

The ultimate husband in Chinese chapter 2151-2160

Chapter 2151

Swish!

Yu Wenyan's face was instantly ugly. Seeing Zhu Bajie grab Su Qingyan and leave, she was extremely annoyed.

The establishment of Xiyan Pavilion over the years has always been an existence that people fear and yearn for in the arena, but now it is a shame that a man has taken people away in front of everyone's eyes.

"Quick!" At this time, the pavilion master looked anxious, and while supporting Yue

Feng, he instructed the surrounding disciples: "Quickly catch up with that person and save Miss Qingyan."

, the pavilion master also regarded his friends as his own. At this time, seeing Su Qingyan being taken away, he was very anxious.

At this time, the pavilion owner did not know that Yue Feng did this on purpose.

"Yes, Pavilion Master!" The disciples responded and were about to pursue, but Yu Wenyan stopped them.

"No need!"

Yu Wenyan said lightly, with a deep smile on her beautiful face: "This Su Qingyan has not started the introductory ceremony yet, and she is not a member of our Xiyan Pavilion. We don't matter."

Seriously, Yu Wenyan was annoyed at first when Su Qingyan was taken away, but thinking of Feng Tao's suspiciousness, Yu Wenyan decided to ignore it for now.

Now, the most important thing is to figure out Feng Tao's identity.

Uh...

Hearing this, the pavilion master and the surrounding disciples were stunned.

Yue Feng frowned secretly.

This chapter is provided by . Visit [for daily update.](#)

Nima, this Yu Wenyan is not only decisive, but also cruel. Before, Su Qingyan had been asked to join Xiyuan Pavilion, but now it doesn't matter.

However, Yue Feng didn't bother to care about these. Anyway, Su Qingyan had successfully left, so he didn't have to worry about anything.

"Fengtao!"

However, at this moment, Yu Wenyan came slowly and looked at Yue Feng with a half-smiling smile: "Your confidante was taken away, are you in no hurry?"

Yuwen said this. Yan's eyes flickered, as if to see through Yue Feng.

"Hurry up!"

Yue Feng smiled bitterly and responded, "But what's the use of being in a hurry? I was shocked by that person's internal force, and you, Your Highness, refuse to help, so I can't do anything about it.

" , continue to pretend." Yu Wenyan sneered, and his tone became gloomy: "The strength of that person just now is above the realm of tribulation, and you, but a person in the realm of Martial Emperor, actually fought with him for internal strength, fighting so hard. It's been a long time, it's very suspicious."

After speaking, Yu Wenyan's eyes became sharp: "You hid your strength before, didn't you? And your name is not Fengtao, right? Say, who are you?"

Shuh!

When the voice fell, whether it was the pavilion master or the surrounding female disciples, their eyes were focused on Yue Feng, and their hearts were extremely surprised.

Yes, the lord said it well. I thought this Feng Tao was just a doctor with excellent medical skills. I didn't expect that his strength was so strong, and his identity was indeed suspicious.

Especially the pavilion master, staring at Yue Feng, a heart beating faster.

This Feng Tao, not only has excellent medical skills, but also has extremely high attainments in calligraphy. Now his real strength is so strong...

With so many skills, how could he be an unknown person?

Who is he?

“Your Highness!”

Yue Feng smiled slightly, and responded very relaxedly: “I said it before, my name is Feng Tao, and I am a pawn in the Jianghu. Why are you so interested in my identity?”

At this time, Yue Feng had a leisurely expression on his face. , don't panic at all.

Even if Yu Wenyan doubts herself, she has no evidence in her hand, and if she doesn't let go, she can't do anything about it.

Yue Feng thought about it, and when he found an opportunity, he left directly.

“You're not telling the truth, are you?” Yu Wenyan lost his patience and said coldly, “Aren't you afraid that I will kill you?”

Chapter 2152

Nima!

Yue Feng is also a little hot, this Yu Wenyan, his brain is really a muscle, it is endless.

The next second, Yue Feng chuckled and said lightly, “Your Highness, if you really want to do something, you may not be able to beat me. If you don't believe me, we can discuss it.”

Yue Feng was annoyed by Yu Wenyan's question. Anyway, Su Qing The cigarette has already left, and I am too lazy to put it on.

Of course, Yue Feng was not impulsive and wanted to discuss with Yu Wenyan, but he wanted to take the opportunity to leave Xiyan Pavilion while they were fighting.

Whoa!

As soon as these words came out, there was an uproar in the audience, and all the disciples stared at Yue Feng, speechless.

“This...”

“What's wrong with Fengtao? You want to turn against the lord?”

“The lord just asked him about his identity, but he is so sensitive. It seems that there is something wrong.” During the

discussion, Yan Yue couldn't help but come out. , sneered at Yue Feng: “Fengtao, you are not too timid, but you dare to speak up and contradict your lord?” After speaking, Yanyue could

n't hide her contempt, and continued: "Don't forget, your monarch's identity is The Lord gave you, without the Lord, you are nothing."

