

## The ultimate husband in Chinese chapter 2371-2380

Chapter 2371

Fight for internal strength!

Yes, Yue Feng knew that if he fought again, it would definitely attract the attention of the soldiers in the camp. He had to subdue this woman quickly, and the fastest and best way was to fight with her!

You must know that after cultivating Guiguzi's Eight Desolate Heart Sutra, the inner strength is more robust and pure than the previous pure yang inner strength.

Um?

Seeing that Yue Feng was going to fight with herself, Mona was stunned for a moment, and then laughed disdainfully.

The fact that he can have today's realm is entirely due to his extraordinary talent, as well as the special exercises of the Rakshasa family.

At this time, this Kyushu native in front of him has to fight with himself! Totally courting death!

However, within ten seconds, Mona felt something was wrong.

She could feel the constant internal force coming from Yue Feng's palm, like a majestic sea, it was even purer and thicker than her own.

How could this be?

Mona's slender body couldn't help shaking. At this time, she wanted to withdraw her palm, but it was too late.

Finally, Mona couldn't hold on anymore, her pretty face was pale, and her delicate body took a few steps back!

"You..." Mona stared at Yue Feng, she was very surprised. She didn't believe that she was defeated by someone from Kyushu? !

Papa...

Yue Feng didn't respond, but rushed up quickly, tapped Mona's body twice, and sealed her acupuncture point. In an instant, Mona's body trembled and she couldn't move!

“It’s done..”

Yue Feng let out a long sigh of relief and wiped the sweat from his forehead at the same time.

“Princess Mona!”

At this moment, a patrolling soldier’s questioning voice suddenly sounded outside: “What happened? Do you need your subordinates to come in?”

The fight just now alarmed the patrolling soldiers.

What the hell!

Yue Feng was shocked, and without waiting for Mona’s response, he rushed up and covered Mona’s mouth, and then saw the soft collapse next to him, and hugged him directly.

At this moment, Mona’s heart trembled and she wanted to struggle, but she held back.

“Princess Mona?” Seeing that Mona didn’t respond, the soldiers outside shouted a few times again. Finally, I couldn’t help it and walked in.

At that moment, Yue Feng didn’t have time to think about it, he jumped onto the soft collapse and covered himself and Mona with the animal skin blanket.

They have already fought twice in a row, first with the previous patrol team, and now with this woman, Yue Feng really doesn’t want to have any more troubles.

“Whoops...” The soldier who came in was startled when he saw Mona lying there, and withdrew in awe: “My subordinates should be damned, my subordinates should be damned.”

The soldier didn’t see what was hidden inside. Yue Feng, thinking that he had offended Mona, broke into a cold sweat. You must know that this is the most beloved daughter of King Rakshasa.

call!

Seeing the soldier retreating, Yue Feng breathed a sigh of relief, then untied Mona’s dumb hole and said, “I’m sorry, I didn’t mean to offend, as long as you promise not to scream, I won’t hurt you, how?”

Mona’s dumb acupuncture points were unblocked, the acupoints on her body were unsolved, and she couldn’t move at all, but she stared at Yue Feng tightly, her eyes twinkling with complexity: “My name is Mona, what’s your name?”

When saying this, Mona's tone lost the hostility she had before, but there was an indescribable feeling.

The Rakshasa people advocate force, especially in the hearts of women, the stronger the person is, the hero, and Mona has always been arrogant, but at this time she was subdued by Yue Feng. The wind has a strange feeling.

At this time, Mona didn't want to take revenge, she just wanted to know who the man in front of her was and what it was called.

"My name is Fengtao! There will be an expiration date." Yue Feng responded, then jumped off the soft collapse, and hurriedly left the camp before the other soldiers came.

Yue Feng thought that Mona was going to seek revenge on him in the future, so how could she reveal her real name?

"Fengtao?"

Looking at Yue Feng's leaving back, Mona whispered, and then said to herself, "I remember you."

Chapter 2372

"Huh.."

When he arrived outside the camp, and saw that there were not many patrolling soldiers around, Yue Feng secretly breathed a sigh of relief.

Nima, fortunately, she is witty and fights with that Mona. Otherwise, continue to fight, I am afraid that the Rakshasa soldiers in the entire camp will be attracted.

Rejoicing secretly, Yue Feng didn't have time to think about it, and continued to touch the tent in front of him.

But the Rakshasa camp was too big, and there were so many tents, Yue Feng didn't have a clue, and became more and more anxious.

Um?

Finally, near a tent, Yue Feng found that there were very few soldiers guarding the tent, and not only that, there seemed to be a woman talking inside.

"Qing Yi... this is not the way to go."

