

## The ultimate husband in Chinese chapter 2231-2240

### Chapter 2231

Before Gonggong didn't come, Yue Feng carefully studied the map of Zhongzhou City and had a new plan in his heart. Temporarily abandon the urban area of Zhongzhou City and retreat to the Valley of the Villains on the outskirts of the north.

After all, the strength of the two sides is very different, and if they continue to consume like this, Yue Feng will become more and more passive.

The Valley of the Wicked Men mentioned by Yue Feng is the place where the ten heavenly kings in Tianmen are entrenched. At that time, Yue Feng had just founded Tianmen and learned that there was a group of people in the suburbs of Zhongzhou City, occupying the mountains as their kings and causing harm to the people nearby. The leader is called the Evil Boss. , and the other nine brothers, known as the top ten villains, Yue Feng ordered Tianmen to secretly exterminate him, subdued the ten villains, and changed his name to the top ten heavenly kings.

More than ten years have passed since this incident, but Yue Feng still remembers it clearly. Back then, the valley of the villains, where the Ten Heavenly Kings were entrenched, was difficult to defend and difficult to attack. Attack other cities smoothly.

After thinking about this plan, Yue Feng was thinking about how to implement it, so as to avoid the eyes and ears of the Beiyong army. After all, so many people were evacuating the city, the goal was too big and it was easy to be discovered.

It happened that Gonggong came to persuade him to surrender, which gave Yue Feng a chance.

Yue Feng thought about it, he and Gonggong went to the Beiyong camp to visit Ren Yingying and the masters of various schools. At that time, the attention of the Beiyong army would be on himself, and the Ouyang family and the Xicang army would have time here. , deployed defenses in the Valley of the Wicked.

At the end, Yue Feng looked at the night sky outside and said with emotion: "Senior Guigu told me back then that when marching and fighting, one must be flexible in thinking, and must not be imprisoned by inherent concepts, I now understand it. Some, we stick to the urban area, the advantages are exhausted a little bit, it is better to change the place."

When saying this, the figure of Guiguzi appeared in Yue Feng's mind, and he sighed secretly.

It would be great if Senior Guigu was around.

call!

After listening to Yue Feng's plan, everyone suddenly realized and smiled.

"Haha..."

At this moment, Sun Dasheng laughed loudly and punched Yue Feng's shoulder: "I knew, Fengzi, your righteousness is thin, how could you be greedy for life and fear death and surrender to Yang Jian?"

Yue Feng rubbed it. He shouldered and said with a smile, "Is there any need to say that? By the way, I thought the Gonggong would be suspicious, but the Great Sage questioned me angrily at the time, and the Gonggong had no doubts when he saw that scene, haha. ..."

"I..."

Sun Dasheng scratched his head, and said embarrassedly: "I was in a hurry at the time? According to this, I did the right thing by mistake?"

Haha...

As soon as these words came out, the hall Everyone laughed, and the originally depressing atmosphere was now a lot more relaxed.

"Fengzi!"

At this moment, Wen Chouchou looked worried and looked at Yue Feng and said, "Fengzi, is it really okay for you to go to Beiying Camp alone? Do you want me and the Great Sage to accompany you?"

At this time, Wen Chou Chou was very worried that something would happen to Yue Feng alone. After all, the Northern Ying army was tyrannical and even more sinister than Longtan Tiger Cave.

Yue Feng shook his head and said with a smile: "It's fine, I'm better by myself, but it's not enough if there are too many people. You don't have to worry about me, just follow the plan I said and deploy the fortifications in the Valley of the Wicked as soon as possible.

" !

Everyone responded, and then quickly walked out of the hall, and began to move quietly.

Watching everyone leave, Yue Feng did not hesitate, walked out of the hall quickly, and joined Gonggong outside the gate.

“Awaited!”

Outside the gate, Yue Feng apologized to Gonggong: “I have already made arrangements. When I make sure that everyone in the cell is safe, I will sign the surrender letter, and tomorrow morning, I will bring people to the camp and officially. Surrender to Your Majesty.”

“Okay!”

Gonggong showed a smile and praised: “Very good, Yue Feng, I know that you are a person who understands current affairs and did not let me down. Happy.”

At this time, Gonggong didn't know that he was deceived by Yue Feng, the Ouyang family and the Xi Cang army would not surrender to Yang Jian tomorrow morning, but secretly moved towards the Valley of the Evil.

Yue Feng smiled and said nothing.

Immediately, under the leadership of Gonggong, Yue Feng walked towards the Beiyong camp.

Chapter 2232

Soon, we arrived at the Beiyong camp.

Swish!

At the moment of entering the camp, many Apocalypse soldiers, as well as those patrolling around, all focused on Yue Feng, full of vigilance. However, with Gong Gong leading them, no one dared to come and question him.

Yue Feng was indifferent on the surface, but he was a little uneasy in his heart, especially when he saw the deployment of the entire military camp, he felt even more secretly.

Nima, worthy of the Northern Ying army, not only well-trained, but also the defense of the camp is so tight, it is simply impregnable.

