

The ultimate husband in Chinese chapter 2001-2010

Chapter 2001

At the same time, Duan Yu did not forget to tell Su Qingyan: "Concubine Ai, you hide away first, don't panic."

In an instant, the Xi Cang army and the Tianqi army were fighting together, and the battle was fierce.

"Ah..." A howling sounded continuously, and people kept falling down. The entire Mount Emei was almost stained red with blood.

Bang bang bang!

At this moment, Yue Wuya held the Overlord's Hammer tightly, his whole body was full of fighting spirit, and the soldiers of Xi Cang who stood in front of him were all blown away, extremely powerful!

After becoming the prince of Apocalypse Continent, Yue Wuya took a lot of treasures from heaven and earth, and his strength increased a lot.

Swish.

Seeing Xi Cang's soldiers keep falling down, Duan Yu was furious and his eyes locked on Yue Wuya.

This kid is young, but powerful.

"Death to me." A cold roar came out of Duan Yu's mouth, and then, with the internal force, a dazzling golden light burst out from the opening axe and went straight to Yue Wuya!

Duan Yu once led the Xi Cang army to fight everywhere. He knew the principle of capturing the thief first and capturing the king. Seeing that Yue Wuya was so heroic, he decided to take him down first.

As long as Yue Wuya is restrained, there is no need to worry about the hundreds of thousands of Tianqi army.

hiss!

Seeing Duan Yu burst out, and feeling the terrifying aura, Yue Wuya's expression changed, and he couldn't help gasping for air.

Is this the divine axe? What a powerful force!

Immediately, Yue Wuya didn't have time to think about it, hurriedly mobilized his inner strength and prepared to resist!

"Ya'er."

Seeing this scene, Yue Feng in the prison car was also nervous, and couldn't help shouting loudly: "Be careful, this person has a peerless magic weapon in his hand, an axe to open the sky, don't touch him hard."

Duan Yu's The power of Kaitian Axe is too great, I'm afraid Ya'er can't stop it.

However, Yue Feng's shouting reminded him that Yue Wuya was not moved at all, but indescribably disgusted, and said coldly: "Yue Feng, shut up, don't call me Ya'er, let alone your concern, in my heart, there has never been a father like you."

Those words, like an invisible sledgehammer, slammed into Yue Feng's heart.

Ugh!

Yue Feng only felt extremely uncomfortable in his heart, and sighed secretly at the same time.

Ya Er hates herself so much, it seems that she has to make up for it more in the future.

Um?

Hearing the conversation between the two, Duan Yu was stunned for a moment, looking at Yue Wuya in astonishment, his heart full of surprise.

Isn't this kid the prince of Apocalypse Continent? How can Yue Feng be his father?

At this moment, Duan Yu's eyes were extremely blood red, his eyes were like poisonous snakes, and he locked Yue Wuya tightly, flashing a strong killing intent.

Speaking of which, Duan Yu didn't want to be so stiff with the Apocalypse Continent. He thought that it would be enough to subdue Yue Wuya. After all, this kid is the prince of Apocalypse Continent, and his identity is unusual.

The so-called eradication of grass and roots means that he and Yue Feng are already endless. Since Yue Wuya is Yue Feng's son, Duan Yu has no need to show mercy.

The power of the axe's explosion made people panic.

"His Royal Highness, I'm here to help you!"

At this moment, Xing Yao's delicate body was shocked, she pulled out her Tang saber, and flew up to help Yue Wuya deal with Duan Yu.

At this moment, Yue Wuya and Xing Yao burst out with all their strength, and that piece of sky was about to be torn apart.

Yue Wuya has the Overlord's Hammer and is very powerful.

Xing Yao is a world-famous goddess of war.

At this moment, Yue Wuya and Xing Yao joined forces, and a terrifying force instantly condensed in mid-air, forming a huge energy ball that directly greeted Duan Yu!

call!

Seeing this scene, everyone below suddenly raised their hearts.

Duan Yu's expression changed greatly.

This Xing Yao and Yue Wuya joined forces, how could such a terrifying power erupt?

Chapter 2002

"Boom!"

The energy balls released by Xing Yao and Yue Wuya slammed into the sky-opening axe, making a loud noise.

Duan Yu's face was instantly pale, a mouthful of blood spurted out, and the whole person was smashed and flew out. Originally, Duan Yu had not fully recovered his internal strength due to the backlash. At this time, facing the cooperation of Yue Wuya and Xing Yao, he naturally couldn't resist.

"Your Majesty."

Seeing this scene, Su Qingyan's body trembled, and she couldn't help but let out a coquettish cry, her delicate face was full of worry and concern.

At this time, Su Qingyan wanted to rush over to help Duan Yu.

However, since Yue Wuya and Xing Yao joined forces, the aura that erupted was too terrifying, and there were still many Tianqi troops in front of him, so Su Qingyan couldn't rush past.

hum!

At this moment, Yue Wuya waved the Overlord Hammer and blasted directly at Duan Yu.

Duan Yu hurriedly raised the Heaven-Opening Axe to resist, but the internal force was too much, it was already the end of the force, only to hear a dull sound, Duan Yu let out a howl, and was hit hard again.