Yue Feng chuckled, too lazy to pay attention to her.

Feeling Yue Feng's indifference, Yan Yue felt humiliated and her body trembled with anger.

Immediately, Yan Yue said to Yu Wenyan: "Respected lord, this Feng Tao is a villain, relying on his relationship with the pavilion lord, he doesn't take you seriously at all, and completely forgets the favor you gave him. , How could such an ungrateful person be good to the pavilion master in the future? How could it be possible to do things for Xiyan Pavilion wholeheartedly?" The

voice fell, and many young disciples nodded.

"Yeah, the villain has been arrogant, and he has been arrogant in just a few days?"

"According to me, this person is not only suspicious, but also not very good." "I beg the Lord to order and take this person down."

The discussion kept coming, Yu Wenyan had a cold and pretty face, and did not respond.

In the hearts of everyone, they believed that Yue Feng was relying on the relationship of the pavilion master to talk to Yu Wenyan like this. If he really wanted to fight, he could not be the opponent of the honored master.

The pavilion master on the side bit his lip tightly, and his heart was in chaos.

What happened to this wind wave? He turned against Yu Wenyan as soon as he disagreed...

Just to avoid the question of identity, does he really want to fight with Yu Wenyan?

"Fengtao!"

Finally, Yu Wenyan reacted and sneered at Yue Feng: "What did you just say? You want to compete with this deity? You also said that I might not be your opponent? Well, very good, then let's try Try."

Om!

The voice fell, and a powerful breath burst out from Yu Wenyan's body. In an instant, the calm lake water set off waves of waves, and the surrounding air seemed to be distorted.

The breath of the Tribulation Realm made people panic.

However, Yue Feng did not panic at all, and nodded with a smile: "Okay."

Since he stopped pretending, there is nothing to worry about.

Saying that, Yue Feng turned his head to look at the pavilion master: "Pavilion Lord, I will have a good discussion with the Honorable Lord, I hope you don't interfere, okay?"

A few days ago, Yue Feng took advantage of Yu Wenyan to bathe and planned to leave, but was caught by The Pavilion Master's Heavenly Feather Needle was given, and Yue Feng still remembers that feeling until now, and he did not dare to act rashly after that because he was afraid of the Pavilion Master's Heavenly Feather Needle.

Now, to fight with Yu Wenyan, the pavilion master must not interfere. After all, the Heavenly Feather Needle of the Pavilion Master was so fast that it was hard to guard against.

"Okay!" The

pavilion master bit his lip lightly and nodded.

Feng Tao said it all, just to discuss with Yu Wenyan, the two should not be too stiff.

At this time, the pavilion master still didn't know that Yue Feng's discussion was fake. The real purpose was to leave when he wanted to fight with Yu Wenyan.

call!

Seeing this scene, the surrounding disciples all retreated into the distance.

For a while, the audience was silent, almost audible needles falling.

Yue Feng and Yu Wenyan stood opposite each other by the lake, the atmosphere was dignified, and the pressured people couldn't breathe.

Chapter 2153

"Respected Lord!"

At this moment, a female disciple walked quickly from a distance, and whispered a few words in Yu Wenyan's ear.

This female disciple was the one that Yu Wenyan sent out to investigate Su Qingyan's identity two days ago. Also Yu Wenyan's cronies.

Swish!

After listening to the female disciple's report, Yu Wenyan's body was shocked in an instant, and he couldn't hide the shock in his heart: "The woman who was just captured by the man is the Sect Master Wenzong of Dongao Continent? Or the woman of Yue Feng?"

" Yu Wenyan suddenly thought of something, and his eyes locked on Yue Feng: "You care so much about Su Qingyan, don't tell me...you are Yue Feng?"

"

Seeing Yu Wenyan revealing his true identity at once, Yue Feng was stunned.

This Yu Wenyan was really amazing, knowing Su Qingyan's identity, he immediately guessed who he was.

Two seconds later, Yue Feng reacted and said with a smile, "Not bad!" When the voice fell, Yue Feng stretched out his hand, wiped off the Yi Rongsan on his face, and returned to his original appearance.

I saw that that ordinary face suddenly became angular, and it was indescribably handsome and stylish.

Whoa!

In an instant, both the pavilion master and the female disciples trembled, staring blankly at Yue Feng, speechless.

This... is this person Yue Feng?

It was the famous figure who moved the continent of Kyushu. Some time ago, the person who repelled the Beiyang army, the Sect Master of Tianmen, the Emperor of Xi Cang...

At this moment, the air above the entire holy lake seemed to be stagnant.

Especially the pavilion master, looking at Yue Feng, his delicate body trembled...

It turns out... he is the famous Yue Feng in Kyushu!

Thinking about it, the pavilion master's heart beat faster.

Speaking of which, after seeing Yue Feng's calligraphy, the pavilion master knew that this man was extraordinary, but he never thought that his origins would be so big.

