

The ultimate husband in Chinese chapter 1971-1980

Chapter 1971

Liu Xuan is in his hands, and the life and death of everyone in the Ouyang family are also under his control. If Su Qingyan is arrested again, Yue Feng will definitely collapse completely. At that time, let Yue Feng kneel down in front of him and beg for mercy.

Thinking about it, Zhou Qin was indescribably happy.

At this time, in Zhou Qin's heart, it was the most important thing to force Yue Feng to be submissive to himself. As for Duan Yu, there was no need to entangle him too much.

After all, the opening axe in this person's hand is really terrifying.

Um?

Hearing this, Duan Yu was stunned and frowned. This Zhou Qin... made such a big battle, not to deal with himself, but to catch Su Qingyan?

Swish.

At the same time, Su Qingyan next to her also trembled, and she suddenly became nervous.

The next second, Su Qingyan gently pulled Duan Yu's sleeve and whispered, "Junior Brother, what are they arresting me for?" Although the voice was soft, everyone present could hear it clearly.

What?

At this moment, whether it was Zhou Qin or the masters of various sects, their eyes were all focused on Su Qingyan, and they were extremely shocked.

Su Qingyan and Duan Yu became brothers and sisters?

You heard it right.

You must know that ten years ago, Duan Yu led the Xi Cang army to encircle the Ouyang family, and Yue Feng resisted it with all his strength. Su Qingyan was there at that time. It can be said that Su Qingyan, as Yue Feng's woman, and Duan Yu were also the same. Water and fire are incompatible, how can they become the same door?

For a time, everyone present was puzzled.

This chapter is provided by . Visit for daily update.

Duan Yu ignored everyone's eyes, smiled slightly, and comforted Su Qingyan: "Senior sister, don't be afraid, no one will take you away with me."

In the past, Duan Yu would not have been concerned about Su Qingyan's safety.

But he was arrogant and arrogant. He used to be a famous existence in Xi Cang Continent, and he was also an emperor. How could he tolerate others being presumptuous in front of him?

More importantly, Su Qingyan was his amulet, and with Su Qingyan around, Yue Feng would not dare to touch him.

At this moment, Duan Yu looked at Zhou Qin and said word by word, "Zhou Qin, what you said just now, please forgive me for not being able to do it. Su Qingyan is my senior sister, and she tried her best to help me and deal with Yue Feng. Isn't she an ungrateful little person who gave her to you?"

Duan Yu seemed to be speaking to Zhou Qin, but he was actually speaking to Su Qingyan.

really.

Hearing this, Su Qingyan was so moved that she looked at Duan Yu's eyes, full of admiration and praise.

What?

The crowd was in an uproar again.

Su Qingyan is Yue Feng's woman, and her relationship has always been very good. Why did she help Duan Yu in turn against Yue Feng?

Zhou Qin also frowned, confused, but couldn't guess the reason.

"Su Qingyan."

After a few seconds, Zhou Qin calmed down, looked at Su Qingyan closely, and couldn't help but ask, "What happened between you and Yue Feng, why do you want to help Duan Yu deal with Yue Feng? The wind?"

When he said this, Zhou Qin's expression seemed calm, but his heart was very complicated. Su Qingyan and Yue Feng had such a good relationship, and suddenly separated from Yue Feng and dealt with him together with Duan Yu. It must be Yue Feng who did something sorry for Su Qingyan that made her hate him out of love.

If this is the case, then God has eyes. Yue Feng, you once rejected me and looked down on me, but now Su Qingyan has left you too, this is your retribution for messing around.

The more Zhou Qin thought about it, the more she relieved her hatred, but she held her own identity and did not laugh.

At this time, Zhou Qin thought that Yue Feng had done something sorry for Su Qingyan, which caused Su Qingyan to leave Yue Feng and walk with Duan Yu.

“I...”

Su Qingyan’s face showed a hint of blush, and she responded very displeased: “I don’t know Yue Feng at all, and nothing will happen. I help Duan Yu because of him. It’s my junior brother.”

His expression was calm, but his heart was very angry. What’s the matter, why do you have to pull yourself and Yue Feng together every time you meet someone?

Unfamiliar?

Hearing this, Zhou Qin frowned, and her doubts became heavier.

“Zhou Qin, you don’t need to ask my senior sister about this matter.” Duan Yu took a step forward and said lightly, “My senior sister was framed by Yue Feng and lost her memory. I don’t want to mention the past at all. No need to ask any more.”

Phew!

Zhou Qin was stunned for a moment, then suddenly realized.

No wonder Su Qingyan spoke so strangely and said that she was not familiar with Yue Feng, so she had lost her memory.

Chapter 1972

At this time, Duan Yu showed a smile, looked at Zhou Qin and said, “Zhou Qin, I have said everything I should say, if you insist on taking my senior sister away, don’t blame me for being rude, although there are many of you, But once the fight begins, you won’t necessarily take advantage.” The

voice was not loud, but there was a shocking aura.

Whoa!

The voice fell, and the audience was in an uproar. The masters of various sects focused on Duan Yu with complicated expressions.

Crazy, this paragraph is really crazy, actually threatening Zhou Alliance in public?

