Chapter 1951 Waiting

to die quietly like this?

For a while, everyone didn't speak, and the more they thought about it, the worse they felt, and the more desperate they became.

.....

On the other side, Wangyou Valley.

Under Su Qingyan's careful care, Duan Yu recovered completely from his injuries after three days of recuperation.

At this moment, in the Wangyou Valley hall, Situ Wangqing sat there with a smile on his face.

In front of her, Duan Yu and Su Qingyan stood quietly.

"Master!"

At this time, Duan Yu bowed his hands politely at Situ Wangqing, "The disciple's injury is completely healed. Today, I came here to say goodbye to Master. I want to seek revenge from Yue Feng."

"Okay!" Situ Wangqing nodded: "After you leave the valley, be careful with everything. If you need help, you must notify your teacher as soon as possible."

Situ Wangqing saw Duan Yu's ambition and was determined to take back the throne. Since he was his own disciple, Naturally help.

"Thank you Master, my disciple knows." Duan Yu replied.

"Master!"

At this moment, Su Qingyan, who was next to him, bit her lip and said softly, "I... I also want to go out of the valley, the disciple has lost his previous memory, and what the outside world is like, I have forgotten all about it. , I really want to go out and have a look."

After staying in Wangyougu for nearly a month, Su Qingyan was so bored that she wanted to go out and take a look.

“Alright!”

Situ Wangqing thought about it for a while, then nodded with a smile: “In this case, you and Duan Yu can go together and take care of each other.”

When the words fell, Duan Yu continued with a smile: “Yes, yes, let’s go together, senior sister, I know a lot of interesting places, when the time comes, I will take my senior sister for a good walk.”

Well!

Hearing these words, Su Qingyan felt warm in her heart, and responded very happily.

With Master’s approval, Duan Yu and Su Qingyan simply cleaned up and left Wangyou Valley soon.

Two hours later, Duan Yu and Su Qingyan came to Xicang Imperial City.

call!

At this moment, seeing the gate of the city, pedestrians were constantly coming and going, and the inside was extremely lively and prosperous, Su Qingyan was very excited.

Immediately afterwards, Su Qingyan couldn’t help but asked Duan Yu: “Junior Brother, do you really want to break into the palace alone, deal with Yue Feng, and take back the throne?”

Duan Yu said on the way before that he wanted to break into the palace alone. Imperial City, seek revenge for Yue Feng.

“Yes!” Duan Yu nodded firmly, then took a deep breath, and continued: “But not now, let’s find an inn to rest first, and in the evening, I will take advantage of the night to assassinate Yue Feng, then, senior sister, you will Meet me outside.” After

speaking, Duan Yu looked at Su Qingyan with a smile: “As long as I regain the throne, I will definitely repay my senior sister.”

“Junior brother doesn’t have to be so polite.” Su Qingyan smiled and shook her head. : “That Yue Feng is so abhorrent, being an emperor must be a foolish monarch. I will help you, but also for the people of Xicang Continent.”

Until this time, in Su Qingyan’s heart, Yue Feng was still an out-and-out villain and a hypocrite. . Afterwards, Su Qingyan thought of something, and said worriedly

, “You said earlier that Yue Feng issued an imperial decree and hunted you everywhere. Now that you come to the imperial city on your own initiative, aren’t you afraid of being discovered?”

Worry.

Duan Yu smiled slightly: “Senior sister, there is a saying in our hometown called ‘the most dangerous place is the safest place’, that Yue Feng only thought that I would escape as far as possible, but he never thought of it. I will come to him so soon to take revenge.”

“It makes sense.” Su Qingyan tilted her head to think for a while, smiled sweetly, and praised: “Junior Brother, you are so smart.”

Originally, Su Qingyan’s impression of Duan Yu was just that Yes, now appreciate it even more. This person is brave and resourceful, and he is really a talent.

Chapter 1952

Duan Yu smiled and said no more, and entered the imperial city with Su Qingyan.

At this time, the four gates of Xicang Imperial City were heavily guarded.

However, Duan Yu had stayed in Xi Cang Continent for so many years and was very familiar with the imperial city, so he easily avoided the city gate guard’s investigation.

After entering the imperial city, Duan Yu deliberately found an inn in a relatively remote location, and specially ordered the second inn to ask for two rooms.

To be honest, Duan Yu’s gentlemanly demeanor and unrestrained suaveness have deeply won Su Qingyan’s favor in the past few days of getting along with him. Moreover, with Duan Yu’s strength, he can completely force Su Qingyan’s innocence. .

But Duan Yu didn’t do that.

Duan Yu had thought about it, to win Su Qingyan’s heart completely, it was more interesting than getting her person.

Duan Yu knew that Yue Feng and Su Qingyan had a very good relationship. If he got Su Qingyan’s heart, Yue Feng would definitely be heartbroken.

