Chen Yun's face was pale, and under the tension, she couldn't say a word.

At this moment, a trace of contempt appeared on Duan Yu's face, and he slowly said: "Are you curious, why your sneak attack is perfect, but Zhen is safe and sound?" The

voice fell, and Duan Yu tore off his dragon robe, revealing the inside. One of the soft armor came out, and I saw that this soft armor was purple-gold, extremely tough, and noble and luxurious.

This chapter is provided by . Visit for daily update.

This is called Zijin Soft Armor. It is a treasure of the palace of Xi Cang Continent. It has been kept in the bedroom by Emperor Xicang before. After Duan Yu became the emperor, he felt that this soft armor was good, so he wore it on his body.

Originally, Duan Yu just thought it was a novelty. He didn't expect this soft armor to play any role, but he didn't expect that it really saved his life.

At this

moment, seeing the purple-gold soft armor on Duan Yu's body, Chen Yun's body trembled, and she was dumbfounded.

No wonder he was fine, he was wearing a treasure armor.

Why, why is this scum so lucky?

At this moment, Duan Yu sneered and walked towards Chen Yun step by step!

"You, what are you doing..."

Chen Yun's body trembled, her eyes were full of evil, and she would never forget it for the rest of her life!

"Clap!"

Duan Yu slapped her fiercely, and he used all his strength for this slap! Hearing a muffled groan, Chen Yun's body was abruptly swept away! Finally hit the wall and landed on the ground!

"Pfft!" A

mouthful of blood spit out from Chen Yun's mouth, then glared at Duan Yu: "Scum, you are lucky today, next time I must kill you."

Anyway, the plan failed, so there is no need to pretend .

"Next time? Do you think you have another time?" Duan Yu sneered, the corners of his mouth raised a hint of ruthlessness, and quickly stepped forward, slap after slap!

"Crack! Slap! Slap!"

The crisp sound made people jump!

After a dozen slaps, Duan Yu stopped.

Immediately, Duan Yu leaned over and sneered in Chen Yun's ear: "Bitch, you sound weak, but you are not small, dare to stab me, you like to play exciting, don't I, I will find some palace guards later, Have fun with you. Let you experience the joy of being a woman."

With that said, Duan Yu shouted outside: "Someone!"

Hula.

The words fell, and several palace guards rushed in quickly and respectfully said in unison: "This subordinate is here."

Duan Yu glanced at Chen Yun, and said coldly: "Put her into the secret room of my practice. Make no mistake!

" Yes!" After responding in unison, several palace guards took Chen Yun out.

"No...I don't want..." Chen Yun was terrified, she only felt her legs were weak, and the moment she was dragged out, she kept shouting: "Duan Yu, you bastard, you will not be well. Dead..."

Thinking that she was going to be defiled by the palace guards, Chen Yun's eyes turned black, and she wanted to commit suicide immediately.

In fact, Duan Yu was just trying to scare her. How could he be willing to share such a charming woman with others?

Dengdeng ...

As soon as Chen Yun was taken away, a figure appeared at the door, her beautiful face was full of nervousness.

It was Jiang Shan.

Hearing that the movement was wrong, Jiang Shan hurried over to take a look. At this time, she saw Duan Yu standing in the room with a gloomy face, and there was no sign of being plotted. Jiang Shan's face changed, and her legs became weak.

Chapter 1877 is

broken, the plan has failed.

Swish. At this moment, seeing Jiang Shan, Duan Yu's eyes suddenly flashed a bit of ruthlessness, and said coldly: "Bitch, tonight's matter was

planned by the two of you together, you are not too timid."

Yu was ruthless and shrewd, and the city was very deep, so he guessed at once that Jiang Shan was definitely involved in tonight's assassination.

After all, Chen Yun alone has no such courage.

"I..." When Jiang Shan was nervous, her red lips parted slightly and she was speechless.

Snapped!

Duan Yu was too lazy to talk nonsense, walked over, and slapped Jiang Shan in the face without warning.

With this slap, Duan Yu used all her strength, only to hear Jiang Shan's tender cry, her tender body trembled, she fell to the ground, covered her face, and stared at Duan Yu resentfully.

"Bitch, I've ignored you these days, you're too bold, you dare to plan to assassinate me." Duan Yu was filled with anger, humiliating at Jiang Shan: "You want to use Chen Yun's hand to kill me, you I want to escape, I tell you, if you fall into the palm of my hand, it will be hard for you to fly, and you will never be able to run away in your life. I will remember what happened tonight, and I will take care of you after I officially ascend to the throne.

