

The ultimate husband in Chinese chapter 1921-1930

Chapter 1921

When he said this, Duan Yu's eyes flashed coldly.

Since Yue Feng could not be subdued in a short period of time, he could only use this despicable method. In Duan Yu's mind, as long as the goal can be achieved, it doesn't matter whether the means are despicable or not.

"Duan Yu, if you dare to touch my adoptive mother, I will let you die without a corpse." Yue Feng's eyes were blood red and he roared furiously.

He clearly saw that the blade in Duan Yu's hand had drawn a shallow bloodstain on Jiang Shan's neck. As long as she exerted a little more force, Jiang Shan's head would fall to the ground.

At this time, Yue Feng was completely angry.

Burning with anger!

Yue Feng couldn't bear the death of his adoptive father. If Aunt Jiang had another accident, Yue Feng would never forgive himself for the rest of his life.

"Xiaofeng!"

At this moment, Jiang Shan shouted to Yue Feng: "Don't worry about me, Duan Yu killed your foster father, you must take revenge, and Duan Yu will not do anything to me for the time being. Like, he's just trying to distract you, don't be fooled."

Slap!

As soon as he finished speaking, Duan Yu slapped Jiang Shan's face without warning. Jiang Shan cried out in pain, her delicate body softened, and she fell directly to the ground.

"Bitch, shut up for me." Duan Yu said coldly.

Jiang Shan is right, Duan Yu will not kill her for the time being. This is just to influence Yue Feng's attention.

"Duan Yu, damn you." Seeing this scene, Yue Feng went crazy, his eyes were red, and he cursed at Duan Yu: "You have the kind of ability to come at me and beat an unarmed woman? "

Duan Yu sneered and said nothing.

At this time, Yue Feng's attention was successfully attracted by himself, and Duan Yu was very proud.

"Yue Feng! Go to hell!"

Taking advantage of Yue Feng's distraction, Yue Chen roared and slapped him fiercely.

"Xiaofeng, be careful!" Seeing this scene, Jiang Shan was shocked and exclaimed.

Yue Feng wanted to dodge, but it was too late!

boom!

In the next second, Yue Chen slapped Yue Feng with a palm. This palm contained his seven or eight layers of skill. Even if Yue Feng had the Pure Yang Zhenjing to protect his body, he couldn't hold it. With a grunt, his figure was directly shaken back ten steps.

puff!

Staggering to stabilize his figure, Yue Feng's face was pale and he spat out a mouthful of blood.

Yue Feng clearly felt that his dantian was injured, not very serious, but his strength was affected and he couldn't go all out.

"Hahaha.."

Seeing this scene, Duan Yu was extremely excited, laughed up to the sky, and shouted: "Okay, good fight, Yue Aiqing, hurry up, kill Yue Feng! I have a lot of rewards!"

"Yes, Your Majesty !" Yue Chen responded, then stared at Yue Feng closely, and rushed over with a grinning smile!

At the same time, dozens of Tiangang Guards also attacked Yue Feng again.

"Death! Give me all to die!" Yue Feng roared desperately, holding Fang Tianhua halberd tightly, and went up to meet him.

At this time, his eyes were extremely blood-red, and under the urging of internal force, Fang Tianhuaji shone with blood-colored light, and he slashed when he saw anyone!

But there were too many people on the other side, and Yue Feng was injured again, so he only felt that the pressure was getting bigger and bigger.

During the fierce battle, Yue Feng was already covered in blood, and dozens of Tiangang guards were injured by him, but the rest still rushed forward one after another.

Gradually, Yue Feng felt powerless.

Finally, Yue Chen found the opportunity, sneered, and stabbed Yue Feng's shoulder with a sword!

“Puchi!”

Yue Feng couldn't dodge in time, his entire shoulder was pierced! In an instant, blood swarmed out! He staggered back a few steps and almost fell over.

“Xiaofeng!”

Seeing this scene, Jiang Shan couldn't help exclaiming, her eyes were full of distress and worry, and tears were falling.

Chapter 1922

Seriously, when she first met Yue Feng, Jiang Shan hated it, but after more than ten years of getting along, Jiang Shan was gradually convinced by Yue Feng's personality. Is the adopted son, but has long been regarded as biological.

At this time, seeing Yue Feng covered in blood and being pierced all over, Jiang Shan's heart was cut like a knife.

“Xiaofeng, you must be careful, don't worry about me, do your best to meet the enemy, and don't let them take advantage of it...” Jiang Shan cried, tears like broken pearls that couldn't be stopped at all.

At this moment, Jiang Shan really wanted to rush over to help, but her internal strength was blocked and Duan Yu was using a knife, so she had no chance at all.