This time, Duan Yu didn't dare to fight again, and desperately swung the axe to open the sky. These few strokes, Duan Yu used all his strength. The internal power was completely consumed, and the power that erupted was extremely terrifying, and the surrounding air was suddenly torn apart.

Feeling the terrifying power, Yue Wuya and Xing Yao's expressions changed and they hurriedly avoided.

Duan Yu took this opportunity, turned around, and quickly fled down the mountain.

To be honest, Duan Yu didn't want to run so embarrassed, but there was no way, this Yue Wuya was Yue Feng's son, if he fell into his hands, how could he have a chance to survive?

In the blink of an eye, Duan Yu disappeared from everyone's sight.

"His Majesty...."

At this moment, Su Qingyan's delicate body trembled, and she couldn't help shouting, but Duan Yu had already escaped without a trace.

How could this be?

He kept saying that he would take care of himself for the rest of his life, but now he was in danger, but left himself and ran away?

It turned out that he was lying to himself.

At this time, Su Qingyan was very disappointed when she saw Duan Yu's escape direction.

Duan Yu fled, and the Xi Cang army was headless, and suddenly became a mess, and was soon subdued.

wow.

At this moment, Han Bing rushed over, slashed the prisoner wagon with a sword, and released Yue Feng.

“Your name is Han Bing, where’s your mother?” Yue Feng rubbed his sore arm and looked at Han Bing with eagerness in his eyes.

This woman, Han Aoran, is too strong and stubborn. Her daughter is so old that she doesn’t want to let herself know.

“Mother is in Apocalypse Continent, she is fine, father don’t have to worry.” Han Bing bit her lip and responded gently.

Um! Yue Feng

nodded, very excited, and smiled at Han Bing: “I know, don’t worry, when Dad is free, he will pick up your mother immediately, and we will have a good reunion.” Han Bing

beckoned: “Come on, let Daddy see you.”

He saw that Han Bing and Han Ao Ran were too similar. They were slim and graceful, especially their extraordinary temperament. In the future, they would definitely be a generation of goddesses on the rivers and lakes.

Han Bing responded, but after taking two steps, she stopped. Although she and Yue Feng were connected by blood, it must be the first time they met, and she felt somewhat restrained.

However, Yue Feng didn’t care about this, and the excitement in his heart was almost indescribable.

Haha...

I have both sons and daughters, my son is extraordinary and powerful, and my daughter is beautiful and moving. It is a happy life.

“Y’er.”

At this time, Yue Feng looked at Yue Wuya and said with relief, “Thank you.” To

be honest, it was fortunate that Ya’er came in time, otherwise, he and the people from the Emei faction would all be dead.

“Don’t get too close to me.” Yue Wuya’s face was cold, without the slightest emotional fluctuation, and said coldly: “I ordered an attack just now, but I was afraid that something would happen to my sister, but I didn’t want to save you. Therefore, you don’t need to thank me. “

Yue Wuya is right, if it wasn't for Han Bing being in danger, he wouldn't have fought against Duan Yu, after all, Yue Wuya was only worried about Bing, but he wouldn't care about Yue Feng's safety. .

Uh...

Hearing this, Yue Feng smiled bitterly, extremely embarrassed.

The ice next to him wanted to persuade him, but he didn't know where to start.

“Zhou Qin!”

At this time, Yue Wuya's eyes were directly locked on Zhou Qin, and he said coldly: “Our account, it

's time to settle it.” When he said this, Yue Wuya couldn't hide the anger in his heart. .

Chapter 2003

This Zhou Qin, drugged Han Bing and wanted to be defiled by others, so insidious and despicable that even killing her would not relieve her hatred.

Feeling Yue Wuya's anger, Zhou Qin's delicate body trembled, and she was nervous.
call!

In the next second, Zhou Qin took a deep breath, chuckled, and sighed: “His Royal Highness, I was too obsessive and did a lot of wrong things before, I'm really sorry for you and Junior Sister Hanbing, do what you want to do with it. “

After the events of the past two days, Zhou Qin knew that he had sinned deeply, and at this moment only thought of atonement.

Zhou Qin has thought about it, no matter how Yue Wuya punishes, he will not refuse, just ask Yue Feng to see and forgive himself completely.

Um? Feeling Zhou Qin's sincerity, Yue Wuya

frowned, then sneered and mocked: “It's so straightforward to admit mistakes, Zhou Qin, isn't this your style?”

Bing: “Sister, what do you think to do with her?”

This.... Han Bing

bit her lip lightly, thought about it, and said, “Brother, let's call the shots.”

Thinking that she had been drugged by Zhou Qin, she was almost tainted by others. , Han Bing could not wait to kill her, but seeing Zhou Qin's miserable appearance, Han Bing couldn't be ruthless.

More importantly, Han Bing knew that Yue Wuya would not spare Zhou Qin lightly, so let his brother make the decision.

Yue Wuya nodded, then raised his hand: "Come here, drag Zhou Qin out and behead him directly." The tone was so clear that there was no doubt.

