

The ultimate husband in Chinese chapter 2241-2250

Chapter 2241

Yue Feng spit out a mouthful of blood, and his body flew far away. In the end, it smashed a few big trees before sliding down.

Nima!

Yue Feng wiped the blood from the corner of his mouth, stood up, and looked at Yang Jian closely, incomparably horrified.

Is this the strength of Jiro Zhenjun? so horrible!

However, under the horror, Yue Feng also secretly breathed a sigh of relief, because the Youyan people were already in mid-air and successfully entangled Yang Jian.

“Get away from me! All to die... Die!”

Yang Jian was almost insane, standing on the back of the roaring dog, like a god coming into the world, three-pointed and two-edged swords in his hand, bursts of shock, and You Yan The crowd fought.

At this time, Yang Jian's eyes were extremely blood red, and he burst out with the strongest blow. Not only did he not kill Yue Feng, but he was also entangled by the strong man in Linglong Tower, and he was almost unforgivable.

“The whole army obeys orders!”

After two rounds of fierce battle, Yang Jian could not break through the encirclement of Youyan's crowd. He was completely anxious, and roared at the army below: “Kill all Yue Feng and these people for me. Don't stay...”

“Kill!”

Hearing the order, the hundreds of thousands of Northern Ying army burst out with thunderous howls and swarmed.

“Ah...”

Although the masters of various sects have just regained their internal strength, they were a little tired from escaping from the camp and running all the way. At this time, facing the charge of the Beiying army, they are all in a hurry, and in the blink of an eye, there are many People fell in a pool of blood.

Swish!

This chapter is provided by . Visit for daily update.

Seeing this scene, Yue Feng clenched his fists and jumped up in anger!

Yue Feng saw that it was still a few miles away from the Valley of the Evil.

“You want to kill us, come on!” A cold voice came from Yue Feng’s mouth, and in the next instant, Yue Feng raised his hands suddenly! I saw nine long dragons in mid-air, surrounding Yue Feng!

“Kowloon ascends to the sky!”

Yue Feng almost roared out, pointing at the Beiyong army!

Yes, at this time, Yue Feng’s anger was completely aroused. Since he couldn’t escape, he could only fight to the death.

“Roar!”

A loud dragon roar came, and nine golden dragons swept down! Go straight to the ground!

“Ah...”

In an instant, under the rampage of nine golden dragons, nearly a thousand Beiyong soldiers screamed and fell into a pool of blood!

At this moment, the rest of the Northern Ying army was trembling and shocked!

This Yue Feng has not yet reached the Tribulation Realm, yet his strength is so terrifying? !

Ren Yingying and the masters of various sects were extremely excited.

“Yue Feng.” At this moment, only a cold voice was heard, coming from the sky not far away. Exquisite face, full of exhaustion, at the same time reveals a deep cold, it is Gonggong.

Just now, Gonggong pursued Qiongqi all the way, and finally saw that the person on Qiongqi’s back turned out to be a soldier guarding the cell. At that time, Gonggong immediately realized that he had been deceived and almost exploded with anger.

After that, Gonggong didn’t have time to think about it, and immediately returned to the original road. He learned that Yang Jian led the army and was chasing Yue Feng, so he rushed over quickly.

“Yue Feng, how dare you lie to me?” Gong Gong asked with cold eyes, word by word.

Lie to you?

Yue Feng smiled coldly, met Gonggong’s gaze with a fearless face, and mocked:

“Gonggong, you and I are already hostile, the so-called soldiers never tire of deceit, isn’t it normal for me to lie to you?”

“Okay!”

Hearing this Then, Gonggong’s beautiful face was full of anger, and his body was trembling with anger: “Very good, I won’t call you Gonggong if I don’t cut you into tens of thousands of pieces today.

” The prestige has been famous for thousands of years, but now it has been played by Yue Feng, how can Gonggong not be angry?

More importantly, Gonggong was entrusted with an important task by Yang Jian, and he was going to persuade Yue Feng to surrender, but it ended up in a mess.

hum!

The voice fell, Gonggong’s face was frosty, his jade hand raised, and a palm hit Yue Feng.

Chapter 2242

Call!

Feeling the powerful breath of Gonggong’s outbreak, Yue Feng smiled without panic: “The person who can kill me has not yet been born, Gonggong, I think you should calm down, haha...” The

voice fell, Yue Feng He summoned Fang Tianhua Ji, attacked and fought fiercely with Gonggong in mid-air.

Bang bang bang...

The breath of the two people broke out, causing a dark cloud to roll, and the sky was dark.

call!

Seeing this scene, Ren Yingying below was very excited and shouted: “Everyone, we have no way out. If we fight with them, there may be a chance of life.” The

voice fell, and the surrounding masters of various sects were instantly inspired to fight. Come out, it's like being beaten with blood!

