

The ultimate husband in Chinese chapter 1991-2000

Chapter 1991

“Junior Brother!”

At this time, Su Qingyan next to him smiled lightly and congratulated Duan Yu: “Congratulations, you not only regained the throne, but also hired a group of capable subordinates.”

When he said this, Su Qingyan’s face was full of tenderness, and she was happy for Duan Yu from the bottom of her heart.

Duan Yu couldn’t help laughing up to the sky, the excitement in his heart was indescribable.

What a good day today.

Not only did he capture Yue Feng and regain the throne, he also conquered the sects of the Earth Circle Continent.

More importantly, he also won a peerless beauty like Su Qingyan.

...

At this time, on the other side, in the Emei School dungeon. Duan Yu locked Yue Feng and others in the dungeon.

I don’t know how long I was in a coma, but Yue Feng slowly woke up!

hiss!

The moment he opened his eyes, Yue Feng couldn’t help gasping for air, only to feel sore all over his body. Yue Feng wanted to stand up, but found that his hands and feet were tied tightly, unable to move!

Looking around, I found myself locked in a dungeon. Not far away, Liu Xuan, Zhu Rong, Shennong, and Zhou Qin and the people from the Emei faction were all tied up with five flowers, each with a gloomy expression.

It’s over..

Seeing this scene, Yue Feng’s heart sank.

This chapter is provided by . Visit [for daily update.](#)

Duan Yu was in complete control of the situation, and it seemed that he could not escape death, but it was only Liu Xuan and Zhu Rong who were implicated, and he was really unwilling.

Yes, and light cigarettes.

At the thought of Su Qingyan's promise to be Duan Yu's queen, Yue Feng was heartbroken and at the same time extremely anxious.

"Yue Feng? You're awake."

"Husband, how are you?"

At this time, seeing Yue Feng awake, Liu Xuan and Zhou Qin were both happy and asked.

Yue Feng smiled at Liu Xuan, saying that he was fine and didn't pay much attention to Zhou Qin.

Although Zhou Qin was arrested by Duan Yu in order to save himself, the entire Emei faction was arrested, but thinking of what she had done in the past, Yue Feng didn't want to say a word to her.

Ugh!

Feeling Yue Feng's indifference, Zhou Qin secretly sighed, very disappointed.

The next second, Zhou Qin bit his lip and said softly at Yue Feng: "Yue Feng, I'm sorry, I didn't expect that the situation would develop like this. It's all because Duan Yu is too cunning."

When saying this, Zhou Qin I was very regretful, that Duan Yu was so insidious and cunning, he really shouldn't have formed an alliance with him.

It's just too late to say anything now.

Yue Feng looked indifferent and did not respond.

Zhou Qin was a little anxious, and continued: "Yue Feng, I know you blame me, but I tell you, I never thought of killing you. I drugged the people of the Ouyang family before, just to make you feel uncomfortable, and want you to stay with me. Bow your head in front of you..."

Just before he finished speaking, he was interrupted by Yue Feng.

“Enough.” Yue Feng sneered and said impatiently: “Zhou Qin, you don’t need to be hypocritical anymore, I don’t want to hear these words.”

Zhou Qin heard Yue Feng’s words, but felt a sore nose, tears running down her eyes. Flowing down, the delicate body trembled. After a long time, he wiped away his tears and said seriously: “Okay, since you don’t believe me, I won’t say more, but the people of the Ouyang family have taken Heitian Pill, and they don’t have much time. The antidote tells you. If you have a chance to escape, go and save them.”

Chapter 1992

Speaking of this, Zhou Qin explained all the methods for refining the antidote of Hei Tian Pill.

To be honest, when Yue Feng knelt down to Zhou Qin in public before, Zhou Qin’s obsession disappeared immediately, and all the grievances and grievances he had once let go.

At this time, Zhou Qin just wanted to go back to the past with Yue Feng, so he did his best to remedy it.

call!

Seeing Zhou Qin’s sincere expression, not like a lie, Yue Feng frowned lightly, believing it with suspicion.

Zhou Qin, really repented?

“Brother Yue Feng!”

At this moment, Zhu Rong, who was not far away, couldn’t help shouting: “Don’t believe her words, this girl must be talking about a fake prescription.” After the

voice fell, Shen Nong also replied. “Yes, this girl has many tricks. I’m afraid that what I told you is poison. I want you to refine it and poison your family and friends to death.”

However, Liu Xuan’s eyes flickered and she hesitated. When Zhou Qin tried to save Yue Feng before, Liu Xuan knew that she still had feelings for Yue Feng, and now she told Yue Feng the prescription of the antidote, she definitely wanted to reconcile with Yue Feng, so the prescription could not be fake of.

