Chapter 1916

One day later, Xi Cang Continent! Palace!

The weather is nice and sunny today. It's raining continuously!

In the palace, the dragon flag fluttered, and in the hall, there was a lively celebration.

I saw that in the hall, there were nearly a thousand seats, civil and military officials, sitting in order, all with smiles and compliments.

Duan Yu, dressed in a dragon robe, sat on the dragon chair with a smile on his face.

Yes, today is the day when Duan Yu officially ascended the throne. He specially entertained the ministers in the main hall.

At this time, the civil and military officials stood up one after another and toasted Duan Yu.

"Congratulations, Your Majesty, to be crowned as a great treasure." "Long live Your Majesty, it is God's will to ascend

the throne today, and it is also the blessing of my Xi Cang Continent.

"

When it came, Duan Yu was in a very comfortable mood, raised his glass and laughed: "Okay, okay, I can successfully ascend to the throne, and I can't do without the assistance of all the Aiqings. You have contributed a lot. Today, I and all of you Aiqings, have a good drink. A few cups."

Om!

"Duan Yu, come out and die!" At this moment, only a roar was heard from the sky outside!

The civil and military officials in the hall, as well as the guards in the palace, were shocked by this roar, and their hearts trembled, and they all looked for the voice!

Seeing this, everyone was stunned!

I only saw that there was a huge figure in the sky, flying very fast!

This is a giant beast, with a body of more than fifty meters long. It looks like a tiger but not a tiger. It has a dark purple body and a pair of wings on its back.

It is the same beast as the Green Dragon and White Tiger, Qiong Qi!

On Qiongqi, there is a man standing, this man, with knife-like facial features, is extremely cold! It is Yue Feng!

Yue Feng stood on Qiongqi, majestic! But there was no arrogance in his expression, but endless pain and hatred, and a terrifying murderous aura all over his body.

Silence! Not only the imperial palace, but the entire imperial city is silent! Everyone looked up at Yue Feng!

“Roar!”

At this moment, Qiong Qi, who was at the foot of Yue Feng, suddenly let out a huge roar!

In the next second, Qiong Qi swooped down and landed at the entrance of the main hall. The guards on both sides had no time to react, and was struck by lightning on Qiong Qi's body. Before he could scream, he fell into a pool of blood.

Whoa!

After a few seconds of silence, there was an uproar in the entire hall!

“Yue Feng, the sect master of Tianmen?”

“How dare you break into the palace?”

Over the years, Yue Feng's reputation has spread all over the continent of Kyushu, who doesn't know it?

Yue Feng?

Duan Yu's pupils shrank, and he stared at Yue Feng with a gleam of brilliance.

The kid finally showed up.

boom!

The next second, Duan Yu slammed the dragon chair down, stood up suddenly, and sneered at Yue Feng: “Yue Feng, you have been hiding for more than ten years, and finally you are willing to show up!”

With that said, Duan Yu saw the filial piety belt on Yue Feng's arm, and the corner of his mouth raised a hint of abuse: "Are you still keeping filial piety for Ouyang Zhennan? You don't need to be too sad, when I killed him, I did it neatly and didn't let him suffer. Too much suffering. And your adoptive mother, I didn't let her suffer any grievances, she was served in the prison with delicious food and drink."

Shuh!

Hearing this, Yue Feng's eyes were extremely blood-red, and his body was filled with suffocating anger, surging with anger!

"Duan Yu, I, Yue Feng, will not be a human if I don't cut you to pieces!" A cold voice came from Yue Feng's mouth. ferocious.

Thinking of Ouyang Zhennan's death, Yue Feng was filled with anger.

This anger completely made Yue Feng lose his mind.

And Duan Yu's remarks just now undoubtedly poured more oil on Yue Feng's anger.

Chapter 1917

Om!

The voice fell, and a powerful breath erupted from Yue Feng's body, and the figure turned into an illusory afterimage, coming straight towards Duan Yu. In an instant, the air in front of him was distorted, and the power was amazing!

Seeing Yue Feng attacking, Duan Yu didn't panic at all. On the contrary, excitement flashed in his eyes, and his whole body was filled with endless fighting intent.