"Yes, let's fight!"

"Kill!"

A howl came out, and the masters of various sects rushed towards the Beiyong army.

Although the number is compared with the Northern Ying army, the tens of thousands of people from various sects are insignificant. But they all looked resolute, completely putting life and death aside!

However, there are also many people who are timid.

"How do you fight this? It's a total death sentence." Tang Qingyun trembled, looking at the tragic battle in front of him, his face turned pale, and there was absolutely no calmness from the master of a sect.

The next second, Tang Qingyun waved his hand and greeted the disciples of Tangjiabao: "Quick, everyone hurry up." When the voice fell, Tang Qingyun took the first step and rushed towards the nearby woods.

The Tangjiabao disciples followed closely without hesitation.

call!

Seeing this situation, the beggar gang and many small sects did not hesitate to greet their disciples and fled.

Like Tang Qingyun, these sects also felt that fighting with the Beiyong army in this situation would be a complete death sentence. At this time, they only wanted to escape from here and save their lives first. At this time, these people have forgotten, before. Yue Feng took so many risks to save them.

In the blink of an eye, after many sects fled, the number of people on Yue Feng's side was less than 20,000. In the face of hundreds of thousands of Beiyong troops, the situation became even more severe.

"You..."

Seeing this scene, Ren Yingying trembled and stomped her feet in anger. She wanted to chase Tang Qingyun and the others back, but surrounded by Beiyong soldiers, it was too late.

Nima!

Seeing that some sects of Tangjiabao and the Beggar Gang fled without a fight, Yue Feng was also very frightened and his heart trembled.

If I had known that Tang Qingyun was so greedy for life and fear of death, he should have been removed before.

At this time, Yue Feng wanted to rush down and intercept the escaped sects, but he was entangled by Gonggong and had no chance at all.

Bang!

Just when Yue Feng was distracted, Gonggong found an opportunity and slapped him in the heart.

puff!

This palm contains more than eight levels of skill in total, and as soon as Yue Feng groaned, a mouthful of blood spurted out, and the whole person was shocked and flew out, flying more than 100 meters before landing heavily on the ground.

“Leader!”

Seeing this scene, the masters of various sects who were fighting fiercely around, roared in unison, and their eyes were instantly blood red!

Ha ha...

In mid-air, Yang Jian, who was fighting fiercely with Youyan and the others, saw this situation, he couldn't help laughing up to the sky, and praised Gonggong: “Good fight, Gonggong, if you kill Yue Feng today, I can't help it. I will forgive you for your mistakes, and you will be rewarded!”

“Thank you, Your Majesty!” Gong Gong was overjoyed and hurriedly responded, and then, his figure flashed and quickly came towards Yue Feng.

“Yue Feng!” Gonggong locked on Yue Feng tightly, his eyes filled with endless coldness: “You hit me in the palm of the hand, you can't break out of the encirclement, you die.” The

voice fell, Gonggong's internal strength exploded, and a moment The palm is called towards Yue Feng.

Chapter 2243

Gonggong's speed is very fast, and it is in front of him in the blink of an eye. Yue Feng has just been slapped, and he has no time to dodge.

Bang!

The two palms touched, and Yue Feng groaned, his body was shaken back several tens of meters, a deep ditch was drawn out on the ground, and blood was spit out with a wow, finally unable to hold on, fell to the ground all of a sudden!

To be honest, Yue Feng has pure Yang internal strength. If he goes all out, he can fight Gonggong. However, he was slapped just now because he was distracted. .

“Yue Feng!”

At this moment, a heart-piercing voice came with a crying voice. Not far away, Ren Yingying’s delicate body was trembling, and tears were falling!

Ren Yingying’s deep love for Yue Feng, seeing that he was seriously injured at this time, only felt that his heart would be broken.

“Yue Feng, hold on, I’ll help you...” Xiao Yuruo’s tears were like broken pearls, and they couldn’t stop at all.

However, there were too many Beiyong soldiers around, almost rushing up one after another, and Ren Yingying couldn’t rush past at all.

Yue Feng’s face was pale, and at this moment he fell to the ground, unable to hear Ren Yingying’s words at all. He only felt the weakness that he couldn’t tell, and the palm of Gonggong just now was too cruel!

“Yue Feng!”

Gonggong showed a smile and said coldly: “I believed you so much before, but you lied to me. How good are you saying that you surrendered? You have to make it happen now.”

Feeling the killing intent of Gonggong , Yue Feng chuckled lightly: “Gonggong, you have lived for so long, but you still do not understand two words, that is loyalty and righteousness. I, Yue Feng, have been bright and upright all my life, and I will never surrender to anyone, even if I die here today, I will I did my best to die without regrets!”

Some words, word by word, eloquent.

“It’s a good one to die without regrets!”

