

The ultimate husband in Chinese chapter 1981-1990

Chapter 1981

Hmm!

Hearing this, Su Qingyan responded and said nothing more.

call!

At this moment, Zhou Qin, who was sitting on the throne, quietly looked at Yue Feng, who was kneeling in front of him.

how many years.

Zhou Qin was looking forward to this scene in his dreams. Yue Feng could kneel in front of him and beg for forgiveness. At this time, this dream finally came true.

At this moment, Zhou Qin showed a smile, and his heart was indescribably happy.

However, after enjoying herself, Zhou Qin felt an inexplicable emptiness and confusion.

What if it did? Can you and Yue Feng return to the previous state of intimacy?

Can Yue Feng still accept himself?

“Zhou Qin.”

Just when Zhou Qin was thinking about this, Yue Feng looked up at her and said word by word, “I’ve already kneeled down to apologize to you, so you should keep your promise.”

When he said this, Yue Feng’s eyes were extremely indifferent.

Yue Feng thought about it, as long as Zhou Qin kept his promise, released the three Liu Xuan, and gave the antidote to Hei Tian Pill, the grievances between himself and her will be written off, and no one will owe anyone.

“Okay!”

This chapter is provided by . Visit for daily update.

Zhou Qin and Yue Feng looked at each other for a few seconds, then nodded slowly: “I, Zhou Qin, will do what I say.”

In Zhou Qin's heart, he once hated Yue Feng so much, but he never thought about killing him. After meeting Yue Feng, Zhou Qin still retains a trace of emotion towards Yue Feng in the bottom of his heart.

Seeing Yue Feng now, kneeling down and apologizing in front of him, all Zhou Qin's obsessions were instantly put down.

Said, Zhou Qin withdrew the long sword, and then took out a bottle of medicine pill.

It is the antidote of Hei Tian Pill.

At this moment, Yue Feng quickly stood up, extremely excited.

"Go to hell, Yue Feng!"

However, no one thought that at this moment, suddenly, a loud shout came from behind! Immediately afterwards, a figure, with rapid lightning, rushed from behind Yue Feng and slapped Yue Feng with a palm!

It was Duan Yu!

The reason why Duan Yu has been hiding is that he is waiting for the opportunity to sneak attack. Originally, he interrupted and waited for Yue Feng and Zhou Qin to lose both, and then shot, but he did not expect that Yue Feng would kneel to Zhou Qin. And Zhou Qin kept his promise and prepared to give Yue Feng an antidote.

Between Duan Yu and Yue Feng, there is no end to death, and the hatred and grievance are endless. How can such a thing be allowed to happen?

But at this time, seeing that Yue Feng's attention was all on Zhou Qin, Duan Yu did not hesitate and made a decisive move.

hum!

Rushing to the front, a powerful breath burst out from Duan Yu. .

"Duan Yu!!!"

At this moment, seeing Duan Yu, Yue Feng was shocked, his eyes were blood red, and he roared with gnashing teeth.

At this time, Yue Feng never expected to see Duan Yu at the Emei School.

No wonder Duan Yu's whereabouts were never found before, it turned out that he was hiding in Emei.

“Yue Feng!” The corner of Duan Yu’s mouth rose slightly, unable to hide his excitement and hatred, and said coldly: “I said, I want to kill you with my own hands, this is God’s will, you, go to hell!” The

voice fell, Duan Yu’s inner strength surged, and he shot it out with one palm.

“Husband, be careful!” Seeing this scene, Liu Xuan couldn’t help but exclaimed, worried.

At the same time, Zhou Qin’s body trembled, and she was furious. She yelled at Duan Yu Jiao: “Duan Yu, you... who asked you to show up and attack? Stop!”

When he formed an alliance with Duan Yu before, It has already been said that how to deal with Yue Feng, all actions are up to you.

At this time, seeing Duan Yu breaking his promise and attacking Yue Feng from behind, Zhou Qin was very angry.

After drinking Jiao, Zhou Qin wanted to rush over, but it was too late.

boom!

Duan Yu’s speed was too fast, Yue Feng had no time to react, this palm slammed into Yue Feng’s junior, and he heard a dull vibration, Yue Feng’s blood spurted wildly, and the whole person flew out at once.

Pfft!

After flying for more than 100 meters, Yue Feng sprinkled a rain of blood in the air, and finally fell heavily on the square outside the main hall. The pain came, and he almost fainted.

Yue Feng clearly felt that several of his ribs were broken, the blood in his body was surging, and the inner strength of his dantian was all disordered!

Huh..

Yue Feng is sweating profusely, Duan Yu’s palm is too strong! Fortunately, I have pure yang internal force to protect my body, which offsets part of the power. Otherwise, I would be dead.

“Husband!” Liu Xuan cried out in pain, tears welling up.

Zhou Qin was also anxious and couldn’t help shouting, “Yue Feng, how are you?”

When he said this, Zhou Qin wanted to run over and help Yue Feng up, but he held back his identity.

In Zhou Qin's heart, although he hated Yue Feng very much before, he never thought of letting him die, but seeing him seriously injured at this time, he suddenly became worried.

