

The ultimate husband in Chinese chapter 2281-2290

Chapter 2281

Huh?

Feeling Gonggong's attitude, Yue Feng frowned secretly, inexplicably surprised.

Didn't this woman always want to kill herself? Why are you talking so well all of a sudden?

In a daze, Yue Feng said with a smile: "Look for me? I don't know your Excellency Gonggong, what are your orders?"

"The Chaos Mountains are in crisis, and Kyushu Continent is duty-bound!" Gonggong smiled lightly and said slowly: "For the sake of The Kyushu Continent Alliance, together against the Rakshasa, your Majesty specially ordered me to discuss the details with you."

When he said this, Gong Gong had a smile on his face, but his heart was extremely cold.

That's right, Gonggong came to assassinate Yue Feng on Yang Jian's order. In order not to be suspicious of Yue Feng, he naturally had to show a very sincere look.

What? Discuss with me?

Yue Feng was stunned for a moment, thinking that he had heard it wrong, looked at Gonggong up and down, and joked: "I didn't expect that Yang Jian also had a time when he had the world in his heart, and even more did not expect that Gonggong, the aloof water god, would also have a day to let go of his arrogance, tsk tsk. ..."

Before, Gonggong had been chasing and killing Yue Feng, so Yue Feng had no good feelings for Gonggong. At this time, seeing her take the initiative to cooperate and her attitude is so peaceful, it is natural to joke a few words.

Swish!

Hearing Yue Feng's ridicule, Gong Gong was very embarrassed and angry, his delicate face suddenly turned red, and he shouted: "Yue Feng, don't be hilarious, I'm serious with you." After speaking

, Gong Gong looked solemn . , continued: "The people we sent have already checked the situation in the Primal Chaos Mountains. There is indeed a vision happening in the wild and strange realm on the other side. Now the situation cannot be delayed."

Damn, something really happened! ?

Hearing this, Yue Feng put away his hippie smile and his expression became solemn.

This chapter is provided by . Visit for daily update.

The next second, Yue Feng looked at Gonggong and asked, "Then you are so eager to find me, what's the countermeasure?"

"Go to the Chaos Mountains together, see the situation with your own eyes, and then discuss it."

His face was serious, but Gonggong's heart was a little excited.

On the way here, Gonggong decided that since he was going to assassinate Yue Feng and make an unexpected appearance, he had to ask him out alone. It was best that no one else knew about it. At this time, he met Yue Feng alone. , it can be said to be a godsend opportunity, but this is the suburb of Zhongzhou City.

Therefore, Gonggong came up with a reason to invite Yue Feng to go to the Chaos Mountains together. From Zhongzhou City to the Chaos Mountains, there are thousands of mountains and rivers, and there must be many opportunities for assassination along the way.

Go to the Chaos Mountains together?

Hearing this, Yue Feng scratched his head, looked at Gong Gong and said with a smile: "That's right, but I have already sent someone to the Chaos Mountains, and I have other things to do, why don't you set off first, I'm done. Well, let's meet in the Chaos Mountains, how?"

I received an invitation to help Moroye to lobby the Dugu family, how could Gonggong and Gonggong go to the Chaos Mountains now?

This...

Gong Gong was in a hurry and couldn't help but ask: "What is more important than exploring the Chaos Mountains?"

Yue Feng smiled and said what Moroye asked for help.

It turned out to be so.

Hearing this, Gonggong rolled his eyes and said, "In that case, I'll go with you." There is still some distance to go to Zhongyuan Continent, and there is also a chance to assassinate.

Huh?

Seeing that Gonggong was very active, Yue Feng was stunned for a moment, and was very puzzled.

Strange, this Gonggong has always been the goddess of icebergs, but now even because of the Chaos Mountains, she is too active. This is not her style.

But Yue Feng didn't think much about it, and said with a smile: "Okay, but you don't have to go to the Zhongyuan Continent. You have to listen to me." Just

kidding, this is the existence of the water god that the world respects. The arrogance of the family is irritated, and if they fight, it will be troublesome.

"Okay!" Gonggong thought for a while and nodded in agreement.

As long as Yue Feng promises to follow, there will be an opportunity to assassinate him, and the rest doesn't matter.

So obedient?

Seeing Gonggong's agreement, Yue Feng changed his mind and said with a smile: "Well, in order to make sure you don't talk casually and make sure that everything is obeyed by me, let's try it first. Come on, call my husband to listen to me."

Chapter 2282

Yue Feng gave a wicked smile when he said this.

This Gong Gong is usually high above, and there are not many opportunities to joke with her.

"You..."

At this moment, Gonggong's delicate face turned red all of a sudden, his body trembled with anger, and he scolded angrily: "Yue Feng, have you played enough? I'll kill you if you keep doing this.

", but Gonggong did not intend to take action.

To be honest, Gonggong at this time really wanted to kill Yue Feng immediately, but he held back when he thought of Yang Jian's advice that Yue Feng should die unexpectedly.

"Okay..."