Whoops!

The words fell, and several soldiers came over and dragged Zhou Qin out of the prison cart.

Zhou Qin's delicate body trembled faintly, and her delicate face was extremely pale.

Is this your life?

However, I have done so many bad things, and I can't blame anyone for this ending.

Thinking to herself, Zhou Qin couldn't help but glance at Yue Feng, her eyes full of reluctance.

After he died, he was never seen again.

After completely repenting, Zhou Qin was not afraid of death, and the only thing she was reluctant to give up was Yue Feng.

call!

Zhou Qin's eyes touched Yue Feng's heart.

Yue Feng felt that Zhou Qin had always had feelings for herself, and at this moment, she fully understood that everything she had done before was to hate herself because of love.

Alas, this woman...

"Sect Master!"

"Don't..."

At this moment, the disciples of the Emei School next to them were all shocked and tried to stop them, but they were all trapped in the prison cart. Totally powerless.

Yue Wuya just pretended he didn't hear the shouts of the people of the Emei faction, his face was extremely cold, and he shouted: "Prepare to execute!"

Shuh.

As soon as the words fell, a soldier raised a long knife and aimed it at Zhou Qin's neck.

Yue Feng, I am sorry for you in this life. If I meet you in the next life, I will definitely not be so willful.

With that in mind, Zhou Qin slowly closed her eyes.

At this moment, the soldier clenched his long sword and was about to cut it off.

"stop!"

However, at this time, Yue Feng finally couldn't bear it anymore, shouted, and said to Yue Wuya: "Ya'er, even though Zhou Qin is extremely abhorrent, these two days, she also got the end she deserved. If you don't solve the hatred, then you will abolish her skills and spare her life."

Seriously, Zhou Qin did so many bad things, and even killed Wen Wan's sister-in-law, Yue Feng never thought that he would help her say.

But at that moment, Zhou Qin's reluctant eyes made Yue Feng realize that this woman's nature is not bad, but she was too heartless for her at the beginning, which caused her temperament to change greatly, and she went further and further down the evil road.

Now, Zhou Qin has admitted her mistake, and Yue Feng believes that she can definitely make a change. Abolish her dantian inner strength and let her be an ordinary person all her life.

More importantly, Ya'er was still young, and his murderous intention was too heavy, which would affect his future cultivation.

call!

At this moment, Zhou Qin's delicate body trembled faintly, and her heart warmed.

Yue Feng.... He spoke for himself.

He was reluctant to die.

Thinking about it, Zhou Qin was overjoyed, and tears were streaming down her face.

Chapter 2004

“Yue Feng, shut up!” Yue Wuya shouted, glaring at Yue Feng, and said word by word: “I’ll say one more word, don’t call me Ya’er, and there’s no reason for you to speak here. Son.”

He himself had resentment towards Yue Feng, and at this time, when he saw Yue Feng helping Zhou Qin, he was even more angry.

“Okay, okay.” Yue Feng felt a pain in his heart, and said bitterly: “His Royal Highness, Zhou Qin’s sin will not kill you, please think twice.”

It’s okay if his own son doesn’t recognize him, and he makes him look like an enemy. Who is it? , I feel bad.

Yue Wuya had a cold face and did not respond.

“Brother!”

At this moment, Han Bing came over, took Yue Wuya’s arm, and said softly, “This Zhou Qin is indeed abominable, but the crime is not worth death, or else, listen to your father, it will be abolished. Her skill is used as a punishment, so that she will not be able to do anything wrong in the future...”

In Han Bing’s heart, it doesn’t matter what you do with Zhou Qin, but she just doesn’t want to see that her father and brother are too stiff.

Just before he finished speaking, he was interrupted by Yue Wuya.

“Bing’er.” Yue Wuya was so excited that he almost roared out: “It’s fine for Yue Feng to help Zhou Qin, why do you have to plead for Zhou Qin? Have you forgotten what Zhou Qin did to us? ? For a woman like her, it would not be a pity to die 10,000 times.”

“I...”

Han Bing bit her lip, unable to speak. At this time, Yue Wuya

looked closely at Yue Feng and said with a sneer, “You don’t want her to die, right? I’m not as good as you want. I insist on her dying.”

Come on, don’t ask.

And Zhou Qin is so hateful, but he is desperate to stand up for it.

Why? Could it be that a good mother should be bullied by him and waste more than ten years of youth for him?

The more Yue Wuya thought about it, the more angry he roared: "Someone, dig a hole for me and bury Zhou Qin!" To

be honest, Yue Wuya wanted to kill Zhou Qin simply, but Yue Feng came forward to stop it. , which completely inspired the resentment in his heart.

What?

When the words came out, the audience was shocked.

Yue Feng was shocked and stared at Yue Wuya, shocked and angry.

Why is this child getting more and more excessive?

Killing Zhou Qin directly, but still not letting go of his hatred, must he be buried alive?

"Brother..."

"His Royal Highness!"

At the same time, Han Bing and Xing Yao's expressions also changed drastically, and they spoke at the same time, ready to dissuade.