“Yeah, but King Rakshasa has disappeared. Now the prince has the final say. I think this is a good sign for reconciliation. Maybe the Rakshasa clan can make peace with the Kyushu Continent.” The

voice It was Su Qingyan and Xu Qingyi’s voice. Yue Feng and Su Qingyan had a deep love and righteousness. They hadn’t seen each other for a few months, but Su Qingyan’s voice was still heard at once. heard it.

Yue Feng didn’t have time to think, and rushed in.

When he got inside, Yue Feng’s face was happy.

I saw that Su Qingyan and Xu Qingyi were sitting on the animal skin booth, talking about the previous battle.

“You...”

Suddenly seeing someone breaking in, Xu Qingyi and Su Qingyan were also startled, and when they saw that it was Yue Feng, they were even more shocked.

“Yue Feng, why are you here?” After being stunned for a few seconds, Xu Qingyi couldn’t help but speak.

Su Qingyan did not speak, but took two steps back deliberately. Ever since she lost her memory, Su Qingyan had a bad impression of Yue Feng, and she was always vigilant. In the daytime, even though Yue Feng entered the battlefield, she showed an astonishing display. Her strength and outstanding commanding ability still did not make Su Qingyan change her mind.

“Qingyan!” Feeling Su Qingyan’s resistance, Yue Feng was heartbroken, and said softly, “Quick, you and Miss Xu quickly follow me.”

This Rakshasa camp is simply a wolf’s den. let them stay?

“Yue Feng.” Su Qingyan bit her lip and couldn’t help but said: “You sneaked into the Rakshasa camp, did you make a special trip to rescue us?”

Yue Feng nodded firmly: “Yes.”

See him Agreeing, Su Qingyan felt a throbbing in her heart inexplicably, but she still shook her head and said, “We don’t need you to save us, you should go.”

Until now, Su Qingyan has not recovered her memory, so facing Yue Feng’s enthusiasm, Still not used to it.

What?

Yue Feng was stunned and frowned, "Why don't you leave?" To

be honest, Yue Feng thought that even if Su Qingyan did not recover her memory, she would leave without hesitation. It was dangerous, but I never thought that Su Qingyan would refuse.

"Yue Feng!"

At this moment, Xu Qingyi came over and said slowly: "We are very safe here, and the prince of the Rakshasa family is also very good to us, so you don't have to worry."

When saying this, Xu Qingyi's heart was full of complexities.

If Xu Qingyi saw Yue Feng a few years ago, he would have hated him to the core. It was because of the grievance between him and Duan Yu that he was tainted by Zhu Bajie at that time, and then snatched it away. Although it has been so long and experienced a lot of things, Xu Qingyi had already thought about it, but when she saw Yue Feng, her heart still couldn't calm down.

This...

Hearing this, Yue Feng was stunned for a moment, and then smiled bitterly: "Even if the prince treats you well, you shouldn't stay here, as people from the Kyushu mainland, you naturally want to be with the Kyushu army. At

this time, Yue Feng was very puzzled.

What's the matter, what kind of ecstasy soup did the Rakshasa people give them? Can they stay here with peace of mind?

Chapter 2373

Call!

Xu Qingyi breathed a sigh of relief and said seriously: "Yue Feng, we really can't go, the prince has already followed our advice and has the idea of a peaceful solution, so we must continue to stay here and teach him civilized thoughts. "

Speaking, Xu Qingyi talked about what she and Su Qingyan had taught Meng Lang during this period of time.

I go!

Hearing this, Yue Feng was very surprised, and at the same time he was very impressed.

The two weak women were caught by the Rakshasa clan. Not only were they not in danger, but they actually became the teachers of the prince? If you didn't hear it with your own ears, who would believe it?

"Let's go."

Seeing Yue Feng Leng there, Su Qingyan couldn't help but softly said: "This place is heavily guarded, the longer you stay, the more dangerous it will be, don't worry about us, wait until the Rakshasa clan and the Kyushu Continent really shake hands. After we meet, we will go back."

Xu Qingyi next to her nodded, her delicate face full of seriousness and determination.

"Okay!"

Seeing this scene, Yue Feng knew that it was useless to talk too much, so he nodded bitterly and agreed. But I didn't forget to explain: "You must be careful and protect yourself. Once a situation occurs, send a signal, and I will bring someone to save you as soon as possible." With

that, Yue Feng took out the signal fireworks of Tianmen and took out a few One, and handed it over to Xu Qingyi.

To be honest, Yue Feng really wanted to force them to leave, but after thinking about it, Su Qingyan and Xu Qingyi did a good job. If they can completely change the prince's mind, and promote the peaceful coexistence between the Rakshasa clan and the Kyushu Continent, Cruel wars can be avoided, and the common people can suffer less from wars, which is a good thing to respect.