Chapter 1982

Zhou Qin really wanted to run over and help Yue Feng up, but holding her own identity, she held back.

In Zhou Qin's heart, even though he hated Yue Feng very much before, he never thought of letting him die, but when he saw that Yue Feng was seriously injured, he suddenly became worried.

hiss!

At this moment, there was an uproar around, and the masters of various sects were staring at Duan Yu, unable to hide the shock in their hearts.

This section of Yu is indeed a legend in the Xi Cang Continent.

The timing was so good.

And Hong Fei and Xi Cang's tens of thousands of troops were shocked and angry. This Duan Yu actually attacked while His Majesty Yue Feng was relaxing his guard!

"Hahaha..."

Duan Yu didn't care about the gazes around him, he was very excited, he laughed up to the sky, and sneered at Yue Feng: "Yue Feng, didn't you expect it? I said, I will regain everything I lost. Yes, and you will eventually die in my hands."

"Duan Yu!"

Yue Feng's face was pale, staring at Duan Yu, and said coldly: "You only have this ability, you will only sneak attack, I don't know who it is, like a bereaved dog, fled from Xicang Continent to Di Yuan Continent, and still hid in Emei."

At this time, Yue Feng was very annoyed.

Why did you relax just now?

Thinking to himself, Yue Feng gave Zhou Qin a cold look, Nima, he still underestimated this woman.

In Yue Feng's heart, he thought that Duan Yu's surprise attack was Zhou Qin's arrangement.

call!

Feeling Yue Feng's gaze, Zhou Qin's delicate body trembled, and her heart was extremely complicated.

Is Yue Feng doubting himself?

"Okay, very good!"

At this moment, Duan Yu's face was ashen, unable to hide the anger in his heart, he sneered at Yue Feng: "Yue Feng, I admire your bloody nature, you are dying, and you are still stubborn."

Said With that, Duan Yu's mouth raised a trace of cruelty: "Don't worry, I will not kill you immediately, I will cut off your limbs and torture you slowly, and see how hard you can be." The

voice fell, Duan Yu slowly walked towards Yue Feng.

"Escort!" At this moment, Hong Fei roared angrily, and suddenly, hundreds of soldiers rushed forward and blocked in front of Yue Feng.

Hong Fei stepped out quickly, summoned a long spear, and pointed at Duan Yu: "Duan Yu, you actually used such a despicable method to seriously injure Your Majesty and seek death!" The

voice fell, and Hong Fei rose into the air!

Swish swish...

At the same time, hundreds of black cavalry soldiers followed closely behind, bursting with internal force and rushing directly towards Duan Yu!

In an instant, Hong Fei and hundreds of soldiers burst out with aura that distorted the sky, and the momentum was astonishing.

However, Duan Yu did not panic at all.

"Since you are going to die, I will fulfill you." An icy voice came from Duan Yu's mouth, as if from hell.

The next second, Duan Yu clenched the Heavenly Axe tightly, a trace of cruelty evoked at the corner of his mouth, and swung the axe out fiercely!

“Roar!”

Only a dragon roar was heard, emanating from the giant axe. The next moment, a touch of golden light seemed to tear the world apart and swept towards Hong Fei and hundreds of soldiers!

“Death to me!” Duan Yu roared loudly!

“Ah!”

Jin Mang was as fast as thunder and lightning, Hong Fei and the hundreds of soldiers didn't have time to dodge, they heard a scream, and then, one by one, they fell from the air and fell into a pool of blood.

hiss!

Seeing this scene, everyone present, be it Zhou Qin, masters of various sects, or the rest of the Xi Cang army, couldn't help gasping for air!

This... the power of this axe is really terrifying!

Chapter 1983

“A bunch of ants, dare to block me?” Duan Yu said coldly, his expression extremely proud.

Immediately, Duan Yu looked around and said coldly: “Who else is not satisfied, just come up.” The

voice was not loud, but there was a palpating aura.

quiet!

The audience was silent, and everyone didn't dare to take a breath.

The Xi Cang army lowered their heads one by one, not daring to look at Duan Yu.

“Your Majesty.” At this moment, a general came out of the crowd, knelt down to Duan Yu in public, and said respectfully: “My minister Huang Hu, see your Majesty.”

Huang Hu, the deputy commander of the Black Cavalry Army, has a smooth personality. Fei was instantly killed by Duan Yu, and in order to save his life, he hurriedly pledged allegiance to Duan Yu.

“Your Majesty, long live, long live.” The remaining tens of thousands of troops also knelt down and shouted in unison.

Although, Duan Yu's method was too despicable and insidious. But the strength is too strong.

hiss!

Seeing this scene, Zhou Qin and the masters of various sects in the Earth Circle Continent were stunned, each with a complicated expression.

This... Duan Yu is like this, he became the emperor again?

In this Xicang Continent, the change of the emperor's position is too arbitrary.

At this time, the masters of various sects still do not know that in the customs of Xi Cang Continent, as long as you have absolute strength, it is very simple to want to be an emperor.

Haha...

Seeing this scene, Duan Yu was very satisfied, raised his hand and motioned everyone to get up.

