

The ultimate husband in Chinese chapter 2111-2115

Chapter 2111

Yuwen Ji nodded and agreed, but did not pull out the silver needle on Yue Feng's back.

At this moment, Yu Wenyan came over wearing a nightgown, her long white legs exposed, not to mention how sexy. But at this time, her beautiful face was full of anger, but the looming curve still made Yue Feng's eyes go straight.

"Arrogant villain!"

Feeling Yue Feng's gaze, Yuwen's arrogant body trembled, and with a coquettish cry, he ordered: "Kill him immediately for this deity, and before killing him, gouge out a pair of eyes."

This People, who peeked at themselves bathing before, were guilty of unforgivable sins, but now they are caught, and their eyes are unruly.

Just damn it.

What the hell!

Yue Feng was taken aback, quickly looked away, and said with a wry smile: "Your Highness, don't get excited, this is really a misunderstanding.

"If I touch you, won't I be slashed by a thousand swords?"

At this time, Yuwen Ji came over and comforted Yuwenyan softly: "Mr. Feng said the situation just now, the black cloth was accidentally dropped, he didn't do it on purpose, forget it."

"Yeah . Yan Tingxue also hurriedly said: "Since it is a misunderstanding, the Honorable Master should not care about it. Besides, Mr. Feng will help you to heal the injury."

Yu Wenyan didn't speak, and stared at Yue Feng tightly, revealing Evil and evil.

quiet!

At this time, the entire audience was silent, almost needles could be heard, and the atmosphere was extremely depressing.

Gudong.

Yue Feng secretly swallowed his saliva, and a layer of cold sweat broke out on his forehead. Nima, this Yu Wenyan will not really kill himself. To be honest, the acupuncture point was sealed by the silver needle and unable to move, Yu Wenyan really wanted to do it, but he didn't even have the chance to resist.

“Crack!”

At this moment, Yu Wenyan slowly approached, and without warning, slapped Yue Feng's face.

This slap was very heavy, and for a moment, there was no sound around, and everyone was stunned.

“Fengtao, today's matter, this deity does not care about you, but if there is a next time, this deity will make you unable to survive or die!” Yu Wenyan said coldly.

In fact, in Yu Wenyan's heart, he also knew that what happened just now was a misunderstanding. The storm in front of him didn't mean to peek at him.

But no matter what, he was as innocent as jade, but he saw it lightly. To Yu Wenyan, it was like a great humiliation. Even if he didn't kill him, he couldn't forgive him lightly.

Having said that, Yu Wenyan raised his jade hand, tapped several acupoints on Yue Feng's body, and pulled out the silver needle at the same time.

In this way, Yue Feng is also restrained.

“From now on, send a few people to follow him.” Yu Wenyan's delicate face was as cold as frost, without the slightest fluctuation, and coldly ordered: “He is not allowed to walk around in Xiyan Pavilion. Improper behavior, kill directly.”

When he said this, Yu Wenyan glared at Yue Feng, his anger still lingering.

To be honest, Yu Wenyan really wanted to kill him immediately, but Yan Tingxue was right, this man is very skilled in medicine, and his injury still needs his help, so he can only dispel the idea of murder.

“Yes, Honorable Lord!” Several female disciples responded, and then took Yue Feng back to the room like a prisoner.

Nima!

At this moment, Yue Feng wanted to cry without tears.

This Yu Wenyan was too careful, he said that it was a misunderstanding, and it was enough to slap him, but he even sent a few disciples to keep an eye on him at all times. How can I leave after this?

To tell the truth, if there were a few beautiful female disciples who watched over him all the time, Yue Feng would definitely feel very happy, but at this time, he only wanted to leave Xiyuan Pavilion, so how could he think about it.

Chapter 2112

..... On the

other side, Northern Ying Continent!

Inside the hall, Yang Jian was sitting on the throne in a dragon robe, listening to the ministers reporting the various situations in the mainland.

Since he conquered the Southern Cloud Continent and was defeated by Yue Feng, Yang Jian has not sent troops to conquer other continents, but ordered a large army to train diligently and be prepared at all times.

At the same time, Yang Jian also sent people constantly to inquire about the whereabouts of Yue Feng and Guiguzi. He was afraid of Guiguzi, if Guiguzi followed Yue Feng, he would not dare to touch Yue Feng.

“Your Majesty!”

At this moment, Gong Gong walked quickly into the hall, his delicate face was full of joy and excitement, and respectfully said: “Report to Your Majesty, I have checked it out, after we evacuated Nanyun Continent, the ghost Senior Gu and Yue Feng were separated.”