Su Qingyan and Xu Qingyi looked at each other and nodded.

Yue Feng took a deep look at Su Qingyan and felt very reluctant, but still turned around and left quickly.

.....

On the other side, Apocalypse Continent, a small village not far from the coast.

This small village, because of the previous war, all the people fled, has become an empty village.

At this time, in the largest yard in the village, Duan Yu was sitting on a chair in the main hall with a gloomy face. Next to him, the huge stone box was placed there.

In the courtyard in front of him, more than a dozen people stood there tremblingly, not daring to let out the air.

Some of these people are learned and talented scholars, some are well-informed explorers, some are doctors who help the world, as well as tomb robbers and archaeologists who are familiar with ancient and modern times. It can be said that everyone is not an ordinary person.

Duan Yu was very suffocating. After returning to the mainland a day ago, he couldn't wait to open the stone box, but as a result, no matter what method he used, he couldn't open it. Even Duan Yu used the sky-opening axe to slash, and the stone box was still patterned. The wire didn't move.

Duan Yu clearly felt that there was a powerful mysterious force inside the stone box, not only that, but also weak life fluctuations.

Therefore, Duan Yu did not dare to open it forcibly, so he grabbed some knowledgeable people from everywhere, and wanted to learn from them how to open the treasure chest, because there were two ancient texts on the stone chest, and Duan Yu could not understand it. .

"Come up one by one."

At this time, Duan Yu looked around coldly and said, "Hurry up and unravel the meaning of these two sentences for me, hurry." The

voice fell, and a doctor walked in tremblingly and looked carefully. After a while, he said with a sad face: "This... This holy monk, the words on this are too old, I can't understand it."

In the eyes of this doctor, Duan Yu was bald and wearing a monk's robe, he must be a monk.

Holy monk?

Hearing these two words, Duan Yu's face sank, and his eyes flashed with cold light: "Fuck you Mad!"

Chi!

When the words fell, Duan Yu grabbed the short knife on the table and waved his hand. The doctor barely had time to scream, blood spurted out, and died on the spot.

The lower body was destroyed by Moraye before, and then he was forced to apprentice. This incident is a shame for Duan Yu in his entire life. He is most annoying when others call him a monk or a monk. He called himself a holy monk again, breaking a taboo, and killed him on the spot without saying a word.

Chapter 2374

“Hush!”

Seeing this scene, other people outside couldn't help gasping for air, sweating profusely, and even two scholars slumped on the ground in fright, peeing their pants.

This monk is so cruel, he kills without saying a word.

This is a monk, it is clearly a devil.

“Who of you can understand the words on this?” Duan Yu was in a fit of anger, looked around, and said coldly.

More than a dozen people looked at each other, no one dared to stand up. If a word is wrong, he will die. Who dares to come out and seek death?

“Yeah, it's a pity that you are still famous everywhere, you can't understand two sentences?” Duan Yu clenched his fists, his heart was inexplicably angry.

This stone box has been guarded by the sea sharks for thousands of years. There are not only strange powers, but also signs of life in it. It must be a treasure that shakes the world... However, the special code, I can't open the box, which is really disappointing. People are hot.

Duan Yu was upset. Seeing that the people outside were terrified, he waved his hand: “Get out, get out of here.”

Hearing this, everyone was in a state of amnesty and ran out of the yard. One of them called Chen Qi's tomb robber looked terrified, but his eyes were rolling. The moment he walked out of the door, he didn't forget to glance at the stone box.

Yes, Chen Qi used to be an elite member of the Rat Club. The Rat Club is good at robbing tombs, and he is best at cultural relics. No one else can read the words on the stone box, but Chen Qi can recognize it.

It's just that the monk in front of him is too vicious, even if Chen Qi knew it, he wouldn't dare to talk nonsense.

“You!”

However, Chen Qi's small movements couldn't hide Duan Yu's eyes. He raised his hand and said coldly, “Stop!”

Chen Qi's body trembled, and immediately stopped in his footsteps, and said in fear: “Master, please spare your life.”

Duan Yu showed a sneer, walked slowly to Chen Qi, and asked, "Boy, can you understand the words on it??"

This kid has sly eyes, and he must know some clues.

"I...I..."

Chen Qi panicked, stood there sweating profusely, and whispered: "How do I know, uncle, I just stole some small tombs, and I don't understand anything. The word is very old at first glance, how can I know it."

When he said this, Chen Qi looked away, trying his best to hide the panic in his heart.

When he was first caught, Chen Qi was attracted by the stone box, and at the same time he saw the words on it. Speaking of which, Chen Qi was once the elite of the Rat Society.

It's just that Chen Qi knows that the people in front of him are ruthless, and once he speaks out, he is not far from death.