Immediately, Duan Yu showed a smile and mocked at Yue Feng: "Yue Feng, accept your fate, no one can save you today. Guess, will I cut off your hand or your foot first?"

When the words fell, Duan Yu clenched the Heaven Opening Axe and approached Yue Feng again.

call!

Yue Feng took a deep breath, and his heart was full of sadness.

Nima, is this God's will?

At this moment, Yue Feng was extremely desperate, and at the same time, he looked around the audience, trying to find Su Qingyan's figure.

Qingyan was always with Duan Yu, Duan Yu appeared, and Qingyan must be nearby.

However, Yue Feng looked around and didn't see Su Qingyan's figure. He didn't know that Su Qingyan was still hiding in the dark at this time. She didn't expect that Duan Yu would suddenly appear and attack Yue Feng.

However, Su Qingyan trusted Duan Yu very much. Seeing that his junior brother didn't greet him, he kept hiding.

call!

At this time, when Duan Yu threatened to cut off Yue Feng's hands and feet, Su Qingyan frowned, feeling that it was a bit cruel for his junior and junior brother to do so, but on second thought, Yue Feng had hurt Duan Yu so badly. It is not too much to be cut off by the younger brother.

At this time, Su Qingyan didn't know that what Duan Yu told her before was all fabricated and not true at all.

"Stop!"

Seeing that Duan Yu was getting closer and closer to Yue Feng, Zhou Qin couldn't help it anymore

. , I once hated Yue Feng so much, and I never thought of killing him, how could I allow others to hurt him?

However.

The masters of various sects stood there, motionless, and no one stepped forward to stop Duan Yu.

When I met Duan Yu before, I was deeply shocked by Duan Yu's opening axe. I just saw the power of the opening sky axe again, and everyone was terrified.

To go up is to die, who doesn't want to live?

"A bunch of rubbish."

Zhou Qin got angry, stomped his feet, and then stared at Duan Yu: "Duan Yu, I am here today, you don't want to hurt Yue Feng." The

voice fell, Zhou Qin clenched the long sword, The figure was as elegant as a fright, coming straight towards Duan Yu.

Chapter 1984

Huh!

Seeing Zhou Qin come forward, Yue Feng's mood is indescribably complicated.

Yue Feng could feel that Zhou Qin's anxious and worried look just now was not faked.

But...isn't she wishing she would die right away? Why did you rush out to save yourself at a critical time?

For a time, Yue Feng's mind was in chaos, his head was big, and he couldn't understand anything.

Not

far away, Liu Xuan bit her lip and looked at Zhou Qin who rushed out, her eyes flashing strangely.

Although Zhou Qin acted insidiously and viciously, she really loved Yue Feng in her heart.

As a woman, Liu Xuan is more sensitive, and she can see at once that Zhou Qin still has feelings for Yue Feng.

“Senior sister, I'm here to help you too.”

At this moment, Faye Wong shouted and went straight to Duan Yu.

The surrounding Emei sects did not hesitate at all, and immediately after, in the hall, a long skirt was flying, and Duan Yu was surrounded!

Speaking of which, Faye Wong and these Emei sects are also very afraid of Duan Yu. But there is no way, this situation must help Zhou Qin, if something happens to Zhou Qin, the Emei faction will be completely over.

“Okay, very good...”

Seeing Zhou Qin and the people from the Emei faction gather around, Duan Yu sneered, his face full of jokes: “I have heard for a long time that the Emei faction has been inherited for thousands of years and has a deep foundation, and today I will take a good look at it. I know, but Zhou Qin, if you get hurt later, don't blame me.”

Om!

The voice fell, and a terrifying aura erupted from Duan Yu's body. In an instant, the surrounding air seemed to be stagnant!

Formidable strength, suppressing people panic!

“Crack!”

Immediately afterwards, Duan Yu summoned the Heaven-Opening Axe again and held it tightly.

As soon as the opening axe came out, the temperature of the entire Mount Emei suddenly increased, as if the air was about to burn.

call!

At this moment, the masters of various sects who retreated to the surrounding area broke into a cold sweat for the Emei sect.

Seriously, under the leadership of Zhou Qin over the years, the strength of the Emei faction has improved a lot, and it has become the top sect of the Earth Circle Continent

. At that time, Zhou Qin's delicate face was also full of solemnity.

Afterwards, Zhou Qin took a step forward and said coldly: "All the disciples obey the order and form a sword formation." The

voice fell, and the surrounding Faye Wong and the disciples of Emei were all urging their figures, and each figure was dazzling and dazzling. , surrounded Duan Yu in the middle.

Seeing this scene, Yue Feng's heart was shocked, his blood boiled, and he was very excited.

Could this be...is the Emei School's stunt of the town school, the Xuannv Heavenly Dance Sword Formation?

Yue Feng clearly saw that Faye Wong and the female disciples of Emei not only cooperated tacitly, but also had beautiful postures, and every step was also very subtle and mysterious.

Duan Yu was surrounded by it, and even if his strength was tyrannical, he would not be able to rush out for a while.

According to rumors, the Xuannv Tianwu Sword Formation is the town formation of the Emei School. It has been circulated for thousands of years and has been rumored for a long time in the arena, but few people have seen it.

