

## The ultimate husband in Chinese chapter 2361-2365

Chapter 2361 When

you see this woman in the future, you must teach him a lesson.

.....

On the other side, in the vast sea.

Yue Wuya led the blood shark pirates and drove thousands of ships to sail fast. It has been sailing all night and day.

At this time, when night fell, Yue Wuya and many pirates entered the cabin to rest. After sailing for nearly two days, everyone was exhausted.

However, Han Bing was very thoughtful, and at her suggestion, Yue Wuya divided the pirates into three groups, one group was manipulating the ships, one group was guarding the surrounding area, the other group was resting, and the three groups were on duty in turn.

At this time, Tang Qingyun stood on the deck, watching the surrounding sea.

Yes, when night falls and it's time for a shift change, Tang Qingyun, as a surrenderer, also needs to be on duty with the pirates.

Next to him are several pirate powerhouses. These pirate powerhouses are powerful, and their position in the blood shark is second only to blood Luo Siyan.

Tang Qingyun's face was calm, and he seemed to be watching the surrounding sea, but he was secretly anxious.

How to do? Yue Wuya doesn't trust him. Once he returns to the mainland, he will definitely hand him over to Yue Feng. At that time, if Yue Feng is charged with fleeing without a fight, he will surely die.

However, surrounded by the vast sea, even if you leave, there is no way to go.

The more Tang Qingyun thought about it, the more anxious he became.

"Look, there is a situation over there."

At this moment, a strong pirate next to him found something and couldn't help but said.

Swish!

In an instant, everyone looked at them immediately, and all of them became alert. They saw that on the sea a few hundred meters away, a giant shark was swimming quickly with its fins exposed.

There seems to be a person lying on the back of the giant shark, but it is far away, and because of the waves, it is not clear at all.

Seeing this, several pirate powerhouses hurriedly discussed it.

“Could it be that Duan Yu? Or, go and report to the leader?”

“No, the giant shark that Duan Yu tamed was killed by the leader.”

“I also think it’s impossible, maybe the giant shark took the small shark with him . . . Come and play on the water, we are all too nervous.”

Listening to their discussion, Tang Qingyun was inexplicably excited, and his mind quickly turned.

If Duan Yu came, he would definitely have a fierce battle with Yue Wuya. At that time, he would be able to take advantage of the chaos and leave in a small boat.

At this moment, the giant shark is here.

Duan Yu was lying tightly on the back of the giant shark, trying to use the cover of the sea to get closer.

Yes, this giant shark was re-tamed by Duan Yu. He met Yue Wuya at the bottom of the sea before, and was seriously injured by Yue Wuya and Hai Linger working together. The giant shark also died, and Duan Yu was very annoyed.

After re-taming a giant shark, Duan Yu learned that Yue Wuya led the pirate fleet back to the mainland, and followed quietly.

Duan Yu was very cunning. Instead of standing on the back of the giant shark, he was lying there. With the help of the seawater, those pirates would not have discovered it the first time. When that time came, they would be able to make a surprise attack.

At this moment, there was a layer of fog on the sea, and everyone couldn’t see the giant shark at once.

“Mad, I can’t see it anymore!”

At this moment, several pirate powerhouses did not dare to neglect, looked at each other and discussed countermeasures.

“What should I do?”

“Whether it’s a giant shark with a small shark or a real Duan Yu, we can’t let our guard down.”

“Otherwise... who will get on the boat to have a look?” During the

discussion, Tang Qingyun walked quickly. Come, with a serious face: “I’ll go.”

When he said these two words, Tang Qingyun was very sincere, but he was a little excited and nervous.

Haha...

I just can’t leave now. The sea is foggy now. It’s just that the heavens are helping me. I can just leave in a small boat in the name of exploration.

Chapter 2362

“You?”

Several pirate powerhouses were stunned, their eyes focused on Tang Qingyun, all of them were very surprised.

If Duan Yu was really on the back of the giant shark, it would be life-threatening if he approached it rashly.

This Tang Qingyun, although strong, is not Duan Yu’s opponent.

“Several!”