Zhou Qin also blushed, her delicate body trembled faintly, and she was so angry.

He is the dignified head of Emei, the leader of the martial arts alliance, who is not polite when he sees it, but Duan Yu, in front of so many people, threatens himself, where does this put his face?

“Presumptuous!”

At this moment, Faye Wong couldn't bear it anymore, and shouted at Duan Yujiao: “You are just a homeless bereaved dog, what qualifications do you have to negotiate with our leader? You dare to make threats and seek death. .”

The disciples of the Emei School next to him also glared at Duan Yu.

Duan Yu was not panic at all and ignored Faye Wong at all.

The next second, Duan Yu chuckled, looked at Zhou Qin and said, “Zhou Qin, I have already said it very clearly, it is useless to say more, I will still say that, our common enemy is Yue Feng, killing each other is harmful and not beneficial. , it's better to join forces.”

Duan Yu thought about it, as long as he joins forces with Zhou Qin to destroy the Ouyang family and Tianmen, it will be easier.

call!

Zhou Qin frowned, pondering, very hesitant.

In her heart, she never thought of forming an alliance with Duan Yu, and Zhou Qin never liked Duan Yu. Back then, Duan Yu sent a challenge letter to Yue Feng, agreeing to fight for life and death in the Xingxinglou, but Duan Yu Secretly led the army to raid the Ouyang family, and the methods were vicious and vicious. This matter, it can be said that no one knows about it.

Although Zhou Qin's methods are also more sinister, but he regards himself as lofty and unwilling to join forces with people like Duan Yu.

“Zhou Qin!”

Seeing that Zhou Qin had been hesitant to speak, Duan Yu smiled and said: “I don't think you need to think about it. I heard that you suppressed Tianmen and all the forces

related to Yue Feng some time ago, and you have gained a lot. It is already incompatible with Yue Feng.”

“Now that Yue Feng is the emperor of Xicang Continent, he will definitely not spare you lightly. Even if you are the leader of the martial arts alliance, but these sects combined, can you stop the Xicang army?”

“As long as you are willing to cooperate, I will help you deal with Yue Feng’s Xi Cang army. Don’t forget, I have been the prime minister of Xi Cang for so many years, and I know the Xi Cang army like the back of my hand.”

After saying the last sentence, Duan Yu had a face on his face. Relaxed and comfortable.

quiet!

At this moment, the audience was silent, and everyone’s eyes were focused on Zhou Qin, waiting for her response.

“Okay!”

Finally, Zhou Qin pondered for a moment and nodded at Duan Yu: “This seat promises to cooperate with you, but there is one condition. After forming an alliance, all actions must be approved by this seat.”

Seriously, Zhou Qin really didn’t want to form an alliance with Duan Yu, but Duan Yu was right, Yue Feng became the emperor of Xi Cang Continent, led an army, and if he sought revenge on himself, he really couldn’t resist.

Of course, there is another point, Su Qingyan lost her memory, and it would be boring to arrest her to threaten Yue Feng.

However, Zhou Qin is also a smart person. Knowing that Duan Yu is not an ordinary person, in order to prevent him from overpowering the guest, he first stated the conditions.

“Of course there’s no problem with that.” Duan Yu smiled slightly, nodded and said, “You are the leader of the martial arts alliance now, and we will form an alliance. Naturally, you will be the main one.” The

answer was very natural on the surface, but Duan Yu’s eyes flickered. With a hint of gloom.

A female class, still want to surpass me? Thinking too much...

Duan Yu has already thought about it, he pretended to agree to Zhou Qin's conditions first, and after he caught Yue Feng, he could do whatever he wanted without worrying about it.

call!

Seeing this scene, the masters of various sects around were secretly relieved.

Fortunately, the two sides have formed an alliance. Otherwise, Zhou Qin ordered to besiege Duan Yu, and his own martial arts would definitely be killed or injured. After all, the power of the opening axe in Duan Yu's hand was too terrifying.

But Faye Wong was secretly anxious, came over, and whispered to Zhou Qin: "Senior Sister, this section of Yu is insidious and cunning. You must be more careful when you form an alliance with him

." Calmly, without the slightest fluctuation.

No matter how powerful Duan Yu is, he is only one person, and he is the leader of the martial arts alliance.

"Zhou Qin!"

At this moment, Duan Yu came over and smiled hypocritically: "Since it is an alliance, everyone is their own. I wonder if you have thought of any way to deal with Yue Feng."

Chapter 1973

Zhou Qin smiled lightly, and did not answer immediately, but instead asked: "It seems that you have come up with a solution."

Zhou Qin only knew that Yue Feng was the emperor in Xicang Continent, but he did not know the specific situation. There is no way for now.

Duan Yu didn't hesitate, his face turned gloomy: "My solution is very simple, let's join forces and be invincible, directly kill the Ouyang family, and completely wipe out these relatives and friends of Yue Feng."

Hearing this, Zhou Qin couldn't help it. He laughed, looked at Duan Yu and said, "The Ouyang family, we don't have to go, because the lives and deaths of everyone in the Ouyang family are under my control."

"We just need to keep track of Yue Feng's movements now. With

that said, Zhou Qin told everyone in the Ouyang family that they were taking Hei Tian Pill.

call!

