

The ultimate husband in Chinese chapter 2161-2165

Chapter 2161 I

saw that the huge pit in front of me is several hundred meters wide. The underground magma in the giant pit gathers into a magma pool. Above the magma pool, there are huge furnaces with dozens of One, these furnaces are connected to the continuous melting and burning cold iron chain, and the other end of the cold iron chain is firmly fixed on the surrounding stone walls.

On the stone wall just south of the giant pit, there are three blood-red characters written with flying dragons and phoenixes: Casting Sword Pond!

Forging sword pool?

Seeing this, Yue Feng couldn't help but murmured in his heart.

Damn, isn't this the place where Mingjian Villa casts weapons?

It was a coincidence that this underground magma river was even connected to the place where Mingjian Villa cast weapons.

Muttering, Yue Feng even saw that in front of the dozens of huge furnaces, many people were concentrating on smelting and forging. These people wear uniform forging clothes with the logo of the famous Sword Villa on their clothes.

Yue Feng guessed it well. The Sword Casting Pond is the place where Mingjian Villa casts weapons. It is also a forbidden area that is never open to the public. Most of the top weapons in Mingjian Villa are born here.

Outside the sword-casting pool, there is the famous Sword Villa with beautiful scenery.

Famous Sword Villa passed down a few years ago, and the casting skills are extremely exquisite. Thousands of years ago, the ancestors of the Ye family, after testing, found that the fire of natural magma, the weapons forged were sharper and tougher, and a huge casting base was built here.

Swish!

Seeing the scene in front of him, Yu Wenyan also trembled, and his heart was extremely shocked.

In the next second, Yu Wenyan reacted and immediately distanced herself from Yue Feng. At this time, her face was still a bit blushing. She grabbed Yue Feng's clothes, pulled it hard, and put it on her body.

My clothes are soaked with sweat, how can I see people?

At this time, her face looked like a ripe red apple. The dignified Lord of Xiyuan Pavilion, he actually stayed close to Yue Feng for so long just now.

Feeling her tenderness, Yue Feng smiled slightly, but said nothing.

“Who is it?”

At this moment, the people who were busy in the Sword Casting Pool finally found the two Yue Fengs, and they were all startled and shouted.

Whoops!

The next second, dozens of guards rushed over with long knives and surrounded Yue Feng and Yu Wenyan.

At the same time, many guards shouted for support.

“No, someone broke in!”

“Come here.”

Hearing the movement, the entire Famous Sword Villa burst into flames, and soon, he saw the patriarch Ye Xuan, with Ye Ziyi, and many elite disciples, They came quickly, and among them was Ye Ziyi’s cousin, Dong Long.

“You... Yue Feng?” Seeing Yue Feng, Ye Xuan was stunned for a moment and was taken aback. At the same time, my heart is extremely complicated.

Before, Yu Wenyan brought the disciples of the Huanyin Sect and came to besiege the Mingjian Villa. At a critical time, Yue Feng stepped up to help, and the Mingjian Villa was very grateful at that time.

However, after Yue Feng got drunk and broke into his daughter’s boudoir in the middle of the night, people’s affection for him plummeted. After that, Yue Feng suddenly disappeared. Everyone thought he was absconding in fear of crime, but unexpectedly, he appeared again.

What surprised Ye Xuan even more was that this Yue Feng not only came back, but also appeared in the Sword Casting Pond?

You must know that the Sword Casting Pool has a complex environment and is connected to the underground magma. It is difficult for ordinary people to resist such a

scorching atmosphere. In addition, the famous Sword Villa is well-guarded, so no one has been able to come here for thousands of years.

And this Yue Feng not only came in, it seemed that he was not affected by this scorching environment at all.

How did he do it?

At this time, Ye Xuan didn't know that Yue Feng had the cold fire of white lotus. This underground cave with harsh environment was an insurmountable and dangerous place for others, but it had no effect on Yue Feng.

