

The ultimate husband in Chinese chapter 2181-2190

Chapter 2181

Soon, Sun Ting started the car and drove towards the gate of Canglongguan City.

call!

When approaching the gate of the city, seeing the scene in front of him, Yue Feng took a deep breath and felt very heavy.

I saw that there were thousands of people gathered in the open space outside the city gate. Most of these people were fleeing from the Diyuan Continent. All look tired.

At the door, a checkpoint was set up, and the heavily-armed Canglong City defenders were conducting an interrogation of these fleeing people one by one.

Because there were too many people, they crowded together and pushed and shouted, making the whole main entrance noisy.

“Shut up!”

A soldier captain shouted with a serious face: “What’s the noise? All line up, come one by one, don’t listen to the command, don’t blame the soldier, I’m rude.” The

voice was loud, revealing Deterrence, all of a sudden, the noisy crowd suddenly quieted down a lot.

At this time, when they got to the front, the three Yue Feng got out of the car!

“Why are there so many people?” Dugu Jing couldn’t help but muttered, looking very upset.

In Dugujing’s heart, he is a high-ranking family master, standing with these filthy commoners, it is very loss of identity.

Sun Ting also frowned.

However, Sun Ting did not despise the people around her, but wanted to enter the city quickly, so she was a little anxious.

So many people, how long do they have to line up?

This chapter is provided by . Visit for daily update.

Yue Feng had a solemn expression on his face.

With so many people escaping, it is conceivable how tense the situation in the Earth Circle Continent has become.

Thinking to myself, Yue Feng was about to walk over and prepare to enter the city.

The situation in the Earth Circle Continent cannot be delayed, and the Xi Cang army must be summoned quickly.

“Fengtao!”

However, at this moment, Sun Ting said softly to Yue Feng, “I’ll go over and ask first, and see if these soldiers can be accommodating. If possible, I’ll bring you in together. You don’t have to queue anymore.”

In Sun Ting’s heart, she thought that Yue Feng was also a fleeing commoner, so she decided to help him. After all, she represented her family and came to Xicang Continent to do business. Soldiers at this level would definitely give The right to enter the city first.

“Cousin, I’m with you.” Dugu Jing called out and quickly followed.

Yue Feng smiled, this Dugu Jing, as the eldest lady of the family, has no air at all, and is quite kind.

Thinking to myself, Yue Feng also followed.

“Master!”

Sun Ting smiled lightly and said to the soldier captain, “I’m from Zhongyuan Continent. I’m going to do business in Xicang Continent, can you be accommodating?”

Shah!

At this moment, whether it was the soldiers or the people around them, all eyes were on Sun Ting.

beautiful!

So beautiful.

This must be the lady of some big family.

The captain of the soldier also looked straight, but after a few seconds, he reacted and shook his head: “Miss, I’m sorry, no matter what your status, you have to queue up.”

Although the young lady in front of him is very charming, the military command is like a mountain, and he is a small captain, how dare he be accommodating in private.

“Ah?” As soon as he finished speaking ,

Dugujing next to him suddenly called out: “What does it mean to have to line up? Do you know what our identity is? How could you compare us to these ordinary people?”

With a few pieces of silver ingots, with a proud look on his face: “This money has invited you to drink, now let us pass.”

In Dugu Jing’s heart, he thought that money could solve anything.

Swish!

At this moment, the soldier captain’s face suddenly changed, and he said coldly to Dugujing: “What do you mean? Are you bribing me?”

Seriously, the soldier captain didn’t want to be too busy, but seeing When Dugujing did this, he felt humiliated and immediately became angry.

Snapped!

The next second, before Dugujing could react, the soldier captain slapped him in the face without warning.

For a moment, the audience was silent.

Chapter 2182

Sun Ting couldn’t help but let out a low cry and was stunned there.

However, Sun Ting was not angry either, because her cousin’s behavior just now was indeed a bit excessive.

Haha...

Yue Feng showed a smile, and his mood was dark.

This Dugujing has no one in his eyes, and now that he is beaten, he is self-inflicted.

At the same time, Yue Feng looked at the soldier captain with glittering approval.

Unexpectedly, in this small Canglong Pass, there is such an upright soldier captain, not bad!

“You...”

Dugujing covered his face, shocked and angry, and pointed at the soldier captain: "You dare to hit me? Let me tell you, I am the young master of the Dugu family in Zhongyuan Continent, you are a small soldier captain, You're just a gatekeeper, and he actually attacked me?"

At this time, Dugujing was almost furious, his dignified young master, who would be polite when he saw him, but the captain of the soldier in front of him actually beat himself, it was like Shameful.

Whoa!

The voice fell, and the audience was in an uproar. "The young master of the Dugu family? Is that the famous genius, the family that Dugu

Jiu belongs to?

"If it's broken, if you beat such a big man yourself, I'm afraid it will cause trouble. "What happened?" At this moment, a voice came from the city gate, and then, a group of people slowly walked out, headed by a handsome young man, dressed in white, with a face like a crown jade, unable to speak suave.