There is nothing more uncomfortable than taking love with a horizontal knife.

“Junior Brother!”

When entering the inn, Su Qingyan looked at the lively and bustling streets in front of her, and was very emotional: "This imperial city is really big and lively."

Duan Yu smiled slightly: "The night view of the imperial city is even more beautiful. , you will know at night."

Said, Duan Yu patiently said: "Senior sister, we are all tired after walking all the way, let's take a rest first, and at night, I will start to act. When I successfully regain the throne, I will I'll accompany you to experience the prosperity of the imperial city."

Duan Yu couldn't hide the anticipation in his eyes when he said this.

Speaking of which, Duan Yu could not wait to break into the palace now, kill Yue Feng, and regain the throne, but he still resisted the urge.

Yue Feng guessed well before, and the opening of the axe can only show its true strength at night. Duan Yu is cautious and naturally does not take risks.

Um.

Su Qingyan responded and said with a smile, "Junior brother, I wish you success. Don't worry, I will cooperate with you when you take action."

After speaking, the two entered the inn and rested in their respective rooms.

And just when Duan Yu and Su Qingyan entered the inn, not far from the street, a man had complicated eyes, took a deep look at the inn, and quickly walked towards the palace.

This man's name is Hong Fei, and he is the deputy commander of the Imperial City Guard.

Today, Hong Fei was in charge of patrolling the imperial city. He thought it would be the same as usual, nothing special happened, but unexpectedly, he saw Duan Yu by accident.

This Duan Yu is very courageous. His Majesty has already set up a net of heaven and earth, arresting him everywhere, and he dares to come back.

Thinking to himself, Hong Fei increased his speed.

Speaking of which, if it was a normal fugitive, Hong Fei couldn't help it, but Duan Yu was different. The power of the opening axe in his hand was too terrifying. Hong Fei had self-knowledge and naturally did not dare to act rashly.

At this moment.

Inside the palace hall, Yue Feng was lying lazily on the dragon seat, looking at a book of the palace in a bored way.

Originally, Yue Feng wanted to take Jiang Shan and go back to the Earth Continent first, but Duan Yu didn't catch it. Yue Feng had trouble sleeping and eating, and couldn't leave with confidence.

Yue Feng thought about it, as long as he caught Duan Yu, he would take him to the Ouyang family, kill him with his own hands in front of his adopted father's spiritual position, and come to comfort his adopted father's spirit in the sky.

"Your Majesty!"

At this moment, Hong Fei ran in sweating profusely and shouted, "Your Majesty, I have an urgent matter to announce..."

"Hong Fei." Yue Feng frowned and said angrily: "As the commander of the imperial city's defenders, shouldn't you be patrolling today? Is there anything you want to announce? Also, what kind of etiquette is this raging?"

Your Majesty!"

Hong Fei wiped off his sweat and said quickly: "Your Majesty, calm down, I really have an urgent matter, I...I saw Duan Yu when I was patrolling."

What?

Yue Feng was startled, stood up all of a sudden, and looked at Hong Fei closely: "You read that right?"

"Yes, how could he have the courage to come back?"

Chapter 1953

"Your Majesty, this minister will never read it wrong, it's Duan Yu." Hong Fei knelt there and said cautiously, "Moreover, there is a woman with him, and the two seem to have a good relationship."

Woman?

Hearing this, Yue Feng was stunned for a moment, and his heart became even more puzzled.

The next second, Yue Feng couldn't help but ask, "What does that girl look like?"

“She’s very beautiful and has a great temperament.” Hong Fei responded without hesitation, and after thinking for a while, he roughly said what she looked like.

I go!

After listening to this, Yue Feng was completely restless, because the appearance of the woman Hong Fei said was clearly Su Qingyan.

Qingyan and Duan Yu are together, are they talking and laughing?

No...it can't be.

Qingyan knows the grievance between herself and Duan Yu the most, even if she is caught by Duan Yu, it is impossible for her to talk and laugh with Duan Yu.

Thinking to himself, Yue Feng did not hesitate, and ordered Hong Fei: “Call all the defenders of the imperial city immediately and surround me with the inn, so that not a fly can fly away.”

“Yes, Your Majesty!” Hong Fei didn’t dare to disobey, so he complied and hurried to prepare.

As soon as his forefoot left, Yue Feng immediately changed his clothes and strode out.

At this time, Yue Feng’s eyes were extremely cold.

Duan Yu, I let you run three days ago, you won’t have such good luck this time.

in the hotel room.

Duan Yu sat cross-legged on the bed, closed his eyes, and quietly waited for the night to come.

Duan Yu had already thought about it. At night, he would sneak into the palace quietly and assassinate Yue Feng. If Yue Feng was not surrounded by guards, he would fight alone, and Yue Feng would not be his opponent at all.

Swish! Swish! Swish! ...

At this moment, the sound of footsteps suddenly sounded on the street outside.