Yue Feng saw that there were dozens of soldiers in the camp, patrolling non-stop, not to mention people, not even a fly could get out.

With emotion, Yue Feng followed Gonggong and walked towards the prison.

At this moment, in the barracks prison.

Ren Yingying and the masters of various sects were re-locked into the cell. At this time, the masters of various sects sat there one by one, looking down.

Next to it, more than a dozen Beiyong soldiers guarded tightly, making the atmosphere even more depressing.

Ren Yingying had a relaxed look on her face, and she could not see the slightest frustration. Just now, she saw Yue Feng commanding Xi Cang's army and successfully breaking Zhang Jiao's formation. Until now, she was still very excited.

As expected of the man he likes, he uses the army like a god and is omnipotent.

I don't know what Yue Feng is doing at this time, whether he is studying how to rescue himself and the masters of various sects.

Thinking to herself, Ren Yingying was sitting in the corner, in the dark, her charming eyes glittering with hope!

Squeak!

At this moment, the door of the cell was suddenly opened, and then, a slender figure walked in first, it was Gong Gong.

Behind Gong Gong, Yue Feng followed closely.

call!

Seeing Gonggong, everyone in the prison was shocked and a little nervous. You must know that Gonggong is Yang Jian's right-hand man with a arrogant temperament and never comes to prison. Suddenly appearing at this time must be someone something happened.

For a time, Ren Yingying and everyone instinctively became alert.

Could it be that Yang Jian ordered his people to be executed? Gong Gong specially came to supervise the execution?

Um?

Just when Ren Yingying and everyone were very uneasy, they suddenly saw Yue Feng, and everyone's heart was shocked, and they were all dumbfounded.

Especially Ren Yingying, whose delicate body trembled, looked at Yue Feng blankly, speechless.

At the same time, a heart also hangs up.

Yue Feng was arrested?

But seeing that Yue Feng was not tied hands and feet, let alone sealed, Ren Yingying was even more puzzled.

“Yue Feng!”

Finally, Ren Yingying reacted and looked at Yue Feng with surprise and joy: “You...why are you here?”

Shuh!

The voice fell, and the surrounding masters of various sects also stared at Yue Feng with deep doubts in their eyes.

what’s the situation? Why did Yue Feng and Gonggong come in together? Moreover, the two of them still seem to be at peace?

Yue Feng smiled slightly and said to Ren Yingying: “Don’t panic, I’m just here to see you. I’m relieved to see that you’re all right.”

When he said this, Yue Feng was very distressed, because he saw clearly By now, Ren Yingying had been imprisoned for the past few days, and it was obvious that she had lost a lot of weight, and it was obvious that she had suffered a lot.

have a look?

Hearing this, Ren Yingying’s heart warmed, but her doubts deepened, and she asked, “This is the end...”

Before she could finish her sentence, Gonggong interrupted her.

“Yue Feng!” Gong Gong’s face was indifferent, without the slightest fluctuation, and said to Yue Feng: “You have seen all these people, and they are all safe and sound. Are you relieved, it is time to go back and sign?”

Chapter 2233

This....

Yue Feng scratched his head, looked at Gonggong and smiled: “Your Excellency Gonggong, why are you so impatient, even if I sign it, it will be presented to Your Majesty tomorrow morning. Besides, I and I haven’t seen my woman for a long time, can you give me some more time and let us whisper a few words?” After speaking

, Yue Feng tilted his head and blinked at Ren Yingying, and smiled at the same time: “Yingying, I have been detained so much. God, did you miss me?”

Huh!

When Yue Feng asked this in front of so many people, Ren Yingying’s delicate face turned red all of a sudden, but she was icy and smart, got Yue Feng’s hint, and immediately understood, bit her lip, and deliberately made a shy look Appearance, whispered: “Think... every day!”

Although he didn’t know what Yue Feng was going to do, Ren Yingying trusted him very much and naturally cooperated with him.

Yue Feng nodded, then looked at Gonggong with a smile: “Your Excellency Gong, you are so human, you won’t let us as lovers just meet once, without even a chance to talk, so we just separate?”

This... Gong Gong frowned lightly, hesitated for

a moment, then nodded and said, “Okay, I’ll give you half an hour, you must leave when the time is up.”

Gong Gong turned his head to the soldier next to him and instructed : “Stay back a little and try not to disturb them.”

“Yes!” A dozen Beiying soldiers responded in unison.

Gonggong said no more, took a deep look at Yue Feng, and turned to leave the cell.

To be honest, at the moment just now, Gong Gong guessed whether Yue Feng was playing tricks, but after thinking about it carefully, the camp was heavily guarded, Yue Feng was only one person, and no matter how strong his strength was, he would not be able to save so many people away. .

“Several soldiers!”

As soon as his forefoot left, Yue Feng did not immediately go to Ren Yingying’s cell, but smiled at the soldier captain and said, “It’s very hard to take care of the prisoners, do you want to go outside and rest?”

When he said this, Yue Feng His face was full of smiles and his tone was sincere, but his eyes flashed slyly.