It is the son of the Canglongguan garrison officer, Xie Zhendong!

"See your son!"

Seeing Xie Zhendong, the surrounding soldiers hurriedly saluted, trembling one by one. Canglongguan guarded Xie Nanbo, guarded Canglongguan for decades, and was highly respected. As his son, Xie Zhendong also had a lot of influence in Canglongguan.

"Young Master!"

At this moment, the captain of the soldiers walked over quickly, and said cautiously to Xie Zhendong: "Young man made the wrong call just now, please punish him!" Then he pointed at Dugujing and explained the situation just now. once again.

After speaking, the captain of the soldiers stood there, trembling all over, panicking in his heart.

call!

At this time, there was silence inside and outside the city gate.

Everyone thought that Xie Zhendong would definitely punish the soldier captain.

Yue Feng stood there, quietly looking at Xie Zhendong, frowning secretly.

Yue Feng thought about it, if Xie Zhendong punished the soldier captain and did not treat Dugu Jing and the people around him the same, he must question Canglongguan guard well and ask him how he educated his son.

“Haha!”

Finally, Xie Zhendong smiled lightly and said lightly: “But a self-righteous young master of the family, he just beats him, what’s the big deal.”

Phew!

Hearing this, the soldier captain sighed in relief, and a big stone hanging in his heart finally fell to the ground.

Yue Feng also showed a smile and nodded in approval.

This guarding son, sure enough, did not let himself down.

call!

At the same time, everyone around them also whispered and praised Xie Zhendong.

“You...” Dugu Jing was full of shame and anger, staring at Xie Zhendong, unable to speak.

This kid is just the son of the guard of Canglongguan, but he doesn’t take himself seriously, it’s really hateful.

Swish!

At this moment, Xie Zhendong’s eyes lit up and walked over with a smile.

At that moment, the eyes of everyone present followed him. When he stopped, the audience was silent again!

See, Xie Zhendong walked straight to Sun Ting!

Chapter 2183

Sun Ting is dressed in a white cheongsam, and her sexy and tight figure is enough to conquer countless men.

At this moment, Sun Ting’s body trembled, and she felt inexplicable in her heart.

“My subordinate said just now that the beauty is from the Sun family in Zhongyuan Continent, and she is still the eldest lady, right?” Xie Zhendong said with a smile, looking at Sun Ting with unbridled eyes.

Um!

Xie Zhendong’s gaze made Sun Ting feel uncomfortable, but she nodded and responded.

“

Tsk tsk...” Xie Zhendong looked at Sun Ting without blinking, admiring in intoxication: “I didn’t expect that there are such outstanding beauties in Zhongyuan Continent, Miss Sun, this young master really falls in love with you at first sight. Ah, I heard that you are here to do business. It just so happens that this young master has many friends in the business world of Xicang Continent, so beautiful lady Sun might as well come back to the house with me and have a few drinks, you and I will talk about it in detail? How about it?”

” The son of the guard at Canglong Pass, Xie Zhendong has been wild and unruly since he was a child. When he became an adult, he bullied men and women, and did all kinds of evil. He was a well-known villain in Canglong Pass. Today, when he met a beauty like Sun Ting, how could Xie Zhendong let it go?

Swish!

This time, Sun Ting’s face turned red with embarrassment. She thought this Xie Zhendong was a decent man, but she didn’t expect it to be a womanizer.

At the same time, everyone around was stunned, as if they never expected that things would turn around like this.

Yue Feng furrowed his brows tightly, and there was a bit of coldness in his eyes.

Nima.

No wonder Xie Zhendong didn’t care so much about Dugujing being beaten. It turned out that his attention was all on Sun Ting.

“Miss Sun, this young master is very sincere, don’t be shy.” At this moment, Xie Zhendong approached Sun Ting and said with a smile, and at the same time he was about to grab Sun Ting’s wrist.

Sun Ting hid for a while, and said in a very displeased way, “You... please show some respect.”

When she said this, Sun Ting was calm on the surface, but she was extremely nervous! It was the first time she was far away from home. She had never encountered such a thing. This Xie Zhendong was dishonest and in front of so many people! It's so nasty!

"Tsk tsk, it's so sexy. The way you look angry is really touching." Sun Ting's scolding did not make Xie Zhendong restrained, but stimulated his interest.

After saying this, he grabbed Sun Ting again!

This time, Xie Zhendong stimulated his internal strength, and the speed was very fast. Although Sun Ting was also a cultivator, her realm was lower than that of Xie Zhendong.

Immediately afterwards, Xie Zhendong approached a little, sniffed gently in front of her, and his face was intoxicated: "It's so fragrant."

This time, apart from the surrounding soldiers, many people changed their faces.

This Xie Zhendong, as the son of the guard of Canglongguan, is also a person with a head and a face, and he actually acts on Sun Ting in front of the public!

"You... stop me! Let him go!" Dugu Jing finally couldn't help it, and said coldly.

