

The ultimate husband in Chinese chapter 2301-2310

Chapter 2301

“Made!” Dugu Jing scolded secretly: “This poor boy, dare to lie to my cousin, I will see you later.” After that, Dugu Jing hurried home and asked someone to help.

the other side.

Sun Ting asked the shop owner, went directly to the second floor, and knocked on the door of Yue Feng’s room.

Squeak.

Hearing the movement, Yue Feng was already lying down, and he hurried over to open the door. When he saw Sun Ting, he suddenly smiled.

“I’m sorry!” Sun Ting smiled and said apologetically, “I’m here so late, disturbing your rest?”

“No!”

Yue Feng shook his head and politely invited Sun Ting into the room.

“Are you really Yue Feng?” After entering the room, Sun Ting looked at Yue Feng closely and couldn’t help asking.

Ha ha!

Yue Feng couldn’t help laughing, this Sun Ting is so interesting, and she is not far from believing her identity.

In the next second, Yue Feng took a deep breath, took out the golden mask that symbolized the Lord of Tianmen, and said with a smile, “This is my token, should Miss Sun doubt me?”

Sun Ting’s body trembled when she saw the golden mask. , indescribably excited and excited.

Sun Ting clearly saw that this golden mask was exquisitely made and unique, and it was not fake at first glance.

Knowing that the person in front of her is really her idol, Sun Ting couldn’t express her joy: “I hope you don’t take offense about this afternoon, my cousin...”

This chapter is provided by . Visit for daily update.

Before she finished speaking, she was beaten by Yue Feng. broken!

“I’ve forgotten about the afternoon!” Yue Feng looked at Sun Ting with a smile, and said slowly, “But the matter of the Chaos Mountains is no trivial matter. I hope Miss Sun can arrange for me to meet the patriarch of the Dugu family as soon as possible. “

Hmm!

Sun Ting nodded and said softly: “Tomorrow, the patriarch of the Dugu family will come to our Sun’s house, so let’s take the token I gave you tomorrow and come directly to the Sun’s house to find me, and then I will give it to you to each other. I recommend.”

After saying that, Sun Ting handed a jade ornament to Yue Feng’s hand.

I saw that this jade ornament, lustrous and lustrous, was carved from a rare piece of white jade, and it was of great value.

This jade ornament, carried by Sun Ting since she was a child, is the status symbol of the eldest lady of the Sun family. Sun Ting cherishes it very much and never takes it out easily, but when she saw her idol at the moment, she was excited and gave it to Yue Feng.

“Thank you!” Yue Feng took the jade ornament, feeling indescribably happy.

Unexpectedly, this Sun Ting is quite stable in her work. She will meet the patriarch of the Dugu family tomorrow. If she can persuade him, it will not fail to live up to the request of Master Moraya.

Thinking to himself, seeing the smile on Sun Ting’s face, but a trace of melancholy between her brows, Yue Feng couldn’t help but ask: “Miss Sun, but encountered a problem?”

Sun Ting smiled and shook her head: “The family It’s okay to encounter some problems in business.”

His idol, but someone who does big things, how dare he trouble him with these little things in business?

Thinking that it was getting late, Sun Ting smiled at Yue Feng: “It’s getting late, I should go back.” After speaking, she turned and walked out of the room.

Yue Feng followed and sent Sun Ting out of the hotel, waving goodbye: “See you tomorrow.”

Phew!

Seeing Sun Ting leave, Yue Feng breathed a sigh of relief and felt extremely relaxed.

Fortunately, there was Sun Ting to help, otherwise, seeing the patriarch of the Dugu family, I'm afraid it would take a few more twists and turns.

In his heart, Yue Feng was about to return to the hotel.

"Stinky boy!"

However, at this moment, a loud shout came from not far away, followed by a dozen people who rushed over quickly and surrounded Yue Feng.

The one at the head, with a grim face and anger flashing in his eyes, is Dugu Jing!

The dozen or so people behind him were the subordinates that Dugu Jing called.

When I saw my cousin enter the hotel and go to see Yue Feng, Dugu Jing was completely angry. The woman he likes is so close to other men, who can stand it? So Dugu Jing called his subordinates and planned to teach Yue Feng a lesson.

Dugu Jing had been paying attention to the movement of the hotel just now, and when he saw his cousin had left, he rushed over with someone.

At this moment, Dugu Jing, with the corners of his mouth up, looked at Yue Feng coldly, full of contempt: "Stinky boy, challenge this son in the afternoon, if you don't leave quickly, you still dare to stay here, and you dare to attack my cousin's idea, If I don't teach you a hard lesson tonight, I won't be called Dugu Jing! Abolish him for me." The

voice fell, and a dozen men around him clenched their long knives and slashed directly at Yue Feng.

Chi...

