

The ultimate husband in Chinese chapter 2291-2300

Chapter 2291

As soon as the voice fell, Dugu Jing couldn't help sneering: "Boy, stop pretending, I tell you, there are too many people pretending to be Yue Feng."

After saying that, Dugu Jing looked at him with burning eyes Yue Feng: "In the past few years, many people have pretended to be Yue Feng and went to our Dugu family to cheat food and drink. Do you know what happened to them?"

Dugu Jing is right. In the past ten years, because of Yue Feng's reputation is getting bigger and bigger. There were many practitioners who pretended to be Yue Feng to go to the Dugu family to cheat.

Moreover, not only the Zhongyuan Continent, but also other continents posing as Yue Feng happened, but Yue Feng knew very little about these situations.

Nima!

Hearing this, Yue Feng was dumbfounded.

At this time, Yue Feng wanted to take out his golden mask to prove his identity, but after thinking about it carefully, this Dugu Jing believed that he was fake, even if he took out the golden mask that symbolized the Lord of Tianmen, it was useless.

Seeing that Yue Feng didn't speak, Dugu Jing thought he was guilty, and sneered: "Are you afraid, you have nothing to say?"

Then, Dugu Jing looked at Gonggong: "This beauty, he said that he is Yue Feng, then you are Who is it? Yue Feng's wife?" I

have to say, this woman is really good-looking, cold and temperamental. Fully qualified to be Yue Feng's woman.

Dugu Jing thought about it, if she is Yue Feng's woman and can prove Yue Feng's identity, it's a big deal to apologize.

If not, it proves that everything this kid said is a lie.

Swish!

In an instant, everyone's eyes were focused on Gonggong.

Seeing everyone looking at him, Gonggong's delicate face instantly turned a little red, then he bit his lip and said coldly, "He is Yue Feng, but I'm not his wife..."

This chapter is provided by . Visit for daily update.

Gonggong is very conceited Leng, who has a grudge against Yue Feng, is also with Yue Feng because of Yang Jian's arrangement. The purpose is to assassinate Yue Feng. How can he admit that he is Yue Feng's wife?

Hehe...

Hearing this, Dugu Jing couldn't help laughing, with a playful look on his face: "Since it's not his wife, how can you prove that he is Yue Feng?"

"I..."

Gong Gong Qiao His face was red, and he was speechless for a moment.

Alas..

Seeing this scene, everyone around shook their heads secretly, looking at Yue Feng with incomparable contempt.

Even the woman around him can't prove his identity, this kid must be lying.

"Okay!"

At this time, Dugu Jing looked at Yue Feng coldly: "Boy, you don't have to pretend, even if you were sent by the monk Moroye, our Dugu family would not welcome you. Roye's monk, went to our family two days ago, full of nonsense, saying that on the other side of the Chaos Mountains, there is a Rakshasa who has been exiled for thousands of years, and he also talked about the Yellow Emperor... There is no evidence, it is completely He is a liar."

After speaking, Dugu Jing ordered to the servants around him: "Prepare a new carriage immediately, and, if this kid comes to visit, drive away immediately!"

Mad!

Seeing this scene, Yue Feng didn't know whether to laugh or cry, and at the same time he couldn't say anything.

This Dugu Jing is really arrogant.

This kid believes that he is lying, and it is difficult for the Dugu family to get in. What should I do?

At this time, Sun Ting also frowned, looking at Yue Feng, her heart was in a mess.

Is this Fengtao really lying?

“Cousin!”

Just when Sun Ting was thinking about it, Dugu Jing came over and said flatteringly, “The new carriage is ready, let’s go to work quickly, this kid will ignore him.”

Yes, before Dugu Jing The reason why it was so urgent to drive the carriage was because Sun Ting had an important family business to discuss.

call! However, Sun Ting

did not rush to get into the car, but took a breath of relief, walked up to Yue Feng, and said seriously, “You are really Yue Feng, didn’t you lie to me?”

In my heart, I still believe that this friend cannot lie to me.

Chapter 2292

Hmm!

Yue Feng nodded seriously.

“Okay!” Sun Ting thought for a while and said softly, “I have something urgent to do right now. When I come back, let’s talk in detail. By the way, where are you staying?”

At this time, Sun Ting wanted to Help Yue Feng, but the family business cannot be delayed for a moment.

This...

Yue Feng scratched his head, a little embarrassed, he just arrived in Tianzhong City, how could he have a place to stay.

In the next second, Yue Feng looked around and saw a hotel across the street, and said, “I’ll rest at this hotel. You can do things well and come to me.”

When he said this, Yue Feng was very heartbroken. is helpless.

Dugu Jing ordered to let the family’s servants guard against him. It is difficult for him to see the patriarch of the Dugu family. In this case, he can only rely on Sun Ting for help.

“Okay!” Sun Ting nodded and agreed, then got on the carriage and left with Dugu Jing.