The voice fell, and Dugu Jing was about to rush over.

However, before rushing to the front, he was stopped by the surrounding soldiers, and then he was tied up by Wu Hua.

Although he is the son of the Dugu family, Dugu Jing was idle and never worked hard to cultivate. As a result, he is still in the Martial Saint Realm. Most of the soldiers in Canglong Pass are in the Marquis Realm, and they are not opponents at all!

At this time, Sun Ting was shy and angry, struggling and shouting: "What are you doing? Let me go!"

Dugu Jing was tied tightly, his face was ashen, his whole body trembled with anger, and he shouted at Xie Zhendong: "Let her go, I warn you, I am the young master of the Dugu family, she is my cousin, If she is in the slightest mistake today, I can't spare you." The

Dugu family?

Hearing this, Xie Zhendong looked indifferent, smiled coldly, and looked directly at Dugu Jing: "Boy, don't use your family to scare me, this is Xicang Continent, not Zhongyuan Continent, and it's mine. If you don't, don't blame me for being rude!" After saying this, Xie

Zhendong instructed the soldier next to him, "Watch him closely, if you shout again, you will cut his tongue."

Zhendong was used to being arrogant since he was a child, and in his heart, the Dugu family was far away in the Zhongyuan Continent, and he was not afraid at all.

"Yes, son!"

Several soldiers responded, pulled out their long knives, and tightly surrounded Dugujing.

Swish!

Feeling the chill from the long knife, Dugujing's heart trembled, and he immediately hesitated, and quickly closed his mouth.

My cousin's innocence is important, but it's not as important as my own life.

Seeing this scene, Sun Ting was instantly desperate.

Cousin is already afraid, who else can save him!

Seeing this, Xie Zhendong laughed proudly and became more courageous, grabbing Sun Ting's hand and pulling it sharply.

Sun Ting exclaimed and crashed directly into Xie Zhendong's arms. Before he could struggle, he was hugged tightly by Xie Zhendong.

Chapter 2184

"Miss Sun, don't be afraid, wait for a few drinks with me, I will not only support your business, but also love you... Haha!" Xie Zhendong laughed and stopped Sun Ting by the waist. Picked it up and walked into the city.

At this moment, many people around looked at it, and they all dared to be angry and dare not speak.

Knowing that she could not escape the clutches, Sun Ting gave up her struggle and closed her eyes in despair.

Total despair!

At this time, Sun Ting felt unspeakable regret. If she had known this, she should have listened to her family's words and stopped doing business alone.

"Stop!"

However, at this moment, a cold voice sounded, and then, a cold figure walked out from the crowd.

It is Yue Feng!

Yes, Yue Feng couldn't help it, and he was very ordered at this time.

I thought that Dugu Jing would be very annoying, but I didn't expect that this Xie Zhendong was even worse. Being so daring and arrogant, robbing women in public is simply a scum among scum.

What made Yue Feng even more annoyed was that, as the emperor of Xi Cang, it was a shame that his ministers had such wicked people.

Swish!

In an instant, the eyes of everyone present were focused on Yue Feng.

Especially Sun Ting, whose delicate body was trembling, looked at Yue Feng's eyes, full of consternation.

This... this wind wave, do you want to come forward to save yourself?

Thinking to herself, Sun Ting bit her lip, indescribably moved, and at the same time she was a little worried. In her heart, Feng Tao was just a commoner who had fled from the Di Yuan Continent. How could he be Xie Zhendong's opponent?

An ordinary person, and the son of a high-ranking official in Xi Cang Continent, are not at the same level at all.

"Where's the stinky boy from!"

At this time, Xie Zhendong finally reacted, looking at Yue Feng coldly, full of disdain: "Are you talking to this son just now?" Yue

Feng responded coldly: "Not bad."

At that time, Yue Feng was very angry, and said coldly to Xie Zhendong: "You are the guard of Canglongguan, Xie Nanbo's son, right? Xie Nanbo is an important official of the court, how can there be a son like you who does not live up to expectations, in broad daylight, If you forcefully rob a woman, are you not afraid that the news will spread to the imperial city and bring disaster to your Xie family?" The

remarks were enthusiastic and loud.

And when he said this, Yue Feng's expression was icy cold, as if he was asking for guilt. As the emperor of Xi Cang, seeing the family members of the ministers below, so arrogant and domineering, bullying others, can you not be angry?

call!

In an instant, when they heard Yue Feng's words, especially when they saw his eyes, everyone present was terrified.

This... what's going on? This person is obviously dressed as a commoner, but his aura, how...how is he so strong?

Even Xie Zhendong was stunned, staring at Yue Feng, speechless for a while.

Who is this person? Dare to teach yourself a lesson in front of so many people?

Although Xie Zhendong is the son of the guard of Canglongguan, he has rarely left Canglongguan, let alone the imperial city. Therefore, he has no idea that the person in front of him is Emperor Xi Cang, Yue Feng!