Um?

Duan Yu was very alert, got out of bed immediately, opened the window and looked outside.

hiss!

Seeing this, Duan Yu's expression changed, and at the same time he couldn't help taking a breath!

I saw nearly 10,000 imperial city black cavalry troops, flocking here! The entire inn was surrounded like an iron barrel!

These black cavalry, uniform black armor, armed with long spears, murderous awe-inspiring!

The Black Cavalry is the elite of the Xicang Continent. It used to be called the Wild Wolf Cavalry. Later, when Duan Yu became the prime minister, he changed its name to the Black Cavalry Army. Over the years, Duan Yu led this Black Cavalry Army to fight in the east and west, and fight against the enemy. The illustrious name.

As soon as the black cavalry appeared, the air around the inn suddenly dropped in temperature! Pedestrians around, one by one dodged far away, not even daring to take a breath!

And in the air in front of the black cavalry, there was a man quietly suspended in a golden dragon robe, with a strong aura and majesty!

It is Yue Feng!

Ma's!

When the enemy met, he was extremely jealous. Seeing Yue Feng, Duan Yu's pupils shrank, the anger in his heart rose, and at the same time, he was extremely surprised.

He was already very cautious, how did Yue Feng know that he was here?

Swish!

At this moment, Yue Feng, who was suspended in the air, also locked on Duan Yu who was standing on the window sill. The two eyes met, and the air instantly filled with a strong smell of gunpowder.

At this moment, the door of Duan Yu's room in the middle of the inn was gently pushed open, and then, Su Qingyan walked in slowly.

"Junior Brother." Su Qingyan's delicate face was full of doubts: "A lot of soldiers suddenly appeared on the street outside, what's the matter?"

Chapter 1954

Om!

At this moment, Yue Feng's body was shaken, and his mind was buzzing! His eyes were blurred with tears, and he stared at Su Qingyan without blinking!

Light smoke, really light smoke! She is really with Duan Yu.

When Hong Fei reported it before, Yue Feng still didn't believe it, but when he saw that it was really Su Qingyan, he was both surprised and delighted.

In the next second, Yue Feng couldn't hold back his excitement and shouted at Su Qingyan: "Qingyan, is that you? Some time ago, I was dragged by a lot of things, and I didn't have time to go to Tianqi Imperial City to save you guys. I'm sorry. , I've made you suffer, I'm happy to see that you're all right now, that's great..."

Yue Feng saw that Su Qingyan looked good after not seeing you for a while, but she was thinner than before. My heart suddenly felt extremely distressed.

However.

Su Qingyan had a puzzled look on her face, her eyebrows frowned, and then she asked Duan Yu, "Junior Brother, who is this person? How do you know my name?"

After taking Wangyou Shui, Su Qingyan completely forgot Everything in the past, naturally can not recognize Yue Feng.

call!

Duan Yu took a deep breath and said slowly: "Senior sister, this person is Yue Feng, the one who caused you to lose your memory."

When he said this, Duan Yu's expression was serious, but he felt a little inexplicable in his heart.

Su Qingyan and Yue Feng have such a good relationship. Now that they suddenly meet, will Su Qingyan remember anything?

What?

Su Qingyan's delicate body trembled, and she stared at Yue Feng in midair with a bit of vigilance in her eyes.

It turned out that this person was Yue Feng.

Seriously, this person is very handsome, wearing a dragon robe, and has the aura of reigning over the world. No matter how you look at it, he doesn't look like a sinister and cunning person.

However, both the master and the younger brother said that Yue Feng was dangerous, so he should be careful.

Thinking to herself, Su Qingyan reacted and asked Duan Yu, "Why did he say these words to me, as if he was familiar..." Before

she could finish speaking, Duan Yu interrupted.

"Senior sister, you forgot what Master explained before you left. This Yue Feng is the most cunning and is very good at deceiving women with sweet words. Don't be fooled. Don't believe a word of his words." Duan Yu is very serious. 's opening.

Um.

Hearing this, Su Qingyan nodded.

Previously in Wangyou Valley, Situ Wangqing instilled thoughts into Su Qingyan, which made Su Qingyan's impression of Yue Feng's instincts very bad. At this time, when Duan Yu said this again, she immediately became wary of Yue Feng in her heart.

what's the situation?

Seeing that Su Qingyan was always ignoring herself, but talking to Duan Yu in a low voice, Yue Feng frowned, almost at a loss.

What happened to the light smoke? Why don't you look at yourself?

At this time, Yue Feng didn't know that Su Qingyan had lost his memory, and now he and Duan Yu were still brothers and sisters.

Yes, Qingyan must have been controlled by Duan Yu.

Thinking to himself, Yue Feng was too lazy to talk nonsense, and glared at Duan Yu: "Duan Yu, you dare to come back, it's a man, come out and fight with me, life and death!"