Therefore, Yue Feng has always heard of this sword formation, but he has never seen it.

Yue Feng guessed right.

What the disciples of the Emei Sect displayed was the 'Xuannv Tianwu Sword Formation'. The Emei faction has not displayed this formation for a long time. Even more than ten years ago, when the Tianqi army attacked the geo-continent, when Donghai City was about to fall, the Emei faction had not been able to show it.

It can be said that the Xuannv Heavenly Dance Sword Formation is the ultimate move of the Emei faction, unless it is absolutely necessary, it will not be easily used.

At this time, in order to save Yue Feng, Zhou Qin couldn't care so much!

With the Xuannv Tianwu sword formation, Duan Yu was temporarily restrained. I saw that those disciples of the Emei Sect, with graceful silhouettes, the long swords in their hands shone with cold light, almost covering the sky, Duan Yu clenched the Heaven-Opening Axe tightly, bursting out with earth-shattering might, but he couldn't rush out.

Chapter 1985

Huh..

Seeing this scene, everyone around was shocked and feasted!

Zhou Qin, Faye Wong, and the female disciples of the Emei School, each one is more beautiful than the other, and their bodies are even more graceful. At this time, they were fighting with Duan Yu in mid-air. The charming posture made many men present look at them. All straight.

At the same time, these sect masters couldn't help but admire secretly.

"Lord Zhou is really amazing. He actually led the disciples of Emei and blocked Duan Yu's opening axe."

"This sword formation is so mysterious, it seems that it is the stunt of the Emei school, the mysterious girl dances the sword formation."

"Today It's really an eye-opener."

Everyone's discussion, you and I came, Yue Feng frowned, and looked at Zhou Qin in the air, and his mood became more complicated.

Sure enough, it was the Xuannv Heavenly Dance Sword Formation.

This week, in order to save himself, Zhou Qin actually used the Emei faction's town formation technique.

Why would she do this?

You want to kill yourself, so you don't want to let yourself die at Duan Yu's hands?

At this time, Duan Yu, who was surrounded, was extremely annoyed and irritable.

I thought that with my own strength, one person could easily deal with the Emei faction, but he did not expect that as soon as they fought, they would be trapped by the sword formation of the Emei faction.

The more Duan Yu thought about it, the more annoyed he became.

Of course, Duan Yu didn't dare to push the power of the Sky-Opening Axe too much, because it was daytime and the masculinity was too strong, and it was easy to be attacked.

Soon, half an hour passed. Duan Yu still had no way to break the Emei Sect's sword formation.

However, Zhou Qin used the sword formation to trap Duan Yu, but there was no way to completely defeat him. After all, the power of the Heaven-Opening Axe was too strong.

During this period, Zhou Qin used the Cui Xian Flute to disturb Duan Yu's state of mind, but what Zhou Qin didn't expect was that the power of the Open Heaven Axe actually had the effect of stabilizing the mind, and the sound of the flute could not affect Duan Yu at all.

In this case, Zhou Qin had no choice but to give up using the Cui Xiandi and put it away.

The battle is getting more and more fierce, but the stalemate cannot be stopped, and neither side can do anything about the other.

Finally, Duan Yu was a little anxious, and roared at the surrounding army: "The whole army obeys the order and sends these people from Emei to me to take them down."

"Kill!" Party crowd.

"Kill!"

At the same time, tens of thousands of troops rushed up like a tide.

At what time, on the battlefield, screams continued to sound.

With the addition of tens of thousands of Xi Cang army, the formation of the Emei faction was immediately affected, and many disciples of the Emei faction fell in a pool of blood.

Bang bang bang!

With the support of the army, Duan Yu was very excited, waving the axe to open the sky, forcing the dozens of Emei disciples back in front of him, and quickly rushed out of the sword formation.

"Haha..."

At this moment, Duan Yu was very excited and proud, and laughed at Zhou Qin: "Zhou Qin, don't be persistent, you are not my opponent. Having said that, you don't hate Yue Feng very much, you can't wait Do you want to slash him with a thousand swords? I cut him every hand and foot, and I'm out of anger for you, so why stop me?"

After speaking, Duan Yu looked around and continued: "Zhou Qin, since we have formed an alliance, don't do it. If your own people beat your own people, I advise you to stop here, if you continue to be obsessed with it, I am afraid that the Emei faction will cease to exist."

At this time, Duan Yu was relaxed and comfortable.

The situation has been controlled by yourself, can you be unhappy?

"Duan Yu, you despicable villain." Zhou Qin's face flushed red, and his delicate body kept trembling: "Don't mention the word alliance to me, it is you who violated the agreement first, from now on, we are not alliances That 's it!"

Duan Yu, without his consent, attacked Yue Feng.

At this time, another fake face appeared.

It is insidious and despicable!

The ultimate husband in Chinese chapter 1986-1990

Chapter 1986

Hearing this, Duan Yu was not angry at all, and said with a smile: "Zhou Qin, since you insist on doing this, don't blame me."

Buzz!

When the words fell, Duan Yu waved the Heaven-Opening Axe, and a terrifying golden light flickered. Immediately, several more disciples of the Emei School fell into a pool of blood.

