

The ultimate husband in Chinese chapter 1941-1950

Chapter 1941

After being stunned for a while, Long Qianyu's delicate and beautiful face was full of surprise: "Why are you?"

As soon as he saw Yue Feng, Long Qianyu couldn't hide his contempt and disgust.

It was this Yue Feng who ruined his innocence. If it weren't for him, Huangjie wouldn't be in such a hurry to suggest marriage to her.

"Are you surprised?" Yue Feng said with a smile.

I don't know why, but seeing Long Qianyu's surprised appearance, Yue Feng felt very relieved.

"Why are you here?" Long Qianyu frowned and asked coldly.

This Ziyang Palace, but the place where the emperor received foreign guests, and other people, can't come in casually, what's more, Yue Feng is not from Xicang Continent, but from Earth Circle Continent.

That's right, Long Qianyu led the group of envoys this time to meet Duan Yu and sign an alliance.

At this time, Long Qianyu didn't know that Duan Yu had already been driven away, and the new emperor was Yue Feng. Speaking of which, Long Qianyu, as the eldest princess, had a high position and a special status, and would soon be able to receive Xi Cang. The news of the change of the mainland throne was just that when Yue Feng was making a big noise in the palace and seeking revenge for Duan Yu, Long Qianyu was bringing a group of messengers on the way, so he didn't receive any news.

"Look at what you said."

Yue Feng was still smiling, and his tone was relaxed: "You can come, but I can't?"

Long Qianyu was very impatient, and said angrily: "I want to see Duan Yu, Emperor of Xi Cang. , I don't have time to chat with you, if you also have an audience with the emperor, just wait outside."

At this time, Long Qianyu thought that Yue Feng was also here to meet the emperor. Long Qianyu was too lazy to think about why Yue Feng met the emperor of Xi Cang Continent.

Although the grievances between Yue Feng and Duan Yu have lasted for so many years, Long Qianyu has lived in the Southern Cloud Continent for a long time, and he doesn't know it at all.

"I..."

This chapter is provided by . Visit for daily update.

At this moment, Yue Feng wanted to say that I was the new emperor, but when his mind changed, he laughed and joked: "It's not urgent to see the emperor, we haven't seen each other for a long time. Let's chat for a while and reminisce."

When he said this, Yue Feng had a deadpan expression.

Haha....

It seems that Long Qianyu really doesn't know the situation. In that case, just tease her for a while.

"Go away!"

Long Qianyu blushed and said coldly, "Who wants to catch up with you, do we know each other? I have nothing to talk to you about."

This Yue Feng became more and more serious.

This is the imperial palace of Xi Cang Continent. I have said it myself, there is a serious matter to meet with Emperor Xi Cang, but he will not leave, and he has to make an inch.

It's so disgusting, how can there be such a scoundrel?

Ugh!

Yue Feng sighed lightly, shook his head and said, "Princess, this is your fault. How can I say that I am also your concubine. It's okay if you don't call me your husband when you see me, and now you want to drive me away? This is What kind of reasoning?"

Huh!

Hearing this, Long Qianyu's face turned extremely red all of a sudden, her body trembled with anger, she glared at Yue Fengjiao and shouted, "Shut up for me, it's my sister's business to make you a concubine. But don't admit it, if you talk nonsense again, believe it or not, I will kill you."

Long Qianyu's heart has always been the matter of being asked to marry by the queen and betrothed to Yue Feng.

As for Yuefeng, which pot can't be opened and lifted, why did Long Qianyu not get angry when he told this matter?

"Oops!"

Yue Feng looked surprised and exaggerated: "Eldest Princess, when the Queen gave you the marriage, you agreed to it, but now you can go back and kill me? You are killing your husband, if you really killed me, who would dare to marry you in the future?"

Yue Feng's face was serious when he said this, but he was overjoyed.

At the same time, he couldn't help admiring the angry Long Qianyu.

The goddess is the goddess, and she looks so charming when she is angry.

"You..."

Long Qian's tone was not light, and he said coquettishly: "You are slick, you will die for me." When

the words fell, Long Qianyu raised his jade hand and hit Yue Feng with a palm.

Chapter 1942

Nima!

Seeing Long Qianyu calling from a palm, Yue Feng was startled.

This Long Qianyu's temperament is too strong, just make fun of a few words, and then he will do it directly.

Thinking to himself, Yue Feng hurriedly took a step back, dodged the palm, then circled behind the pillar next to him, and shouted at the same time.

"It's not good, the eldest princess has done something to the concubine, and is going to murder her husband." To be

honest, with Yue Feng's current strength, he is not afraid of Long Qianyu at all.

But that's her own woman, how could she be willing to do it?

"Shut up!"