Yue Feng's face was pale, the pain kept coming, and he couldn't hear Jiang Shan's words at all. He only felt that the strength in his body disappeared little by little.

However, Yue Feng's eyes were still blood red, and he stared at Duan Yu: “Duan Yu, even if you become Emperor Xi Cang, you can't escape death today.”

These words spread throughout the audience like thunder. !

At this time, Yue Feng had completely risked his life, and even if he was afraid of death, he had to kill Duan Yu first.

“Kill, kill, kill!”

Yue Feng howled like crazy, waving Fang Tianhua halberd constantly, trying to rush to Duan Yu, however, there are too many people in front of him, every step forward, he will be attacked to heavy resistance.

“Stupid.”

Duan Yu sneered and mocked at Yue Feng: “You can’t even pass this level of my men, and you still want to kill me? It’s really shameless, come on, I’m here, if you have the ability, you will Rush over.”

When he said this, Duan Yu’s tone was relaxed and smug, and there was a bit of playfulness in his eyes.

Yue Feng was injured, and facing the siege of Tiangang Guard and Yue Chen, it was impossible to rush over. It can be said that the situation has been settled. At this time, Duan Yu had already thought about how to torture Yue Feng to death.

“Yue Aiqing.” Duan Yu ordered to Yue Chen: “Don’t kill Yue Feng in a hurry, just play with him.”

“Yes, Your Majesty.” Yue Chen replied.

The next second, while Yue Feng was dealing with Tian Gangwei, Yue Chen grinned, took the opportunity to circle around, and cut a bloody mouth out of Yue Feng.

Chill.

In an instant, blood spurted out, and Yue Feng’s entire back was dyed red.

Haha...

At this moment, Yue Chen’s face was full of hideousness, and he shouted out of his hatred: “Yue Feng, don’t be arrogant anymore, you are alone, and you still want to hurt Your Majesty? Today is your death date. I My wife died because of you, and today I will take your life to pay homage to her spirit in heaven!” After the

voice fell, Yue Chen clenched his long sword and rushed up again.

call!

Hearing this, Yue Feng frowned and was very surprised.

His wife died because of me? Is Chen Yun dead?

Immediately afterwards, Yue Feng felt inexplicably happy, no matter how Chen Yun died, she was evil-hearted and did a lot of evil, and her death proved that the sky has eyes.

Muttering in his heart, Yue Feng held Fang Tianhua halberd tightly and fought fiercely with Yue Chen.

In terms of strength alone, Yue Chen is not Yue Feng's opponent at all, but there are dozens of heavenly guards around him to cooperate, plus Yue Chen is cunning and cunning, his shots are all vicious and sinister tricks, in this case, Yue risk is like a circle.

puff, puff...

In the blink of an eye, there were several more wounds on Yue Feng's body, and the blood continued to spray, which was very tragic.

"Xiaofeng!"

This time, Jiang Shan was completely anxious, and then she thought of something, and shouted at Yue Chen: "Yue Chen, if you seek revenge on Yue Feng because of your wife, you are making a big mistake."

As she said that, Jiang Shan bit her lip tightly and continued, "Your wife didn't die at all. He was imprisoned by Duan Yu, and now you are stupidly working for Duan Yu, you are the biggest fool in the world."

Chapter 1923

What?

Yue Chen was desperately trying to attack Yue Feng, but when he heard this, his body was shocked, his mind was buzzing, and he was surprised and excited.

Wife is not dead?

Swish!

At the same time, Duan Yu's face changed greatly, and he slapped Jiang Shan again, "Bitch, shut up."

Duan Yu was very annoyed at this time.

Mad, this bitch, actually said this at the most critical time! While angry, Duan Yu was also a little nervous. After all, what Jiang Shan said was the truth. Chen Yun didn't die, but was imprisoned by herself.

But soon, Duan Yu calmed down. After all, Jiang Shan said that there was no evidence and no evidence.

“Your Majesty!”

At this moment, Yue Chen reacted and looked at Duan Yu closely: “Is what Jiang Shan said true?”

When he asked, Yue Chen’s mind was buzzing and he was in chaos.

“Yue Aiqing!” Duan Yu took a deep breath and shouted angrily: “You are a smart person, how can you believe the words of this slut? She is trying to sow discord, so as to create opportunities for Yue Feng, you don’t need to pay attention, and quickly kill Yue Feng. Your wife is already dead. As long as you kill Yue Feng, I will immediately make you a general.” With the

last sentence, Duan Yu almost roared out.

Yue Feng has been besieged in circles, and it is difficult to fly. At this most critical time, there must be no mistakes.

call!

Hearing this, Yue Chen took a deep breath and nodded slowly: “Don’t worry, Your Majesty, I will do my best.”