Just in front of Shennong and Zhu Rong, Liu Xuan was too embarrassed to say these words. After all, Zhou Qin hurt the two seniors too badly, and now they are still angry.

“Two seniors.” Zhou Qin’s delicate face showed bitterness, and said to Shennong and Zhu Rong: “I know, I was wrong before, here I apologize to you, I really know I’m wrong now, I hope You can give me a chance.”

If it was before, Zhou Qin would not have apologized in front of so many people.

But in order to win Yue Feng’s forgiveness, it doesn’t matter.

Hearing Zhou Qin’s apology, Zhu Rong and Shennong both sneered.

This...

Seeing this scene, Yue Feng’s heart was also a little messy. Originally, he believed what Zhou Qin said, but when Zhu Rong said so, he was a little shaken.

However, Yue Feng still took the prescription that Zhou Qin said in his heart, word for word.

Regardless of whether the prescription is true or false, when you have a chance to escape, try it and you will know.

“Yue Feng!”

Seeing that Yue Feng remained silent, Zhou Qin was in a hurry, and what else was going on.

However, at this moment, I heard footsteps coming from outside the door. The footsteps are very soft!

Squeak –

the next second, the cell door was quietly opened with a gap, and then a figure flashed in.

Swish!

At this moment, the eyes of everyone in the cell looked over, and everyone was extremely vigilant!

Yue Feng was also nervous, thinking it was Duan Yu.

Um?

As a result, after a closer look, Yue Feng was stunned. When I saw the person who came, there was a smile on his face, but there was cunning in his eyes, it was Tang Qingyun!

Nima!

What is this scumbag?

Seeing Tang Qingyun, Yue Feng couldn't help but curse.

At the same time, Zhou Qin frowned, secretly vigilant.

During this period of time, Tang Qingyun has been working for Zhou Qin. Zhou Qin knows him very well.

Chapter 1993

Judging from his appearance, he must have betrayed himself and pledged allegiance to Duan Yu.

It's so late now, and slipping into the dungeon again, it must be all right.

"Clan Leader Zhou!"

At this time, Tang Qingyun walked over slowly and smiled at Zhou Qin: "Don't stare at me like that, I didn't help you deal with Duan Yu during the day, because Duan Yu was too strong, just go up there. Die!"

Zhou Qin said with a pretty face, angrily: "Stop talking nonsense, are you loyal to Duan Yu?"

"Hehe!"

Seeing through Zhou Qin at once, Tang Qingyun didn't panic at all, and said with a smile: "Zhou Alliance Leader, don't say that, I just pretended to be loyal to Duan Yu. In my heart, you are the person I respect the most."

When he said this, Tang Qingyun's face was sincere, but his eyes flashed with cunning. Tonight, Tang Qingyun secretly came to see Zhou Qin with Duan Yu on his back. The purpose was to get the Cui Xiandi on Zhou Qin's body.

In Tang Qingyun's heart, Cui Xiandi was found by Tang Jiabao and belonged to him originally, but Zhou Qin was too strong, so he had to give it to her. Now, Zhou Qin has become a prisoner, and the Hei Tian Pill on his body has also been released. , you don't have to be afraid of her anymore.

The villain...

Zhou Qin's mind is meticulous, and it can be seen at a glance that Tang Qingyun is indifferent, too lazy to talk nonsense, and sneered: "Stop talking nonsense, what do you want to do?"

Seriously, if it was before, Zhou Qin would have directly He started, but now he was seriously injured, so he had to endure his anger.

"Hehe..."

Tang Qingyun squeezed out a smile and said with a serious face: "Zhou Alliance Leader, don't be impatient, I'm actually here to save you, of course, I have one condition, you must give Cui Xiandi to you. I!"

After saying this, Tang Qingyun stared closely at Zhou Qin, waiting for her response, with excitement and anticipation flashing in his eyes.

If you own the Cui Xiandi, your strength will be greatly increased, and at that time, you will be able to carry forward the Tang Family Fort!

At the same time, Tang Qingyun also kept an eye on the movement outside and was extremely cautious. Duan Yu must not know about this matter, otherwise, Tang Jiabao would be finished.

Facing Tang Qingyun's expectant gaze, Zhou Qin's delicate face was full of frost, and her delicate body was trembling with anger.

I knew that Tang Qingyun had nothing to do, and it turned out that he wanted to get Cui Xiandi.

This villain, when he was attached to him before, was quite a licking dog. Now that he has lost his power, he shows his true colors, which is really disgusting.

Hehe...

At this time, Yue Feng, who was next to him, couldn't help but chuckle.

Tang Qingyun is really a villain, and he likes to play this kind of routine so much. Previously in the Zhongyuan Continent, when he was arrested by Zhou Qin, Tang Qingyun quietly looked for him in the middle of the night, and kept saying that he would let him go, and the exchange was to get his own Fang Tianhuaji.