"I don't know about life and death!"

After a few seconds, Xie Zhendong reacted, staring at Yue Feng and shouting angrily: "Since you know who I am, and you dare to talk like this, I think you are tired of living!"

Immediately, Xie Zhendong shouted at the surrounding soldiers: "Why are you still standing there? Come on, break this kid's hands and feet, and throw him into the mountains to feed

the wolves!" When he said this, Xie Zhendong was extremely arrogant, looking at Yue Feng's eyes showed a lofty attitude.

In Xie Zhendong's heart, he also believed that Yue Feng was just an ordinary person who couldn't stand his actions, so he wanted to be a hero to save the beauty. Don't even pay attention to it.

Whoops!

In an instant, upon hearing Xie Zhendong's words, dozens of soldiers rushed over and surrounded Yue Feng.

Seeing this scene, many people around hurriedly avoided it, fearing that the fish pond would be affected.

"I'm afraid this kid is about to finish..."

“Yes, although his courage is admirable and admirable, but the other party is the young master guarded by Canglongguan, how can he possibly beat others?”

” I’m afraid I will suffer a big loss.”

In the hearts of everyone, they all thought that Yue Feng’s step forward was a very reckless behavior.

Chapter 2185

“Fengtao!”

At the same time, Sun Ting was also in a hurry, her delicate body was trembling constantly, her delicate face was full of worry and anxiety, and she shouted at Yue Feng: “Go away, it’s none of your business here. Son, hurry up...”

In Sun Ting’s heart, she and Fengtao just met by chance, and she felt anxious when she saw him stand up for her.

However.

Yue Feng didn’t seem to hear it, he stood there quietly, looking at the dozens of soldiers who surrounded him, his expression did not change in the slightest, as steady as Mount Tai.

“Boy!”

At this time, the leader of the soldiers looked at Yue Feng up and down, and said coldly, “You’re not too timid, if you dare to challenge Master Xie, if you know the way, you should just keep your hands off the ground, so as not to suffer too much suffering, otherwise. ...”

Before he could finish speaking, Yue Feng interrupted.

“You are the captain guarding the city gate, right?” Yue Feng said coldly, word by word: “I admired you a lot just now, but I didn’t expect that you would actually help Zhou to be a tyrant, be Xie Zhendong’s son-in-law, and oppress innocent people. It’s really a misfortune for the common people to have you guys guarding Canglong Pass.”

Yue Feng said these words very seriously.

Yes, the captain of the soldier just started fighting Dugujing, not only won the praise of the people around him, but also won the approval of Yue Feng, but in a blink of an eye, this man helped Xie Zhendong and robbed the woman in broad daylight. Yue Feng had a good impression of him. Suddenly disappeared without a trace.

Um?

Hearing this, the soldier captain was stunned for a moment, then chuckled and said contemptuously, "What kind of boy are you? What kind of thing are you? The soldier needs you to appreciate it?"

"With a wave of his hand, he rushed up with the surrounding soldiers.

Nima!

Yue Feng was completely angry, too lazy to talk nonsense, motivated by internal force, and directly greeted him.

"Fengtao, don't..."

Seeing this scene, Sun Ting was so anxious that she wanted to persuade Yue Feng to leave, but Xie Zhendong covered her mouth without saying a word.

"Miss Sun." Xie Zhendong said with a smile: "A boy who doesn't know how to live or die, why are you so nervous, he won't be your sidekick, if so, I will teach him a lesson for you and let him know in the future, I will know who should be offended and who should not be offended."

As he spoke, Xie Zhendong did not forget to admire Sun Ting's figure.

Sun Ting blushed and wanted to break free, but was restrained by Xie Zhendong and couldn't move at all.

At this time, Yue Feng had already fought with dozens of soldiers.

Bang bang bang...

Yue Feng's realm at this time, facing the masters of the tribulation realm, do not panic, let alone these soldiers, in a few moments, dozens of soldiers were easily knocked to the ground.

Of course, Yue Feng didn't break out with all his strength, and he showed mercy, otherwise these soldiers would have seen the King of Hell one by one.

Boom!

At this time, Yue Feng raised his foot and kicked the soldier captain to the ground. Hearing that the soldier captain groaned, curled up on the ground, unable to get up again.

At this moment, there is no one standing around Yue Feng.

The next second, Yue Feng stood proudly, stared at Xie Zhendong closely, and said word by word, "Let him go immediately, maybe I can forgive you."

Listening to Yue Feng's words, Xie Zhendong did not respond immediately, but Looking at the scene in front of him, he was shocked.

what's going on?

The boy in front of him is at most this Miss Sun's sidekick. How could he be so powerful that dozens of soldiers were all defeated in the blink of an eye? You know, these soldiers are the elites of Canglongguan.

Whoa!

At the same time, everyone around was dumbfounded!

These Canglongguan soldiers are responsible for guarding the border, so don't think about their strength, they must be very strong.