Listening to Yue Feng's cry, Long Qianyu blushed and stomped his feet in anger. He was the eldest princess of the Southern Cloud Continent, but was molested by a rogue Yue Feng. ?

Thinking to himself, Long Qianyu accelerated, and today, no matter what, he must teach him a lesson.

However, Long Qianyu's speed was fast, and Yue Feng's reaction was faster. In the blink of an eye, Long Qianyu slapped more than a dozen times, but none of them hit, and Yue Feng easily avoided them.

Hula...

Finally, the movement in the Ziyang Palace caught the attention of the palace guards, and with the sound of footsteps, more than a dozen palace guards rushed in.

Swish!

At this moment, Long Qianyu stopped, pointed at Yue Feng and said, "This person rushed in and said disrespect to the eldest princess. You should take it down quickly, and then let your majesty send it."

When he said this, Long Qianyu His eyes were full of anger, and his tone was extremely arrogant.

In Long Qianyu's heart, even though Yue Feng was also a guest here, his status and status were no match for him. Yue Feng is only the sect master of Tianmen, a sect leader, and he, the eldest princess of Nanyun Continent, Duan Yu, the new emperor of Xicang Continent, will definitely give himself face and punish Yue Feng.

At this time, Long Qianyu hadn't realized that the new emperor of Xicang Continent was Yue Feng in front of her.

However.

More than a dozen palace guards did not respond at all. Not only did not take action, but stood there respectfully one by one.

This...

Long Qianyu was stunned, frowning lightly.

what happened? These palace guards didn't understand what they meant?

Pfft...

At this moment, one of the leading guards knelt down at Yue Feng and said respectfully, "Your Majesty, do you want to arrest this woman?"

These guards saw the situation just now and took action against Your Majesty. , this is the big sin of beheading. Even the eldest princess of the Southern Cloud Continent cannot tolerate it.

What? !

At this moment, the entire Ziyang Palace was silent, Long Qianyu's delicate body trembled, and she was completely stupid!

At this moment, her legs felt weak, and her delicate body couldn't help but take two steps back.

Long Qianyu saw that the palace guards in front of him were now in front of Yue Feng, and their faces were full of respect, and this kind of respect was not pretended at all.

How is this possible, Yue Feng is only the sect master of Tianmen, even if he is very strong, he can only be a scoundrel, how can he become the emperor of Xicang Continent in a blink of an eye?

"It's all right!"

At this time, Yue Feng waved his hand with a smile and said to the surrounding palace guards: "I'm playing with the eldest princess, don't take it seriously, let's all step back."

"Yes, Your Majesty!" The dozen or so palace guards, all together The sound was reconciled, and then carefully retreated outside.

"You..."

At this time, Long Qianyu reacted and looked at Yue Feng blankly: "You are the new emperor of Xicang Continent? Isn't the new emperor Duan Yu?"

Chapter 1943

Yue Feng smiled slightly: "The custom of Xicang Continent is that the strong are respected. It was indeed Duan Yu before, but he was driven away by me, and now the emperor is me. Her Royal Highness, the eldest princess, are you surprised? "

I..." Long Qianyu bit her lip so hard that she almost bleeds, a heart pounding like a deer, and she didn't know how to respond.

At this time, Long Qianyu was shocked and suffocated.

This Yue Feng, acting like a fool, thought that he would not have much success, at most he would be the sect master of Tianmen, but he did not expect that he would become an emperor.

Also, he clearly became the emperor, but he didn't wear a dragon robe, and he even came in to tease him alone, which was obviously intentional.

It's abominable.

Thinking to himself, Long Qianyu endured his anger and whispered: "Just now, I was a little reckless, don't blame your Majesty."

Long Qianyu was very reluctant to admit his mistake to Yue Feng.

But there is no way, the other party is now the emperor.

"Your Majesty?" Yue Feng deliberately took a step closer, looked at Long Qianyu from a close distance, and said with a smile, "Does it seem too natural to call the eldest princess like this?"

This time, Long Qianyu was about to cry, she Bingxue is smart, why don't you understand what Yue Feng means?

It's just... so many guards outside are listening, how can I call his husband?

Ugh! Seeing that Long Qianyu was very tangled, Yue Feng sighed softly and said regretfully: "I heard that the eldest princess is here to sign an alliance this time, but I am not happy at all, and I am not in the mood

for an alliance."

As he said that, Yue Feng secretly paid attention to Long Qianyu's expression.

Haha...I made you look down on me before, I will take the opportunity to tease you today.

Long Qianyu's tender body trembled: "Then what Your Majesty means, is it not an alliance?"

Before leading the delegation, Queen Nayun repeatedly explained that the alliance with Xi Cang Continent this time must be smooth and smooth, not the slightest bit. The mistake, you must know that although the Nanyun Continent is very strong, the Xicang Continent is not weak, especially in these years, Duan Yu led the army to conquer the east and the west, making the iron cavalry of the Xicang Continent famous in Kyushu.