At this moment, Duan Yu clenched the Heavenly Axe in his hand, like a god of war descending to earth, no one could stop him.

“Zhou Qin!” Duan Yu said with a playful look on his face: “Just to maintain the dignity of his martial arts alliance leader, he insisted on getting along with me, causing the blood of the Emei faction to flow into rivers, is it worth it?”

At this time, Duan Yu thought that Zhou Qin and himself Turning his face, just because he acted without her consent.

In fact, Zhou Qin didn't want to see Yue Feng die.

“You...”

Hearing this, Zhou Qin's face flushed, and he didn't know how to respond. Seeing that more and more disciples of the Emei Sect were falling down, Zhou Qin was completely anxious, and said tenderly, “Duan Yu, you Don't be complacent, with me here, you can't do whatever you want in Emei.”

Om!

The voice fell, Zhou Qin's toes were a little on the ground, and his figure flew up, not shooting Duan Yu, but heading towards the screen next to him.

Behind the screen, it was Su Qingyan.

Zhou Qin thought about it, since he couldn't subdue Duan Yu, he would use Su Qingyan to blackmail him.

In the past, Zhou Qin would definitely not have done this, because Su Qingyan was Yue Feng's woman, and it was impossible to use her to blackmail Duan Yu.

But now Su Qingyan lost her memory, and she and Duan Yu became sister and brother.

This chapter is provided by . Visit for daily update.

More importantly, during the day when Duan Yu came to the Emei School, Zhou Qin could see that Duan Yu was very disciplined and respectful to Su Qingyan. Obviously, Su Qingyan was very important to him.

Under such circumstances, Duan Yu must have panicked when he caught Su Qingyan.

wow.

In an instant, the screen was shattered by Zhou Qin's palm, and Su Qingyan, who was hiding behind, couldn't react at all, so the acupuncture point was sealed, and her delicate body trembled, unable to move.

Light smoke?

Seeing this scene, Yue Feng was shocked, and his eyes were fixed on Su Qingyan, both surprised and happy.

No wonder I didn't see the light smoke just now, it turned out that she was hiding behind the screen.

In this way, Duan Yu was also hiding here before.

Excited, Yue Feng felt a little uneasy when he saw Su Qingyan's acupoint sealed by Zhou Qin.

Zhou Qin, what do you want to do?

At this moment, Duan Yu also frowned and stared at Zhou Qin.

"Duan Yu!"

Zhou Qin didn't talk nonsense. After sealing Su Qingyan's acupoint, the long sword in his hand lay directly on her fair neck, and said coldly, "Stop immediately, or I will kill her."

Huh!

Seeing this scene, Yue Feng only felt that his heart jumped to his throat.

He knew that Zhou Qin's purpose in doing this was to blackmail Duan Yu. He would not do anything to Su Qingyan for the time being, but the sword had no eyes. What if Su Qingyan was injured?

For a while, Yue Feng wanted to speak loudly, but he was so injured just now that he had no strength to speak.

"Senior brother.."

At this moment, Su Qingyan's delicate face was a little flustered, and she shouted at Duan Yu.

Just halfway through shouting, Zhou Qin blocked the dumb hole.

"Zhou Qin, I've been merciful just now." Duan Yu's face turned gloomy, and he said coldly at Zhou Qin, "Don't force me."

Seriously, if it was before, Duan Yu wouldn't care about Su Qingyan. life and death.

But in this short period of time, after contacting Su Qingyan, and feeling her gentleness and kindness, Duan Yu decided to pursue her and completely gain her heart. How could Su Qingyan be allowed to be hurt?

Seeing Duan Yu's reaction, Zhou Qin knew that he had made the right bet, and chuckled lightly, "If you don't believe me, let's try." The

voice fell, and the long sword in Zhou Qin's hand tightened a little, and he saw the sharp edge of the long sword. , cut through the skin of Su Qingyan's neck, revealing a shallow bloodstain.

Nima!

Seeing this scene, Yue Feng was heartbroken and shouted at Zhou Qin: "Zhou Qin, stop..." However, the injury was too severe and her voice was hoarse and weak, and Zhou Qin could not hear it at all.

Swish!

At the same time, Duan Yu's complexion suddenly changed, and his eyes were extremely blood red.

Chapter 1987

"Zhou Qin, you are courting death." A

cold roar came from Duan Yu's mouth, and then, the air around him suddenly condensed! A terrifying force emanated from his body.

"Opening the world!"

In the next moment, Duan Yu roared, only to hear a dragon roar that shocked the world, and then, Duan Yu raised his hand and waved, and the opening axe drew a golden streamer, whistling away. out.

With the momentum of thunder, the Kaitian Axe was like a lightning bolt, and it arrived in front of Zhou Qin in the blink of an eye.

"What?"

"The divine weapon can still be used like this?"

"It's so fast, so powerful."

In an instant, many people stared blankly at this scene, only to feel that their brains were not enough, because the speed of the opening axe was too fast, they I couldn't see clearly, but I could feel the terrifying aura.

What the hell!

At this moment, Yue Feng's expression changed, and he was shocked beyond words.