But this kid in front of him knocked them to the ground in such a short time, and they couldn't get up one by one. It was incredible.

This...

Sun Ting stared blankly at this scene, her mind blank.

How can this wind wave be so powerful? Isn't he an ordinary people who fled from the Earth's Continent? Does it have such power?

Dugu Jing, who was not far away, was also stunned, but in the eyes of Yue Feng, in addition to being shocked, there was also some disdain.

This kid turned out to be a cultivator too. No wonder he dared to take risks, but no matter how strong he is, he is only one person. To dare to provoke Xie Zhendong in public is completely courting death.

The ultimate husband in Chinese chapter 2186-2190

Chapter 2186

"Boy!"

Finally, Xie Zhendong reacted and looked at Yue Feng with a grinning face and said, "You're good at it, even if you beat these men, in my eyes, you are just an ant. A puddle of mud."

Speaking of this, Xie Zhendong's eyes suddenly became cold, and he continued: "But this son appreciates your courage, don't you want to be a hero? This son will fulfill you."

After he finished speaking, Xie Zhendong handed Sun Ting over to him. Take care of the soldiers around you, and then walk over step by step.

hum!

At the same time, Xie Zhendong stimulated his inner strength, and a strong breath spread out, and the surrounding people felt a strong pressure coming, their expressions changed, and they all retreated.

call!

At this moment, sensing Xie Zhendong's strength, Yue Feng breathed a sigh of relief, and there was a slight smile on the corner of his mouth.

A period of Martial Emperor realm, no wonder this kid is so arrogant and domineering.

"Boy, if you dare to challenge this son, go to hell." Xie Zhendong roared and punched directly. With this punch, Xie Zhendong broke out with all his strength. He just wanted to punch Yue Feng to death, and he saw the surrounding air. Twisted in general, the momentum is amazing.

However, Yue Feng did not panic at all, standing there as steady as a rock, with no intention of dodging.

boom!

Finally, Xie Zhendong's punch hit Yue Feng firmly! Only a muffled sound was heard.

"No..."

Seeing this scene, Sun Ting's heart trembled and she couldn't help exclaiming, as if she had seen the scene of Yue Feng's fall.

This chapter is provided by . Visit for daily update.

"Ow..."

But what she didn't expect in her dreams was that Yue Feng stood there motionless when the punch fell! However, Xie Zhendong howled, his face turned pale, and he took a few steps back. At the same time, a mouthful of blood spurted out.

What? !

In an instant, the audience was silent!

What's going on? Xie Zhendong's punch was so powerful that not only did he not hurt the wind wave, but he vomited blood instead? Even Sun Ting was full of disbelief.

She stared at Yue Feng blankly, her red lips parted slightly, and she couldn't say a word of shock!

This... this Fengtao, who is it? Even Xie Zhendong is not his opponent...

At the same time, the surrounding people reacted and pointed at Yue Feng, almost blowing the pot.

"This person is so powerful?"

"Is he an expert hermit who wears so ordinary clothes?" "

It's really unexpected, it's just...he hurt this Young Master Xie, I'm afraid the trouble will be even greater..."

When the discussion came, Xie Zhendong's face turned blue.

At this time, Xie Zhendong was shocked and angry. He felt that the punch he had just punched was like hitting an iron wall, and his entire arm was numb! What shocked him even more was that all five of his phalanges were fractured by the shock!

And after the shock, there is endless shame and anger.

As the son of the guard of Canglongguan, he has always bullied others by himself. When has he suffered such a loss?

"Someone!" In the

next second, Xie Zhendong reacted with a distorted expression, indescribably hideous, and shouted at the people behind him: "Call me all the soldiers, I want to kill him, put him Thousands of knives, thousands of corpses..."

At the same time, Xie Zhendong pointed at Xie Ting and Dugujing: "Put them down and keep them under strict supervision!"

In Xie Zhendong's eyes, he believed that Yue Feng was Sun Ting's follower, and at this time it was on him suffering a loss, under the anger, naturally, Sun Ting and Dugujing will not be easily let go.

"Yes, son!" The soldier guarding quickly responded, and immediately escorted Dugujing and Sun Ting down.

Woohoo..

At the same time, several soldiers blew their horns, which was a signal for the gathering of soldiers at Canglongguan.

“Thank you... Xie Gongzi.”

At this moment, Dugu Jing's face was pale, his legs were weak with fright, and he shouted at Xie Zhendong: “My cousin and I don't know this person, what he did, and what we did. It's okay, please, let me and my cousin go.”

Chapter 2187

When he said this, Dugu Jing's face was bitter and he almost cried, and at the same time he didn't forget to give Yue Feng a fierce look.

Originally, this Xie Zhendong was just teasing his cousin, and taking advantage of it was over, but this Fengtao, who insisted on meddling, now hurt Xie Zhendong, making things more and more stiff, really a sweeping star.

“Dugu Jing!”

As soon as the voice fell, Sun Ting's body trembled, and she couldn't help but yelled at Dugu Jing: “You shut up...”