"Don't know?"

Duan Yu frowned, he could see that Chen Qi was a little flustered. Oh, this kid, he must understand those words.

"Boom!"

At this moment, Duan Yu raised his foot and kicked Chen Qi's stomach, only to hear Chen Qi's sigh, he was kicked and flew more than ten meters away, hit the wall of the yard, fell down, his body Bow became like shrimp, his face full of pain.

"Made, who are you trying to fool?" Duan Yu's eyes were gloomy, his face full of suffocation: "Hurry up and translate it for me, otherwise, I will let you die!"

When he said this, Duan Yu walked over quickly, He kicked hard a few times. In Duan Yu's heart, the tomb thief in front of him, who dares to play with himself, is not too stupid.

Chen Qi didn't listen to the wailing and rolled on the ground.

Duan Yu's kick was more ruthless, and finally, Chen Qi couldn't hold it anymore, spit out blood, and said in fear: "Master, don't hit, don't hit, I'll try to translate it for you." Fierce, Chen Qi knew that if he didn't say anything, he might die.

Mad, what a shame.

## Chapter 2375

Duan Yu scolded, stopped, and said coldly: "Go!"

Chen Qi wiped the blood from the corner of his mouth, got up tremblingly, walked inside, looked at the words on the stone box, word by word. The translation said: "The above said that this treasure is Xuanyuan Huangdi, and this tribe was brought to the sea to protect it. In addition to this, there is another treasure hidden near the Chaos Mountains..."

After reading the words above, Chen Qi turned back. Looking at Duan Yu, he cautiously said: "Master, it is obvious that the treasures of the Chaos Mountains are the key to opening this stone box."

Hahaha...

So it is!

Hearing this, Duan Yu suddenly realized that he couldn't help laughing a few times.

It turned out that this stone box was left by Xuanyuan Huangdi, and it must be a peerless treasure inside.

But after thinking about it, Duan Yu's face became gloomy, and he finally got out of Moroye's control. You know, Lingyin Temple is in the Chaos Mountains.

More importantly, Yue Wuya and Han Bing already knew their identities. When they went to the Chaos Mountains to join Yue Feng, they would be in even more trouble.

But if you don't go, this stone box will never be opened.

For a while, Duan Yu's face was gloomy and uncertain, and he fell into a tangle.

Finally, after a few minutes, Duan Yu took a deep breath and made a decision with one bite of his teeth. While Yue Wuya and Han Bing were still at sea, he rushed to the Chaos Mountains as soon as possible, and when he got the things to open the stone box, he left quickly. .

Thinking to himself, Duan Yu picked up the stone box and was about to leave.

During the opening sequence, seeing Chen Qi who was shivering next to him, a killing intent flashed in Duan Yu's eyes. This man knew his secret and could not keep it.

puff..

However, before Duan Yu could take action, Chen Qi knelt on the ground with a puff, vomited a mouthful of blood, and said pitifully: "Master, I may have broken a rib and hurt my heart and lungs. I beg Master to give me a healing medicine. Save my life, please..."

As

he said, Chen Qi lay on the ground and began to twitch, and the blood in his mouth became more and more vomited.

Duan Yu looked contemptuous and said coldly: "The dying person, get out of the way." I thought about killing him, but now it's easy.

Thinking to himself, Duan Yu left quickly without looking at Chen Qi.

call!

As soon as his forefoot left, Chen Qi quickly climbed out of the ground, his face was extremely pale and weak, but he had no fear of his life.

Yes, Chen Qi was acting just now and deliberately played it for Duan Yu. As an elite of the Rat Club, Chen Qi was very cunning, knowing that if he didn't do this, Duan Yu would definitely kill himself on the spot.

To save his life, Chen Qi dared to stay and left in a hurry.

.....

On the other hand, Yue Feng returned to the Kyushu camp, feeling very depressed.

Obviously found Su Qingyan, but couldn't take her away, it was too embarrassing.

At this moment, Yue Feng sat in the tent and sighed.

At this moment, the tent curtain was suddenly lifted.

Yue Feng thought it was Ren Yingying, or Xiao Yuruo and the others, but he turned his head to look over and was stunned.

I saw a slender figure, walking in slowly, walking lightly, wearing a black night clothes, showing the charming curves vividly and indescribably sexy.

The delicate face shows a bit of tension, but the whole body is filled with a high-cold aura that cannot be desecrated.

It is Gonggong!

## **The ultimate husband in Chinese chapter 2376-2380**

## Chapter 2376

“Why are you here?” Yue Feng was stunned.

Seeing Gonggong like this, he came here quietly, not wanting to be discovered.