If it was before, Yue Feng would definitely not take the initiative Challenge Duan Yu. After all, the power of Duan Yu's Heaven Opening Axe was too terrifying.

But knowing the secret of Kaitian Axe, Yue Feng no longer had any concerns. After all, it was daytime, and Duan Yu did not dare to use the power of Kaitian Axe to the extreme.

Haha...

Duan Yu chuckled and looked at Yue Feng: "Joke, if you let me go out, I'll go out? What are you? Even if you become an emperor, in my eyes, you're nothing but a useless person."

Duan Yu is also a hero of a generation. He knows in his heart that the situation in front of him is very unfavorable to him, and naturally he will not go out to die.

Moreover, Duan Yu could see that Yue Feng was worried about Su Qingyan's safety and would not rush in rashly.

Duan Yu thought about it, waited to find a way, let Su Qingyan attract Yue Feng's attention, and took the opportunity to escape.

Chapter 1955

Nima.

Hearing this, Yue Feng's face was ashen, and his heart was full of anger.

At this time, Yue Feng didn't want to talk nonsense, and wanted to rush in immediately and take Duan Yu down, but for fear of accidentally hurting Su Qingyan, he resisted the urge.

With fire in his heart, Yue Feng couldn't help cursing: "Duan Yu, you are a person with a head and face, but today you are like a turtle with a shrinking head. Don't you feel ashamed that you can't come out from the inn?"

Nima, don't come out I'll scold you, if you don't believe you can stand it.

Swish.

Duan Yu's face suddenly became extremely cold, and anger flashed in his eyes.

For so many years, Duan Yu has been in the Xicang Continent, with a high status and a prestigious reputation. When has he been scolded like this?

However, thinking that Yue Feng's purpose was to lead him out, Duan Yu quickly calmed down, chuckled lightly, and said lightly, "Yue Feng, don't do this, I just stayed in this inn and haven't rested yet. Well, I won't go out, come in if you have the ability."

When Yue Feng cursed, Duan Yu strengthened his guess even more, Yue Feng did not dare to rush in rashly, because he was afraid of accidentally hurting Su Qingyan.

Knowing this, Duan Yu became completely fearless.

Duan Yu thought about it. Before dark, he must not go out, because the use of the axe during the day is very unfavorable to himself, and it is easy to be attacked.

He dragged Yue Feng by himself, and as long as it was dark, he would have no scruples.

Nima!

Seeing that Duan Yu still refused to come out and mocked himself at the same time, Yue Feng's face was extremely ugly, and he almost exploded with anger.

This section of feathers is too cunning, and never comes out, just delaying time, waiting for the night to come.

Also, he knew that he was concerned about Su Qingyan's safety and did not dare to break in rashly, so he was so reckless.

No, he must be forced to come out before dark.

What's more, the longer you drag on, the more dangerous a light cigarette will be.

At this time, Yue Feng thought that Su Qingyan was being controlled by Duan Yu.

"Yue Feng!"

Seeing Yue Feng's gloomy and uncertain face, Duan Yu couldn't tell how happy he was. He sat lazily in front of the windowsill, poured a glass of wine, took a sip, and then sneered at Yue Feng: "Once upon a time I still admire you very much, I think you are also a good man, a hot-blooded man, and now it seems that it is nothing more than that."

"With so many people, they surrounded me, but did not dare to rush in, just this courage, I It's too embarrassing for you to stop being the emperor."

Duan Yu drank the wine slowly, very comfortable.

Yue Feng's face was gloomy and he didn't respond.

After a few seconds of stalemate, Duan Yu chuckled: "Yue Feng, it's boring to waste time like this, why don't we do it like this, at the third watch in the evening, we will fight to the death at the top of the palace to completely resolve our grievances."

When he said this, Duan Yu's face was indifferent, but his heart was extremely urgent.

As long as Yue Feng agrees, he will win. You must know that the mystery of the opening axe has been completely controlled by himself. As long as it is night, when he perfectly controls the power of the Heaven-Opening Axe, no one is an opponent.

Swish!

At this moment, the eyes of the audience all focused on Yue Feng.

Duan Yu was too crazy. Facing a desperate situation, not only did he not panic, he even took the initiative to challenge His Majesty.

“night?”

Yue Feng didn't pay attention to the eyes of the people around him, stared at Duan Yu closely, and sneered: “The hatred between us is so deep that no one wants the other party to die soon. If that's the case, why wait until night?”

Yue Feng didn't Fool, you can see Duan Yu's purpose at once, how could he succeed?

Duan Yu sneered and said nothing.

“Duan Yu!”

Yue Feng showed a smile and began to talk nonsense: “I have to say, you can bear it, the throne was robbed by me, and you can still be so calm, by the way, your one hundred and eight concubines , I have summoned them all, and each has its own merits, and they are all good, but it is a pity that they were all given to the beggars of the imperial city by me.”