The Sect Master of Tianmen, the hero of the Earth Round Continent, the Emperor of Xi Cang, with so many titles, is not something ordinary people can achieve.

call!

Yan Yue, who was not far away, was trembling even more, staring blankly at Yue Feng, full of shock.

Total shock.

This... This person turned out to be Yue Feng from Megatron Kyushu?

And he himself is against him everywhere.

"Yue Feng!"

At this moment, Yu Wenyan finally reacted, his eyes were fixed on Yue Feng, and he gritted his teeth and said, "It's really you, today, you can't leave Xiyang Pavilion alive."

When he said this, Yuwen Yan's tone was extremely cold, and there was a strong killing intent in his eyes.

At the Famous Sword Villa, he was defeated in public by Yue Feng, which was an indelible humiliation in Yu Wenyan's heart. Two days ago, he was peeking at his bath, and Yu Wenyan was even more furious.

hum!

The voice fell, and a powerful breath filled Yu Wenyan's body! Immediately, he raised his jade hand and hit Yue Feng with a palm!

"Sister, don't..."

Seeing this scene, the pavilion master couldn't help but exclaimed, extremely anxious.

Although it was the first time I saw Yue Feng, the pavilion owner had a strong reputation for him, and the pavilion owner at this time could clearly feel that Yue Feng's true strength was very powerful. suffer.

Ha ha!

This woman, Yu Wenyan, has a really pungent personality.

Seeing Yu Wenyan slapped with a palm, Yue Feng chuckled lightly, without panic at all, then quickly rushed up, raised his hand and collided with Yu Wenyan's palms!

clang!

Just hear a loud bang! At the moment when the two palms collided, a tyrannical fluctuation of internal force swept the Quartet!

Seeing Yu Wenyan groaning, her delicate body suddenly trembled in mid-air, and she stepped back dozens of meters! And Yue Feng, just a few meters back, quickly stabilized his figure!

Chapter 2154

Obviously, with this palm down, Yue Feng has the upper hand!

Whoa!

Seeing this scene, both the pavilion master and the surrounding female disciples were all shocked.

This Yue Feng's strength is actually so strong?

No, this Yue Feng is just Martial Emperor, and Yu Wenyan's strength is to cross the Tribulation Realm! The cultivation realm is higher than that of Yue Feng, but in this palm, Yue Feng has the upper hand?

At this time, everyone still doesn't know that Yue Feng is practicing the Pure Yang Sutra, and his internal strength is extremely strong. Moreover, he is only one step away from Transcending Tribulation Realm!

call!

At this time, Yu Wenyan was also shocked and angry. She thought that when Yue Feng was able to defeat her in Mingjian Villa before, it was because of Fang Tianhuaji's power. With that palm just now, Yu Wenyan clearly sensed that Yue Feng's inner strength was pure and not under his own.

Under the shock, Yu Wenyan was extremely embarrassed and shouted at Yue Fengjiao: "Yue Feng, even if your inner strength is pure, don't think about leaving safely today! No matter what today, this deity will take your dog's life!"

"Okay ! Ah! I'll wait and see!" Yue Feng smiled slightly, his tone full of ridicule.

To be honest, Yue Feng didn't think about fighting, and left as soon as he had the chance, but he felt Yu Wenyan's deep hatred for him, and Yue Feng changed his mind.

A woman with such a strong character must completely destroy her self-confidence. If she is left alone, it will be a huge hidden danger.

After all, this Yu Wenyan is not only the lord of Xiyan Pavilion, but also the leader of the Huanyin Sect, with an extraordinary identity.

“Suffer to death!”

Yu Wenyan was too lazy to talk nonsense, he gave a coquettish shout, flipped his jade hand over, and slapped Yue Feng again!

“Oh!” Yue Feng didn’t panic at all, but instead laughed and teased : “Your lord is going to kill me. You look so beautiful, but your heart is so cruel, how can you marry in the future?” The wind directly greeted it.

Swish!

Hearing Yue Feng’s ridicule, Yu Wenyan’s delicate face suddenly turned red, and his heart was full of shame and anger. However, Yue Feng was so ridiculed, how could he bear it?

Bang bang bang...

The two of them were in mid-air, constantly shuttled to each other, bursting with breath vibrations, Yu Wenyan was a little confident at first, but after a few rounds, it felt wrong.

Shocked!

what happened? This Yue Feng’s realm is lower than his own, but he can’t suppress him?

At this time, Yu Wenyan didn’t know yet, although Yue Feng was in the realm of Martial Emperor, but because of the pure yang scriptures he cultivated, his inner strength was pure, and if he burst out with all his strength, it would be enough to fight against the transcendence realm!

call!

Seeing this scene, the pavilion master and middle disciple on the ground were all heartbroken, and they couldn’t be nervous.

This Yue Feng is so difficult to deal with, it is a little difficult for the Lord to defeat him!