Seeing Gonggong's anger, Yue Feng quickly waved his hand and said with a smile: "Don't be serious, it's just a joke, okay, let

's go!" When he said this, Yue Feng looked at him with a smile. Gonggong, indescribably happy in his heart, then walked towards the direction of Zhongyuan Continent.

Gong Gong glared at Yue Feng and followed.

call!

Seeing Gonggong following up behind him, Yue Feng couldn't help but take a deep breath and muttered secretly.

This Gonggong really wants to go to Zhongyuan Continent with himself?

"Master!"

At this moment, in the Linglong Pagoda, Pang Tong's voice sounded, showing a bit of solemnity: "This Gonggong has always been arrogant and arrogant, he tried to persuade you to surrender in Zhongzhou City, but was tricked by you, according to her Personality, I will never give up, but now, I am obeying your words, there must be something wrong."

After speaking, Pang Tong thought for a while, and continued: "In my opinion, this Gonggong must have a different purpose, please be careful with the master. cautious."

As a famous strategist in the Three Kingdoms, Pang Tong has a long-term plan. Although he has not guessed what Gonggong is going to do, it will definitely not be a good thing, so he can't help reminding Yue Feng.

Um!

Hearing this, Yue Feng nodded silently in agreement.

Pang Tong is right, this Gonggong is too suspicious, and he must be careful.

.....

At this moment, the wild and strange realm.

In the open space near the Chaos Mountains, the Rakshasa Army built a huge camp here. The camp is very simple, almost made of wood and animal skins. It is rough and simple, and it is full of primitive and barbaric atmosphere.

The Rakshasa people have been exiled in the wild and strange land for thousands of years. Today, although they have grown, because of the harsh environment here, their civilization has not improved much, and they still maintain their primitive habits.

call! call! call!

On the mountain wall not far from the camp, a dozen giant giants, with the help of Rakshasa soldiers, were still absorbing the power of heaven and earth.

The wild and strange realm is a dark place formed after Pangu opened the world. It is dark all year round and evil spirits are rampant. Therefore, the beasts that can survive in this kind of place are not comparable to ordinary spirit beasts. They have long been accustomed to the sinister environment here. .

Among the beasts in the wild and strange realm, Ju Kui is the only one that can absorb the evil energy in this world and grow his own beasts.

Therefore, the Rakshasa King found these tame giants and asked the soldiers to help them, absorb the evil energy in the world, and continue to gather strength. When these dozen giants have absorbed enough evil, they will be able to live in the Chaos Mountains. , to pave the way for the Rakshasa clan to come out.

Ugh!

Chapter 2283

At this time, in a corner of the camp, Su Qingyan stood in front of the bonfire, looking at the dozen or so giants not far away, with a bit of sadness and loneliness on her delicate face.

It has been two days since she was arrested here, Su Qingyan has already begun to adapt, but she is still a little nervous.

Two days ago, King Rakshasa wanted to kill Su Qingyan and Xu Qingyi, but he was suddenly stopped by the prince Meng Lang, and then locked up the two of Su Qingyan. In the next two days, Meng Lang kept coming over to ask about Kyushu. Continental things.

Although Meng Lang is also a Rakshasa, he is completely different from other Rakshasas. He is gentle and refined, and has the style of a humble gentleman, which is in sharp contrast with other barbaric Rakshasa.

In the face of such a person, Su Qingyan and Xu Qingyi could hardly feel disgusted, so they told Meng Lang about the situation in the Kyushu mainland. Seeing their cooperation, Meng Lang was very happy, so he released them and warned them that as long as they didn't walk around the camp, they would be fine.

Under such circumstances, Su Qingyan and Xu Qingyi were temporarily safe, but facing the hell-like environment in front of them, it was difficult for the two women to calm down. They could hardly eat or sleep well.

call!

At this moment, Su Qingyan looked at the giants not far away, her heart trembling faintly.

Such a huge spirit beast, if it hadn't come to the wild and strange realm, I'm afraid I'd never see it in a lifetime. Can they really smooth out the Chaos Mountains?

And the strength of this army of millions of Rakshasa is too terrifying. Once it crosses the Chaos Mountains, the Kyushu Continent will definitely be wiped out.

Behind Su Qingyan, Xu Qingyi was lying on an animal skin, resting with her eyes closed, her eyelashes trembling slightly, which was pitiful.

Like Su Qingyan, Xu Qingyi spent the two days of being arrested in panic.

wow wow wow...

At this moment, there was a sound of footsteps, and then, more than a dozen Rakshasa soldiers came over, the one headed, wearing white animal skin soft armor, holding a long knife, majestic.

The man is in his mid-twenties. He is tall and has sharp facial features. He is somewhat similar to Meng Lang, but he has a completely different temperament compared to Meng Lang's gentleman's style. There is a fierce light in his eyes, revealing a kind of savageness in his bones. .

It is Meng Lang's younger brother, Meng Ao!

"Tsk tsk..."

When he came to the front, Meng Ao looked at Su Qingyan up and down, and couldn't help but admire: "I heard from my ancestors when I was a child that all the women in the Kyushu continent are very handsome. I didn't believe it at the time. It's true." Huh

!