The ultimate husband in Chinese chapter 1956-1960

Chapter 1956

In fact, the one hundred and eight concubines were released by Yue Feng and were not given to beggars, so to speak, Duan Yu was deliberately angry.

Isn't this Duan Yu able to endure it? Let's see how long you can endure it.

What?

Hearing this, Duan Yu's face suddenly changed and he was very angry.

Of those one hundred and eight concubines, each of them was carefully selected by himself, and even many of them had feelings, and Yue Feng, this bastard, even gave them all to beggars.

This is simply a great humiliation.

“Right!”

Perceiving Duan Yu's anger, Yue Feng continued with a smile: “Do you remember your wife Xu Qingyi? It was the one who was kidnapped by Zhu Bajie in the ancient tomb of Lu Bu, last night. I received news that your wife has already given birth to Zhu Bajie, and she also said that she will not come back to you in the future, because there is no sense of security around you, even her own woman. If you can't protect it, you're a waste...”

Of course, these were all made up by Yue Feng, and when he saw that Duan Yu was angered by his own success, he naturally wanted to strike while the iron was hot.

Swish!

At this moment, Duan Yu's eyes were extremely blood red, and the anger in his heart was completely aroused by Yue Feng.

You must know that although Duan Yu was an emperor and had one hundred and eight concubines, in his heart, the only woman he loved was Xu Qingyi.

During this period of time, the reason why Duan Yu was so anxious to force Yue Feng out was to find out the whereabouts of Zhu Bajie from his mouth, and then rescue his wife, Xu Qingyi.

At this time, knowing that Xu Qingyi had given birth to a child for Zhu Bajie, Duan Yu's reverse scale was directly touched, and the veins on his forehead kept beating, and he could no longer bear it.

At this time, Duan Yu did not know that what Yue Feng said was made up.

“And...” Before Yue Feng finished speaking, with a mocking smile on his face, he continued to say: “Those civil and military ministers who are loyal to you...” Before

Yue Feng finished speaking, he was caught Duan Yu interrupted with an angry shout.

“Shut up!”

Duan Yu screamed furiously, his eyes were extremely blood red, and he glared at Yue Feng: "Yue Feng, stop talking nonsense, and die." The

voice fell, Duan Yu rushed out of the inn and rose into the air!

hum!

A powerful breath burst out from Duan Yu's body, and at the same time, with a crisp sound, the opening axe burst out, and was firmly held in Duan Yu's hand!

In an instant, under the scorching sun, the sky-opening axe burst out, like a second scorching sun, radiating in all directions.

To be honest, Duan Yu is very cautious. Under normal circumstances, he would not be completely irritated by Yue Feng, but Xu Qingyi was his weakness. At this time, Duan Yu was completely touched and completely lost his mind.

hiss!

As expected of a peerless artifact, such a strong breath.

At this moment, many people hiding in the distance, as well as the surrounding black cavalry. One by one, their mouths were wide open, and their hearts were extremely shocked.

"Roar!"

At this moment, under the rising anger, Duan Yu didn't talk nonsense. With a strong wave, he heard a dragon roar that stunned the heavens and the earth. Go out and go straight to Yue Feng.

Nima!

Seeing that golden glow, Yue Feng's heart skipped a beat, such a terrifying power.

However, Yue Feng did not panic in the slightest, but was indescribably excited.

Haha...

This section of Yu was completely irritated by himself, but he couldn't hold back after all.

In the next second, Yue Feng didn't have time to think about it. He stimulated his inner strength and quickly formed a protective film in front of him. At the same time, the figure quickly retreated.

boom!

Jin Mang slammed into the protective film, and heard a thunderous roar, and the protective film shattered in an instant. Although the protective film offset a lot of power, the aftermath of Jin Mang still tore the surrounding air.

Fortunately, Yue Feng retreated more than 100 meters in time, otherwise, he would be swept away by Jin Mang, and he would not die or be disabled.

Chapter 1957

“Yue Feng!” In

mid-air, Duan Yu was furious and glared at Yue Feng: “Today I will cut off your head, and then find Zhu Bajie, I will let him die without a corpse!”

Yue Feng sneered A voice: “Okay, if you want to kill me, just come.”

Om!

The voice fell, and a terrifying aura burst out from Yue Feng's body. In an instant, the surrounding air seemed to be stagnant!

“Kacha!”

With a crisp sound, Fang Tianhuaji appeared in Yue Feng's hand. In an instant, the bloodthirsty aura in Fang Tianhuaji surged, and the surrounding air was filled with a strong bloody aura.

“Let's see today, whether you cut my head off or I cut your head off!” Yue Feng said coldly.

For a time, the two faced each other in the air, and the evil spirit on their bodies caused the situation to change.

At this time, many people below were sweating coldly for Yue Feng.