Especially the pavilion master, biting his lip tightly, looking at the two figures in the air, his beautiful face was full of anxiety, and his heart was extremely complicated.

At this time, the pavilion owner was very entangled. He wanted Yu Wenyan to win, but he did not want to see Yue Feng lose.

Although I have only been in contact with him for a few days, after seeing Yue Feng's medical skills and calligraphy, the pavilion owner was deeply attracted by his charisma, and when he knew his true identity just now, the pavilion owner was not only shocked, but also a little fascinated.

Seriously, with a presence like Yue Feng, any woman who sees him can't stop his charm. Including the patriarch.

In the pavilion master's heart, a person like Yue Feng is the most ideal friend and ally. At this time, seeing Yu Wenyan and him fighting fiercely in mid-air, endlessly dying, can you be in a hurry?

Click.

Just when the pavilion master was secretly anxious, Yu Wenyan in mid-air, clutching the ever-changing life-threatening box, exploded completely. I saw that streaks of cold light shot out from the ever-changing life-threatening box and came straight towards Yue Feng.

Those cold beams are the sharp blades in the ever-changing life-threatening box. Like the pavilion master's Tianyu needle, each one is made of purple gold cold iron, extremely sharp, and smashes iron like mud.

Dozens of cold beams erupted, and all the air was torn apart.

Nima!

It's not over, is it?

Seeing Yu Wenyan's ultimate move, Yue Feng was furious. You know, Yue Feng seems to go all out, but in fact, he has always been merciful to Yu Wenyan.

"Crack!" In the

next second, with a crisp sound, Fang Tianhuaji was held tightly by Yue Feng.

Chapter 2155

As soon as Fang Tianhua's halberd came out, a wave of endless fighting spirit suddenly erupted from Yue Feng's body, and the air seemed to be filled with a bloody aura.

Fang Tian painted a halberd?

Yu Wenyan bit his lip tightly, looking at Fang Tianhuaji, his delicate face showed a bit of fear, but for the sake of shame, Yu Wenyan was heartbroken, accelerated his speed, and fought fiercely with Yue Feng.

hiss!

Seeing this scene, the pavilion master and the disciples below were all trembling, and couldn't help gasping for air.

What a powerful suffocation.

Could it be... Yue Feng is holding the famous Fang Tian Hua Ji?

In shock, everyone present broke into a cold sweat for Yu Wenyan.

Especially the pavilion master, the beautiful face is full of anxiety.

Although Yu Wenyan broke out with all his strength, Fang Tianhuaji, who faced Yue Feng, was probably not his opponent...

In a blink of an eye, half an hour had passed, and Yu Wenyan, relying on the ever-changing life-killing box, used a lot of stunts, but Still unable to suppress Yue Feng.

"Sister!" At this moment, Yu Wenyan was a little anxious, and shouted at the pavilion owner: "This thief Yue Feng is not only cunning, but also very difficult to deal with, come and help!"

Yes, Yu Wenyan has a arrogant personality, if it is normal , will never ask for help, but in order to kill Yue Feng, he can't care about so much.

What the hell!

Hearing this, Yue Feng's face changed greatly.

To be honest, Yue Feng is not afraid of Yu Wenyan and the pavilion master joining forces. The only thing he is afraid of is the pavilion owner's Tianyu needle. You must know that the feather needles that day were as fine as dust and as fast as lightning, which completely caught people off guard.

Thinking to himself, Yue Feng looked closely at the pavilion master below, his mind quickly turned, thinking about countermeasures.

"Sister!"

Just when Yue Feng was secretly worried, he saw the pavilion master biting his lip lightly, and his beautiful face was very hesitant.

The next second, the pavilion master said softly to Yu Wenyan: "Don't fight, I'll take a look at this matter, let's just forget it."

When he said this, the pavilion owner's eyes were complicated, and he did not look at Yu Wenyan.

At this time, the pavilion master was full of admiration for Yue Feng, and really didn't want to do anything with him.

What?

Hearing this, Yu Wenyan's body trembled, and his eyes were fixed on the pavilion master, thinking that he had heard it wrong, and it was difficult to be confident.

He and her are the same sister, but she is unwilling to help?

The next second, Yu Wenyan understood something, and his body trembled with anger: "Sister, this Yue Feng is just a bastard, you won't really fall in love with him, right?"

Yu Wenyan thought of something, her delicate face With a bit of a wry smile: "Yes, the two of you are already married, and you are forgiven for not wanting to hurt him."

Until now, Yu Wenyan still believes that the pavilion owner has a relationship with Yue Feng. .

"No..." The

pavilion master's face turned red all of a sudden, and then he reacted and explained anxiously: "I really don't have him..." Before he

finished speaking, he saw a sudden change in the air. Sudden.

Whoosh!

Seeing Yue Feng turn around, taking advantage of the opportunity of Yu Wenyan's dialogue with the pavilion owner, he quickly flew into the distance.