Gonggong sneered and mocked: “You are still on Huangquan Road, talk to your comrades.” As he

spoke, Gonggong approached step by step.

Seeing Gonggong getting closer and closer, Yue Feng breathed a sigh of relief, a smile appeared on the corner of his mouth, and he was completely desperate.

If it is normal, Yue Feng is not afraid of Gonggong at all, but now, the strong people in Linglong Pagoda are all dealing with Yang Jian, Ren Yingying and the masters of various sects are blocked by the Beiyong army, and they can't rush forward. No one could come to help.

This time, he is sure to die.

Roar!

At this critical moment, I heard a thunderous roar from the sky, and then, a huge figure suddenly landed, blocking Yue Feng's face.

It is Qiongqi.

Under the command of Yue Feng, Qiong Qi attracted thousands of Beiyong soldiers to circle in the deep mountains. Just now, he sensed that Yue Feng was in danger, and without hesitation, he came to support him immediately.

call!

Seeing Qiongqi, a smile appeared on Yue Feng's face.

This poor Qi is loyal to the Lord, and he has not raised it in vain.

Dengdengdeng...Qianqi

suddenly appeared, under the vibration of the powerful divine beast, Gonggong's delicate body trembled, and he took a dozen steps back.

Finally, after standing up, Gong Gong's eyebrows knitted together, and he locked on Qiong Qi at once: "It's you again, the protector, right? I'll kill you together later."

When he said this, Gonggong couldn't express his anger. It was this poor guy who attracted his attention at the time and gave Yue Feng a chance to save all the prisoners.

Roar!

Qiongqi is quite spiritual, and understands Gonggong's words. He immediately opens his mouth and roars in response.

"Be careful..."

Seeing this scene, Yue Feng couldn't help but said softly at Qiongqi: "This woman is very strong, don't touch her head-on, hold her back, and let me have time to recover my inner strength! "

Although Qiongqi arrived in time, Yue Feng did not relax in the slightest, but was a little worried. After all, although Qiongqi was strong, it faced the Water God Gonggong.

In Yue Feng's heart, although Qiongqi is a mythical beast, he is no different from his family, so he naturally doesn't want to see anything happen to him.

Chapter 2244

"Fengzi, here we come!"

Just when Yue Feng was secretly worried, suddenly, a loud shout came from the direction of the Valley of the Wicked!

Looking from a distance, I can see the hundreds of thousands of Xi Cang army, as well as the people of the Ouyang family, coming in a mighty way! The leading ones were Wen Chou Chou, Sun Dasheng, Jiang Shan and others.

When Yue Feng rescued the masters of various sects from the camp, Wen Chou Chou and everyone also deployed their defenses in the Valley of the Wicked. Just now, when they heard the fierce battle here, the killing sound shook the sky, Wen Chou Chou and Jiang Shan didn't think much about it. , bring someone to support immediately.

"Brother Wen, Great Sage, Aunt Jiang..."

Seeing Wen Chou Chou and Jiang Shan rushing in with the army, Yue Feng's nose was sore, and he almost cried.

"Fengzi..."

In a twinkling of an eye, he came to the front, seeing the appearance of Yue Feng, Sun Dasheng, Wen Chouchou, and Jiang Shan were all shocked and extremely angry.

I saw that Yue Feng's face was extremely pale at this time, his clothes were stained red with blood, and the masters of various sects around were also dead and wounded!

Seeing this scene, Sun Dasheng's eyes instantly turned red!

"Injuring my brother, I will let you all pay for your life! Kill me! Kill me!" Sun Dasheng almost roared out, waving the giant axe frantically, and directly rushed into the army of Beiyang!

“Everyone obeys the orders, protect my homeland, protect my compatriots, and kill me!” Wen Chou Chou clenched his fists tightly. Seeing his brother being chopped up like this, he lost the calmness he had before, instead, he was full of suffocation!

“Kill!” The

voice fell, Huaguo Mountain, Changsheng Palace, Tianmen, and hundreds of thousands of Xicang army, like a tide, poured into the enemy formation, all of them were red-eyed!

What?

Seeing this scene, Yang Jian, who was still fighting fiercely with You Yanzhong’s master, frowned and stared at Yue Feng, his face extremely ugly.

How did the Xi Cang army and the Ouyang family support so quickly?

Could it be that this kid secretly transferred the main force to this valley? If this is the case, this Yue Feng is too cunning.

At the same time, Gong Gong also trembled, looking at the Wen Chou Chou crowd and the Xi Cang army who rushed up, indescribably shocked.

Isn’t this...

the main force of the Earth Circle Continent near Ouyang’s mansion? How can you be in this wilderness? And the support is so fast?

Gonggong at this time, and Yang Jian didn’t know yet, Yue Feng had already moved the army to the Valley of the Evil. At this time, the Ouyang family was already empty.