Under such circumstances, the Southern Cloud Continent tried very hard to make an alliance with the Xi Cang Continent. After all, it would definitely not hurt to have one more powerful friend.

"It's not me who decides whether to make an alliance or not!" Yue Feng showed a smile and played with Long Qianyu: "It's the princess who has the final say, you said, I was very sincere with you just now, but As for you, don't want to talk to me, you have to do it, how can I make an alliance like this."

"Also, we still have a marriage contract, but you don't say a word to your husband."

"It really makes me disheartened . Ah."

At the end, Yue Feng shook his head, looking helpless!

This...

At this moment, Long Qianyu's beautiful face was instantly bloodless!

She bit her lip tightly, if she hadn't made an alliance with Xi Cang Continent this time, she wouldn't be able to explain to the Queen when she went back.

"Your Majesty..." At this moment, Long Qianyu bit her lip, walked slowly to Yue Feng, pulled one of his arms, and swayed like a spoiled child.

"Your Majesty, I was wrong..." The voice was so small that you couldn't hear it if you didn't listen carefully.

At this time, Long Qianyu, she never dreamed that one day she would apologize to this scoundrel! I didn't expect that the dignified eldest princess of the Southern Cloud Continent would be so servile in front of this scoundrel!

Yue Feng snorted and looked at her with a smile: "Didn't you just say that you want to let me die?"

"I was wrong, I really know I was wrong." Long Qianyu bit his lip tightly, almost almost Biting and bleeding: "Husband, I was a little impulsive before. I shouldn't be disrespectful to you, let alone do anything, you forgive me this time and promise the alliance, okay?"

"Yes."

Yue Feng showed a smile, Slowly said: "Just, what did you call me just now? I didn't hear it."

Speaking of this, Yue Feng deliberately leaned closer, his expression was very playful.

Hearing this, Long Qianyu's delicate body suddenly trembled. She knew that the name that was too embarrassing to be spoken to can't be called again today!

Chapter 1944

“Husband... husband.” Long Qianyu bit his lip tightly and whispered.

When she shouted these two words, Long Qianyu’s face was extremely red. To be honest, she used to despise Yue Feng the most, and she was very disgusted even when she saw him.

However, at this moment, in front of Yue Feng, she has given up all her arrogance and self-esteem!

“Good, I’ll call you that when you see me later, do you know?” Yue Feng said with a smile.

Long Qianyu nodded again and again.

At this moment, looking at Long Qianyu’s incomparably well-behaved appearance in front of him, he felt an indescribable joy in his heart.

Haha...

Long Qianyu, who used to be extremely arrogant, was actually conquered by himself like this. It feels really good.

On the other side, the Earth Circle Continent. Zhongzhou, Ouyang family.

It was already late at night, and the entire Zhongzhou City fell into silence!

However, in the other courtyard of the Ouyang family, it was brightly lit.

At this time, in the hall. Sun Dasheng, Wen Chou Chou, Mei Hui, Qin Rong Yin, and Ren Ying Ying gathered together, everyone was extremely silent, with worried expressions on their faces.

Duan Yu killed Ouyang Zhennan, and Yue Feng went to Xicang Continent alone to avenge his adoptive father, and he didn’t know what happened.

Speaking of which, Sun Dasheng and Wen Chou Chou were going to go together at that time, but Yue Feng, considering that the Ouyang family was severely damaged and needed protection, insisted that they stay.

At this moment, Sun Dasheng looked around and said, “It’s useless for us to be in a hurry here, I think so, I’ll take someone to Xicang Continent to help Fengzi, Brother Wen will stay and guard the Ouyang family. “

When he said this, Sun Dasheng couldn't bear his temper, and he stood up and called someone.

"Don't worry!" Wen Chou Chou grabbed him, very helpless: "I think Feng Zi has an advantage to go alone, at least it is easy to move alone, and it is not easy to expose, if you bring someone to support, it is very easy Disrupting Fengzi's plan."

After speaking, Wen Chouchou continued: "What's more, Duan Yu is the emperor now, and with a single order, there are thousands of troops, what if you are surrounded, what should you do? At that time, Fengzi will still be I have to find a way to save you."

What?

Hearing this, Sun Dasheng became anxious: "Brother Wen, you underestimate me too. Can I be surrounded by Duan Yu's army? If I really want to meet his army, I will kill them all."

Wen Chou Chou shook his head. A wry smile, this Great Sage, after so many years, is still impatient.

"Great Sage, Brother Wen!"

At this moment, Ren Yingying on the side said, "I think we should follow Yue Feng's arrangement, stay in the family, strengthen vigilance, and guard against Zhou Qin."