The method of using this axe is really unpredictable. Can you get out of your hands and use it as a hidden weapon?

It seems that in the future, if you fight against Duan Yu again, you will have to be careful.

I have to say that Duan Yu's angle was very measured, and he saw the opening axe flying towards Zhou Qin, just avoiding Su Qingyan in front of him.

What skill is this?

Looking at the flying axe, Zhou Qin's delicate body trembled, her face paled, and she didn't have time to think about it, she hurriedly placed the long sword in front of her, trying to block it.

clang!

The opening axe and the long sword collided, and a huge shock erupted. Seeing that the long sword shattered directly, Zhou Qin groaned, and was directly sent flying by that terrifying force. It flew more than 100 meters before falling. fall to the ground.

"Sect Master!"

"Sect Master Senior Sister."

Seeing this scene, Faye Wong and many of the Emei sects changed their expressions and exclaimed. As soon as he was distracted, he was flooded by the surrounding Xicang army, subdued them one by one, and tied them up.

For a time, the entire Mount Emei was silent, and the needles could be heard.

"You..."

Zhou Qin's face was pale, and she stared at Duan Yu tightly. It was difficult to accept this fact. She thought that if she caught Su Qingyan, she could force Duan Yu to stop, but she did not expect that Duan Yu would open the axe. It flew over, so amazing and unpredictable.

At this time, Zhou Qin's beautiful face was extremely pale. He pointed at Duan Yu and said a word, but he couldn't say it.

"Zhou Qin!"

Duan Yu sneered and mocked: "I said, you are not my opponent...Pfft..."

Before he finished speaking, Duan Yu was shocked, his face suddenly pale, and he opened his mouth. A mouthful of blood came out, and the whole person instantly slumped and was extremely weak.

That's right, the move that Duan Yu just used to open the sky is a skill that he has only recently learned from the opening axe. However, this skill consumes too much internal energy. In addition, it is daytime, and Duan Yu can't control the power of the opening axe, so he is attacked again.

However, this time Duan Yu was prepared in advance, so the backlash he received was not as severe as the last time, but even so, it would take Duan Yu two days to recover.

Speaking of which, Duan Yu had other ways to prevent the cycle from hurting Su Qingyan.

But those methods were too risky, and it was easy to accidentally hurt Su Qingyan. Duan Yu had no confidence, so he could only use this trick to 'open the sky' and throw the opening axe.

However, even though he vomited blood, Duan Yu still stood proudly, with a formidable aura.

"Junior Brother."

At this moment, Su Qingyan walked over quickly, supported Duan Yu's arm, and said softly, "Are you all right?"

When she said this, Su Qingyan's delicate face was full of expressions. Worry and nervousness.

At the same time, Su Qingyan was also moved indescribably in her heart. In order to save himself, the younger brother forcibly used the power of the Heavenly Axe, and was attacked again.

This apprentice is really kind to himself. "I'm fine." Duan Yu shook his head and smiled. He leaned forward at random and looked at the scratch on Su Qingyan's neck: "I'm sorry, Senior Sister, I didn't protect you just now. Is your injury okay

?"

Duan Yu raised his hand, lifted Su Qingyan's chin, and looked further.

Swish!

In the face of Duan Yu's intimate actions, Su Qingyan's face suddenly turned red, and she said shyly: "It's just a little skin injury, it's fine. Junior brother don't have to worry."

Seriously, Su Qingyan's actions towards Duan Yu, I don't have much resistance in my heart, but it's just that so many people around look at it and feel a little embarrassed. After all, Duan Yu hooked his chin. This action was so intimate that any woman would be shy.

Chapter 1988

Seeing Su Qingyan's shy look, Duan Yu smiled and said nothing more.

call!

Seeing this scene, Yue Feng was very anxious, and his heart was full of disgust. My own woman, who is so close to other men, doesn't feel good for anyone else.

At this time, Yue Feng only felt that a piece of his heart had been dug out, and it was very uncomfortable.

The next second, Yue Feng couldn't help shouting at Su Qingyan: "Qingyan, Qingyan... You really don't remember me?" His voice was extremely hoarse, showing pain.

Hearing the shout, Su Qingyan turned her head to look at Yue Feng, frowning slightly, unable to hide her disgust: "Yue Feng, what tricks are you playing? Why should I remember you? You caused me to lose my memory before, but you still refuse to Leave me alone?"

Su Qingyan's pretty face was icy cold when she said this, without the slightest emotion.

This erotic man wanted to pay attention to himself again.

"I..."

Feeling Su Qingyan's indifference, Yue Feng felt a pain in his heart and opened his mouth, but he didn't know how to answer.

This...

At this moment, Liu Xuan, who was not far away, was also stunned, her delicate face full of doubts and confusion.

What's going on here?

Isn't the relationship between Su Qingyan and Yue Feng always good? But now, why are you so close to Duan Yu, yet so indifferent to Yue Feng?

At this time, Liu Xuan did not know that Su Qingyan had lost her memory and completely forgot everything she had done with Yue Feng.

Haha...

Seeing this scene, Duan Yu showed a smile, and his heart was indescribably happy and proud.

To be treated so indifferently by the woman he loves, Yue Feng's heart must be uncomfortable.