While flying, Yue Feng did not forget to look back at Yu Wenyan and teased with a smile: "Your Highness, I still have something to do, so I won't accompany you. outside.

Swish!

Seeing this, Yuwen's flaming body trembled, and his eyes were full of anger.

"Run?" The

next second, Yu Wenyan snorted: "I said, you don't want to leave alive today." The voice fell, Yu Wenyan's figure rose up, and quickly chased towards Yue Feng.

At this time, Yu Wenyan has lost his mind. This Yue Feng has repeatedly humiliated himself in public. If he is allowed to run away under his nose today, what will he lose face?

The ultimate husband in Chinese chapter 2156-2160

Chapter 2156

"Sister, don't!"

Seeing this scene, the pavilion master trembled and hurriedly stopped, but it was too late. Seeing Yu Wenyan chasing Yue Feng, he has disappeared from sight.

"Quick, catch up quickly." The pavilion master stomped his feet in a hurry and shouted at the surrounding disciples.

"It's the pavilion master!" The disciples reacted, urging their figures and chasing in the direction of the two.

On the other side, Yue Feng flew for a few minutes, only to feel that the distance between Yu Wenyan and himself was getting closer and closer, and he was about to catch up!

Although Yu Wenyan couldn't compete with Yue Feng's internal strength, but after all, he was in the realm of tribulation, and his speed was very fast.

However, at this time, Yue Feng was not flustered at all, but rather helpless.

This Yu Wenyan is too persistent, which is really a headache.

call!

Muttering in his heart, seeing a bare hillside in front of him, Yue Feng took a deep breath, tapped the ground with his toes, and stopped.

At the same time, outside the forest, Yu Wenyan also stopped, and looked at Yue Feng coldly: "Don't run away?" His tone was cold, revealing deep resentment.

Ugh!

Yue Feng sighed lightly and looked at Yu Wenyan with a smile: "Why should I run away when there are beautiful women chasing?"

After speaking, Yue Feng's face showed a bit of playfulness and continued: "Yu Wenyan, you are chasing after. I'm chasing so closely, do you like me and want to take me back to Xiyuan Pavilion to be your man? If so, you can just say it directly, it doesn't have to be so laborious." The

voice fell, Yue Feng smiled.

This chapter is provided by . Visit for daily update.

Swish!

Hearing this, Yu Wenyan's face was extremely red, and he said: "A dog's mouth can't spit out ivory, you are a scourge if you keep it, I have to kill you today!"

Yue Feng, this bastard, has already reached this point. At this point, he even teased himself with a smile on his face, and it would not be a pity to die 10,000 times.

"Kill me?"

Yue Feng laughed and shook his head: "I advise you to give up. Although you are in the tribulation realm, you are not my opponent! Go back obediently!"

"Bah!"

Seeing Yue Fengyi With a confident face, Yu Wenyan couldn't help spit, and said coldly: "Yue Feng, don't be complacent, don't think I can't kill you!"

"Om!"

At this moment, Yu Wenyan slowly lifted up. Hand, a strong internal force fluctuation, surging between heaven and earth.

"Shengxu Divine Art."

Yu Wenyan's red lips opened slightly, and four cold words slowly came out of her mouth.

The next moment, the air suddenly split in front of her! A black vortex appeared around her! Those black vortices were obviously transformed by internal force.

Shengxu Divine Art is Yuwenyan's stunt to press the bottom of the box. Unless it is a last resort, it will not be used. Because it consumes too much internal energy, it will take a month to recover if used once, but Yuwenyan can't care about killing Yue Feng today. So much!

Buzz!

In a short blink of an eye, hundreds of black vortices suddenly oscillated. It was a sunny day, and suddenly it became dark. Then those black vortices formed a terrifying whirlwind and flew to Yue Feng in an instant!

“Yue Feng, kill me!” Yu Wenyan shouted coldly.

Whoosh!

The huge black whirlwind swirls the world, and the speed is really too fast. In the blink of an eye, it has already swallowed Yue Feng.

What the hell!

Yue Feng was shocked, Yu Wenyan was crazy.

He knew that every expert who crossed the tribulation realm had the stunt of pressing the bottom of the box. He never imagined that in order to kill him, Yu Wenyan in front of him would release his stunt of pressing the bottom of the box, and this skill was so terrifying!

Seriously, in the blink of an eye, the sweat on Yue Feng’s face fell down!

“Nine Dragons Ascension!”

At this critical moment, Yue Feng did not hesitate, his inner strength exploded and he roared loudly.

In an instant, a terrifying aura permeated from Yue Feng’s body, and then, nine golden dragons roared out to meet the huge black whirlwind.

Nine Dragons Ascension to Heaven is a skill that Yue Feng first learned as a cultivator. After more than ten years, this skill has become a perfect skill.

boom!

The nine golden dragons collided with the black whirlwind, and a terrifying aura vibrated, and the strong aura dissipated, making the area within a kilometer radius gloomy, like the end of the world.