Whoa!

Seeing the rescue, the masters of various sects, who were already somewhat desperate, instantly boosted their morale and fought hard to kill the enemy.

On the battlefield, a howl kept ringing!

“Ah!”

People kept falling down, and this world was completely dyed red with blood!

...

At this moment, in the forest a few miles away from the Valley of the Wicked. Yue Wuya and Han Bing moved forward quickly.

Behind them, thousands of Tianyu cavalry, riding on a big bird, are chasing after them.

I don't know how long it took to run, Yue Wuya was sweating profusely, and he couldn't hold it anymore, and his face was a little pale.

To be honest, Yue Wuya's strength is not weak. If he had taken Guiyuan Pill in prison before, he would have recovered his strength long ago. However, Yue Wuya was stubborn and refused to accept Yue Feng's favor, so he threw the Guiyuan Pill away. At this time, his internal strength did not recover, and after all the hard work, he couldn't stand it at all.

At this moment, Yue Wuya felt that all his strength was exhausted, he stopped to take a breath, and at the same time, he looked back at the situation behind him!

Nima!

Seeing this, Yue Wuya's expression changed, and he was secretly shocked!

I saw that in the mid-air behind him, the thousands of Tianyu Riders were already less than 100 meters away.

These Tian Yuqi really deserves to be the elite of the Beiyang army. He tried his best, but he didn't get rid of them...

"Brother..."

Seeing Yue Wuya stop at this time, Han Bing also slowed down. , couldn't help shouting, and at the same time hurried over, preparing to leave with Yue Wuya.

Whoops!

Chapter 2245

However, at this time, the Tianyu Riders in mid-air landed one after another, surrounding Yue Wuya and Han Bing.

call!

Seeing this scene, Han Bing took a deep breath, her delicate face was very calm, but her heart was a little nervous!

The ice at this time clearly sensed that the aura that erupted from these Heavenly Feather Knights was not particularly powerful, but with so many people gathered together, the aura was still not to be underestimated.

"You two!"

At this moment, the leader of Tianyu Cavalry, Bai Zhan, looked at

Bing Bing, and said lightly: "Don't run away, you have no way to retreat." The voice fell, and the surrounding Tianyu Knights also followed suit. shouted.

"Yes, betray Your Majesty, and it's useless for you to flee to the ends of the earth!"

"For the sake of serving His Majesty, you should be acquainted with each other, and you can capture them !

"

The voices came one after another, and the tone was cold, and no one sympathized with Yue Wuya and Han Bing.

Catch up?

Hearing these words, Yue Wuya chuckled lightly, her eyes extremely cold!

He originally served Yang Jian wholeheartedly, but because his biological father was Yue Feng, Yang Jian had all kinds of suspicions about him, and now, he has sent so many people to arrest him and his sister.

Simply deceiving. Thinking to himself ,

Yue Wuya stood in front of Han Bing, and said coldly, "What are you doing in your daydreams? You want me to be captured? Before I want to tear my face, get out of here."

Undoubtedly.

To be honest, at this time, Yue Wuya was exhausted and his internal strength had not recovered yet. Provoking Tian Yuqi in front of him was completely courting death, but Yue Wuya had to do it.

As an older brother, you must protect your younger sister at all times.

Huh!

Hearing these words, Bai Zhan and the surrounding Tianyu Knights were extremely angry.

Mad, this kid is in a desperate situation, yet he dares to speak madly?

"Take it!" The cold words came out of Bai Zhan's mouth.

Whoops!

In an instant, the surrounding Heavenly Feather Knights did not hesitate, howling one after another, coming straight towards Yue Wuya.

“Want to catch me, come...” Yue Wuya howled with a fearless face, holding the Overlord’s Hammer tightly, like an angry lion, rushing towards the crowd.

The internal strength has not recovered, Yue Wuya can’t stimulate the power of the Overlord Hammer at all, but as an ordinary weapon, there is no problem.

During the fierce battle, Yue Wuya did not forget to shout to Han Bing: “Bing’er, hurry up, my brother is blocking them.”

When he said this, Yue Wuya’s tone was firm, but looking at Han Bing’s eyes, it was revealing A bit of regret and ashamed, all blame himself for being too stubborn and out of Yue Feng’s brigade, otherwise, he and his sister would not be pursued by Tian Yuqi.

“I’m not going!”

Han Bing bit her lip tightly, shook her head, and said very firmly: “I want to be with my brother.” The

voice fell, Han Bing flew up, holding a long sword, and rushed into the enemy group.

“Ah...” The

brothers and sisters worked together, only to hear a scream, and in the blink of an eye, many Tianyu Knights fell in a pool of blood.

However, Yue Wuya’s internal strength has not completely recovered, and at the same time, there are too many enemy troops, and it is impossible to kill them!

