

## The ultimate husband in Chinese chapter 2141-2150

### Chapter 2141

After being stunned for more than ten seconds, the pavilion master finally regained his senses and looked at Yue Feng blankly: "This... was really written by you?" As

soon as he finished speaking, the pavilion owner's face flushed, very embarrassment.

What happened to yourself? To actually ask such a ridiculous question, this word was just written by him.

But... isn't Feng Tao a doctor? Even in calligraphy, he also has such high attainments.

For a time, the pavilion master was shocked, his mind was buzzing, and the whole person was completely stunned.

As the pavilion owner of Xiyan Pavilion, in addition to practicing every day, he also likes qin, chess, calligraphy and painting, especially in painting and calligraphy.

That's why Yu Wenyan gave her the authentic work of Master Wenzheng at the beginning.

But after reading Yue Feng's calligraphy today, the pavilion master deeply understands that the master Wenzheng whom he admired, the most famous calligrapher for hundreds of years, is nothing in front of Feng Tao.

Haha...

Looking at the expression of the pavilion master, Yue Feng felt very happy, smiled and said, "How is it? I will compensate you for the original work of Master Wenzheng. It's totally fine."

When he said this, Yue Feng said with a smile. The wind looked relaxed.

Although the master Wenzheng mentioned by the pavilion owner is very famous in the Yellow Sea Continent, in the final analysis, he worships Zhang Xu, the sage of grass, and even copied Zhang Xu's calligraphy.

And he is the master of the grass sage Zhang Xu, and the calligraphy is directed by Zhang Xu himself, can you compare?

Um!

Hearing this, the pavilion master reacted and nodded.

This chapter is provided by . Visit for daily update.

This Fengtao word, whether it is Shen Yun or artistic conception, is much higher than that of Master Wenzheng.

“Okay, the word has been paid to you, so I will rest.” Yue Feng stopped talking nonsense, and lay on the ground to rest after speaking.

call!

At this moment, the pavilion master was completely drowsy, biting his lips lightly, his eyes fixed on Yue Feng, flashing with endless complexity.

How much of the power has not been revealed in this wind wave?

At this time, the pavilion owner’s view of Yue Feng has changed a lot, and deep in his heart, there is also an indescribable feeling.

....

on the other side, the Earth Circle Continent, Yunzhou City.

At this time, near Yunzhou City, the ground has been dyed red with blood, and the disciples of the major sects fell into the pool of blood one by one!

The various sects of the Earth Circle Continent and the Northern Ying army have been fighting fiercely here for a day and a night!

During this day and night, the major sects continued to suffer casualties. There were originally nearly 500,000 people, but in the face of the powerful Beiyang army, there were only less than 50,000 people left at this time!

The Beiyang army, under the command of Zhang Jiao, only suffered 30,000 casualties, and there were still more than 100,000 at this time.

With less than 50,000 people fighting against more than 100,000 people, there is no suspense in this war.

At this time, the major sects in the Earth Circle Continent could no longer hold on, but these people were the only ones left, still gritting their teeth, but although they did not give up, their eyes were full of despair.

If this fight goes on, everyone will die in battle, and then all will be destroyed, and the Earth Circle Continent will be completely helpless.

At this time on the battlefield, Jiang Shan was wearing a long white dress and was almost dyed red with blood. The blood was from the enemy as well as her own. Her face was pale and very weak.

After a day and night of fierce battles, Jiang Shan almost consumed all her internal strength.

call!

Looking around, many people from the Earth Circle Continent fell, Jiang Shan trembled in her heart, anxious and desperate.

The situation is getting worse and worse, what should I do?

Did you just give up Yunzhou City?

“Withdraw... Everyone, let’s withdraw, Yunzhou City can’t keep it...”

At this moment, among the people in the Earth Circle, I don’t know who shouted, and then, many sect disciples turned around and ran away. , looked flustered, and lost the spirit of fighting to the death before!

Seriously, everyone doesn’t want to give up Yunzhou City like this, but the situation in front of them is out of control.

Chapter 2142

“Withdraw, everyone quickly withdraw.”

Seeing this scene, Jiang Shan’s last line of defense completely collapsed.

Seriously, Jiang Shan would not be willing to give up Yunzhou City, but if she continued to fight, all the sects in the Earth Circle Continent would all be destroyed here.

Moreover, only one Yunzhou City has been lost now, and the entire Diyu Continent has not yet fallen. Now withdraw in time to retain the strength of the major sects, and there will be a chance to turn the tide of the war in the future.

If all die, there is no chance at all.

Whoa!

In an instant, all the people from the Earth Circle Continent followed closely, and soon, most of them successfully broke out. But there were also many people who were disarmed and captured by the Beiyong army on the spot.