Speaking of which, Yue Chen had been dubious about Jiang Shan’s words, but when he heard Duan Yu say this, he didn’t think too much.

When the words fell, Yue Chen clenched his long sword and rushed towards Yue Feng again!

“33254!” However, at this moment, Jiang Shan shouted again: “Yue Chen, this is the password for your wife’s treasure chest, isn’t it?!”

Shuh!

Yue Chen’s body was shocked, his eyes locked on Jiang Shan, and he said coldly: “How do you know?”

Chen Yun is notoriously vain, especially likes to buy all kinds of jewelry. When she was the wife of the supervisor, Chen Yun deliberately I got a treasure chest, put all the jewelry in it, and got a password.

Chen Yun cherished this treasure box very much, and when she came to Xi Cang Continent, she did not forget to take it with her.

Because it is private, only Chen Yun and Yue Chen know about this matter. Therefore, Yue Chen was shocked when he suddenly heard Jiang Shan reveal the password of the treasure chest.

“Yue Chen!” Jiang Shan said loudly: “Your wife told me this password. Do you know that that night, your wife was defiled and humiliated by Duan Yu, so she discussed with me how to get rid of Duan Yu, In order to show our sincerity, we told each other a secret. At that time, your wife told me the password of the treasure box....Unfortunately, our plan failed. At that time, Duan Yu became angry and locked up your wife. These days , your wife was humiliated by Duan Yu day and night!”

At the end, Jiang Shan’s face flushed and she was very shy.

After all, what Duan Yu did to Chen Yun was hard to tell, but for Yue Feng’s safety, Jiang Shan had to say it.

hum!

Hearing this, Yue Chen only felt a thunder in his mind, and the whole person was stunned.

Wife is not dead? locked up?

And... my wife was defiled by Duan Yu?

For a time, Yue Chen’s brain was buzzing, and his whole body was going to be messy.

Two seconds later, Yue Chen reacted and looked closely at Jiang Shan: “What you said is true? I tell you, if you dare to slander my wife’s innocence, I will kill you first.”

Chapter 1924

Yue Chen’s eyes are extremely blood red, although his wife has always looked down on him and often scolds him, but for so many years, Chen Yun has been by Yue Chen’s side, never abandoning her, and helping him a lot. So in Yue Chen’s heart, not only deeply in love with Chen Yun, but also very grateful.

Now how can I not be angry when I see Jiang Shan talking about Chen Yun’s innocence?

call! Jiang Shan took a deep breath, her delicate face full of seriousness: “What I said

is absolutely true, think about it carefully, if my wife and I didn’t cooperate, how could she tell me the password to the treasure chest?”

Shan is extremely eager: "Yue Chen, you believe me, your wife is not dead, but is locked up by Duan Yu, you must not be deceived by him again."

Wow!

At this moment, the surrounding civil and military officials were also in an uproar.

I didn't expect Duan Yu to be such a person...

so shameless.

For a time, the eyes of the civil and military officials looking at Duan Yu were all complicated, and the loyalty in their hearts was also shaken.

As the emperor, Duan Yu even slept with the women of his ministers. Who would be loyal to him.

At this time, Duan Yu was furious, and slapped Jiang Shan's face again: "Bitch, shut up immediately, if you talk nonsense again, I will kill you."

Jiang Shan covered her face, bit her lip tightly, and said nothing. shout out.

Immediately, Jiang Shan glared at Duan Yu and said coldly: "Duan Yu, what you have done, you know in your own heart, you can't cover up your despicable behavior even if you kill me.

"

Hearing this, Duan Yu was completely angry, and roared: "Okay, very good, then you can die!"

As soon as the words fell, Duan Yu was about to attack Jiang Shan.

"Duan Yu, how dare you..." Seeing this, Yue Feng shouted angrily, and was about to rush over at the same time, but it was too late to be surrounded by dozens of Tiangang guards.

"Duan Yu, fuck you."

However, at this moment, Yue Chen suddenly shouted, and his figure exploded, like a meteor, carrying an endless and violent aura, coming directly towards Duan Yu!

At this moment, Yue Chen's eyes were extremely blood red, like a beast, he locked Duan Yu tightly, and the anger that filled his heart made him lose his mind instantly!

To be honest, Yue Chen didn't want to believe Jiang Shan in his heart.

But Yue Chen is very clear that Chen Yun cherishes that treasure box very much, and will never tell outsiders the password. Since Jiang Shan said it, it proves that what she said before is the truth.

Yue Chen loves Chen Yun very much, and when he learns that she has been defiled by Duan Yu, his heart is full of anger.

What made Yue Chen even more unacceptable was that Duan Yu actually lied to himself, saying that Chen Yun was dead, but he foolishly believed it, and at this time he also helped him deal with Yue Feng.