Meng Ao's unbridled gaze made Su Qingyan feel uncomfortable, her delicate face suddenly flushed red, and she was utterly embarrassed, but sensing Meng Ao's strength, she did not dare to scold.

Su Qingyan clearly felt that Meng Ao, who was in front of him, was not very young, but his strength was astonishing.

A man who is only twenty years old has the strength to cross the Tribulation Realm, which is too terrifying.

Yes, as the son of King Rakshasa, Meng Ao is very gifted and born with divine power, especially when he is a cultivator, he has a very high talent. A giant, eighteen-year-old, enjoys the name of the 'God of War' in the Rakshasa.

Meng Ao is brave and good at fighting, and like his elder brother Meng Lang, he is deeply loved by the Rakshasa King.

Growing up under the halo since childhood, Meng Ao has a wild and unruly personality and acts as he wants. When he learned that his eldest brother was under his father's hands, he saved two girls from the Kyushu continent, and he was very beautiful, so he immediately came over to see.

call!

At this time, Meng Ao, looking at Su Qingyan in front of him, and Xu Qingyi who was resting, couldn't move his eyes away.

To be honest, Su Qingyan and Xu Qingyi are famous goddesses in the Kyushu mainland. After arriving in this hellish wild and strange realm, they are even more like fairies, which makes people who have never seen Kyushu beauties confused. Proud, couldn't help but be amazed. These two are like fairies in the sky. Their looks and bodies are simply amazing!

After a few seconds, Meng Ao reacted and walked slowly towards Su Qingyan.

Watching from a close distance, Meng Ao nodded again and again, couldn't help but stretched out his fingers, pinched her chin, and said with a smile: "Beauty, rumor has it, your Kyushu women are not only long water spirits, but also good at singing and dancing, come here. Come, let me appreciate your dance!"

Chapter 2284 The

tone is gentle, but unquestionable.

To be honest, after being attracted by Su Qingyan's beauty, Meng Ao wanted her to be his own woman, but the Rakshasa clan had been exiled for thousands of years, and their ancestors regarded the Kyushu Continent as their enemy.

Moreover, the ancestors of the Rakshasa had left a will, warning the descendants of future generations, if they could cross the Chaos Mountains and see the people of the

Kyushu continent, they must kill them all, and never become friends with them or marry them.

Although Meng Ao was wild, he also knew how to obey the orders of his ancestors and resisted the idea of occupying Su Qingyan.

“No!” The

cold words came out of Su Qingyan’s mouth without any hesitation!

hiss!

The surroundings were suddenly silent, and all the Rakshasa soldiers around were looking at Su Qingyan!

She.. she said no? This is clearly not wanting to dance to the second son.

In the wild and strange realm, the second son is proud, but the god of war of the Rakshasa, no one dares to reject him like this!

At this moment, Meng Ao’s face suddenly changed. You must know, in front of so many subordinates, being rejected by this Su Qingyan like this, where would you put your face?

At this time, Meng Ao’s eyes flashed with evil spirits, and the atmosphere was extremely solemn. The Rakshasa soldier next to him didn’t even dare to breathe.

Finally, at this moment, Meng Ao sneered: “So delicate, yet quite temperamental.” As the

voice fell, Meng Ao was about to grab Su Qingyan’s wrist.

Su Qingyan ducked for a while, and she was shocked and angry: “Please show some respect.”

When she said this, Su Qingyan was extremely nervous. She had never encountered such a thing before, and this Mengao is also a Rakshasa clan. Famous people, but dishonest, and in front of so many subordinates!

Um?

Seeing Su Qingyan dodging, Meng Ao was very displeased and shot again!

This time, Meng Ao used his inner strength, but Su Qingyan didn’t dodge, her wrist was tightly grasped.

Immediately afterwards, Meng Ao showed a wicked smile on his face, got closer, sniffed softly in front of Su Qingyan, and sneered: "Tsk tsk, the women in the Kyushu continent are really fragrant. I don't know if their body is better. Our Rakshasa women are small and exquisite." After speaking

, Meng Ao looked around and said loudly, "Do you want to take a look?"

Yes, there was an ancestor's order, Meng Ao didn't want to sully Su Qingyan, but she Such refusal made Meng Ao angry and wanted to humiliate Su Qingyan.

Meng Ao thought about it, and after humiliation, he killed him directly.

The surrounding Rakshasa soldiers roared and responded, and at the same time looked at Su Qingyan and laughed evilly.

"Think!"

"Haha..."

At this moment, Su Qingyan's tender body trembled, her face paled, and she was shocked and angry.

If you are seen by these Rakshasa people, you might as well die happily.

In shame and anger, Su Qingyan was about to struggle, but she was sealed by Meng Lang before, and Meng Ao in front of her was the strength of transcending tribulation, and she couldn't break free at all.

"Take off your dirty hands!"