Some time ago, Zhou Qin issued an order as the leader of the martial arts alliance to suppress all the forces related to Yue Feng. These Yue Feng have long known, so before leaving, he specially explained to everyone that Zhou Qin must be strictly guarded.

To be honest, Ren Yingying is also very worried about Yue Feng, but she has a wise personality and can keep her sanity. She knows that going to Xicang Continent to support Yue Feng is completely an adventure. It is better to follow the previous arrangement and wait for the news.

The voice fell, and many people around nodded.

"Not bad!"

"I support the princess' decision."

"Yes, let's take good care of Zhou Qin now, this woman is too sinister."

Although Emperor Tianqi was dead, everyone still used to call Ren Yingying the princess.

“It’s not good!”

Just as he was talking, a family disciple rushed in in a panic, and said to Meihui, “Miss, it’s not good, it’s not good...”

The family disciple was sweating profusely, with an expression on his face. Extremely anxious.

Chapter 1945

“What’s so panic?” Meihui frowned and couldn’t help scolding: “Speak slowly, what are you doing in such a hurry?”

Meihui’s character is innocent and innocent, but after her father’s death, she changed instantly have matured a lot.

The disciple wiped off his sweat and panted, “Miss, we just heard the news that Miss Liu Xuan was arrested by Zhou Qin and locked in the dungeon in Emei.”

What? !

Hearing this, everyone present changed their expressions.

Liu Xuan is Yue Feng’s first wife. The relationship between the two has been very ups and downs. They have experienced many ups and downs over the years. They all know that Liu Xuan’s position in Yue Feng’s heart.

Wen Chou Chou quickly stood up and frowned, “Is what you said true?”

The disciple nodded quickly, “It’s absolutely true, there are two men who were detained together with Liu Xuan, one is Zhu Rong and the other is Zhu Rong. It’s Shennong, and it is said that these two are friends of the young master.”

What?

In an instant, the entire hall was in an uproar, and everyone looked at each other in shock.

Zhu Rong and Shen Nong? These are all well-known peerless powerhouses, and even they were caught in Zhou Qin’s trap?

“Crack!”

At this moment, Sun Dasheng was extremely angry, and slapped the table fiercely, trembling with anger: “Made, Zhou Qin is a vicious woman, even Liu Xuan will not let go.” After

speaking, Sun Dasheng looked Zhu Wen Chou Chou: “Brother Wen, there is no need to discuss, hurry up and call someone, kill Emei, and save them.”

Zhou Qin is cruel and ruthless, if it drags on, Liu Xuan will definitely suffer a lot.

“Okay!”

This time, Wen Chou Chou didn’t hesitate at all. After nodding, he shouted directly at the disciple in front of him: “Go, immediately summon everyone in the Hall of Longevity and go to Emei to save people.”

“Call all the disciples in Huaguo Mountain.” Sun Dasheng shouted with a look of anger.

“Yes!” The disciple responded, turned around and walked out quickly.

“Boom!”

The disciple hadn’t walked out of the hall when he heard a loud bang, which came from outside, and the door of the Ouyang family was smashed abruptly!

At the same time, a maid walked in quickly, her face pale: “No, Zhou Qin brought Emei disciples, and various sects... here.”

When she said this, the maid was almost paralyzed. on the ground!

Wen Chou Chou and the people around them all changed their expressions. Mad, was about to settle accounts with this woman Zhou Qin, but she actually came to the door.

Immediately, everyone stood up and walked out of the hall quickly.

hiss!

When they got outside, seeing the scene in front of them, Wen Chou Chou and Ren Ying Ying couldn’t help but take a deep breath!

I saw the masters of various sects gathered together, nearly a hundred thousand, and surrounded the entire Ouyang mansion like an iron barrel!

In front of the masters of various sects, a charming figure was quietly suspended, wearing a long black dress, blending with the surrounding night, like a night elf, but that beautiful face, revealing the slightest chill, It was Zhou Qin.

“Zhou Qin!”

Sun Dasheng was the first to resist, pulled out his axe, and glared at Zhou Qin, "You still have the courage to come to the Ouyang family, let me ask you, what did you do to Liu Xuan?"

Hehe...

Zhou Qin chuckled lightly, his eyes full of contempt: "Sun Dasheng, you are not qualified to know how this seat treats Liu Xuan."

The ultimate husband in Chinese chapter 1946-1950

Chapter 1946

Speaking, Zhou Qinyu became colder and looked around the audience: "Ouyang family, listen to you. You are all smart people, I won't talk nonsense, from now on, you will listen to me, all My order must not be violated, as long as you agree, I will let the Ouyang family go, otherwise, I will settle down here tonight."