Seeing their hesitation, Tang Qingyun folded his fists and said hypocritically, “I, Tang Qingyun, have received the grace of Young Master Yue for not killing. I have been thinking about how to repay these two days, so please don’t persuade me.

” Then, Tang Qingyun looked at the surrounding fog and continued: “Time waits for no one, we have to quickly find out the situation, if it is really Duan Yu, it will be troublesome.”

Well!

Hearing this, several pirate powerhouses nodded without the slightest suspicion.

Soon, the boat was ready, Tang Qingyun did not hesitate, jumped lightly, jumped on the boat, and drove towards the rear in the fog.

Haha...

At this moment, Tang Qingyun's surface was calm, but his heart was indescribably excited and excited.

These pirates are so stupid that they can easily deceive them with a few words.

Soon, after entering the heavy fog, Tang Qingyun did not hesitate at all, immediately turned the bow of the boat and rowed towards the distance. After Tang Qingyun thought about it, he bypassed Yue Wuya's route and returned to the mainland.

As for the grievances between Duan Yu and them, it has nothing to do with him.

Whoa!

However, just after rowing for more than 100 meters, suddenly, a wave broke out on the sea in front of him. Tang Qingyun was startled.

I saw that the giant shark, who was originally behind the fleet, did not know when it dived over and stopped in front.

On top of the giant shark's head, a figure sat cross-legged.

Bald head, handsome and cold face, showing evil spirit, it is Duan Yu.

Just now, Duan Yu wanted to take advantage of the thick fog to look close to the pirate fleet, but found a person on the boat and quietly followed.

"Tang Qingyun?"

At this time, Duan Yu's eyes locked on Tang Qingyun, and he sneered: "I didn't expect that the head of Tangjiabao also took refuge with Yue Feng's son. Are you here to investigate the situation?"

"When Yu and Zhou Qin cooperated, Tang Qingyun was working under Zhou Qin, so he knew it naturally.

When he said this, Duan Yu's tone was leisurely, but his body was filled with a powerful aura.

The terrifying breath made it hard to breathe.

Pfft!

Feeling Duan Yu's terrifying aura, Tang Qingyun couldn't help swallowing his saliva, his legs softened, he knelt directly on the boat, stammered and said, "Duan... Duan Daxia, forgive me, how can I dare to investigate? You? I was caught by that kid Yue Wuya, and now I want to take advantage of the fog to leave. I beg Duan Daxia to spare my life."

After meeting Yue Wuya's siblings on Coral Island, Tang Qingyun only knew that Moroye's side The disciple is Duan Yu, who is a giant of Kyushu.

Faced with this kind of existence, Tang Qingyun was frightened and had no courage to fight at all. You must know that the person in front of him was a ruthless character that even Yue Feng was not afraid of.

At this time, Tang Qingyun wanted to cry but had no tears. He wanted to leave quietly while taking advantage of the fog, but unexpectedly, he ran into Duan Yu.

"Spare your life?"

Duan Yu raised the corner of his mouth, revealing a sneer, and said abusively: "Give me a reason not to kill you, if you say it well, I may consider it." The

voice was not loud, but he was full of aura. , beyond doubt.

In Duan Yu's eyes, people like Tang Qingyun are villains who are greedy for life and fear of death.

Gudong!

Tang Qingyun couldn't help swallowing his saliva, trying to calm himself down, and said with a smile: "Duan Daxia, I have a secret, I hope I can save my life if I tell it."

After speaking, Tang Qingyun cleared his throat, mysteriously He continued: "Duan Daxia still doesn't know, that boy Yue Wuya got a treasure chest on the bottom of the coral island. That treasure chest is related to the safety of the Kyushu mainland. It is said that it can restrain the Rakshasa..." Then, Tang Qingyun put Yue Wu Ya entered the bottom of the sea and took the treasure chest and explained it in detail.

Um?

Chapter 2363

Hearing this, Duan Yu's eyes lit up, and he was immediately interested, and at the same time, he was even more annoyed.

At that time, he and Yue Wuya Hai Linger suddenly met at the bottom of the sea, and they fought without saying a word, and he suffered a big loss.