This Fengtao angered Xie Zhendong for his own sake, but his cousin actually For the sake of his own safety, he separated himself from Feng Tao, and it was a shame to be so greedy for life and fear of death.

Hearing Sun Ting's coquettish drink, Dugu Jing kept his mouth shut even though he was dissatisfied. Then, the two were taken away from everyone's sight.

call!

Seeing this scene, Yue Feng took a deep breath, his face gloomy and scary.

To be honest, Yue Feng really wanted to forcibly rescue Sun Ting and both, but considering that doing so would accidentally hurt Sun Ting, he gave up.

At this moment, Yue Feng looked at Xie Zhendong closely, and said coldly: “Xie Zhendong, I have given you a chance. If you don't grasp it well, then you can't blame me.”

He thought he had shown his strength, but this Xie Zhendong He would be soft, but he never thought that this kid would become more arrogant because of his own place, and even mobilized all the soldiers in Canglongguan.

Such use of power for personal gain is unforgivable.

“Boy!”

Hearing this, Xie Zhendong laughed angrily and gritted his teeth: “I should have said this right. If you dare to care about my son’s business, this son will make you pay a heavy price.

” wow wow..

Just as he was talking, he heard footsteps coming from the avenues in the city, and saw thousands of soldiers rushing forward, headed by an old man in his fifties, dressed in black armor, majestic.

It was Xie Zhendong’s father, Canglongguan Guard Officer, Xie Nanbo!

call!

Seeing this scene, everyone present couldn’t help but sweat for Yue Feng.

You know, this is Xie Nanbo, the official residence of the third rank, who has guarded Canglongguan for decades, and is famous all over the world. Moreover, it is said that Xie Nanbo is very protective of the calf. This person named Fengtao hurt Xie Zhendong just now, how can Xie Nanbo easily forgive him? he?

At this time, many people hope that Yue Feng will leave quickly.

However, Yue Feng stood silently on the spot, motionless, with an indescribably calm expression on his face.

Finally, Xie Nanbo came to the front with many soldiers.

“

Dong’er.” Xie Nanbo looked at Xie Zhendong and asked, “Why did you call the soldiers all of a sudden, what happened?”

As soon as he finished speaking, Xie Zhendong shouted excitedly: “Father, the boy was beaten, The other party is very arrogant, saying that he should teach the child a good lesson, Dad, being so arrogant in our place is just hitting you in the face.”

What?

Xie Nanbo found out just now that his son’s face was pale and he was shocked. Hearing this, he immediately became furious.

Who is so bold to bully his own son?

Thinking to himself, Xie Nanbo opened his mouth and comforted: "Okay, Daddy knows, don't worry, Donger, Daddy will vent your anger, the one who doesn't have long eyes dares to touch you, Daddy will help you abolish him!"

Phew!

Hearing this, Xie Zhendong nodded with a proud face, pointed at Yue Feng and shouted: "Dad, this is this kid."

At this time, Xie Zhendong looked at Yue Feng with contempt.

A boy without long eyes, dare to provoke me? I'll report to Lord Yama later.

Swish!

Following the direction of his son's finger, Xie Nanbo suddenly turned around and looked over, his eyes were fierce and murderous, but the moment he saw Yue Feng, his expression instantly froze!

Your Majesty... Your Majesty?

Aren't you blindfolded?

Thinking to himself, Xie Nanbo quickly rubbed his eyes and looked again, completely dumbfounded.

Chapter 2188

Your Majesty, is it really His Majesty?

At this time, Xie Nanbo felt that his heart was about to jump out, and he was dripping with cold sweat.

"Father!"

Seeing Xie Nanbo stunned, Xie Zhendong became anxious and shouted, "It's him, quickly order him to be taken down."

However, Xie Nanbo did not move like a stone sculpture.

At this time, Xie Nanbo's head was buzzing, and he was completely stupid.

I thought that the one who provoked my son was just an unknown pawn, but I never imagined that it was Your Majesty. Xie Nanbo had been to the imperial city and reported the border situation to Yue Feng, how could he not know him?

“This...”

Finally, after being stunned for dozens of seconds, Xie Nanbo reacted, his voice trembling, it was hard to imagine that a man who was at the frontier of the big shock was like a child at this time.

Ha ha!

Seeing Xie Nanbo's expression, Yue Feng chuckled and said lightly, “Xie Nanbo, you are doing a good job guarding the border. With so many soldiers, are you trying to arrest me?”

“Pfft!”

Hearing this, Xie Nanbo's heart trembled, and he was so panicked that he knelt on the ground at once!

“No...no...don't dare!” Xie Nanbo was terrified, his whole body softened, and he couldn't speak clearly.

The one in front of him is His Majesty, who is in charge of life and death in the entire Xicang Continent, but just now he shouted to vent his anger on his son, and said that he would abolish him.

At this time, Xie Nanbo was kneeling there and trembling, and the cold sweat kept flowing down.

Whoa!

