

The ultimate husband in Chinese chapter 2116-2120

Chapter 2116

What? ! Yang Jian attacked? !

A stone stirred up a thousand waves.

Everyone present was shocked and stunned.

In the next second, Tang Qingyun couldn't help sneering and mocking Zhou Qin: "Zhou Qin, what tricks do you want to play? Yang Jian's Beiyang army was defeated by Sect Master Yue in Nanyun Continent not long ago. Dare to attack the Earth Circle?" The

voice fell, and many people reacted and agreed.

"Yes, this woman must be up to something else."

"Zhou Qin, do you want to deceive us again and use despicable means to deal with us? Haha, your tricks are no longer effective, save it!"

"Yes, this woman is full of nonsense, and everyone should not believe it."

In the hearts of everyone, they didn't believe that Yang Jian was attacking.

Zhou Qin was in a hurry, and said to Tang Qingyun, "Everything I said is true, the Northern Ying army is indeed coming. If we don't deploy defenses in time, the Earth Continent will be over!"

Haha!

Tang Qingyun sneered and mocked: "Zhou Qin, put away your fake appearance, we really want to listen to you, and the Earth Circle is really over."

When he said this, Tang Qingyun seemed righteous on the surface. The words, but the pleasure of revenge flashed in his eyes.

Zhou Qin, Zhou Qin, once I was by your side, I was not as good as a dog. Today, I must seek some dignity back from you.

boom!

When the words fell, the audience burst into laughter, looking at Zhou Qin's eyes, full of ridicule and contempt, thinking that he had seen through Zhou Qin's trick.

The roar of laughter sounded, Zhou Qin stomped his feet in a hurry, and couldn't bear it any longer, looked at Tang Qingyun and said coldly: "Tang Qingyun, I admit, I used to be sorry for all your sects, but today I use My personality guarantees, what I said is true, Yang Jian attacked! If you continue to mess around, don't blame me for being rude!"

When he said this, Zhou Qin's delicate face was covered with frost.

This Tang Qingyun is really a villain. When he was the leader of the alliance, he was flattering and flattering. Now that he sees that he has nothing, he quickly opens up the relationship, and then belittles and mocks.

"You..."

Feeling the coldness on Zhou Qin's body, Tang Qingyun trembled in his heart and took a step back subconsciously. She had been shrouded in Zhou Qin's power for so long, Tang Qingyun was almost afraid to the bottom of her body, and now she was angry when she saw her. , suddenly a little flustered.

However, seeing the people around him, Tang Qingyun regained his confidence, pointed at Zhou Qin and shouted: "Zhou Qin, don't put on airs in front of me, even if you are strong, I, Tang Family Fortress, will not give you any courage. This vicious woman gives in."

After speaking, Yang Qingyun shouted at the crowd: "Everyone, Zhou Qin is full of evil this week, everyone present has been tortured and oppressed by her, do you still have to tolerate her in us? Do you show off your power in front of you?"

Wow!

When the words fell, everyone remembered the forcible coercion that Zhou Qin had once coerced and coerced, and one by one, filled with righteous indignation, pointed at Zhou Qin and yelled angrily.

"Tangbao Lord is right, Zhou Qin has done a lot of evil, we can't stand it anymore!"

"Yes, Zhou Qin is so arrogant this time, it's really hateful to not take our schools in the eyes!"

"Zhou Qin, don't get out, don't Blame us for being rude!"

Everyone shouted in anger and I couldn't hide their hostility and hatred for Zhou Qin.

At the beginning, Zhou Qin relied on Hei Tian Dan to force all the sects to respect her as the leader of the martial arts alliance.

Zhou Qin ignored the scolding of these people. Originally, considering the safety of the Earth Circle, she wanted to invite all sects to defend against the invading Beiyang army as soon as possible. But she never expected that the various sects did not believe their own words at all, not only that, but also insulted themselves one by one.

At this moment, Zhou Qin was completely impatient, his eyes fixed on Tang Qingyun, and his delicate body trembled: "Tang Qingyun, I ask you, do you agree to take your disciples to Huashan to fight the enemy?"

"Qin was extremely emotional, especially when she saw Tang Qingyun's small face, her pretty face was pale, and her delicate body trembled faintly.

"Resist the enemy?"

With the support of various sects around, Tang Qingyun completely lost his fear and sneered at Zhou Qin: "Zhou Qin, are you interesting? Everyone has seen through your tricks, you still continue to act? I tell you, Nian Zai, you have done some things for the Earth Continent, I won't embarrass you today, but if you mess around, don't blame me for being rude!" The

words were righteous, but Tang Qingyun's eyes were treacherous. .