When he said this, Zhou Qin's eyes swept over the people of Sun Dasheng, and he was arrogant. .

Originally, Zhou Qin didn't want to deal with the Ouyang family so quickly, but the previous plan to frame Yue Wuya and Han Bing failed, and then he tore his face and grabbed Liu Xuan, so there was no need to wait any longer.

Moreover, Zhou Qin got the news that Yue Feng went to Xicang Continent to seek revenge for Duan Yu. How could such a good opportunity be missed?

Whoa!

Hearing this, the Ouyang family and Dasheng Sun immediately burst into anger.

"Want us to surrender to you? Dream!"

"We'd rather die than compromise with you."

"If we want to fight, fight, don't do it." The angry shouts from the

Ouyang family kept coming, Zhou Qin His expression was indifferent, without the slightest fluctuation, and after a few seconds, his eyes suddenly became cold.

“All sects obey orders!” A cold voice

came from Zhou Qin’s mouth, without the slightest emotion: “Take all these people in front of me!

“

, The momentum was overwhelming, and they all urged their inner strength, without a single word of nonsense, they rushed directly into the crowd of Ouyang’s disciples!

“Ah!” The

This chapter is provided by . Visit for daily update.

disparity between the numbers of the two sides was too great, and only a few screams were heard. Many disciples of the Ouyang family fell into a pool of blood before they could resist.

“Zhou Qin...”

At this moment, Meihui was furious, her beautiful face was extremely pale, and her delicate body was trembling with anger!

Zhou Qin’s face was gloomy and cold: “Those who obey me will prosper and those who oppose me will perish. If the opportunity is given to you, don’t blame me for being cruel !

“

My disciple, was brutally murdered!

Seeing this scene, Sun Dasheng and Wen Chou Chou were all furious.

“Kill!”

Sun Dasheng roared, clenched his axe tightly, and rushed into the enemy group first.

Wen Chou Chou and everyone followed closely.

They know that today the Ouyang family is more fortunate and less fortunate, and they are afraid that they will be wiped out. But before being destroyed, you have to kill a few more enemies. It is useless to talk about the situation in front of you, and you can only resist desperately!

In the blink of an eye, a fierce battle broke out between the two sides. The entire Ouyang family was full of blood, and even the air was full of blood.

“Ah!” The

screams and screams are endless! The blood of the entire Ouyang family seems to have pooled into a river!

Once the battle broke out, it was extremely fierce!

Because they want to protect the Ouyang family, the disciples of Huaguo Mountain and the Hall of Longevity have been stationed here, but even so, facing the siege of masters from various sects, the form is not optimistic!

After all, the disparity between the numbers of the two sides is too great. Zhou Qin brought it, but dozens of sect masters, nearly 100,000 people.

After more than two hours of fierce fighting, Huaguo Mountain and the Hall of Longevity, as well as the disciples of the Ouyang family, suffered countless casualties and were completely defeated. Wen Chou Chou, Sun Dasheng, and Ren Yingying were all tied up by Wu Hua and brought to Zhou Qin.

“This seat will give you one last chance!” Zhou Qin’s eyes swept across Dasheng Sun’s people one by one: “Respect me and pledge allegiance to the death, this seat will give you a way to survive.”

Chapter 1947

Huh!

Hearing this, Sun Dasheng and everyone were extremely indignant. In the previous fierce battle, everyone was injured and their breath was weak, but their expressions were still extremely firm.

Especially Sun Dasheng, who was dripping with blood at this time, his face was pale, and he could fall down at any time, but he was still arrogant, staring at Zhou Qin and shouting: “Zhou Qin, don’t do this. If you want to kill, you need to cut, Listen and respect, a vicious woman like you is not qualified to make Lao Tzu allegiance.” The

voice fell, and other people around also agreed!

“That’s right, we are outnumbered, we lose and accept our fate...”

“That is, if you want to kill, hurry up, stop talking nonsense...”

Shua!

Hearing this, Zhou Qin's face changed suddenly, as cold as frost, and stared at Sun Dasheng: "Sun Dasheng, you are still tough when you are about to die, you are very tough, right? Take it down and see if you are still tough."

When he said this, Zhou Qin's eyes were full of murderous intent.

To be honest, among the three Yue Feng brothers, Zhou Qin is most annoying to Sun Dasheng. Because he is the head of Huaguo Mountain, he is arrogant and ignores anyone. The ancient tomb of Lu Bu was also closely followed by Sun Dasheng. Reluctant to give up, Zhou Qin fell into the underground secret room where Zhang Jiao was imprisoned.

At this time, seeing Sun Dasheng trying to challenge himself, Zhou Qin's delicate body trembled, and he couldn't help it at all.

"Zhou Qin!"