“Let’s go!”

Watching the two leave, Yue Feng turned his head to look at Gonggong, and smiled bitterly: "Let's go to the hotel to rest first." After speaking, he walked towards the hotel.

Gonggong did not speak, but there was no objection, and he followed slowly.

"Yue Feng!"

When he was about to arrive at the hotel, Gong Gong couldn't help but ask: "As the sect master of Tianmen, Emperor Xi Cang, the boy of the Dugu family, why didn't you kill him just now, mocking you so much? Also, since you are inviting the Dugu family to go to the Chaos Mountains for defense, you can directly show your strength and break into the Dugu family, why is it so troublesome?"

Gonggong looked puzzled when she said this. Strong and powerful, there is no need to be so polite to a small family.

call!

Yue Feng smiled, shook his head and said: "To deploy defense in the Chaos Mountains together, we need all forces in the Kyushu continent to unite as one. If I directly break into the Dugu family and force them to agree with my powerful strength, the Dugu family will definitely treat me. Holding grudges. In this case, how can everyone work together to fight against the Rakshasa clan?" After speaking

, Yue Feng took a deep breath and continued: "I have to show my sincerity in this matter, and at the same time let me The Dugu family knows that the matter of the Chaos Mountains is not groundless, so they cannot act recklessly!"

Hearing this, Gonggong nodded silently, his delicate face was very calm, but his heart was very touched.

I really did not expect that this Yue Feng was not at all serious at ordinary times, but he was so cautious and thoughtful in his business affairs.

It seems that he can be the emperor of Xi Cang, the lord of Tianmen, and there are so many forces to help in times of crisis. It is not pure luck.

Thinking to himself, Gonggong looked at Yue Feng's eyes with a strange brilliance.

At this time, Gonggong's view of Yue Feng has quietly changed.

"Two guest officers!"

When they arrived at the hotel lobby, the innkeeper greeted attentively, "Do you want to stay in the hotel? How many rooms do you want?"

Yue Feng smiled and said, "How many rooms do you think we need?" Feng glanced at Gong Gong playfully, a smirk flashing in his eyes.

Yes, Yue Feng did it on purpose, just to make fun of Gonggong.

The shop owner has been in the shopping mall for a long time, and he immediately understood what Yue Feng meant, and said with a smile: "Yes, the two men are talented and beautiful, and they are a natural pair. Naturally, they want a room.

" to prepare the room.

Swish!

This time, Gong Gong's delicate face suddenly turned red, and he stamped his feet in anger: "Who is born with him? Open two rooms."

When he said this, Gong Gong gave Yue Feng a stern look.

This Yue Feng is such a jerk, he deliberately hinted that the shop owner opened a room, how could he possibly rest in a room with him as a dignified goddess?

Haha...

Feeling Gonggong's shame and anger, Yue Feng didn't panic at all and couldn't help laughing.

Dignified Water God Gong Gong, who would not be respectful when they saw it? Now being teased by myself, but not having a bad seizure, it feels so good.

the other side.

Chapter 2293

Sun Ting and Dugujing rode in a carriage and slowly arrived in front of a newly built building.

The building is located in the prosperous commercial area of Tianzhong City, with a total of eight floors. The outside is decorated with large pieces of glass. Compared with the surrounding red brick buildings, it is full of ultra-modern atmosphere.

At the entrance of the hall, there is a sign with the words Shenglong Technology.

Yes, it is the Earth Circle Continent, Peng Kai's Shenglong Technology.

The continent of Kyushu has been interconnected for so many years. It is located in the continent of high-tech development. Many companies have expanded their business to other continents. The same is true of Shenglong Technology.

The building in front of you is the headquarters of Shenglong Technology in Zhongyuan Continent.

“Excuse me!”

Sun Ting smiled lightly at the lobby and said to the front desk staff, “My name is Sun Ting, I come from the Sun family, and I came to find your boss, Peng Kai, to discuss business cooperation!”

” In just one year, Zhongyuan Continent has become the largest technology company in Tianzhong City, and even the entire Zhongyuan Continent, with many technologies and technologies, and has extraordinary influence. In this case, even the grandson of a local business family family, but also had to actively seek cooperation.

Half a month ago, Sun Ting went to the Xi Cang Continent and failed to find business cooperation, so she returned to the Zhongyuan Continent. In the past two days, Sun Ting learned that the family was going to cooperate with Shenglong Technology. In order to prove her ability, Sun Ting took the initiative to go to the headquarters of Shenglong Technology.

“I’m sorry!” The

lady at the front desk showed a smile, looked at Sun Ting and said apologetically, “Our president has already read the cooperation proposed by your Sun family before, and we have no intention to cooperate yet, so please come back!”

This...

Hearing this, Sun Ting frowned, embarrassed.

Is this rejected?

“What did you say?”