Hearing this, Duan Yu couldn't help but take a deep breath and silently praised in his heart.

As expected of a woman who can be the leader of the martial arts alliance, Zhou Qin is so powerful that she has already gone to deal with the Ouyang family.

Thinking to himself, Duan Yu showed a smile, nodded and said, "Okay, then I will listen to you. Let's go back first, and then make plans after finding out about Yue Feng's movements."

Zhou Qin snorted and said no more. With Duan Yu and Su Qingyan, as well as the masters of various sects, they returned to Emei.

the other side.

Yue Feng led the army, followed the traces of Duan Yu and Su Qingyan, and returned to the Earth Circle Continent.

However, as soon as they returned to the Earth Circle Continent, all clues about Duan Yu and the two were cut off.

It was as if Duan Yu and Su Qingyan had disappeared out of thin air.

This made Yue Feng extremely annoyed.

At this time, in the mountain forest several hundred kilometers away from Zhongzhou City, Yue Feng stood on the hillside, his face extremely gloomy, next to Hong Fei and the many generals of the Black Cavalry Army, all bowed their heads in silence, not daring to let out the air.

Just now, Hong Fei and the Black Cavalry Army expanded their search scope, but they still did not find any trace of Duan Yu.

Nima.

At this moment, Yue Feng slammed the rock next to him, indescribably annoyed.

Two big living people, if they don't see it, they will disappear.

This is so weird.

At this time, Yue Feng didn't know that Duan Yu and Su Qingyan were both in the Emei faction, so he naturally couldn't find their whereabouts.

“Your Majesty!”

At this moment, Hong Fei came out and asked cautiously, “What should I do next?”

Huh!

Yue Feng took a deep breath, thought about it, and said solemnly, “Go to the Ouyang family first.” His voice was flat, but Yue Feng’s face showed a bit of worry.

On the way back to the Earth Circle Continent, Yue Feng had guessed Duan Yu’s thoughts, and he must be looking for trouble with the Ouyang family to deal with him.

But now, since the whereabouts of Duan Yu and the two of them cannot be found, they must hurry to the Ouyang family and make arrangements to take precautions.

After thinking about these things, Yue Feng didn’t stop at all, he took the army and rushed towards Zhongzhou City.

After several hours of rushing, Yue Feng took the army and finally arrived in the suburbs of Zhongzhou City. However, the army of tens of thousands was too much attention. In order not to cause panic among the citizens of Zhongzhou City, Yue Feng had the army stationed on the hills in the suburbs.

After making arrangements, Yue Feng returned to the Ouyang family alone.

The sun is shining today, and Zhongzhou is full of bustling and lively scenes, but the Ouyang family mansion is unusually calm.

Yue Feng saw from a distance that at the gate of the Ouyang family, there were usually disciples of the family who took turns to stand guard, but today there was no one.

what’s the situation?

Yue Feng frowned secretly, and quickly approached the courtyard. After entering, he saw the pleasant scenery in the courtyard. If it was usual, there must be many family disciples walking and playing, but today, there was no one to be seen. Dead breath.

“Young master?”

“Young master is back!”

When they were about to reach the hall, several family disciples gathered around, all excited, with expressions of grief and indignation on their faces.

“Brother?”

Hearing the movement, Meihui in the hall quickly ran out, and when she saw Yue Feng, Meihui's tender body trembled with excitement: "Brother, you are back, you are finally back..."

Chapter 1974

When the words fell, Meihui threw herself into Yue Feng's arms and wept with joy: "I thought my brother was in trouble in Xicang Continent..."

Yue Feng smiled and patted Meihui's shoulder to comfort: "Okay, okay, brother, isn't it okay? Huh?" As

he was talking, Yue Feng was shocked when he noticed Meihui's state.

Seeing that Meihui's face was extremely pale, not only that, but Dantian was also suppressed by a strange force, and the whole person was extremely weak.

"Meihui, what's the matter?" Yue Feng asked quickly.

Whoops!

Mei Hui opened her mouth and was about to speak when she saw Wen Chou Chou, Sun Dasheng, and Ren Yingying all come to the hall one by one.

After Zhou Qin forcibly took Hei Tian Pill, everyone was disheartened and desperate. They locked themselves in the room and stopped going out. Just now, when they learned that Yue Feng was back, everyone was very excited, and they all hurried. Out.

"You..."

At this moment, Yue Feng was taken aback when he saw the state of everyone.

Yue Feng saw that Wen Chou Chou, like Mei Hui, all looked sluggish, their internal strength was suppressed, and they were very weak.

How could this be?

Yue Feng was shocked and angry, and at the same time looked at everyone suspiciously: "What happened?"

Alas!

Everyone looked at each other and sighed almost at the same time. Immediately, Wen Chou Chou came out and explained the situation in detail.

At the end of the story, Wen Chou Chou's face was cold and grief-stricken: "Fengzi! Zhou Qin was deceitful for a long time. At that time, he arrested us, but deliberately did not kill us. Instead, he forcibly gave us poison. The purpose is to let you see our poisoning. death scene."