“Yue Feng!” Gong Gong breathed a sigh of relief when he saw only Yue Feng, bit his lip lightly, and said in a low voice, “I’m sorry about what happened before.”

Yes, he cooperated with Zhang Jiao to assassinate Yue Feng before . , Gonggong did not use internal force at that time, but seeing Yue Feng fall down the hillside and into the river, Gonggong felt very guilty.

After that, although Yue Feng survived the hardship, his internal strength was gone.

But now, although Yue Feng has regained his internal strength, Gonggong is still very ashamed of him. Tonight, taking advantage of the temporary truce with the Rakshasa clan, he sneaked into the camp and apologized to Yue Feng.

To tell the truth, Gonggong has been in the world for nearly a thousand years, with a cold temperament, and never bowed his head to anyone, but after really getting to know Yue Feng, I learned that he went all out for the Kyushu Continent, and I admired him very much.

It can be said that Yue Feng is the only person in the whole world who can impress Gonggong.

Haha...

Yue Feng could feel the sincerity of Gonggong, but he was a little surprised. He was stunned for a few seconds before showing a smile.

Unexpectedly, Gonggong actually came to apologize.

To be honest, Yue Feng hated Gonggong at first. It wasn’t her, and he wouldn’t be so miserable, but after thinking about it carefully, the slap that Gonggong hit him at that time didn’t have any internal energy at all. He was injured too badly before and fell down the hill.

Therefore, Yue Feng didn’t have so much hatred for Gonggong, and, thinking of Gonggong’s position and situation, Yue Feng was completely relieved.

But I never thought that Gonggong would condescend to come and apologize to himself.

It’s really rare.

This chapter is provided by . Visit for daily update.

However, Yue Feng still decided to tease her. After all, she cooperated with Zhang Jiao and almost killed herself, so she was somewhat responsible.

“Apologize, do you think apology is useful?” Yue Feng looked at Gonggong with a smile, and said seriously: “At that time in Tianzhong City, I believed you so much, but you and Zhang Jiao jointly assassinated me? Do you know that I almost died because of you.”

“I...” Gong Gong bit his lip and said in a low voice, “I also had my life at the time, Yue Feng, don’t bother with me.”

“Moreover, now we need to unite to resist the Rakshasa army. If there is a gap between them, how can we cooperate with each other?”

Hearing this, Yue Feng laughed: “Now that we know unity, what about when you assassinated me before? “

I...”

Gonggong’s alchemy turned red, unable to speak for a while, so anxious that he explained: “It was His Majesty’s order at the time, I had to...”

Before he could finish speaking, Yue Feng was caught interrupted.

“Gonggong!” Yue Feng looked at Gonggong with a smile, and said seriously: “You really want to apologize, but it’s not sincere to say it.”

Haha, it’s rare for Gonggong to speak with such a soft attitude, and I feel a little bit in my heart. Incredibly comfortable.

Hearing this, Gonggong was stunned for a moment, and then said softly, “Then...then how do you want me to apologize?”

He was sincere enough! What else does he do?

But Yue Feng shook his head and said with a smile, “I haven’t made up my mind yet! Otherwise, will you just wait here? When I rest, what do I want you to do?”

This bastard really can’t say three words. If so, it’s starting to be rude!

Gong Gong’s delicate face turned red all of a sudden, and he stamped his feet: “This is your tent, why do I stay here all the time?” If someone saw it, he might not know what he would think.

Yue Feng didn't speak, and looked at her with a smile, his eyes from top to bottom, a smirk on the corner of his mouth.

To be honest, Gonggong used to dress in long skirts, but today, wearing tight night clothes, it is completely different from the previous style, and it has a different style.

This bastard.... what does he want to do?

The look in Yue Feng's eyes made Gong Gong feel uncomfortable, embarrassed and angry at the same time, but in this case, it was hard to get angry, so he could only endure it.

I came to apologize, if I turned my face, wouldn't it be a waste of time?

Gong Gong calmed down, stopped looking at Yue Feng, bit his lip, and said softly, "Yue Feng, I'm sorry, just forgive me."

Chapter 2377

Hmm!

Yue Feng laughed, nodded, feeling refreshed, sat there with a big thorn, and raised his legs: "I can forgive you, so, if you beat my legs, I won't care."

"You, what did you say!" Gong Gong's pretty face changed, and he couldn't help it.

How could someone who is a dignified water god and feared by the world beat him on the leg? What a maid would do, she would never do it herself.

"Yue Feng, did you do it on purpose?" Gong Gong gritted his teeth.

With a smile on his face, Yue Feng said leisurely, "Gonggong, you come to apologize, but you have no sincerity. I asked you to beat my leg, but I didn't want you to wait for me to rest. Why are you excited?"