Dugu Jing next to him quit and shouted at the lady at the front desk, “An outside company boss, she’s not too small? Do you know who she is? This is the head of the Sun family. Miss, it’s an honor for him to come to see your boss in person and offer to cooperate!”

Dugu Jing was used to being arrogant and domineering, and when he saw his favorite cousin being rejected, he suddenly became angry.

“Forget it!”

At this moment, Sun Ting looked disappointed and said to Dugu Jing: “Let’s go first, I’ll think of a way.”

When she said this, Sun Ting appeared calm, but she was very anxious. . Shenglong Technology has mastered many high-tech products in the Earth Circle. If they cannot cooperate, it will be a huge loss for the Sun family.

Seeing Sun Ting speak, Dugu Jing stopped making noise, and then the two walked out of the hall.

“Cousin!”

Seeing Sun Ting gloomy outside, Dugu Jing couldn’t help but say, “Well, I’ll make an appointment with their boss as the second young master of the Dugu family later.”

When he said this, Dugu Jingyi face confidence.

Dugu Jing believes that Shenglong Technology does not cooperate with the Sun family because the Sun family is too famous, and the Dugu family is different. It is famous in the Yuan Continent, and he is the second young master of the Dugu family. The boss of Shenglong Technology must give face. .

Um!

Sun Ting responded, not too excited.

To be honest, Sun Ting didn’t want Dugu Jing to help, but there was no way, the boss of Shenglong Technology didn’t want to see her at all, so she could only let Dugu Jing try.

the other side.

In the hotel room, Yue Feng meditated and rested for a while, and was looking out of the window in a trance.

Then why hasn’t Sun Ting come to find herself? Going to meet the patriarch of the Ouyang family through her can’t be delayed.

Bang bang...

As a result, at this moment, a slight knock came from the door. The knock on the door was very soft, and it was obvious that the person knocking on the door was very careful.

This Miss Sun is finally here!

Muttering in his heart, Yue Feng showed a smile. He quickly ran down to open the door. The moment the door opened, he was stunned.

It's not Sun Ting.

Chapter 2294 I

saw the shop owner standing outside with an embarrassed look on his face, looking very embarrassed.

Behind him, stood a man and a woman, a man in his thirties, with a burly stature, who regularly exercises at a glance, with a arrogant expression and a look of invincibility.

The man is Li Shengwei, the security captain of Shenglong Technology.

The woman's name is Chen Xia, twenty-five years old, the owner of a communication company in Tianzhong City. At this time, Chen Xia is dressed in a black cheongsam, which brings out her exquisite figure and is indescribably sexy.

call!

Seeing this scene, Yue Feng couldn't help but look at Chen Xia a few more times, and his mind suddenly became a little dazed.

what's the situation?

What is the shop owner doing with a man and a woman in this late night?

"Guest officer!"

At this time, the shop owner came over, leaned in front of Yue Feng, and said embarrassedly, "The two guests behind me need a VIP room to discuss business, can you use your VIP room? Let me out, I'll arrange another room for you, how about it?"

When he said this, the shop owner was full of apologies.

To be honest, the shop owner didn't want to trouble Yue Feng, but the two Chen Xia next to him couldn't afford it.

Change rooms?

Hearing this, Yue Feng frowned, then smiled slightly, and said to the shop owner: "I live in this room very well, I have no idea of changing it, I'm sorry." The

tone was calm, but full of firmness, without any discussion. 's room.

There are only two VIP rooms in this hotel, which are used by Yue Feng and Gong Gong. Speaking of which, Yue Feng has no requirements for the place to live. If it is normal, he may agree to it, but this time he came to Tianzhong City because of the Chaos Mountains. It is urgent to visit the Dugu family.

More importantly, Yue Feng was anxiously waiting for Sun Ting to come looking for him, and was too lazy to pay attention to the trivial matters of changing rooms.

Seeing Yue Feng's refusal, the shop owner gave a wry smile...

"Hello!"

At this moment, Chen Xia took a step forward and looked at Yue Feng with contempt: "Look at you, staying one night in this VIP room will cost you a lot of savings... In this way, I will give you double the rent, and quickly give up this VIP room."

When she said this, Chen Xia's face was very unreasonable, and she didn't care about Yue Feng at all. Keep an eye on it. In her opinion, the Yue Feng in front of her, dressed in a poor and sour dress, is a scumbag who has never seen the world.

Chen Xia's communication company has just started. In order to develop rapidly, she always wanted to discuss cooperation with Shenglong Technology, but unfortunately it was always rejected. Finally, Chen Xia found Li Shengwei through relationship.

Li Shengwei is the security captain of Shenglong Technology. Chen Xia firmly believes that with the help of Li Shengwei, he can connect with Shenglong Technology. However, this kind of thing involves some business taboos and cannot be known to too many people, so Chen Xia and Li Shengwei made an appointment to talk in detail at this hotel in the evening.

It was only when we arrived that we found out that the only two VIP rooms in the hotel had been booked.