At this moment, a coquettish shout came from behind, and when he looked back, he saw that Xu Qingyi woke up at some point, and looked at Meng Ao with shame and anger. Body trembling.

Xu Qingyi had just fallen asleep when she was woken up by Meng Ao who suddenly appeared. When she opened her eyes, she saw that Su Qingyan was tightly grasped by Meng Ao and was about to be humiliated.

Although they have not known each other for a long time, they have experienced so much together in the past few days. Xu Qingyi and Su Qingyan have become friends through adversity. When Qingyan was about to be humiliated, Xu Qingyi couldn't help it.

To be honest, Xu Qingyi was also nervous in the face of Meng Ao, but her personality was tenacious and unyielding, and she would rather die than let her sister be humiliated.

Swish!

Chapter 2285

Meng Ao frowned, his eyes locked on Xu Qingyi.

“Kill her first, and feed the corpse to Ju Kui!” The cold voice came from Meng Ao’s mouth. It was extremely cruel and had no humanity at all.

At this time, Meng Ao was very angry. This woman dared to say that she had dirty hands. If she didn’t kill her, how could she maintain her prestige?

Whoops!

The words fell, and several Rakshasa soldiers walked quickly and surrounded Xu Qingyi.

“Don’t...” Seeing this scene, Su Qingyan’s tender body trembled, she couldn’t help exclaiming, and tears flowed out.

Afterwards, Su Qingyan pleaded with Meng Ao: “Please, don’t kill her, don’t you want to watch me dance? I dance, can’t I dance...”

Su Qingyan was kind in her heart, and she and Xu Qing Yiqing felt the same way as her sisters. Seeing that Xu Qingyi was going to be killed because of herself, she immediately let go of all her dignity in a hurry.

Haha...

Meng Ao sneered, with a proud look on his face: “I’m not interested in watching you dance now, I just want to see your companion being eaten by the giant, haha...” The

voice fell, and Meng Ao looked up to the sky. Laughing loudly, his expression full of madness, the savagery and cruelty of the Rakshasa people were vividly portrayed by him at this moment.

“You...”

Hearing this, Su Qingyan’s delicate face was extremely pale, and she was speechless in anger.

At the same time, knowing that she had no hope of living, Xu Qingyi also gave up her struggle and closed her eyes in despair.

At the same time of despair, my heart is filled with endless fear.

Being eaten by a giant is the most terrifying thing in the world for a woman like Xu Qingyi.

For a time, Xu Qingyi's eyes were red, and tears couldn't help falling.

"Stop!"

Just when Xu Qingyi was about to be sent to feed Ju Kui, suddenly, a cold scolding came, and then, a tall figure appeared in front of everyone.

It is Meng Ao's elder brother, the prince Meng Lang.

call!

Seeing Meng Lang, Su Qingyan and Xu Qingyi did not have the slightest surprise, and became even more uneasy.

At this time, Meng Lang looked around and roared at the Rakshasa soldiers: "I said that no one is allowed to approach this place. Who let you in?"

After speaking, Meng Lang pointed at Xu Qing Yi, there is no doubt: "Release immediately." The

few Rakshasa soldiers were silent, and they didn't dare to let out the air, so they quickly untied the ropes on Xu Qingyi's body.

"Big brother!"

Seeing this scene, Meng Ao was a little anxious, and couldn't help shouting: "These two women from the Kyushu continent dare to ignore me, I have to kill them to get out of my anger, why should I loosen the bond?"

"!"

Meng Lang took a deep breath and scolded: "These two women, I keep them useful and can't kill

them for the time being." When he said this, Meng Lang's face was resolute and could not be refuted, and at the same time he couldn't help but watch He glanced at Su Qingyan and Xu Qingyi.

Meng Lang is free, intelligent and eager to learn. He is especially curious about unknown things. After learning about the outside world that there is a Kyushu continent at a young age, Meng Lang's curiosity was instantly hooked. Although the ancestors of the Rakshasa tribe left a lot of records about the continent of Kyushu, those descriptions in few words could not satisfy Meng Lang's thirst for knowledge.

Therefore, when King Rakshasa wanted to execute Su Qingyan and Xu Qingyi, Meng Lang stopped them in time. Whether it was out of curiosity or to help the Rakshasa army understand the situation in the Kyushu Continent, he had to learn more about the Kyushu Continent from the mouths of Su Qingyan and the two women.

In the past two days, in Su Qingyan and Xu Qingyi's narration, Meng Lang was deeply attracted by the situation in the Kyushu mainland, as well as the human geography and culture. He was born to learn, and he was very curious. After knowing a little, he wanted to know more. How could he let his brother kill these two women? !

it works?

Hearing this, Meng Ao was stunned for a while, and then said unwillingly: "Brother, what is the use of two girls? You don't want to take it for granted that you see them as beautiful as fairies? You don't want them? Forgot the ancestral teaching..."

The ultimate husband in Chinese chapter 2286-2290

Chapter 2286

Meng Ao is short-tempered and has a simple idea. He thinks that his eldest brother is attracted by the beauty of Su Qingyan and the two women, so he is reluctant to kill him.