", Duan Yu shouted: "Come here, put this bitch in the prison." The

voice fell, and several palace guards came quickly, tied Jiang Shan Wuhua, and escorted him into the prison.

At this moment, Jiang Shan's delicate body trembled, and her eyes were full of despair.

Done.

After finally getting through to Chen Yun, they planned to assassinate Duan Yu together, but they failed.

There is absolutely no escape now.

call!

Seeing Jiang Shan being taken away, Duan Yu's face was ashen, and he breathed a deep sigh of relief.

After a few seconds, Duan Yu's mood gradually stabilized. He called an eunuch and ordered, "Summon Yue Chen to enter the palace."

"Yes, Your Majesty." The eunuch responded quickly and walked out.

After a while, the eunuch came back, followed by a confused Yue Chen.

"Your Majesty!" Entering the room, Yue

Chen hurriedly knelt down, and said with a flat face, "Chen Yuechen, I have seen Your Majesty, and His Majesty summoned you late at night, what are your orders?"

muttered.

It's so late, nothing will happen.

"Yue Aiqing."

Duan Yu sighed deeply, pretending to be distressed: "I'm sorry, your wife, Chen Yun, she... she... just had an accident."

What?

Hearing this, Yue Chen's heart was shocked, like a thunderbolt from the blue sky, his whole brain was buzzing, and Duan Yu was speechless.

Something happened to the wife? Did you hear it wrong?

"Yue Aiqing." Duan Yu put his hand on his forehead, blamed himself very much, and started talking nonsense: "Just now, while Chen Yun was not paying attention, Jiang Shan pushed her into the well." With

that, Duan Yu looked at the courtyard In a well in the middle, he said with a long sigh of relief: "When I receive the news, your wife Chen Yun, she is already..."

Puff!

Hearing this news, Yue Chen couldn't hold it any longer, and suddenly fell to the ground.

A few seconds later, Yue Chen came to his senses and rushed out, crawling and crawling, lying on the head of the well, crying loudly, "Wife...you won't die...it's not true, it's not..." Tears flowed uncontrollably.

At this time, Yue Chen collapsed directly.

Although Yue Chen has bad conduct and lust, but in his heart, he has always loved Chen Yun, and it has not changed for so many years. In his heart, Chen Yun is not only beautiful, but also smart and can help himself a lot. It can be said that she is a perfect internal helper.

You know, Yue Chen made so many mistakes before, and Chen Yun finally forgave him and helped him clean up the mess.

Two days ago, on the way to Xicang Continent, Yue Chen had already thought about it, it was the honor of his life to have such a good wife, and when he made a comeback, he must love her and take care of her.

Unexpectedly, something happened to Chen Yun in less than two days.

"Wife, you can't die, you can't die..." With heartache, Yue Chen was about to jump into the well.

My wife won't die, I won't...

But at this moment, Duan Yu rushed over and grabbed Yue Chen's arm: "Yue Aiqing, don't be impulsive, this well is connected to the underground river, if Madam is all right, came up a long time ago."

Said, Duan Yu made a very sympathetic look, and patted Yue Chen's shoulder: "Yue Aiqing, people can't be resurrected from the dead, please mourn and change."

Duan Yu at this time, on the surface It was very sad, but I sneered in my heart.

Before summoning Yue Chen, Duan Yu had thought about it, locked Chen Yun in the secret room of his cultivation, and then made up a lie that Chen Yun was dead. As long as he deceived Yue Chen, he could always enjoy the tenderness of beauty.

Chapter 1878

Duan Yu showed a smile. The reason why he lied to Yue Chen that Chen Yun was dead was not because he was afraid of Yue Chen, but because he had just become an emperor, he was the place to employ people, so there was no need to argue with Yue Chen.

“Wife!” Yue Chen’s body was trembling, and he wailed, his eyes darkened, and he almost fainted.

“Jiang Shan, Jiang Shan, this bitch.” The next second, Yue Chen suddenly remembered something, clenched his fists tightly, gritted his teeth and said, “She killed my wife, I must kill her, kill her with my own hands. “

When he said this, Yue Chen’s eyes were extremely blood red, and his whole body was filled with killing intent.

At this time, Yue Chen didn’t know that he was completely tricked by Duan Yu, and Chen Yun didn’t die at all, but was locked in the secret room of the palace.

Ugh!

Duan Yu sighed softly and persuaded: “Yue Aiqing, I understand your feelings at this time, but this Jiang Shan can’t die yet, you know, I keep her mainly to bring Yue Feng out.”