Among these captives, there are many people from the Ouyang family. It can be seen that Meihui, Ren Yingying and others are among them.

“Chase!”

Seeing this scene, the generals of the Beiyang army, with imposing aura, roared angrily, preparing to lead their troops to pursue.

At this moment, Zhang Jiao was suspended in the air and smiled: “No need to chase, just some defeated generals, nothing to worry about.”

Then he ordered the generals: “Enter Yunzhou City immediately and rectify

the cultivation!” When saying this, Zhang Jiao looked at the direction in which Jiang Shan and everyone fled, and was very disdainful.

In the entire Kyushu, the only person who can make Zhang Jiao jealous, except for Guiguzi, the most amazing man in the world, is Yue Feng.

“Yes, Master Sergeant.” All the generals responded in unison, and then brought their soldiers into Yunzhou City.

Ha ha...

At this moment, Yang Jian laughed in the sky and praised Zhang Jiao: “The strategist really used his troops like a god, and he captured Yunzhou City so quickly. Not bad.” With

that, Yang Jian ordered Yue Wuya behind him. : “General Yue, these captured prisoners will be handed over to you to take care of them. Don’t make mistakes and let me down...”

When he said this, Yang Jian had a smile on his face, but he looked at Yue Wuya’s eyes. , but flickering complex.

Ever since he knew that Yue Wuya is Yue Feng’s biological son, Yang Jian no longer trusts him. He no longer lets Yue Wuya be the forward to charge into battle, but let him do some aftermath things.

“Yes, Your Majesty!” Yue Wuya responded with a very depressed expression.

Yue Wuya felt the change in Yang Jian’s attitude towards him very early.

Speaking of which, Yue Wuya originally wanted to follow Yang Jian to fight around, build meritorious deeds, and become famous all over the world. He was very depressed

when he realized that Yang Jian no longer reused himself, and he had thought about leaving for the past two days.

However, the Apocalypse Continent was already under the control of Yang Jian, and the life and death of King Guangping and his mother were also in the hands of Yang Jian, which made Yue Wuya very hesitant and had to be cautious. In the end, he could only choose to stay.

call!

At this time, Yue Wuya took a deep breath and said to the soldiers: "Tie all the prisoners and lock them together."

When he said this, Yue Wuya rode a sweaty horse and came before the prisoners. Looking around, ready to escort in person.

hiss!

At this moment, Yue Wuya saw a familiar figure, his heart trembled, and he couldn't help gasping for air.

I saw that there was a beautiful and graceful figure in the crowd, with a delicate face, showing the fatigue and weakness after the fierce battle, it was Ren Yingying.

Auntie?

Yue Wuya didn't participate in the war before, and Yue Wuya didn't know who was resisting in Yunzhou City, but when he saw Ren Yingying suddenly, Yue Wuya only felt his brain buzzing and his heart was in chaos.

Yue Wuya always believed that after King Guangping seized the throne, Ren Yingying and her mother the Queen disappeared and found a place to live in seclusion, but she never thought that Ren Yingying would appear in Yunzhou City today to help round the continent. Resisting the Northern Ying army, he became a prisoner.

In Yue Wuya's heart, the closest person in the world, apart from King Guangping, his mother, and Han Bing, was Ren Yingying. He will remember Ren Yingying's kindness to him for the rest of his life.

Now Ren Yingying has become a prisoner, and she is still a general guarding the prisoner.

Chapter 2143

What a good thing!

For a time, Yue Wuya's face was complicated, and his heart was even more tangled.

How to do? Do you want to let Auntie go immediately?

However, Yang Jian knew that, he would never forgive himself...

Phew!

After struggling for more than ten seconds, Yue Wuya reacted. Instead of recognizing Ren Yingying in the past, he waved his hand and asked the soldiers to lock up the prisoners.

Yue Wuya thought about it, now that there are many eyes and ears around, it will be very troublesome to recognize Ren Yingying. Still looking for an opportunity to see Ren Yingying alone.

.....

At this moment, the Yellow Sea Continent, Xiyan Pavilion.

Yue Feng was in the pavilion master's room and rested for a night. The next morning, he was woken up by the disciples outside.

"Sovereign, Pavilion Master, it's time to get up, your lord is invited."

At this moment, when the female disciple outside the door opened her mouth to call, she covered her mouth and chuckled, her eyes also showing a bit of playfulness.

Feng Tao and the pavilion master lived together for the first time last night, like newly married Yan Er, they must have rested very late, and they must still be sleeping together now.

"Come here... don't shout." Yue Feng responded and sat up in a daze, very depressed.

Nima! What is this Yu Wenyan trying to do? He is already a monarch, so he won't let him sleep in.

Last night, he teased the pavilion master and went to bed very late. Yue Feng was really tired.