Chapter 2117

Haha...

Zhou Qin, Zhou Qin, can you have today too?

Hearing this, Zhou Qin almost exploded with anger, and glared at Tang Qingyun: "You said that I am messing around?" The

Beiyang army has already attacked, and they don't have any sense of precaution, but they are still mocking themselves here.

What a fool.

At this time, the surrounding sects lost their patience and shouted at Zhou Qin.

"Master Tangbao is right. If you don't leave, Zhou Qin, we will really do it!"

"That is, for the sake of all martial arts fellows, we will not embarrass you, but you also don't have to make an inch!"

"Yes. Ah, you should be grateful for letting you go today, don't be ignorant of praise!"

The mockery sounded, Zhou Qin couldn't bear it any longer when he heard their words, and shouted tenderly: "Okay, okay, you people, Self-proclaimed honorable and upright, chivalrous first, but one by one does not distinguish right from wrong, I am no longer the head of the Emei faction, let alone the leader of the martial arts alliance, and I don't care about these fame and fortune, why should I lie to you? On the contrary, you people, arrest Holding on to my faults, being narrow-minded, but still standing on a righteous standpoint, it's ridiculous!"

After speaking, Zhou Qin took a deep breath and said firmly: "I won't say more nonsense, no matter what today, you all have to follow me. If I go to Huashan, if it is one step later and the Earth Circle Continent falls, none of you here can escape the responsibility."

Wow!

One stone creates a thousand waves!

Many people's expressions changed, and they stood up one after another, pointing at Zhou Qin and cursing.

"What did you say?"

"What kind of thing are you qualified to talk to us like this?"

"I don't know how to lift up, I'm extremely arrogant."

At this time, Tang Qingyun jumped out first, pulled out his long sword, and shouted: "Everyone, such a vicious and arrogant woman, what are you talking about with her, let's go together, Catch her!" The

voice fell, and Tang Qingyun's long sword was almost reaching Zhou Qin's chest!

At the same time, more than twenty masters from various sects rushed over! For a while, Zhou Qin was surrounded by a group!

Only the members of the Ouyang family sat there and looked at each other.

"Mom!"

At this moment, Meihui frowned and couldn't help but whispered to Jiang Shan: "This is about to start, should we take action?"

When she said this, Meihui couldn't help but look at Zhou Qin. At a glance, there is disgust. Zhou Qin had framed Yue Feng several times, and Mei Hui had no good impression of her.

call!

Jiang Shan breathed a sigh of relief, shook her head and said, "Let's see the situation first!"

Jiang Shan thought carefully, although she couldn't tell whether what Zhou Qin said was true or not, but she knew that Zhou Qin was not a stupid woman and would not be stupid alone. Send it to the door and give the doors a chance to besiege.

Hearing this, Mihui hummed and stopped speaking.

Ren Yingying, Wen Chou Chou and others next to them also sat there quietly and watched, not intending to take action.

idiot!

Bunch of idiots.

Watching the siege of various sects, Zhou Qin's pretty face was frosty, and the anger in her heart was completely aroused. She raised her jade hand and clenched her long sword.

clang! clang! clang!

For a time, Zhou Qin's figure was light and agile, and he kept waving his long sword to resist, but after a few minutes, he was forced to step back.

Speaking of which, with Zhou Qin's strength, it would not be a problem to block the siege of these people. At first, Zhou Qin also wanted to teach these stubborn people a lesson, but in the end, Zhou Qin held back!

After all, these people in front of them are the main force of the Earth Circle Continent, and the Northern Ying army still needs them to resist. If anyone is injured, the combat effectiveness of the Earth Circle Continent will be weakened.

Chapter 2118

Huh?

Seeing this scene, Jiang Shan and Wen Chou Chou secretly frowned.

Zhou Qin's strength is not so weak, how could he be beaten so embarrassingly?

Didn't she do her best?

But that's not right. With Zhou Qin's personality, how could he be merciful to people like Tang Qingyun?

"What's the matter?" Sun Dasheng frowned, looking very puzzled.

As soon as he finished speaking, Wen Chou Chou next to him took a deep breath and said slowly: "It's really weird. Zhou Qin is strong and if she goes all out, she will never be so passive. She seems to be doing it on purpose.