Hearing this, Gonggong's jade hands were clenched tightly, and the fire in his stomach couldn't come out. He finally gritted his teeth and nodded, "Okay... OK, I'll beat you..."

After saying that, Gonggong squatted down slowly, Raising his jade hand, he began to beat Yue Feng's legs gently.

Huh!

At this moment, Yue Feng was sitting there, looking at Gonggong close at hand. He couldn't tell how refreshing his heart was. He could make an existence like Gonggong willingly beat his legs, but no man in the world dared to imagine it. thing.

Haha, this feeling is really cool.

The smile on Yue Feng's face gradually deepened, his eyes rolled, and he smiled again: "Not bad, come on, call me good brother again."

Today's opportunity is rare, and you must have fun.

What?

Gong Gong's eyes flickered with anger, his heart was constantly heaving, his delicate body trembled faintly, and he was almost smoking with anger.

This bastard, he's really getting his head around!

"You..."

Gong Gong stomped his feet, pointed at Yue Feng, and couldn't help shouting: "Yue Feng, don't go too far."

He smacked his legs again, and was a good brother again.

Wait, do you still want to call yourself husband?

"Excessive?"

Yue Feng smiled and looked directly into Gonggong's eyes: "Gonggong, what do I call too much? It's just for you to call me brother, you, you wanted my life before, and here No one else, no one knows, I'm enough."

Having said that, Yue Feng sat there with a contented expression: "It's fine if you don't want to call, anyway, I didn't force you."

Gonggong was stunned for a moment, then again Embarrassed and helpless, he finally compromised, and said in a low voice, "Good brother...good brother...Are you satisfied?!"

Yue Feng couldn't be relieved, but felt that all the bones in his body were brittle. . These few calls, brother, are really nice.

With emotion in his heart, Yue Feng nodded in satisfaction: "Okay, seeing that you are so sincere, I will forgive you."

Then, Yue Feng smiled and looked at Gonggong: "Actually, I have never blamed you. It's weird, just blame Yang Jian for doing it on the surface and doing it behind the scenes."

What?

Hearing this, Gong Gong's delicate body trembled, glared at Yue Feng, and was almost speechless: "You don't blame me in your heart, but just now... You did it on purpose, didn't you?"

If I had known this earlier, I shouldn't have taken the risk to find him today.

I beat my leg just now, and I called my brother again.

Yue Feng looked innocent and said with a smile: "Look, you took the initiative to apologize, and you risked being discovered by others. If I say something lightly, I don't blame you, wouldn't I live up to your visit? hard work?"

"You!"

Gong Gong's face flushed red, and he was speechless for a moment. He gritted his teeth and said, "Yue Feng, it would be best if you were dead at that time!"

After saying this, Gong Gong stomped his feet, angrily. Turn around and leave the room. However, as soon as he arrived at the door, seeing the situation outside, he quickly turned around and came back, his delicate face was full of tension.

Chapter 2378

Yue Feng also walked to the door and glanced at it, and was stunned.

I saw that Wen Chou Chou and Sun Dasheng were talking and laughing. Obviously, there is something to discuss with him.

"Brother Wen, what's wrong?" Yue Feng asked.

Gong Gong next to him was even more anxious, his face flushed.

I came to see Yue Feng secretly. If others saw him, I would definitely think more. By then, my reputation for thousands of years would be ruined.

"Wait and listen to my orders, otherwise, I can't help you." Seeing Wen Chou Chou getting closer and closer, Gong Gong had no chance to go out, Yue Feng turned his head and said seriously.

Gonggong was so confused that he had no idea, so he nodded quickly.

"Quick, take off your coat and lie on the bed." Yue Feng raised his hand and said without doubt.

What?

Gong Gong's tender body trembled, shy and angry, staring at Yue Feng, but he didn't dare to say loudly: "What are you doing?"

Yue Feng did not respond directly, but said with a smile: "This is the first sentence that doesn't matter. Listen, all right, when my two brothers come in, you explain to them."

"You..."

Gong Gong stomped his feet straight, and finally obediently took off his night clothes outside and quickly lay down. On Yue Feng's bed.

At that moment, Gonggong only felt that his heart was about to jump out. At the same time, he felt the temperature of Yue Feng above, and his flustered face couldn't help showing a bit of blush.

"Haha, Fengzi, Fengzi, have you rested?"

It was at this moment that Sun Dasheng shouted outside, and then, Wen Chou Chou walked in.

At this moment, Yue Feng hurried forward, suspiciously blocking the sight of the two, and said with a smile: "Brother Wen, Dasheng, what's the matter, come to me so late?"

"Fengzi!"

Sun Dasheng couldn't help it. Muttering: "What are you doing blocking me?"