During this period of time, Duan Yu thought of pulling Yue Feng out all the time. How could he be unhappy when he saw him take the initiative to send him to the door.

"Yue Feng!" Duan Yu sneered and said coldly, "Who will stand at the end today, not sure! You are the only one here?"

"I am the only one." Yue Feng's eyes were cold.

"Where did you get the courage?" Duan Yu raised the corners of his mouth.

"I alone will be enough to kill you." A low voice came from Yue Feng's mouth.

"Then go to death!" Duan Yu rushed forward with red eyes!

clang!

The next second, Yue Feng and Duan Yu's palms collided, and a tyrannical fluctuation of internal force swept the audience! The air that attracted the entire palace was twisted!

When I heard Duan Yu groan, the whole person was shocked back!

Dengdeng....

Duan Yu's face was extremely ugly, and he staggered back a dozen steps before he stabilized his figure, and was extremely shocked in his heart. You must know that his current strength is already beyond the Tribulation Realm, and Duan Yu's internal strength is also extremely deep, but this palm has not even beat Yue Feng?

At this time, Duan Yu did not know that although Yue Feng was not in the Tribulation Realm, he was still at the peak of the fifth stage of Martial Sovereign. Moreover, he practiced the Pure Yang Sutra, and his internal strength was extremely pure. The power is naturally amazing.

puff...

At this moment, Duan Yu looked at Yue Feng in shock and anger, his face was as red as blood, and he spit out a mouthful of blood.

Yes, that palm just now, Yue Feng hurt Duan Yu's heart.

hiss?

Seeing this scene, the civil and military officials present couldn't help gasping for air, and they were all stunned and speechless!

one move?

Just one move, this Yue Feng, hurt Your Majesty?

They all know that Yue Feng, as the sect master of Tianmen, is powerful.

But Duan Yu was not a generalist either. Back then, he was named Prime Minister by Emperor Xi Cang, and he led the army of Xi Cang to conquer the east and west. He was invincible and never lost. It can be said that it was a great battle, but now, it was actually injured by Yue Feng.

This... This Yue Feng's strength is too terrifying, right? !

But... he's just a fifth-rank Martial Emperor.

"Duan Yu, today is your day of death!" Yue Feng shouted, his body was filled with anger, and he rushed over again!

“Come on!” Duan Yu snorted coldly, but he was not afraid!

However, after shouting, Duan Yu did not meet again, but with a flash, he retreated into the hall.

“Here!”

At this moment, Duan Yu wiped the blood from the corner of his mouth, pointed his finger at Yue Feng, and roared wildly: “Take Yue Feng to me, whoever can take his head on his neck will be rewarded heavily... .”

When he shouted the last sentence, Duan Yu’s eyes flashed with madness.

It’s really abominable. I was just careless just now, but I was injured by Yue Feng. I was already the emperor of Xi Cang Continent, but I suffered from the loss of the enemy. How can I bear it?

Today, Yue Feng must die! !

In the past, even if Duan Yu was injured, he would have personally shot and fought Yue Feng to the death, but after becoming emperor, Duan Yu became more cautious and would not take risks like before.

Swish swish...

The voice fell, and more than a dozen generals in the hall, as well as the palace guards gathered from outside, burst into internal force and rushed towards Yue Feng!

The overall strength of Xi Cang Continent is on the upper side in the Kyushu Continent, so these palace guards and military generals are not low in strength, and most of them are in the realm of Martial Emperor and Martial Saint.

So many people broke out together, and the breath gathered was amazing.

Huh...

Seeing the palace guards and generals rushing up, Yue Feng didn’t panic at all, on the contrary, the anger in his heart was completely aroused, he looked crazy, and roared: “Come, come, today I will let all of you here. Everyone is buried with my adoptive father, and everyone is buried with my adoptive father!”

Chapter 1918

Even if there are thousands of enemies! He Yue Feng is not afraid at all!

The voice fell, Yue Feng’s whole body aura soared, and he slowly raised his hands!

“Death to me!”