Seeing this scene, both the soldiers and the people around them all opened their mouths!

Shock!

Totally shocked!

The dignified Canglongguan guard, facing this ordinary dressed Feng Tao, actually knelt on the ground, frightened like a mouse seeing a cat.

And this wind wave, but stood there, his face was calm! Can't see a trace of joy!

This... what exactly is the situation? !

“Huh?”

Finally, at this moment, Yue Feng showed a slight smile, helped Xie Nanbo up, and said lightly: “Lord Xie Nanbo, what are you doing? Why did you fall down accidentally?”

said At these times, Yue Feng’s expression was indifferent, but when he looked at Xie Nanbo, there was a bit of deep meaning in his eyes.

Yes, at that moment just now, Yue Feng was going to admit his identity, but looking at the people around him who had fled from the Diyuan Continent, Yue Feng’s mood was instantly complicated, so he dismissed the idea.

The Diyuan Continent was invaded by Yang Jian entirely because of himself. In other words, the people who were displaced by him were displaced. How could he have the face to admit that he was Yue Feng in front of them.

Xie Nanbo is sophisticated in the world. When he saw Yue Feng like this, he immediately understood that His Majesty did not want to reveal his identity.

“Yes, I didn’t stand firm...” The

next second, Xie Nanbo stood up tremblingly, and said with a long sigh of relief: “I’m sorry, I made you laugh...”

“Hu...”

Hearing this, Xie Zhendong and many soldiers around him breathed a sigh of relief.

It turned out that he didn’t stand firm.. I thought this kid had something big.

That’s right, this kid is dressed as a commoner, even if he is very powerful, he doesn’t look like a big man.

“Father!”

At this moment, Xie Zhendong couldn’t wait and shouted: “What are you talking to him about, it’s this kid who hurt me just now, and he’s going to be ruined!”

“Shut up!” Xie Nanbo roared angrily. , the eyes are blood red.

This idiot, the person in front of him is Your Majesty, and he keeps yelling.

Pit father!

Chapter 2189

Xie Nanbo fell down in cold sweat, and then asked the soldier beside him, "What happened? To be honest, don't hide it."

The soldier trembled and carefully explained the situation.

As soon as he finished speaking, Xie Zhendong answered, "Father, I just asked that Miss Sun to be a guest at the mansion. There is nothing else to do. This kid just came up and made trouble, made unkind words to me, and..."

"Crack!"

Before he finished speaking, Xie Nanbo slapped Xie Zhendong in the face without warning!

This slap, almost exhausted all his strength, and the blood fell down.

Xie Zhendong covered his face, puzzled: "Father! Why are you hitting me?"

Not only Xie Zhendong, but everyone present was stunned.

This, what's the matter?

Didn't Xie Nanbo admit the wrong person and not familiar with this Feng Tao? How could he help him teach his son a lesson?

"You bastard, you want to kill your father?!" The more Xie Nanbo thought about it, the more angry he became, and he was a big mouth at Xie Zhendong.

"Father, why is this!"

Xie Zhendong was completely blinded, and he was about to cry without tears, and shouted as he rolled all over the floor.

The people around were completely dumbfounded. Several soldiers wanted to come up to persuade him, but they all held back when they saw Xie Nanbo's scary expression.

"How did I teach you before? Dad, as the guard of Canglongguan, is responsible for keeping one side safe. You are my son, and you have to lead by example, but you are a bastard. You cause trouble for me every day.

" Stop yelling.

In the blink of an eye, Xie Zhendong's entire face was swollen like a pig's head.

At this moment, Xie Nanbo felt distressed, but he still squeezed a smile on his face, walked in front of Yue Feng, and said politely: "Your Excellency... just saw the injustice

on the road just now, it is admirable, the dog lacks control, so he did such a big treason. This matter, Your Excellency stopped it in time, I am really grateful to Xie Nanbo!”

When he said this, Xie Nanbo’s tone was trembling, he couldn’t say it was respectful and careful, and at the same time he was panicked.

Son often bullies others, of course Xie Nanbo knows it, but he didn’t expect that His Majesty would see his son forcibly rob a woman. If there is no point in this, I am afraid that the head will not be protected.

What? !

Hearing Xie Nanbo’s words, everyone present was dumbfounded!

This, what’s the situation? !

The dignified Canglongguan guard not only helped Fengtao and taught his son, but also treated him so politely? Is this still the Xie Nanbo who protects the calf?

For a time, many people’s heads were about to explode, but they still couldn’t understand it. They didn’t know that this Feng Tao was Yue Feng, the emperor of Xi Cang. When Xie Nanbo saw him, would he dare to be disrespectful?

Yue Feng stood there, his expression indifferent, without the slightest fluctuation.

“Your Excellency, I...” Seeing that Yue Feng did not speak, Xie Nanbo was about to be frightened, and kept saying, “Your Excellency, you have a lot of righteousness, adults have a lot, don’t bother with my dog...”

Yue The wind still did not speak!

It’s over...