Then, Wen Chou Chou looked at Yue Feng and said earnestly: "He did this to completely anger you, to destroy your will, you must not be fooled." The

voice fell, and Sun Dasheng said loudly: "Yes, Fengzi, If we die, we will die, you just want to avenge us, don't be dazzled by anger."

Ren Yingying and Qin Rongyin next to them did not speak, but nodded silently.

However, in their eyes, in addition to resentment, there is also deep reluctance.

Ren Yingying, Qin Rongyin, and Xiao Yuruo, who were present, did not go through a lot of ups and downs with Yue Feng and finally came together. Seeing that they were about to blossom and bear fruit, they were all poisoned and would soon die. It doesn't feel good to change anyone.

Bang!

Hearing this, Yue Feng's eyes were extremely blood red, and he slammed down the table, gritted his teeth and roared: "Zhou Qin!!!"

Mad, this vicious woman again.

At this time, Yue Feng's heart was completely enveloped by anger.

Yue Feng thought that Duan Yu would be the first to trouble the Ouyang family. After all, he had seized his throne, and with Duan Yu's revengeful personality, he would definitely come to the Ouyang family for revenge.

Unexpectedly, Zhou Qin actually took the lead, and also used such despicable means to poison everyone.

With the anger rising, Yue Feng thought of the medicine pill that everyone was taking, the Black Heaven Pill.

Heitian Dan, I have never heard of it, and there seems to be no record of Wuji Dan.

Over the years, Yue Feng has already memorized the Wuji Pill Technique, and what kind of pills are recorded in it, Yue Feng can almost memorize it like a few treasures.

However, Yue Feng did not give up, took out the Wuji Danshu, and read carefully page by page.

Half an hour later, Yue Feng closed the Wuji Danshu with a decadent look on his face. He remembered correctly, there is indeed no record of Hei Tian Pill in Wuji Pill.

Nima!

At this moment, while Yue Feng was furious, he was also extremely surprised.

Didn't Zhou Qin know nothing about alchemy? When did you learn to make medicinal pills, and it was a very rare poison like Heitian Pill?

At this time, Yue Feng still didn't know that the Heitian Dan refined by Zhou Qin had never been learned from the Indestructible Classic.

The Sutra of Immortality is a unique skill of Zhang Jiao who conquered the world and controlled the Yellow Turbans thousands of years ago, and naturally it will not spread to the rivers and lakes.

Chapter 1975 Right

!

Suddenly, Yue Feng's light flashed, and when he thought of something, his eyes suddenly lit up.

Brother Wen said just now that the Heitian Pill they took was similar in effect to the Tongtian Pill of Tongtian Sect at that time, but the medicine was ten times stronger.

I know how to refine the antidote of Tongtian Pill, and I will use ten times the amount of medicine later to refine the antidote, right?

Thinking about it, Yue Feng suddenly got excited, and quickly ordered to the family disciple next to him: "Quick, prepare the herbs for me, and remember them clearly.

" Say it.

The disciple did not dare to neglect, and after he remembered it clearly, he hurriedly went out to prepare.

After a while, the disciple came back and brought back several large bags, all of which were all the ingredients that Yue Feng needed, hehe herbal medicine.

Yue Feng did not hesitate, and in the hall, he set up a furnace to light a fire and began to refine the antidote.

call!

At this moment, looking at Yue Feng's busy appearance, Wen Chou Chou and Ren Ying Ying didn't speak, but they were all moved and looked forward to it.

Yue Feng's achievements in alchemy have long been famous in the world, and he must have a way to refine the antidote.

Bang!

Half an hour later, I heard an explosion from the elixir furnace, followed by smoke, and a fragrance of elixir filled the hall.

haha... done!

Yue Feng was overjoyed and immediately opened the elixir furnace to see that there were dozens of refined elixir in it, all of them lustrous and lustrous.

"Ha ha.."

At this moment, Sun Dasheng laughed loudly, came over, and gave Yue Feng a thumbs up: "Fengzi, I know you have a solution, and you can find the antidote so quickly, Mad, I thought I was doomed. , I even wrote a suicide note to my family before."

After speaking, Sun Dasheng took out one from the pill furnace: "I'm welcome to eat it first." After speaking, Sun Dasheng raised his head and took the pill. swallowed.

The people around were also very excited, they gathered around and took it one after another.

After taking it, everyone sat there, quietly waiting for the effect.

The smile on Yue Feng's face was also expectant.

hiss.

Two minutes later, Sun Dasheng, who was the first to take it, suddenly frowned and covered his only son with both hands, with a painful expression on his face.

"Great Sage!"

Yue Feng was taken aback and walked over quickly: "How is it?"

Sun Dasheng looked at Yue Feng with a bitter face and said speechlessly: "Fuck, Fengzi, are you an antidote, or a laxative? Ouch, No, I have to go to the toilet quickly."

As

soon as he finished speaking, everyone around covered their only son with pained expressions.

Oops.

Seeing this scene, Yue Feng was both remorseful and annoyed.

Zhou Qin was so cunning and would not do anything he was not sure about. If the antidote for Hei Tian Pill was so easy, it could be refined so easily.

The most taboo thing about medicine pills is to use drugs indiscriminately. Why did you make such a low-level mistake?