Muttering, Yue Feng tilted his head and glanced in the direction of the bed, and saw that the pavilion master was also awake. At this time, he was lying there on his side, the perfect curve was clearly displayed, but the delicate face showed a hint of redness and complexity.

Seeing this scene, Yue Feng showed a smile.

Haha...

This pavilion master, he tapped the acupuncture point by himself last night, and stayed in this posture overnight without moving.

Thinking to himself, Yue Feng walked over quickly, unlocked the acupoints for the pavilion master, and said with a smile, "Don't look at me like that, I was also afraid of your surprise attack in the middle of the night, so I haven't unlocked the acupoints for you.

"Feng thought for a while, and continued: "When I rest tonight, as long as you promise not to raid, I won't tap your acupuncture points, and, don't worry, I won't stay here for too long, making you embarrassed all the time. Yes, I'll leave Xiyan Pavilion as soon as I have the chance, okay?"

When the last sentence was finished, Yue Feng took two steps back and distanced himself from the pavilion master.

Sealed her acupuncture point for one night, so she won't be angry.

Um!

However, what Yue Feng did not expect was that the pavilion master replied softly, with no intention of taking revenge at all. Not only that, but Yue Feng's eyes were softer than before.

At this time, Yue Feng did not know that the words he wrote last night completely stunned the pavilion master. At this time, in her heart, she admired Yue Feng in addition to being amazed.

A few minutes later, Yue Feng and the pavilion master washed up and went out to the front hall!

hiss!

As soon as he entered the hall, Yue Feng was stunned when he saw the situation inside.

I saw all the elite disciples of Xiyan Pavilion, standing there neatly, on the throne, Yu Wenyan sat there quietly, wearing a long red dress, very stunning, but the beautiful face showed a bit of coldness, and the whole body was cold. There is also a powerful aura that is not dare to blaspheme.

In the center of the hall, Su Qingyan stood there with a calm expression.

what's going on?

Yue Feng frowned secretly, feeling a little worried in his heart.

This Yu Wenyan, wouldn't he have already found out Su Qingyan's identity, should he deal with her in public?

Chapter 2144

"Everyone!" At this moment, Yu Wenyan looked around the audience and continued: "The deity announced something, the lady of Qingyan decided to join our Xiyan Pavilion, so the deity decided to give her an introduction today. Ceremony."

What?

Hearing this, Yue Feng almost jumped up and was so anxious.

This Yu Wenyan really did what he said, really wanted Su Qingyan to join the Xiyan Pavilion, and the initiation ceremony was held so soon?

But... Qing Yan really became a member of Xiyan Pavilion, and it is really difficult to leave in the future.

Whoa!

At the same time, the surrounding disciples were also in an uproar, their eyes focused on Su Qingyan, smiling and nodding in greeting.

"Qingyan!"

Finally, Yue Feng reacted and looked at Su Qingyan closely: "We are friends, I still know you well, you are a casual person, and you don't like being restricted by rules and regulations in one place. I lost my memory and thought this place was a good place to stay, but once you regain your memory, you will regret it."

At this point, Yue Feng's eyes were full of urgency and expectation: "So, do you really want to join Xiyan Pavilion? Think twice."

At this moment, Yue Feng was like an ant on a hot pot, and he was so anxious.

call!

Hearing Yue Feng's words, Su Qingyan frowned and pondered.

Yes, what Feng Tao said is right. Now that he has amnesia, he thinks this place is good, but what if he recovers his memory and regrets it?

"Fengtao!"

At this moment, Yu Wenyan smiled, looked at Yue Feng and said meaningfully: "The decision to stay is for Miss Qingyan herself, as her friend, how can you drive her away? How inappropriate? "

Listening to the tone, it seemed that Su Qingyan was upset, but Yu Wenyan's eyes were full of smiles.

To be honest, Yu Wenyan always wanted Su Qingyan to leave for the happiness of the pavilion master.

But just now, Yu Wenyan noticed that when Yue Feng was talking, the look in Su Qingyan's eyes was full of tenderness, which made Yu Wenyan very upset.

Yu Wenyan was a smart person, and suddenly realized that Yue Feng was so anxious to let Su Qingyan leave because he was afraid of hurting her. Under such circumstances, the more Yue Feng thought about Su Qingyan, the less she would let Yue Feng get his wish.

"Miss Qingyan!"

At this time, Yu Wenyan looked at Su Qingyan with a smile: "Don't pay attention to what Feng Tao said. If you really like this place and decide to stay, just tell me that this deity is yours."

Having said that, Yu Wenyan did not forget to glance at Yue Feng proudly.

Fengtao, Fengtao, the more nervous you are about this woman, the more I will not let her go. Not only will I not let her go, but I will also have a firm control over her life and death. I will see if you dare to gossip and treat my sister. Okay.