Chapter 2162

It's him!

Ye Ziyi looked at Yue Feng, her delicate body trembled slightly, and she was speechless.

Dong Long next to him was even more shocked.

At that time, after Dong Long slandered Yue Feng, he got him drunk, then knocked Yue Feng unconscious, and sent him to Ye Ziyi's room. As a result, the people in Mingjian Villa thought that Yue Feng was drunk and wanted to defile Ye Ziyi. Later, Dong Long took the drunk Yue Feng to the famous Sword Villa, and planned to send it to the main altar of the Huanyin Sect and hand it over to Yu Wenyan for disposal. In this case, the people of Famous Sword Villa thought that Yue Feng had fled in fear of crime.

Just halfway through, Dong Long became greedy and wanted to search for treasures on Yue Feng, but he accidentally released Qiong Qi, and finally watched Qiong Qi take Yue Feng away.

At that time, when he returned to Mingjian Villa, Dong Long lied and said that Yue Feng had escaped by himself.

In Dong Long's heart, he believed that Yue Feng would never come back after leaving, but he never thought that Yue Feng would come back.

Whoa!

At the same time, other people around were also in an uproar.

"Yue Feng?"

"A few days ago, this person sneaked into the lady's room while he was drunk, and then escaped quietly. He didn't expect to dare to come back."

“There is a woman with him, so beautiful.

”, The eyes of many people couldn’t help but look at Yu Wenyan, and the eyes of many male disciples were straight.

At this time, Yu Wenyan, although wearing Yue Feng’s clothes, couldn’t hide his exquisite curves, especially his beautiful face, which was rosy under the steaming heat, like a ripe apple, indescribable. Charming and sexy.

Although Yu Wenyan is very famous in the Yellow Sea Continent, she rarely shows up, and she has been disguised as a man before, so the people present did not recognize her.

Feeling the eyes of everyone, Yu Wenyan felt uncomfortable, and he was very angry, but he didn’t dare to attack.

How can I teach these people a lesson if my internal energy is too exhausted?

“Yue Feng!”

Finally, Dong Long reacted, came out and pointed at Yue Feng and shouted: “You brazen person, how dare you come back? You honestly explained that that night, you sneaked into my cousin’s room and wanted to What are you doing?”

Said, Dong Long looked around and continued: “Yue Feng, you have helped Mingjian Villa before, we are so grateful to you and trust you, but we didn’t expect that you are a despicable villain... “The

words, righteous and awe-inspiring.

Dong Long thought about it, no matter what the purpose of Yue Feng’s return, he must pre-empt him and not let him tell the truth.

Moreover, at that time, Yue Feng was very drunk, and it was not so easy to explain.

Swish!

The voice fell, and the eyes of the people around them all converged on Yue Feng, with anger on their faces.

The innocence of the eldest lady is related to the reputation of the entire Famous Sword Villa. This Yue Feng must give an explanation.

Ye Ziyi, who was next to her, blushed instantly. Although Yue Feng didn’t do anything rude to him that night, his innocence was at stake, and any girl would be embarrassed.

Ye Xuan stood there, also staring at Yue Feng, waiting for his answer.

What?

Yue Feng was stunned for a moment, only to feel his head buzzing, looking at Ye Ziyi with a shy face, his whole body was covered.

I broke into Ye Ziyi's room to plot against her?

How can it be? If you do it yourself, why don't you know?

At this time, Yue Feng was extremely puzzled. He only remembered that that night, he was called by Dong Long to drink. Later, he was drunk and unconscious, and when he woke up, he was at the edge of the holy lake in Xiyan Pavilion.

correct!

After thinking about it, Yue Feng suddenly figured out that it was all Dong Long's ghost to slander himself.

Thinking to himself, Yue Feng chuckled and looked at Dong Long and said, "Dong Long, I don't understand what you said. On the contrary, I want to ask you what's going on."