"Ren Yingying frowned lightly and said, "Yes, Zhou Qin has a tough and stubborn personality, and has been humiliated by various schools, she will never swallow this breath, but whether she burst out with all her strength should be guarding us, after all, the Ouyang family No one shot."

After speaking, Ren Yingying said to Jiang Shan, "Zhou Qin's palace is very deep, no matter what her purpose is, let's not take it lightly."

Well!

Hearing this, Jiang Shan nodded heavily, but did not speak, but closely watched the situation of the battle.

boom!

At this time, Zhou Qinmian's siege was already in a hurry. Suddenly, Tang Qingyun found an opportunity to knock down the long sword in Zhou Qin's hand from behind.

Immediately afterwards, a master from Wudang took the opportunity to go up and hit Zhou Qin's acupuncture point.

In an instant, Zhou Qin's body trembled, her face was pale, and she couldn't move.

"Ha ha..."

At this moment, Tang Qingyun was full of pride, walked over quickly, and mocked at Zhou Qin: "Zhou Qin, do you have today too?"

I didn't want you to leave before, and I was happy only if I was caught.

Zhou Qin looked indifferent and did not respond.

In her heart, there is no need for a villain like Tang Qingyun to argue with him.

Snapped!

Feeling Zhou Qin's indifference, Tang Qingyun felt as if he had been humiliated. He was angry and slapped Zhou Qin's face without warning.

The slap was so heavy that Zhou Qin's body trembled and she almost fell to the ground.

"Zhou Qin, you have given you a chance just now, but you don't know how to lift it up. No wonder we are." Tang Qingyun said coldly.

Immediately, Tang Qingyun turned his head to look at Jiang Shan, squeezed out a smile, and said to please: "Mrs Jiang, what should Zhou Qin do this time?"

Yue Feng has been respected by everyone as the leader of the martial arts alliance, and Jiang Shan is Yue Feng's adoptive mother. Of course there is some respect.

Swish!

At this moment, the eyes of the masters of various sects also converged on Jiang Shan.

Although the Ouyang family did not participate in the battle just now, this is the Ouyang family's territory after all, not to mention, Yue Feng was elected as the leader of the martial arts alliance. Therefore, how to deal with Zhou Qin is naturally decided by the Ouyang family.

Under the gazes of everyone, Jiang Shan slowly stood up, gave Zhou Qin a deep look, and said lightly, "Lock her up temporarily." The

voice was not loud, but there was an unquestionable aura.

Ouyang Zhennan is dead, Yue Feng is not there, Jiang Shan is the master of the Ouyang family, every word and deed represent the Ouyang family.

As soon as the words fell, two disciples of the Ouyang family came over and left the hall with Zhou Qin.

call!

Seeing Zhou Qin being taken away, Jiang Shan's delicate face did not fluctuate at all, but her eyes flashed with complexity.

Zhou Qin's reaction just now was so abnormal that she didn't fight hard. Could it be true that what she said was a call from the Northern Ying army?

Thinking to herself, Jiang Shan did not hesitate, and ordered the disciple around her: "Send someone out to investigate immediately. If there is any news of the invasion of the Beiyang army, report it immediately."

“Yes, ma’am!” The disciple responded, quickly Step out of the hall.

“Mrs. Jiang!”

At this moment, Tang Qingyun came out and said puzzled: “You don’t really believe what Zhou Qin said, this woman has many tricks and is the most deceptive!” The voice fell, and many people around All followed suit.

“Yeah, you don’t need to pay attention to what this woman said.”

“It’s the right thing to call Sect Master Yue back as soon as possible and take over as the leader.”

Hearing these words, Jiang Shan smiled lightly and said, “Thank you, everyone. As a reminder, I know what to do.”

After speaking, Jiang Shan turned her head and continued: “Everyone come to the door together and jointly elect Feng’er as the leader of the alliance, which will not only make our Ouyang family prosperous, but also make Feng’er splendid. It’s an honor, I’ll ask someone to prepare the banquet later, everyone, be sure to show respect, and when Feng’er comes back, I’ll ask him to convene everyone and talk about the alliance leader.” The

voice fell, and everyone in Tang Qingyun smiled.

“Madame is really polite.”

“Yes, why bother to bother.”

Facing everyone’s compliments, Jiang Shan smiled without saying a word, and then ordered someone to prepare a banquet.

After a while, the banquet was ready, and under Jiang Shan’s greeting, experts from various sects took their seats and began to exchange cups. The atmosphere was extremely lively.

