

The ultimate husband in Chinese chapter 1961-1965

Chapter 1961

Yue Feng's face was extremely gloomy, and at the same time, he was even more suspicious in his heart.

Did you lose your memory because of the light smoke?

How is this possible? It's too late to hurt her, how can you hurt her? Immediately, his mind changed, Yue Feng understood something, Qing Yan must have lost his memory because of something else, so he didn't know himself.

And Duan Yu said this on purpose, in order to make Su Qingyan hate him even more.

Realizing this, Yue Feng was extremely anxious, and said to Su Qingyan: "Qingyan, don't believe what Duan Yu said, he is provoking our relationship, you forget, I am your man Yue Feng, let's first The first meeting was at the main altar of Wenzong in Dongao Continent..."

When he said this, Yue Feng's eyes were full of urgency and distress.

It turned out that Qingyan lost her memory. It can be seen that she has suffered a lot and suffered a lot during this time.

However.

In Su Qingyan's eyes, Yue Feng's sincerity was all acting, and he shook his head and said, "Don't talk about it, I won't listen." As

she spoke, Su Qingyan bit her lip and held the middle of her hand tightly. Sword, palms are sweating.

At this time, Su Qingyan didn't recall anything because of Yue Feng's words. Apart from her disgust for Yue Feng, she was also extremely nervous. Junior Brother Duan Yu was injured. With so many people on the other side, can he successfully take Junior Brother away safely?

Ugh!

Seeing this scene, Yue Feng wanted to cry without tears.

How to do? Qingyan desperately defended Duan Yu, she couldn't listen to her own words at all.

"His Majesty!"

This chapter is provided by . Visit for daily update.

At this moment, Hong Fei came out and couldn't help but said, "It's useless to talk too much. Your Majesty will order it directly. The subordinates will swarm up and kill Duan Yu. The subordinates promise that they will not hurt the empress."

Yue Feng tightly He clenched his fist and didn't respond. After a few seconds, he nodded silently.

This is the only way now.

"Go!" With permission, Hong Fei shouted angrily and rushed over first.

Tens of thousands of Xi Cang's army followed closely and surrounded Su Qingyan and Duan Yu.

"Senior sister be careful!"

Seeing this scene, Duan Yu's face changed greatly, and then he said to Su Qingyan in a hypocritical manner: "Senior sister, their target is me, and Yue Feng still likes you and won't hurt you, you hurry up Go, leave me alone."

Although the contact time was short, only a few days, Duan Yu knew Su Qingyan's personality very well, soft on the outside and firm on the inside, and very moral, the more she said this, the less she would know Leave yourself alone.

really.

As soon as the words fell, Su Qingyan shook her head decisively, bit her lip and said, "Junior brother, what are you talking about? I won't leave, and I won't leave you behind."

"Om!" The

voice fell with a strong aura. , burst out from Su Qingyan's body, and the figure flew up, fluttering like a fright, and greeted everyone.

In an instant, Su Qingyan and Hong Fei were in a fierce battle.

call!

Yue Feng stared at the field tightly, his heart jumped to his throat, it was extremely complicated.

Back then, when I was in Tianqi Continent, I was knocked down by Han proudly into the crater. At that time, Su Qingyan and Xiao Xi, without any hesitation, jumped down and died together with themselves.

Yue Feng will never forget this deep love.

But now, she is desperately defending her great enemy, Duan Yu.

Of course, Su Qingyan lost her memory, and Yue Feng didn't mean to blame her, but this kind of thing, whoever it is, doesn't feel good.

It has to be said that Su Qingyan is worthy of being the goddess of Dongao Continent, and her strength is outstanding. She recently joined Wangyougu, and after practicing Wangyougu's exercises, her strength has improved a lot.

Bang! Bang! Bang!

In the blink of an eye, under Su Qingyan's long sword, hundreds of Xi Cang black cavalry soldiers were seriously injured and lost their combat effectiveness.

However, after all, there were too many people, and Su Qingyan quickly became overwhelmed.

Chill.

At this moment, a black cavalry soldier rushed from behind and slashed Su Qingyan's right arm with a knife. In an instant, blood gushed out, Su Qingyan's delicate body trembled, and her face instantly paled.

"Stop it, stop it!"

Seeing this scene, Yue Feng felt a pain in his heart, and couldn't help shouting: "Retreat all for me!! Retreat!!"

Chapter 1962

Seriously, Yue Feng made up his mind that Duan Yu could not be let go no matter what.

But Yue Feng couldn't do it by himself, he was afraid that he would accidentally hurt Su Qingyan at that time. After all, Yue Feng's strength was too strong, and once he accidentally hurt Su Qingyan, the consequences would be very serious.