In the night, more than a dozen long knives were waving, bringing with them a cold glow. Seeing that, Yue Feng was about to be split in half.

Whoosh!

At this critical moment, Yue Feng's body suddenly moved, and a dozen knives, as if they were blind, were all lost, and he didn't even touch Yue Feng's clothes.

Chapter 2302

What?

At this moment, Dugu Jing was dumbfounded, a dozen long knives were impossible to avoid, but Yue Feng, who was in front of him, could hide so easily.

“Dugujing...I really don't know if you are brainless or really stupid. Back then at Canglong Pass, I already showed my strength. You thought you could teach me a lesson with these wine bags and rice bags? It's ridiculous!” At this time, Yue Feng Standing there, looking at Dugu Jing with a half-smile, sarcastically.

Of these subordinates that Dugujing brought, the strongest one was Wu Sheng, and he couldn't look down on them at all.

Swish!

Hearing this, Dugujing's face flushed and he was furious. He pointed at Yue Feng and said angrily: “Come on together, whoever can hurt him will be rewarded heavily.” As

soon as the words fell, a dozen men looked at each other, and once again rushed up.

Bang bang bang!

Yue Feng chuckled lightly, moved his body, and easily knocked a dozen people to the ground with three punches and two feet. Hearing these people moan and roll on the ground.

“It's your turn!”

At this moment, Yue Feng spoke lightly, his body flashed, and he was already in front of Dugu Jing. A slap in the face!

How did Dugu Jing react, the whole person was directly fanned out, and flew more than ten meters before sitting on the ground.

Yue Feng did not pursue, but looked at him coldly: “I have limited patience, it is best not to bother me, otherwise, it will not be as simple as slapping you next time!”

Yes, Yue Feng showed mercy, Otherwise, Dugu Jing and his subordinates would be dead.

To be honest, Yue Feng wouldn't be tolerant of people like Dugujing, but thinking that he was Sun Ting's cousin, and he had to rely on Sun Ting for help, he didn't do anything ruthless.

“You...”

Dugujing covered his face, stared at Yue Feng fiercely, gritted his teeth and said: “Okay, okay, don't be complacent, just wait for me, we'll see...” The

voice fell, regardless of the surroundings. The subordinate, got up, and fled in a dreadful way.

A fool!

Yue Feng sneered and turned back to the hotel.

.....

On the other side, the Sun family!

When she got home, Sun Ting wanted to immediately tell her father that Yue Feng was coming, but she held back when she saw that it was too late.

Early the next morning, as soon as Sun Ting got up, she was called by her father Sun Boye to the study!

In the study, Sun Boye was sitting on the Taishi chair, reading a book.

Sun Boye, the current head of the Sun family, is modest and prudent. For more than ten years, he has devoted himself to the development of a family business. He is well-known in the business world of Zhongyuan Continent, and can be said to be a pivotal figure.

Only in the past two years, because of the constantly changing situation in the Kyushu mainland, the Sun family's property has been affected, and Sun Boye is very anxious.

"Dad!"

At this moment, Sun Ting approached the study room, bit her lip, and said softly, "Dad, are you in such a hurry to find me something?"

Sun Boye smiled slightly, and said gently, "Tinger, I went to Shenglong Technology to talk about it yesterday. How's the business going? Is there a chance to cooperate?"

Because there is only one daughter, Sun Boye regards Sun Ting as the jewel in his palm and loves him very much.

Sun Ting sighed lightly, feeling very ashamed: "No...the boss of Shenglong Technology didn't see me at all?"

Huh?

Sun Boye's smile froze on his face, he was stunned for a moment, then reacted and comforted: "Okay, I also guessed the result, you know, Shenglong Technology is a big technology company in the earth's circle, and it is the driving force of Zhongyuan. The

leader in the development of science and technology in the mainland, our Sun family, although we have some reputation in Zhongyuan Continent, but compared with others, it is still a lot worse, and it is normal for them to look down on our Sun family!”

Chapter 2303

Hearing this, Sun Ting disagreed, but didn't say it.

“Ting'er!” Sun Boye looked at Sun Ting quietly, thought of something, and said with a smile: “I am very pleased that you can take the initiative to undertake the family business, but then again, after all, you are the daughter's family, and it's not worth it to talk about business in public. Ya, you are also a big boss, I have been thinking about your marriage recently, and now I want to ask you, are you interested in someone?”

Shuh!

Hearing this, Sun Ting blushed and shook her head: “I... how can I have a crush?”

After saying that, Sun Ting walked over, hugged Sun Boye's arm, and swayed like a spoiled child: “Dad, my daughter doesn't want to Marrying, I want to stay by your side and help you manage the family business.”

Haha..

Hearing this, Sun Boye was greatly relieved and laughed, but he still shook his head and said, “Silly girl, the man should marry. When a daughter is married, how can a daughter stay by her father's side all the time?”