But fortunately, Dasheng and Brother Wen took the antidote for their foolishness, but their stomachs were uncomfortable, and their lives were not in danger for the time being.

Thinking about it, Yue Feng's eyes gradually became firm and cold.

I had no choice but to go to the Emei School and ask Zhou Qin for an antidote.

After making up his mind, Yue Feng did not hesitate to tell the family disciples to look after Sun Dasheng and the others, and quickly left the Ouyang family.

Of course, Yue Feng did not forget to mobilize the tens of thousands of troops on the outskirts of Central City.

Half an hour later, Yue Feng led the army and rushed towards Mount Emei.

The ultimate husband in Chinese chapter 1976-1980

Chapter 1976

Mount Emei!

At this time, in the main hall, the masters of various sects gathered together. Zhou Qin sat on the throne with a smile on his face.

Duan Yu and Su Qingyan were placed in the first seat of the VIP.

After Zhou Qin and Duan Yu formed an alliance, as soon as they returned to Emei, they convened various sects to discuss how to deal with Yue Feng.

At this time, Zhou Qin was in a very relaxed mood. With Duan Yu's help, even if Yue Feng leads the Xi Cang army, there is no need to be afraid.

"Sect Master!"

At this moment, Faye Wong walked in quickly and respectfully said to Zhou Qin: "Yue Feng... Yue Feng led an army of tens of thousands and is heading towards Emei." Because of her nervousness, her words trembled. .

Whoa!

The voice fell, and the entire hall suddenly exploded.

"Yue Feng is coming?"

"So soon..."

"Seriously, Cao Cao, Cao Cao is here."

Zhou Qin also trembled, her delicate face could not hide the shock.

Yue Feng is so fast?

However, seeing Duan Yu next to him, Zhou Qin regained his confidence, regained his composure, looked around, and instructed: "Everyone, don't panic, instruct the disciples below to be vigilant and prepare for battle at any time."

This chapter is provided by . Visit for daily update.

"Yes, Alliance Leader!" The factions complied.

At this time, Zhou Qin tilted his head to look at Duan Yu: "Duan Yu, you and Su Qingyan should avoid it first. After getting the order from this seat, it will not be too late to reappear."

Zhou Qin could guess that Yue Feng was aggressive . He must have come here to give the Ouyang family an antidote.

Under such circumstances, Yue Feng would definitely not dare to act rashly, but it was hard for him to say when he saw Duan Yu. After all, the hatred between Yue Feng and Duan Yu was too deep, so let Duan Yu avoid it first. .

In Zhou Qin's heart, all he wanted was to make Yue Feng kneel to himself and admit his mistake in public, but he never thought about killing him, and naturally he didn't want him to meet Duan Yu.

Because as soon as the two meet, it is an endless situation, which affects their plans.

"Okay!" Duan Yu responded, and with Su Qingyan, he retreated to the screen behind the main hall.

At this moment, Duan Yu, on the surface, obeyed Zhou Qin's words, but his eyes were gloomy and gloomy.

Zhou Qin, for the time being, I'll give you face first, and once there is a chance to kill Yue Feng, then you can't help it.

Boom!

Just as Duan Yu and Su Qingyan hid, they saw the door of the main hall being kicked open, making a loud noise.

Immediately, a handsome and stylish figure walked in slowly.

It is Yue Feng!

Only Yue Feng is alone!

Yue Feng did not lead the Xi Cang army to attack Emei directly, but let the Xi Cang army surround Mount Emei and break in alone. After all, Yue Feng still has to get the antidote for Hei Tian Pill from Zhou Qin, so he can't do it for the time being.

Um?

The moment he came in, Yue Feng was stunned when he saw the situation in the main hall.

So many people?

I thought that the sudden arrival of the Emei Sect would be caught off guard, but I did not expect that there are dozens of sects here, including Wudang, Shaolin, Tianshan, and the Beggar Gang.

Chapter 1977

At the same time, everyone present was stunned. Everyone thought that this Yue Feng would come in with tens of thousands of troops. Who would have thought that he would come in alone? !

As expected of the Sect Master of Tianmen, with this courage, I am afraid that the world will not be able to find a second one.

“Yue Feng!”

At this moment, Zhou Qin stood up slowly, smiled at Yue Feng and said, “Yue Feng, you are not small, you dare to go straight to my Emei, but there are a lot of adults in this seat, as long as you Respect me as the leader of the martial arts alliance, and obey my orders in the future, and I can ignore it.”

If this happened before, Zhou Qin must have panicked in his heart.

But now it's different, everyone in the Ouyang family is under their own control of life and death, and they are not afraid of Yue Feng's chaos.

Swish!

The moment the words fell, the masters of all sects in the scene locked on Yue Feng tightly, and they all stared at each other.

To be honest, everyone was shocked by Yue Feng's aura just now, but they thought that this was Emei, and Zhou Qin's strength was not weak. Everyone no longer took Yue Feng to heart.

Yue Feng didn't care about the gazes around him, even if all the sects gathered today, he wasn't afraid. At that time, he didn't think about anything, his eyes stared at Zhou Qin urgently, his body trembled: “Zhou Qin, let me ask you, the people of the Ouyang family, Have you been poisoned by you?”