“Big! Broken! Heaven! Technique!” A

frantic roar came from Yue Feng’s mouth. The moment the voice fell, the air around his body suddenly tore apart, and an extremely strong storm formed in an instant. The rushing crowd swept away.

“Ah!”

In an instant, under the terrifying power raging, hundreds of royal guards and military generals screamed constantly, one by one fell from the air and fell into a pool of blood.

hiss!

Seeing this scene, apart from Duan Yu, the surrounding civil and military officials all trembled, and they couldn’t help gasping for air!

It’s... too strong.

Yue Feng is only one person, so terrifying, so many people, he can’t even stop him!

Duan Yu’s pupils contracted slightly, and he silently urged his inner strength to repair his heart, and his heart became more and more angry!

In Duan Yu’s heart, Yue Feng was not only a nemesis, but also a serious worry. Seeing that Yue Feng’s strength was much stronger than before, the killing intent in his heart was even stronger.

This Yue Feng, who has not yet reached the Tribulation Realm, is so strong. If he does not get rid of him today, there will be endless troubles in the future.

“Go!”

Thinking to himself, Duan Yu yelled wildly at the surrounding: “Everyone, give it to me, no matter what today, I will kill Yue Feng and kill him.”

When he said this, Duan Yu said Speeding up the recovery of internal strength, Duan Yu was accidentally injured when he competed with Yue Feng just now, which made him very annoyed.

Whoops!

The words fell, and outside the main hall, the Imperial City Imperial Army was swarming. From a distance, it was densely packed, with more than 100,000 people.

Haha...

Seeing the arrival of Tiangang Guard and Imperial City Imperial Guard, Duan Yu looked extremely proud and shouted at Yue Feng: "Yue Feng, you want to kill me with your own strength? Today, don't you? I want to leave alive." After

speaking, Duan Yu roared and issued an order: "Take Yue Feng, life or death!"

Whoosh! Whoosh! Whoosh!

The words fell, and the Imperial City Imperial Army shouted loudly, rushing towards Yue Feng like a tidal wave.

"Huh!"

Looking at the hundreds of thousands of Imperial City Imperial Army in front of him, Yue Feng did not panic at all, but his expression was mad: "Since you all want to die, then I will fulfill you."

At this time, Yue Feng's body was filled with murderous aura, like a killing god descending. World.

The thought of Ouyang Zhennan's death made Yue Feng's heart pierce like a knife.

This time, Yue Feng's determination is firm, and he will never give up until he kills Duan Yu.

God blocks kill gods, Buddha blocks kill Buddha, whoever blocks will die!

The moment the words fell, Yue Feng raised his hand and waved, a golden light flashed, and a golden pagoda appeared, which was the Linglong Pagoda!

Huhuhu...

The next second, many powerhouses in Linglong Tower roared out one after another! I saw that the one who appeared first was tall and dressed in black armor.

It is Yang Jian's senior brother, You Yan.

Immediately afterwards, Yuan Tiangang, Pang Tong, the Red-Eyed Bear King and the Chiyan Snake King also appeared in front of everyone.

hiss!

Seeing this scene, the civil and military ministers in the hall were all shocked.

what is this? Where did these strong men come from?

These people in Xi Cang Continent were extremely surprised when they saw Yue Feng display the Linglong Pagoda for the first time.

“Yuan Tiangang, Pang Tong, Hongyan Bear King, Chiyan Snake King... I want you to step down this palace hall and slaughter everyone present!” Yue Feng roared wildly, completely losing his mind!

“Kill!” As the

voice fell, You Yan and Yuan Tiangang, many strong men, burst out one after another, rushing towards the surrounding Imperial City Imperial Army.

In an instant, the two sides fought together, screaming constantly, blood stained the hall, and the sky seemed to be dyed red.

Swish!

At this moment, Yue Feng locked Duan Yu tightly and said word by word, “Duan Yu, you must die today, and no one can protect you.”

Om!

The voice of Chapter 1919

fell, and a terrifying aura erupted from Yue Feng’s body again. In an instant, the surrounding air seemed to be stagnant.