A few hours later, the banquet was over, and the masters of various sects were arranged by Jiang Shan to rest in the Ouyang family.

It was late at night, and the entire Ouyang family was quiet.

Boom!

Chapter 2119

Suddenly, the front door was forcibly slammed open, and then, a family disciple, sweating profusely, ran in in a panic, shouting: "No, the Beiyang army is calling, already It has captured Huashan and is now approaching Yunzhou City."

What?

Hearing the shouts, people from the Ouyang family and masters of various sects woke up from their dreams one by one, and their faces changed drastically.

This... Zhou Qin didn't lie.

Is the Northern Ying Continent really calling?

At the same time, the hearts of everyone are also full of mixed flavors.

It has been five or six hours since Zhou Qin was arrested. If everyone believed her at that time and rushed to Huashan in time, they might be able to block the Beiyang army in time...

"Quick!"

Jiang Shan was shocked. , walked out of the room quickly, and shouted tenderly: "Fellow fellows from all corners of the country, hurry up and gather your disciples to support Yunzhou City."

Bang bang bang... After

the voice fell, all the sects lit emergency fireworks one after another. The fireworks were dazzling, and the fireworks lit the night sky, but no one appreciated it. Everyone's face flashed with anxiety and solemnity.

Ten minutes later, the disciples of various sects gathered in the Ouyang family, hundreds of thousands, and then quickly set off towards Yunzhou City.

...

the other side!

The Yellow Sea Continent, Xiyang Pavilion.

After the woman's identity was discovered, Yu Wenyan no longer pretended to be a man, but wore a long skirt, and still asked Yue Feng to help her recover from her injuries.

Of course, because of the previous misunderstanding, Yu Wenyan no longer used the medicated bath, but asked Yue Feng to change it.

However, even if he continued to let Yue Feng be his doctor, Yu Wenyan did not change his attitude towards Yue Feng.

In Yu Wenyan's heart, Yue Feng looked at his own body. He was extremely abhorrent. It was a great grace to not kill him. How could he have a good face towards him?

In this case, Yue Feng was very depressed.

Before I knew it, two days passed.

At this moment, Yue Feng was sitting on a chair in the room, looking at the few female disciples who were guarding outside through the window, sighed, and wanted to cry without tears.

Nima!

It's just a matter of being called by Yu Wenyan, and there are people watching him all the time. When can we leave Xiyuan Pavilion?

To be honest, in the past two days, Yue Feng had thought about a lot of ways to leave, but he finally gave up.

In Yue Feng's heart, as long as he can leave Xiyuan Pavilion, it doesn't matter if he fights, but when he thinks of Yuwenji's Tianyu needle, he loses his confidence.

After all, the pavilion master's Heavenly Feather Needle is as thin as a hair, and when it is displayed, it is silent, which is really hard to guard against.

Swish...

Just at this moment, footsteps suddenly sounded outside the door, very soft.

Immediately afterwards, I heard the voice of the pavilion owner Yu Wenji, and it sounded from outside: "You all go down, I have something to do with Mr. Feng."

"Yes, pavilion owner!" Several disciples who were watching Yue Feng outside the door, With a sound, he backed away.

At this moment, Yuwen Ji knocked on the door softly, "Mr. Feng, have you rested yet?"
The

voice was very soft and enticing.

"Not yet, what advice do you have from the pavilion master?" Yue Feng responded with a murmur in his heart.

In the middle of the night, what is the pavilion owner doing for him?

“Well...” Outside the

door, Yuwen Ji pondered, her voice a little shy: “I have something to do, I want to ask Mr. Feng for advice.”

Ask? What can I ask you for tonight?

call!

Muttering in his heart, Yue Feng walked over and opened the door. The moment the door opened, he was stunned.

I saw that Yuwen Ji was wearing a long black silk dress with white legs underneath, not to mention how sexy.

Gudong!

Yue Feng swallowed a mouthful of saliva and couldn't help but take a second look.

I have to say that the pavilion master in front of me, and the venerable master Yu Wenyan, are the two most beautiful and sexy women in Xiyuan Pavilion, especially this Yuwenji, who has a charming appearance, gentle and intellectual temperament, and any man will be unable to extricate himself when he sees it.

“That... I'll light the lamp first...” Yue Feng smiled slightly, and was about to light the candle.

“Don't!”

At this moment, Yuwenji bit her lip tightly and shook her head at Yue Feng, her charming face showing a bit of complexity: “Don't light the lights, it's fine.”