Duan said, Yu’s eyes flickered, and he continued: “The reason why Jiang Shan harmed Mrs. Ling is because of Yue Feng, because you and your wife have always dealt with Yue Feng, and Jiang Shan is Yue Feng’s adoptive mother, so she naturally hates your husband and wife. This cruel hand killed your wife Chen Yun. So, in the end, the culprit is Yue Feng, don’t worry, when I catch Yue Feng, I will let Aiqing take revenge for your wife.”

Hearing this With that, Yue Chen gritted his teeth, and the anger in his heart was rising.

Your Majesty is right, all this is because of Yue Feng.

Thinking to himself, Yue Chen suppressed his anger and said with tears in his eyes, “What Your Majesty said is that this minister obeys His Majesty’s arrangements.”

Hmm!

Duan Yu nodded with satisfaction, and then said hypocritically: “Yue Aiqing, it was I who did not protect Mrs. well enough to cause an accident. Don’t worry, I will definitely not treat you badly.”

“Thank you for your grace, Your Majesty.” Yue Chen wiped away the tears from the corners of his eyes and said gratefully.

Duan Yu stopped talking nonsense and waved Yue Chen to leave.

Haha...

At this moment, Duan Yu's mouth twitched as he watched Yue Chen's back, his eyes were full of smiles.

They are also from the Yue family. This Yue Chen is far worse than Yue Feng. Such a casual lie has deceived him.

But Yue Chen, don't blame me, who made your wife so charming.

.....

On the other side, the Earth Circle Continent, Mount Emei.

In the back mountain cave.

At this time, Han Bing's medicinal power completely exploded, hugging Yue Wuya tightly and not letting go.

"Bing'er, calm down, calm down." Yue Wuya was sweating profusely and kept talking, but Bing Bing completely lost his mind and couldn't hear him at all.

At the same time, Yue Wuya wanted to break free from the ice, but what made him depressed was that his internal strength had not recovered, and he could not break free at all.

call!

Seeing that the ice was getting more and more violent, Yue Wuya also slowly reacted. Such a charming and charming daughter, who took the initiative to give her a hug, who could stand it.

Moreover, he and Bing'er already have a good feeling for each other and are in love with each other.

Even if there is a relationship, it will come naturally.

no.

Just when Yue Wuya couldn't bear it anymore, reason and principles still made him wake up instantly.

Binger was drugged, not voluntarily. If she had a relationship with her, what was the difference between him and a beast?

No, you can't do it yourself.

Chapter 1879

Thinking to himself, Yue Wuya gritted his teeth secretly, and laboriously took out a dagger from his body.

Swish.

In the next second, Yue Wuya didn't hesitate at all, holding the dagger tightly, he slashed a bloody opening on his leg, and the blood dripped in an instant.

hiss!

When the pain came, Yue Wuya couldn't help taking a breath, and his mind was much more awake than before.

Yes, Yue Wuya really had no choice. He was afraid that he would not be able to hold back Han Bing's enthusiasm, so he finally compromised, so he came up with this method to wake him up.

"Brother Wuya!" At this moment, Han Bing hugged Yue Wuya tightly, her eyes blurred.

The hot air in Han Bing's mouth kept blowing, Yue Wuya only felt that his ears were itchy, and his heart was like a cat's claws, unspeakably uncomfortable.

"Bing'er, hold on, it will be over soon." Yue Wuya gritted his teeth, his eyes were extremely firm: "I'm here to accompany you. Be good..." The

voice fell, Yue Wuya once again Slashed on the body.

Whoops...

the blood is pouring out again!

For the next few hours, Yue Wuya let Han Bing hold him, always sticking to the principle, not moving, and did not act beyond courtesy.

However, under the enthusiasm of Frost Bing, Yue Wuya would cut himself every time he was about to lose his strength.

I don't know how long it took, the medicinal power on Han Bing finally receded, and the whole person was extremely tired, lying on the side, and fell asleep quietly.

At this time, Yue Wuya, who did not know how many knives had been cut on his body, was full of scars, and his clothes were completely soaked in blood, like a bloody man.

Having shed so much blood, Yue Wuya's face was pale and extremely weak.

call!

At this time, looking at the sleeping ice, Yue Wuya breathed a sigh of relief, and a big stone in his heart finally fell to the ground.

It's finally over, and you can take a good rest.

Shasha...

At this moment, there was a sudden sound of footsteps outside the stone cave. There seemed to be a lot of people. Yue Wuya's eyes flashed, and he suddenly became alert.

At this moment, outside the cave.

Thousands of masters from all corners of the world, experts from various sects, gathered together. The leader was graceful in figure, dressed in a long white dress, and looked like a fairy, it was Zhou Qin.

At the Moon Appreciation Conference last night, the masters of all sects were very happy. After the banquet, Zhou Qin did not let them leave, but arranged for them to rest in the Emei sect.