What a disgrace, what a disgrace!

“Yue Chen, you’re crazy.” Duan Yu was startled and shouted angrily.

However.

Yue Chen did not respond, his eyes were extremely cold, his inner strength surged, and he accelerated.

In the blink of an eye, Yue Chen rushed to Duan Yu.

hum!

At this moment, Yue Chen raised his hands, and a terrifying force instantly condensed, as if in mid-air, forming a black unicorn, which suddenly slammed towards Duan Yu!

Seeing this scene, everyone around was taken aback.

Hold!

Duan Yu scolded secretly, and quickly summoned the Heaven-Opening Axe to block it in front of him!

At this time, Duan Yu was very depressed. He originally wanted to use Yue Chen to deal with Yue Feng, so that he could take the opportunity to restore his strength, but he did not expect that Yue Chen would be turned back by Jiang Shan with a few words.

“boom!...”

Chapter 1925 The

black unicorn slammed into the opening axe!

Duan Yu spit out a mouthful of blood, and his body flew far away.

Even if he had the Heaven-Opening Axe, he was injured by Yue Feng before, and he had not recovered yet, so he couldn't resist Yue Chen's full-strength blow!

"Duan Yu, damn you, give me death!" Yue Chen roared, his body filled with murderous aura, and rushed towards Duan Yu again.

Feeling Yue Chen's resentment, Duan Yu didn't dare to fight, he held the Heaven-opening Axe, and threw an axe fiercely. With this axe, Duan Yu directly used all his strength!

"Om!"

Duan Yu's internal strength was instantly evacuated by this axe. The surrounding air was torn apart! The power was so terrifying that even if Yue Chen was burning with anger, he didn't dare to take it hard, so he had to avoid it for the time being.

Duan Yu took advantage of this opportunity, turned around and ran, and rushed out of the hall.

In a blink of an eye, he had disappeared from everyone's sight.

Nima!

Seeing this scene, Yue Feng was extremely annoyed, if it wasn't for the Tian Gang Guards around him, Duan Yu would never have escaped so easily.

"Wife!"

Yue Chen was also extremely annoyed, his face was extremely gloomy, then he remembered something, shouted, and rushed directly to the bedroom behind: "Wife, where are you? Where are you..."

Duan Yu After running away, Yue Chen's sneak attack was no longer around, and Yue Feng's pressure was relieved a lot.

Bang bang bang...

After a while, dozens of Tiangang guards were injured by Yue Feng, and Yue Feng also successfully broke the formation and rushed out.

hiss!

In an instant, all the eyes of the audience focused on Yue Feng, and they were all moved, and many people secretly gasped.

At this time, Yue Feng was dripping with blood, and the wounds on his body were dense, almost becoming a bloody man, but he still stood proudly, holding Fang Tianhua halberd, like a god of war descending to earth.

This...

Seeing this scene, the civil and military officials were extremely shocked.

Total shock.

Is such a serious injury alright?

This Yue Feng is worthy of the famous Tianmen Sect Master of Jiuzhou, standing in the sky!

call!

Yue Feng didn't care about the gazes of the people around him, his face was extremely cold, and he was extremely annoyed when he looked at the direction in which Duan Yu fled.

I planned to risk my life today and kill Duan Yu, but I never thought of it, and finally let him escape.

At this moment, among the civil and military officials, a figure came out.

It was the Prime Minister of Xi Cang Continent, Chen Dong. Chen Dong was originally just a minister, but after Duan Yu killed Xi Canghuang, he made him prime minister.

In the next second, Chen Dong bent his knees, knelt down in front of Yue Feng in public, and said loudly, "Chen Dong, please meet Your Majesty, long live Your Majesty."

Xi Cang Continent advocates force, and whoever is the strongest is the one Emperor, this is the rule. Moreover, Yue Feng broke into the Xicang Palace alone, beat Duan Yu and fled. There were hundreds of civil and military officials present, who wouldn't be afraid of Yue Feng? They were all afraid that Yue Feng would get angry and kill all the civil and military officials in Xicang Continent! Instead, let Yue Feng be the emperor! All the civil and military officials present thought so in their hearts!

This Chen Dong is extremely smooth. At this time, he was the first to surrender to Yue Feng!

"Come on, see Your Majesty!"

In an instant, in the main hall, a large area knelt down.

Huh...

Yue Feng breathed a sigh of relief. He was suddenly pushed to the throne, and he instinctively wanted to refuse. After all, he is from the Earth Circle Continent, so he is not suitable to be the Emperor of Xi Cang Continent. But Yue Feng thought about it, if he became an emperor and had power, he would hunt down Duan Yu faster.

Thinking to himself, Yue Feng looked at the throne in front of him and walked over slowly without hesitation!