That’s right, Yue Feng didn’t really want these soldiers to go out, he was just deliberately looking for topics to attract their attention.

call!

Seeing this scene, Ren Yingying and the masters of various sects did not interrupt, but quietly watched.

Although I don't know what Yue Feng is going to do, there must be a reason for him.

“Yue Feng!” The

soldier captain frowned and refused decisively: “It doesn't matter if we rest or not, since Lord Gonggong has given you half an hour, you should accompany your woman and don't waste time.”

Tone . It was cold, and there was no room for negotiation.

Um!

Yue Feng nodded, then his eyes flashed, and he quickly shot, sealing the acupoints of the soldier captain, including the dumb acupoint.

All this happened too fast, and the two were so close together that the captain of the soldier couldn't react at all. He was shocked and couldn't move at all.

What?

Seeing this scene, the other soldiers were extremely frightened and rushed to surround Yue Feng.

Bang bang bang!

Looking at the dozen or so soldiers, Yue Feng chuckled and shot like lightning, knocking them all down to the ground. Speaking of which, these soldiers are all in the Marquis realm, the most powerful soldier captains, but they have just broken through. Wu Sheng is not Yue Feng's opponent at all.

haha...get it done!

At this moment, Yue Feng clapped his hands, his heart was very happy, and at the same time he was nervous, there was some indescribable excitement.

Whoa!

At this moment, Ren Yingying and the masters of various sects were all stunned. They never thought that Yue Feng would enter the Beiyong camp alone and dare to do it. After all, the defense of this camp is strong enough to describe it with a copper wall. And Yue Feng's unscrupulous shot is simply courting death.

“Quick!”

Facing everyone’s astonishment, Yue Feng walked over, opened the iron bars of the cell one by one, then took out a few bottles of medicinal pills from his body and distributed them to everyone: “Here is Guiyuan Dan, take it quickly. “

Yes, these few days, Yue Feng has been pondering how to rescue Ren Yingying and the others, so he prepared Guiyuan Pill in advance.

Guiyuan Dan, in “Wu Ji Dan Shu”, belongs to the middle and upper class elixir, and the practitioners whose inner strength has been sealed against the symptoms can recover inner strength in the shortest time after taking it.

Chapter 2234

Yue Feng originally refined dozens of pellets, and planned to use them when he rescued Ren Yingying. As a result, various sects were also arrested. Therefore, Yue Feng invited Shennong to help and refined a lot of them.

Originally, Yue Feng was still worried about how to infiltrate the Beiyang camp. As a result, Gonggong came to the door, and Yue Feng naturally would not miss the opportunity.

Gu Dong.... After

getting the Guiyuan Pill, Ren Yingying and the masters of various sects did not hesitate to take it. Soon, the sealed internal strength quickly recovered.

However, there was a person holding the Guiyuan Pill, with no intention of taking it at all, and his face was full of disgust.

It was Yue Wuya.

“Y’er!”

Seeing Yue Wuya’s icy face, he was very resistant to the Guiyuan Pill he gave him, Yue Feng couldn’t help urging: “Hurry up and take it, after regaining our internal strength, we can escape.”

Gong Gong The half hour given is not too long, not too short, and a moment cannot be wasted.

Snapped!

As soon as the words fell, Yue Wuya threw Guiyuan Pill on Yue Feng, and said coldly: “Put away your fake face, I won’t eat this broken pill.” After

speaking, Yue Wuya looked at Yue Wuya Feng, with hatred in his eyes, continued: "I tell you, even if I die in a cell, I will not go with you, and I will not accept any favor from you."

His tone was cold and decisive.

After learning that his respected aunt, Ren Yingying, had also gotten on with Yue Feng, Yue Wuya found it difficult to accept it, and hated Yue Feng even more in his heart.

Die in jail and don't go with you.

In a word, like an invisible sledgehammer, it slammed into Yue Feng's heart.

Yue Feng felt pain in his heart, looked at Yue Wuya and said bitterly: "Y'er, you still hate me now, what should I do so that you can forgive me?"

"Why should I forgive you?" Yue Wu Ya retorted coldly, the more he thought about it, the more angry he became, almost hysterical: "Are you worthy of my forgiveness..."

Yue Wuya almost roared out the last sentence.

Snapped!

As soon as the words fell, Ren Yingying couldn't stand it any longer, she walked over quickly, and slapped Yue Wuya's face with a slap.

This slap was not hard by Ren Yingying. She loved Yue Wuya very much and was never willing to slap her, but seeing him treat her father like this, she couldn't help it.

"Ya'er, no matter how much grievance you have in your heart, you can't treat him like this. After all, it's your biological father." Ren Yingying's face was cold, but in Yue Wuya's eyes, there was a bit of helplessness and sympathy. distressed.

"Auntie..."

Yue Wuya covered her face, suddenly stunned, staring blankly at Ren Yingying, speechless.

At this time, Yue Wuya felt indignant, in addition to grievances. He never thought that his aunt, who had always loved him, would actually beat him for Yue Feng's sake.