Just before he finished speaking, he was interrupted by Meng Lang.

"Shut up!" Meng Lang shouted angrily and said word by word, "I keep them in order to successfully attack the Kyushu Continent in the future, entirely for the sake of our Rakshasa clan... I won't say more, You take people and leave here immediately." The

voice was not loud, but it was full of majesty.

"I..." Meng Ao was very unwilling, but he was speechless to refute. Seeing that he had not left yet, Meng

Lang was too lazy to talk nonsense, and said coldly: "Second brother, you don't even listen to the elder brother now, do you?"

"

, and then left with the surrounding Rakshasa soldiers. The relationship between the two brothers has always been good. From childhood to adulthood, Meng Ao listened to Meng Lang's words. At this time, seeing that his brother was really angry, Meng Ao did not dare to be presumptuous.

call!

Seeing Meng Ao leading people away, Su Qingyan and Xu Qingyi were both relieved, but they still had some lingering fears when they thought of the scene just now.

“You two are frightened!” Meng Lang came over with a smile and said apologetically, “My brother is too reckless, don’t mind, I will protect the celebrity here later. What happened today will never happen in the future.”

Xu Qingyi squeezed out a smile and said nothing.

“But...” Su Qingyan was still in shock and couldn’t help but said: “If your brother comes again, I’m afraid your subordinates won’t be able to stop it.”

When she said this, Su Qingyan remembered the proud look just now, very afraid.

Fortunately, Meng Lang came in time, otherwise, he and Xu Qingyi would really be fed to Ju Kui.

This chapter is provided by . Visit for daily update.

As soon as the words fell, Xu Qingyi couldn’t help but say, “Yeah, if you told him in front of so many people just now, he must have felt resentful, very unwilling!

” Qingyan and Xu Qingyi would not talk so much to Meng Lang. After all, Meng Lang was the son of the Rakshasa clan with a special status. But after two days of contact, I found that Meng Lang was very different from other Rakshasa people. He didn’t have that kind of primitive brutality, but instead had the elegance of a scholar.

More importantly, Meng Lang saved the lives of both of them just now. Therefore, Su Qingyan and Xu Qingyi both expressed their concerns without concealment.

Haha...

Hearing this, Meng Lang couldn’t help laughing and comforted: “You don’t have to worry about this, our brothers are in a good relationship, so there will be no conflicts because of these things, and in the future, my father will The throne has been passed on to me, even if my younger brother is not happy, he will not dare to yell at me!”

What? Throne?

At this moment, both Su Qingyan and Xu Qingyi trembled in their hearts, they were very shocked!

This... this Meng Lang is the next generation of Rakshasa King?

At this time, Su Qingyan and Xu Qingyi did not know that the customs of the Rakshasa were very different from those of the Kyushu continent. When the emperor of the

Kyushu continent was elected as the prince, he would pass various tests and tests. , regardless of ability, the eldest son succeeds the throne, and this has always been the case for thousands of years.

In other words, even if Meng Lang in front of him is a brave and reckless man, he is also the heir of the next Rakshasa King.

In shock, Su Qingyan and Xu Qingyi looked at each other and exchanged eye contact.

Su Qingyan and Xu Qingyi are both smart women. They both thought about the same question at this time. Since Meng Lang is the next generation of Rakshasa King, he will try his best to teach him the civilized etiquette of the Kyushu continent. , to improve his quality and mind, in this case, he will lead the Rakshasa clan in the future, and he will not be random, which will be of great benefit to the Kyushu continent.

“Okay!”

At this moment, Meng Lang sat on the animal skin next to him and looked at Su Qingyan with a smile: “Yesterday you talked about the royal family of the Tianqi Continent, trouble you two, talk more today A little...”

Hmm!

Su Qingyan and Xu Qingyi nodded at the same time, then sat aside and began to explain carefully.

Chapter 2287

Su Qingyan used to be the suzerain of Wenzong in Dongao Continent. He was good at both calligraphy and painting, and Xu Qingyi was also a well-known talented girl in Xi Cang Continent. She was well versed in astronomy and geography. In the future, I will be a wise leader and reduce the harm to the Kyushu Continent. I will explain it very carefully.

.....

Zhongyuan Continent, Tianzhong City!

Tianzhong City is one of the largest cities in the Zhongyuan Continent. The Zhongyuan Continent is located in the Kyushu. It is rich in treasures and has outstanding people. Tianzhong City is also in the central area of the Zhongyuan Continent, which is called the world.

At this time, in Tianzhong City, the streets were full of traffic and a bustling scene.

At this moment, in the most prosperous city center of Tianzhong City, a young man and woman are walking slowly along the street.

It is Yue Feng and Gonggong!

Two hours ago, Yue Feng and the two arrived at the Zhongyuan Continent and were about to meet Moraye. As a result, Moraye did not wait for Yue Feng and went to other continents to lobby various forces. In Moraye's heart, the situation in the Chaos Mountains, Don't miss a moment, don't waste a minute and a second.