In this case, Yue Fengcai acquiesced to Hong Fei and the others. But the premise is that Su Qingyan can't be hurt.

Therefore, when he saw that Su Qingyan was injured, Yue Feng was extremely heartbroken, and without any hesitation, he quickly ordered to stop.

Swish!

At this moment, Hong Fei and the tens of thousands of Xi Cang's army all stopped, but did not retreat.

"Your Majesty!"

Hong Fei looked anxious and couldn't help shouting: "This section of Yu is very cunning. If you let him go today, it will be difficult to catch him later."

He could see that Yue Feng was worried. Su Qingyan's safety was not until she gave the order to stop.

However, the safety of a woman is insignificant compared to Duan Yu. As an emperor, who reigns over the world, are you afraid that there will be no women? And let Duan Yu go, but left a big hidden danger. After all, Duan Yu has the Heaven-Opening Axe in his hand, which should not be taken lightly.

"Shut up!"

At this moment, Yue Feng, with blood red eyes, roared: "I told you to step down, you are all deaf? Do you want to resist the decree?"

"

When he shouted the last sentence, Yue Feng stared at Duan Yu, full of unwillingness.

But there is no way, continue to fight, Qing Yan is afraid that she will be injured, this is the woman she loves, how can she bear it?

"Your Majesty, calm down, my ministers retire!"

Feeling Yue Feng's anger, Hong Fei couldn't help shivering, and quickly backed away. At the same time, tens of thousands of black cavalry troops also made way.

At this time, Hong Fei didn't know that in Yue Feng's heart, it was important to capture Duan Yu, but Su Qingyan's safety was even more important.

call!

Seeing this scene, Duan Yu was secretly relieved, and a faint smile appeared on his weak face.

I thought that Yue Feng would not take Su Qingyan's safety into consideration, and wanted to capture him alive, but he didn't expect that Yue Feng finally let him go.

Yue Feng, Yue Feng, you pay too much attention to the relationship between your children and you cannot do great things.

Um?

As for Su Qingyan, her delicate body trembled, and her delicate face was full of surprise.

This Yue Feng, actually let him and his junior brother go?

Everyone said that he was despicable and shameless, insidious and cunning, but I felt that he was not as abhorrent as rumored.

“Senior Sister!”

Just when Su Qingyan was thinking about this, Duan Yu whispered: “Thank you, Senior Sister, for your desperate help. Senior Sister, it seems that this Yue Feng really likes you. He was afraid that you would be injured and ordered the withdrawal of troops. .”

Duan Yu is very cunning, in this situation, he did not forget to slander Yue Feng in front of Su Qingyan.

Swish!

Hearing this, Su Qingyan’s face was extremely blushing all of a sudden, her impression of Yue Feng had changed a bit, but the difference instantly changed a lot.

It turned out that Yue Feng did this because he wanted to get himself.

How can such a lecher be a good person?

Thinking to herself, Su Qingyan looked at Yue Feng, unable to hide her disgust and anger: “Yue Feng, if you think that if you let us go, I will have a good impression on you, you are very wrong, I will not like someone like you.”

After saying this, Su Qingyan supported Duan Yu and said softly, “Junior Brother, let’s go.”

Hmm!

Chapter 1963

Duan Yu responded with a serious look on the surface, but he was happy in his heart.

Haha....

This Yue Feng can obviously catch himself, but he can’t make a move. He must be angry.

“Qingyan!”

Yue Feng was in a hurry, not knowing whether to laugh or cry: “Wait, Qingyan, you really don’t remember me?” With that, Yue Feng was about to catch up.

“Stop!”

However, before taking two steps, Su Qingyan suddenly turned around, pointing her long sword at Yue Feng, her delicate face was full of shame and anger: “You... if you take another step forward, I will commit suicide. , I’d rather die than let you succeed.” As he said that, the long sword turned and lay directly on his neck.

In Su Qingyan’s heart, she thought that Yue Feng was so eager because of her beauty and wanted to get herself.

How can you be humiliated by such a despicable person?

Su Qingyan thought about it, if Yue Feng really chased after him, she would commit suicide. After all, his own power is weak, and there are tens of thousands of troops around Yue Feng, so he is not an opponent at all.

Rather than fall into the hands of Yue Feng and be humiliated, it would be better to die.

At this time, Su Qingyan didn’t know that Yue Feng was so anxious because he loved her and worried about her, which was not what she imagined.

Swish!

Seeing this scene, Yue Feng was shocked, his face was pale, he quickly stopped, kept waving his hands and said: “Okay, okay, I won’t come, but I won’t come, you should be careful, don’t hurt yourself.”

Said At these times, Yue Feng was unspeakably flustered, and at the same time was extremely bitter.

Madd, how could this be?