“Also, the minister specifically found out that Senior Guigu was indeed released by Yue Feng from Linglong Tower. It stands to reason that Guiguzi should recognize Yuefeng as the master, but Guigu The senior has a rebellious temperament, and would rather die than recognize Yue Feng as the master. At that time, it was Yue Feng who pleaded several times before Guigu senior agreed to help him defend against our Beiying army.”

Really?

Hearing this, Yang Jian’s eyes lit up, he couldn’t help standing up, and looked at Gonggong closely: “Are you sure the news you said is true?”

” Seriously, he nodded his head and replied, “Senior Guigu has already traveled around the world, and I don’t know where he is, but the minister found out that Yue Feng is alone in the Yellow Sea Continent, and he doesn’t know what he is doing.”

Haha

... Laugh, feel very happy.

After a long time, Yue Feng had nothing to do with Guiguzi, but he made him jealous for so long.

“His Majesty!”

At this time, Gonggong showed a smile and complimented: “Since Yue Feng has nothing to do with Guigu senior, we don’t need to worry about it, and Yue Feng is not in the Earth Continent now, I think this is the reason we attacked the Earth Continent. Good opportunity.”

Saying that, Gonggong’s eyes flashed with confidence, and he continued: “Isn’t Your Majesty trying to capture Yue Feng alive? This Yue Feng has always been responsible for protecting the safety of the Earth Circle, as long as we capture the Earth Circle, Yue Feng The wind will definitely appear.”

“Okay, okay!”

Hearing this, Yang Jian smiled and nodded approvingly: “This proposal is good, pass my will, and immediately send troops to attack the Earth Continent.”

At this time, Yang Jian , with a smile on his face, his eyes flashing with urgency.

“Yes!” A

few minutes later, the hundreds of thousands of Beiyong troops quickly assembled, and under the leadership of Yang Jian, they marched mightily towards the Diyuang Continent.

After several hours of marching, the army finally reached the southwestern border of the Earth Circle.

At this moment.

At the southwest boundary of the Earth Circle Continent, deep in the endless mountain, a woodcutter, carrying a basket and his young son, walked slowly on the mountain road.

The woodcutter has lived here for generations and made a living by going up the mountain to chop firewood and hunt. Today is the first time I took my child out and told him how to hunt.

“Roar!”

At this moment, a heart-shaking roar came from the woods ahead, and then, a colorful tiger jumped out.

hiss!

Seeing the tiger, the woodcutter trembled and was so frightened that his soul flew out of the sky.

“Father, tiger, I... I’m afraid!” The son was even more frightened and huddled tightly behind the woodcutter, trembling all over.

“Not afraid, not afraid...” The woodcutter continued to comfort him, but his face was also extremely pale, and he was so frightened that he was helpless. Although he was a hunter, he was not a tiger-fighting hero. How could he be a tiger’s opponent.

“Roar!”

At this moment, the colorful tiger roared again, staring at the father and son with blood-red eyes, the blood pot opened its mouth wide, and the huge body stirred up a stench, and rushed over directly.

Done.

Seeing the rushing tiger, the woodcutter hugged his son tightly, closed his eyes, and felt despair in his heart.

If I knew that I would encounter a beast today, I would not bring my son out.

Chapter 2113

“Nice animal, don’t hurt the innocent.”

However, at this critical moment, I heard a coquettish shout in the air not far away.

hiss!

When the woodcutter heard the sound and looked at it, his body was shocked, he gasped, and the whole person was stunned.

I saw a slender figure flying over, elegant and agile, and the white long skirt showed the graceful curves incisively and vividly, and the facial features were exquisite and beautiful, like a fairy descending to earth.

This woman is Zhou Qin.

When he was buried alive by Yue Wuya on Mount Emei at the beginning, Zhou Qin relied on the closed-breathing exercise to survive the catastrophe. At that time, when he thought of his own causes and consequences, Zhou Qin was enlightened and completely let go of the grievances and fame and fortune in his heart, left Mount Emei, and wandered around.

During this period of time, every time Zhou Qin went to a place, he would do a lot of good things, punish evil and promote good, and benefit the people, so as to eliminate his past sins.

I happened to pass by here today and saw a fierce tiger trying to hurt the woodcutter and his son. Zhou Qin didn't think much about it and came to stop it.

call!

At this moment, looking at Zhou Qin in mid-air, the woodcutter opened his mouth and killed him completely.

so beautiful.

Is this a fairy coming down to earth?

“Roar!”

At this moment, sensing Zhou Qin's threat, the tiger roared, jumped up, and rushed directly towards Zhou Qin.

“Death to the beast!”

Watching the tiger pounce, Zhou Qin did not panic at all, her delicate face was extremely calm, and with a coquettish snort, her figure fluttered in mid-air, avoiding the tiger's pounce, and at the same time she stretched out her jade hand. , slapped a palm on the tiger's head.

boom!