Under the fierce battle, Yue Wuya gradually became powerless.

Finally, a Beiyong soldier saw the opportunity and stabbed Yue Wuya in the chest!

“Puchi!”

In an instant, blood spurted out!

The ultimate husband in Chinese chapter 2246-2250

Chapter 2246

“Kill!” When the

severe pain came, Yue Wuya's blood was aroused, his eyes were blood red, and he roared like crazy, regardless of his injury, he swung the overlord hammer fiercely, smashing several soldiers in front of him. !

But at this moment, several soldiers attacked from behind, raised their spears, and stabbed Yue Wuya in the back!

“Puchi! Puchi!”

Yue Wuya couldn't dodge in time, his whole body was almost pierced, his body trembled, blood spurted out with a wow, and he fell to the ground at once!

“Brother!”

Seeing this scene, Han Bing's tender body trembled, and she cried out all of a sudden, tears streaming down her cheeks. The so-called brother and sister are connected to each other. Seeing that brother was injured so badly, Han Bing only felt that one of his own hearts had to be broken. Broken.

“The sword turns the world.” In the

next second, Han Bing's pretty face was frosty, her red lips were slightly open, and the cold words slowly came out of her mouth. At the same time, the figure flew into the air, the jade hand reversed, and the internal force exploded.

hum!

In a short blink of an eye, thousands of air currents oscillated in the air, and then formed a series of dazzling sword shadows. These sword shadows were all illusions of internal force, but they were extremely sharp, as if the air was torn apart, and they flew instantly. Ride to the surrounding Tianyu.

That's right, what broke out in the ice was a stunt in the inextinguishable scriptures, the sword turned the world!

Originally, Han Bing didn't use it easily, because it consumed too much internal energy, but seeing that his brother was at stake, Han Bing couldn't take care of it so much.

Whoosh whoosh!

Thousands of sword shadows cut through the air. The speed was really too fast. In the blink of an eye, they arrived in front of those Tianyu cavalry, only to hear a scream. Many Tianyu cavalry soldiers screamed and fell in a pool of blood. among.

This chapter is provided by . Visit [for daily update.](#)

Dengdengdeng...

Baizhan is the commander of the Heavenly Feather Cavalry, with the strength of the second rank of Martial Emperor, but facing the stunt of Frost's Sword Turning Heaven and Earth, his blood surged, and he was shocked back dozens of steps in a row.

This...

After stabilizing his figure, Bai Zhan looked at Han Bing closely, shock flashed in his eyes, and he was also annoyed.

As expected of the apprentice of the military teacher, I thought that this girl was not very powerful, but I didn't expect it to explode with such powerful power.

Although Han Bing has always followed the Northern Ying army, he has never shown his strength.

Huh...

The surrounding Tianyu knights also looked at the ice closely, their eyes filled with fear and fear.

"Brother..."

At this moment, taking advantage of Bai Zhan's failure to respond, Han Bing quickly came over, grabbed Yue Wuya, flew into the distance, and disappeared from everyone's sight in the blink of an eye.

"Bang!"

Bai Zhan was anxious and angry, he slapped the tree next to him with a palm, and watched Han Bing lead Yue Wuya to escape, his face was extremely ugly.

"Leave some people to treat the wounded, and the rest, continue to chase after me! No matter what, I can't let them run away!" A cold voice came from Bai Zhan's mouth. He clenched his fists tightly, unspeakably annoyed.

Thousands of Tianyu cavalry surrounded them, and finally let them run away! When this news came out, Tian Yuqi's prestige was gone.

More importantly, if you go back empty-handed, you will not be able to communicate with His Majesty, so no matter what, you must catch them.

"Yes!"

In an instant, the surrounding soldiers responded in unison, and then, half of them stayed behind to treat the wounded, and half of them rode on the big bird and chased in the direction where the two of them fled!

the other side.

Han Bing took Yue Wuya and flew forward desperately. She was already very tired, but she didn't dare to stop. Because Han Bing knew that Tian Yu Qi would not stop there, and would definitely chase after him. Once he stopped, he would be intercepted by them again.

Yue Wuya's face was pale, because he lost too much blood and was very weak, but he still tried to keep himself awake and be alert to the direction behind him.

Finally, after flying for four hours, Yue Wuya said softly: "Sister, stop, those Tianyu Qi have been successfully thrown away by us!"

On the way, I did not see Tianyu Qi, it must have been successful Dumped.

Chapter 2247

Hmm!

Han Bing responded, looking at the woods below, the figure slowly descended.

At the moment of landing, Han Bing first helped Yue Wuya to deal with the wound, and then took out the elixir on his body and gave it to Yue Wuya. Since childhood, Han Bing followed her mother through the rivers and lakes, and always carried the elixir with her, but she was chased by Tian Yuqi before, so she had no chance to take it for Yue Wuya.