A few seconds later, Yue Wuya reacted and said fiercely: "Okay, you are all right, I am wrong." After

saying that, Yue Wuya sat on the straw in the cell with a determined face: "You all have to leave. You go, I'm not going anyway."

“You...” Ren Yingying stomped her feet angrily.

Why is this kid so stubborn?

Bang!

At this moment, Yue Feng shook his head and sighed, then his figure flashed, and in the blink of an eye, he arrived behind Yue Wuya, with a palm cut behind his head, Yue Wuya’s inner strength was sealed, and he didn’t take Guiyuan Pill just now. However, when his body softened, he passed out.

Ugh!

Yue Feng sighed and smiled wryly at Ren Yingying: “This child’s personality is too stubborn, it can’t make sense for the time being, it can only be like this.”

When he said this, Yue Feng looked at Yue Wuya, who was in a coma, and was very distressed.

To be honest, Yue Feng has always been ashamed of Yue Wuya in his heart, and never thought of knocking him out, but now everyone is still in the cell of the Beiyong camp, in danger, and they can’t waste time on him.

Chapter 2235

More importantly, Gonggong is outside the prison, Yue Wuya is so excited, if the shouting alarms Gonggong, it will be troublesome.

“That’s fine!” Ren Yingying understood Yue Feng’s approach very well, but she was still a little nervous when she thought about the situation in front of her. She couldn’t help but ask, “Now that

everyone has regained their inner strength, how can we get out?”

At the same time, the surrounding masters of various sects also frowned, nervous.

Yes, even if the internal strength is restored, it may not be able to escape. After all, this is the Beiyong camp, which is heavily guarded. With tens of thousands of masters from various sects combined, how could they be the opponents of hundreds of thousands of troops?

“Don’t panic!”

Yue Feng smiled slightly, looking at Ren Yingying and everyone, very calm and comfortable: “We only need to play a play, and that’s it.”

Acting?

Hearing this, whether it was Ren Yingying or the masters of various sects, they were all stunned.

“Quick!”

Seeing that time was running out, Yue Feng didn't explain much, and pointed to the dozen or so soldiers who were unconscious on the ground: “Come here, put on these soldiers' clothes, and then lie on the ground, pretending to be injured. look like this, hurry up...”

Saying that, Yue Feng walked over quickly, put on the soldier captain's clothes, and put his own clothes on for the soldier captain at the same time.

Susususu...

At this time, the masters of various sects reacted, and immediately more than a dozen people came over. According to Yue Feng's instructions, they changed into soldiers' clothes, and then lay on the ground, pretending to be in a coma.

“What's next?”

At this time, Ren Yingying and the others were all staring at Yue Feng, waiting for his next instructions.

Yue Feng did not answer immediately, but dressed himself up a little, looking similar to the captain of the soldiers, and then said: “Okay, don't panic, you all hurry back to the cell and pretend that nothing happened.”

Hula !

Hearing this, Ren Yingying and the others did not hesitate at all, and hurriedly returned to their cells.

After everything was ready, Yue Feng took out the spirit beast bag and released the poor and strange spirit beast.

hum!

In an instant, accompanied by a vibration of breath, I saw the huge figure of Qiong Qi appearing in front of everyone, and his body was filled with the aura of a powerful divine beast.

At this time, Yue Feng didn't hesitate to get the captain of the soldiers who had been changed and those soldiers onto Qiong Qi's back one by one, and then tied the dozen or so people with their chests to their backs.

After doing this, Yue Feng patted Qiongqi's head with a gentle tone, and issued an order: "It's up to you if you can succeed, go ahead, take these people on your back, rush out of the camp, and fly farther. The better, try to attract as many people from the camp as possible."

"Roar!"

Qiong Qi had spirituality, understood what Yue Feng meant, roared in response, then flapped his wings and rushed out of the cell.

Bang!

Although the door of the cell was tough, it could not withstand the impact of Qiongqi, and it shattered in an instant. Immediately, Qiong Qi rose into the sky, hovered in the mid-air of the camp, and headed towards the high sky in the distance.

"Qianqi?"

"Isn't that Yue Feng's spirit beast?"

"Look, there is someone on Qiongqi's back... not good, Yue Feng saved the person, chase!"

The movement shocked the entire camp in an instant. Many Beiyong soldiers rushed out and shouted at Qiongqi in the sky. Then many soldiers rushed out and chased after them.

This....

at this moment, outside the gate of the prison, Gonggong looked up at the night sky, Qiong Qi, who quickly disappeared, with a beautiful face, incomparable astonishment.

what happened?

Yue Feng rescued a dozen prisoners? Have you been deceived by him?

## **The ultimate husband in Chinese chapter 2236-2240**

### **Chapter 2236**

Because Qiongqi's speed was too fast, and everything happened too suddenly, Gonggong had no time to identify who the dozen or so people on Qiongqi's back were.

But at that moment, Gonggong still noticed that the more than a dozen people on Qiong Qi's back were wearing Yue Feng.

In the next second, Gong Gong reacted, and with a flash of his tender body, he quickly entered the prison.