But now, Zhou Qin was caught by Duan Yu, and he used this method again to get Zhou Qin's Cui Xiandi.

Nima, how can there be such a shameless villain in the rivers and lakes of the Earth Circle.

At this time, Yue Feng only hated that he hadn't discovered Tang Qingyun's despicableness a few years ago, otherwise, he would have let Tianmen destroy Tangjiabao.

It is a scourge for such people to stay in the arena.

"Leader Zhou!"

At this time, seeing Zhou Qin's unwillingness to respond, Tang Qingyun was a little anxious, and he persuaded earnestly: "You must know that your own situation is very dangerous, tomorrow morning, Duan Yu will lead the army and escort you all. Return to the Xi Cang Continent, when the time comes, you will all be dead."

"Zhou Alliance Leader, you are someone who has done great things. For a Cui Xian Flute, you lost your life, is it worth it?" As he

spoke, Tang Qingyun looked up and down. Looking at Zhou Qin, his eyes were very unscrupulous.

I have to say that Zhou Qin is so beautiful this time, even if she is so embarrassed by being tied up with five flowers, her charming temperament is still fascinating.

Speaking of which, Tang Qingyun has always admired Zhou Qin, but Zhou Qin was too strong, and Tang Qingyun didn't dare to show it before, but now, Zhou Qin has become a prisoner, and he no longer has any scruples.

Tang Qingyun thought about it, and when he got the Cui Xiandi, he must feel Zhou Qin's tenderness.

Chapter 1994

Tang Qingyun looked at Zhou Qin up and down, Zhou Qin only felt uncomfortable.

"Tang Qingyun, I'm looking around, and this seat dug out your eyes." Zhou Qin said coldly: "You Tangjiabao was originally an unpopular sect in the arena, without me, your Tangjiabao would not develop. It happened so quickly, and now, as soon as I was down, you fell into the trap. Tang Qingyun, a villain like you who tends to be flamboyant, has the nerve to appear in front of me, negotiate with me, and still want Cui Xiandi, are you worthy? You? Just a villain, get out, I don't want to see you."

Villain!

These two words, like a sharp knife, ripped apart Tang Qingyun's dignity invisibly.

At this moment, Tang Qingyun's face was ashen, his whole body trembled with anger, he stopped pretending, and sneered at Zhou Qin: "I'm a villain? Zhou Qin, how dare you

scold me? Back then, you used despicable means, Forcing all the sects to take the Black Heaven Pill, forcing everyone to respect you as the leader of the alliance, are you not despicable? Also, how many bad things have you done in the arena...”

“Just like you, you still have the face to accuse me. ?”

When he said this, Tang Qingyun’s face was full of anger! Zhou Qin, a ruthless woman, gave her face, but she humiliated herself in turn. Really shameless!

“You...”

Hearing this, Zhou Qin was furious and glared at Tang Qingyun, but didn’t know how to refute.

Because Tang Qingyun is right, since he became the leader of the martial arts alliance, he has indeed done a lot of bad things.

“Nothing to say?”

Seeing Zhou Qin’s speechlessness, Tang Qingyun was very proud and continued to mock: “Aren’t you very confident? You think that what you do is taken for granted, why don’t you refute it?”

Speaking, Tang Qingyun looked around, and finally landed on Yue Feng, and said with a gloomy smile: “Yue Feng, you are a great hero, I will tell Zhou Qin’s actions now, you come to judge, who is it? Shameless, who is the villain...” The

voice fell, and Tang Qingyun was about to tell all the bad things Zhou Qin had done.

Anyway, her face has been torn apart. Zhou Qin has humiliated herself so much, and she has to completely humiliate her.

Yue Feng looked indifferent and didn’t bother to pay attention.

Anyway, Zhou Qin knows what he has done, it doesn’t matter if he listens or not.

“Wait.”

However, at this moment, Zhou Qin’s body trembled, biting his lip, and shouting at Tang Qingyun: “Don’t say it, isn’t it the Cui Xiandi, I’ll give it to you.”

When saying this , Zhou Qin bit her lip, completely losing the strength she had just now.

To be honest, Zhou Qin is not afraid of Tang Qingyun saying what he has done, but it is different when Yue Feng is present. After all, many things are aimed at Yue Feng. Now

Zhou Qin wants to let go of his past suspicions with Yue Fengbing, how can he let him listen to this?

Of course, Zhou Qin would not really give the Cui Xiandi to Tang Qingyun, but just pretended to compromise.

“Haha...”

Tang Qingyun looked smug and looked at Zhou Qin with a smile: “It’s good to be like this earlier, but everyone will be unhappy.”