Qingyan lost her memory, and it’s fine if she doesn’t remember herself. After being brainwashed by Duan Yu, she still hates herself so much.

To be honest, Yue Feng really wanted to rush over and hold Su Qingyan in his arms, but he didn’t dare. He knew Su Qingyan too well. will commit suicide.

Su Qingyan ignored Yue Feng, put away her sword, supported Duan Yu, and walked out of the city gate slowly under the attention of everyone around.

quiet!

At this moment, the entire imperial city was silent.

Everyone looked at this scene in astonishment, unable to speak one by one, and at the same time, their hearts were extremely puzzled.

What's the matter, His Majesty actually released Duan Yu for a woman?

What a great opportunity, so missed.

What a pity.

Yue Feng didn't care about the discussions around him, and stared blankly at the back of Su Qingyan's departure, with an extremely complicated expression on his face.

"Your Majesty!"

At this moment, Hong Fei walked over slowly and said cautiously, "What should I do next? Should my subordinates lead the army to catch up?"

He could see that Yue Feng was very unwilling.

But then again, who would be willing to put this on?

"No!" Yue Feng shook his head firmly.

In the next second, Yue Feng pondered for a while and instructed: "Hong Fei, immediately bring a few capable men and keep up quietly, remember, just follow, don't expose yourself, once there is a situation, or you find them When the two are separated, report back immediately. As long as Qingyan is not by Duan Yu's side, tell me immediately, and I will kill Duan Yu as soon as possible."

When he said this, Yue Feng's tone was cold and unquestionable, and at the same time, his eyes were even more flickering. anxious.

To be honest, Yue Feng really wanted to follow him personally, but when he thought about Su Qingyan's attitude towards him, he was afraid that he would do stupid things when he saw him

. Your Majesty obeys, rest assured, your subordinates will follow you every step of the way. Please rest assured, Your Majesty!" Hong Fei quickly responded, selected a few guards, and quickly left the imperial city.

Chapter 1964

At this moment, on the outskirts of the imperial city.

Su Qingyan supported Duan Yu and kept moving forward.

Although he didn't see the pursuers, Su Qingyan's heart was still not at all relaxed.

“Senior Sister!”

At this moment, Duan Yu exhaled softly, and said weakly, “You don't have to look back, Yue Feng is very cunning, even if he sends a chaser, we won't let us find out.”

Hearing this, Su Qingyan became nervous all of a sudden: “Then what should I do?”

After speaking, Su Qingyan thought of something, bit her lip and said, “Why don't we go back to Wangyou Valley, we'll be safe when we return to Wangyou Valley. I'm done.”

While speaking, Su Qingyan did not forget to check Duan Yu's injury, her delicate face was full of concern.

In her heart, Wangyou Valley was the safest.

Hehe...

Duan Yu chuckled and said slowly: “Senior sister, you are thinking too simple, now Yue Feng must have sent someone to follow us, if we go back to Wangyou Valley, wouldn't it be Yue Feng's people? Did you lead me?”

After speaking, Duan Yu paused and said with a serious face: “Master is not mean to me, I can't implicate the master.”

When he said this, Duan Yu looked sincere, but his eyes were full of smiles. .

To be honest, Duan Yu didn't care about affecting Wangyougu at all. He knew the strength of the Xi Cang army. Even if the entire Wangyougu resisted, it would be futile.

More importantly, he wanted to be alone with Su Qingyan.

You know, Yue Feng cares too much about Su Qingyan's safety. As long as he and Su Qingyan are together, Yue Feng has some scruples in his heart, and he doesn't dare to do anything to himself. It can be said that Su Qingyan is his amulet.

“Then...”

Su Qingyan didn't know what Duan Yu was thinking, her eyebrows frowned, and she suddenly got into trouble: “Then what should we do?”

Losing her memory, she didn't know anything about the outside world. Faced with this situation, there is no attention at all.

Duan Yu smiled and comforted: "Senior sister, don't panic, let's find a place to rest first, and when I recover my strength, Yue Feng will not be afraid of how many men come."

Hmm!

Seeing his confident face, Su Qingyan immediately calmed down, nodded, then supported Duan Yu and continued onward.

I don't know how long I walked, and I came to a remote valley.

"Junior Brother."

Seeing that there was a cave in front of him, Su Qingyan wiped the sweat off his face, and said happily, "There is a cave in front of you, let's go and rest in it."

Duan Yu had no objection.

Entering the cave, you can see that the space inside is not small and very spacious.

Duan Yu was very cautious. Although he didn't see the pursuers along the way, he also guessed that Yue Feng would send someone to follow him. In order to prevent someone from breaking in, Duan Yu deliberately chose a hidden corner in the innermost cave.

"Senior sister!"