If it was someone else, this situation would definitely catch up as soon as possible, but Gonggong was meticulous and did not immediately pursue Qiongqi, but checked the prison situation as soon as possible. After all, with so many prisoners, it was impossible for Yue Feng to rescue them all. .

Swish!

The moment he entered the cell, Gonggong's expression changed when he saw the scene in front of him, his body trembled with anger.

I saw that more than a dozen soldiers who were supervising the cells all collapsed to the ground, and the captain of the soldier was covering his heart and lying on the ground, looking very painful.

Yes, the captain of the soldiers at this time was disguised by Yue Feng. Before Gonggong came in, Yue Feng was lying on the ground, pretending to be attacked.

"Trash!" In the

next second, Gonggong reacted and scolded the soldier captain in front of him, and asked coldly, "What

's the matter?" When saying this, Gonggong looked around and saw Ren Yingying. With most of the sect masters, still in the cell, I feel a little fortunate.

Fortunately, I reacted quickly and took a look at the cell first. Otherwise, these prisoners would definitely find a way to escape when they saw that the soldiers had fallen.

At this time, Gonggong didn't know that the captain of the soldiers in front of him and the soldiers who fainted were pretending to be Yue Feng and others.

"My lord, forgive me."

At this time, Yue Feng, dressed in the clothes of a soldier captain, looked very frightened, knelt on the ground and lowered his head and said, "That Yue Feng is too cunning, when we were unprepared for a sudden surprise attack, he released Qiongqi and took more than a dozen prisoners. Saved..."

This chapter is provided by . Visit for daily update.

When he said this, Yue Feng performed ventriloquism, and his voice was exactly the same as that of the soldier captain.

At the same time, Yue Feng deliberately lowered his head and did not look at Gong Gong to avoid revealing flaws.

call!

At this moment, Ren Yingying in the cell, as well as the masters of various sects, secretly sweated for Yue Feng, and at the same time, they were extremely respectful.

This Yue Feng really deserves to be the leader of the alliance elected by everyone. He is not only powerful, but also omnipotent. At this time, the voice was exactly the same as that of the soldier captain. It's amazing.

However, can this deceive the Gonggong?

Especially Ren Yingying, who is calm on the surface, but anxious in her heart.

call!

Hearing this, Gong Gong took a deep breath, his beautiful face was extremely ugly at this time.

Immediately, Gonggong said coldly at Yue Feng: "Take care of the cell, if there are more mistakes, I will kill you." The voice fell, Gonggong didn't have time to think about it, and quickly walked out of the cell, his figure flew up, towards Qiongqi Follow the direction you left.

At this time, Gonggong was anxious and angry. He was originally instructed by Yang Jian to persuade Yue Feng to surrender, but he was tricked by Yue Feng and rescued people from the cell, although only a dozen people were rescued. , but he can't escape the responsibility.

The more Gonggong thought about it, the more angry he became, so he accelerated his speed, just wanting to catch up with Qiongqi quickly and intercept Yue Feng.

Gonggong didn't know yet that there was no Yue Feng on Qiong Qi's back, just a dozen soldiers who were knocked unconscious, and the real Yue Feng was still in the cell.

To be honest, Gonggong is very thoughtful. If he stayed a little longer, he might have found something different. But it happened so suddenly that Gonggong didn't have time to think about it.

More importantly, Yue Feng's ventriloquism was superb, and at the same time, he kept his head down, so Gonggong couldn't raise any suspicion at all.

Haha...

Watching Gonggong leave, and the attention of the entire camp was also attracted by Qiongqi, Yue Feng was indescribably happy.

The plan was successful!

## Chapter 2237

Yes, this is Yue Feng's whole plan, first pretend to surrender, and then come to the camp with Gonggong to visit Ren Yingying and everyone, while secretly, the Ouyang family and the Xi Cang army moved to the Valley of the Wicked. After arriving at the prison, Yue Feng resorted to the strategy of turning tigers away from the mountains, using Qiongqi to attract the attention of Gonggong and the camp.

In this way, I have the opportunity to save all Ren Yingying and everyone.

This plan was improvised by Yue Feng. He thought it would be difficult, but he never thought that it would be so smooth in real time.

call!

At this moment, Ren Yingying and the masters of various sects were also very excited. At this time, everyone finally understood that Yue Feng's plan turned out to be like this.

"Leader Yue!"

Tang Qingyun is a well-known scumbag, and at this time, he flattered him at an inopportune time: "He is indeed a hero of our Earthly Continent. Not only does he use soldiers like gods, but he is also resourceful. This trick is really useful. It's amazing, I, Tang Qingyun, really admire the five bodies..." The

voice fell, and many people nodded in agreement.

Haha...

Yue Feng smiled lightly, and didn't bother to pay attention to Tang Qingyun, this kind of villain who was swaying with power, Yue Feng really didn't want to have any communication with him.

The next second, Yue Feng looked at Ren Yingying and the others and instructed: "Quick, while they are all chasing Qiongqi, the defense of the camp must be weak, let's rush out."