Killing Zhou Qin directly is nothing, but burying her alive would be too cruel. However, Yue Wuya couldn't listen at all, his face was gloomy, his eyes flashed resolutely, and he looked around the audience: "Execute immediately, whoever dares

to disobey, kill it." Go ahead and dig a big hole out. "You..." Yue Feng was so angry that he was speechless, his eyes darkened and he almost fainted. It's too self-willed and reckless. At this time, Yue Feng regretted that he hadn't found their mother and son earlier. If he had taught Ya'er since he was a child, he would not have acted so extreme.

Zhou Qin was trembling all over, completely desperate.

I thought that Yue Feng could save his life by speaking for him, but he never expected that in exchange, it was Yue Wuya's more perverted execution.

Soon, Zhou Qin was thrown into the pit. Under the supervision of Yue Wuya, the surrounding soldiers quickly filled the pit. In the blink of an eye, Zhou Qin was buried alive.

"Sect Master!"

"No, no..."

Seeing this scene, the disciples of the Emei Sect in the prison car were all grief-stricken and burst into tears.

Yue Feng clenched his fists tightly, his eyes were extremely blood red, and his heart was as uncomfortable as a knife cut. He wanted to rush over, but there was nothing he could do.

It was his own son who buried Zhou Qin alive, what can be done?

At this time, Yue Feng, in addition to being shocked and angry, was also very disappointed in his heart.

To be honest, Yue Feng had long expected that Zhou Qin's actions would not have good results, but he never thought that Zhou Qin would die at the hands of his son in the end. Moreover, in such a cruel form, buried alive!

Rumble.

Chapter 2005

At this time, Tiangong is not beautiful. It was originally a sunny weather, but suddenly there were lightning and thunder, and it rained heavily, just like Yue Feng's mood at this time.

A few minutes later, the soldiers pushed Zhou Qin down the pit and sealed the soil.

However, Yue Wuya did not stop there, and coldly commanded: "Keep the land, and within an hour, Zhou Qin does not escape, and then evacuate."

Although Zhou Qin was buried alive, Yue Wuya's anger was unquenchable, and he must make sure that Zhou Qin has no chance of surviving before giving up.

"Yes, His Royal Highness!" Numerous soldiers responded quickly, then formed a circle around the seal and quietly guarded.

What?

Seeing this scene, Yue Feng was shocked and wanted to cry without tears.

Ya'er is too ruthless, she has to be sure that Zhou Qin is dead before giving up...

Yue Wuya stopped talking nonsense, turned and walked into the hall, sat on the throne, and waited quietly. He didn't even look at Yue Feng, who was exposed to the heavy rain, and the people from the Emei faction.

Xing Yao and Han Bing followed into the hall with extremely complicated expressions.

At this moment, Han Bing wanted to beg for mercy, and brought Yue Feng into the main hall to avoid the rain. After all, his father was injured. If he caught cold again, wouldn't it be worse? However, seeing Yue Wuya's indifferent expression, Han Bing could not muster the courage to speak.

Crash...

Outside the main hall, the cold rain slapped on Yue Feng's face, as cold as his mood.

Yue Feng endured the chill and stared at the mound of earth with his eyes fixed on the mound with anticipation. He also prayed secretly in his heart. Zhou Qin... You once killed sister-in-law Wen Wan, but ten years have passed since this incident. Now that you've changed your mind, I hope you can survive this time.

Although she thought so in her heart, Yue Feng also knew that it was impossible. Zhou Qin was buried alive and surrounded by soldiers. Even if she climbed out at this time, she would not be able to escape the bad luck.

Just when she was still alive, she was holding her breath underground for an hour. Even if she had the ability to reach the sky, she couldn't last that long. She would definitely be suffocated to death!

A minute passed.

Two minutes passed...

Soon, after an hour was over, I saw the mound, but there was still no movement. Obviously, Zhou Qin had no chance of surviving.

"Sect Master..."

"Woo..."

At this time, the people of the Emei faction began to cry again, each with a gloomy expression and complete despair.

Although Zhou Qin was ruthless and very strong, in the past few years, Emei has indeed grown a lot. At this time, Zhou Qin is dead, and there is no suitable leader of the Emei faction, and it will definitely decline.

"His Royal Highness!"

At this time, a soldier quickly approached the hall and respectfully said to Yue Wuya: "An hour has passed, and there is no movement in the mound, so Zhou Qin should have been suffocated to death."

Hmm!

Yue Wuya showed a smile, nodded and stood up, and ordered: "Okay, very good, since this wicked woman is dead, let's prepare for the return journey. Take all the people from Emei Pai and return to the imperial city. And deal with it."

Zhou Qin has done so many bad things over the years, and she is not able to do it alone. It can be said that these people from the Emei faction are all accomplices, and even if Zhou Qin is dead, these people from the Emei faction will also be blamed. escape.

"Yes, Your Highness." The soldier responded, and immediately gathered everyone from the Emei faction, ready to escort them down the mountain together.

"correct!"

At this moment, Yue Wuya turned his eyes and landed on Su Qingyan who was not far away, and said coldly, "Take this woman with you."