To tell the truth, after flying all the way, Han Bingxiang was dripping with sweat and exhausted, but he still considered Yue Wuya's safety for the first time.

Soon, after taking the elixir, Yue Wuya's pale face recovered a bit of blood.

call!

Seeing that Yue Wuya was all right, Han Bing let out a long sigh of relief, and the big stone hanging in his heart finally fell to the ground.

Um?

However, at this moment, when Han Bing saw the seaside city not far away, his body trembled!

Not far away, there is a prosperous seaside city. On the hillside of the city by the sea, stands an antique attic.

It is the star building in Donghai City.

That's right, Hanbing took Yue Wuya and fled in a panic and came to Donghai City.

The next second, Han Bing calmed down and said to Yue Wuya, "Brother, what should we do next?"

When he said this, Han Bing was very anxious.

To be honest, Han Bing really wanted to take Yue Wuya back to the Valley of the Wicked to join Yue Feng, but it was too far away from the Valley of the Wicked, and Yue Wuya's injuries were still unhealed. If halfway through the road, if he encountered Tianyu Qi again, it would be troublesome. .

Yue Wuya did not respond immediately, but his eyes flickered, looking at Donghai City not far away in a trance!

"Sister!"

Finally, Yue Wuya reacted and said slowly: "Our current situation is definitely impossible to go back to, why don't we take a boat and return to the Tianqi Continent, and wait for me to report the situation here to the royal father. After that, let's make plans."

Although King Guangping no longer called himself emperor after he surrendered to Yang Jian, in Yue Wuya's heart, he still called his father emperor.

Yue Wuya has thought about it, since Yang Jian no longer trusts him, there is no need to surrender himself and Tianqi Continent.

This...

Hearing this, Han Bing hesitated for a while, then nodded and said, "Okay!"

Then Han Bing thought of something, and asked Yue Wuya enthusiastically: "Brother, you are healed, will you? Will you lead the Apocalypse army to help Daddy?"

Bingbing Bingxue is smart, although Yue Wuya didn't say it, he can guess that after returning to the Apocalypse Continent, Yue Wuya will definitely beg King Guangping to rebel against Yang Jian.

If this is the case, Han Bing naturally hopes that Yue Wuya can lead the army and come to the Earth Circle to help Yue Feng.

call!

Yue Wuya took a deep breath, with a complicated expression, and said slowly, "It depends on the situation."

When he said this, Yue Wuya's expression was indifferent, without the slightest fluctuation, but his heart was full of mixed feelings.

Having been led all the way to escape by Han Bing before, Yue Wuya thought about it a lot, and suddenly understood a lot. He realized that he was really too extreme towards Yue Feng before, and he felt a little regretful. At the same time, he thought about how to help Yue Feng, his biological father.

It's just that Yue Wuya is just at the age of vigor and vitality, and he values face very much. How can he say these things on his mind?

"Okay!" Han Bing nodded with a smile.

She was icy and smart, and she quickly guessed Yue Wuya's thoughts, knowing that her brother was willing to help her father, but she refused to say it out of face.

Afterwards, the brother and sister took a short rest and walked towards Donghai City.

The Apocalypse Continent and the Earth Circle Continent are separated by the sea. From the port of Donghai City, it is very convenient to go back by boat.

Half an hour later, the siblings arrived at the seaside port.

Um?

However, seeing the scene in front of them, Yue Wuya and Han Bing looked at each other and were both shocked and angry.

Chapter 2248

saw that on the seaside of the port, nearly 10,000 people from Jianghu sects gathered, robbing the fishing boats of the people, and the scene was chaotic.

These sects include Tangjiabao, Beggar Gang, and Hollow School, etc.

Yes, it was those sects who fled without a fight before. They fled all the way to Donghai City, and decided to rob the people's fishing boats and go overseas to avoid war.

Because in the hearts of people like Tang Qingyun, the Earth Circle Continent will definitely not be able to keep it, it is better to save one's life and preserve its strength.

These fishing boats on the coast were all used by nearby fishermen to support their families, but at this time they were brutally snatched away by the Tangjiabao sects.

Yue Wuya and Han Bing saw that many people were crying and grabbing the ground, trying to snatch the fishing boat back, but are they the opponents of these arena experts? One by one, they were beaten on the beach, unable to fight back.

And those sect masters, who robbed the boat, still plausible and arrogant.

“Made, hurry up and get out...”

“I have worked hard to protect you for so long, and I want your boat to be deserved, don’t know how to praise...”

“No more nonsense, kill you all...”

Under the intimidation of these sect masters, those people dared not speak out, and could only leave in despair.

Swish!

Seeing this scene, Yue Wuya’s face was ashen and angry.

Although Yue Wuya has never admitted that he is a person from the Earth Round Continent, he has inherited Yue Feng’s temperament in his bones, and hates evil like hatred.