Xie Nanbo’s heart skipped a beat, His Majesty never spoke, he must still be angry!

“You bastard!” In the

next second, Xie Nanbo roared angrily and attacked Xie Zhendong again, beating and scolding: “You have lost all the reputation of the Xie family, I beat you to death...”

All the soldiers present looked at each other in dismay, and no one dared to stop them.

After playing for a while, Xie Zhendong was about to be beaten to death, and Xie Nanbo stopped.

Xie Zhendong's nose was blue and his face was swollen, and his tears kept flowing. He was very aggrieved: "Dad, why did you hit me... This kid is just an ordinary person. Even if you appreciate his courage to help others, you don't need to hit me..."

This At that time, Xie Zhendong felt very aggrieved.

Father has always been very protective of himself, what happened today? It's like a person has changed.

Ordinary people?

Hearing this, Xie Nanbo's beard trembled with anger, and he kicked again: "Shut up, you bastard, why did you hit you? You did something wrong yourself, and you asked me why I hit you?"

Chapter 2190

Speaking of this, Xie Nanbo was still not relieved, stared at Xie Zhendong and said: "You remember it to me, if you do this kind of hurtful thing in the future, you are not my son, I broke your leg and chased Going out, remember?"

Seriously, Xie Nanbo has always been condone to this son.

But at this time, His Majesty was watching, even if Xie Nanbo had ten courage, he would not dare to continue to protect his shortcomings.

"Remember..."

Xie Zhendong bowed his head and responded, feeling uncomfortable. He thought that his father could help him vent his anger, but he didn't expect that he beat himself up instead! It's so frustrating!

It's just that Xie Zhendong couldn't understand why his father had always protected him, how could it suddenly change today.

Is it because of this kid?

Thinking to himself, Xie Zhendong glanced at Yue Feng, wanting to see some clues, but looking around, he couldn't see anything special about this person!

The next second, when Xie Zhendong saw the people around him, he suddenly thought of something.

Yes, there are so many people around who have fled from the Diyuan Continent. For the sake of fame, my father naturally has to teach himself a lesson and act like he is, but... this is too ruthless.

At this time, Xie Zhendong believed that his father beat him because he wanted to be a good official in front of the foreign people, and it had nothing to do with Yue Feng.

“Lord Xie Nanbo.”

At this time, Yue Feng said lightly to Xie Nanbo: “Don’t be too busy teaching your son, those two friends of mine have been locked up by your son, it’s time to let them go.” The

voice was not loud, but full of majesty , beyond doubt.

“Yes... yes!” Xie Nanbo wiped the cold sweat from his forehead and nodded again and again.

Immediately, Xie Nanbo glared at Xie Zhendong and shouted angrily: “Where is the prison?”

Xie Zhendong was very unconvinced, but in front of his father, he didn’t dare to be presumptuous and whispered: “In the mansion, in the wing in the back garden.”

When he said this, Xie Zhendong felt ten thousand reluctance in his heart. Miss Sun is a rare beauty. She thought she could kiss Xiangze today.

Mad, it’s this kid who is making trouble.

Thinking to himself, Xie Zhendong glanced at Yue Feng resentfully. If it wasn’t for him to make trouble, he had taken Sun Ting away long ago, and his father would not have heard the news and rushed over.

“Your Excellency!”

Xie Nanbo squeezed out a smile, and said to Yue Feng sincerely: “I will let your two friends go, please come with me.” When the

voice fell, Xie Nanbo quickly walked ahead to lead the way . .

Yue Feng nodded and followed slowly.

“Young Master, are you okay?!”

Until this time, the surrounding soldiers dared to go over and surrounded Xie Zhendong.

Codes!

Xie Zhendong couldn’t tell the grievance and annoyance. With the help of everyone, he followed far behind, looking at Yue Feng’s back, full of ruthlessness.

Boy, wait for me. My father beat me just now, just pretending to be in front of the people. After a while, I came to my house, and this young master ripped off your skin.

Soon, in front of a large and exquisite courtyard, Yue Feng saw two vigorous characters written on the plaque at the gate: Xie Fu.

“It’s here!” Xie Nanbo looked complimented and was about to take Yue Feng to the back garden.

“father!”

Seeing this scene, Xie Zhendong, who followed closely behind, couldn’t help but shouted, “Are you really going to let him go?”

Now that he was at home, there were no people around to watch, so there was no need for my father to put on a pretence.

“Shut up!” Xie Nanbo shouted in anger.

Seeing that his father was angry, it didn’t seem like he was pretending, Xie Zhendong trembled and quickly closed his mouth, but he was still unconvinced.

At this moment.

In a wing room in the back garden, Sun Ting and Dugujing were tied to chairs, their faces were extremely frightened and frightened.

Especially Sun Ting, with her delicate face, in addition to being uneasy, she was also a little worried.

That Fengtao completely angered Xie Zhendong, and I don’t know what happened, whether Xie Zhendong would kill him...

“Cousin.”