After that, Yue Feng recalled , continued: "I remember that after I drank with you at that time, I was very drunk, and then you knocked me out, right!"

Chapter 2163

Swish!

Hearing this, everyone's eyes suddenly turned to Dong Long, and they were extremely surprised.

He... knocked out Yue Feng?

"I..."

Facing everyone's attention, Dong Long felt a little flustered in his heart, but he quickly reacted, and sneered at Yue Feng: "Yue Feng, you really know how to quibble, you are the dignified Heaven Sect Sect Master, the Emperor of Xi Cang. , can I knock you out easily? Don't think sophistry and put the blame on me."

Said, Dong Long's mouth curled into a sneer: "Yue Feng, you are also a person with a head and face, but you dare not do things. Admit it, what kind of man?"

Nima!

Seeing him confuse right and wrong, Yue Feng suddenly became angry, but he said nothing and didn't know how to explain it.

“Haha!”

Seeing Yue Feng's silence, Dong Long was very proud and sneered: “Yue Feng, there is nothing to say, right? I think you are guilty.”

Hu!

Yue Feng took a deep breath, didn't bother to pay attention to him, tilted his head to look at Ye Xuan and said seriously: “Master Ye, I really don't know what happened that night, but I guarantee by personality that I and Miss Ye are friends, absolutely I won't do anything rude to her.”

“Well...”

Hearing this, Ye Xuan's stern expression softened, and he nodded: “Sect Master Yue, I naturally believe it, speaking of it, there is something strange about this matter, and it seems that this matter needs to be investigated in detail.”

As the owner of Mingjian Villa, Ye Xuan is an old man. Although he has been in contact with Yue Feng for a short time, he still feels Come out, Yue Feng is not such a person.

“Uncle!”

Dong Long became anxious all of a sudden, and shouted: “This Yue Feng is different from the outside. He is a gentleman in the open, but a villain in the dark. How can you believe his words?”

At this time, Dong Long was very nervous. .

The whole thing was planned and participated by himself, how could Ye Xuan be allowed to investigate?

In a hurry, Dong Long pointed at Yue Feng and said, “This man is daring and lecherous, and he doesn't know how many good women he has harmed behind his back.”

After speaking, Dong Long turned his eyes and stared at Yu Wenyan and continued: “Everyone, look at it, This woman is disheveled, she must have been caught by Yue Feng with despicable means.”

Dong Long was very cunning, knowing that there was no evidence, it was not enough to convince everyone, so he dragged Yu Wenyan in.

After all, Yu Wenyan's image at this time was so embarrassed that it looked like he was being held hostage by Yue Feng.

At this time, Dong Long did not see that the beautiful woman in front of him was the leader of the Huan Yin Sect who controlled his life and death. Although Dong Long is also a member of the Huanyin Sect, like most people, what he usually sees is the image of Yuwenyan disguised as a man, and he doesn't even know that Yuwenyan is a woman.

Whoa!

As soon as these words came out, the audience immediately exploded, and many people's eyes fell on Yu Wenyan, and there were many discussions.

"Yeah, what Young Master Dong said is justified!"

"This woman must have been caught by Yue Feng..."

"I didn't expect this kind of person to be Yue Feng, and I used to admire her so much. He..."

Everyone's discussion, you and I came, and they all, like Dong Long, believed that Yu Wenyan was caught by Yue Feng and wanted to do something wrong.

Yue Feng smiled and said nothing.

Swish!

Yu Wenyan's tender body trembled, staring at Dong Long with hatred, embarrassed and angry.

This Dong Long, really blind, actually said that he was a prisoner of Yue Feng?

How can you have such a stupid subordinate?

At this time, Yu Wenyan wanted to kill Dong Long, but he held back.

His internal strength was severely depleted, and he had brought Huanyin disciples to find the trouble of Mingjian Villa. If his identity was exposed, Mingjian Villa would not let him go.