Zhou Qin's purpose is very simple. Frost has been caught in a love potion and is locked up with Yue Wuya. This night, the two of them must not be able to bear it. This is a scandal that corrupts human relations. It is interesting to witness with fellow martial arts practitioners.

So, early this morning, Zhou Qin brought experts from various schools.

In addition to the masters of various sects, there is another person, Han Ao Ran.

At this time, Han Ao Ran was closely guarded by several disciples of the Emei School, wearing a long purple dress, which could not conceal the temperament of the frost goddess.

One night has passed, Bing'er and Yue Wuya, it won't be true....

Thinking to myself, Han proudly clenched his jade hand tightly, and his palms were sweating.

Zhou Qin brought so many people to come to watch, the purpose is obvious, that is, to make himself and Yue Feng completely ruined.

He was not the head of the Emei sect for a long time, and it didn't matter about his reputation. He was just pitiful for Bing'er. He was still so young. If his innocence was damaged, how would he live in the future? How can I see people again in the future?

Chapter 1880 The

more Han Ao Ran thought about it, the more anxious he became. As the cave got closer, he couldn't help but pray.

God bless, Binger and Yue Wuya must not have an accident.

The cold and proud expression was caught in Zhou Qin's eyes.

"Han Ao Ran." Zhou Qin walked over, unable to hide the mockery and sneer on his face, and said softly, "You don't need to pray in your heart, you know the effect of the potion I gave Han Bing, and no one can stand it. "

Just wait and watch the show, I will definitely make your daughter famous in the Kyushu mainland, haha..." At the

end, Zhou Qin's eyes were full of resentment.

You stole my Yue Feng and gave birth to an evil seed with him. This is your due end.

"You..."

Han Ao Ran's face flushed, his whole body trembled with anger, he wanted to retort, but he didn't know how to say it.

This Zhou Qin is so sinister and treacherous, her heart is more poisonous than snakes and scorpions, all the vicious words in the world are not enough to describe her viciousness.

Zhou Qin was too lazy to talk nonsense, ignored Han Ao Ran, and walked straight towards Shimen.

Arriving in front of the stone cave, Zhou Qin didn't rush to open the door, a smile appeared on the corner of his mouth, and he whispered through the stone door: "His Royal Highness, are you awake? It's already dawn."

Haha...

Zhou Qin The corners of your mouth rise, Yue Feng, your son and daughter are together, if this matter spreads to the Kyushu mainland, I see how you can still be so embarrassed.

Zhou Qin?

Hearing Zhou Qin's voice, Yue Wuya in the cave immediately frowned and his expression became cold.

In the next second, Yue Wuya took a deep breath and responded coldly: "What if it's dawn? Zhou Qin, what you did violated my bottom line and principles. It's best to keep me locked up for the rest of your life. Otherwise, I'll turn your Emei upside down..."

Because he had cut himself too many knives last night, Yue Wuya's tone was weak, but he was very determined and unquestionable.

She regards Zhou Qin as a friend, but she treats herself like this.

Unforgivable.

Whoa!

In an instant, everyone outside Shimen was in an uproar.

Dare to talk to the leader like this, this kid is really crazy.

Even if you are a prince, this is the Earth Circle Continent, not the Apocalypse Continent.

call!

Zhou Qin also trembled, frowning slightly, her face very ugly.

This Yue Wuya, who is also the leader of the martial arts alliance, doesn't save any face, and speaks so heartlessly.

However, aware of Yue Wuya's weak tone, Zhou Qin realized something, and a smile appeared on her beautiful face again. This Yue Wuya, with such a tired voice, went to Han Bing last night, something must have happened.

Thinking to himself, Zhou Qin smiled and said across the door of the teacher: "Oh, why is Your Highness so angry? I did this for your own good?"

After speaking, Zhou Qin's smile grew thicker and continued: "Since His Royal Highness likes that little villain, I will arrange you in a cave to create opportunities for you, how well-intentioned I am, even if His Highness is not grateful to me, why do you still blame me?"

Zhou Zhou said at this time. Qin believed that Yue Wuya and Han Bing had already had a relationship. But she still didn't know that Yue Wuya's tone was so weak because of too much bleeding.

At the same time, the other people present were whispering and discussing quietly.

"Listening to this prince's voice, it seems like I didn't sleep all night last night."

"Hehe, needless to say? There is a hot little beauty beside me, who can stand it?"

"Haha... The scene inside is really I want to take a look..."

Like Zhou Qin, the masters of various sects present thought that Yue Wuya and Han Bing had already had a relationship, otherwise the sound would not be so tired.