The reason why Chen Xia and Li Shengwei have to talk about things in this hotel is because it is the farthest away from Shenglong Technology and it is not easy to be discovered. After all, Li Shengwei, a security captain, talks about the company privately with outsiders, which violates the law. It is stipulated that if you are found, you will be expelled.

Chen Xia regarded herself as noble, and it was impossible to talk about things in an ordinary room, so she called the shop owner, and after asking about the situation, she planned to let Yue Feng give up the room.

Because of the other VIP room, Gong Gong was resting. Considering the inconvenience of women, he had to come to Yue Feng.

Double the rent?

Hearing this, Yue Feng was stunned for a moment, then looked at Chen Xia with a smile: "Miss, I'm sorry, I'm not short of money, and I won't let you have a room. If you really need it, you can change hotels!

"The dignified emperor of Xi Cang, the lord of Tianmen, are you still short of money?"

"You!" Chen Xia bit her lip, very displeased.

He paid double the rent to compensate him, how could this poor boy refuse?

In the next second, Chen Xia looked up and down at Yue Feng and thought of something: "I remember, you are the one who argued with the second son of the Dugu family on the street in the afternoon, right? You call yourself the master of the Tianmen Yue Feng, and you provoke me. How dare you stay in Tianzhong City if you don't run away after the Dugu family?"

Chapter 2295

Speaking, Chen Xia's tone was full of contempt, and continued: "Three times, that's alright, let me tell you, I have seen a lot of poor people like you. Fake Yue Feng during the day, just want to deceive money

_ There was a lot of uproar. At that time, Chen Xia passed by and saw the excitement. At this moment, she recognized Yue Feng.

"Haha." Yue Feng couldn't help laughing: "You're really wrong, I'm not asking for money, I just don't want to change rooms, let alone three times, just give me ten times, and I won't even know one hundred times. Change."

When he said this, Yue Feng had a sneer in his eyes.

Nima, wherever you go, you can meet such self-righteous people.

"I don't know how to lift up!"

At this moment, Li Shengwei, who was beside him, finally couldn't bear it anymore. He glared at Yue Feng and said, "Boy, don't be ashamed!"

After saying that, Li Shengwei walked over to Chen Xia and flattered: "Miss Chen, you don't need to talk nonsense with him, do you need me to teach him a lesson?" As he

said, Li Shengwei looked at Chen Xia's figure closely, his eyes almost straight.

Yes, Chen Xia is a well-known beauty in Tianzhong City. Li Shengwei has been coveting it for a long time, but she has never had a chance. At this time, Chen Xia took the initiative to find Li Shengwei because of her cooperation with Shenglong Technology. Li Shengwei is excited. .

It was Li Shengwei who proposed to talk about things in this hotel tonight. Of course, he wanted to take advantage of Chen Xia by taking advantage of the opportunity to talk about business!

Seeing that a good thing is about to happen, but the boy in front of him didn't hand over the room, which made Li Shengwei not angry.

Um!

Seeing Li Shengwei speak, Chen Xia nodded.

The next second, Chen Xia sneered at Yue Feng: "I've already given you a lot of face, don't know what's wrong, do you know who is next to me? He is the security captain of Shenglong Technology. No good fruit to eat!"

At this time, Chen Xia looked arrogant.

Shenglong Technology is a big technology company from the Earth Continent. It has a strict system, and even the security guards are strictly screened. Chen Xia firmly believes that as long as Li Shengwei speaks, the Yue Feng in front of him will be thrown like a dog. on the street.

Shenglong Technology?

Hearing this, Yue Feng was stunned for a moment, and then his smile grew even thicker.

Unexpectedly, Peng Kai's technology companies have all come to Zhongyuan Continent, not bad!

Squeak.

At this time, when he heard the movement outside, the Gonggong next door opened the door a crack and saw the scene in front of him, he was stunned for a moment.

what's the situation?

Gonggong was very thoughtful, and he quickly understood what was going on. He smiled and watched quietly.

This Yue Feng is not serious, and now he is being troubled by two local people, let's see what he will do.

When he was staying in the hotel before, Gonggong was teased by Yue Feng, and his heart was holding back his anger. At this time, when he saw Yue Feng being forced to change rooms, Gonggong suddenly felt a little schadenfreude.

"Little-armed brat!"

Seeing that Yue Feng was always smiling without saying a word, Li Shengwei took a step forward and said contemptuously, "Do you hear me? Get out of here if you are sensible!"

Mad! This kind of poverty, even living in a VIP room? And it is unreasonable to his own goddess.

"Guest officer!"

The shop owner couldn't help coming over, pulled Yue Feng, and whispered: "You can't afford to offend these two people, hurry up and change rooms!" At this time, the shop owner was very anxious, what happened to this person in front of him Ah, he is not afraid of causing trouble, and he still wants to do business well.

"It's all right!" Yue Feng smiled and comforted the shop owner in a low voice, then turned around and went back to the room, sitting on the chair with a leisurely look.