Although Yue Feng's strength is strong, and he still has Fang Tianhuaji in his hand, Duan Yu has the existence of a divine weapon, so I am afraid he is not an opponent.

However, at this time, Yue Feng is not panic at all.

I saw that Yue Feng did not take the initiative to attack, but shouted: “Tiangang Guards, form a formation!” The

voice fell, and I saw dozens of figures in the black cavalry crowd, soaring into the sky, each wearing purple gold armor, Powerful and powerful, he is the elite soldier of Xi Cang Continent, Tian Gang Guard!

Whoohoo!

Dozens of Tiangang Guards moved their figures one after another, and in the blink of an eye, they surrounded Duan Yu in the middle.

Made!

At this moment, Duan Yu's face flushed red and he was extremely angry!

These Heavenly Gang Guards were originally his own effective subordinates. At the time of his enthronement ceremony, Yue Feng broke into the palace single-handedly, and it was these Heavenly Gang Guards who formed a formation that trapped Yue Feng.

But now, these Heavenly Gang Guards not only support Yue Feng as emperor, but also help him deal with themselves.

What a bunch of grass, white-eyed wolves.

With the formation, Duan Yu was temporarily restrained.

I have to say that the Tiangang Guard's thirty-six Tiangang formations are too mysterious. Even if Duan Yu has the Heaven-Opening Axe in his hand, he will not be able to take advantage of it for a while.

"Duan Yu!" At this moment, Yue Feng held Fang Tianhua halberd tightly and flew quickly, sneering

and sneering: "Today you can't fly with your wings, I advise you to give up your resistance and die obediently."

The wind motivates the internal force, cooperates with Tiangang Guard, and fights Duan Yu together!

Although he knew the secret of Kaitian Axe, Yue Feng did not dare to underestimate the enemy. Before Duan Yu was attacked by Kaitian Axe's power, he would not fight Duan Yu alone.

"You..."

Duan Yu was trapped by the formation, and he yelled angrily: "Yue Feng, you promised to fight alone, but you ask your subordinates to help, don't you feel ashamed?"

Yue Feng chuckled, coldly. Said: "To deal with a sinister and cunning person like you, you will not lose face by any means. Besides, you are only a fugitive now, are you qualified to fight alone with me?" The

voice fell, Yue Feng's inner strength surged, and his shots became more and more severe.

For a time, the two sides fought fiercely in mid-air, and the terrifying force that erupted almost shrouded the radius of a kilometer, and the sky above the entire imperial city was even more turbulent, like the end of the world.

call!

Seeing this scene, everyone below was shocked and feasted!

Yue Feng and Duan Yu are both famous figures in the Kyushu Continent. One has the Fang Tianhua Halberd in his hand, and the other has the Heaven-opening Axe. .

At this moment, in the room in the inn, Su Qingyan frowned, and stared at Duan Yu in midair, unable to express her concern.

This Yue Feng was really cunning. He promised to be one-on-one, but he let his subordinates form a formation, trapping Junior Brother Duan Yu.

Even if the younger brother has an artifact, can the opponent be beaten by so many people?

Chapter 1958

At this moment, Su Qingyan wanted to go up and help Duan Yu, but the formation formed by Tian Gangwei was too mysterious, Su Qingyan could not see any flaws in the formation, and did not dare to act rashly.

Yue Feng cooperated with Tiangang Guard to besiege Duan Yu, and at the same time did not forget Su Qingyan.

"Qingyan!" Yue Feng shouted at Su Qingyan: "Duan Yu has been trapped by me, you will not be in danger, don't be afraid, come out quickly..."

Before because Duan Yu was by Su Qingyan's side, I didn't dare to act rashly, and now that Duan Yu has been successfully drawn out, there is no need to worry.

However.

What made Yue Feng extremely depressed was that Su Qingyan didn't seem to hear her words, standing in front of the windowsill, motionless.

Yue Feng was in a hurry, what's going on? Could it be that Qingyan was drugged by Duan Yu?

Thinking to himself, Yue Feng quickly ordered to Hong Fei below: "Hong Fei, quickly bring out the light smoke."

"Yes, Your Majesty!" Hong Fei quickly responded, he was Duan Yu's subordinate, but Now that Yue Feng is the emperor, he is completely obedient to Yue Feng. He quickly took a few soldiers and rushed into the inn.

Soon, when they arrived at the room on the second floor, Hong Fei respectfully said to Su Qingyan: "Miss, Duan Yu has been dragged by Your Majesty, please leave here with us."

Hong Fei has experienced sophistication and saw that Yue Feng was so nervous about Su Qingyan, Just know that this fairy-like woman is His Majesty's woman, so she will directly address the empress.

Having said that, Hong Fei is about to approach.

"You..."

Su Qingyan's delicate face suddenly turned red when she heard these people calling her mother, and she was very embarrassed.