With that, Yue Feng walked over quickly, The unconscious Yue Wuya hugged him and rushed to the cell first.

Ren Yingying and the masters of various sects immediately followed.

When they got outside, as Yue Feng had guessed, almost all the patrolling soldiers in the camp were chasing after Qiongqi. There were only a few exits of the camp, and some soldiers were guarding.

Seeing this scene, Yue Feng didn't have time to think. He led the crowd and rushed towards the north exit. As long as he successfully rushed out and continued north, he could reach the Valley of the Wicked.

At this time, Yue Feng was very excited.

At this time, the Ouyang family and the Xi Cang army had successfully reached the Valley of the Villains. And himself, he also successfully rescued Ren Yingying and various sects.

Um?

Seeing that he was about to reach the north exit of the camp, Yue Feng suddenly stopped and saw more than a dozen patrolmen rushing towards this side. Among them was a graceful figure, dressed in a long white dress, delicate and exquisite. , lovable.

It is ice.

Just now, Han Bing was alerted by the movement of the prison and came out to check the situation. He learned that Yue Feng had rescued the prisoner from the cell and ran away in Qiongqi. Han Bing was very anxious, so he wanted to come to the cell to see if his father had Brother take away.

Han Bing thought about it, if his brother was rescued, he would leave quickly. However, before reaching the cell, they happened to meet Yue Feng and everyone else.

This...

Suddenly seeing so many people, Han Bing was stunned.

In the next second, it was clear that Yue Feng was in the lead, and Han Bing was surprised and happy, and couldn't help shouting: "Dad!"

At this time, Han Bing was very surprised, didn't his father escape? Why are you still in the camp?

As soon as the words fell, more than a dozen patrolling soldiers next to them also reacted, and they rushed over with anger.

"Yue Feng, so you are here..."

“Big but Yue Feng, hurry up and capture...”

Seeing this scene, Han Bing bit her lip tightly without any hesitation. Patrolmen go.

Bang bang bang...

Those patrolmen didn't expect Frost Bing to shoot from behind. Before they could react, they fell to the ground and passed out.

Chapter 2238

“Father!”

At this time, Han Bing walked over quickly and was very happy to see Yue Wuya in Yue Feng's arms: “I knew that you would definitely save my brother, I'll go with you!”

Saying this At the time, Han Bing's tone was firm, but he couldn't help but look back at the camp.

The next second, Han Bing turned towards Zhang Jiao's tent, bent his knees, knelt down, kowtowed three times, bit his lip, and said softly, “Master, I'm sorry!”

Although it was her daughter's house, Han Bing In Han Bing's heart, although his philosophy is different from that of Zhang Jiao, he is still his own master, and he leaves without saying goodbye, always feeling guilty.

call!

Seeing this scene, Yue Feng took a deep breath, nodded his head in approval, and felt a little emotional at the same time.

If only Ya'er could be as sensible as her daughter.

Thinking to himself, Yue Feng lifted the ice, and then led the crowd, quickly rushed out of the camp, and rushed towards the Valley of the Wicked.

the other side.

Zhang Jiao was resting in the tent.

Yang Jian sat aside and was asking about Zhang Jiao's injury.

Although Yang Jian is arrogant, he also understands the use of meritocracy. Zhang Jiao uses soldiers like a god, and is his own military advisor. In the future, he will rely on him to conquer all roads, so naturally he should pay more attention.

Just then, I heard a commotion outside, very noisy.

Yang Jian frowned, and was about to call someone in to ask. Just then, a soldier walked in quickly, sweating profusely: "Your Majesty! It's not good."

"What happened outside? Tell me now." Yang Jian was very irritable and asked coldly.

Zhang Jiao, who was lying there, also looked closely at the soldier with a questioning expression on his face.

"Your Majesty..." The soldier's face was full of tension: "Yue Feng rescued more than a dozen prisoners, Master Gong Gong, and many others went after him..."

What?

Hearing this, Yang Jian's face changed, and he said angrily: "This Gonggong, I asked her to persuade Yue Feng to surrender, how could she let Yue Feng save the prisoner? Waste, really waste..."

Saying this, Yang Jian rubbed Standing up, he was about to go out and chase Yue Feng in person.

"Your Majesty!"

At this moment, Zhang Jiao dissuaded him: "Your Majesty, as the emperor, pursues Yue Feng in person, he will fall into trouble, Gonggong is strong, and there are so many soldiers to follow, so there should be no problem.

" At that time, Zhang Jiao's face was gloomy and uncertain, and he was also very annoyed.

This Yue Feng is too cunning to be able to rescue someone from a prison cell in the main camp. If this person is not eliminated, there will be endless troubles.

"Then wait like this?" Yang Jian said unwillingly.

Um!

Zhang Jiao nodded, suddenly thought of something, his eyes sank, and he hurriedly said: "No! Your Majesty... hurry up... hurry up to send someone to the cell to check, and mobilize the army at the same time... That Yue Feng, it may be Tune the tiger away from the mountain."

Zhang Jiao had a long-term plan and didn't think much at first, but after thinking about it carefully, he felt that the whole thing was very strange.