Chapter 2164

"Yue Feng!"

Finally, Ye Xuan reacted and looked at Yue Feng with a dignified expression: "Who is this woman beside you? Can you please introduce me?"

When he said this, Ye Xuan couldn't help but look at Yu Wenyan. At a glance, very suspicious.

Speaking of which, Ye Xuan didn't believe that Yue Feng was a hypocrite, but the woman beside him had such an image that he had to be suspicious.

At the same time, Ye Ziyi also looked at Yue Feng closely, her heart was trembling, it was very complicated.

Is this Yue Feng really what Dong Long said? A despicable and shameless villain?

If not, how should this embarrassed woman beside him explain?

"She!"

At this time, Yue Feng smiled slightly and said to Ye Xuan, "This is my beloved wife, because I accidentally broke into this underground magma cave, and the environment is too hot, so I can't stand it anymore."

Immediately, Yue Feng turned his head to look at Yu Wenyan, and said with a smile: "Dear, come here and say hello to everyone."

When he said this, Yue Feng looked relaxed.

To be honest, Yue Feng didn't want to talk nonsense like this, but he knew very well that Yu Wenyan and Mingjian Villa had a grudge. If she revealed her identity, Yu Wenyan would be finished.

Although Yu Wenyan has done many cruel things before, Yue Feng believes that her nature is not bad, so she does not want to see her in danger.

Swish!

At this moment, Yu Wenyan's delicate body trembled, her delicate face was extremely red, and she glared at Yue Feng with shame and anger.

Yue Feng, this bastard, couldn't solve his own troubles, so he used himself as a shield and actually said that he was his woman.

It's so nasty.

Beloved wife?

At the same time, everyone present was stunned.

Why doesn't it look different?

This woman stared at Yue Feng, her eyes were full of resentment, she looked like an enemy family, how could it look like a husband and wife?

“Yue Feng!”

At this moment, Dong Long couldn't help sneering, and taunted Yue Feng: “Okay, don't pretend, this beauty is coerced by you, how could it be your wife?”

The voice fell, and many people nodded in agreement.

Nima!

Yue Feng frowned and cursed.

This Dong Long, there is something wrong with his brain, he has no grievances with him, but he keeps slandering himself.

Thinking to himself, Yue Feng smiled slightly, took Yu Wenyan's hand and said: “Dear, I didn't help you to block the heat just now, it's my fault, don't be angry, look, these people don't believe you are me Woman, hurry up and call your husband to let them hear.”

With that, Yue Feng leaned into Yu Wenyan's ear and whispered, “Yu Wenyan, I did this to protect you, think about it, if I was trapped in Here, you can't leave, you and Mingjian Shanzhang have a grudge, when they find out your identity, they will easily forgive you?”

When he said this, Yue Feng looked very serious.

Yes, Yue Feng didn't want to waste more words with these people in front of him. He just wanted to clear up the misunderstanding quickly, leave here, and join Zhu Bajie.

call!

Hearing this, Yu Wenyan was extremely ashamed and angry, but after thinking about it carefully, he gradually calmed down.

Yes, Yue Feng is right, if he is trapped here, he will not be able to leave.

But... how did those two words come out?

At this time, Yu Wenyan was ashamed and angry, and he couldn't express his regret. If he knew this, he wouldn't be chasing Yue Feng. Before in the cave, I had already let go of my dignity and begged him, and now I want to call him husband...

Finally, after struggling for a few seconds, Yu Wenyan's red lips lightly opened, and he called out to Yue Feng softly: "Husband ." The

voice fell, Yu Wenyan's face flushed red, and he couldn't be shy.

To be honest, Yu Wenyan was reluctant to call her husband Yue Feng, but he couldn't help it. It was not advisable to stay here for a long time. The longer it took, the worse it would be for him.

Haha...

Yue Feng smiled and nodded in response, feeling very happy inside.