Seeing this scene, Ren Yingying became anxious and couldn't help but said, "As the leader of the Earth Circle Continent, using such a despicable method to besiege the Ouyang family and force others to be loyal, you are not afraid of the world. Laughing?"

"Also, it's the time when the Earth Circle Continent needs to unite, but you have caused infighting in the rivers and lakes. If you start killing people tonight, you will be the eternal sinner of the Earth Circle Continent."

Ren Yingying is very smart. Seeing that Zhou Qin is killing Sun Dasheng, she quickly finds a topic to divert Zhou Qin's attention.

"Eternal sinner?"

Hearing this, Zhou Qin's face froze, her body trembled with anger, she stepped forward, raised her jade hand, and threw it directly at Ren Yingying!

This slap, Zhou Qin tried her best, but also contained the jealousy and hatred in her heart. In Zhou Qin's heart, in terms of appearance and aptitude, she couldn't compare to this Ren Yingying, but Yue Feng not only accepted her, but also for the sake of her. Ren Yingying, who once made a fuss about the Apocalypse Royal Family, was unusually indifferent to herself.

Thinking of this, Zhou Qin was extremely annoyed.

"Crack!"

Ren Yingying's hands and feet were tied tightly, and she couldn't dodge at all. With a crisp sound, she saw Ren Yingying groaning, her body trembled and she was slapped to the ground, and her lips were bleeding!

Whoa!

Seeing this scene, Sun Dasheng and Wen Chou Chou were extremely shocked and angry.

Crazy, Zhou Qin is completely crazy this time.

Especially Wen Chou Chou, his eyes are extremely blood red, in addition to endless anger, there is also some annoyance in his heart.

He couldn't forget that the tragic death of his first wife was the murderous hand of Zhou Qin. Later, Wen Chou Chou went to Emei for revenge more than once, but because of various things, it was delayed.

At this time, Wen Chou Chou is very regretful. Knowing that Zhou Qin is so sinister and vicious, he should have done nothing to get rid of this woman, so as not to leave disaster and let her do bad things.

But, it's too late to say anything now.

At this time, Zhou Qin's face was frosty, and she still didn't relieve her anger, she said coldly to Ren Yingying: "Ren Yingying, these are the internal affairs of our Earth Circle Continent, you are a former princess of the Apocalypse Continent, peaceful days. However, if you have to endure hardships with Yue Feng, then don't blame me! Since you like to meddle in your own business so much, this seat will ask you to be a good person again, and make a good contribution to the rivers and lakes of our Earthly Continent."

Huh?

Hearing this, Ren Yingying frowned.

What does Zhou Qin mean? What is she going to do?

At this time, Zhou Qin showed a smile and looked around the audience: "Everyone present, among you, there are still many people who have not married. Whoever wants to marry this Ren Yingying, come out quickly, this seat will be your matchmaker. You know, this Ren Yingying is a princess, she is beautiful and temperamental, who wants to marry her?"

Chapter 1948

Zhou Qin smiled. I thought to myself: Yue Feng, you were dismissive of me before, but now you will give your woman to another man to enjoy, and your heart will hurt to death.

What?

Hearing this, Ren Yingying trembled, shocked and angry.

Zhou Qin, are you going to give yourself away? So vicious.

At the same time, Sun Dasheng and Wen Chou Chou were also burning with anger, staring at Zhou Qin. If his eyes could kill, Zhou Qin would already be riddled with holes.

Whoa!

The surrounding masters of various sects were in an uproar, one by one extremely excited.

This Ren Yingying, but the former princess of Apocalypse Continent, has a distinguished status, not only beautiful, but also ice and snow smart. If you marry her, you will have no regrets in this life.

“Leader!”

At this time, Tang Qingyun came out first, unable to hide his excitement, and said to Zhou Qin: “This subordinate has not yet married, and he has long admired this former princess of the Apocalypse Continent. , I hope that the leader of the alliance will be fulfilled.”

When he said this, Tang Qingyun’s eyes were looking up and down at Ren Yingying, and his eyes were almost straight.

I thought that following Zhou Qin to encircle and suppress the Ouyang family today was just a simple effort, but I didn’t expect that there would be unexpected joy.

Haha...

You must know that in order to recruit a concubine for Ren Yingying, Emperor Tianqi specially held a competition to recruit relatives, which caused a sensation in the entire Kyushu continent at that time.

At that time, at the competition to recruit relatives, countless masters from the Kyushu Continent regretted leaving under the competition.

Now, it is a happy event in the world that I can get this princess without much effort.

“Okay!”

Zhou Qin nodded with a smile and waved her jade hand: “This seat is ready, I will let you in the bridal chamber tonight.”

She only needs to find someone to sully Ren Yingying, the purpose is to make Yue Feng sad, as for who this person is, It doesn't matter.