After saying that, Tang Qingyun came over, loosened Zhou Qin, and then stretched out his hand: “President Zhou, hand over the Cui Xiandi.”

“Just you, do you want to take my Cui Xiandi?”

However, at this moment, Zhou Qin did not take out the Cui Xiandi. Calling towards Tang Qingyun.

Bang!

Tang Qingyun didn’t expect that Zhou Qin would suddenly shoot, plus the distance was so close, there was no time to dodge, and he was directly hit by this palm.

Dengdengdeng...

Seriously, if Zhou Qin was at his peak, Tang Qingyun would be dead with this palm. It’s a pity that Zhou Qin was injured, and his internal strength could not be fully activated. This palm with all his strength could not cause any harm to Tang Qingyun at all. I saw Tang Qingyun retreated several steps in a row, his expression was normal, and there was nothing at all.

“Made.”

Chapter 1995

Steady the figure, Tang Qingyun was furious, staring at Zhou Qin and scolding: “The slut dares to lie to me, so shameless, okay, I’m going to take off your clothes, piece by piece, search slowly!” The

voice fell, Tang Qingyun walked towards Zhou Qin with a cold face.

“You...”

Watching Tang Qingyun approaching step by step, Zhou Qin’s delicate body trembled, and her delicate face was filled with incomparable shame and despair.

Is this God's will?

If a villain like Tang Qingyun ripped off his clothes, he might as well just die.

"Tang Qingyun, stop!"

"You dare..." The

surrounding Emei disciples all changed their expressions and scolded them one after another.

Even Zhu Rong and Shen Nong couldn't stand it anymore, frowned and shouted angrily.

"Bold madman, don't mess around."

"Stop quickly."

The angry shouts from the crowd kept coming. Tang Qingyun didn't panic at all, but became more and more excited.

He has been a lackey for so long under Zhou Qin, and now, he is finally going to be proud of himself.

Whoa!

Seeing that Tang Qingyun was getting closer and closer to Zhou Qin, Faye Wong, who was on the side, broke free from the rope in a hurry, rushed over, and blocked Zhou Qin.

"Tang Qingyun, you despicable and shameless villain." Faye Wong pointed at Tang Qingyun and scolded: "The head is not mean to you, but you treat her like this, despicable and shameless, you can't die."

Although Faye Wong is also very insidious and cunning, she is very loyal to Zhou Qin in her heart. You must know that Faye Wong was only an ordinary disciple at the beginning. After Zhou Qin became the head, she made an exception to promote her to an elder. It can be said that without Zhou Qin, There would be no Faye Wong today. Now that Zhou Qin was humiliated, Faye Wong naturally couldn't sit idly by.

When the voice fell, Faye Wong stretched out her hands and blocked in front of Zhou Qin.

"It's beyond your own power."

Tang Qingyun sneered, her inner strength exploded, she raised her hand and hit Faye Wong on the body.

Bang!

With this palm, Tang Qingyun tried his best to directly shatter Faye Wong's heart. Hearing Faye Wong groaned, the whole person flew out directly, and finally hit the stone pillar in the dungeon.

“Junior sister!”

Seeing this scene, Zhou Qin exclaimed, tears streaming down her face.

She and Faye Wong are as close as sisters. It can be said that in the entire Emei faction, Faye Wong is what Zhou Qin trusts the most. When Zhou Qin was trapped in the Northern Ying Palace, if anyone else, they would definitely take the opportunity to seize the position of headmaster, but Faye Wong is the Wholeheartedly want to rescue Zhou Qin.

At this time, seeing that Faye Wong was beaten by Tang Qingyun in order to save herself, her life and death were unknown, Zhou Qin's tears kept flowing, and she only felt that her heart was broken.

call!

Seeing this scene, Yue Feng was deeply touched in his heart.

I really didn't expect that Faye Wong is usually bitter and mean, and very annoying. At a critical time, she was even ordered not to protect Zhou Qin. It is really unexpected that she is so affectionate and righteous.

“Sect Master Zhou.” At this time, Tang Qingyun had a gloomy smile and slowly leaned over: “Don't cry, we still have things to do later, you won't be pretty if you cry! You are responsible for being pretty, Let me enjoy your tenderness.”

The ultimate husband in Chinese chapter 1996-2000

Chapter 1996

While talking, Tang Qingyun was about to hug Zhou Qin.

“Go away, get out of here...” Zhou Qin struggled desperately, crying non-stop, feeling extremely ashamed and angry.

Boom!

At this critical moment, the prison door was suddenly kicked open, and then, Huang Hu walked in with a grim look on his face.

Tang Qingyun was shocked and stopped quickly.

This Huang Hu is the commander of the Black Cavalry Army in Xicang Continent, Duan Yu's people, he can't afford to offend him!