Yue Feng didn't take Chen Xia seriously at all. At this time, he only thought about when Sun Ting would come. After all, the most important thing is to see the patriarch of the Dugu family as soon as possible and let them send someone to guard the Chaos Mountains.

The ultimate husband in Chinese chapter 2296-2300

Chapter 2296

"You are courting death!"

Seeing Yue Feng returning to the room, Li Shengwei couldn't take it seriously at all, and suddenly felt humiliated, and howled angrily.

Madd, as the security captain of Shenglong Technology, he is also a person of honor, but he was ignored by a kid. If this matter spreads, where would he put his face?

Yue Feng just pretended he couldn't hear Li Shengwei's anger, sitting in the room and picking up the teacup, ready to drink tea.

Swish!

Seeing this scene, Chen Xia bit her lips tightly, her body trembling with anger.

This poor man actually doesn't take himself seriously, it's abominable!

"Crap you!" Seeing that Chen Xia was angry, Li Shengwei finally couldn't help it. With a loud roar, he stepped forward and pointed at Yue Feng: "Your special code is deaf? Can't hear me?"

Goddess Chen Xia Just watching from the side, such a good opportunity, we must beat this kid to show his might. When they get along alone, maybe Chen Xia will take the initiative to give her a hug.

As Li Shengwei thought about it, his heart was extremely excited, and then he shouted: "Someone!"

Hula!

When the voice fell, I saw more than 20 black-clothed men rushing up in an instant. They were all security guards of Shenglong Technology. Usually, Li Shengwei was the first to follow. Tonight, I followed Li Shengwei to help control the wind.

"Viagra, what's the matter?" After entering the room, these big men in black all asked.

Haha...

Hearing this title, Yue Feng almost spit out a sip of tea, and was overjoyed.

This chapter is provided by . Visit for daily update.

This guy, what's the bad name, but let people call him Viagra...haha...

"What are you laughing at?"

Li Shengwei suddenly became angry, and said to Chen Xia: "Miss Chen Xia, what do you want to do with this kid? I'll vent your anger today.

" court death!

call!

Chen Xia glanced at Yue Feng and saw that he was still sitting there drinking tea with an indifferent expression. In an instant, Chen Xia's body trembled, and she was so angry.

The next second, Chen Xia stepped on her high-heeled shoes, stomped her feet, and said, "Let him call me auntie, then give me a hard lesson and throw it on the street!"

"Little brat!"

Li Shengwei nodded after hearing this. He turned his head, and then looked at Yue Feng with a grinning face: "Did you hear me? Hurry up and call Miss Chen Xia an auntie, or else..." The

voice fell, and a dozen black-clothed men beside him pulled out their sticks. The stick is not a product of Zhongyuan Continent. It was brought by Shenglong Technology from the Earth Continent and distributed to these security guards.

At this time, Li Shengwei looked arrogant, looked at Yue Feng and said coldly: "Xiaojizi, I heard that you provoked the second son of the Dugu family in the afternoon, the second son of the Dugu family, because of his identity, maybe he won't do anything to you, But it's hard to say if you offend me, but I'm not giving you a chance."

As he spoke, Li Shengwei's eyes flashed fiercely, and he added: "Kneel down on the ground immediately, and tell Miss Chen Xia that Auntie is wrong, You can leave here unharmed. Otherwise, I'll let you go out lame."

Chen Xia next to her looked at Yue Feng with a sneer.

A poor and sour, dare not give himself face, wait for you to look good.

call!

Seeing this scene, Gong Gong in the next room frowned and looked at Yue Feng closely, wanting to know what he would do next.

These people are not strong, if Yue Feng does it, he will easily hurt them all, which will be very troublesome!

But if Yue Feng doesn't do it, can he bear it?

in the room!

Yue Feng still sat there with a leisurely demeanor, looked up and down at Chen Xia and said with a smile, "What if I don't kneel, and I don't scream?"

After speaking, Yue Feng looked at Li Shengwei and said word by word, "Your name is Li Shengwei. Well, Shenglong Technology equips you with sticks so that you can protect the company's property and the safety of the company's employees, not for you to cause trouble."

Huh? !

Chapter 2297

Li Shengwei frowned, very unhappy, and sneered: "What kind of thing are you, you are also qualified to teach me?"

Seeing that Yue Feng was still unwilling to accept it at this time, Chen Xia stomped her foot: "Viagra, what is the fee? Words? Teach him a hard lesson for me!"

Alright!

After being instructed, Li Shengwei immediately waved his hand. Immediately, more than a dozen big men next to him immediately surrounded him and raised the stick in his hand. Ugh!

Seeing this scene, the shop owner who shrank outside the door secretly shook his head and sighed, and couldn't help sweating for Yue Feng.

Even if you are not short of money, it is really unwise for you to provoke Chen Xia and Li Shengwei as a person with no back.