Chapter 2157

saw that Yue Feng was standing there unscathed. This move, Nine Dragons Ascension to Heaven, successfully blocked Yu Wenyan’s stunt.

What?

Seeing this scene, Yu Wenyan's body trembled and was extremely shocked.

Total shock.

His strongest stunts have been displayed, yet he still hasn't successfully killed Yue Feng?

Rumbling...

Just when Yu Wenyan was in shock, suddenly, there was a burst of violent roars and vibrations from the hillside under his feet. Then, the hillside suddenly collapsed, revealing a large pit with a diameter of several hundred meters.

Obviously, the bottom of this bare hillside is empty. Just now, Yu Wenyan and Yue Feng competed for stunts, and the terrifying aura that erupted caused the landslide.

Hula...

The incident happened suddenly, both Yue Feng and Yu Wenyan's expressions changed, and they fell directly before they could react.

Huhu...

The wind whistled in his ears, Yue Feng's body kept falling, and he was secretly surprised.

Yue Feng saw that the steaming under the deep pit was actually a huge underground cave, with an underground magma river flowing slowly.

No wonder there is not a single tree bare on the entire hillside. It turns out that there is magma underneath.

But what makes Yue Feng relax is that this underground magma river does not cover the entire bottom, and there are many places to stand.

Boom!

After more than ten seconds, Yue Feng's feet had already touched the ground. Although he was prepared, inertia still made Yue Feng stagger back ten steps.

Stabilizing his figure, Yue Feng hurriedly looked at the environment in front of him, and saw that the cave was very deep, winding and extending, and he didn't know where it led.

Looking at the top of the head, it is tens of thousands of meters high. Just now, Yue Feng used his skills to block Yu Wenyan's stunt, which consumed a lot of internal energy, and it was difficult to fly up.

Nima, today is really unlucky, not to mention being entangled by a crazy woman like Yu Wenyan, and falling into such a ghost place.

To be honest, Yue Feng has the cold fire of white lotus and is not afraid of this underground magma at all, but in this unfamiliar environment, he is also very depressed.

Whoosh.

It was at this time that I heard a movement above my head, and I saw Yu Wenyan's pretty face pale and fell down.

At this moment, Yue Feng could clearly feel that Yu Wenyan was incomparably weak, and it was obvious that the 'Sacred Ruins Divine Art' just now used up his internal energy.

In such a state, if you fall to the ground, you will not die or be disabled.

Thinking to himself, Yue Feng didn't hesitate, ran over quickly and hugged Yu Wenyan in his arms.

Although Yu Wenyan always wanted to put him to death, Yue Feng was kind-hearted and could not bear to see her disappear.

call!

smell good.

Softly into his arms, Yue Feng couldn't help sighing, and then looked at Yu Wenyan with a smile: "Yu Wenyan, I didn't lie to you, it would be a pity if a beautiful woman like you fell to her death like this!"

Slap!

As soon as the words fell, Yu Wenyan's pretty face was flushed red, and his eyes were almost bursting with fire, and then, a slap slapped over without warning.

Nima!

Yue Feng covered his face, looking depressed, and at the same time holding back his fire.

I saved you, but if you don't appreciate it, you still beat people? It is incomprehensible.

"Yue Feng, you rogue bastard, even if the deity falls to his death, don't let you save it!" Yu Wenyan said coldly, with disgust and contempt flashing in his eyes.

When the words fell, Yu Wenyan struggled to escape from Yue Feng's embrace.

hiss!

The next second, Yu Wenyan looked around at the surrounding environment, and suddenly his body trembled.

This... is actually an underground cave? And an underground magma river?

"Yu Wenyan!"

At this moment, Yue Feng said lightly: "I know, the reason you hate me so much is because I was in the famous sword villa before, sabotaged your plan, and let you lose in front of many people. I saved face, but I saved your life just now, and we have settled our grievances!"

After speaking, Yue Feng looked at the huge cave in front of him and continued: "This place is very complicated, and it is so hot, we can't say if you can't go out, let's have your destiny!"

Chapter 2158 The

voice fell, and Yue Feng walked straight forward.

After being in the rivers and lakes for so many years, Yue Feng is calm when he encounters problems. He firmly believes that the huge cave in front of him is deep and long, and there must be a way out.

Yu Wenyan bit his lip, did not respond, and followed slowly.

Yue Feng guessed right, Yu Wenyan just performed a stunt and exhausted her internal strength. At this time, there is no doubt that ordinary people, with her current state, it is difficult to go out alone, so she can only follow Yue Feng.

The two walked one after the other, following the underground magma river, slowly moving forward. In the magma river, fire rose, and the entire cave was filled with an extremely scorching aura.

Yue Feng has a cold white lotus in his body, and this scorching aura has no effect on him at all.