At the same time, Tang Qingyun was also a little flustered in his heart. If it was broken, Duan Yu would not know that he had come to prison quietly, and let Huang Hu come to arrest him, right?

At this time, Huang Hu looked around and saw Faye Wong who had passed out, frowning!

The next second, Huang Hu looked at Tang Qingyun and asked coldly, “Master Tang, why are you here? What happened?”

Huh!

Seeing that Huang Hu didn't shoot at him, but asked, Tang Qingyun secretly relieved, and then said with a smile: “Commander Huang, it's like this, you know, these prisoners are very cunning, I can't rest assured, come here Look.”

“Fortunately, I found it in time. Faye Wong from the Emei faction actually broke free from the rope and wanted to escape, but I was knocked out.”

Tang Qingyun did not dare to say his real purpose, but he thought about it. Very quickly, a lie was fabricated temporarily.

Nima!

Hearing this, the disciples of Emei were all angry.

This chapter is provided by . Visit for daily update.

This Tang Qingyun is really despicable, he actually reversed black and white and fabricated the facts. He clearly wanted to come for Cui Xiandi!

“So that’s the case.” Huang Hu pointed at Tang Qingyun and nodded approvingly:
“Fortress Tang has worked hard, but guarding the dungeon is our duty, so don’t bother Fort Tang.” After speaking, Huang Hu made a Please gesture.

“Commander Huang is polite, then I’ll leave.” Tang Qingyun smiled and hurried out.

At this moment, Tang Qingyun had a smile on his face, and was very unwilling in his heart. Mad, such a good opportunity, just lost. I didn’t get the Cui Xiandi, and I didn’t taste the Zhou Qin!

However, Tang Qingyun was in no hurry, Zhou Qin was taken to Xicang Continent by Duan Yu, and along the way, he still had a chance.

After Tang Qingyun left, Huang Hu didn’t wait any longer and turned around and went out. Of course, Huang Hu did not forget to increase the number of soldiers and strictly guard the dungeon.

call!

At this moment, the Emei disciples breathed a sigh of relief.

Fortunately, this yellow tiger appeared in time, otherwise, Zhou Qin was afraid that Tang Qingyun would really be caught...

“Junior sister, junior sister...”

At this time, Zhou Qin hugged Faye Wong, tears flowing non-stop , Incomparably guilty:
“I’m sorry, it’s the senior sister who has troubled you, it’s all the senior sister’s bad...”

Zhou Qin felt that Faye Wong’s heart was shattered, and she was so angry that she could die at any time.

At this time, Zhou Qin, under the pain, felt extremely self-blame in her heart.

If it wasn’t for Yue Feng’s love and hatred, and insisting on dealing with him, he wouldn’t have done so many bad things. Now that his retribution has come, not only did he harm the entire Emei faction, but he almost killed his junior sister.

I am a disaster star, a scourge....

Alas!

Listening to Zhou Qin’s cry, Yue Feng could feel the grief in Zhou Qin’s heart. For a time, Yue Feng’s heart was full of unpleasantness.

Seeing this, Zhou Qin really knew that he was wrong.

However, she has done so many bad things. First, she killed Brother Wen's ex-wife, then the head of the Huashan faction, framed herself, and then eradicated the Jianghu forces related to her... All of this, It's impossible to save her, can you forgive her?

Early the next morning, Yue Feng and Zhou Qin were taken out of the cell by soldiers and put into a prison cart.

Tens of thousands of Xi Cang army also assembled in the square in front of the main hall, ready to go.

At this moment, Duan Yu was standing at the entrance of the main hall with a smile on his face, refreshed and refreshed. Although he was attacked by the Kaitian Axe, his internal strength had not completely recovered, but it did not affect Duan Yu's mood at this time. Duan Yu looked at Su Qingyan next to him, and only felt that the beauty in his heart was not good.

Haha...

Jiangshan and beauty, both, what could be more gratifying than this?

Chapter 1997

Next to Duan Yu, Su Qingyan stood there quietly, dressed in a long white dress, graceful and charming, full of fairy spirit.

call!

In the prison car not far away, Yue Feng felt very uncomfortable when he saw this scene.

In the past ten years, I have experienced so much with Qingyan, and every one of them is unforgettable. Does Qingyan really remember nothing at all?

To be honest, if Su Qingyan lost her memory and was with others, Yue Feng wouldn't be so uncomfortable, but she promised to be Duan Yu's woman, and anyone else would have a mental breakdown.

"Your Majesty!"

At this time, Huang Hu strode out of the army and respectfully said to Duan Yu: "When the army is assembled, please order to set off."

"Okay, okay!"