It turns out... that kid is going to get the treasure guarded by the sea sharks.

This kind of treasure, if you encounter it yourself, you must not miss it.

Thinking to himself, Duan Yu turned his head and looked at Tang Qingyun with a half-smiling smile: "Just telling a secret, you want to save a life? Tang Qingyun, you're playing a good game. Let me tell you, Yue Wuya. Boy, I will kill him, when the time comes, the pirate fleet will be defeated, and the treasure will naturally fall into my hands."

After speaking, Duan Yu looked at Tang Qingyun closely: "So, what you said is so secret. , is of little use to me, and has little value."

"I..."

Tang Qingyun suddenly panicked, dripping with cold sweat, then changed his mind, and quickly said: "Duan Daxia, this way... I will help you get the treasure chest. , I would like to follow you in the future and do my best."

Duan Yu sneered and said nothing.

Tang Qingyun was so anxious that he continued: "Duan Daxia, I know you are extremely powerful, but there are too many people around that boy Yue Wuya, so it's not the best way to attack, or let him help you, please believe me... Yes, I have always admired Duan Daxia very much in my heart, and I hope to give me a chance to contribute."

When he said this, Tang Qingyun looked at Duan Yu closely, panicked.

Tang Qingyun was very reluctant to take the initiative to pledge allegiance to Duan Yu, but there was no way.

Well!

Duan Yu thought for a while, nodded silently, and waved: "Okay, then you can go."

"Thank you, thank you Duan for your trust, I will definitely live up to my expectations." Tang Qingyun kowtowed and thanked, and a big stone hanging in his heart finally fell to the ground.

Afterwards, Tang Qingyun and Duan Yu negotiated a plan, then rowed a small boat and returned the same way.

At this time, the fog on the sea surface is getting thicker and thicker.

On the side of the fleet, seeing that Tang Qingyun had been gone for so long and had not come back, several strong pirates thought that something had happened to him, so they hurriedly woke up Yue Wuya and reported the situation.

At the same time, the ice was also alarmed.

At this moment, Yue Wuya and Han Bing stood on the deck, looking at the thick fog on the sea in front of them, both frowning.

“Brother...” Han Bing reacted and couldn’t help but said softly: “Tell me, will this Tang Qingyun deliberately find an excuse to escape?”

” Qingyun is a capricious, despicable scumbag.

call!

Yue Wuya took a deep breath and frowned, “It’s very possible that this kind of person is greedy for life and fear of death, and fleeing is his specialty, I guess it’s because we’re afraid, let’s go back to the mainland, hand him over to my father, and take the opportunity to escape. .”

Saying that, Yue Wuya clenched his fists and was very annoyed: “I knew that when I was in Coral Island, I would kill this villain.”

People like Tang Qingyun are just a shit stick, and it is useless to keep them.

“I’m back!”

Just as he was talking, he heard a voice on the sea, and then, he saw Tang Qingyun rowing a boat back.

Um?

At this moment, Yue Wuya and Han Bing were stunned for a moment, and they couldn’t tell the surprise in their hearts.

Tang Qingyun didn’t run? This is a little out of the ordinary, isn’t it?

A few seconds later, Han Bing couldn’t help laughing, and whispered to Yue Wuya: “It seems that we think too much, this vast sea, even if he wants to run, he doesn’t have the courage.”

Hmm!

Hearing this, Yue Wuya nodded silently.

At this time, Tang Qingyun got on the deck and saw that Yue Wuya and Han Bing were both there. He couldn't help but feel a little uneasy, but he still pretended that nothing happened, and said to please: "I have seen Young Master Yue, miss.

"Tang Qingyun!"

Yue Wuya looked at him quietly: "I heard that there was a giant shark behind our fleet, and you went on a boat to investigate, how is the situation?"

"This..."

Tang Qingyun scratched his head, very It was casually said: "The investigation is clear, it is a passing shark, there is no threat, and it has swum far away."

Chapter 2364

Speaking, Yang Qingyun pretended to be very scared: "That giant shark is very big, when I saw it at the time, I was nervous, but I thought about the safety of our fleet and the grace of Young Master Yue for not killing. , My courage has multiplied, I didn't feel afraid at all at the time, but now I think about it, but I feel a little palpitated, hehe..."