Hula.

As soon as the words fell, a few soldiers quickly stepped up and tied Su Qingyan.

Su Qingyan was still lost because Duan Yu had left her own affairs, she couldn't react at all, and her hands and feet were quickly tied.

"What are you doing? Let me go." Su Qingyan's delicate body was trembling, and her delicate face was full of anger.

I have nothing to do with the Emei faction, so why is it still affecting me?

"Y'er?" Seeing this scene, Yue Feng's expression changed, and he said

hoarsely, "She and Zhou Qin have nothing to do with each other. Don't hurt innocent people."

.

He can understand how Ya'er deals with Zhou Qin, but he can't hurt Qingyan.

"Innocent?"

Yue Wuya sneered, looked at Yue Feng and said word by word: "Yue Feng, don't think I don't know, this woman is called Su Qingyan, and she is also your woman."

” Gradually cold: “Besides, she is also the sect master of Wenzong, and her identity is extraordinary. I can’t easily bypass her.”

“You...”

Yue Feng opened his mouth with a bitter expression, and he couldn’t say a word.

The ultimate husband in Chinese chapter 2006-2010

Chapter 2006

“Yue Feng!” Yue Wuya was too lazy to talk nonsense, and said coldly: “I just buried Zhou Qin, and I was going to take you to the imperial city for disposal, but for Bing’er’s face, I will Forgive you this time, but next time it falls into my hands, you won’t be so lucky.” The

voice fell, and seeing that the rain outside was a little lighter, Yue Wuya waved his hand: “The whole army obeys the order and sets off.” Then, he walked out of Mount Emei without looking back.

Ugh!

Looking at Yue Wuya’s back, Yue Feng let out a long sigh.

At this time, Han Bing came over, bit his lip and said softly: “Dad, my brother and I will go first, you take care of yourself.” The

girl’s family is more delicate, and Han Bing can see that there must be a lot of Yue Feng. It was through hardships that he and Yue Wuya made such a land.

Um!

Yue Feng nodded and showed a smile.

Although the son has always been against himself, this daughter is very considerate, which is somewhat gratifying.

Han Bing said no more, turned and walked out.

“Yue Feng!”

At this time, Xing Yao looked complicated, looked at Yue Feng and asked in a low voice, “Is Princess Yueying okay?” Just now when Yue Wuya was there, Xing Yao was inconvenient to ask, and now he finally had the opportunity .

To be honest, once Emperor Tianqi died, the only thing Xing Yao cared about was Ren Yingying.

“She...she’s fine.” Yue Feng responded with a smile.

She won’t let her know about Ren Yingying being forced to take Hei Tian Pill by Zhou Qin, so as not to worry too much.

This chapter is provided by . Visit for daily update.

“That’s good.” Xing Yao’s expression relaxed, and he said seriously: “How much you cherish, we will have a period in the future.”

When the words fell, Xing Yao turned around and walked out of the hall, catching up with the Tianqi army.

In an instant, Yue Feng and Liu Xuan were the only people left in the huge Emei Mountain.

“Husband!”

At this moment, Liu Xuan came over and hugged Yue Feng’s arm with a worried expression: “How are you? Is your injury okay?”

“It’s okay!” Yue Feng smiled and shook his head.

Duan Yu’s raid before, although he injured himself very badly, but the physical injury, compared with the mental blow, is nothing at all.

Ya’er buried Zhou Qin alive in front of her face, causing Yue Feng to suffer a lot.

Immediately, Yue Feng walked out slowly and came to the front of the sealing mound.

call!

After being silent for a few seconds, Yue Feng took a deep breath and muttered to himself: “Zhou Qin, I’m sorry, I really didn’t expect that my indifference to you once would cause you such great harm and cause your temperament to change greatly. I have done so many wrong things, and when you decided to reform, I failed to protect you well.”

“Rest in peace, I will often come to Emei to see you when you are free in the future.”

When he said this, Yue Feng’s heart is empty, very complicated.

Liu Xuan, Zhu Rong, and Shen Nong stood quietly behind them, all of them with emotion in their hearts.

Standing there for a moment of silence again, Yue Feng said softly, “Let’s go.”

After speaking, he walked down the mountain. Liu Xuan and the others quickly followed.

woohoo...

Yue Feng and the others just walked away when they saw the mound in the heavy rain and suddenly moved. Then, a slender and slim figure climbed out of the mound, with a pale face on his delicate face. tired.

It was Zhou Qin.

Perhaps it is because of the will of God that Zhou Qin should not die. Among the inextinguishable scriptures she practiced, there is a method of closed breath, which can hold her breath for several hours. Back then, Zhang Jiao was inspired by this method and created his own stunt of ‘breaking life and forgetting death’.

When Yue Wuya ordered Zhou Qin to be thrown into the pit, Zhou Qin instinctively used the method of closing the breath.

Later, after Zhou Qin was buried under the seal, except that he couldn’t breathe, other senses were still there, and he could hear the movement above. Zhou Qin knew that if Yue Wuya knew that he could rest, he would definitely deal with it in a more cruel way. Own.