However, Moroye left a letter, asking Yue Feng to tell the Dugu family.

In this case, Yue Feng had to bring Gonggong to Tianzhong City as soon as possible, because the Dugu family was in Tianzhong City.

call!

At this time, Yue Feng looked around the street environment of Tianzhong City while walking, and was very emotional.

I saw that the streets were full of traffic, but most of them were carriages and rickshaws. Occasionally, a car could be seen, but it was very rare, and the buildings were not high. This scene was similar to what Yue Feng saw when he went to Dongao Continent for the first time. Both are in the beginning stage of the technology industry.

Gong Gong next to him had a dull look on his face, and his beautiful face was very calm, without the slightest fluctuation, but his heart was extremely annoyed.

Along the way, Gonggong looked for many opportunities to assassinate Yue Feng, but all failed.

What made Gonggong even more annoyed was that every time Yue Feng took a break, he would release Qiongqi and be vigilant around him, which greatly increased the difficulty of Gonggong's assassination.

Gonggong didn't know that at this time, Yue Feng had already taken precautions against her under Pang Tong's reminder.

call!

At an intersection, Yue Feng stopped, tilted his head and looked at Gong Gong with a smile: "After a while, the Dugu family will come, you wait outside, I went in and said, as long as the Dugu family is clear, we will go to the Chaos Mountains."

Gong Gong Nodding, no comments.

“Get out of the way, get out of the way!”

Just as he was talking, he heard a loud scream coming from the front, and then, a carriage ran rampantly and approached, with a man and a woman sitting on the carriage.

Um?

Seeing the scene in front of him, Yue Feng was about to dodge aside, but when he saw the men and women on the carriage, he was stunned, and then showed a smile!

Hehe...

What a coincidence, it turned out to be the two of them!

The man was well-dressed, driving a carriage, extremely fast, very arrogant and domineering, constantly yelling at the pedestrians in front of him, telling them to get out of the way.

The woman is dressed in a long white dress, with a delicate face and charming curves, but there is a trace of melancholy between her brows as she sits and bows her head thinking about something.

It was Dugu Jing and Sun Ting!

Before Yue Feng went to the Xi Cang Continent, he wanted to gather the Xi Cang army to rescue the Yuan Continent. At Canglong Pass, he met Sun Ting and Dugu Jing who were doing business before. At that time, because of Sun Ting, Yue Feng was almost besieged by the defenders of Canglong Pass. ...

Yue Feng still vividly remembers the situation at that time, so he was pleasantly surprised to see Sun Ting and the two of them.

Chapter 2288

“Get out of the way, get out of the way!”

In a blink of an eye, Dugu Jing drove the carriage to the front. Seeing that Yue Feng had no intention of dodging, Dugu Jing couldn't help shouting.

At this time, Dugu Jing had not recognized Yue Feng!

boom!

Dugujing hurriedly slowed down, but because the speed was too fast, the carriage slammed into the steps by the side of the road due to inertial traverse. After a shock, Dugujing and Sun Ting were both shocked and almost fell off the carriage.

The carriage almost fell apart and the wheels were knocked off!

When the news came, many passers-by saw the situation and gathered around to watch the excitement. Many people pointed at Yue Feng.

“This kid is about to end!”

“Yeah, dare to be the carriage of the second son of Dugu...”

“I don’t know whether to live or die...”

There was no one who sympathized with Yue Feng. In the eyes of everyone, Yue Feng was dressed up. Just an ordinary passerby, but dare to block Dugu’s carriage, what is not courting death?

“You are so blind!”

At this moment, Dugujing jumped out of the car and saw that the carriage was no longer usable. He was furious and pointed at Yue Feng and cursed: “Are you looking for death? Can’t you see the carriage coming?”

” While scolding, Dugujing looked up and down at Yue Feng, frowning secretly.

Where have you seen the man in front of you?

But for a while, I just can’t remember.

“It’s you who drove the carriage and rammed on the road, and blamed others for not giving way. What’s the reason?” Seeing that Yue Feng didn’t speak, Gong Gong couldn’t help but said.

The voice is not loud, but the words are righteous and cannot be refuted.

To be honest, the main purpose of Gonggong is to assassinate Yue Feng. It stands to reason that he will never help Yue Feng to speak, but seeing Dugujing bullying others, he can’t stand it.

“Wow...”

As soon as Gonggong opened his mouth, he immediately attracted the attention of many people. The long skirt was fluttering and the figure was hot. Such a beauty is like a fairy descending to the world, and she is the focus everywhere.

But soon, many people came back to their senses, looking at Yue Feng's eyes, showing envy and puzzlement.

This man looked sour, looking extremely mediocre, with such a beautiful woman following him. What a shit luck this is!

call!

Dugujing was also attracted by Gonggong, but after a few glances, he withdrew his gaze and pointed at Yue Feng: "Boy, I won't talk nonsense with you, this young master's carriage, because you were damaged, what do you say? Let's do it?"

Yue Feng chuckled and didn't respond. But it was secretly funny.