However, Duan Yu still felt that it was not enough, and after a change of mind, he suddenly had an idea.

"Senior Sister!" In the

next second, Duan Yu took Su Qingyan's hand with a serious expression: "Would you like to go back to Xicang Continent with me and be my queen?" To

be honest, Duan Yu wanted to cut it off on the spot. Yue Feng used one hand and one foot, and then slowly tortured.

But it was too cheap for him.

And himself, in front of Yue Feng, confessed to Su Qingyan that as long as Su Qingyan agreed, it would definitely cause a devastating blow to Yue Feng's heart.

Whoa!

As soon as these words came out, there was an uproar in the audience. Everyone present did not expect that Duan Yu would confess to Su Qingyan in public.

Especially in the Earth Circle Continent, the masters of various sects, all of them stunned, looked at Yue Feng involuntarily, their eyes were complicated and flashed with strange light.

"I'm going to... Duan Yu's move is too ruthless..."

"My own woman is confessed by another man. It's my words, so I'll just die."

"Duan Yu is trying to kill someone. Heart, it's amazing..." The

crowd's comments kept coming, Yue Feng didn't seem to hear it, his eyes were blood red, he stared at Duan Yu tightly, and roared: "Duan Yu, damn Nima, don't fight. Qingyan's idea, otherwise, I will smash your corpse into ten thousand pieces."

Duan Yu ignored her at all, looked at Su Qingyan with sincerity, and waited for her response.

But Duan Yu's heart was extremely happy and proud.

Duan Yu confessed to Su Qingyan in public, the purpose was to stimulate Yue Feng, the more angry Yue Feng was, the more happy Duan Yu felt.

call!

Under everyone's attention, Su Qingyan's delicate body trembled faintly, and the whole person was stupid.

Speaking of which, when he first saw Duan Yu in Wangyou Valley, Su Qingyan had a good impression of him. After that, Duan Yu was recuperating in Wangyou Valley, and Su Qingyan took care of him for three days. During those three days, Duan Yu showed a gentlemanly demeanor, which made Su Qingyan even more favorable.

In recent days, Su Qingyan and Duan Yu have experienced so much again, and they have long regarded him as the closest person in their hearts. It can be said that Duan Yu suddenly confessed that Su Qingyan was surprised, but she didn't find it abrupt.

After all, the younger brother is so excellent, and he also has a good impression of him.

Chapter 1989

However, Su Qingyan is a girl after all, so many people around look at her, she is very embarrassed.

At the same time as the surprise, Su Qingyan was still a little hesitant in her heart.

Although the younger brother is good in all aspects, but since we have known each other for such a short time, is it too fast to agree to be his woman?

"Qingyan!"

Seeing the change in Su Qingyan's expression, Yue Feng realized that it was not good, and couldn't help shouting hoarsely: "Qingyan, don't promise him, don't, this person has many tricks and is lying to you. .."

"Qingyan, have you really forgotten about me? I am your man, we have been together for ten years..."

“In the past ten years, we have experienced a lot, you Don't you remember?”

“Withered vines, old trees, dim crows, small bridges and flowing water... Qing Yan, our fate started from this poem, think about it, think about it... You can definitely I remember it.”

At this time, Yue Feng was so anxious when he said this, his voice was hoarse.

Over the years, he and Su Qingyan have experienced too much. It can be said that they are each other's entire world. If Su Qingyan agreed to be Duan Yu's woman, Yue Feng would suffer for a lifetime.

However.

Listening to Yue Feng's cry, Su Qingyan was still indifferent, and there was no slight fluctuation on her delicate face.

After drinking the Wangyou water, Su Qingyan completely forgot about Yue Feng, how could she remember what happened to him before?

Moreover, the more Yue Feng was like this, the more resistance and disgust Su Qingyan felt in her heart.

“Okay!”

Finally, Su Qingyan breathed a sigh of relief, looked at Duan Yu, smiled and nodded, “I promise you.”

When saying this, Su Qingyan's face was filled with a happy smile.

The younger brother confessed to himself in front of so many people, which is enough to show how important he is in his heart, how can he bear to refuse?

Su Qingyan was originally a person who dared to love and dare to hate. At first, he was a little hesitant, but seeing that Duan Yu was waiting for him with sincerity, and Yue Feng, who was arguing constantly, he no longer hesitated.

hum.

Su Qingyan's answer was like an invisible giant hammer, smashing into Yue Feng's heart. In an instant, Yue Feng only felt that his whole brain was buzzing, and a heart was dug away in an instant.

At this time, Yue Feng was shaking violently, his eyes were blood red, staring at Duan Yu, wishing to kill him immediately.

Yue Feng knew in his heart that Duan Yu confessed to Qingyan in order to stimulate himself. Under such circumstances, how could he be good to Qingyan?

However, Yue Feng was so injured that he couldn't stand up, so he could only watch with heartache.

"That's great!" Seeing Su Qingyan's agreement, Duan Yu was overjoyed and smiled, "Then I will call you Concubine Ai from now on."

Hmm!

Su Qingyan bit her lip, unable to hide her shyness, and nodded lightly.

Whoa!