Chapter 1926

Pedal! pedal! pedal!

Yue Feng walked towards the dragon chair step by step. He walked very slowly and his footsteps were very light, but every step seemed to be stepping on everyone's heart! At this time, Yue Feng is already like a bloody man with wounds all over his body! From the main hall to the dragon chair, hundreds of steps away, Yue Feng will drop a few drops of blood every time he takes a step!

Arriving in front of the throne, Yue Feng sat down slowly, his face was as calm as water, raised his hand, and said lightly: "Get up, pass my will, and go after Duan Yu with all your strength. There must be no mistake."

When he said this, Yue Feng's face did not have any excitement of being an emperor, but an indescribable coldness.

Duan Yu, even if you escape to the ends of the earth, I will kill you.

"Yes, Your Majesty!" The civil and military officials responded in unison, and immediately walked out of the hall to deploy to pursue Duan Yu.

call!

At this time, Yue Feng took a deep breath and looked at Jiang Shan.

“Aunt Jiang.” Yue Feng was ashamed and said, “I’m sorry, I’m late, I’ve made you feel wronged.”

Jiang Shan showed a smile and gently comforted: “You don’t have to blame yourself, you’re here too. It’s not too late, isn’t it good for me?” There

was a smile on her face, but Jiang Shan was also very disappointed.

Thinking of her husband’s death, Jiang Shan felt a pain in her heart.

“Aunt Jiang, you must have suffered a lot during this time, hurry up and rest.” Yue Feng blamed himself, and then said seriously: “Don’t worry, I will definitely catch Duan Yu, when the time comes, I will I will do it myself to avenge my adoptive father.”

Hmm!

Jiang Shan responded, and then walked out of the hall accompanied by several palace maids.

This chapter is provided by . Visit for daily update.

“His Majesty!”

As soon as his forefoot left, a eunuch came over and said respectfully to Yue Feng: “Duan Yu escaped, what should I do with the 108 concubines he stayed in the harem?”

The 108 concubines?

Hearing this, Yue Feng’s heart was shocked. Duan Yu, a bastard, would enjoy being an emperor. He even got 108 concubines.

Cursing inwardly, Yue Feng’s expression was indifferent: “

In the past, when the dynasty changed, how did the new emperor deal with the concubines of the previous emperor?” “Report to Your Majesty.” When the new emperor ascends the throne, the concubines of the previous emperor are all dispatched by the new emperor.” After

speaking, the eunuch continued: “Your Majesty, these concubines are all Duan Yu’s beloved concubines, and each of them is a national beauty, rare and rare. Peerless beauty, it would be a pity if they were killed or all of them were driven out of the palace. Besides, His Majesty also needs someone to serve you.”

Hmm!

Hearing this, Yue Feng nodded and said lightly: "In that case, send them all to my bedroom at night."

"Yes, Your Majesty!" The eunuch responded quickly, and then trotted out of the hall.

.....

Yue Feng issued the imperial decree, and the civil and military officials did not dare to slack off, and sent experts to pursue Duan Yu with all their strength.

Right now!

Xi Cang Continent, in the mountains on the southwest border.

Duan Yu looked sad and indignant, clenched his axe, and kept running forward. At this time, Duan Yu was exhausted physically and mentally, but he did not dare to stop at his feet.

Because, behind him, there are thousands of masters, chasing after him.

At this time, these masters shouted while chasing.

"Duan Yu, don't run away, just grab it!"

"You have no way out."

"Hurry up and give up your resistance, and follow us to meet His Majesty..."

The shouts came one after another, and the tone of voice was somber, no one sympathized with Duan Yu, or opened his eyes to him.

What?

Hearing these words, Duan Yu's eyes flashed coldly, and anger rose in his heart.

His Majesty? Did these people support Yue Feng as emperor?

Mad, these white-eyed wolves!

Chapter 1927

Duan Yu has been in Xicang Continent for so long, and he knows the customs here. He immediately guessed that after he escaped, the civil and military officials supported Yue Feng as the emperor, but a day ago, he was still The supreme emperor became a fugitive in the blink of an eye, while Yue Feng, the nemesis of life and death, robbed himself of his position and became the emperor.

What made Duan Yu even more annoyed was that the people who were chasing, who had been respectful to him before, had now lost their power and fell into trouble one by one.

This kind of reversal of the world makes Duan Yu really unacceptable.

Made!

Yue Feng, you wait for me, and when I make a comeback, I will find you to settle accounts.

Thinking to himself, Duan Yu gritted his teeth and accelerated.

Seeing this scene, many experts are extremely annoyed.

“Still running?”

“Made, it’s at the end of the road, and you still won’t give in? Duan Yu, do you think you still have a chance?”