"Many thanks to the leader of the alliance." Tang Qingyun was delighted and thanked Zhou Qin again and again: "From now on, my subordinates will serve the leader of the alliance wholeheartedly, even if they go to the mountain of knives or the sea of fire."

After saying this, Tang Qingyun rubbed it. Rubbing his hands, he walked towards Ren Yingying with a smile: "Your Highness, don't worry, I promise that I will love you and love you all my life.

"

, kept shouting: "Go away, don't touch me..."

At this time, Ren Yingying was very sad and angry, and she never thought that Zhou Qin actually did what she said, and really gave herself to others. To be in the bridal chamber tonight, Ren Yingying wanted to struggle, but her hands and feet were tightly bound, and she couldn't break free at all.

Seeing Tang Qingyun getting closer and closer, Ren Yingying was suddenly desperate, and tears fell down her face.

Yue Feng, when are you coming back?

At this moment, the anger of Sun Dasheng and Wen Chouchou was completely ignited.

"Tang Qingyun, what the fuck you are, if you dare to touch my sister-in-law, I will slash you with a thousand swords."

"Stop, Tang Qingyun, please stop for me."

Sun Dasheng and Wen Chou Chou shouted incessantly. Tang Qingyun didn't panic at all, and he didn't mean to stop, getting closer and closer to Ren Yingying.

To be honest, if it was before, Tang Qingyun would not have dared to be so presumptuous in front of Sun Dasheng and Wen Chou Chou.

However, with Zhou Qin as a backer, Tang Qingyun was not afraid at all.

"Stop... You are not allowed to touch my sister-in-law."

At this moment, a clear and tender shout came, and she saw that Mei Hui broke free from the iron chain on her feet, and rushed over at once, blocking Ren Yingying. In front of her, her delicate face was full of anxiety and determination.

In Meihui's heart, Yue Feng is her own brother, and Ren Yingying is Yue Feng's woman and her own sister-in-law.

Seeing Tang Qingyun at this time, she wanted to get in on Ren Yingying, but Meihui didn't have time to think about it and tried her best to stop it.

"Go away!" Tang Qingyun frowned and shouted angrily!

A girl who dares to come out and make trouble, she just doesn't know whether to live or die.

Chapter 1949

Mei Hui ignored her at all, staring at Zhou Qin: "Zhou Qin, you vicious woman, you once killed brother Wen's wife, and did so many things that were sorry for brother, now you I want to kill my sister-in-law again, let me tell you, a woman like you with a heart like a scorpion will not end well, even if no one kills you, God will not let you go..."

"In the end, Mei Huixiu's face was full of determination: "As long as I'm here today, you can't touch my sister-in-law." The

father died, the mother was arrested, and the sister was not here, so she had to stand up.

At this moment, Meihui stood there resolutely, her figure was delicate, but she gave off an aura that should not be underestimated.

call!

Tang Qingyun stood there with a complicated expression.

I don't know why, Meihui was injured and there was no threat at all, but she could feel the justice on her body, but Tang Qingyun didn't have the courage to take a step forward.

Snapped!

At this moment, Faye Wong froze, walked over and slapped it hard on Meihui's face.

"Damn girl, what are you? Dare to talk to the leader like this, courting death!" Faye Wong said coldly, raised her jade hand at the same time, and slapped Meihui again, a slap is harder than a slap!

"Crack! Slap! Slap!" The

crisp voice kept ringing!

Meihui is extremely weak, how can she bear it? ! At this time, blood oozed from the corner of her mouth, and she could not stand up, but she still shouted: "Zhou Qin, you bad woman, you must not die well, you must not die well..."

This Zhou Qin, once Slandering brother, and now bullying sister-in-law Yingying, there is no woman in the world more hateful than her.

Hearing this, Zhou Qin was completely angry, and ordered Faye Wong: "Hit me, hit this bitch until you shut up."

"Yes! Leader of the alliance!"

Faye Wong grabbed Meihui's hair and slapped it The more you fan the more ruthless!

"Meihui..."

"Zhou Qin, damn you, you instructed your subordinates to hit a little girl who was powerless to fight back. Is she a human?"

"Nima's, Zhou Qin, have the ability to come to me, Don't bully Meihui..."

Seeing this scene, Sun Dasheng, Wen Chouchou, Ren Yingying and others were all shocked and angry, and shouted at Zhou Qin.

Especially Sun Dasheng, his eyes were extremely blood red, his whole body was filled with anger, and he was about to explode with anger.

Meihui is too pitiful. The Apocalypse Prison where her father died, her mother was taken away by Duan Yu, and her sister was silent. Under such circumstances, she had to mature herself and support the entire Ouyang family with her weak shoulders. It can be said that he is already physically and mentally exhausted, and now, being beaten like this by Zhou Qin's people is really annoying.