At this moment, the entire Mount Emei also erupted into a heated discussion.

Actually... actually agreed.

Pfft!

At this moment, Huang Hu walked out quickly, knelt on the ground, and congratulated Duan Yu: "Congratulations, Your Majesty."

Immediately, Huang Hu respectfully shouted at Su Qingyan: "My minister Huang Hu, see the Empress."

"See the Empress." The surrounding tens of thousands of Xi Cang army also knelt on the ground and shouted loudly. Loud.

Duan Yu showed a smile, raised his hand, and asked everyone to stand up.

The next second, Duan Yu tilted his head to look at Yue Feng, unable to hide his mockery, and teased: "Yue Feng, even a lecher like you is worthy of a light cigarette idea? Tell you, only I can do it. I can get her."

While speaking, Duan Yu held Su Qingyan's hand tightly, this time, Su Qingyan did not resist and let him hold her, with a happy smile on his face.

"Pfft..."

Seeing this scene, Yue Feng couldn't hold it any longer. Under the rush of fire, a mouthful of blood spurted out, and then his eyes went black, and he passed out.

Chapter 1990

“Yue Feng!”

“Husband!”

Seeing Yue Feng fainting, at this moment, Zhou Qin and Liu Xuan both changed their pretty faces, and they were so worried that they exclaimed almost at the same time.

Immediately, Liu Xuan looked at Su Qingyan anxiously and angrily, and scolded: “Su Qingyan, what’s the matter with you? You know that the person Yue Feng hates most is Duan Yu, why do you want to be with Duan Yu? Together, why do you treat Yue Feng like this? Do you know how sad he is when you do this?”

Speaking of which, Liu Xuan and Su Qingyan didn’t see much, but Liu Xuan also knew that she and Yue Feng had been together for more than ten years. It’s been years, and now seeing that Yue Feng fainted from heartache because of Su Qingyan, Liu Xuan couldn’t bear it any longer.

However, Su Qingyan didn’t even look at Liu Xuan. Yue Feng, a womanizer, and his woman, wouldn’t be a good thing.

At this time, Duan Yu looked around the audience and smiled: “Today, I not only regained the throne, but also found a gentle and kind queen, so I won’t start killing people.” After

speaking, Duan Yu waved He waved his hand: “Lock up Yue Feng and the people from the Emei faction.”

Duan Yu felt that it was not enough just to faint Yue Feng.

Duan Yu thought about it, he wanted to bring Yue Feng back to Xicang Continent, and let him watch with his own eyes, his re-enthronement as emperor, and his and Su Qingyan’s wedding.

“Yes, Your Majesty!” Huang Hu responded quickly, and then ordered the soldiers to bring Yue Feng, Zhou Qin, and Liu Xuan and everyone down.

In a blink of an eye, inside and outside the hall, there were only masters of various sects and tens of thousands of troops around.

At this time, Duan Yu’s eyes slowly swept across the faces of everyone, and sneered: “Your Alliance Leader Zhou is already a prisoner of our ranks. If any of you are dissatisfied and want to save people, you can try.”

The sound was not loud, but it spread throughout the entire Emei Mountain, with a domineering aura.

call!

At this moment, the masters of various sects looked at each other in dismay, each of them did not dare to answer, and there was deep fear in their eyes.

In this paragraph, even Yue Feng and Zhou Qin are not his opponents. Who would dare to challenge him?

Even if he is injured now, there are tens of thousands of Xi Cang troops around.

“Your Majesty!”

At this moment, Tang Qingyun took a step forward and knelt down to Duan Yu in public, with a respectful tone: “Your Majesty is a mighty hero, a hero who stands upright in the world, and the major sects in the Earth Circle, how dare you oppose Your Majesty. If Your Majesty doesn’t dislike it, I, Tang Jiabao, are willing to follow him and swear allegiance to the death.”

When he said this, Tang Qingyun’s face was full of sincerity and flattery.

Tang Qingyun was originally a scumbag, and whoever gained power would swear allegiance. Seeing that Zhou Qin was arrested, Duan Yu had taken control of the situation.

hula.

The voice fell, and other sect masters around also quickly knelt down and opened their mouths to express their attitudes.

“Your Majesty, I, Fuhutang, would like to follow...”

“And me...”

These people are not fools, they know that Duan Yu is ruthless and the situation in front of him, if he doesn’t show loyalty, he will die. Who doesn’t want to live.

“Okay, very good..”

Seeing this scene, Duan Yu was very happy and nodded: “Everyone get up, by the way, I heard that you all took Zhou Qin’s Heitian Pill, this bottle of antidote, you guys Divide it.” With

that said, Duan Yu threw a bottle of antidote, this bottle of antidote fell from Zhou Qin’s body just now when he was severely injured, and Duan Yu happened to pick it up.

call!

In an instant, everyone in Tang Qingyun's eyes lit up, and they hurried over to take the antidote. The reason why these masters of various sects did not dare to disobey Zhou Qin's orders before was because they had taken the Heitian Pill and now have the antidote, how could they be unhappy in their hearts?

"Thank you, Your Majesty, Long En." After taking the antidote, everyone in Tang Qingyun was grateful.