Chapter 2007

Therefore, Zhou Qin held his mind and climbed out until there was no movement at all.

At this time, Zhou Qin was injured and climbed out of the ground several meters away, almost losing half of his life.

call!

Seeing the cold Emei faction in front of her, there was no one left, Zhou Qin’s delicate body trembled faintly, extremely self-blame, and at the same time disheartened.

The entire Emei faction must have been captured by Yue Wuya.

It's all me. Back then, I was so obsessed and did so many bad things that I got involved with the Emei faction.

However, Yue Wuya loves Han Bing so much, and Han Bing is nostalgic for the Emei faction. Those people from the Emei faction should not be in danger.

Moreover, Yue Feng also completely forgave himself. Before Yue Feng was in front of the mound, what he said to himself, Zhou Qin listened clearly below.

It can be said that the obsession in Zhou Qin's heart was completely put down at this time.

call!

At this moment, Zhou Qin no longer had any worries, took a light breath, and slowly descended the mountain.

Zhou Qin thought about it, she would never do martial arts supreme, but start over and be a man with an open mind.

In the rain curtain, Zhou Qin's slender figure drifted away, and there was a poignant beauty in loneliness.

.....

the other side.

Yue Feng took Liu Xuan and a few others, and after leaving Mount Emei, he did not stop and returned to the Ouyang family.

At this time, in the hall of Ouyang Mansion, Sun Dasheng, Wen Chouchou, and Ren Yingying were all anxiously waiting for the news of Yue Feng.

Although Yue Feng went to Emei with an army of tens of thousands, Zhou Qin was too cunning to know if he could successfully get the antidote.

At this moment, several figures appeared outside the door, it was Yue Feng and Liu Xuan.

"Brother..."

Meihui's face was overjoyed, she walked in quickly, and threw herself into Yue Feng's arms: "You're back, that's great."

In Meihui's heart, Yue Feng is her own relative, do you want to? It doesn't matter if he goes back to the antidote, as long as he's okay.

Yue Feng smiled and stroked Meihui's head, his eyes full of love.

This sister, although not biological, loves herself the most.

“Fengzi!”

At this moment, Sun Dasheng came over and asked eagerly, “How is it? Have you seen Zhou Qin?”

As soon as he finished speaking, Wen Chou Chou laughed and said, “Is there any need to ask? It went very well, and I didn't see Liu Xuan's younger siblings coming back safe and sound.”

Wen Chou Chou was mature and stable, and observed carefully, as soon as Liu Xuan came back, he knew that Yue Feng had succeeded.

“Brother Wen is still very thoughtful, you can see it at a glance.” Yue Feng smiled and said something, his expression darkened again: “I have already got the prescription for the antidote, but Zhou Qin is dead.”

What?

Hearing this, there was an uproar in the hall.

Immediately afterwards, many people were surprised.

“Zhou Qin, this wicked woman, finally got her retribution.”

“It's so clear-headed...”

No one sympathized with Zhou Qin during the discussion. After all, she had done bad things for three days and three nights over the years.

At this time, aware of Yue Feng's low mood, Wen Chou Chou couldn't help but ask: “Fengzi, Zhou Qin is dead, why do you look so sad? Do you still think she is pitiful for this kind of woman?”

Chapter 2008

Swish!

Wen Chou Chou's voice fell, and the eyes of everyone around were focused on Yue Feng.

Yue Feng shook his head and smiled bitterly: “A little pity for Zhou Qin...” Then, he explained the situation at that time in detail.

call!

In an instant, after learning of the situation, the entire hall was silent, everyone fell silent, and the expressions of each and every one were extremely complicated.

It turned out to be Yue Feng's son who killed Zhou Qin. Moreover, the method of burying alive is still used.

This method is a bit harsh.

Also, Zhou Qin regretted it? Is it possible....

“Fengzi.”

At this time, Wen Chou Chou came over and patted Yue Feng's shoulder to comfort him: “Although I don't see much this child Wu Ya, I also know that he has a good nature, so he buried Zhou Qin alive. It's also due to his strong blood and temperament. When he grows up and matures, he will be stable. Therefore, you don't have to worry. As for Zhou Qin, whether he really regrets it, the heart is separated from the belly, who knows?”

Wen Chou Ugly acted calmly, without thinking, just guessed that Yue Wuya buried Zhou Qin alive mainly because he hated Yue Feng.

As soon as the words fell, Sun Dasheng said nonchalantly: “You guys think that Wuya's actions are a bit cruel, but I feel relieved, Mad, think about it carefully, how did Zhou Qin deal with us in the first place? Bury her alive. It 's not too much.”

Sun Dasheng has a hot personality, and if he has a vengeance, he will avenge him.

“Okay, okay!” Hearing this, Yue Feng smiled wryly and waved his hand: “Don't talk about this!”

Forget it, since everyone doesn't believe that Zhou Qin is really reformed, not much said.

In the next second, Yue Feng looked relaxed: “I'll hurry to make the pills now, everyone prepares it.”

With that, Yue Feng instructed the family disciples to prepare the materials for pill making.