Seeing more than a dozen throwing sticks smashed at the same time, Yue Feng showed a smile, not panic at all.

The security guards such as Li Shengwei are not strong, Yue Feng can easily handle it with one finger.

"Stop all the bastards!"

Just when Yue Feng couldn't help but take action, suddenly, a loud shout came from outside the door, and three people walked in quickly!

Seeing these three people, everyone present was stunned.

The one headed by him, handsome in a suit and leather shoes, is Peng Kai, the president of Shenglong Technology.

The two behind them, also in suits, were Peng Kai's two assistants.

Seeing Peng Kai, Yue Feng smiled.

I just learned that Shenglong Technology has set up a company in Tianzhong City. Yue Feng wanted to wait for the opportunity to meet Peng Kai, but he didn't expect that this kid was very well informed, so he came to him first.

In the afternoon, Yue Feng was on the street and had a dispute with Dugu Jing. The news spread, and now there are rumors in the whole Tianzhong City, saying that a boy who pretended to be Yue Feng was over-confident and the second child of the Dugu family. The son challenged, and when Peng Kai learned of the situation, he quickly sent someone to inquire about the news.

In Peng Kai's heart, Yue Feng's kindness to him is as heavy as a mountain. No matter whether Yue Feng is real or not, he must find out as soon as possible. Just now, Peng Kai learned that Yue Feng had settled in this hotel, so he hurried to rush. When he came over, he saw that Li Shengwei was going to take action on Yue Feng.

call!

At this moment, both Li Shengwei and Chen Xia were stunned.

"President!"

"Peng...Mr. Peng..." The

next second, Li Shengwei and Chen Xia reacted and spoke at the same time, but their voices were trembling.

They never thought that Peng Kai would suddenly appear.

"You bastard!" Peng Kai's face was full of anger, and he was also frightened. Mad, Li Shengwei, this bastard, dare to beat Brother Feng?

When the words fell, Peng Kai walked over quickly and slapped Li Shengwei in the face!

"Crack!"

With this slap, Peng Kai almost tried his best, Li Shengwei covered his face, his face swollen high.

"President!" Li Shengwei covered his face, panicked and puzzled, almost crying: "President, what's the matter? I didn't violate the company's regulations."

When he said this, Li Shengwei didn't dare to talk to Peng Kai. Looking at each other, he was very guilty, because he and Chen Xia had violated the company's rules and regulations by meeting here.

"Crack!"

As soon as he finished speaking, Peng Kai slapped him again and shouted: "If you don't violate the company's regulations, you can bully people casually? Did the company hire you to bully people?"

“President!”

Li Shengwei wanted to cry without tears, and shouted unwillingly: “President, I didn’t bully anyone, it’s this kid, I don’t know why ...” Before he could finish speaking

, he was interrupted by Peng Kai!

At this moment, Peng Kai, trembling with anger, pointed at Yue Feng and said, “Boy? Do you know who this person is? Let me tell you, without this person, there would be no me now! He is. “

Cough cough...

Peng Kai was about to reveal Yue Feng’s identity, but Yue Feng hurriedly coughed twice to interrupt him.

Chapter 2298

Yes, Yue Feng doesn’t want to reveal his identity now. During the day, Yue Feng told Sun Ting his true identity, which caused many people to ridicule and ridicule. Yue Feng was very tired, and he didn’t want to make extra troubles at this time.

Peng Kai is a smart person. Seeing Yue Feng’s cough reminder, he swallowed the word ‘Yue Feng’ below.

“Your Excellency!” In the

next second, Peng Kai walked up to Yue Feng, bent his body to ninety degrees, bowed deeply, and said respectfully, “I’m so sorry, but I didn’t discipline my subordinates properly.”

Yue Feng smiled , which means it’s okay.

At this moment, the whole house was silent!

Li Shengwei was suddenly dumbfounded. As the security captain of Shenglong Technology, the person he most feared and admired was President Peng Kai. At such a young age, he developed Shenglong Technology into a super large company all over the continent of Kyushu. It is really amazing. And Peng Kai has always been known for his ruthlessness. Li Shengwei has never seen Peng Kai so humble in front of anyone.

Li Shengwei never imagined that the president he feared would be so respectful and polite in front of a poor boy.

Chen Xia is also stupid!

At this moment, her legs felt weak, and her delicate body couldn't help but take two steps back.

She could see that the big business man, who she could not meet even with all her efforts, was standing in front of Yue Feng with a respectful face!

How is this possible, this is clearly a poor boy!

Chen Xia looked at Yue Feng closely, her delicate body kept shaking, and she was extremely shocked.

Total shock.

He... who the hell is he?

Could it be... this person is really Yue Feng, the lord of Tianmen? Otherwise, why is Peng Kai so respectful to him?

Thinking of this, Chen Xia only felt that her legs were weak and she couldn't stand.

call!