Approaching the aura of Transcending Tribulation Realm, suppressing everyone present, panicked in my heart!

“Kacha!”

Immediately after, with a crisp sound, a gleaming weapon appeared in Yue Feng’s hand.

It was Fang Tianhuaji!

As soon as Fang Tianhua halberd came out, the surrounding temperature suddenly increased a lot, and there was a bloodthirsty aura in the air.

call!

At this time, everyone present couldn’t help but take a deep breath.

Although there are many people in Tiangang Guard and Imperial City Imperial Guard, the weapons in Yue Feng's hands, but Lu Bu was famous in the world back then, comparable to divine soldiers, I'm afraid it will be difficult to suppress him.

Swish swish...

At this moment, dozens of guards came quickly and blocked Duan Yu.

Yue Feng saw that these guards were obviously different from the previous palace guards. They were all wearing purple-gold armor and holding long knives, and their momentum was amazing.

It is the Tiangang Guard of the Imperial Palace of Xi Cang Continent.

The Tiangang Guards were a special escort team established by the Western Cang Emperor in those days. They were specially responsible for the safety of the emperor. They were able to become Tiangang Guards. Each of them was carefully selected and could be said to be the elite among the elites.

After the death of Emperor Xicang, Tiangang Guard became Duan Yu's personal bodyguard.

In the next second, I saw a Tiangang Guard, shouting: "Let's form a formation."

Huh!

When the voice fell, I saw dozens of Tiangang guards move one after another, and their figures cooperated with each other to surround Yue Feng in the middle.

Um?

Yue Feng was stunned and frowned slightly.

Is this an array?

Yue Feng clearly saw that the dozens of Tiangang guards in front of him cooperated tacitly.

Yue Feng guessed right.

These Heavenly Gang Guards displayed the incomparably mysterious 'Thirty-six Heavenly Gang Array'. This formation has always been passed down in the palace of Xi Cang Continent, and has never been spread to the outside world, so even Yue Feng did not know this formation.

However, Yue Feng did not panic because of his own formation skills.

Even so, Yue Feng was surrounded by it and couldn't rush out for a while.

Huh..

Seeing this scene, Duan Yu's face was extremely gloomy.

After so many years in Xi Cang Continent, Duan Yu knew the power of the Thirty-Six Heavenly Gang formation. It could be said that if Duan Yu fought against this formation alone, he would have no chance of winning. But in just a few minutes, Duan Yu realized that something was wrong. Although this Yue Feng was besieged by the group, there was no sign of defeat at all.

This time, Duan Yu was a little anxious, and roared: "Trash, it's all trash, is there no one in my Xicang Continent?"

When he said this, Duan Yu was very annoyed.

If it wasn't for being too careless at the beginning and being injured by Yue Feng, the situation would not have reached this point, so passive.

"Don't panic, Your Majesty, watch the minister kill this thief!"

Just when Duan Yu was extremely annoyed, a loud shout came from the crowd. Immediately after, a figure rushed into the formation and slapped Yue Feng with a palm!

It was Yue Chen!

Yue Chen has always been very cunning. When Yue Feng appeared just now, he had been hiding to the side.

Waiting for an opportunity and sneaking a sneak attack has always been Yue Chen's forte.

Seeing that Yue Feng was trapped in the formation at this time, Yue Chen knew that his chance had come.

hum!

The moment he rushed in, Yue Chen's inner strength exploded. With a strong breath surging, in a black light flickering. A blood-red flood dragon suddenly appeared in front of Yue Chen.

It is Yue Chen's unique skill, Xuanyin Divine Art!

Back then, Yue Chen fell off a cliff on the seaside of Donghai City, and inadvertently obtained the Mysterious Yin Skill. Yue Chen regarded it as a treasure and kept cultivating with great concentration.

Xuanyin magic, Yue Chen has practiced for more than ten years, and has long reached the peak of the realm.

Just look at this red Flood Dragon, surrounded by blood and energy, although it is transformed by internal force, but its shape is real, vivid and real, with a body length of tens of meters, and the whole body is filled with the breath of divine beasts, which makes people breathless.