Said, Sun Boye's eyes flickered, and he continued with a smile: “Actually, my father is also reluctant to part with you. .”

Sun Ting's body trembled, her face blushing: “Dad, let's talk about this later.”

At this time, Sun Ting was very shy.

He didn't even have the right person yet. His father wanted to marry him, and he had to recruit a son-in-law. It was embarrassing to think about it.

“Okay, let's not talk about it...”

Seeing his daughter getting shy, Sun Boye laughed.

At this moment, a maid walked quickly to the door and said respectfully, “Master, the Dugu Patriarch and the second son Dugu Jing are visiting and are waiting in the front hall.”

Uncle Dugu is here?

Sun Ting was full of joy, stepped on high heels, and walked up quickly: "Dad, hurry up, let's hurry over!"

If it was before, when Patriarch Dugu and Dugu Jing came, Sun Ting had no interest at all, but thought of introducing Yue Feng, Sun Ting is very attentive!

It is an honor to work for an idol.

Um?

Seeing Sun Ting's impatient look, Sun Boye was stunned.

What happened to the daughter? When I heard Dugu Jing before, I was very disgusted, but now I am so happy?

At this moment, in the front hall.

A middle-aged man, sitting on a red sandalwood chair full of extravagance, dressed in a satin robe, has a peaceful and extravagant aura, and his body is also filled with a powerful aura.

It is the patriarch of the Dugu family, Dugu Hongyu.

The Dugu family is the most powerful cultivating family in Zhongyuan Continent. It is famous all over the world. As the patriarch, Dugu Hongyu is highly respected and has a very strong strength.

Behind him, Dugu Jing stood quietly, in a neat suit, with a good temperament, very handsome, but with some bruises on his face.

This bruise was slapped by Shang Yue Feng last night, but Dugu Jing didn't dare to say it, just said that he accidentally fell.

"Cousin!"

At this time, seeing Sun Ting and Sun Boye coming in, Dugu Jing walked over quickly, looking ingratiatingly: "Cousin, how was your rest last night?"

Sun Ting nodded and responded.

The next second, Sun Ting walked over with a smile and said to Dugu Hongyu, "Uncle, are you here?"

Hmm!

A smile appeared on Dugu Hongyu's face. The son and Sun Ting stand together, they are really talented and beautiful, and they are a natural pair.

Yes, Dugu Jing is very obsessed with Sun Ting, Dugu Hongyu is eager to protect his son, loves the house and Wu, and is also very optimistic about Sun Ting, and in Dugu Hongyu's heart, Sun Ting has long been regarded as his daughter-in-law.

Chapter 2304

At this time, Sun Boye came over, looked at Dugu Hongyu and said with a smile: "Why do you have free time to come to me?" The

Sun family and the Dugu family, one is a business family and the other is a cultivation family, but they have been friends from generation to generation. , and Sun Boye and Dugu Hongyu, like sworn brothers, have a very good relationship.

As he was talking, Sun Boye greeted: "Come here, bring my good old tea."

After a while, a few maids came over with tea. After the two exchanged a few words, Dugu Hongyu smiled and said: "I'm here today for Ting'er!" After

speaking, Dugu Hongyu explained the situation!

Last night, as soon as Dugu Jing returned home, he begged Dugu Hongyu to come forward and help Sun Ting and Shenglong Group cooperate.

Dugu Hongyu is a famous legend in all corners of the world. Originally, he rarely got involved in shopping malls, but his son made a hard request, and it was his future daughter-in-law, so Dugu Hongyu had to agree.

call!

Hearing this, Sun Boye gave Sun Ting a reproachful look.

In the next second, Sun Boye gave a wry smile and said to Dugu Hongyu: "Jing'er asked you to come here in person for this matter, what a big deal!"

"How could it be a big deal?"

Dugu Hongyu shook his head. Seriously: "Your grandson family has been on good terms with our Dugu family from generation to generation, like a family, the boss of Shenglong Technology, who holds his own identity, doesn't take your grandson family in the eyes, it means to look down on our Dugu family, this matter, Even if Jing'er doesn't say anything, I can't stand by."

Hearing this, Sun Boye nodded and smiled, "That's what I said, but shopping malls are all about making money with equanimity. I think it's better to slow down this matter."

"Okay. !"

Dugu Hongyu nodded and said with a smile: "Then let's not talk about this for now. I'm here today, and there is another important thing, which is also a big happy event for our family." A big happy event?

Sun Boye was stunned and said with a smile: "What's the big happy event?"

Dugu Hongyu said with a smile: "Old Sun, our family's Jing'er and your family's Ting'er are both old and young, and Jing'er has always loved Mu Ting. Er, so, I brought Jing Er here today to propose marriage to you on purpose." The

voice fell, and Dugu Jing next to him was full of excitement.