Facing Yu Wenyan's sincerity, Su Qingyan's red lips parted lightly, and she said slowly, "I..." As

soon as she said one word, she was interrupted.

"Respected Lord, Pavilion Lord!"

At this time, a female disciple rushed in in a panic, and said to Yu Wenyan and the Pavilion Lord, "It's not good, it's not good."

When she said this, the female disciple Panting and sweating profusely.

"Why are you panicking?" Yu Wenyan frowned, and scolded angrily: "How many times have I told you, as a disciple of Xiyan Pavilion, you must be reserved and steady, and if you are in a panic, what will happen? What does it look like?"

The female disciple was trembling and was about to cry in a hurry.

“What’s the matter, tell me.” Yu Wenyan took a sip of tea, very leisurely.

The female disciple bit her lip and said softly, “Honorable Lord, someone broke into the holy lake, refused to leave, and even made rude words to the patrolling disciples, and is very strong, we...”

What? !

As soon as these words came out, the whole hall was in an uproar!

Who is so bold, dare to break into the forbidden area of Xiyan Pavilion? Are you still going?

Yue Feng was also stunned.

Chapter 2145

I’m going, who is here, dare to provoke Xiyan Pavilion?

However, no matter who came, interrupting Su Qingyan’s initiation ceremony would only benefit him, not harm.

Bang!

Yu Wenyan’s pretty face changed, she patted the table, and stood up abruptly: “Go, let’s see!” The

voice fell, and Yu Wenyan quickly walked out of the hall.

Yue Feng, the pavilion master, Su Qingyan and the disciples also followed.

Soon, near the holy lake, I saw a man in white from a distance, who was confronting several patrolling disciples in Xiyan Pavilion, and at the same time, he was shouting incessantly: “Several beauties are naturally beautiful, how can they speak so unreasonably. What? I passed by with my wife, and seeing the beautiful scenery here, I stopped for a tour and left soon, but you said it was a forbidden area, and you insisted on chasing us. What’s the point of this?”

“Such a big lake. You guys from Xiyan Pavilion? Just a joke, I, Lao Zhu, have always been very reasonable and sympathetic, so don’t mess with me. Otherwise, if I get angry, I will punish you to accompany me to take a bath in the lake...”

When he said this, the man’s eyes kept moving back and forth on several female disciples, very unrestrained.

It was Zhu Bajie!

Swish!

Hearing this, several of the female disciples who were confronting him all turned red and angry, but they didn't dare to act rashly when they sensed the terrifying aura on him.

Behind him, Xu Qingyi stood there quietly, listening to Zhu Bajie's open mouth, teasing these female disciples, with a faint smile on her beautiful face, without the slightest displeasure.

Xu Qingyi and Zhu Bajie have been together for so long, and they have long been used to his personality.

What the fuck?

Seeing this scene, Yue Feng's body froze, completely stunned, and he was both surprised and happy.

Zhu Bajie? Why is he here?

Seeing Xu Qingyi again, Yue Feng was very emotional and admired Zhu Bajie immensely.

Zhu Bajie was fine, he took Duan Yu's wife by force, and he was obedient to other people's training.

At this time, Yue Feng really wanted to rush up to meet Zhu Bajie, but when he thought that he had changed his face and used the fake identity of Fengtao, he forcibly held back,

"Respected lord, pavilion lord!"

Right here At that time, the few patrolling female disciples looked overjoyed when they saw Yu Wenyan bringing everyone over, and hurried over to salute.

Immediately, one of the leading female disciples said to Yu Wenyan, "Your Highness, it's these two people who broke into our holy lake

. The female disciple's face was reddened, showing a bit of shame and anger.

Swish!

Hearing this, Yu Wenyan's pretty face was cold, staring at Zhu Bajie with intense hostility.

This person looks talented, but his speech is glib, and it is not a good thing at first glance.

hiss!

At this moment, seeing so many beauties coming over, one more beautiful than the other, Zhu Bajie was stunned for a while, and couldn't help gasping for air.

In the next second, Zhu Bajie reacted, and looked one by one with an intoxicated look on his face: "Tsk tsk...I didn't expect that such a remote valley not only has such beautiful scenery, but also so many beautiful beauties. My old Zhu is not dreaming, right?"

Huh? The voice fell, Zhu Bajie looked around, his eyes fell on Yu Wenyan and the pavilion master, and he was immediately attracted. Yue Feng and Su Qingyan were behind the crowd, and they hadn't seen it for a while.

beautiful!

So beautiful.

Zhu Bajie became more and more happy as he looked at it, and couldn't stop admiring it in his heart.

Today's Yu Wenyan is wearing a long red dress, which is indescribably sexy, setting off that cold temperament vividly, while the pavilion master is wearing a long white dress, which is indescribably gentle and graceful. Together, each has its own merits.