I really didn't expect that a woman like Yu Wenyan with a cold and arrogant personality would be quite pleasant to call her husband.

Thinking to himself, Yue Feng looked at Dong Long and said lightly, "Are you still doubting it now?"

Chapter 2165

This...

Dong Long opened his mouth and was speechless for a while.

This beauty is really his wife...

How is this possible?

In the next second, Dong Long rolled his eyes and sneered at Yue Feng: "Yue Feng, just pretend, this beauty is in your hands, you ask her to call her husband, does she dare not call?

", Dong Long strode forward, and in front of Yu Wenyan, he said gently: "This beauty, did Yue Feng force you to shout like this? Don't be afraid, tell the truth, this is the famous sword villa, and Yue Feng is more powerful. , with us present, he wouldn't dare to mess around."

When he said this, Dong Long looked confident, and at the same time, he couldn't help looking at Yu Wenyan up and down.

beautiful.

So beautiful.

“Crack!”

Yu Wenyan slapped Dong Long’s face without warning!

At this time, Yu Wenyan was completely unbearable. He cooperated with Yue Feng in order to get out of here as soon as possible. After all, the internal energy consumption was so severe, and he had to go back to recuperate as soon as possible. However, this Dong Long picked things up several times. Look at yourself.

Just looking for death.

This slap was very heavy, but for a moment, there was no sound in the audience, and everyone was stunned.

“You... you dare to hit me?” Dong Long covered his face and looked at Yu Wenyan in disbelief, with surprise and anger in his eyes.

The dignified young master of the Dong family was beaten by a woman, what’s the face of it?

Um?

But then, Dong Long saw a jade card on Yu Wenyan’s waist, his body was shocked, and the whole person froze.

I saw the waist card, carved from pure white jade, in the shape of a flowing cloud, as white as snow, very beautiful, and there is a faint word ‘Zun’ on it.

This... This is the waist card of the leader, how can it be on this woman?

At this time, Dong Long was trembling in his heart, and he only felt that his brain was buzzing.

Yes, Yu Wenyan’s waist card is the token of the leader of the Huanyin Sect, symbolizing the supreme status. As a member of the Huanyin Sect, Dong Long can’t recognize Yu Wenyan for a while, but he can recognize the waist card.

“You...”

After being stunned for a few seconds, Dong Long reacted and stared blankly at Yu Wenyan.

Yu Wenyan took a step closer and said coldly, pressing his voice: “Dong Long, you dare to offend the deity like this, it is a crime that deserves death, but the deity will not care

about you for the time being, and you, don't entangle any more, quickly let me and Yue Feng leaves, otherwise, the deity will not spare you lightly."

When he said this, Yu Wenyan resumed the high-level tone when he was dressed as a man, but his voice was very soft, only she and Dong Long to hear.

Um?

When Dong Long saw the jade card, he vaguely guessed something in his heart, and when he heard the voice again, he was completely stunned. He raised his eyes and looked at Yu Wenyan!

"Pfft!"

At this moment, Dong Long was completely dumbfounded and knelt on the ground at once!

"I...I...!" Dong Long was terrified, and his heart was also extremely shocked.

Total shock!

The beautiful woman in front of her turned out to be the leader? She...is it a woman? !

And just staring at her unscrupulously just now is simply courting death.

What?

Seeing this scene, everyone present opened their mouths wide and froze there. They didn't hear what Yu Wenyan said to Dong Long.

what's the situation?

How did Dong Long kneel to this woman? A prominent young master of the Dong family, so frightened?

Um?

Yue Feng stood there, also frowning secretly, looked at Yu Wenyan, and then looked at Dong Long, and couldn't help muttering in his heart.

what happened? Why was Dong Long suddenly so afraid of Yu Wenyan?

At this time, Yue Feng didn't know that Dong Long was also a member of the Huanyin Sect. Now that he knew Yu Wenyan's identity, how could he not be afraid?