Yue Feng was extremely excited, recalling the weakness of Wen Chou Chou and everyone's weakness, Yue Feng's fist couldn't help clenching.

“Yes, it's me.” Zhou Qin smiled and nodded: “Those people in the Ouyang family are disrespectful to this seat, of course I will teach them a good lesson.

” After speaking, Zhou Qin looked at Yue Feng playfully and continued: “Speak Get up, if it wasn't for your sake, I would have killed them all at that time and wouldn't let them live until now.”

Seeing Yue Feng's angry look, Zhou Qin felt indescribably happy.

Swish!

Yue Feng only felt a pain in his heart, his eyes were blood red, and he gritted his teeth and roared: “Zhou Qin, don't be hypocritical, we have grievances, why do you want to hurt innocent people when you come to me?”

Brother Wen and the Great Sage They won't say anything, Mei Hui is such a lovely girl, she is cruel and poisonous.

Just too nasty.

"Innocent?"

Zhou Qin put away his smile, bit his lip, and said coldly: "Back then, at the ancient tomb of Lv Bu, Sun Dasheng and Wen Chouchou chased and killed me all the way. If it wasn't for my fate, I would have died long ago, and the Ouyang family Those people are everywhere preaching how hateful, how sinister and vicious I am, destroying the reputation of this seat, you say they are innocent?"

Nima!

Hearing this, Yue Feng couldn't help: "Zhou Qin, you don't need to argue, you know what you have done before, and they don't mean you wronged when they say that."

Zhou Qin sneered and said word by word: " Whether it's right or wrong, it doesn't matter what happened in the past, the important thing is that the people in the Ouyang family were poisoned and couldn't live for a few days." As the words

fell, Zhou Qin's smile grew thicker, very proud.

Hearing this, Yue Feng's eyes were red, and he stopped talking nonsense: "Zhou Qin, don't talk nonsense, take out the antidote immediately. Otherwise, there will be no end between you and me."

Wow!

Hearing this, the masters of various sects present suddenly burst into an uproar.

Is this Yue Feng crazy? He broke in alone and threatened the leader of the alliance?

Even if you are the Sect Master of Tianmen, or the Emperor of Xi Cang Continent, are you so arrogant, are you too confident?

Zhou Qin understood Yue Feng's personality and was not angry at all. On the contrary, there was a smile on his face, and she said jokingly: "Okay, I can give you the antidote, but there is one condition."

"Speak!" Yue Feng coldly cold road.

Zhou Qin's eyes flickered, and she said with a smile: "You kneel down and apologize to me now, saying that you have done something wrong before. Be more sincere. Maybe I will forgive you and give you the antidote.

” Qin’s smiling face is full of happiness, seemingly casual, but her heart is full of expectations.

For so many years, I have been against Yue Feng everywhere, and the ultimate goal is to make Yue Feng regret, and in front of me, let go of my dignity and beg myself for forgiveness.

Chapter 1978

Swish!

Hearing Zhou Qin ask him to kneel, Yue Feng frowned, and then smiled coldly: “Zhou Qin, you have no shame.”

This Zhou Qin has done so many bad things, and he hasn’t settled with her yet. , but in turn, let yourself kneel down and apologize, isn’t this shameless.

“You...”

Zhou Qin was originally smiling, but when she saw Yue Feng’s attitude, her face instantly flushed red, and she was indescribably annoyed.

This Yue Feng, in front of so many people, embarrassed himself over and over again, the first time he could ignore it, but the second time he indulged him, where would he put his face in the future?

“Yue Feng. What are you?”

At this moment, in the crowd next to him, Tang Qingyun rushed out, pointed at Yue Feng and scolded: “The leader of the alliance has already given you a lot of face, but he is so ignorant of flattery, and he is still insulting the leader of the alliance. Disrespectful words, courting death!” The

voice fell, a sword appeared in Tang Qingyun’s hand, and then his body flashed, and the long sword stabbed directly at Yue Feng’s heart.

To be honest, if it was normal, Tang Qingyun would not dare to do this, after all, Yue Feng is very strong.

But now, Yue Feng came to ask for the antidote, and Zhou Qin was watching, so Tang Qingyun didn’t panic at all. He believed that Yue Feng would not dare to act rashly before he got the antidote.

Seeing Tang Qingyun rushing towards him, Yue Feng clenched his fists tightly, and his anger was released. Fang Tianhuaji appeared instantly and directly greeted Tang Qingyun.

clang!

The next second, Fang Tianhua halberd and the long sword violently collided, making a loud noise, and seeing Tang Qingyun groaning, the whole person flew straight up, flying dozens of meters away, and finally fell outside the hall door. A mouthful of blood spurted out, his face pale.

Made.

At this moment, Tang Qingyun trembled all over, staring at Yue Feng, frightened and angry.

I thought that Yue Feng would not dare to fight back, and he could show it in front of Zhou Qin, but he did not expect that everything was beyond his expectations.

“Jumping the beam clown.” Yue Feng said coldly, his eyes

fixed on Zhou Qin, and he roared: “Zhou Qin, I will give you one last chance, hand over the antidote immediately, otherwise, I will let you blood stain the hall today, Step on Mount Emei.”