“Stop talking nonsense with him, hurry

up and chase!” Continue to chase towards Duan Yu.

In the palace before, Duan Yu was first injured by Yue Feng, then severely injured by Yue Chen, and fled all the way. He was already exhausted. At this time, he was chased by everyone. to a cliff.

Whew... Arriving

at the cliff, because it was dark, Duan Yu stepped on the ground, and he didn’t have time to react. He swayed and fell directly under the cliff!

Made!

In the air, Duan Yu was shocked and angry, holding the Heaven-Opening Axe tightly in one hand, and waving the other hand constantly, trying to grab whatever he could, but as a result, he encountered a cliff as smooth as a mirror.

It’s over, so high, wouldn’t it kill you if you fell?

He was muttering in his heart, Duan Yu couldn’t tell the despair, he could feel that this cliff was at least ten thousand feet high, and his internal strength had not recovered.

Whoops!

At this moment, many of the masters behind rushed to the cliff and looked at each other in dismay.

“Falling from such a height, there is no doubt that he will die!”

“Yes, he was seriously injured, and there is absolutely no chance of him surviving.”

“Let’s go, go back to your Majesty.”

Everyone was discussing, and they all returned to the same path, heading towards the imperial city. .

...

At this moment, on the other side, the Earth Circle Continent, Mount Emei.

In the main hall, Zhou Qin sat on the throne with a gloomy face, wearing a long purple dress, exuding the breath of the iceberg goddess, and the aura that permeated his body was even more heart-pounding.

In front of her, Tang Qingyun knelt there, dripping with cold sweat and shaking hands and feet.

“You said just now that you saw Liu Xuan coming back?” Zhou Qin looked at Tang Qingyun coldly, her tone extremely cold: “You wanted to bring her to Emei and interrogate Yue Feng’s whereabouts, but you couldn’t beat the man beside her. Two men? You are still the owner of the Tang Family Fortress. You can’t do this little thing well, what do I want you to do?”

“The leader of the alliance.”

Tang Qingyun swallowed, his voice trembling, and he was very nervous: “My subordinate I really tried my best, the two men next to Liu Xuan are too powerful, one is Shennong, the other is Zhu Rong, who is his opponent.”

What?

Hearing this, Zhou Qin’s delicate body trembled, and she stared at Tang Qingyun in shock.

Total shock.

Zhu Rong? Shennong?

This... This is all history, a well-known powerhouse, actually staying by Liu Xuan’s side?

How could Liu Xuan, what virtue and how capable, actually let two peerless powerhouses guard her?

Thinking to herself, Zhou Qin looked at Tang Qingyun and asked coldly, "What you said is true?"

"Dare to deceive the leader. Several disciples of my Tang Family Fort were burned to death by Shennong, and they were directly turned into ashes, leaving no bones behind."

Thinking of the disciples who died tragically, Tang Qingyun was very heartbroken.

Chapter 1928

Zhou Qin took a deep breath and pondered.

If Liu Xuan had Zhu Rong and Shennong by their side, it would be difficult. Zhou Qin bit her lip tightly and instructed Faye Wong: "Faye Wong, you prepare immediately, put on a gift, go to Yunzhou City, bring Liu Xuan, Shennong and Zhu Rong, please come to Mount Emei, remember, have a certain attitude. Be sincere, no matter what method you use, you must invite them over, you know?"

Zhou Qin thought about it, first invited Liu Xuan, Shennong, and Zhu Rong to Mount Emei, and then, on his own territory, there are some ways to deal with it. them.

"Understood!"

Faye Wong nodded, showing a smile: "Relax, Senior Sister Head, I know what to do, I will definitely invite Liu Xuan and the others, so Senior Sister Head will not be disappointed." On the

other side, the border of Xi Cang Continent.

In the mountains, below the cliffs of ten thousand feet.

Huh....

Duan Yu fell down the cliff, listening to the wind whistling in his ears, Duan Yu felt that his falling speed was getting faster and faster, and he was about to end. Duan Yu gritted his teeth and waved his axe. smashed on the mountain wall.

Thorn la la...

The opening axe is extremely sharp, and it carved a deep ditch on the mountain wall and slowed down some of the falling speed.

puff.

Even so, at the moment of landing, the powerful falling force made Duan Yu stagger backwards, the blood in the body surged, and a mouthful of blood spurted out of his mouth.

Duan Yu was seriously injured, but this time, he couldn't hold it anymore, his eyes darkened, and he passed out.

Swish...

Just at this moment, in the woods not far away, there was a sound of footsteps, and then, a figure slowly walked over.

Tall and straight, dressed in a white gown, elegant and handsome, he is the elder of Wangyougu, watching.