What?

No lights?

Why is this pavilion so mysterious? What are you going to do?

Muttering in his heart, Yue Feng looked at Yuwen Ji in surprise. Through the moonlight, he saw that her delicate face was very unnatural, completely different from the usual aloof posture.

The next second, Yue Feng asked with a smile, “Pavilion Master, what's the matter?”

Chapter 2120

"I..." Yuwenji lowered her head, her voice was very soft: "Mr. Feng, I came to you in the middle of the night because I took Yang Shendan today and felt very uncomfortable, so I wanted to ask Mr. Feng."

Not feeling well?

Hearing this, Yue Feng was stunned, then reacted and said in surprise: "No, Yang Shendan is the nemesis of cold poison in the main body of the pavilion. After taking it, it will only relieve the pain of body cold, how can it be uncomfortable? What?"

"Really!" Yuwen Ji became anxious, bit her lip tightly, glanced at Yue Feng, then lowered her head and said softly, "I...I have my period today, and I feel like taking it. After the Yangshen Pill, the cold poison in the body did not ease, but became more serious. Mr. Feng, will that affect the effect of the Yangshen Pill?"

This time the voice was softer, almost like a weak mosquito, if you didn't listen carefully, can't hear it at all.

Yes, Yuwen Ji had her menstrual period today and was taking Yangshen Pill. She felt very uncomfortable, but this kind of thing was inconvenient to ask Yue Feng in public, so she had to come alone at night.

Although Yuwenji is the pavilion master of Xiyuan Pavilion, she is a woman after all. She is still very embarrassed to talk about women's private affairs when facing Yue Feng alone at this time.

Although the voice was very soft, Yue Feng was close at hand and could hear it clearly.

Haha...

At this moment, Yue Feng suddenly nodded, but he was overjoyed.

It took me a long time to do it, because of this.

This pavilion master is really interesting, the dignified Xiyuan pavilion master, but because of this trivial matter, so shy.

Thinking to himself, Yue Feng chuckled and nodded, "So that's the case, the pavilion master guessed it right, the menstrual event will cause physical disorders, which will indeed affect the efficacy of Yangshen Pill. You are normal, so don't panic. ."

Phew!

Hearing this, Yuwenji nodded silently and breathed a sigh of relief.

Immediately, Yuwenji bit her lip tightly and asked Yue Feng, "Then... does Mr. Feng have any solution?"

Yuwenji's eyes showed some anticipation when she said these knowledge.

Although it was a normal situation, she didn't need to worry about it, but the taste was too uncomfortable. She believed that Yue Feng's medical skills were brilliant and there must be a solution.

This...

Yue Feng scratched his head and said in a complicated tone: "Yes, yes, but... but it's a bit difficult to handle."

Yuwen Ji looked happy, and quickly said: "Since there is a way, Mr. Feng can just say, I am in Xiyuan Pavilion, there are countless exotic flowers and plants, no matter how rare the spirit plants are, this seat can also get them."

At this time, Yuwen Ji thought that Yue Feng's method would require some rare spirit medicines.

Yue Feng smiled and shook his head: "Pavilion Master, it's not about the medicinal materials, my method involves suspicion between men and women. That is to say, the pavilion master needs to take off his skirt, and I have to put my hand on your moon spring. On the acupoints, mobilize your inner strength to help you adjust."

Shuh!

Hearing this, Yuwenji's delicate face turned red all of a sudden, biting her lip, almost bleeding.

This... this method is really embarrassing.

You know, Yuequan Point is just below the lower abdomen, doesn't this make him take advantage?

For a time, Yuwen Ji was very confused.

"Pavilion Master!"

At this time, Yue Feng smiled and said: "Pavilion Master Bingqing Yujie, I really don't mean to offend, but there is no other way, if you don't want to, go back and have a good rest, I believe that the Pavilion Master is a hero among women, That little pain can endure."

To be honest, although this method can take advantage of the pavilion master, Yue Feng has no such intention at all.

At this time, Yue Feng just wanted to think of a way to get out of here as soon as possible.

“...”

Yuwen Ji frowned, hesitated, bit her lip and said, “Mr. Feng, just follow this method.” The voice was so small that it was impossible to hear it if you didn’t listen carefully.

To be honest, Yuwenji was very resistant to letting herself take off her long skirt and asking the man in front of her to put her hand on her Yuequan acupoint, and millions of people were reluctant.

But let her endure the unspeakable pain, really can’t do it.