After speaking, Sun Dasheng saw a slender figure on the bed in the corner of his light, and suddenly understood something, and smiled awkwardly: "Look at me being rash." It's so late, with Yue Feng Yes, either Ren Yingying or Xiao Yuruo.

Having said that, Sun Dasheng quickly withdrew.

Wen Chou Chou also quickly turned around and went out, not looking at the bed at all.

call!

Gonggong was originally nervous, but seeing this scene, the stone hanging in his heart suddenly fell to the ground, secretly heaving a sigh of relief, and at the same time secretly sighing.

Fortunately, I was fooled. I didn't expect that this Yue Feng had a lot of ideas to pretend to be his woman.

While talking to Wen Chou Chou, Yue Feng did not forget to look back at Gong Gong. Seeing her relieved look, he couldn't help but want to tease her again.

"Honey, wait for me to come back."

The moment he walked out of the tent, Yue Feng turned his head on purpose and shouted at Gong Gong.

This bastard.

Seeing that Yue Feng was shouting loudly on purpose, Gonggong was not angry, this bastard was too hateful, and he deliberately made fun of himself.

However, Wen Chou Chou and Sun Da Sheng were outside, and if they didn't respond, they would definitely arouse suspicion.

Thinking about it, Gonggong reluctantly hummed.

Ha ha...

Hearing Gonggong's response, Yue Feng felt extremely happy, so he and Wen Chou Chou walked towards the central army tent in front.

"Brother Wen, Great Sage, what's the matter?" Yue Feng asked again when he was about to reach the central army tent.

call!

Wen Chou Chou took a deep breath and said slowly, "Zhang Jiao is here."

Chapter 2379

As soon as the words fell, Sun Dasheng couldn't help cursing: "Mad, this Zhang Jiao, if it wasn't for the fact that he wanted to defend against the Rakshasa clan together, I really wanted to kill him.

" It was because of Zhang Jiao's command that the Northern Ying army was in a state of no one, and countless people lost their homes.

Zhang angle?

Yue Feng was stunned for a moment, then frowned.

This Zhang Jiao is wicked and cunning. He used to force Gonggong to plot against him, but now he suddenly comes to visit, why is he secretly paying attention?

At this time, it has arrived in the big tent.

I saw that Jiang Shan, Long Qianyu, Zheng Chunqiu, Ye Ziyi and others were already present on the side of the Alliance Army, sitting there with solemn expressions.

Opposite them, Zhang Jiao had a cold and arrogant expression, and behind him were more than a dozen powerful Beiyong generals.

“Yue Feng!”

“Sect Master Yue.”

“Brother Yue...”

Seeing Yue Feng coming in, Jiang Shan and the others quickly stood up to say hello, but Zhang Jiao still sat there proudly.

“Yue Feng!” After Yue Feng sat down, Zhang Jiao showed a smile and said, “Your Majesty fought with King Rakshasa before, and they both disappeared. Now the situation is urgent. Although the Rakshasa army has retreated, it may be possible at any time. Come over here, it is necessary for me to cooperate with the Northern Ying Army and the Alliance Army.”

“How do you want to cooperate?” Yue Feng replied lightly.

Seriously, thinking that he was almost killed by Zhang Jiao, Yue Feng didn't even want to pay attention to him, but thinking about the safety of Kyushu, he still endured it.

call!

Zhang Jiao took a deep breath, stood up and said seriously: “The alliance army and the Beiyong army are united. The forces are not weak, but they are just suspicious of each other. I thought about it and felt that it is necessary to elect a general marshal to give unified command.

” At this point, Jiang Shan looked at each other in dismay.

Afterwards, Sun Dasheng couldn't help shouting: “According to you, the seat of the commander-in-chief is yours?”

Zhang Jiao smiled slightly, but did not respond.

However, a general behind him stepped out quickly and said of course: “Nonsense, the military division is strategized and resourceful, and is naturally the best candidate for the commander-in-chief.” The

voice fell, and the other generals nodded in agreement.

“Yes, a military advisor is the most suitable.”

“Do you think Yue Feng is the most suitable? Hehe... In the previous war in the Earth Circle, where was he an opponent of a military advisor?”

Nima!

Hearing this, Sun Dasheng was about to explode, and he stood up and scolded: “Fuck you Mad, what qualifications does Zhang Jiao have to be the commander-in-chief? If he hadn’t used the common people as a wall of flesh, how could Fengzi be him? Your opponent?”

Wen Chou Chou next to him also said with a serious look: “Yes, although Mr. Zhang Jiao uses his soldiers like a god, but the means he uses are too ruthless. I’m afraid it won’t work as a general marshal.” The

voice fell, and the man behind him Long Qianyu and the others all nodded.

“Haha!”