That's right, the place where Duan Yu fell is not far from Wangyou Valley, and when I went out for a walk today, I happened to bump into Duan Yu.

anyone?

Seeing Duan Yu in a coma, he was stunned for a moment.

hiss!

Immediately afterwards, seeing the Sky-Opening Axe falling next to him, after watching it, he felt that the blood all over his body suddenly boiled, and he couldn't help taking a deep breath.

This.... this seems to be the artifact that shook the world more than ten years ago, the opening axe.

Could it be that this person is the owner of Kaitian Axe, Duan Yu from Xicang Continent?

More than ten years ago, the vision of heaven and earth, the opening of the axe was born. After Duan Yu obtained it, he fled under the siege of the Tianqi army, and later became the prime minister of Xicang Continent. of.

It can be said that Duan Yu, like Yue Feng, is a man of influence in the Kyushu Continent.

Thinking to himself, Jing Guan walked over slowly, quickly picked up the Sky-opening Axe, and then carried Duan Yu, hurriedly returned to Wangyou Valley.

Knowing that Jing Guan brought Duan Yu back, the entire Wangyou Valley was alarmed, and many disciples rushed to the hall to watch.

As the owner of the valley, Situ Wangqing did not dare to neglect, and personally took action to heal Duan Yu.

To be honest, Situ Wangqing immediately thought of taking it as his own when he saw the opening axe, but he held back. After all, Duan Yu killed Xi Canghuang and established himself as emperor.

This is the emperor of Xicang Continent, and Wangyougu is still in the development stage, its strength is not enough, how dare to oppose Duan Yu?

Situ Wangqing didn't know that Duan Yu was no longer the emperor at this time. On the day of the enthronement ceremony, Yue Feng was forced to escape from the imperial city. Now the emperor of Xicang Continent is Yue Feng.

Duan Yu didn't know how long he had been in a coma. When he woke up, he only felt a splitting headache.

Um?

The moment he opened his eyes, Duan Yu was stunned when he saw the surrounding environment.

Chapter 1929 I

saw that I was lying on the bed, the room in front of me was clean and tidy, and the scenery outside the window was pleasant, like a paradise.

where is this?

Didn't you fall off a cliff and pass out?

"Awake?"

Just as Duan Yu was muttering secretly, a crisp and pleasant voice sounded from outside, and then, several people walked in, and the one headed was Situ Wangqing.

Behind her, followed Jingguan, and Su Qingyan several disciples.

"You..." Duan Yu frowned, and was about to ask where this place was, but he just said two words, and when he saw Su Qingyan, the words behind him swallowed hard, and he was extremely surprised. .

Su Qingyan, Sect Master of Wenzong?

At this moment, Duan Yu's face changed, and his heart was nervous and complicated.

Su Qingyan is Yue Feng's woman. Could it be that she was caught by Yue Feng's people?

Thinking of this, Duan Yu felt even more uneasy.

"Don't panic."

At this moment, Situ Wangqing smiled lightly and said softly: "You are the new emperor of Xicang Continent, Your Majesty Duan Yu, this is Wangyou Valley, the place is hidden, and most people can't find it here. Yes ."

After speaking, Situ Wangqing continued: "My name is Situ Wangqing, and I am the owner of Wangyou Valley. I don't know what happened to Your Majesty, but you are so embarrassed and seriously injured?"

Wangyou Valley?

Duan Yu took a deep breath, frowned secretly, but did not speak, but looked at Su Qingyan behind him vigilantly.

At this time, Duan Yu still didn't understand what kind of place Wangyou Valley was, let alone that Su Qingyan would be here.

"Your Majesty!"

Situ Wangqing smiled slightly when he noticed the change in Duan Yu's expression, and comforted him: "This is Jingguan, the elder of Wangyou Valley, who saw you at the bottom of the cliff and brought you back, the others, They are all my apprentices."

Immediately afterwards, Situ Wangqing continued: "There are no outsiders here, and we have no grievances between Wangyougu and Your Majesty, so naturally they will not harm you, so Your Majesty does not have to worry about it."

What?

Hearing this, Duan Yu was extremely surprised.

Isn't Su Qingyan the suzerain of Wenzong? How did you become a disciple of Wangyougu?

Feeling Su Qingyan's indifference again, seeing himself without the slightest emotional fluctuations, Duan Yu was even more puzzled. You must know that the grudge between you and Yue Feng has long been endless. As a woman of Yue Feng, Su Qingyan should be very hostile when she sees her.

But in front of Su Qingyan, why is she so calm?

At this moment, Duan Yu thought that he had mistaken the person, this was just a woman who was similar to Su Qingyan, but soon, he denied this guess.

After all, there are too many similar people in the world, but the temperament is innate and cannot be imitated.