As for Yu Wenyan, his internal strength was exhausted, and he could endure it forcibly at first, but gradually, he couldn't hold it anymore. The delicate face was extremely red, and the delicate body was dripping with sweat. Yu Wenyan is the strength to cross the Tribulation Realm, but there is too much magma around, like a sea of fire, and the magma here is extraordinarily hot. Rao is her strength to cross the Tribulation Realm, and it won't last long.

“Hey!”

Seeing Yue Feng's expression as usual, Yu Wenyan couldn't help but be curious and asked, “Yue Feng, why are you okay?”

At this time, Yu Wenyan didn't know that Yue Feng had a cold white lotus in his body. , thinking that he has cultivated a special technique and is not afraid of flames.

“This...”

Seeing her curious look, Yue Feng smiled slightly and said, “I have white lotus cold fire, ordinary fire, and can't hurt me at all!” As

he said, Yue Feng raised his hand, I saw a white flame jump out.

What?

Seeing Bai Lian's cold fire, Yu Wenyan's body trembled, and her flushed face was full of shock.

He actually has Bailian cold fire? You must know that Bailian Lenghuo is the number one abnormal fire in the world. It has the characteristics of swallowing other abnormal fires. For thousands of years, I don't know how many cultivators have tried to merge with Bailian Lenghuo, but they ended up dying tragically.

And this Yue Feng in front of him, quite a bastard, can actually merge with the cold fire of Bailian? It's really blind.

Thinking to himself, Yu Wenyan bit his lip, resentful.

Haha...

Seeing her reaction, Yue Feng felt indescribably happy. He deliberately showed Bailian's coldness, that is, to be arrogant and flamboyant.

Don't you want me to die? But not only can I not die, but in this harsh environment, I can still take it easy.

Are you angry?

This Yu Wenyan, who usually has a arrogant and arrogant attitude, just now fought to the death against himself, Yue Feng wanted to stimulate her and attack her arrogance.

Yu Wenyan was depressed and stopped talking.

However, Yu Wenyan couldn't stand the heat wave that was constantly invading around him. He was dripping with sweat, and the sweat completely soaked his clothes.

hiss!

Yue Feng looked at Yu Wenyan, his eyes straightened. She was so sexy right now.

"Yue Feng, you! Close your dog's eyes!" At this moment, aware of Yue Feng's gaze, Yu Wenyan's pretty face changed, she was extremely embarrassed and scolded.

Close the dog's eyes?

It's okay for Yu Wenyan not to say this. After saying this, Yue Feng looked at her without blinking.

I have to say, this Yu Wenyan's figure is really tight.

"You!" Yu Wenyan's face was extremely blushing. She regretted it. If she knew this, she shouldn't have been chasing after him.

Well now, not only has he exhausted his internal strength and fell into this underground melting hole, he was also taken advantage of by Yue Feng.

Haha...

Yue Feng looked at her with a smile. After watching for a while, he laughed and said, "Why are you excited, you think I see you as admiring your figure, I am wondering whether to use white lotus or not. Leng Huo, come to help you block the heat around you, since you are so disgusted with me, then forget it."

With that, Yue Feng deliberately put away Bai Lian Leng Huo.

Yes, at that moment just now, Yue Feng really thought so, but seeing Yu Wenyan's proud face, he deliberately teased her.

Chapter 2159

"You!" Yuwen is so arrogant!

This Yue Feng, obviously just looking at himself, but he is still righteous, and he is a good boy when he gets cheap. It's really hateful.

The next second, Yu Wenyan calmed down, looked at Yue Feng, bit his lip and said, "Is what you just said true? Bailian Lenghuo, can you really help me resist

the heat?" Looking forward to it.

If you can do this, you don't have to be so uncomfortable!

"Of course!" Yue Feng smiled slightly: "You said it yourself, the cold white lotus fire can devour other strange fires, and these ordinary flames are naturally no problem. As long as I am around you and deploy a barrier with the cold white lotus fire, you You don't have to endure the scorching pain."

Yu Wenyan said quickly, "Then hurry up, why are you talking so much?"

Haha...

Yue Feng smiled, then looked at her seriously: "Say That's it, but you keep killing me, why should I help you?"

Shua!

Hearing this, Yu Wenyan's face turned even redder, lowered his head and said softly, "You.... Didn't you say just now that we have cleared our grievances? Are you going to die?"

When he said this , Yu Wenyan's delicate face reveals deep complexity.

To be honest, I begged Yue Feng to help, Yu Wenyan felt ten thousand reluctance in his heart, but there was no way, this heat wave in the air was really uncomfortable.

"Well..."

Yue Feng pretended to ponder, then nodded with a smile: "Okay, since you said so, then I will help you, but I have one condition!"

"What condition?" Yu Wenyan asked without thinking.

Yue Feng showed a smile, leaned up on purpose, and looked at Yu Wenyan with a smile: "Please beg me, maybe I will help you if I soften my heart!"

"You..."

Yu Wenyan's delicate body trembled, Angrily stomping his feet: "You are clearly falling into the trap and taking advantage of people's danger! I want to beg you, dream!"