Zhu Bajie was lecherous by nature, and when he felt the two superb beauties, his eyes were straight.

## **The ultimate husband in Chinese chapter 2146-2150**

Chapter 2146

Swish!

Zhu Bajie's gaze made Yu Wenyan feel uncomfortable, and a killing intent instantly rose up in his heart.

The next second, Yu Wenyan glared at Zhu Bajie, and scolded: "Where is the madman, who dares to break into my Xiyuan Pavilion altar, and even makes a rude statement, courting death!

"The sect leader, whoever sees it is not respectful, but the person in front of him, staring at himself without blinking, is simply too presumptuous.

The pavilion master next to him also frowned, looking at Zhu Bajie's eyes, full of disgust and hostility.

This man is so presumptuous, he just doesn't know how to live or die.

"Whoops?"

Feeling Yu Wenyan's killing intent, Zhu Bajie didn't panic at all, and said with a smile, "I praise you for being beautiful, why are you still angry? Look at your eyes, you want to kill me. , but in the real fight, you are not my old Zhu's opponent, I'm afraid that you will be bullied."

"You..."

Hearing this, Yuwen was so arrogant that he summoned a variety of life-threatening boxes, wanting to immediately Killing this man, but sensing Zhu Bajie's strength, he held back and did not dare to act rashly.

Yu Wenyan clearly felt that the strength of the person in front of him was so powerful that it was almost unfathomable. Although he has the strength to cross the Tribulation Realm, he really has no chance of winning. I'm afraid that he can't kill this person, and he will take advantage of him.

However, in front of so many people, this person teased himself, how could he swallow his breath?

"Honored lord!"

At this moment, a faint voice came. Then, Yue Feng walked out of the crowd and said, "Pavilion lord, don't be impatient, I will teach him a lesson for you."

When he said this, Yue Feng looked at Zhu Bajie closely, his eyes were full of coldness, but his heart was full of excitement.

This chapter is provided by . Visit for daily update.

Haha...

Zhu Bajie is here, and now he has a chance to leave.

Yue Feng thought about it, he took the initiative to fight against Zhu Bajie, and while the battle was going on, he quietly revealed his identity to Zhu Bajie, and then asked him to help him and take Su Qingyan away.

To be honest, Zhu Bajie is tyrannical, and if he joins forces with him, he can forcefully take Su Qingyan away, but in that case, the situation will be very chaotic, and it is impossible for Su Qingyan to be accidentally injured.

Therefore, Yue Feng decided to use a safe method.

Um!

Hearing this, Yu Wenyan's beautiful face was full of solemnity, and then nodded.

He is still the monarch of Xiyuan Pavilion, and it is very inappropriate to take action rashly. Moreover, the man in white in front of him is too strong. If he loses, he will lose face. It is better to let Feng Tao explore the truth first.

"Fengtao!"

However, at this moment, the pavilion master next to him grabbed Yue Feng, and his delicate face was full of worry: "Fengtao, what are you doing?"

Speaking of which, if one day ago, the pavilion owner will not worry about Yue Feng, and will only rush to let him leave, but after seeing Yue Feng's calligraphy, his inner disgust for him gradually turned to appreciation.

In the pavilion master's heart, Feng Tao's strength is average, but the man in front of him has unfathomable strength, and going up is courting death.

At this time, the pavilion owner did not yet know that Feng Tao's true identity was the hero of the Earth Circle, the emperor of Xi Cang, and the sect master of Tianmen, Yue Feng, whose strength was hidden.

The corners of Yue Feng's mouth twitched, and he looked at the pavilion master with a smile: "This person is slick and disrespectful to you and your lord. As your husband, how can I sit back and ignore it? I must teach him a lesson for you.

" At that time, Yue Feng looked relaxed and his tone was extremely confident.

He and Zhu Bajie are good brothers, how could they really fight?

Swish!

Hearing this, the pavilion's face suddenly turned red.

This Feng Tao is really open-mouthed when he speaks, so many disciples around look at him, saying that it's okay to vent his anger for himself, and calling himself a husband is really embarrassing.

The next second, the pavilion master bit his lip and whispered: "Fengtao, don't be impulsive, this person's origin is unknown, and his strength is very strong. If you make a rash move, I'm afraid you will suffer a loss!"

"The pavilion master's face could not hide the tension in his heart.

Ha ha...

Chapter 2147

Feeling the worry on the owner's face, Yue Feng was overjoyed.

This pavilion master is really interesting. Last night, he kept telling him to leave. Now, seeing himself taking risks, he became worried again.

Thinking to himself, Yue Feng said with a smile, "It's fine."

Immediately, he patted the pavilion's jade hand lightly to signal her peace of mind, and then walked straight to Zhu Bajie.