At this moment, Gong Gong in the next room was also stunned. Soon, after reacting, Gong Gong looked at Yue Feng closely, frowning slightly.

This Yue Feng is so well-connected? In this Zhongyuan Continent, there are actually people who help.

I thought that in the face of this situation, Yue Feng would be in a hurry, but the result was unexpected.

Thinking to himself, Gonggong felt that there was nothing interesting to watch, and slowly closed the door.

"This gentleman!"

At this time, Li Shengwei finally recovered his senses in the room, and kept bowing to Yue Feng and apologizing: "It's my eyes that don't know Mount Tai, it's my fault, you don't remember the villain's fault, forgive me Me..."

Li Shengwei is not a fool, although he doesn't know Yue Feng's identity yet, but seeing how polite the president is, he can guess that the person in front of him has an extraordinary identity.

Yue Feng did not respond, sitting there, drinking tea leisurely.

Yue Feng didn't speak, and Peng Kai didn't dare to express it. He stood there and stared at Li Shengwei coldly.

"President!"

Seeing Peng Kai's gloomy face, Li Shengwei panicked completely, pointing at Chen Xia to shirk his responsibility: "I didn't take the initiative to trouble this gentleman, it was her who wanted to drive this gentleman out!"

Shah!

Chen Xia's delicate body trembled, panicked, and quickly explained: "No..."

At this time, Chen Xia was anxious and angry, this Li Shengwei is too nothing. As a man, at a critical moment, he took all the responsibilities. Push on yourself.

At the same time, Chen Xia looked at Peng Kai closely, with unspeakable anxiety and anticipation in her heart. My own communication company is in its infancy, and if it can cooperate with Shenglong Technology, it will have boundless prospects.

And I have been looking for the opportunity to meet Peng Kai, but I have never been able to get it, and now, Peng Kai is right in front of me, so I can't miss the opportunity.

Thinking to herself, Chen Xia bit her lip and said softly to Peng Kai: "Mr. Peng, I'm Chen Xia from Dayuan Communications, I hope to be with you..."

Chapter 2299

Before he finished speaking, he was interrupted by Li Shengwei! "Do you still want to cooperate?" Li Shengwei was very angry, pointing at Chen Xia and roaring loudly: "It's you, you have to drive away the president's VIP guests, and now you still want to cooperate with our Shenglong

Technology? Dream!"

!

Hearing this, Chen Xia's delicate face was instantly pale, and she was flustered.

At this time, Chen Xia bit her lip tightly, almost bleeding. It was difficult to cooperate with Shenglong Technology at first, but now she has offended Peng Kai's friend, I'm afraid there is no chance!

The more Li Shengwei spoke, the more excited he became, and he tried his best to clear his responsibility.

“Go away!”

At this moment, Peng Kai glared at Li Shengwei and shouted: “From now on, you will be fired by Shenglong Technology. I don’t want to see you again, and immediately disappear in front of me.”

Dare to offend Brother Feng, Never forgive.

This...

Li Shengwei’s heart was shocked, and the whole person was almost slumped on the ground. He was able to have today’s status, and it was all thanks to Shenglong Technology. If he was fired, he would have nothing.

Immediately, Li Shengwei reacted and was about to ask for mercy, but seeing Peng Kai’s resolute expression, he was suddenly desperate, and then left with a sullen person.

“Mr. Peng...”

As soon as her forefoot left, Chen Xia reacted, bit her lip, and pleaded with Peng Kai: “I was wrong, I hope Mr. Peng can forgive me and give me a chance to cooperate, okay?”

call!

Peng Kai smiled lightly and glanced at Yue Feng: “Whether we cooperate or not, he has the final say!”

Peng Kai was smart and wise, and directly gave Yue Feng the right to speak. After all, the two of them were so disrespectful to Brother Feng just now!

What?

Chen Xia trembled, looked at Peng Kai, then looked at Yue Feng, completely dumbfounded.

This... Peng Kai actually handed over the cooperation between the two sides to this person for decision. It can be seen that his status in Peng Kai’s heart is not ordinary.

The next second, Chen Xia reacted, stepped on high heels and walked in front of Yue Feng, with a docile face, and said softly: “Sir, I was wrong just now, I’m sorry...” The

voice was very small, not listening carefully. Can’t hear.

Although Chen Xia is the owner of a small company, she is arrogant and arrogant. She never dreamed that she would apologize to a seemingly poor boy, and she would be so servile!

call!

Yue Feng breathed a sigh of relief, his expression was indifferent, and he looked at Chen Xia with a smile: "Attitude is okay, but I seem to remember that you asked me to call you auntie before? Right!"

"I was wrong, really wrong. Please sir Give me a chance." Chen Xia's body trembled, she was so panicked that she almost cried.

Pfft!

Immediately afterwards, Chen Xia bit her lip, bent her knees slightly, and knelt in front of Yue Feng. At this moment, all her dignity was forgotten.