When he said this, Yu Wenyan was ashamed and angry!

Yu Wenyan bit his lip, scolding Yue Feng hundreds of times in his heart!

Yue Feng said with a smile: "Well, since you don't want to, forget it!"

After saying that, Yue Feng shrugged, his face was indifferent, but looking at Yu Wenyan's eyes, it was full of teasing.

Yu Wenyan bit his lip, annoyed.

This Yue Feng is too jerk, knowing that he is about to be unable to hold on, so he deliberately made such an unreasonable request.

How could the dignified Master of Xiyan Pavilion, the leader of the Huanyin Sect, be soft to him?

Thinking to himself, Yu Wenyan gritted his teeth secretly, trying to resist the scorching aura around him with willpower.

However, after more than ten seconds, Yu Wenyan's whole body was flushed red, and there was a hint of pain on his delicate face.

Apparently it's going to be overwhelmed.

Whoosh!

At this time, the two of them had reached the depths of the cave, and they saw that the underground magma river had widened a lot, and the pervading heat was even more intense.

Seeing this scene, Yue Feng said with a smile: "Honorable lord, don't hold on any longer. If you continue, you will die from dehydration, or you will be roasted into a mummified corpse alive."

With that said, Yue Feng looked serious and continued: "Besides, I just asked you to beg me, I didn't want you to be my woman, and there's no one else here, why are you so stubborn? In your heart, dignity is more important than your own life?"

Shua!

At this moment, Yu Wenyan's beautiful face was instantly bloodless!

She bit her lip tightly, Yue Feng said it well, her internal strength was exhausted, she couldn't stand the scorching environment in front of her, she couldn't stand it!

Chapter 2160

“Yue Feng...” At this moment, Yu Wenyan bit his lip, walked slowly to Yue Feng, lowered his head, very shy.

“Yue Feng, I beg you...” The voice was so small that you couldn't hear it if you didn't listen carefully.

She never dreamed that one day she would plead for this bastard! I never thought that I would be so humble in front of this bastard!

“What?”

Yue Feng pretended to be unable to hear: “What did you say? I can't hear you.”

Having said this, Yue Feng took out his ears and looked down at Yu Wenyan.

Yu Wenyan's tender body trembled. She bit her lip so hard that she almost bleed.

“I... I beg you...” Yu Wenyan bit his lip tightly and whispered.

When she said this, Yu Wenyan lowered her head, did not look at Yue Feng, her delicate face was extremely red, you must know that Yue Feng was the person she hated the most, and she wanted to kill him in her dreams, and she was ashamed. But now, in front of Yue Feng, she has given up all her dignity!

“Really good.” Yue Feng said with a smile.

With a smile on his face, Yue Feng felt even more happy in his heart.

Haha...

Isn't this Yu Wenyan very proud? On the rivers and lakes of the Yellow Sea Continent, there is no scruples. Anyone who sees them will shy away, but in front of them, haven't they given up their dignity?

When the words fell, Yue Feng waved his hand, urging Bai Lian's cold fire, and laying a protective film around him. It's just that this protective layer is very small, and it is difficult to accommodate Yue Feng alone.

Swish!

Yu Wenyan's body trembled, and his face was extremely blushing.

This Yue Feng is too jerk, he is not satisfied with taking advantage of his mouth, he deliberately made the protective film so small, if he goes over, he cannot avoid skin contact.

But if you don't go in, you will dehydrate and die.

Thinking to himself, Yu Wenyan reluctantly accepted the reality, bit his lip, and entered Yue Feng's protective layer.

smell good.

At this moment, Yue Feng smelled a fragrant aroma, and the whole person was fascinated. A pair of eyes couldn't help but look at Yu Wenyan from a close distance.

I have to say, this Yu Wenyan not only looks beautiful, but also has a perfect figure.

For a time, the two were close to each other, very ambiguous. At this time, if there are other people next to him, he will definitely be surprised.

The leader of the dignified phantom sound sect, the venerable master of Xiyan Pavilion, Yu Wenyan, who was talked about in the Yellow Sea Continent, turned soft to Yue Feng?

Feeling Yue Feng's smiling eyes, Yu Wenyan bit his lip and was about to bleed. He felt uncomfortable, but he didn't dare to move.

If you move around, you may break away from the protective layer and be scalded by the heat wave outside.

"Yue Feng, I warn you, don't have any unreasonable thoughts about me, otherwise, I will not let you go if I die!"

"I have unreasonable thoughts about you? This kind of woman has a strong personality, I don't care! It's you, you won't take a fancy to me."

"You..." The

two days went forward while bickering.

Finally, I don't know how long they have walked, and suddenly, Yue Feng and Yu Wenyan walked out of the underground cave. In front of them, there was a huge pit dug by manpower.

What the hell!

At this moment, Yue Feng looked up, and his heart was shocked, and the whole person was stunned.