A dull sound came out, the tiger's skull shattered, and it died immediately, and its huge body fell heavily into the woods.

Immediately, Zhou Qin's figure also fell gracefully.

This...

Seeing this scene, the woodcutter and his son were extremely shocked.

“Thank you Fairy for helping me.” After a few seconds, the woodcutter responded and kowtowed to Zhou Qin to thank him.

Killing a tiger so easily, what is not a fairy?

Zhou Qin smiled lightly and waved his hand: “You don’t need to be polite, eldest brother, I’m not a fairy, I’m just a passerby.”

After speaking, Zhou Qin looked around and continued: “The environment in this area is complicated, and I will go hunting in the mountains in the future. , be careful.”

“Yes, thank you fairy for reminding me.” The woodcutter nodded again and again, then dragged his son down the mountain.

call!

Watching the father and son walk away, Zhou Qin let out a light sigh of relief, feeling very relaxed.

I saved two more people today. Has my sins been alleviated a lot?

Da Da Da...

At this moment, I only heard the sound of horse hooves on the road below.

Zhou Qin hurriedly looked at it, and suddenly her delicate body trembled.

I saw not far from the road, an army of hundreds of thousands, lined up neatly, galloping, these hundreds of thousands of soldiers, wearing uniform black armor, not only that, there are thousands of big birds in the sky. , Above each big bird, there is a soldier standing, and from a long distance, you can feel a suffocating chill.

In front of the army, in midair, suspended a tall figure, wearing a golden armor, majestic, and beside him, followed by a big black dog.

It is Yang Jian, the true prince of Erlang, and the roaring dog.

Chapter 2114

This....

Seeing this scene, Zhou Qin’s face was instantly pale, and her delicate body kept shaking.

Yang Jian led the Northern Ying army to attack the Diyuan Continent?

Zhou Qin was once trapped in the Beiyang Palace, and naturally knew Yang Jian.
call!

A few seconds later, Zhou Qin reacted and hurried down the mountain.

At this time, Zhou Qin had already thought about it. The Northern Ying army invaded the Earth Continent. The situation was urgent, and the various schools must be notified as soon as possible.

Speaking of which, Zhou Qin was very embarrassed to go to see the various sects after forcing the masters of various sects to take the Heitian Pill, but for the safety of the Earth Circle Continent, it doesn't matter.

....

at this moment.

Zhongzhou, Ouyang family.

On the rivers and lakes, there was a rare period of calm days, and the Ouyang family also returned to its former tranquility.

Today, however, the Ouyang family is unexpectedly lively. All the sects of the rivers and lakes gathered here to jointly elect Yue Feng as the leader of the martial arts alliance.

Speaking of which, before the various sects recognized Zhou Qin as the leader of the alliance, they were not willing. After all, they all took Hei Tian Pill and their lives were in Zhou Qin's hands, so disobedience would not work.

And now, Zhou Qin was buried alive by Yue Wuya, and he died a long time ago.

More importantly, some time ago, Yang Jian led the Northern Ying army to conquer all over the place, which caused panic among the people of all continents. Now that there are no leaders in the round continent, it is necessary to elect an alliance leader to lead.

And Yue Feng was in the Southern Cloud Continent before, repelling the Northern Ying army, famous in Kyushu, is the right person for the leader of the alliance.

At this time, in the hall.

Jiang Shan, Meihui, Ren Yingying, Qin Rongyin, Sun Dasheng and Wen Chou Chou all sat there with smiles and relaxed expressions.

Yue Feng was elected as the leader of the alliance, who is not happy for him?

In the guest seats below, the heads of various sects have all arrived, and there are many familiar faces, Wudang Lingbao real person, Shaolin master Kongwu, the beggar gang, the iron palm sect, and the giant whale will all come.

“Everyone!”

At this time, Jiang Shan smiled slightly, looked around the audience, and said softly: “Thank you for being so optimistic about Feng’er, but Feng’er is not in the Ouyang family now and is out to do errands, so the matter of the alliance leader is still in the future. Wait for him to talk about it.”

Jiang Shan was in Xicang Continent before, and when Yue Feng led the army back to Diyuang Continent, he came back with him.

What?

Yue Feng is not here?

Hearing this, the masters of various sects were stunned for a moment, each with a very embarrassed expression.

The leader of the alliance can’t be settled. If Yang Jian leads the Northern Ying army to fight, then the land circle continent will be headless and scattered, it will be troublesome.

“Everyone, don’t panic!”