Duan Yu smiled and raised his hand. Hui: "The whole army obeys the order and immediately return to the Xicang Continent."

“Report!”

As soon as the voice fell, a soldier quickly ran up from the mountain, sweating profusely: “Report to Your Majesty, a large army suddenly came down the mountain, surrounded the entire Mount Emei.”

What?

In an instant, there was an uproar in the audience.

Not only Duan Yu, Yue Feng in the prison car, and Zhou Qin were all stunned.

What’s the situation? Where did the army come from?

At this time, Duan Yu reacted and said lightly: “The entire army is ready to stand, don’t panic.” With that, Duan Yu strode over and looked down the mountain.

Su Qingyan quickly followed.

hiss..

As a result, Duan Yu was shocked all over, he couldn’t help taking a breath, and the whole person was stunned for a moment!

This...

At this moment, Duan Yu’s mouth opened wide, his face full of disbelief!

Duan Yu could clearly see that on the stone steps down the mountain, there was indeed a large army coming in a mighty manner. Through the rising sun, he could see that this army was wearing uniform armor and holding a long knife, with awe-inspiring momentum!

At the front of the army, the soldiers carried a large flag, more than ten meters high, with the word ‘Apocalypse’ written on it.

Obviously, this is the army of the apocalypse.

Holy crap..

How did the Apocalypse army suddenly come to the Earth Circle Continent?

Su Qingyan next to her also trembled faintly. She could feel that every soldier in the army that descended from the mountain was not low in strength, and was obviously the elite of the Tianqi Continent.

Moreover, with so many people, I am afraid there are hundreds of thousands of soldiers, right? ! Looking from a distance, I can see a piece of darkness, all people! The sword in the soldier's hand, under the moonlight, released a cold light! Shocking!

"Your Majesty... what should we do? Is this Apocalypse army coming to beat us?" Su Qingyan was a little anxious and said to Duan Yu.

call!

Duan Yu took a deep breath and comforted: "Concubine Ai is not afraid, I will ask about the situation later."

When he said this, Duan Yu looked calm and did not panic at all.

Whoa! Whoa! Whoa!

Finally, the army of hundreds of thousands of Tianqi finally arrived at the square on the top of Emei Mountain.

The leader was a young man, dressed in purple and gold armor, with extraordinary heroism, it was Yue Wuya. Although he was young, Yue Wuya had a heart-pounding royal majesty on his body.

Yue Wuya's left and right are Han Bing and Xing Yao.

At this time, Han Bing, dressed in a long yellow dress, was extremely beautiful and moving.

Xing Yao is dressed in golden armor, which perfectly outlines her delicate and sexy figure.

Chapter 1998 The

reason why Yue Wuya led the army to the Emei faction was because a few days ago, Zhou Qin set a trap and locked Yue Wuya and Han Bing in the back mountain cave of the Emei faction. At that time, Han Bing was drugged. In order to keep Han Bing's innocence, Yue Wuya scratched himself with a dagger to stay awake, so he didn't have anything to do with Bing Bing.

After that, Yue Wuya learned that Han Bing was his half-sister, and he was instantly furious.

After returning to the Apocalypse Continent, Yue Wuya recuperated from his injuries, and immediately led the army to clear the Emei faction. Zhou Qin almost made a big mistake, how could she let her go?

Ya'er?

At this moment, when he saw Yue Wuya and Yue Feng in the prison car, he was shocked, surprised and delighted.

Immediately, Yue Feng looked at Xing Yao next to him, feeling a little excited.

Did Ya Er know that he was caught, and specially led the army to come to the rescue?

After all, it is your own child, and you have filial piety.

At this time, Yue Feng didn't know that Yue Wuya led the army to come from the Emei Sect. He didn't even know that he was trapped here. Moreover, even if he knew, Yue Wuya would not save him. In his heart, he never recognized Yue Feng as his father.

Swish!

Zhou Qin's delicate body trembled, and her delicate face was very flustered.

It's broken, Yue Wuya led the army to come, and he must have come to settle accounts with himself!

At the same time, Zhou Qin couldn't help but glance at Yue Feng, biting his lip, becoming more and more uneasy.

If Yue Feng knew that he had framed his son and daughter, would he hate himself even more?

Um?

At this time, seeing the scene in front of him, Yue Wuya was also stunned.

what's the situation?

Yue Wuya saw that on the square, tens of thousands of Xicang troops were waiting, while Zhou Qin and the people from the Emei faction were all locked in the prison cart.

Not only that, but the prisoner in the front car seemed to be his biological father, Yue Feng.

As soon as he saw Yue Feng, endless resentment arose in Yue Wuya's heart. He and his mother had been living in the Tianqi Continent for so many years. , it's his own business, not his own.