Since Yue Feng decided to come to rescue people, how could he only save a dozen people in the end? This is not his style, obviously deceitful!

Swish!

Hearing this, Yang Jian's face changed, and he realized that the situation was not good, so he strode out.

At the same time, Yang Jian did not forget to issue an order to the guards next to him: "Quick, call the whole army immediately." With that, Yang Jian quickly walked towards the prison.

Yang Jian trusts Zhang Jiao very much. If Zhang Jiao says there is a problem, there must be a problem.

When he arrived at the cell, Yang Jian was instantly furious when he saw the scene in front of him.

I saw that the cell was empty, and there was not a single person.

Bang!

Yang Jian's face was ashen, and he slapped the prison door with a savage palm, and a loud bang was heard, and the solid door shattered into powder.

At this time, Yang Jian was very annoyed, this Gonggong was so disappointing, and actually let Yue Feng save all the prisoners! Fortunately, the sergeant was thoughtful.

Thinking to himself, Yang Jian's face was gloomy, he quickly looked around, and saw the direction north of the camp. In that night, tens of thousands of people were heading towards the depths of the suburban mountains and forests.

Yang Jian's strength is strong and his eyes are sharp, and he immediately sees that it is Yue Feng who is leading the way!

At this time, the Northern Ying army also quickly assembled.

hum!

Yang Jian was so angry that he held the three-pointed and two-edged sword tightly, and his figure was suspended high in the sky, shouting loudly, "The whole army obeys the order, and quickly kills everyone in Yue Feng, leaving no one behind!"

Chapter 2239 The

voice fell, Yang Jian's figure broke out, and he took the lead in chasing in the direction where Yue Feng and everyone fled.

Wow...

The Northern Ying army followed closely behind, mighty and powerful.

At this moment, Yue Feng is here.

After entering the forest, Yue Feng did not relax at all, urging everyone to speed up.

Gonggong is strong and thoughtful. He will soon catch up with Qiongqi, and then he will realize that he has been deceived. In the Beiying camp, Yang Jian will soon find out the situation in the cell, so everyone is running out of time. Be sure to meet up with Sun Dasheng and the others in the Valley of the Wicked as soon as possible.

Under the urging of Yue Feng, everyone kept speeding up. They all knew that even if they successfully escaped from the Beiying camp, it would not be a complete success. Only when the Beiying army caught up and reached the Valley of the Evil Man would they count. Total security.

Um!

At this moment, Yue Wuya, who had been in a coma, woke up.

The moment he opened his eyes, he saw that he was being carried by Yue Feng, Yue Wuya's expression changed, he broke free, and shouted at Yue Feng, "I said, I won't let you save me even if I die, let alone not. Come with you." With

that, Yue Wuya's face was full of disgust, he didn't even look at Yue Feng, turned around and rushed towards the woods beside him.

Yue Wuya has a stubborn personality, and once his temper is up, he doesn't care about the situation in front of him at all.

Ugh!

Yue Feng was stunned there for a while, feeling faint pain in his heart, this Ya'er, after all, refused to forgive himself.

call!

Seeing this scene, Ren Yingying next to him, as well as the masters of various sects, also looked complicated and wanted to comfort them, but thinking that this was Yue Feng's family matter, they didn't know how to speak.

“Brother...”

At this moment, Han Bing was the first to react, and with a coquettish cry, she chased after Yue Wuya.

After running a few steps, Han Bing thought of something, turned back and said to Yue Feng: “Dad, hurry up and go to the Valley of the Wicked, I’ll go after my brother, he will be fine.” Everything has been said, and Bing naturally knows.

Um!

Hearing this, Yue Feng was very relieved, and turned his head towards the crowd and said, “Everyone, continue on your way!”

When he said this, Yue Feng was looking in the direction of the ice, with complicated eyes flashing in his eyes. Seriously, Yue Feng wanted to chase Yue Wuya together with Han Bing, but he held back. After all, time was running out, so he should lead everyone to the Valley of the Wicked as soon as possible, so that he could not delay for a moment.

Otherwise, if Yang Jian catches up, all previous efforts will be in vain.

And Yue Wuya has Han Bing to take care of, so it should be fine, after all, these two children have grown up.

“Yue Feng!”

But at this moment, he heard a loud shout in the air behind him.

hiss!

Yue Feng looked back subconsciously, and suddenly his heart was shocked, and he took a breath of cold air.

Seeing that Yang Jian was wearing a golden armor, holding a three-pointed two-edged sword, his body was filled with a terrifying aura, and he was coming quickly. In the air behind him, there are nearly 10,000 Tianyu Riders riding big birds.

In the mountains and forests below, hundreds of thousands of Northern Ying troops followed closely behind.

Nima.

Seeing this scene, Yue Feng’s heart was instantly suspended, and he was shocked and angry.

This Yang Jian came so fast?

In Yue Feng's heart, he thought it was impossible for Yang Jian to react so quickly. After all, his plan to move the tiger away from the mountain was executed perfectly.