After a while, the alchemy furnace and various materials were ready, Yue Feng ignited the furnace, and was ready to start alchemy.

call!

For a time, Wen Chou Chou looked around without disturbing her, but her expressions became more complicated.

hum!

Finally, with a vibration of breath, the medicinal pill was successfully refined. Yue Feng was overjoyed and quickly took it out and distributed it to everyone: "Come on, take it quickly."

Zhou Qin gave everyone ten times the amount of Hetian at that time. Dan, only one week to live, now five days have passed, no delay.

However.

Everyone found the medicine pill, but none of them took it, but they were extremely hesitant.

"Why don't you eat?" Yue Feng was stunned and couldn't help asking.

"Fengzi!"

At this time, Wen Chou Chou couldn't help but said, "You said earlier that Zhou Qin gave you the antidote on his own initiative. This woman is very cunning and vicious. Could it be fake?"

"Falling down, the others nodded in agreement.

"Yeah, Zhou Qin is a snake and a scorpion, so don't be fooled by him."

"Yue Feng, do you trust Zhou Qin too much?"

Everyone heard your sentence and my sentence, Yue Feng couldn't help laughing, and he was very worried. resignedly.

Seriously, if it were two days ago, Yue Feng would not have believed Zhou Qin, but after these two days, Yue Feng deeply understands that Zhou Qin has really changed his mind, so the prescription given is definitely it is true.

You must know that people who are about to die are also good at their words. At that time, Zhou Qin was locked in a dungeon, so miserable, there was no need to lie to himself.

It's just that only I understand these things, how can I convince Brother Wen and the others?

For a time, Yue Feng was very embarrassed.

“Everyone, be quiet!”

At this moment, Shennong walked out slowly and looked around: “Well, whether this antidote is true or not, everyone can’t tell, it’s better for this old man to test the medicine.”

“Okay, trouble . Senior.” Yue Feng was overjoyed and nodded quickly.

Seriously, if someone tried the medicine, Yue Feng would definitely refuse it. If it was poison, it would kill people, but Shennong was different. This is the ancestor of medicine that people admired in the world. Moreover, who did not know the story of Shennong tasting all kinds of herbs. Ah, no matter how powerful the poison is, it cannot poison him.

The people around are meaningless.

Gudong.

Shen Nong didn’t talk nonsense. He took a pill and swallowed it directly. Immediately, he closed his eyes and felt the power of the medicine silently.

A few minutes passed, and I saw Shennong looking as usual, without any discomfort.

“This medicine is real.” Shen Nong opened his eyes and nodded.

call!

Chapter 2009 The

voice fell, and everyone looked at each other, their hearts were extremely complicated.

This... This Zhou Qin actually gave a real antidote.

Is it really as Yue Feng said, completely reformed?

But what if it’s rehabilitated? People are dead.

call!

And Yue Feng also took a deep breath, feeling both happy and sad in his heart.

Zhou Qin really didn’t lie to herself, she really regretted it.

Unfortunately, people also died.

....

on the other side.

At the northwestern border of the Tianqi Continent, Yue Wuya led the Tianqi army and marched mightily towards the Tianqi Imperial City.

In the army, Su Qingyan and the people from the Emei faction all had iron chains on their hands, and they all looked sad.

At the forefront of the army, Yue Wuya was riding a white horse with a relaxed expression. Han Bing and Xing Yao next to them had complicated expressions, especially Han Bing, who was very worried.

The elder brother has arrested the entire Emei faction. When he arrives at the imperial city, will he behead all the Emei disciples?

Han Bing grew up in the Emei School since childhood. Although he has been away for a few years, he still has some feelings in his heart.

Da Da Da...

When Han Bing was thinking about these things, he heard the sound of horse hooves not far away!

Han Bing quickly turned his head to look, and suddenly his body trembled.

I saw in the wilderness not far away, an army of hundreds of thousands, lined up neatly, galloping! These hundreds of thousands of soldiers, wearing uniform black armor, can feel the chilling aura on them from a long distance!

Not only that, there are many soldiers riding big birds in the sky, which is very shocking.

At the forefront of the army, there was a tall figure suspended in golden armor, majestic and imposing, with a vicious black dog beside him.

This black dog is dozens of meters long, with bloody eyes and fangs.

It is... Erlang Zhenjun Yang Jian, and his spirit beast, the roaring dog!

Yang Jian was very ambitious. After he became the emperor of the Northern Ying Continent, he wanted to unify the Kyushu Continent, but at the beginning, in order to capture Chang'e and Yue Feng, the matter of expanding the territory and expanding the territory was temporarily delayed.

Later, Chang'e and Yue Feng could not be caught. Yang Jian lost his patience and decided to wage war against other continents.

And Apocalypse Continent was Yang Jian's first target.

call!

At this moment, feeling the chilling aura of the Beiyang army, Yue Wuya and Xing Yao both felt their hearts tighten, and they only felt that it was difficult to breathe.

powerful!

Such a powerful aura, the overall strength of the army in front of him is many times stronger than that of the Xi Cang army.