After sitting cross-legged, Duan Yu said with a sincere expression: "I'm starting to regulate my dantian now, please help me to protect the Dharma, it may take a long time, senior sister has worked hard."

Duan Yu didn't lie, he was furious before. Next, the power of the opening axe was fully activated, and it was backlashed. At this time, to adjust the breath and recover, you need to concentrate on it, and you can't have the slightest distraction.

"Yeah!"

Su Qingyan bit her lip lightly and nodded her head: "Junior brother, don't worry, I will definitely guard the entrance of the hole, and no one will come in."

After the previous incident, the friendship between Su Qingyan and Duan Yu became even deeper.

In Su Qingyan's heart, Duan Yu was taken away from everything by Yue Feng. He was a poor person. No matter what, he could not be hurt any more.

Duan Yu smiled slightly, stopped talking, closed his eyes and started to practice.

Su Qingyan treated the wound on her lower arm and stayed at the entrance of the cave, vigilantly watching the movement outside.

Time passed by minute by minute.

Chapter 1965 Before I

knew it, a few hours passed, and I saw that Duan Yu's pale complexion had recovered a little bit of blood, and the inner strength of his dantian had almost recovered. And during these few hours, Su Qingyan kept his promise and stayed at the entrance of the cave, without the slightest slack.

"Senior Sister!" At this moment, Duan Yu opened his eyes and said gratefully to Su Qingyan, "Thank you for your hard work."

Duan Yu said this thank you from the bottom of his heart.

But seeing Su Qingyan guarding him wholeheartedly, and never taking a break for a few hours, even though Duan Yu had a vicious heart, he was a little moved at this time.

Su Qingyan smiled lightly: "It's all from the same family, why are you being so polite, Junior Brother?"

After speaking, seeing Duan Yu's face, which was much better than before, Su Qingyan was very happy: "Junior Brother, how are you feeling now? Is it much better?"

Duan Yu nodded and was about to stand up.

Swish...

But at this moment, in the woods not far from the cave, there was a sound of footsteps, steady and powerful, obviously a cultivator, and his strength was not low.

Swish!

Thinking that it was the pursuers sent by Yue Feng, Duan Yu didn't have time to think about it, and quickly hid in the dark.

Su Qingyan also instantly became vigilant, holding the long sword tightly, staring at the outside of the cave.

“I’m really tired, eh? There’s a cave in front of you.”

“Go and take a rest.”

With a few words of conversation, two tall figures appeared at the entrance of the cave. Both of them are dressed in rivers and lakes, and their bodies are filled with a powerful aura.

If Su Qingyan didn’t lose her memory, she would definitely be very happy to see them.

Because the two people who came were the second generals of Heng Ha in Tianmen, Peng Jiang and Peng Hai.

Peng Jiang and Peng Hai, a pair of brothers, used to be the leaders of Shahaitang. At that time, the people in the coastal area were afflicted with grievances. Later, they met Yue Feng and were admitted to Tianmen and named the second general of Hengha.

After joining Tianmen, the brothers turned their backs on evil and brought Tianmen disciples to make a lot of contributions in the arena.

Recently, because Yue Feng was hunted down by King Guangping, he lost his trace, and the whole Tianmen was in a hurry. On the mainland of Kyushu, he searched for Yue Feng’s whereabouts.

And Peng Jiang and Peng Hai came to Xi Cang Continent to investigate Yue Feng’s whereabouts.

Half a day ago, the brothers were very excited when they learned that Yue Feng had become the emperor here, so they hurried to the imperial city, and happened to pass by this cave.

Um?

At this time, Peng Jiang and Peng Hai had just entered the cave and were stunned when they saw Su Qingyan with a vigilant look.

“Sister-in-law?”

“Sister-in-law Qingyan...you...why are you here?”

After being stunned for two seconds, both Peng Jiang and Peng Hai were extremely surprised and delighted, and they greeted each other with extremely polite attitudes.

As Yue Feng’s subordinate, how could he not know Yue Feng’s woman?

sister in law?

Hearing this title, Su Qingyan's delicate face suddenly became extremely red, and at the same time, she was also extremely puzzled.

These two people are crazy, I don't know them, but they call sister-in-law as soon as they come in.

Made.

At this time, Duan Yu, who was hiding in the dark, suddenly became tense and cursed inwardly. Yue Feng did not send a large army, but sent Tianmen's subordinates.

Peng Jiang and Peng Hai, as the second generals of Heng Ha, have a high reputation in Tianmen, and Duan Yu naturally knows them.

At this moment, in Duan Yu's heart, he thought that the two were sent by Yue Feng to follow.

"You..." At this moment, Su Qingyan reacted, frowning slightly, looking at the two brothers and said

unhappily, "Who are you? I don't know you, why are you called my sister-in-law?"

, Su Qingyan added: "You have mistaken people."