For a time, the two armies faced each other in the square, and the atmosphere of the entire Mount Emei seemed extremely solemn.

call!

At this moment, Duan Yu looked at Yue Wuya secretly, unable to hide the shock in his heart.

This young man is not very old, but he is very imposing. It is not simple.

Thinking to himself, Duan Yu gestured to Huang Hu.

He is the emperor, how could he come up and ask in person?

Swish!

Getting the signal, Huang Hu strode out and shouted at Yue Wuya's crowd: "Who is coming?"

As soon as the voice fell, Xing Yao came out and said coldly: "This is our Royal Highness of the Apocalypse Continent, today we are Come here, to clear the Emei faction, what are you doing here in Xicang army?"

As the first female god of war in Tianqi Continent, Xing Yao once led an army to fight against Xicang Continent, and also played against Duan Yu, so she could recognize each other naturally. identity of.

When saying this, Xing Yao couldn't help but glance at Yue Feng in the prison car.

When did Yue Feng have a grudge with Xi Cang Continent, and made him so embarrassed?

Immediately, seeing Su Qingyan next to Duan Yu, Xing Yao was even more puzzled.

Chapter 1999

That seems to be Su Qingyan. Isn't she Yue Feng's woman? How are you with Duan Yu? And, it looks like the relationship is very good....

Phew!

At this time, when he heard Xing Yao's words, Huang Hu exhaled and his expression relaxed.

It turned out that they also came to clear the Emei faction. Thinking to himself, Huang Hu smiled slightly, pointed at Zhou Qin and the people of the Emei faction and said, "So you are also here to clean up the Emei faction. Coincidentally, Zhou Qin has offended our majesty and has already been arrested by us. Take it back to Xicang Continent for disposal."

“Interesting...” At this moment, Yue Wuya showed a smile. Zhou Qin has really done a lot of evil this time, and he has also provoked the emperor of Xi Cang Continent.

“Commander Xing Yao!”

At this moment, Duan Yu looked at Xing Yao with a smile and said, “I haven’t seen you for many years, but you are still the same, and you are so handsome. Since everyone is fighting against Emei, they are allies. Now everyone in the Emei faction has already Being caught by Zhen will save you a lot of trouble.”

After speaking, Duan Yu looked at Yue Wuya and smiled, “The prince looks young, but he has an extraordinary temperament, and he will be an emperor in the future. If you are a Mingjun of the Tianqi Continent, if you are in the Xicang Continent, I must treat you well, but now I am in a hurry to go back, so please ask the prince to leave the army and let me go down the mountain.” The

words were generous and decent, without losing the emperor. majesty.

To be honest, if it were normal, Duan Yu would not be so polite, but because of the backlash from the Kaitian Axe, Duan Yu’s internal strength has not fully recovered, so he has to be more polite.

After all, Yue Wuya led an army of hundreds of thousands of Tianqi, which should not be underestimated.

call!

Hearing this, Yue Wuya smiled at Duan Yu and said, “Thank you, Your Majesty Xi Cang, for your appreciation. If there is a chance in the future, this prince will definitely go to Xi Cang Continent to meet His Majesty.”

Saying that, Yue Wuya waved at the hundreds of thousands of Tianqi army behind him: “Get out of the way, let them go.”

Om!

At this moment, Yue Feng, who was in the prison car, trembled in his heart, which was indescribably complicated and painful.

Ya’er... He doesn’t even care about himself, it seems that he still refuses to forgive himself in his heart. I thought that Yue Wuya would lead the army and would rescue him, but he never thought that his biological father, Ya’er would not even look at him.

At this time, Yue Feng was in a very depressed mood, but he did not blame Yue Wuya. After all, over the years, he owed them too much to their mother and son.

At this time, the Apocalypse army moved slowly and made way.

“Wait.”

At this moment, Xing Yao couldn't help but let out a coquettish cry, and then looked at Yue Wuya anxiously: “His Royal Highness, don't let them go like this, Zhou Qin and Emei. Pai is to blame, but Yue Feng is still locked in the prison car, how can you say that he is also your biological father.”

When he said this, Xing Yao's eyes were full of urgency.

If it were ten years ago, Xing Yao would never have cared about Yue Feng's life or death, but after learning about Yue Feng's personality over the years, Xing Yao already regarded him as a friend in his heart.

Now that she sees Yue Wuya and doesn't care about Yue Feng, Xing Yao is very anxious.

What?

At this moment, Han Bing, who had been silent next to him, trembled, and looked at Yue Feng in the prison car, and the whole person was stunned.

This... this person is Yue Feng? Your own biological father?

At this time, the ice is very shocking, and at the same time, it is extremely exciting.

A few days ago, I learned that Yue Wuya was my half-brother. It was difficult for Han Bing to adapt to it at first, but I gradually accepted this fact.