"You!" The pavilion master was in a hurry, looked at his back, and stomped his feet.

Whoa!

Seeing this scene, the surrounding disciples also whispered.

You want to challenge this man in white?

"The monarch is so manly!"

"Yes, the monarch is not very strong, but at a critical time, he can stand up for the pavilion master and have such courage, which is really admirable!"

"Who doesn't like a man like him?"

Many of the young disciples' comments, you and I came, almost all of them praised Yue Feng.

At the same time, Su Qingyan, who was standing in the crowd, her delicate face was very calm and did not fluctuate in the slightest, but deep in her heart, she was secretly worried about Yue Feng.

Is this wind wave crazy?

That white clothed man had such a powerful aura that even Yu Wenyan and the pavilion master dared not act rashly, but he took the initiative to challenge.

Su Qingyan has a kind heart, although Yue Feng's behavior made her very resistant, but at this time, seeing Yue Feng coming out to challenge Zhu Bajie, her kind heart still makes her worry for Yue Feng.

"Elder Sister!"

At this time, at the other end of the crowd, a female disciple gently touched Yan Yue and pointed at Yue Feng's figure: "Your Majesty is going to teach that man a lesson, I'm looking forward to it!"

"Haha... Just look for death." Yan Yue said angrily.

Although Feng Tao was the monarch of Xiyan Pavilion, Yanyue still looked down on him in her heart.

In Yanyue's heart, this Fengtao was just lucky. He won the favor of Yu Wenyan and the pavilion master, and then he took the position of the monarch of Xiyan Pavilion. His strength was average, and he could not be the opponent of the man in white.

To do so at this time is complete grandstanding.

"This friend!"

At this moment, Yue Feng came to him, looked at Zhu Bajie and said with a smile: "This friend, it is very inappropriate to run to my site to make trouble!"

Seriously, Yue Feng really wanted to Calling Big Brother Zhu, but thinking that everyone behind Yu Wenyan was watching, he held back.

your territory?

Zhu Bajie frowned, looked at Yue Feng up and down, and said angrily: "Who are you kid?"

"I am the monarch of Xiyan Pavilion, in other words, the male master here." Yue Feng smiled slightly, very responded easily.

Man of the house?

Hearing this, Zhu Bajie's eyes flickered and he laughed: "So it's the man in charge here?"

After speaking, Zhu Bajie looked at Yu Wenyan and the pavilion master, and continued: "So, those two angels The same beauty, is your woman? Boy, it's alright, she's not shallow Substantial.

Swish!

The words fell, and Yu Wenyan, who was behind, blushed instantly, his eyes fixed on Zhu Bajie, flashing with anger.

This man really can't spit out ivory from a dog's mouth.

How could the dignified Lord of Xiyan Pavilion be Feng Tao's woman? This Feng Tao, having a younger sister, has already been a blessing in eight lifetimes, how can he still be qualified to let himself be his woman.

Chapter 2148

"Boy!"

At this moment, Zhu Bajie said to Yue Feng, "What do you want? You are here to drive me away?"

"Otherwise?" Yue Feng responded with a smile.

Um?

Seeing Yue Feng's calm look, Zhu Bajie was stunned for a moment, then he reacted and said with a chuckle: "Boy, with your strength, you are not qualified to be my old Zhu's opponent, so you should just watch from the side. , lest I, Lao Zhu, accidentally kill you."

When he said this, Zhu Bajie looked contemptuous, and he didn't know that the person in front of him was Yue Feng, and he didn't even realize that Yue Feng was hiding his strength. .

"Stop talking nonsense, let's do it." Yue Feng responded with a relaxed look and a smile!

"Okay, very good!"

Zhu Bajie chuckled: "I already reminded you, but you are so ignorant of praise. Since you have to court death, don't blame me for being rude!" The

voice fell, and he raised his hand. , two rays of light, rising in an instant!

"Boy, you are very honored to let me do it in person!" Zhu Bajie's voice spread coldly throughout the audience, and only the cold words came out of his mouth: "The tiger roars! "

"Ow!" The

voice fell, and a loud tiger roar resounded through the world!

I saw a huge yellow-spotted tiger bursting out of the sky, with a strong aura permeating its body. This yellow-spotted tiger was more than ten meters long.

“Kill!” Zhu Bajie roared frantically, raising his finger to Yue Feng!

Tiger Roaring Universe is one of the few stunts that Zhu Bajie cultivated. Originally, in Zhu Bajie’s heart, the boy in front of him was not qualified to let him perform stunts.

But with so many beauties in the Xiyan Pavilion in front of him, Zhu Bajie’s thoughts were all on the beauties, and he didn’t want to entangle with Yue Feng too much, just wanted a quick solution.

Zhu Bajie has already thought about it, and when he defeats this kid, he will occupy the entire Xiyan Pavilion, and all the beauties here will be his own.