Yes, last night, Dugu Jing decided to invite his father to help Sun Ting. The main purpose was to take this opportunity to propose marriage.

What?

Sun Ting's body trembled, her whole body was stunned, her mind was buzzing!

My cousin asked Uncle Dugu to propose marriage?

"This..."

Sun Boye was also stunned, then reacted immediately, nodded and smiled: "What a coincidence, I was talking to Tinger about her marriage just now, I have no children, just this one daughter, I think I'm looking for a son-in-law who comes to the door..."

Before he could finish his sentence, he was snatched by Dugu Jing.

"I do!" Dugu Jing's face was full of excitement, and his tone was very firm.

As long as he can make his cousin his own woman, it doesn't matter if he comes to the Sun's family to be his son-in-law. Anyway, since the two families have been friends for generations, he will not be abused.

"Shut up!"

At this moment, Sun Ting's delicate face was extremely red, she stamped her feet, and refused: "I...I don't want to marry now, let alone marry my cousin."

This Dugu Jing is completely a The playboy son is too far from his ideal husband-in-law.

Sun Boye was stunned, and said in surprise, "Why?"

At this time, he was very puzzled by his daughter's reaction. This Dugu Jing is very good, I like her so much, and the two have grown up together since childhood. It can be said that they are childhood sweethearts. Why is her daughter so conflicted?

call!

Dugu Hongyu next to Chapter 2305

, and Dugu Jing were also surprised, and they didn't seem to expect that Sun Ting would refuse so simply.

Sun Ting took a deep breath and looked at Sun Boye seriously: "Dad, as I said just now, I want to help you manage the family business, but I don't want to get married yet, and my cousin is not my type."

"Cousin!" Dugu Jing was in a hurry, and hurriedly expressed his intentions: "I know you have an opinion on me, but as long as you say it, I will change it, and I promise to treat you well for the rest of my life."

Sun Ting did not respond!

Haha..

At this moment, Dugu Hongyu smiled, looked at Sun Ting and said: "Tinger, you are still young, it is good to have your own ideas, but you also need to understand that your cousin is sincere to you, you just now I said, I want to take care of the family business, but how tiring you are as a woman. When you and Jinger have a happy event, wouldn't it be better to have another person by your side to help? Besides, after the marriage of our two families, we are alone. The family is relying on, and your Sun family's business will only get better and better."

Hearing this, Sun Ting bit her lip tightly, but did not respond, her expression was indifferent, and she still did not agree.

"Cousin!"

Dugu Jing was so anxious that he was about to say something.

"Master!"

But at this moment, a servant walked in quickly and respectfully said, "A man who calls himself Yue Feng visited, and the youngest brought him in."

Yue Feng?

Hearing this, both Dugu Hongyu and Sun Boye were stunned. You know, Yue Feng is a famous person, famous in Kyushu, and he actually took the initiative to visit the Sun family?

At the same time, the eyes of the two are also a bit complicated, because in the past few years, people in many places have pretended to be Yue Feng and lied everywhere.

This guy here today is probably a liar too.

Swish!

However, Sun Ting's face was overjoyed, and she couldn't be more excited. The idol came just in time, which just eased her embarrassing situation.

"Made!"

At this moment, Dugu Jing reacted and couldn't help cursing: "It's that poor and sour liar again, who is not too timid, yet dares to come to Sun's house?"

Last night, Dugu Jing was taught a lesson by Yue Feng, There are still bruises on his face now, and when he heard Yue Feng's name, he was instantly resentful.

The more Dugu Jing thought about it, the more angry he became, and he yelled at the servant, "Don't you know how many liars have pretended to be Yue Feng in recent years? They brought people in casually? What did you eat?"

The servant was trembling. With a face full of grievances: "Second Young Master, that person has a token of the young lady in his hand, and the little one does not dare to neglect."

What?

Dugu Jing was stunned, but for a moment he couldn't turn his head.

Got a cousin's token?

Shasha...

Just when Dugu Jing was thinking about it, a slight footstep sounded, and then a man and a woman slowly entered the hall. The men are handsome and handsome, and the temperament is extraordinary, the women are cold and sexy, and the beauty is indescribable.

It is Yue Feng and Gong Gong.

Swish!

At this moment, Dugu Jing saw at a glance that Yue Feng was holding Sun Ting's jade ornament in his hand, and his body trembled, envy and hatred.

Mad, this jade ornament is a family heirloom of the Sun family. My cousin wore it on her body since she was a child and cherished it very much. She didn't even have a chance to see it in her hand, but now, my cousin gave this jade ornament as a token to this kid.
?

Just a poor and sour liar, how can he be?

The ultimate husband in Chinese chapter 2306-2310

Chapter 2306

Call!