When this blood-colored Flood Dragon appeared, the air in the entire hall was completely distorted, and everyone felt that they were enveloped by a bloodthirsty aura.

Chapter 1920

Swish!

Seeing Yue Chen, Yue Feng's pupils contracted and his eyes were extremely blood red.

This Yue Chen has actually taken refuge with Duan Yu!

Although the adoptive father Ouyang Zhennan was killed by Duan Yu, Yue Chen could not escape the relationship!

"Kacha! Kacha!"

Yue Feng's eyes were red, and his fists clenched loudly!

"Yue Feng!" Yue Chen said with a grim face, "Go to hell!"

At this moment, Yue Chen's eyes were full of hatred. In his heart, he believed that his wife, Chen Yun, was killed by Jiang Shan. , Jiang Shan is Yue Feng's adoptive mother, when Yue Chen saw Yue Feng, his heart was burning with anger!

At this time, Yue Chen didn't know that his wife Chen Yun was not dead at all. He was only sullied by Duan Yu and put in jail.

"Roar!" The

voice fell, and the blood-colored Jiaolong that Yue Chen transformed into with his internal strength let out a roar and rushed towards Yue Feng in an instant.

Seeing this scene, Duan Yu showed a smile, very excited and proud.

Haha...

This Yue Chen will really look for a chance to sneak attack. If he makes a move, Yue Feng will be dead.

Looking at the rushing blood-colored Flood Dragon, Yue Feng did not panic at all, and sneered contemptuously: "It's just a bed bug transformed by internal power, how dare you take it out to shame?" When the

voice fell, Yue Feng immediately threw his poorness out of the spirit beast sack. release.

"Roar!"

In an instant, accompanied by an aura vibrating, a dark purple Qiongqi appeared in front of everyone.

As soon as Qiong Qi appeared, everyone in the hall only felt it was difficult to breathe, and palpitations rose in their hearts.

This is the real mythical beast, and its aura is not comparable to the Jiaolong that Yue Chen transformed into with his internal power. After all, one is real and the other is illusory.

"Roar!" In the

blink of an eye, Qiong Qi let out a furious roar and rushed towards the blood-colored Jiaolong. Two huge figures collided in mid-air, and under the impact of Qianqi's powerful divine power, the blood-colored Flood Dragon was directly defeated and disappeared without a trace.

What?

Yue Chen trembled all over, and the whole person was stupid.

hiss!

At the same time, everyone around was dumbfounded, looking at Yue Feng in a daze, speechless.

Just...for a moment? The dragon that Yue Chen had transformed into was scattered?

"Yue Feng, you don't want to leave alive today!" After a few seconds, Yue Chen reacted, roared, rushed into the formation, and cooperated with dozens of Tiangang guards to besiege Yue Feng.

At this time, Yue Chen was completely insane. Xuanyin magic had always been his trump card, but now, it was easily blocked by Yue Feng, which made Yue Chen feel extremely humiliated.

Thinking of his wife's death again, Yue Feng couldn't get rid of the relationship, Yue Chen was like crazy, he made a very hot shot, and his tricks killed him.

However.

Facing the siege of Yue Chen and Tiangang Guard, Yue Feng was still able to handle it with ease.

Made!

Seeing this scene, Duan Yu's smile froze on his face, and he was extremely angry, and then ordered behind him: "Go, bring that bitch in the prison here." The

voice fell, and a personal guard quickly walked to the prison. After a while, Jiang Shan, who was tied up with five flowers, was brought over.

Aunt Jiang!

At this moment, seeing Jiang Shan, Yue Feng was shocked, surprised and happy.

Yue Feng saw that Jiang Shan's breath was weak, and he obviously suffered a lot here, but his clothes were neat and he should not have been humiliated. In an instant, Yue Feng felt a lot more at ease.

"Yue Feng!"

Duan Yu's mouth twitched with a hint of gloom, he pulled out a sword, placed it across Jiang Shan's neck, and shouted at Yue Feng, "I don't want to see this bitch die, stop immediately and capture it."