In an instant, the tiger roared wildly, and rushed towards Yue Feng in an instant. Everywhere it passed, a crack was cut in the air!

“Hi!”

Seeing this scene, whether it was Yu Wenyan, the pavilion master, or the surrounding female disciples, they couldn’t help but take a deep breath!

So strong!

This man in white wanted to kill Yue Feng with one blow, and he made a killing move!

This macular tiger, although it is formed by the condensed internal force, can diffuse the breath, almost suffocating, who can stop it?

“Fengtao!” The pavilion master was in a hurry and was about to rush over to help, but where was the time?

What the fuck?

At this moment, Yue Feng was also taken aback.

The strength of this big brother Zhu is so powerful?

Seriously, since knowing Zhu Bajie, this is the first time Yue Feng has fought against him.

However, under the surprise, Yue Feng did not panic at all.

Seeing the roaring tiger coming, I saw him with a calm demeanor, the figure stepped back a few steps, jumped up, and rushed into the air, very skillfully dodging the tiger's pounce.

Um?

Seeing this scene, everyone in Xiyan Pavilion was surprised and happy.

What's going on here? !

Feng Tao's strength is obviously not the opponent of the man in white, but he has escaped this powerful blow. It seems that he was hidden before.

Yu Wenyan frowned, staring at Yue Feng, her eyes twinkling with complexity.

This Feng Tao has been hiding its strength.

"Good boy!"

At this time, Zhu Bajie also had a solemn expression on his face, and said to Yue Feng, "You can actually escape my stunt, it seems that I have to be serious."

Om!

The voice fell, and Zhu Bajie burst out, coming straight towards Yue Feng.

I have to say that Zhu Bajie was very fast, and in a blink of an eye he was already in front of Yue Feng! His handsome face showed seriousness. At that time, he just wanted to get the boy in front of him as soon as possible, and hit Yue Feng with one palm.

If it was normal, Yue Feng would definitely avoid it for the first time.

Chapter 2149

However, at this time, Yue Feng was eager for Zhu Bajie to approach, and saw that he not only did not hide, but also stretched out his palm to meet him. In an instant, the palms of the two people collided! There is no separation!

Whoa!

Seeing this scene, there was an uproar on the ground.

"The monarch wants to fight with this person for internal strength?"

"This...isn't this voluntary death?"

“Yeah, this man in white has unfathomable internal strength. How can the monarch fight with him for internal strength?”

This kid... At

this moment, Zhu Bajie was also stunned for a moment, and then he secretly sneered.

Dare to compete with oneself for internal strength, it is simply courting death.

“Big Brother Zhu!” At

the moment when the two of them put their palms together, Yue Feng lowered his voice and called softly, “It’s me, I’m Yue Feng.”

At this time, Yue Feng and Zhu Bajie, above the air, And the sound was so soft that only the two of them could hear it.

What?

Hearing this, Zhu Bajie’s body shuddered suddenly, staring at Yue Feng, full of disbelief.

Is this person Yue Feng brother?

But his appearance...

Seeing Zhu Bajie’s confused look, Yue Feng smiled and continued: “I used Yi Rong San to disguise a fake identity.”

Phew!

Hearing this, Zhu Bajie reacted, took a deep breath, and said, “Brother, what’s the situation? How could you use a fake identity in the Yellow Sea Continent?”

When saying this, Zhu Bajie’s eyes were full of doubts, and he just felt that his brain was not enough.

When Zhu Bajie was seriously injured by Yang Jian in Beiyong Continent, he took Xu Qingyi and found a hidden place to cultivate. At the same time, he secretly inquired about the situation in Beiyong Continent. At that time, Yang Jian said that it was he and Chang’e who joined forces to harm him. After the death of Emperor Hou Yi, Zhu Bajie didn’t care at first, but after thinking about it carefully, he felt that the matter was very strange.

However, what made Zhu Bajie depressed was that Chang'e disappeared, and this matter was finally settled. In this case, Zhu Bajie took Xu Qingyi and continued to play around.

Some time ago, I learned that Yang Jian led the army to conquer Nanyun Continent and was defeated by Yue Feng. Therefore, in Zhu Bajie's heart, he always thought that Yue Feng was in Nanyun Continent, but he never thought that he would meet him here. arrive.

Ugh!

Yue Feng smiled bitterly and responded, "It's hard to say anything, Big Brother Zhu, let's not talk about the old times. You pretend that you don't know me, and you will find an opportunity to help me take the light smoke away."

When he said this, Yue Feng kept floating . In mid-air, he and Zhu Bajie maintained the appearance of competing with each other.

Light smoke?

Zhu Bajie frowned, then looked down, and soon saw Su Qingyan in the crowd, and was stunned for a moment.