Before in Canglongguan, when I saw Dugu Jing for the first time, I felt that this is a playboy who likes to bully others. Now that they have reached the chassis of their Dugu family, they are even more arrogant.

"Dugujing!"

At this moment, Sun Ting got off the carriage, with a bit of displeasure on her delicate face: "Let you drive the carriage well, you have to be so reckless, it's good not to hurt anyone, Don't bully the people casually."

At this time, Sun Ting, wearing a white dress with high heels, was curvy and curvy. Compared with the public, she was a little less arrogant and had a graceful intellectual beauty.

wow.

As soon as Sun Ting appeared, there was an instant agitation around her.

Many men couldn't hide their excitement and stared at Sun Ting, their eyes straight.

As expected of the eldest miss of the Sun family, she is so beautiful. If she is fortunate enough to marry her back home, it will be worth it in this life!

"Teacher?"

Yue Feng was stunned when the beauty in the car came over. Isn't this woman Tang Lan, the head teacher of the high school? !

Then I remembered that Li Qin told himself before that the head teacher also wanted to enter the entertainment industry.

At that time, I agreed, and left it to Han Yue to make arrangements.

It looks like this, Tang Lan is here for an interview today.

“Cousin?” Seeing Sun Ting coming down, Dugujing squeezed out a smile and flattered: “Why did you come down? This kid is blocking the road, I will teach him a few words, and I won’t do anything to him, wait for me to let him go. Someone rearranged a carriage.”

Chapter 2289 Dugujing,

the second son of the Dugu family, is arrogant and domineering in Tianzhong City. He is not afraid of the sky, but he is only afraid of the cousin Sun Ting.

Hearing this, Sun Ting nodded slowly, but still explained: “Don’t bully the people!”

Sun Ting’s kind-heartedness is in stark contrast to Dugujing’s arrogance.

“Boy!”

At this time, Dugujing gave Yue Feng a contemptuous look, and said coldly, “This time, for the sake of my cousin, this young master doesn’t care about you, you kowtow to me to apologize, and this matter is over. “

When he said this, Dugujing’s face was arrogant. In his heart, kowtowing and making amends was the greatest forgiveness.

Kowtow to apologize?

Hearing this, Yue Feng chuckled lightly and said lightly: “You drive a carriage, rampage on the road, disregarding the safety of passers-by, and you need to make amends. You should make amends to passers-by present, but now you have reversed right and wrong, and let me kowtow to you to make amends, What a big joke.”

Shuh!

Dugujing was instantly angry, locked on Yue Feng tightly, and shouted angrily: “You are courting death!”

At this moment, more than a dozen servants of the Dugu family rushed over to learn about the situation.

Without hesitation, Dugujing pointed at Yue Feng and shouted, “Tie this ignorant boy to me.”

Whoa!

The voice fell, and more than a dozen servants came over quickly and surrounded Yue Feng.

Seeing this scene, Yue Feng did not panic at all, because he clearly felt that although these servants of the Dugu family were all cultivators, their strength was the Marquis Wu, and they did not threaten him at all.

Gong Gong on the side, with a delicate face, is also extremely calm.

More than a dozen of the Dugu family's little rogues want to do something to Yue Feng, which is really beyond their own power.

“Stop it all!”

At this moment, Sun Ting's body trembled, and she couldn't help but speak to stop it.

The next second, Sun Ting looked at Yue Feng closely, very surprised and delighted: “Fengtao? Why are you here?”

Sun Ting didn't pay attention to Yue Feng just now, thinking that he was just a passerby. Dare to challenge Duguqing, he couldn't help but glanced at it, and immediately recognized that Fengtao, who had helped himself at Canglongguan before this time.

Sun Ting is not only kind, but also knows how to repay her kindness. When she saw Yue Feng suddenly, it was both an accident and joy.

At this time, Sun Ting didn't know that the wind and waves in front of her were exactly Yue Feng, who was famous in the Kyushu mainland.

“Miss Sun Ting!” Seeing that Sun Ting recognized herself, Yue Feng greeted with a smile: “Don't be alright.”

Sun Ting smiled lightly and was about to speak, but was interrupted by Duguqing.

“Oh....”

Duguqing took a long drag tone, looked at Yue Feng up and down, and sneered: “It turns out to be the kid I met in Canglong Pass before, what's wrong? Can't stay in Xi Cang Continent, just Are you fleeing to our Zhongyuan Continent?”

In Duguqing's heart, he always thought that Yue Feng was a refugee. As for the fact that he and his cousin were able to get off the line at Canglongguan before, it was all because Canglongguan was guarded. Yue Feng has nothing to do with it.

At this time, Yue Feng was recognized, and Duguqing thought that he was fleeing again.

In the face of Dugujing's contempt, Yue Feng was too lazy to pay attention.

"Dugujing, can you say a few words less?" Sun Ting couldn't stand it any longer, her eyebrows furrowed, and she couldn't help but accuse.

Dugujing shrugged with an indifferent look on his face, but looking at Yue Feng's eyes, there was still contempt and contempt.