Finally, Sun Boye reacted and looked at Yue Feng up and down: "You are the Sect Master of Tianmen, the Emperor of the Western Cang Yue Feng?"

When he said this, Sun Boye's eyes were full of suspicion. A big man in Kyushu?

Swish!

At this moment, Dugu Hongyu and the surrounding Sun family members all focused on Yue Feng, full of vigilance.

At the same time, many people were deeply attracted by Gonggong. Especially many men, their eyes are straight.

beautiful!

What a nice view.

There is such a perfect woman, like a fairy descending to earth.

Facing everyone's attention, Yue Feng smiled slightly, clasped his fists at Sun Boye and said, "This is Sun Ting's father, Mr. Sun, yes, it's Yue Feng, I take the liberty to come here, and I'm sorry to disturb you.

" However, Yue Feng secretly paid attention to Dugu Hongyu.

Yue Feng can clearly feel that Dugu Hongyu's inner strength is very strong, and like himself, it is the strength of Wudan Wuhuang.

As soon as he finished speaking, Dugu Jing strode out and said mockingly: "Boy, you dare to talk nonsense when you arrive at the Sun's house? Do you know where this place is? Come here to lie, do you know what will happen?"

At this time, Dugu Jing, looking at Yue Feng's eyes full of resentment.

I took my subordinates last night, and I planned to teach this kid a good lesson, but I didn't expect that he was taught a lesson instead. If it was normal, Dugu Jing would not dare to be so arrogant to Yue Feng, after all, this person's strength is too strong.

This chapter is provided by . Visit for daily update.

But at this time, when his father was present, Dugu Jing felt confident and fearless.

Yue Feng chuckled lightly and ignored him.

Dugu Jing thought he was guilty, sneered, and shouted at the people around him: "It's this kid, full of nonsense, not only saying that he is Yue Feng, but also that he was invited by Moroye to invite us to the Dugu family. Send someone to guard the Chaos Mountains."

Speaking of this, Dugu Jing said to Dugu Hongyu: "Dad, don't believe him, a few days ago, that Moroye who came to our house, a Shinto Taoist, said What kind of wild and strange realm, the Rakshasa clan are all liars, and this kid and his group are not good things."

Hu!

Hearing this, Dugu Hongyu narrowed his eyes slightly and looked at Yue Feng with a bit of hostility in his eyes.

A few days ago, Moroye visited the Dugu family and told about the situation of the Chaos Mountains. Dugu Hongyu just regarded it as nonsense, because the ancient books collected by the family never mentioned the other side of the Chaos Mountains. The world called the Wild and Strange Territory, as for the Rakshasa, is even more unheard of.

So at that time, Dugu Hongyu sent Moroye directly.

"Your Excellency!"

At this moment, Sun Boye, who had been silent, looked at Yue Feng with a half-smile, "You said you were Yue Feng? How can you prove it?"

"It's really Yue Feng. I can prove it."

Then, Sun Ting walked up to Yue Feng, her face full of admiration and eagerness: "Yue Feng, take out your golden mask." Yue Feng has a golden mask that symbolizes the Lord of Heaven. , unique, as long as everyone sees it, they will no longer doubt it.

Um!

Yue Feng nodded and took out the golden mask.

In an instant, the eyes of the audience all converged on the mask, each with an unbelievable face.

The golden mask of the Tianmen Sect Master?

Could it be... is he really Yue Feng?

Chapter 2307

Haha ..

Just when everyone was whispering, Dugu Jing couldn't help laughing, pointing to the mask in Yue Feng's hand, mocking: "Boy, I have to say that your mask is very realistic, but Let me tell you, there are too many people imitating Yue Feng, and there are too many such fake masks. In the Sun's factory, within half an hour, I can make one exactly like you, believe it or not ?"

Hehe.

Hearing this, many people laughed.

Nima!

Yue Feng frowned, feeling very unhappy, is this Dugu Jing mentally ill? I don't have any grudges with him, just because I got closer to Sun Ting, I targeted myself everywhere.

"Dugu Jing!" Sun Ting was also very angry, and shouted at Dugu Jing: "Can you not do so much? He is Yue Feng, why do you have to say that he is fake? Canglong Pass in Cang Continent, when we were caught, you forgot who rescued us?"

This Dugu Jing, who wants to avenge his kindness and want to marry him, is really annoying when he sees it.

"I..."

Dugu Jing opened his mouth, very embarrassed, and couldn't help muttering: "In Canglongguan, we met a good official, what does it have to do with him?"

“Your Excellency!”

At this moment , Yue Feng walked over slowly and smiled at Dugu Hongyu: “You are the patriarch of the Dugu family, whether I am really Yue Feng or not, the situation in the Chaos Mountains is really urgent. Once the Rakshasa clan crosses the Chaos Mountains , the consequences are unimaginable, this matter requires us to unite in the Kyushu continent, and I hope the patriarch will pay attention to it and send someone to help guard it before it happens.”