And the commander-in-chief in front of him is accompanied by a black dog. Could it be... is the True Monarch Erlang from the Northern Ying Continent?

"Kill!"

At this time, seeing Yue Wuya and Tian Qi's army from a distance, Yang Jian did not hesitate, waved his arm, and issued an order directly.

Since it's here to ask for it, there's no need to be polite.

"kill!"

The voice fell, and the hundreds of thousands of Beiyang troops below let out a howl that shocked the world. They pulled out their weapons and rushed towards Yue Wuya.

hiss!

Seeing this scene, Yue Wuya couldn't help gasping for air, then took a deep breath, forcibly calmed down, turned back and shouted: "The whole army obeys the order, immediately lined up to meet the enemy, make no mistakes, vow to defend the homeland to the death, never back down, Kill!"

In Yue Wuya's heart, he grew up in the Apocalypse Continent, and the Apocalypse Continent was his home.

"Kill!"

"Defend the homeland!" The

voice fell, and the army of hundreds of thousands of Apocalypse responded in unison, the momentum was overwhelming, and it rushed up like a tide!

In the blink of an eye, Xi Cang's army and Tian Qi's army collided head-on, and a tragic fight broke out!

“Ah!”

For a while, the screams and roars continued to sound, and the blood continued to splash, dyeing the earth red.

Chapter 2010

Huh!

Seeing the battle between Xi Cang’s army and Tianqi’s army, Su Qingyan, who was caught by Yue Wuya, and the disciples of Emei, all trembled faintly.

The two armies suddenly fought, and Su Qingyan and the people from the Emei faction were completely too late to react. Seeing the blood splashing all around, everyone was terrified.

How to do?

At this moment, Su Qingyan was frightened and desperate.

Now the two armies are in chaos, and as a prisoner, he will definitely be accidentally injured.

Could it be...is he going to die here?

“Everyone, run.”

At this moment, someone in the Emei Sect crowd shouted, and in an instant, many Emei Sect disciples hurriedly fled towards the woods in the distance.

These disciples of the Emei Sect knew in their hearts that instead of being brought back to Tianqi Imperial City by Yue Wuya for disposal, their life and death would be unpredictable, so they might as well take this opportunity to escape.

At this moment, Su Qingyan didn’t have time to think, she quickly followed the disciples of the Emei faction and ran towards the distant woods. Su Qingyan knew in her heart that if she stayed here, she would only have a chance to survive if she escaped with the Emei faction.

“Stop, all stop...”

Seeing this scene, Yue Wuya was so frightened that he roared loudly, and at the same time issued an order to his subordinates: “Hurry up and stop them, these prisoners can’t be allowed to run away.”

” Bringing these people from Emei and Su Qingyan back to Tianqi Continent, if they let them escape, everything will be in vain.

However.

Apocalypse’s more than 100,000 soldiers were all restrained by the Beiyang army, and they couldn’t isolate themselves to intercept Su Qingyan and the people from the Emei faction.

In the blink of an eye, Su Qingyan and the people from the Emei faction ran farther and farther and disappeared into the woods.

“Boy take the move!”

Just when Yue Wuya was distracted, a slender figure came hurriedly, sipping sweetly in his mouth, and slapped it with a palm, with astonishing power.

It is Gonggong.

Yes, after Gonggong pledged allegiance to Yang Jian, he followed the army and helped Yang Jian to conquer the Tianqi Continent.

Speaking of which, Gonggong did not know Yue Wuya.

But she could sense that the handsome young man in front of him had an extraordinary temperament and was wearing golden armor, and his identity was definitely not ordinary.

Gonggong was eager to perform in front of Yang Jian, and wanted to make a contribution.

hum!

With this palm, Gong Gong almost burst out with all his strength, and within a hundred meters of her body, the air was distorted!

call!

Seeing Gonggong rushing in, Yue Wuya’s expression changed, and he was shocked.

So strong, who is this woman?

“Crack!” In the

next second, Yue Wuya didn’t have time to think about it, and with a crisp sound, the Overlord’s Hammer was tightly held by him.

As soon as the Overlord's Hammer came out, Yue Wuya's whole body suddenly burst into a powerful fighting spirit, and the air seemed to be filled with a bloody aura.

Um?

Gonggong bit his lip tightly, his eyes fixed on the Overlord Hammer, his heart was extremely excited.

This kid even has a peerless weapon? It seems that his guess is good, the identity of this kid is not simple.

If you catch him later, you will not only perform meritorious service in front of Yang Jian, but also get a peerless weapon.

Thinking about it, Gonggong showed a smile, and his figure was astonishing, speeding up and fighting fiercely with Yue Wuya.

call!

Seeing this scene, the soldiers of Apocalypse below couldn't help but break into a cold sweat for Yue Wuya.

In particular, Xing Yao, who was not far away, had a beautiful face full of anxiety.

Although Yue Wuya has the Overlord's Hammer, the woman who is fighting against him is very powerful. I am afraid that Yue Wuya is not an opponent...

At this time, Xing Yao wanted to rush over to help, but dozens of enemy troops were in front of him. Stop it, you can't get over it at all.