At this moment, Wen Chou Chou stood up and said with a smile, “Fengzi is in the Southern Cloud Continent, and he has smashed the Northern Ying army and is famous all over the world. Then Yang Jian has suffered from him, and he does not dare to attack us rashly. From the round continent.”

Wen Chou Chou was very thoughtful, and at a glance he could see what everyone was worried about.

Hearing this, everyone cheered up one by one, with smiles on their faces.

“That’s right, the Palace Master Wen is right. Even if Sect Master Yue is not the leader of the alliance, the Northern Ying Continent would not dare to attack it easily.”

“I have also heard about the war in the Southern Cloud Continent. .”

“Haha, with the patron saint of Sect Master Yue, why should we panic?”

Everyone’s comments came from you and me, and Wen Chou Chou laughed without saying a word.

Sun Dasheng and Ren Yingying, who were beside him, also chuckled secretly.

These people are really interesting. When they were working for Zhou Qin, they belittled Yue Feng in various ways. Now that Zhou Qin is dead, they have turned their heads to please Yue Feng.

Squeak!

Chapter 2115

Just when everyone was saying good things about Yue Feng, at this moment, the door of the hall was suddenly pushed open. Then, a graceful and slim figure walked in slowly.

It was Zhou Qin.

Half an hour ago, Zhou Qin visited various sects and learned that the Ouyang family had come. Zhou Qin did not dare to delay and rushed over directly.

At this time, Zhou Qin was full of dust and dust, and his delicate face was tired, and his eyes flashed with anxiety.

What?

Seeing Zhou Qin, everyone present was stunned.

This....this is Zhou Qin?

Wasn't she buried alive in Mount Emei by the prince of Tianqi Continent? How....not dead?

Buried a few meters underground, and still able to save her life, how did she do it?

For a time, many people's brains were buzzing, looking at Zhou Qin one by one, unbelievable.

boom!

Finally, Tang Qingyun was the first to react, and stood up, pointing at Zhou Qin and shouting angrily, "Zhou Qin, you are such a vicious woman with a vicious heart, how dare you show up?

" , Now that Yue Feng has been elected as the leader of the alliance, he is the biggest supporter, and Zhou Qin, even if he does not die, he has no strength, and he does not need to please.

“Wow!” The

voice fell, and everyone from other sects followed suit and accused Zhou Qin!

“Zhou Qin, what you’ve done in the past is not worth dying for a hundred times. If you don’t die this time, you should find a place, but for the rest of your life, don’t come to participate in the arena.”

“Yes, it’s not you here . Wherever you came, hurry up.”

“According to me, she came to beg Sect Master Yue to take her in, hehe, she’s really a bitch...”

The more and more everyone scolded it, the more unpleasant it sounded, but Zhou Qin pretended not to hear it.

The next second, Zhou Qin looked at Jiang Shan and said anxiously, “Mrs. Jiang, where is Yue Feng? I’m looking for him in a hurry!”

Yue Feng is a hero of the Earth Circle, with strong appeal and proficient in the art of war, only he can Block the invasion of the Northern Ying army.

“He...”

Jiang Shan’s expression was calm, without the slightest fluctuation, she said lightly, “He’s not here.”

Seeing Zhou Qin’s resurrection, Jiang Shan was also surprised, but thinking of what she had done in the past, Jiang Shan was too lazy Say more.

not there?

Hearing this, Zhou Qin’s body trembled, her face was pale, and she was so anxious.

It’s broken, the Beiyong army has already crossed the border at this moment, and Yue Feng is not there, now it’s troublesome.

Thinking about it, Zhou Qin asked, “Where did he go? Can I contact him now?”

Jiang Shan hesitated, thinking about whether to answer, but was interrupted by Sun Dasheng.

“Zhou Qin!”

Sun Dasheng looked closely at Zhou Qin with hostility in his eyes, and said coldly, “What are you doing with Fengzi? You didn’t hurt him bad enough before? Do you want

to hurt him? Let me tell you, Fengzi is here now. Where, we don't know, and even if we do, we won't tell you." When the

voice fell, Mei Hui, Xiao Yuruo and the others all nodded in agreement.

Zhou Qin is a woman with a vicious heart and has to be guarded.

However, none of them knew that Zhou Qin had already changed his mind.

call!

Hearing this, Zhou Qin smiled bitterly and did not refute.

Yes, the former self is indeed hateful.

Soon, Zhou Qin adjusted his mood, looked around, and said to the various sects present: "The situation is urgent, I won't say more. All the sects, hurry up and mobilize people to go to the Huashan area to defend against the Beiyang army."

Said, Zhou Qin's face showed a bit of solemnity, and continued: "Five hours ago, I saw with my own eyes that Yang Jian led the army and crossed the border in the southwest. It is estimated that it is about to reach the Huashan area."