When he said this, Yue Feng’s face was sincere.

“Haha...” Dugu Hongyu smiled and said disapprovingly: “As far as I know, for thousands of years, there has never been any record of the Rakshasa in the Kyushu continent, and now it is only based on that Moraye’s In just a few words, all the forces in the Kyushu continent will spend a lot of time sending people there, which is really a joke.” After

speaking, Dugu Hongyu looked at Yue Feng with a serious face, and continued: “Yue Feng is a famous name. The big man who shook Kyushu, I firmly believe that with his knowledge, he will not believe these nonsense.

“

Hearing this, Yue Feng was dumbfounded.

The people of this Dugu family are really arrogant. Dugu Jing is like this, and Dugu Hongyu is like this. They are indeed father and son.

Thinking to himself, Yue Feng was about to say something, but before he could speak, he was interrupted by Sun Boye.

“Okay!” Sun Boye glanced at Yue Feng and said with a chuckle: “Patriarch Dugu said very clearly, and you can understand it. Originally, I was going to drive you away, but for Ting’er’s sake, I will I won’t embarrass you anymore. It’s just about the Chaos Mountains, so don’t talk about it.”

After speaking, Sun Boye stopped talking nonsense and put Yue Feng aside.

“Dad!”

Seeing this scene, Sun Ting was so anxious that she wanted to speak for Yue Feng, but she saw Sun Boye’s determined expression, and she didn’t know where to start.

Uh...

At this moment, Yue Feng was about to cry but had no tears. At this moment, he finally realized the difficulty of Moraye. Being a lobbyist is really not an easy task.

Dugu Jing, who was on the side, saw Yue Feng's expression and felt extremely proud.

Let you go against me, this is just the beginning, and you will look good next.

Dugu Jing had already thought about it. He would have the opportunity to speak more ill of this kid in front of his father. It is best if his father could personally take action and teach him a lesson.

"Ting'er!" At this moment, Dugu Hongyu smiled at Sun Ting: "Let's talk about what happened just now, since you don't want to get married for the time being, my uncle doesn't force you, and the marriage will not be delayed for two years. Question. As for the cooperation between you and Shenglong Technology, I have sent someone to spread the word. I believe that the boss of Shenglong Technology will give me this face."

Dugu Hongyu has been in the world for a long time, and he is skilled in the world. The son was very resistant, so instead of forcing it, he turned to help Sun Ting in business. Because Dugu Hongyu knew that the Sun family was eager to cooperate with Shenglong Technology. As long as he helped, the Sun family would owe him a big favor.

When the time is right, if she proposes marriage again, even if Sun Ting is unwilling, her father, Sun Boye, will speak to Dugu Jing.

Chapter 2308

"This..." Sun Ting

bit her lip tightly, hesitantly, and then said softly, "Uncle, let me do the business myself, so I won't bother you."

Stupid, knowing that Dugu Hongyu has successfully helped him, when he proposes a marriage later, he has no courage to refuse, so he can only find a way to refuse.

Dugu Hongyu smiled without saying a word.

"Ting'er!"

At this time, Sun Boye couldn't stand it any longer, and frowned and rebuked: "Your uncle wants to help, how can you refuse?" On

the surface, Sun Boye didn't care much about the cooperation with Shenglong Technology, but he was really anxious. , just because of identity, it is not easy to show it.

“Yeah.” Dugu Jing quickly came out and hit the railway while it was hot: “Cousin, you saw the situation yesterday, the boss of Shenglong Technology is very arrogant, even I can’t do it, only my father can come forward, you If you refuse to help, the cooperation between your Sun family and Shenglong Technology will be hopeless.”

Saying this, Dugu Jing looked urgent: “Don’t you know you have always wanted to prove your ability? As long as you can cooperate with Shenglong Technology If you cooperate successfully, you will become the youngest and most successful businesswoman in our Zhongyuan Continent, isn’t this what you have been pursuing?”

Phew!

Hearing this, Sun Ting remained silent for a while, but her heart was in a mess, and she had no idea at all.

How to do?

If you don’t agree, the business cooperation will be yellow.

But if you have to agree, Dugu Jing will use this as a reason to annoy himself every day.

For a time, Sun Ting frowned and fell into a tangle.

Ha ha...

Seeing this scene, Yue Feng showed a smile. It turned out that Sun Ting was always sad because of the cooperation with Shenglong Technology.

Thinking to himself, Yue Feng came over and smiled at Sun Ting: “Miss Sun, do you want to cooperate with Shenglong Technology? I can help you.”

Really?

Sun Ting’s eyes lit up, surprised and happy, and said to Yue Feng, “You...can you help me?”