“Today, I will let you dye the hall with blood and step on Mount Emei.”

This roar echoed throughout Mount Emei.

call!

Hearing this, the entire hall was silent.

The masters of various sects present looked at each other in dismay, and their hearts trembled when they were shocked by Yue Feng’s words.

If it were anyone else, they would definitely burst into laughter, but Yue Feng was different, not only the Sect Master of Tianmen, but also the Emperor of Xi Cang Continent.

More importantly, tens of thousands of troops are waiting for orders outside the mountain gate. He has absolute strength.

Swish!

Zhou Qin’s pretty face flushed with anger, and her delicate body trembled.

The next second, Zhou Qin suddenly stood up, pointed at Yue Fengjiao and shouted: “What are you doing, everyone, take him down for me.”

In front of everyone, it's fine to make fun of himself, and even hurt his subordinates , and now he threatens to step on Emei, and no one else can bear it.

wow.

The voice fell, and the masters of various sects did not dare to neglect, and they all urged their inner strength to surround Yue Feng.

To be honest, these sect masters really don't want to fight against Yue Feng, but they have no choice. They have taken Zhou Qin's Hei Tian Pill one by one, and her life is in her hands. Who dares to resist.

"Death, die for me."

Seeing the masters of various sects coming under siege, Yue Feng roared furiously, holding Fang Tianhua halberd tightly, and attacking him directly.

At the same time, Yue Feng screamed in the sky, directed at the tens of thousands of troops outside the mountain gate, and issued an order: "The whole army listens to the order and takes everyone from Mount Emei to me, and not a single one."

When he shouted this sentence, Yue Feng's eyes were extremely blood red.

No matter how much he pays today, he will get the antidote from Zhou Qin.

"kill!"

Chapter 1979

Hearing the order, tens of thousands of troops, howling in the sky, poured into Mount Emei like a tide, and the two sides fought fiercely.

call!

Seeing this scene, Su Qingyan, who was hiding in the dark, couldn't help but take a breath, feeling a little flustered in her heart. This Yue Feng is so strong, with a large army, Emei and various sects, can he stop it?

Duan Yu, who was next to him, noticed the change in Su Qingyan's expression, smiled slightly, and comforted softly: "Senior sister, don't panic, Yue Feng can't win!

" It's gloomy.

The battle is getting fiercer.

It has to be said that the overall strength of the Xi Cang army is indeed among the best in the Kyushu Continent, with a stellar reputation.

In less than ten minutes, I saw the masters of various sects, being beaten and retreating, very embarrassed, many people were injured, and blood was constantly spilled, almost dyeing the ground of the entire hall red.

“Junior brother.”

Seeing this scene, Su Qingyan became a little worried: “Should we help?”

Su Qingyan lost her memory and completely forgot what kind of person Zhou Qin was. She only knew that Zhou Qin and her junior brother were allied with each other. , is his own, now that the ally is in a bad situation, naturally he has to go up to help.

“No!” Duan Yu shook his head gently and whispered: “Even if you want to help, now is not the time.” When

he said this, Duan Yu's face was calm, but his eyes flashed with cunning.

Duan Yu thought about it, and when the right opportunity came, he would attack Yue Feng and try to hit him hard.

Um!

Hearing this, Su Qingyan nodded and said no more.

After these days of contact, Su Qingyan trusts Duan Yu very much, almost obeying every word.

Seeing that the situation was getting worse and worse for him, Zhou Qin's pretty face flushed red, her eyes twinkled, and her heart was full of anger.

“Yue Feng.”

Finally, Zhou Qin couldn't bear it any longer and shouted: “If you don't want Liu Xuan to die, stop immediately!” At

the moment when the words fell, several Emei disciples, with Liu Xuan, Zhu Rong and Shen Nong, who were tied up with five flowers, The three entered the hall through the side door.

Speaking of which, the three Liu Xuan had been brought out of the dungeon long ago, and had been guarded outside.

Zhou Qin originally thought that Yue Feng had some scruples in his heart and would not do it, but he did not expect that Yue Feng had completely lost his mind.

At this time, Zhou Qin didn't realize how important the people of the Ouyang family were in Yue Feng's heart. They were completely Yue Feng's relatives. If their relatives were poisoned, could Yue Feng not be crazy?

Swish!

Hearing Jiao's drink, Yue Feng didn't stop, but subconsciously looked towards Zhou Qin.

Seeing this, Yue Feng's body was shocked, and the whole person was stunned.

Xuan'er?

Yue Feng saw that Liu Xuan was tied up with five flowers, her delicate face was pale and weak, and she had obviously suffered a lot. Not only that, but she also had Big Brother Shennong and Senior Zhu Rong by her side.

what happened?

Big Brother Zhu Rong and Senior Shennong, who are both peerless powerhouses, were even caught by Zhou Qin.

At this moment, Yue Feng was shocked and even more angry at the same time.

"Husband!" Seeing Yue Feng, Liu Xuan was surprised and couldn't help calling out, but her voice was very soft. These days, Liu Xuan was locked in a dungeon, unable to eat or sleep well, and had no strength to speak. .