What the hell is this Yue Feng doing? Su Qingyan was his woman, but she asked herself to help him take it away.

Zhu Bajie had been in the Ouyang family, and naturally knew Su Qingyan.

At this time, Zhu Bajie didn't know that Su Qingyan had amnesia and completely forgot about Yue Feng.

In the next second, Zhu Bajie responded and said, "Okay, what do you say brother, what should I do?"

Although he didn't fully understand the situation, Zhu Bajie trusted Yue Feng very much.

Um!

Yue Feng smiled and told his plan.

Phew...

At this time, the people below stared at Yue Feng and Zhu Bajie in midair, each with an extremely complicated expression.

"Is this... the monarch's internal strength so strong?"

“Yes, the two have been fighting for so long, and the monarch is still insisting .

“

When they came out, they couldn't hide the shock in their hearts. There were even many female disciples who looked at Yue Feng's eyes with a strange light, full of admiration.

At this time, everyone in Xiyan Pavilion didn't realize that Yue Feng, who was in mid-air, seemed to be competing with Zhu Bajie, but in fact, he was chatting.

Chapter 2150

“Okay!”

At this time, after Yue Feng told his plan, he whispered: “Brother Zhu, it's almost there, let's start!”

Mmm!

Zhu Bajie nodded, then stepped out of a very proud posture and shouted: “Boy, it's over.” The

voice fell, and Zhu Bajie's palm suddenly pushed forward, which seemed very mighty, but in fact there was no Inspire inner strength.

“Oops...”

At this moment, Yue Feng pretended to be injured by Zhu Bajie's internal force, shouted, and fell to the ground. After landing, he stepped back ten steps in embarrassment.

What?

The monarch is defeated?

Seeing this result, the surrounding Xiyan Pavilion disciples were all stunned. They thought that if the monarch dared to fight with this man in white, he would have a chance to win, but he did not expect that he would lose in the end.

Everyone at this time did not know that this was deliberately performed by Yue Feng and Zhu Bajie.

“Fengtao!” After a few seconds, the pavilion master reacted and walked over quickly. He supported Yue Feng with his jade hand, and asked with great concern, “How are you? Are you okay?”

At the same time, there were many young disciples, They also gathered around, each with a worried look on their faces.

Only Yu Wenyan, standing there, looked at Yue Feng in a complicated way, his delicate face did not fluctuate at all.

Yue Feng was in midair, talking to Zhu Bajie secretly, but Yu Wenyan didn't see it either.

But in Yu Wenyan's heart, this Feng Tao is obviously of average strength, but suddenly it has become so strong, it is really suspicious.

call!

Facing the concern of the pavilion master and the surrounding female disciples, Yue Feng showed a smile, shook his head and said, "I'm fine!"

Immediately, Yue Feng reminded the pavilion owner: "This person is very strong, I am not an opponent, you guys Be careful." The

pavilion master bit his lip and nodded.

Whoosh!

And at this moment, while everyone's attention was on Yue Feng, Zhu Bajie flashed and rushed directly to Su Qingyan.

popping.

In the next second, Zhu Bajie shot like electricity and hit several acupoints on Su Qingyan's body.

In an instant, Su Qingyan's delicate body trembled, unable to move, she was shocked and angry: "You...what are you doing?"

At this moment, Su Qingyan was very flustered, and she never thought that this man in white, Suddenly he will attack himself.

"Haha.."

Zhu Bajie smiled and put on a lewd look: "Aiya, this beauty is truly magnificent, even the gods can't match your style, so many beauties, only you make me old Zhu Xinxin, come with me, haha..." The

voice fell, Zhu Bajie grabbed Su Qingyan, and at the same time, he greeted Xu Qingyi who was not far away, and quickly flew into the distance.

Yes, what Zhu Bajie just did was exactly Yue Feng's plan.

Yue Feng's plan was very simple. He pretended to lose to Zhu Bajie and looked injured to attract the attention of everyone in Xiyuan Pavilion. Then Zhu Bajie attacked Su Qingyan and took her away.

To be honest, Yue Feng didn't want to be so troublesome, but he couldn't. Under Duan Yu's provocation, Su Qingyan hated herself very much. If she revealed her true identity, not only would Su Qingyan not go with her, she might even resist.

More importantly, this is the main altar of Xiyuan Pavilion. Once the situation gets too messy, I'm afraid that if I join forces with Zhu Bajie, they may not be able to successfully take Su Qingyan away.

Therefore, Yue Feng thought about it, only this method was the safest.

All this happened too fast, and when everyone in Xiyuan Pavilion reacted, the three Zhu Bajie had disappeared from sight.

Haha...

Seeing this scene, Yue Feng was extremely excited.

It was successful, Qingyan was taken away by Zhu Bajie, and he finally had no worries.