To be honest, Chen Xia doesn't want to be so servile, but for the company's future, in order to cooperate with Shenglong Technology, it doesn't matter what kind of dignity or self-esteem.

"Sir, please forgive me." Chen Xia grabbed Yue Feng's trousers and kept begging: "I know, I was too presumptuous just now, please give me a chance to allow our company to cooperate with Shenglong Technology. please..."

"Okay." Yue Feng looked at Chen Xia with a leisurely face and smiled: "I can forgive you, but what do you call me?"

When he said this, Yue Feng looked up and down at Chen Xia.

I have to say that this woman is very sexy, especially in a black cheongsam, which sets off the perfect curve so vividly that no man can resist it when he sees it. However, such a beautiful woman is self-righteous and bullying others, so Yue Feng decided to teach her a lesson.

"I..."

Facing Yue Feng's profound gaze, Chen Xia knelt there, her delicate body trembling suddenly.

Chapter 2300

Immediately, Chen Xia understood something, bit her lip tightly, and whispered: "Uncle... uncle, I will be a dog by your side in the future, as long as you are sent, I will not refuse! "

Hmm!

Yue Feng nodded in satisfaction, then turned to Peng Kai and said, "Give her a project!"

"Yes!" Peng Kai quickly agreed.

Chen Xia was extremely excited and thanked Yue Feng again and again: "Thank you, uncle..."

Yue Feng was too lazy to talk nonsense, and waved his hand, indicating that she could leave.

"Brother Feng, you came from a long way. I didn't receive you well, and it was my fault that you were bothered by the villain..."

As soon as Chen Xia left, Peng Kai bowed ninety degrees with a look of shame.

Yue Feng smiled and waved his hand to indicate that it was all right.

"Brother Feng, why did you suddenly come to Zhongyuan Continent?" Peng Kai breathed a sigh of relief, and then asked curiously.

call!

Yue Feng took a deep breath and told about the situation in the Chaos Mountains.

Hearing this, Peng Kai's heart was shocked and his eyes widened: "I heard about this a few days ago, but many people said that the wild and strange realm and the Rakshasa tribe are all groundless and deceitful. Yes, I didn't expect it to be true."

Saying this, Peng Kai looked serious: "Since the safety of Kyushu is involved, Brother Feng is useful, just speak up."

Hmm!

Yue Feng nodded and said with a smile: "If you really need it, I will find you."

"President!"

Just as he was talking, an assistant who was guarding the door walked in quickly and respectfully said to Peng Kai: "The second son of the Dugu family, just sent someone to the company to make an appointment and said he wants to meet you."

Dugu Jing?

Yue Feng frowned secretly. Dugu Jing, a playboy, what is he doing with Peng Kai?

At this time, Yue Feng did not know that Dugu Jing was looking for Peng Kai for Sun Ting.

Without hesitation, Peng Kai said coldly, "No!"

On the street in the afternoon, how could this Dugu Jing dare to offend Brother Feng, how could he meet him?

Long time no see, Peng Kai was very excited and chatted with Yue Feng for a long time before leaving.

.....

Tianzhong City, a restaurant.

Dugu Jing and Sun Ting sat face to face, silent with each other, feeling a little depressed.

Made.

At this time, Dugu Jing muttered in his heart, very annoyed, as the second son of the Dugu family, he went to make an appointment with Peng Kai, but he was also rejected.

"Cousin, don't think too much!"

At this time, Dugu Jing looked at Sun Ting affectionately, and comforted: "Tomorrow, my father and I will go to your house, and then I will ask my father to come forward for you and ask that Peng Kai. , I don't believe that Peng Kai can continue to put on airs."

"This..." Hearing Dugu Jing say this, Sun Ting was not happy at all, but frowned: "Forget it, I will find a way by myself, after all This is about the business of our Sun family." After speaking

, Sun Ting stood up and said softly, "It's getting late, you can go back, it's time for me to go home too!"

"I'll see you off!" Xu Xiangdong hurried Open your mouth.

Sun Ting shook her head: "No need!" The voice was soft, but unquestionable.

At this time, Sun Ting was still thinking of Yue Feng, and she promised to go to meet him where he stayed, and she couldn't keep her word, and Dugu Jing couldn't follow this kind of thing.

Uh...

Dugu Jing was a little embarrassed, and looked at Sun Ting out of the restaurant in a very disappointed way!

The next second, Dugu Jing reacted and followed quietly.

A few minutes later, seeing Sun Ting go to a hotel, Dugu Jing was stunned.

Swish!

In the next second, Dugu Jing thought of something, anger flashed in his eyes, and he clenched his fists.

In the afternoon, the boy named Feng Tao seemed to say that he would settle down here.

It turned out that my cousin didn't want to go home, but came here to see Fengtao.

Knowing this, Dugu Jing was so angry that he wanted to follow up, but he was afraid that his cousin would be angry, so he had to endure it.