After speaking, Sun Ting thought about it, he is the Lord of Heaven’s Gate, and he can do anything. Now that he has spoken, There must be a way.

Yue Feng smiled and was about to respond.

At this moment, Dugu Jing came over and couldn’t help but sarcastically said: “Boy, why are you everywhere, do you know what Shenglong Technology does? Do you know who the boss of Shenglong Technology is? Don’t be ashamed to say help?” The

voice fell, and many people around also pointed at Yue Feng.

“The current liar is more and more bragging.”

“That is, fortunately, our master has a good temper, otherwise, he would have been beaten out long ago.”

“I’m a little strange, how did the lady believe him... “

Everyone’s discussion kept coming, Yue Feng ignored it, but took out his mobile phone and quickly sent a message to Peng Kai. This mobile phone was specially given to Yue Feng by Peng Kai last night.

The communication of Zhongyuan Continent is still in its infancy, and mobile phones have not yet become popular, but Shenglong Technology has established many signal stations and built an internal network.

In this case, the insiders of Shenglong Technology have already started to use mobile phones.

Of course, only insiders.

Seeing Dugujing, Sun Ting stomped his feet angrily.

Gonggong, who had been silent all this time, couldn’t stand it any longer. He whispered to Yue Feng, “Yue Feng, can you bear it?” Yue Feng could bear the ridicule of everyone. If he were himself, that Dugu Jing would have already died. .

call! Yue Feng breathed a sigh of relief and said helplessly: “If you can’t bear it, you have to bear it. The most important thing now is to let the Dugu family send someone quickly. If I ca n’t

help it, will it destroy the unity soon and affect future cooperation?”

At this point, Gonggong no longer speaks.

Everyone mocked for a while, and seeing that Yue Feng had been silent, he thought it was a guilty conscience, so he stopped talking.

“Go!” At this time, Sun Boye ordered his servants: “Get ready the food and drink. I want to have a few drinks with Patriarch Dugu.”

When he said this, Sun Boye didn’t even look at Yue Feng. In his opinion, Yue Feng is a liar, but because of his daughter’s face, he does not care about him for the time being.

Sun Boye thought about it, waited for an opportunity, walked his daughter straight, and then dealt with Yue Feng.

Chapter 2309

“Yes!” The servant responded and hurried to prepare.

Soon, the food and drinks were prepared, which was very rich, but only four sets of tableware were prepared, obviously not Yue Feng’s share.

“Ah?”

At this moment, Dugu Jing looked at Yue Feng with contempt, and shouted deliberately, “Why don’t you go away, you liar? Do you really want to cheat food and drink at Sun’s house? Let me tell you, my cousin is kind-hearted. But...”

Before he could finish speaking, he was interrupted.

“Master!” The

housekeeper walked in quickly, sweating profusely, his face couldn’t hide his excitement, and respectfully said to Sun Boye: “Sheng... The boss of Shenglong Technology, Mr. Peng is here to visit.”

What?

When the voice fell, everyone present was shocked, and then, their eyes converged on Dugu Hongyu, feeling secretly in their hearts.

The Dugu family is worthy of being the Big Dipper of Mount Tai in the arena of Zhongyuan Continent. Their face is great.

Patriarch Dugu just finished speaking and wanted to help Sun Ting. In a blink of an eye, the boss of Shenglong Technology came in person.

Dugu Hongyu showed a smile, a very unfathomable gesture.

Dugu Jing next to him was even more proud of himself. At the same time, she looked at Sun Ting with affection, and she was very excited.

Great.

The boss of Shenglong Technology, looking at his father’s face, came to visit so quickly. As long as the voice talks were completed, his cousin would be grateful and would definitely be nice to him, and maybe he could agree to get married.

At this moment, no one looked at Yue Feng and completely ignored it.

Yue Feng was not in a hurry, just stood aside and waited quietly.

“Haha..”

Under everyone’s attention, laughter came, followed by a handsome figure slowly walking into the hall! It was Peng Kai.

After receiving Yue Feng’s joy just now, Peng Kai rushed over without delay.

All of a sudden, everyone’s eyes turned to the past.

I saw that Peng Kai was dressed in a specially tailored suit, with short hair and looked handsome. On his wrist, he was wearing a limited-edition watch from Diyuan Continent. Although he is young, he has the air of a big businessman all over his body.

With this outfit, everyone present couldn’t help but sigh with emotion.

As expected of a business tycoon from the Earth Circle, this temperament is truly extraordinary.

Thinking about it, the eyes of many people were once again focused on Dugu Hongyu.

The boss of Shenglong Technology is so arrogant, who can invite him, besides the patriarch of the Dugu family?

After all, Dugu Hongyu is a man of great importance in Zhongyuan Continent.

This...