"Fengtao."

Sun Ting looked at Yue Feng and asked with concern, "Why did you suddenly come to Zhongyuan Continent? Did you encounter any trouble? Tell me, maybe I can help you."

Phew!

Feeling Sun Ting's concern, Yue Feng took a deep breath and felt warm in his heart.

This Sun Ting has no pretense of being an eldest lady at all. She is willing to help others. It is an honor to know such a friend.

Thinking to himself, Yue Feng replied with a smile, "I'm here this time to visit the Dugu family."

Huh?

Hearing this, whether it was Sun Ting, Dugujing, or the people around were stunned.

Chapter 2290

Haha... The

next second, Dugu Jing thought he had heard a big joke, so he couldn't help sneering at Yue Feng: "Visit the Dugu family? Sorry, our Dugu family has no habit of hosting refugees, haha. ..." The words were full of mockery.

The dignified Dugu family, Taishan Beidou in the cultivation world of Zhongyuan Continent, is he a general generation who can visit if he wants to?

Nima!

Yue Feng frowned secretly, and his heart suddenly became a little angry.

This Dugujing is too arrogant. The Dugu family is very famous in the Zhongyuan Continent, but in the Kyushu Continent, it can't even rank in the name, and this kid thinks he is amazing.

Sun Ting was also a little unhappy. This cousin is really not polite at all. How can I say that Feng Tao also helped him in Canglong Pass, but he mocked him everywhere.

Although this Feng Tao is a civilian, his previous performance in Canglong Pass was very brave and very manly.

Sun Ting frowned: "Dugu Jing, don't follow me if you do this again."

"Okay, I won't talk about it." Dugu Jing hurriedly said: "I'm just talking, are you kidding him! Cousin, please don't. I'm angry." He said so, looking at Yue Feng's eyes, still showing contempt.

Yue Feng didn't say anything, just sneered.

"Fengtao!"

At this moment, Sun Ting was full of curiosity and asked Yue Feng, "Why are you visiting the Dugu family?" In her heart, although Fengtao is very powerful, he is still an ordinary person, and the Dugu family. This kind of strength can't be hooked at all.

call!

Yue Feng took a deep breath, looked around, and responded seriously: "Let me tell the truth, I was invited by Master Moroye, and I specially invited the Dugu family to send someone to guard the Chaos Mountains. The situation in the Chaos Mountains is urgent. I can't delay, and my name is not Fengtao, my real identity is the Lord of the Heavenly Gate of the Earth Circle, Yue Feng!"

Seriously, Yue Feng didn't want to reveal his identity on the street, but the matter of the Chaos Mountains cannot be. If it drags on, the Sun family and the Dugu family have been friends for generations, and Sun Ting is the eldest miss of the Sun family. If she is recommended, she will definitely meet the patriarch of the Dugu family. As for Dugu Jing, a playboy, you can't count on it.

What?

The voice fell, the street was silent, everyone looked at Yue Feng, speechless.

This... this kid, is Yue Feng, who is famous in the Kyushu continent?

real or fake?

Sun Ting stared blankly at Yue Feng, shocked.

Is he Yue Feng? No wonder the strength is so strong, and there is a special temperament on his body.

Dugu Jing, who was on the side, was also stunned there, unable to slow down.

Haha....

Finally, a minute later, Dugu Jing reacted, pointed at Yue Feng and laughed: "What did you just say? You are the Lord of Heaven, the Emperor of Xi Cang, Yue Feng? Boy, you're bragging. Right? Just like you, it's almost like being a disciple of Tianmen. If you were Yue Feng, I would be Yang Jian, Emperor of Northern Ying, hahaha..."

Boom.... When the

voice fell, everyone around reacted and laughed. Yes ,

this kid is so poor, how could he be the famous Tianmen Sect Master Yue Feng?

Besides, Yue Feng has just ended the war with Beiyang Continent. He must be in the Earth Circle Continent at this time, busy rectifying the situation after the war. How could he have come to Zhongyuan Continent alone?

Seeing that they didn't believe it, Yue Feng smiled and said nothing.

Swish!

Gonggong on the side was so angry that he gave Dugu Jing a stern look.

"You..."

Finally, Sun Ting recovered and looked at Yue Feng in shock: "Are you really the Sect Master of Tianmen, Yue Feng?"

Others doubted Yue Feng, but Sun Ting believed that this friend in front of him, She wouldn't lie to herself, but Sun Ting was a little unbelievable. After all, Yue Feng's reputation was too loud in the Kyushu mainland.

More importantly, Sun Ting has always regarded Yue Feng as a hero and her own idol. In her fantasy, Yue Feng, as the emperor of Xi Cang and the lord of Tianmen, must go to other places with awe and majesty.

At this time, Yue Feng, in front of him, was dressed in ordinary clothes and only brought a woman, which was completely different from what Sun Ting thought.

Um!

Facing Sun Ting's question, Yue Feng nodded with a smile: "Of course I'm Yue Feng, what if I replace it with a fake? Could it be that someone else pretends to be me?"