"Haha..."

Zhou Qin sneered when he heard the scolding of Sun Dasheng and everyone: "What are you talking about? The outcome has been decided just now. Even if I let you go now, are you your opponents?"

Huh...

listen At this point, Sun Dasheng and Wen Chou Chou were all blushing and speechless.

Yes, Zhou Qin is surrounded by experts like clouds, even if he lets go of himself, he is not an opponent.

But... just helplessly, watching Mihui get beaten?

Finally, Mei Hui couldn't hold it anymore and was knocked unconscious.

Faye Wong stopped and returned to Zhou Qin: "Leader, don't talk nonsense with these people, order to kill them all."

Faye Wong has followed Zhou Qin for years, and her heart is extremely vicious.

Um!

Zhou Qin nodded silently, these people have fallen into his hands, there is really no need to waste words.

In the next second, Zhou Qin was about to order everyone to do something and kill Sun Dasheng and others on the spot, but when his mind changed, Zhou Qin dismissed the idea.

No, killing them like this is too cheap for them.

Thinking to herself, Zhou Qin instructed Faye Wong, "Let everyone in the Ouyang family open their mouths."

Chapter 1950

Zhou Qin's voice fell, and several Emei disciples stepped forward one after another, pinching the chins of the Ouyang family.

call!

At this moment, Dasheng Sun and everyone instinctively resisted, but their hands and feet were tied, and they couldn't help themselves. After being pinched by their chin, they were forced to open their mouths.

Zhou Qin took out a jade bottle, which contained black medicinal pills. Faye Wong stuffed these medicinal pills into the mouths of the Ouyang family. This medicine pill is the Black Heaven Pill.

Zhou Qin thought about it, killing Sun Dasheng and others directly would be too unsatisfactory, and after giving them the Heitian Pill, there is no antidote, and these people will die very miserably one by one.

Zhou Qin has already counted the time. Each person takes five Heitian Pills. Within half a month, the toxicity will occur. At that time, Yue Feng will almost return, just in time to see the tragic situation of Sun Dasheng and the others.

Haha...

Let Yue Feng see with his own eyes that his relatives and friends are dying one by one.

Zhou Qin was not at all worried that Yue Feng would be able to refine the antidote. You must know that the indestructible scripture is a masterpiece, and the Heitian Pill in it is only known to him. No antidote has been researched.

hum!

Just a few seconds after taking the Hei Tian Pill, Sun Dasheng and Wen Chou Chou all trembled, their brows furrowed...

such a powerful poison.

At this moment, whether it is Sun Dasheng or Wen Chou Chou, their faces are pale, and their hearts are in shock. What kind of poison is this?

Not only that, but Dantian was completely suppressed!

So domineering....what poison is it?

Haha...

Seeing this scene, Zhou Qin was extremely proud and didn't talk nonsense. Looking at Dasheng Sun, he said bluntly: "Don't guess, I'm giving you the Heitian Pill."

"This poison, Originally, if you take one pill, it will hide in your body for a year before it will flare up, but I can't wait that long, so I gave each of you five pills."

"After half a month, the poison on your body will break out earlier, and then , one by one all rotted to death, how miserable it is."

"You said, when Yue Feng comes back and sees your tragic death, how sad will you be? Haha..."

When he said this, Zhou Qin made no secret of her pride, and kept laughing loudly, looking at her smiling face, which was very charming.

Black Tiandan?

The attack occurred within half a month, and the body festered and died?

At this moment, Sun Dasheng everyone was extremely sad and angry.

Zhou Qin didn't immediately kill his own people, but by using this method, he clearly wanted to make Yue Feng completely collapse.

So vicious.

This is completely a woman with a vicious heart, no, not only a vicious heart, all the vicious words in the world are not enough to describe Zhou Qin's ruthlessness.

Feeling the resentful eyes of Sun Dasheng's people, Zhou Qin smiled and waved his hand at Faye Wong: "The people of the Ouyang family will not live long, don't worry about them, go back to the mountain gate."

Sun Dasheng and these people, take With Heitian Dan, his internal strength has been suppressed, and it is impossible to recover. He doesn't need to worry about retribution, he just needs to return to Emei and wait for a good show.

hula.

In a blink of an eye, the masters of the various sects, led by Zhou Qin, withdrew from the Ouyang family and soon disappeared into the night.

quiet!

At this moment, the entire Ouyang family was extremely silent.

The night wind kept blowing, and everyone in Sun Dasheng lowered their heads, their hearts even colder than the night wind.

These people are all poisoned and will not survive for half a month. When Yue Feng comes back and sees the miserable state of these people, it will definitely be extremely uncomfortable.