Hmm!

Hearing this, Yue Wuya had no doubts, and said lightly: "Always be vigilant, and call me as soon as there is news."

"Yes..." Tang Qingyun nodded again and again, with a pleasing smile on his face, in his eyes But flickering treacherous, at the same time, his heart is also secretly relieved.

This Yue Wuya is young after all, and with a few words of his own, he fooled him.

Yue Wuya didn't talk nonsense, greeted Han Bing, and went back to the cabin to rest.

At this moment, seeing the Yue Wuya brothers and sisters returning to the cabin, Tang Qingyun showed a sneer.

Brat, still want to return to the mainland with treasures? Go dream.

Time passed by minute by minute.

In the middle of the night, the heavy fog covering the sea began to gradually dissipate. There was no special situation for a while. The pirates who were alerting the surrounding area also relaxed their vigilance, and some sat there and took a nap.

Seeing this situation, Tang Qingyun, who couldn't wait, entered the cabin where Hai Linger was.

Before, Yue Wuya asked Hai Linger to personally guard the treasure, and the stone box was in her cabin.

At this moment, in the cabin.

Hai Linger lay there, but did not fall asleep, but looked forward to the moment of landing.

The sea sharks have been guarding the Guixu sea area for thousands of years and have never returned to the Kyushu mainland. The same is true for Hai Linger. Since she was born, the scope of activities is the area of the Guixu sea area. In the records of , I have seen records about the continent of Kyushu.

According to records, the continent of Kyushu is vast, with mountains and rivers, vast plains and picturesque scenery.

These pictures had been imagined countless times in Hai Ling'er's heart and in her dreams, and she also dreamed that one day she would be able to visit the Kyushu Continent to see it with her own eyes.

But now, this wish is about to come true, Hai Ling'er is so excited that she can't sleep.

Shasha...

At this moment, Hai Ling'er heard the sound of light footsteps, and then entered the cabin.

Hai Linger hurriedly sat up, and saw Tang Qingyun tiptoe in, she suddenly panicked: "You...what are you doing?"

"Ah?...Princess Hailing hasn't rested yet?" Tang Qingyun I thought Hai Ling'er was asleep, but when she saw that she hadn't rested, she felt a little flustered.

But Tang Qingyun is an old Jianghu in the end. He rolled his eyes and said with a smile: "That's right, I found other small pirates just now. I'm worried about the box, so I'll come and have a look."

Hearing this, Hai Linger said: "Since this is the case, you go to the outer realm. I have been watching the treasure chest, and there will be no problem."

Hai Ling'er was always vigilant when she said this.

This Mr. Tang, in front of his father, turned black and white and framed Big Brother Wuya, which led to his father's order to let the strong in the family fight with Big Brother Wuya. This kind of person is very hateful.

“Okay!”

Tang Qingyun responded, but didn't leave immediately. Suddenly, he pointed behind Hai Ling'er and exclaimed, “Be careful, princess, someone broke in...”

Tang Qingyun lied to Hai Linger, there was no one at all.

What?

Hai Ling'er's mind was pure, and she had no experience in the arena, so her body trembled, and she quickly looked behind her.

Whoosh!

Taking advantage of this opportunity, Tang Qingyun showed a sneer, rushed over quickly, raised his hand and touched several acupoints of Hai Linger.

Hai Ling'er's cultivation technique can exert great power under water, but in other places, it can only be similar to that of ordinary cultivators, and now, facing the extremely cunning Tang Qingyun, there is almost no defense at all. .

In an instant, the acupuncture point was tapped, Hai Ling'er's delicate body was shaken, and she couldn't move.

“you...”

Chapter 2365

Hai Linger was furious and looked at Tang Qingyunjiao and shouted: “What are you doing? Let me go?” Before

she could finish speaking, Tang Qingyun laughed evilly and interrupted her words: “Hai Ling Princess, I'm sorry, for the sake of my safety, I have no choice but to do this, you don't have to worry, your father treated me as a guest before, and I won't hurt you.”