Duan Yu clearly felt that the woman in front of her, with the aura of a goddess who did not eat the fireworks of the world, was Su Qingyan, the Sect Master of Wenzong, and she was absolutely right.

The more he thought about it, the more confused he became, but Duan Yu did not show it on his face.

call!

In the next second, Duan Yu took a deep breath and smiled wryly at Situ Wangqing: "Gu Master, don't be so polite, I'm no longer an emperor, I'm now a poor homeless person. Now Yue Feng is the emperor of Xicang Continent."

What? !

Hearing this, Situ Wangqing and Jing Guan looked at each other and were stunned.

Duan Yu is no longer the emperor? The new emperor is Yue Feng?

If so, what is there to worry about? Why don't you take the opening axe? !

Chapter 1930

Thought, Situ Wangqing's eyes were fiery, and he subconsciously glanced at the opening axe beside Duan Yu, unable to hide the burning heat in his heart.

Wangyou Valley is a critical period of development. If you get the Heaven-Opening Axe, wouldn't it be even more powerful? At that time, it will be easier to expand Wangyou Valley.

Made!

Aware of Situ Wangqing's reaction, Duan Yu's heart was shocked, the secret path was not good, it was broken, and knowing that he had no power, the valley owner of Wangyou Valley wanted to snatch the Kaitian Axe.

Thinking to himself, Duan Yu endured the pain on his body and bowed to Situ Wangqing: "Thanks to the Guzhu for saving his life, if the Guzhu does not dislike it, I, Duan Yu, are willing to worship the Guzhu as a teacher and join Wangyou Valley. "

When he said this, Duan Yu was sincere on the surface, but cunning in his eyes.

Duan Yu's palace was very deep, and after realizing Situ Wangqing's thoughts, he decided to take the lead and show his attitude.

If it was before, Duan Yu would never be so servile, but there is no way, he is seriously injured, and he is in someone else's territory, if he does it, there is no chance of winning.

As long as Situ Wangqing promises to accept her as a disciple, everyone will be her own, and she will be embarrassed to snatch the Heavenly Axe.

This...

Duan Yu's action made Situ Wangqing a little unprepared, frowning slightly, and then asked with a smile that was not a smile: "Your generation is a hero, and you have also been an emperor, and you are considered the son of the emperor, even at this time. If you are down, there will be a comeback in the future, why would you condescend to join me in Wangyou Valley?"

As the owner of Wangyou Valley, Situ Wangqing is smart and intelligent, and at a glance, he can see that Duan Yu is not doing it from the heart.

Ugh!

Duan Yu sighed softly and smiled bitterly: "Gu Master also saw it. Now that I have lost the throne and am seriously injured, even if I have plans to make a comeback, my strength is limited by myself, and it is too difficult to implement.

" Since the Lord has saved me, it proves that we are destined, as long as the owner of the valley is willing to take me in, I promise Duan Yu that as long as I regain the throne, I will never forget Wangyougu, let alone your kindness."

Hearing this, Situ Wangqing pondered. .

To be honest, at this time, Situ Wangqing wanted to kill Duan Yu immediately and grab the Kaitian Axe directly, but then he thought that doing so would be said to be taking advantage of others' danger.

If Duan Yu is taken in, Wangyougu will have a powerful helper, which will be very beneficial to the future development of Wangyougu.

Thinking to himself, Situ Wangqing did not agree immediately, but looked at Duan Yu and asked, "If you seize the throne, what will you do with Yue Feng?"

Yue Feng's woman, Su Qingyan, lost her memory by herself, and she still accepted it for Disciple, after all, Wangyogu and Yue Feng are hostile. As the owner of the valley, Situ Wangqing naturally has to consider these.

"Yue Feng?"

Duan Yu grinned and said ruthlessly: "How could I let him go, as long as he falls into my hands, I will cut him into eight pieces and let out the hatred in my heart."

Duan Yu said, With a face of grief and indignation, he continued: "That Yue Feng, on the surface of benevolence and righteousness, is honored as a hero by the Earth Circle, but he is actually a despicable villain. More than ten years ago, in order to help his brother fight for territory, he destroyed my whole family. Let his sworn eldest brother, Zhu Bajie kidnap my wife Xu Qingyi, and now, take my throne again, and kill me to silence me, I hate to be inseparable with him!

" Every word is pearly, with anger and anger.

When he said this, Duan Yu did not forget to pay attention to Su Qingyan's reaction, and saw that her expression was indifferent and there was no reaction at all.

call!

Hearing this, Situ Wangqing and the people around him couldn't help but move slightly.

Unexpectedly, Yue Feng, who is famous in Kyushu, turned out to be such a ruthless person.

Exterminating people is not enough, but we need to eradicate the roots.

So poisonous!