Zhu Rong and Shen Nong next to him were extremely embarrassed.

He is a peerless and powerful person who has been famous for a long time, but he was caught by a young girl like Zhou Qin, which is too embarrassing.

"Xuan'er, don't be afraid." Yue Feng roared loudly.

"Yue Feng!"

At this moment, Zhou Qin didn't hesitate at all, and walked over with a long sword firmly on Liu Xuan's neck, and said coldly, "Don't stop, I'll kill her immediately."

"Stop, stop. "Yue Feng didn't hesitate, his eyes were blood red, he roared wildly, and his voice was hoarse.

Chapter 1980

At this time, Yue Feng could not wait to kill Zhou Qin immediately. But he dared not act rashly.

Yue Feng saw that Zhou Qin's long sword was clinging to Liu Xuan's neck, as long as she exerted force, Xuan'er would be finished.

call!

In an instant, tens of thousands of Xi Cang's army and masters of various sects stopped one after another, and at the same time all eyes gathered.

In particular, the Xi Cang army has complicated eyes.

It is a pity that His Majesty asked to stop when he clearly had the upper hand.

"Zhou Qin!" Yue Feng glared at Zhou Qin, and said hoarsely,

"

Let Xuan'er be released immediately." Don't worry, as long as you are obedient, I will not hurt her."

After speaking, Zhou Qin's face sank, and she said coldly, "Kneel down immediately and apologize to this seat. As long as you are sincere, I will not only let Liu Xuan go. , I'll give you the antidote for the Heitian Pill and let you save the people of the Ouyang family, if you still refuse, don't blame me for being cruel."

When she said the last sentence, Zhou Qin clenched her lip with a firm attitude. Undoubtedly.

Zhou Qin hated Yue Feng because of her love and hatred. Seeing Liu Xuan being so nervous, she immediately felt jealous.

call!

Yue Feng did not answer, but clenched his fists tightly, his eyes blood red.

At the same time, the entire hall was also silent, and a drop of a needle could be heard clearly.

Everyone's eyes are focused on Yue Feng.

Especially the masters of various sects, their eyes flickered, and their moods were secretly emotional.

Sure enough, the ally is still powerful.

In a few words, Yue Feng was stunned.

If Yue Feng knelt down again, the leader of the alliance would be famous in Kyushu. You must know that Yue Feng has always been rebellious. When did he bow his head to others and obey?

“Okay, I’ll kneel…”

Finally, Yue Feng took a deep breath and stared at Zhou Qin: “I hope your words count.” Immediately, Yue Feng put away Fang Tianhuaji and knelt down.

“Your Majesty.”

At this time, Hong Fei stepped out of the Xi Cang army and shouted at Yue Feng eagerly, “You can’t kneel.” The

voice fell, and many soldiers responded.

“Yes, Your Majesty’s body is all gold, why should you bow your head to a woman?”

“Absolutely not, Your Majesty.”

In the hearts of these tens of thousands of Xicang army, Yue Feng is the emperor of Xicang Continent, and every word and deed represent With the face of Xi Cang Continent, if he knelt down to Zhou Qin today, he would definitely become the laughing stock of other continents.

“Shut up.” Yue Feng was too lazy to explain and roared.

When the voice fell, Hong Fei and tens of thousands of soldiers immediately shut their mouths.

puff.

The next second, Yue Feng bent his knees, knelt down towards Zhou Qin, and said word by word, “Zhou Qin, I used to be sorry for you, please forgive me, give me the antidote, and let Liu Xuan and the others go… ..”

When he said this, Yue Feng’s face did not fluctuate in the slightest, and his tone was very sincere.

Seriously, kneeling down to a woman like Zhou Qin made Yue Feng extremely conflicted.

But no way.

Xuan'er and the lives of everyone in the Ouyang family are in her hands. If something happens to these people, and she will lose her relatives and friends, what's the point of living?

Whoa!

Seeing this scene, the masters of all sects are inexplicably excited.

"I'm going, really kneeling?"

"Haha, as expected, the leader of the alliance is still powerful..."

The morale of Xi Cang's army of tens of thousands of people fell one by one.

call!

And Su Qingyan, who was hiding in the dark, was also stunned by the scene in front of her, her eyes fixed on Yue Feng, and a complex feeling rose in her heart.

This Yue Feng said that he was shameless, and he did not compromise on means to achieve his goals.

But at this moment, for the sake of his woman and family, he would rather put down all his dignity and his status as an emperor, and kneel to Zhou Qin. It's amazing to be able to bend and stretch.

At this moment, Su Qingyan's thoughts on Yue Feng changed a little at this moment.

"Haha..."

At this time, Duan Yu, who was next to him, couldn't help but chuckle and said to himself: "Being trapped in the love of children, Yue Feng, you will be like this in your life." The

voice was very low, Except for Su Qingyan, no one else could hear it.

"Junior brother, what did you say?" Su Qingyan was stunned for a while, and couldn't help but ask softly.

"Oh, it's nothing."

Duan Yu responded and explained with a smile: "I mean, this Yue Feng is too lecherous, and will eventually be punished because of a woman."