Zhang Jiao chuckled and looked at Yue Feng: “So, you have recommended Yue Feng? Even if he has the ability, all Beiyong soldiers are arrogant and arrogant, I’m afraid he won’t be able to command!”

“Listening to what you said, there is no sincerity at all.” Sun Dasheng couldn’t help but shouted.

For a while, the two sides were at a standstill.

“Okay!”

Finally, Yue Feng couldn’t help standing up, and said to Zhang Jiao with a faint smile, “It’s about the safety of the Kyushu mainland, I shouldn’t have competed with you because of the position of general marshal, but for the sake of my subordinates. Soldiers won’t sacrifice in vain, I think it’s better for us to command separately.”

Seriously, just now, Yue Feng thought about letting Zhang Jiao be the commander-in-chief, after all, he was really superb in arranging troops.

But after thinking about it, Zhang Jiao is an uncompromising means to achieve his goals, and he doesn’t care about the life and death of his soldiers. If he is made the general marshal, even if he wins the war in the end, the hundreds of thousands of Northern Ying army and the alliance army will only be afraid of losing too much.

## Chapter 2380

“Okay, okay!”

Hearing this, Zhang Jiao's face sank, and he sneered: “It is said that Yue Feng is for the Kyushu Continent, and his righteousness is thin. Today, it seems that he is just a layman who cares about rights. “

After that, Zhang Jiao didn't hesitate and took the people away.

Yue Feng stood there, frowning secretly.

what's the situation? Left without saying anything? Doesn't this look like Zhang Jiao's style?

On the other side, Zhang Jiao took the lieutenant general and returned to the Beiyang camp.

“Master, what to do next?” One of the generals couldn't help asking. His Majesty is nowhere to be seen, and now where the entire Beiyang army is going, it is all on Zhang Jiao's body.

Zhang Jiao showed a smile, looked at the direction of the Rakshasa camp, and said lightly: “You can call Tianyu Cavalry and prepare to raid the Rakshasa camp from the right side. The other soldiers will immediately retreat into the mountains and forests to create a whole army to attack. The illusion.”

After speaking, Zhang Jiao glanced back at the alliance army camp, his eyes were full of cunning: “Yue Feng will definitely lead the army to support the news, when the time comes, Tian Yuqi will take the opportunity to withdraw and let them both fight to the death. At the last moment, the main force of our Northern Ying army will come out to clean up the mess!”

Yes, Zhang Jiao took the initiative to come to Yue Feng to discuss cooperation this time, which is completely an illusion. The main purpose is to disturb Yue Feng's thinking.

Hearing this, the surrounding generals were full of admiration, and couldn't help but sigh!

“The strategist is indeed a good plan!”

“This strategy of sitting on the mountain and watching the tiger fight is really good.”

“Yes, if it is successful, it will not only defeat the Rakshasa army, but also weaken the strength of Yue Feng.”

Hearing the compliment from the lieutenant general , Zhang Jiao smiled and waved his hand: "Okay, hurry up and prepare."

"Yes.." The generals responded in unison, and then hurried to prepare.

Two minutes later, in the Northern Ying army, thousands of Tianyu cavalry, riding on big birds, launched a surprise attack on the Rakshasa camp.

...

At this moment, Yue Feng is here.

In the central army tent, Yue Feng sat there, frowning and contemplating, but he was still puzzled.

With Zhang Jiao's personality, if he wants to be the general marshal, it is impossible to leave after two words. What does he want to do?

Around, Jiang Shan, Long Qianyu and others were also silent in thought.

Bang bang bang...

At this moment, suddenly, there was a sound of vibration in the direction of the Rakshasa camp, followed by the shouting and killing of the fighting.

what's the situation?

Yue Feng was startled and quickly stood up.

"Report!"

At this moment, a soldier hurried in and said respectfully, "The Beiyong army raided the Rakshasa camp, and the two sides have already fought."

What?

Hearing this, everyone around was taken aback.

Yue Feng also frowned, and his face was extremely solemn.

Thinking to himself, Yue Feng hurriedly asked, "How is the battle situation?"

"I don't know, but it sounds very intense."

At this time, Jiang Shan came over and said worriedly, "Feng'er, what should we do?"

As soon as he finished speaking, Sun Dasheng said indifferently: "What about him, this Zhang Jiao has to be brave, let him go, it's better to suffer a big loss, let's see if he dares to be self-righteous."

Alas!

Hearing this, Yue Feng was dumbfounded.

"Great Sage?" Wen Chou Chou also shook his head with a wry smile, and said seriously: "If you think like this, our Kyushu Continent will be helpless. You think, if the Beiyang army is defeated, with the strength of our alliance army, we can stop it. Rakshasa army?"

Uh...