At this time, Yue Feng didn't know it yet, but Zhang Jiao was scheming and quickly guessed his plan.

What?

Seeing Yang Jian, Ren Yingying and the masters of various sects were also shocked and nervous.

It's bad. Before reaching the Valley of the Wicked, Yang Jian led the army to catch up. Could it be that tonight's escape plan will fail in the end?

"Yue Feng!"

At this time, Yang Jian looked at Yue Feng closely, his eyes flashing with a cold light: "You are not small, you dare to break into me to rescue the prisoners, I tell you, all of you, all of you escape. No!"

After saying that, Yang Jian turned his eyes, looked at the figures of Han Bing and Yue Wuya in the woods not far away, and waved his hands decisively: "Take those two dolls, it doesn't matter if you live or die!" The

last four words fell. At that time, Yang Jian's eyes were extremely blood red, and he was burning with anger.

Although it was night, Yang Jian's strength was strong and he could see at a glance that the two people running in the woods not far away were Yue Wuya and Han Bing. They have betrayed themselves, how can they not be popular?

"Yes, Your Majesty!" Nearly 10,000 Tianyu Riders responded one after another, then rode the big bird and quickly chased after the two of them.

Chapter 2240 Broken

!

Seeing this scene, Yue Feng was so anxious that he wanted to rise into the air to help the two Han Bings. You must know that Tian Yuqi is the elite of the Beiyong army, and Han Bing and Yue Wuya are just two children. How could they be? opponent?

However, the two of Han Bing were too far away from Yue Feng, and it was too late for rescue at this time.

Swish!

At this moment, Yang Jian's eyes were like electricity, and he locked on Yue Feng tightly, and his cold voice spread throughout the forest: "I have always admired you as a talent, and I have always been merciful to you before, but you kid, again and again. The third is against me, today this mountain forest is where your bones are buried, and you fugitives, don't even think of leaving alive!"

Om!

The voice fell, Yang Jian slowly raised the three-pointed two-edged sword, and a powerful breath swept out. In an instant, over the entire mountain forest, the wind and clouds were surging, as if the end was coming!

At this time, Yang Jian was really angry!

When Zhenjun Erlang was angry, the world changed color!

Whoa!

Seeing this scene, whether it is the Beiyong army below, or the masters of various sects, they all feel depressed and panic in their hearts, and they don't dare to show the atmosphere!

Gudong!

Feeling Yang Jian's endless killing intent, Yue Feng secretly swallowed his saliva, sweating all over his body.

Nima, I completely angered Yang Jian today, I'm afraid it's going to be a big trouble.

Muttering in his heart, Yue Feng tried his best to calm himself, and shouted at Yang Jian, "Yang Jian, do you only bully the less with more? If you have the ability, let our people meet, and let's fight with real swords and guns!"

Yes, Yue Feng knew that Yang Jian was arrogant and arrogant, so he deliberately provoked him like this to delay time.

"Go to hell!"

However, at this time, Yang Jian was so angry that he was too lazy to talk nonsense with Yue Feng. After a roar, he held the three-pointed two-edged sword tightly and flew up!

hum!

At this moment, Yang Jian's internal force exploded, and the sky was about to shatter!

"Batian Slash!" In the

next second, a cold voice came from Yang Jian's mouth, and then he suddenly raised his hand, a terrifying force erupted from the three-pointed two-edged sword, forming a terrifying shadow of the blade, which suddenly banged. Xiang Yuefeng!

This sword shadow, more than 100 meters long, was formed entirely by Yang Jian's fighting spirit!

The moment the knife shadow appeared, the temperature of the entire forest suddenly dropped by more than ten degrees! Everyone felt a chill that went deep into their bones.

The masters of various sects couldn't help but sweat for Yue Feng! !

Especially Ren Yingying, her delicate body trembled, and she couldn't help exclaiming: "Yue Feng, be careful..."

The Beiyong army was extremely excited, as if they had seen the scene of Yue Feng's tragic death.

"Your Majesty is mighty!" " Haha

, Your Majesty performed a stunt, this Yue Feng is dead!"

"That is, if you dare to oppose Your Majesty, this is the end!"

In Beiyong Imperial City, Yang Jian used this stunt to injure Zhu Bajie, causing Zhu Bajie to flee.

Even Zhu Bajie couldn't stop it, let alone Yue Feng.

Seeing Yang Jian directly use his ultimate move, Yue Feng was also shocked, he quickly raised his hand in front of him and deployed a protective film!

hum!

At the same time, Yue Feng took out the Linglong Pagoda and released the many strong men You Yan and Yuan Tiangang inside.

"Quick, block him!" Yue Feng howled loudly at the moment when the strong men of Youyan burst out of the air.

Bang bang bang...

At this moment, when I heard Yue Feng's words, the strong people in Youyan mobilized their internal strength and met the huge knife shadow, and they heard a series of earth-shattering vibrations, and the power of the knife shadow was offset. Not a lot.

“Boom!...”

However, the Yuwei of the huge sword shadow still slashed fiercely on the protective film. I heard a roar, and the protective film suddenly shattered!

puff!