The next second, without waiting for Hong Fei to approach, Su Qingyan gave a coquettish voice: "Go away, who is your mother-in-law, don't shout, get out of the way, and don't come near me."

While saying this, Su Qingyan drew out her long sword, forcing Hong Fei and the others to dare not get close. At the same time, her eyebrows were furrowed.

This Yue Feng is really not a good thing. He had amnesia because of him, but he asked his subordinates to call his mother and take advantage of him.

This...

Seeing this situation, Hong Fei was very embarrassed, and shouted at Yue Feng with a bitter face: "Your Majesty, this empress will not leave..."

If it was an ordinary woman, Hong Fei would have already started , But in front of him, is His Majesty's woman, holding a sword in her hand, who dares to be presumptuous.

This...

Seeing this scene, Yue Feng could not laugh or cry, and at the same time was extremely suspicious.

what happened? Why is Qingyan so resistant to herself?

Also, it's like he doesn't know himself.

"Haha..."

At this moment, Duan Yu laughed, his face full of pride and mockery: "Yue Feng, your own woman doesn't recognize you, and you still have the face to laugh at me? It's ridiculous...haha. .."

As he spoke, Duan Yu kept waving the Heaven Opening Axe, trying to rush out of the formation.

However, these Heavenly Gang Guards cooperated too well, and Duan Yu couldn't find any flaws at all.

Yue Feng ignored Duan Yu's sarcasm and felt extremely depressed.

call!

Immediately, Yue Feng took a deep breath and instructed Hong Fei: "Go back first, and don't hurt her."

Since Qingyan doesn't want to leave, just let her go for the time being.

"Yes! Your Majesty!" Hong Fei quickly responded, and immediately took a few soldiers and exited the inn.

At this time, Yue Feng stopped thinking about it and continued to cooperate with Tiangang Guard to besiege Duan Yu.

Until now, Yue Feng was still convinced that what method Duan Yu used to control Su Qingyan made Su Qingyan unwilling to recognize him. Therefore, as long as Duan Yu was completely controlled, Su Qingyan would be completely safe. .

For a time, the battle situation became more and more intense, Duan Yu was trapped in the formation and could not rush out, and Yue Feng and dozens of Tiangang guards could only temporarily suppress Duan Yu, but could not completely defeat him.

In the blink of an eye, half an hour has passed, and it is still a stalemate.

This time, Duan Yu was completely anxious and roared loudly: "Yue Feng, even if I pay a heavy price today, I will kill you and cut off your head."

Om!

When the voice fell, Duan Yu's eyes were extremely blood red, and all the inner strength of his dantian exploded and poured into the opening axe.

Chapter 1959 In

an instant, the power of terror condensed within the opening axe.

Whoosh!

I saw that the scorching power of the scorching sun above my head was almost completely absorbed by the Opening Heaven Axe, and the light that the Opening Heaven Axe burst out was even more blazing than before, and everyone present could hardly keep their eyes open.

That's right, Duan Yu had activated all the power of the Kaitian Axe. At this time, he was in a hurry and completely lost his mind. He even forgot the power of the Kaitian Axe. He needed a balance of yin and yang, and just wanted to break it quickly. Formation, killed Yue Feng.

hum!

The next second, Duan Yu held the Sky-Opening Axe and slammed it out fiercely. He saw that an extremely violent and terrifying force burst out from the Sky-Opening Axe and swept away, with terrifying power.

hiss!

At this moment, both Tian Gangwei and Yue Feng were shocked.

Nima! The power of this opening axe is too perverted.

At this moment, Yue Feng didn't have time to think about it, he quickly urged his internal force to deploy a protective film on his body, and at the same time urged his figure to retreat quickly.

And those Heavenly Gang Guards didn't react so quickly.

"Ah..." In the

blink of an eye, more than a dozen Tiangang guards were swept away, screamed in agony, and fell into a pool of blood.

hiss!

Seeing this scene, all the people onlookers gasped and were completely shocked.

Is this....is the power of the Sky-Opening Axe?

so horrible.

Swish!

In mid-air, Duan Yu's eyes were extremely blood red, and he locked on Yue Feng tightly, and said coldly, word by word: "Yue Feng, today you are hard to fly, I will not only take back the throne, kill you, but also destroy all the forces related to you. , kill all your relatives."

Yue Feng looked at him tightly, did not respond, seemed very calm, but felt a little uneasy in his heart.

Nima, the axe just now, the power of the opening axe, has obviously reached its limit. It stands to reason that Duan Yu should have been attacked. Why is there no movement?

"Death to me!"

At this moment, Duan Yu stopped talking nonsense, burst into the sky, and rushed towards Yue Feng. Just after a few steps, his face suddenly turned blue and white, and his body couldn't stop shaking.

Yes, under Duan Yu's madness, he was attacked by the power of the Heaven-Opening Axe.

Um?

Seeing this scene, everyone present looked at each other, confused.

what's the situation?