To be honest, when Han Ao Ran was forced to leave Emei by Zhou Qin, Han Bing knew that his father was Yue Feng, but all these years, he wandered around with Han Ao Ran and never had the chance to see Yue Feng.

It can be said that today is the first time that Han Bing has seen Yue Feng. It can be seen that he is locked in the prison car. In addition to the joy, Han Bing's mood is a bit complicated.

“Aunt Xing Yao.” At this time, Yue Wuya's face was gloomy, and he said to Xing Yao, “I don't want to save Yue Feng. In my heart, there is only one father, and that is King Guangping.”

Yue Wuya has always called Aunt Xing Yao respectfully . . He respects Xing Yao very much. But Yue Wuya hated Yue Feng in his heart! Even if Aunt Xing Yao spoke up, Yue Wuya didn't want to save Yue Feng!

Chapter 2000

Yue Wuya sneered: "Aunt Xingyao, why should I care about the life and death of a ruthless person like Yue Feng?"

Thinking of so many years, Yue Feng didn't care about himself and his mother, Yue Feng didn't care. The anger in Wu Ya's heart was rising.

"Brother!"

At this moment, Han Bing couldn't help but said, "Yue Feng is our father after all. If you don't save him, you will be laughed at by the world."

Seriously, Han Bing has never seen him before. Guo Yue Feng didn't have many feelings, but she was her daughter's family after all, and she had a kind heart. It was really unbearable to see Yue Feng being detained in a prison car, so miserable.

Yue Wuya shook his head with a determined face and said, "Sister, I know you are kind-hearted, but someone like Yue Feng is not worth saving at all, you forget that it was because of him that your mother and daughter were forced to leave Emei. Living a life without a fixed place, why do you still have to pity him?"

"Okay!"

Han Bing was in a hurry and stomped his feet: "If you don't save me, I will!"

Om!

The voice fell, and Han Bing's toes were a little on the ground, and it flew up and came straight to the direction of the prison car.

"Father, I'm here to save you." At this moment, Han Bing shouted at Yue Feng with a firm attitude.

Han Bing knew that her father was the sect master of Tianmen. In the rivers and lakes, he helped the weak and hoed the strong and upheld justice. He was a hero who stood up to the sky. As her daughter, if she saw death, would she still be a human being?

father?

Seeing Han Bing flying over and calling his father, Yue Feng was stunned.

what's going on?

This little girl, I don't seem to have seen it myself.

“Yue Feng!”

At this time, Zhou Qin, who was in the prison car next to him, bit his lip and said softly, “Her name is Han Bing, the daughter Han Aoran gave birth to you, don’t you know?”

What?

Hearing this, Yue Feng was shocked, his eyes were fixed on the ice, and his heart was both joyful and ashamed.

Han proudly gave birth to a daughter? Are all this big?

But he never knew that this father was a failure.

“Sister, don’t...”

Yue Wuya was taken aback, and hurriedly spoke to stop it, but he was still a step too late, and saw that Han Bing Pian was astonished, and had already rushed into the Xi Cang army.

Swish!

Seeing this scene, Duan Yu’s face changed, and he was very annoyed, and roared: “Stop her!”

At the same time, Duan Yu’s eyes locked on the ice.

This girl, just called Yue Feng Dad?

Since she is Yue Feng’s daughter, she must not let it go.

hula.

When the voice fell, Huang Hu shouted: “Quick, take her down.” Immediately, he stimulated his inner strength and greeted Han Bing directly.

Whoosh whoosh!

At the same time, hundreds of Xi Cang army also urged their figures to surround the ice.

Han Bing did not panic at all, waved the long sword in his hand, and fought fiercely with Huang Hu and everyone, only to see her agile figure, like a butterfly, flying up and down.

Since cultivating the Inextinguishable Scripture, Han Bing’s strength has greatly increased, and he has no fear in the face of the Xi Cang army in front of him.

However, there were too many people in Xi Cang's army. At first, Han Bing was able to handle it with ease, but gradually he became a little weaker.

"The whole army obeys the order, kill! Kill the entire Xi Cang army! Save Bing'er!" Seeing this scene, Yue Wuya couldn't think more, shouted, and rushed forward.

To be honest, he didn't want to fight with the Xi Cang army, let alone save Yue Feng, but he loved Han Bing very much. Now that Han Bing was trapped in the enemy's army, Yue Wuya couldn't help it.

"Kill!" The

voice fell, and the army of hundreds of thousands of Tianqi rushed towards the army of Xi Cang like a tide.

"All the soldiers obey the order, attack the Tianqi army with all their strength, and kill me!" Duan Yu almost roared out, holding the opening axe tightly, and directly rushed into the Tianqi army!