The ice beside him was also trembling with anger.

Then, the siblings walked over quickly.

“You guys!”

When he arrived, Yue Wuya looked around and said coldly: “Give me the boat back! You are still claiming to be decent and snatch the people’s things, don’t you feel ashamed?”

” Ling Ran made a loud noise.

Swish!

In an instant, the masters of several sects all focused on Yue Wuya, and they were all shocked and angry.

is this kid?

Although the Northern Ying army invaded the Diyuan Continent, Yue Wuya never participated in the war, but as the prince of Apocalypse Continent, he had cooperated with Zhou Qin before, and everyone knew Tang Qingyun naturally.

“Boy!”

Finally, everyone reacted, and someone shouted, “Whether we rob the people or not, what’s your business?” The

voice fell, and many people nodded in agreement.

Yue Wuya’s face flushed, and he was speechless with anger.

“How reasonable is it to bully the weak with a gun? I’m really ashamed of you!”

At this moment, Han Bing couldn’t bear it anymore, and shouted tenderly, “Now when the Earth Circle Continent is in danger, you are not going to resist the Northern Ying army, but you are here. If you harm the common people, you will lose all the faces of the people in the world. If you still have any conscience, return these boats to the common people.”

Shua!

Hearing this, Tang Qingyun and many people around were speechless, and at the same time, there was a bit of shame on their faces.

“Ha ha...”

Soon, Tang Qingyun reacted, sneered, and mocked at the ice: “The Northern Ying army is powerful, and the Earth Circle Continent can’t be resisted at all. It is wise for us to retreat. Even if we are afraid of death, what do you two have? Qualified to make irresponsible remarks? Your father, Yue Feng, was fighting to the death with the enemy in the Valley of the Wicked, but you all came here and pointed fingers at us, hehe...”

After the last sentence, Tang Qingyun’s face was full of disdain.

The voice fell, and many people followed suit.

“Looking at their appearance, they also fled here...”

“That is, as a child, you don’t even care about your own father, and you still have the face to talk about us?”

“They are all deserters, and they pretend to be righteous, what are they pretending to be? ?”

Chapter 2249

The ridicule of everyone, you and I came, Han Bing clenched his pink fist tightly, stomping his feet angrily, but was speechless to refute.

Because everyone was right, the two brothers and sisters had indeed escaped here.

“Stop talking nonsense!”

At this moment, Yue Wuya couldn't bear it anymore, his inner anger was rising, and he shouted angrily: “I'll say it one more time, hurry up and return the boat to the people, or don't blame me for being rude.

” Falling down, Yue Wuya summoned the Overlord Hammer and held it tightly.

“Stinky boy!”

Tang Qingyun was also completely angry, and responded coldly: “It's your face, we just don't pay it back, what can you do?”

Seriously, if it was before, Tang Qingyun would never dare to talk to Yue Wu like this. When Ya speaks, you must know that Yue Wuya is the prince of Tianqi Continent. Even if Tianqi Continent falls and becomes Yang Jian's territory, the identity of this kid in front of him cannot be underestimated.

But now, I and a few sects urgently need to flee overseas, where can I take care of so much?

More importantly, Yang Qingyun noticed that there were only two people in Yue Wuya and Han Bing, and Yue Wuya's face was weak, obviously injured and not afraid at all.

“A bunch of scum!”

Yue Wuya was too lazy to talk nonsense, he shouted angrily, clenched the Overlord's Hammer tightly, and came directly to Tang Qingyun.

Speaking of which, Yue Wuya is not such a reckless person, and since his injuries have not yet healed, he will not make such an irrational shot, but these people are really hateful, they have done bad things, and they seem to take it for granted and do not teach them a lesson. They are hard to be outraged.

“Brother, be careful!”

Seeing this scene, Han Bing was very anxious, shouted, and drew his long sword, followed by him.

“I don't know whether to live or die!”

Seeing the Yue Wuya brothers and sisters rushing towards him, Tang Qingyun's eyes flashed gloomy and cold, and he shouted: “Everyone get on, kill them quickly, and then go to sea by boat.” The

voice fell, Tang Qingyun's inner strength exploded, Directly to meet Yue Wuya.

Whoa!

At the same time, the surrounding Tangjiabao disciples, as well as the beggar gang and the Kongtong faction, also erupted.

In the blink of an eye, the two brothers and sisters were surrounded, and the two sides fought fiercely.

Due to the fact that Yue Wuya's internal strength has not fully recovered, facing the siege of Tang Qingyun and others, the situation is very thrilling, almost dangerous, but with the protection of ice around him, he can always turn danger into danger.

hateful!

Tang Qingyun became more and more frightened as he fought, and his face was extremely ugly. He thought that if so many people besieged the two brothers and sisters, the battle would soon be over. After all, Yue Wuya was injured.