Haha...

Yue Feng was very excited.

Nima, with so much energy wasted, Duan Yu was finally attacked, otherwise, those Heavenly Gang Guards would have died in vain.

"I..."

At this moment, Duan Yu stared at Yue Feng and wanted to kill him immediately, but his dantian's inner strength was completely out of his control, completely violent.

puff!

Finally, Duan Yu spit out a mouthful of blood in the sky, his face was extremely pale, and the whole person was extremely weak.

“Duan Yu, I said, you are the one who died today.” Yue Feng was too lazy to talk nonsense, he said coldly, raised his hand and hit Duan Yu.

With this palm, Yue Feng burst out with all his strength, and all that echoed in his mind was the figure of Ouyang Zhennan.

Adoptive father, my child has finally avenged you.

“Don’t...”

However, at this moment, there was a sound of anxiety, followed by a slender figure rushing over quickly, blocking Duan Yu’s body, his delicate face was full of worry and determination.

It was Su Qingyan!

Chapter 1960

Wow!

At this moment, everyone present was in an uproar, and their faces were full of surprise!

what’s the situation?

Isn’t this Su Qingyan your majesty’s woman? How to help Duan Yu?

At the same time, Yue Feng was also stunned.

The next second, Yue Feng looked at Su Qingyan and couldn’t help but said, “Qingyan, you...”

In Yue Feng’s heart, he always thought that Su Qingyan was controlled by Duan Yu, and he refused to talk to Hong before. She flew out, but she never thought that at this critical moment, Su Qingyan would stand in front of Duan Yu.

Before he could finish speaking, he was interrupted coldly by Su Qingyan.

“Don’t call me by my name.” Su Qingyan’s red lips parted lightly, her tone was cold, and her delicate face did not fluctuate at all: “I’m not familiar with you at all, so don’t get too close to me.” Not

familiar!

These two words, like an invisible giant hammer, slammed into Yue Feng’s heart. For a moment, Yue Feng felt extremely heartache, and looked at Su Qingyan tightly, full of doubts.

At this time, Yue Feng clearly felt that Su Qingyan didn't seem to be joking, and her attitude made him very unfamiliar.

It's like changing a person.

What the hell is going on?

Thinking to himself, Yue Feng took a deep breath and said ashamedly to Su Qingyan: "Qingyan, I know, I never went to the Tianqi royal family to save you and cause you to suffer. You should be angry with me. But now is not the time to make a fool of yourself."

Duan Yu will be captured alive right away, if you miss it, you won't have such a good opportunity in the future.

Immediately, Yue Feng's tone softened: "Qingyan, get out of the way and let me grab Duan Yu first. If you are angry, you can tell me later, okay?" The

voice fell, and Yue Feng held Fang Yu tightly. The sky painted a halberd, approaching step by step.

In any case, Duan Yu can't let Duan Yu run away today.

"Stop!"

But just two steps away, Su Qingyan snorted and pointed at Yue Feng with a long sword in her hand: "If you come closer, don't blame me for being rude." After speaking, Su Qingyan

bit her lip tightly and continued. : "With me here today, you can never hurt my junior brother." The pretty face was frosty, and the tone was firm and unquestionable.

What? Junior Brother?

Hearing this, Yue Feng froze there, only to feel that his whole brain was buzzing, completely messed up!

Su Qingyan called Duan Yu a junior brother?

Over the years, Duan Yu has been in Xicang Continent, he has never been to Dongao Continent, and he has never heard of him joining Wenzong. When did he become Su Qingyan's junior brother?

For a time, Yue Feng's brain was about to explode, and he couldn't understand anything.

Whoa!

At this time, other people present suddenly erupted into a heated discussion.

“This...”

“Your Majesty’s woman is Duan Yu’s senior sister?”

“How could this be?”

Everyone whispered, but they didn’t dare to speak loudly, for fear that Yue Feng would be unhappy.

“Ha ha...”

At this time, Duan Yu, who was in a weak state, couldn’t help laughing up to the sky, and said proudly at Yue Feng: “Yue Feng, my senior sister is like a fairy, how can you be a scum like you? Are you qualified? “

Before, in order to get my senior sister, you used despicable means to cause her to lose her memory, but now you have not changed your lust and lied to her with rhetoric. Do you really think my senior sister is so easy to deceive and will believe your words?

” At these times, Duan Yu’s eyes were full of mockery, and his heart was even more proud.

Haha...that

’s really nice.

Originally, Duan Yu was still a little worried, but when Su Qingyan saw Yue Feng, what would she recall, but when she saw her facing Yue Feng, she couldn’t remember at all, and she was so indifferent to Yue Feng, Duan Yu couldn’t tell in her heart. of pleasure.

Especially seeing Su Qingyan desperately defending himself, Duan Yu’s worries disappeared in an instant, and he became even more confident.