Saying so, Tang Qingyun's eyes, but He couldn't help looking at Hai Ling'er up and down.

Mad, such a water spirit and peerless beauty, actually fell in love with that boy Yue Wuya at first sight, and Yue Feng, who was also blessed with peach blossoms, and the women around her were all like fairies.

How could He De, the father-in-law, have such luck?

At this time, Tang Qingyun wanted to enjoy Hai Ling'er's tenderness, but when he thought of his plan with Duan Yu, he held back.

“You...you bad guy, Big Brother Wuya spared you, but you took advantage of her rest to snatch the treasure chest...” Hai Linger’s body was trembling with anger, and she couldn’t help scolding.

“Hehe...”

Tang Qingyun was not angry at all, but said with a smile: “That kid just has a good life. Speaking of it, he is just a reckless man. Well, Princess Hailing, I won’t tell you more, we will have a future.” When the

voice fell, Tang Qingyun shot Hai Linger’s dumb hole, and immediately, Hai Linger opened her mouth, but couldn’t say a word.

Tang Qingyun did not delay, mobilized his inner strength and got the stone box out.

When he got outside, Tang Qingyun put the stone box on the prepared boat, and then rowed hard and went to the rear. He had agreed with Duan Yu that after he got the stone box, he would meet at the back, because Duan Yu had been driving the giant Shark, quietly followed behind.

Soon, after rowing dozens of meters away, Tang Qingyun breathed a sigh of relief and shouted at the sea in front of him: “Duan Daxia, I succeeded.”

Whoa!

As soon as the voice fell, Duan Yu, who could not wait for a long time, rode the giant shark to the surface.

“Quick.”

Duan Yu couldn’t restrain his excitement when he saw the stone box on the boat, and shouted, “Throw the treasure over here.”

Tang Qingyun did not dare to go against it, exerted his inner strength, and threw the stone box over.

Duan Yu took it and saw the ancient atmosphere of the stone box everywhere, very satisfied, nodded and said: “Not bad!”

Tang Qingyun flattered: “Duan Daxia, before they find out, take me away quickly. ?” As he said, Tang Qingyun rowed the boat and approached the giant shark.

In the previous plan, Duan Yu promised Tang Qingyun that when he got the treasure, he would let him leave on a giant shark. The speed of a giant shark is not comparable to that of a small boat, and it is also very safe. After all, few creatures in the sea are Shark’s opponent.

“Tang Qingyun?”

“Mad, do you dare to betray the leader?”

At this moment, many pirates on the pirate fleet spotted Tang Qingyun and Duan Yu and shouted angrily. At the same time, they bent bows and arrows and aimed at Tang Qingyun.

At this time, Tang Qingyun was rowing a small boat, still a distance away from Duan Yu. Seeing that he was exposed, he suddenly panicked and shouted: “Duan Daxia, save me!”

Hu!

Seeing this scene, Duan Yu took a deep breath, and without any hesitation, drove the giant shark away quickly, without even looking at Tang Qingyun.

In Duan Yu’s heart, a villain like Tang Qingyun is not worth taking the risk on his own. Anyway, when the treasure is obtained, he will find a place to see what is inside as soon as possible. As for Tang Qingyun’s life and death, he doesn’t care at all.

Seeing Duan Yu abandoning himself without hesitation, Tang Qingyun was furious and pale.

“Release the arrows!”

The pirates were furious, and someone shouted. In an instant, hundreds of pirates released arrows at the same time. For a while, the arrows were raining down. Many pirates were not low in strength. The lightning current star, in the blink of an eye, came to Tang Qingyun’s eyes, and the momentum was amazing.

Made!

Tang Qingyun scolded secretly, and quickly activated his internal strength to deploy a protective film in front of him. However, hundreds of pirate powerhouses fired arrows in unison, with astonishing power.

Chi Chi...

I saw that the protective film was shattered by thousands of feather arrows before it lasted for a few seconds, and Tang Qingyun was on the boat, and there was no time to avoid it. Feather Arrow, like a hedgehog, lost his breath on the spot.