But I never thought that Han Bing's strength was beyond everyone's imagination, not only successfully protecting Yue Wuya, but also suppressing everyone without the ability to fight back.

At this time, Tang Qingyun seemed to have forgotten that at the beginning of Mount Emei, when Han Bing displayed the true immortal scriptures, Zhou Qin was no match, let alone them.

“Quick!”

After a few minutes, Tang Qingyun stopped fighting and shouted at the people on the boat: “Start the fishing boat, everyone hurry up, don't get entangled with these brothers and sisters .

“

At this point, many people returned to the boat, and suddenly, nearly a hundred fishing boats made a roar of engines.

At this moment, Tang Qingyun also turned around and ran.

Whoosh!

Yue Wuya's internal strength was seriously exhausted, and he could not catch up. He raised his hand and waved, and the Overlord Hammer roared out, like a shooting star, hitting Tang Qingyun's back, he heard Tang Qingyun groan, a mouthful of blood spurted out, and the figure quickly landed. , but a few Tangjiabao disciples, with sharp eyes and quick hands, flew up together and caught Tang Qingyun.

pat!

However, a kraft paper package fell out of Tang Qingyun and landed on the beach.

Swish!

Tang Qingyun's face changed, and he wanted to rush over and pick up the package, but he was afraid of Yue Wuya and his sisters, so he could only resist the impulse.

Chapter 2250

“Want to run?”

Yue Wuya retrieved the Overlord's Hammer and wanted to continue the pursuit. Suddenly, his body trembled and he spat out a mouthful of blood. He was also half-kneeling on the beach. After another fierce battle, Yue Wuya was almost exhausted, and his strength was completely drained.

“Brother!”

Seeing this scene, Han Bing walked over quickly, supported Yue Wuya, and asked worriedly, “Are you alright? How is it?”

Yue Wuya didn't speak, and shook his head to indicate that he was alright.

At this time, Yue Wuya only felt exhausted and lost the strength to speak.

Tutu ...

Taking this opportunity, Tang Qingyun and the people from all sects quickly drove the fishing boat towards the sea in the distance.

“Yue Wuya!”

At this moment, Tang Qingyun stood on the deck, staring fiercely at Yue Wuya, with unspeakable resentment: “I remember you! I will definitely ask you to settle today's account. .”

When saying this, Tang Qingyun glanced at the package that fell on the beach, very unwilling and annoyed. In that package, the treasure that he had hidden for many years was just dropped and he couldn't get it back, which was really annoying.

call!

Hearing Tang Qingyun's words, Yue Wuya's face was cold, without the slightest fluctuation.

Han Bing quietly stood beside him, not leaving for a moment.

To be honest, Han Bing really wanted to catch up and subdue Tang Qingyun, but his brother's condition was so bad that he had to be by his side at all times.

Soon, Tang Qingyun and everyone gradually disappeared into the vast sea.

call!

After more than ten seconds, Yue Wuya felt better, stood up, picked up the kraft paper package, and opened it.

At this time, Yue Wuya was very curious about what was inside that could make Tang Qingyun so anxious.

Han Bing couldn't help it, and came over to watch.

hiss.

At this moment, when they saw the contents of the kraft paper, both Yue Wuya and Han Bing trembled and were stunned!

Inside the kraft paper is an old sea chart.

Various sea areas, as well as large and small islands are carefully drawn on it...

It is just used to mark these sea areas and islands. It is an ancient script, which is obscure and difficult to understand. Yue Wuya and Han Bing do not know each other. ignorant.

"Brother!"

After a few seconds, Han Bing reacted and pointed to a sea area on the map: "This place is marked with a red line. It is so special. Will there be treasures hidden?"

Following the direction of Bing Bing's fingers, As you can see in this chart, there is a sea area, which is specially marked with a red line, which is very special.

call!

Yue Wuya took a deep breath and shook his head.

After careful observation for a while, I couldn't understand the ancient characters above, and I didn't understand what it meant at all.

At this time, the brothers and sisters did not know that this was a "Returning to the Ruins Surveying Sea Map", which has a history of more than 3,000 years. It marked the differences of all sea areas and islands in detail, and also contained many secrets of the sea. .

"Sister!"

After watching for a while, but unable to see the famous hall, Yue Wuya took a deep breath and said to Han Bing: "Let's go back to the Apocalypse Continent first, and then we have time to study this chart carefully." Put the charts away.

In Yue Wuya's heart, the most important thing at this time is to return to Tianqi Continent, persuade King Guangping, and then come to support Diyuan Continent. As for this chart, what it does is not important at all.

Um!

Han Bing nodded, and then the two got on a boat. Before Tang Qingyun, everyone fled in a hurry, and there were several boats left by the sea.