Sun Ting was also stunned, looking at Peng Kai blankly, feeling very uneasy and complicated.

Is this Mr. Peng really invited by Uncle Dugu? If that’s the case, this kind of love can’t be pushed away.

“Hello!”

Under everyone’s attention, Peng Kai looked around, then strode up to Sun Ting, stretched out his hand, and said politely, “You are Miss Sun Ting, and yesterday I went to the company to look for it. Me.”

Peng Kai took the initiative to say hello, Sun Ting was flattered, and shook hands with Peng Kai, her mind clouded.

“I’m so sorry.” Peng Kai continued: “I was really busy before, and I couldn’t receive Miss Sun. Please don’t take offense to Miss Sun. I have signed the cooperation agreement. I hope we can cooperate happily.”

Apologizing, Full of sincerity.

“No... it’s okay!” Sun Ting was a little nervous and replied in a low voice. At the same time, my heart is also excited.

Have you cooperated with Shenglong Technology? This is not a dream.

Whoa!

Seeing this scene, everyone around was in an uproar. One by one, they looked at Dugu Hongyu and worshipped them even more.

Still the Dugu Patriarch has a big face. Otherwise, can Peng Kai be so polite to Miss Sun? Moreover, in front of so many people, he apologized to Sun Ting.

Chapter 2310 In the

limelight, Dugu Hongyu was indescribably happy.

At the same time, looking at Peng Kai, Dugu Hongyu also nodded in approval.

This Peng Kai, although he used to be very big, has to say that he is really good at being a man. He is so humble and polite that he can’t bear the slightest ill will. No wonder he can develop a technology company to such a large scale.

Now that people have apologized, it’s time for them to go up and express themselves.

Thinking to himself, Dugu Hongyu walked over, squeezed out a smile, and smiled at Peng Kai: “Hello, Mr. Peng is here, it’s my honor!” I

thought Peng Kai would shake hands warmly, but I didn’t expect that Kai just smiled politely, and then looked away.

The next second, Peng Kai looked around, and then walked straight past Dugu Hongyu.

This...

Seeing this scene, the entire hall was silent, and everyone was stunned.

what’s the situation?

Shouldn’t Peng Kai have a warm conversation with Dugu Hongyu? Why is she so indifferent? It’s completely different from her previous attitude towards Sun Ting.

Just when everyone was in shock, they saw Peng Kai in front of Yue Feng.

hiss!

At this moment, many people were stunned and couldn't help taking a breath of cold air.

Could it be that this Peng Kai was not invited by the Dugu Patriarch, but came to visit the Sun family because of this kid's face?

How is this possible?

"Brother Feng!"

At this moment, Peng Kai bowed respectfully at Yue Feng, and said politely, "According to your explanation, Miss Sun and I have already cooperated. Do you have any other orders?"

Seeing this scene, everyone thought they were dazzled and dumbfounded.

This... this Peng Kai, was really invited by this kid.

Also, what was his name just now? Brother Feng?

"You..."

Dugu Jing stared blankly at Peng Kai with his grown mouth, speechless.

I thought that only the identity of the father could let this Peng Kai come to the door in person, but I never expected that the person who invited Peng Kai was actually this poor liar.

Dugu Hongyu frowned, and his face was extremely ugly.

"Mr. Peng!"

Finally, Sun Boye, who was next to him, was the first to react. Looking at Peng Kai, he couldn't help but ask, "What did you call him just now?"

"Brother Feng!" Peng Kai replied without thinking with a smile on his face.

Gudong.

Sun Boye secretly swallowed his saliva and continued to ask: "Then he..."

Before he could finish speaking, Peng Kai smiled slightly, then looked around, his tone was very solemn: "This is the hero of our Earth Continent, The famous Lord of the Heavenly Gate, Yue Feng, is also my forever brother Feng."

What?

Hearing this, the whole hall burst into flames, and everyone was talking about it.

“This... this person is really Yue Feng?”

“But it doesn’t look like it, this dress is too ordinary.”

“Yeah, it’s completely different from what I imagined.”

Everyone’s comments came from you and me, and Yue Feng laughed without saying a word.

Peng Kai chuckled lightly, looked around and said, “You don’t have to question, as a person from Earth Circle, how come I don’t know Brother Feng? Moreover, before Brother Feng established Tianmen, he helped me a lot. It can be said that , Without Brother Feng, there would be no current Shenglong Technology.”

Speaking of which, Peng Kai glanced at Yue Feng with a serious face: “As long as Brother Feng says a word, I will immediately offer Shenglong Technology with both hands.” The

tone was firm . , beyond doubt.

Huh...

Hearing this, the whole hall was silent, everyone looked at Yue Feng, speechless.

In particular, Sun Boye, Dugu Hongyu, and Dugu Jing have complex expressions, one is more embarrassed than the other.
