

The ultimate husband in Chinese chapter 2391-2400

Chapter 2391

“Yue Feng!”

“Be careful!”

Seeing Yue Risk, Ren Yingying, Xiao Yuruo, Long Qianyu and others, they couldn't help exclaiming, and at the same time they drew out their long swords and flew up. Help Yue Feng fight Zhang Jiao together.

call!

At this moment, seeing Yue Feng taking the initiative to fight Zhang Jiao for himself, Gong Gong's delicate body trembled, and his heart was faintly touched.

With the help of Ren Yingying and everyone, Yue Feng's pressure has been relieved a lot.

Made!

Zhang Jiao was so annoyed that he thought he could take the opportunity to kill Yue Feng today to avoid future troubles, but he didn't expect that Yue Feng's reputation was so high that many people came to help.

Facing the siege of the crowd, Zhang Jiao was completely angry, and his eyes were blood red: “A bunch of rabble, give me death!”

Bang!

Zhang Jiao let out a loud roar, slapped his palm fiercely, and shook Ren Yingying and Xiao Yuruo back in front of him, looked around, and jumped up in anger!

He could see that under the command of Yue Feng, the Beiyang army was completely under control, not to mention winning the battle, it would be difficult to break into the camp.

“Yue Feng, do you think that with so many people helping you, you can be safe and sound? Today, you will surely die.” Under the anger, a cold voice came from Zhang Jiao's mouth.

In the next instant, Zhang Jiao's long sword pointed to the sky, and a powerful internal force burst out. In the night sky, the spiritual energy of heaven and earth quickly gathered towards Zhang Jiao.

“Thousands of Swords Return to the Void!”

This chapter is provided by . Visit for daily update.

Zhang Jiao’s eyes were blood red, and he almost roared out, raising his hand to point at the crowd of Wen Chou Chou in front of him.

chi chi chi...

In an instant, I saw one after another dazzling sword shadows condensed and formed in front of Zhang Jiao, one by one flashing with dazzling light, tearing the night sky, crashing towards the Wen Chou Chou crowd.

Among the thousands of sword shadows, the largest one, like thunder and lightning, came towards Yue Feng.

Ten Thousand Swords Return to the Void, originating from the Indestructible Scripture, is the strongest skill Zhang Jiao has ever learned, Zhang Jiao never uses it easily, but today, in order to kill Yue Feng, Zhang Jiao can’t bear it anymore.

In Zhang Jiao’s eyes, Yue Feng is a famous figure in Jiuzhou, and he is the biggest stumbling block in his domination of Jiuzhou. Now that he has broken through the realm of tribulation, if he has the opportunity, he must get rid of it no matter what.

hiss!

Seeing the sword shadows roaring from the sky, Wen Chou Chou and everyone’s expressions changed, and they quickly urged their inner strength to deploy a protective film in front of them.

Bang Bang Bang...

In the blink of an eye, countless sword shadows slammed into the protective film, making a roar, and I saw that the protective film was all shattered, but it also successfully blocked those sword shadows.

Even so, Wen Chou Chou, Long Qianyu, and the others were all shocked and their faces were pale. Speaking of which, it was not difficult to block these sword shadows with the strength of Wen Chou Chou. not fully recovered.

Moreover, Zhang Jiao’s trick is the return of all swords, and the strongest one is the largest sword shadow flying towards Yue Feng.

This largest sword shadow gathered more than 60% of Zhang Jiao’s power, and its power was amazing. Wherever it passed, it almost tore apart the world.

call!

Seeing the sword shadow flying, Yue Feng took a deep breath, and it was too late to dodge, so he had to use his inner strength to hold Fang Tianhua halberd in front of him in an attempt to block the blow.

Bang!

In the next second, the huge sword shadow slammed on Fang Tianhua halberd. Yue Feng only felt an overwhelming force coming from the mountains. He couldn't help groaning. It was far away, and it broke a dozen trees in the camp before falling to the ground.

At the same time as he landed, Yue Feng couldn't help spitting out a few mouthfuls of blood.

Chapter 2392

Nima!

Yue Feng struggled to stand up, staring at Zhang Jiao, terrified.

This corner is too insidious. Taking advantage of the people on his side, his internal strength has not fully recovered, and he suddenly launched a surprise attack, trying to completely control the situation in Kyushu.

Even if he died in battle today, he couldn't let his tricks succeed.

"Yue Feng!"

"Fengzi..."

Seeing this scene, Wen Chou Chou and Ren Ying Ying were both shocked and exclaimed. Can't get over.

Haha...

Zhang Jiao laughed loudly, his face full of pride, and said to Yue Feng: "Those who follow me will prosper, those who go against me will perish, Yue Feng, wait until I kill you, collect these people, and repel Rakshasa. Clan, I am the Supreme Lord of Kyushu. You surrender to me now, and it is still too late." The

voice fell, Zhang Jiao landed, clenched his long sword, and slowly walked towards Yue Feng.

The powerful breath permeates the whole world!

Gudong!

Seeing Zhang Jiao approaching slowly, Yue Feng was even more shocked and angry, and at the same time he was very unwilling.

Mad, do you really want to die at the hands of Zhang Jiao today?

Yue Feng saw that Wen Chou Chou, Ren Yingying and others were dragged by the Beiyang army 100 meters away.

It would be nice if the Linglong Tower was still there. It's a pity that it was snatched away by that woman, Yu Wenyan.

At this moment, Yue Feng clenched his fists tightly, his fingernails almost digging into the flesh.

"Brother Yue Feng."

At this moment, a loud shout came, and Zhu Rong rushed over and stood in front of Yue Feng, full of fighting intent: "Brother, don't panic, brother help you deal with this villain. !" The

voice fell, Zhu Rong's inner strength urged, and his eyes locked on Zhang Jiao!

"Zhang Jiao, you despicable and shameless villain, now that Kyushu is in crisis, you don't want to deal with the Rakshasa clan in the first place, but you come to deal with your own people. If you want to kill Yue Feng, first ask me if I will answer."

"Vulcan Zhu Rong?" Zhang Jiao frowned, then smiled contemptuously: "The man's arm is just a car, since you are courting death, then go down and be a companion with Yue Feng."

His tone was cold and arrogant, full of disdain.

To be honest, if it were normal, Zhang Jiao would still be a little bit jealous of Zhu Rong. After all, Zhu Rong, like Gonggong, was a famous existence for nearly a thousand years, and his strength was tyrannical.

But like everyone else, Zhu Rong's internal strength was also consumed by the fierce battle with the Rakshasa army before, so Zhang Jiao didn't panic at all.

"Death!"

Feeling Zhang Jiao's contempt, Zhu Rong was burning with anger, and after a roar, a hot and violent aura erupted from his body.

hum.

In the next second, a scorching flame illuminated the night sky, gradually forming a sea of flames, rapidly spreading towards Zhang Jiao.

At this moment, Wen Chou Chou and the crowd were rejoicing again, but at the same time they did not dare to neglect, they quickly deployed the protective film again to block in front of them. Although Zhu Rong's raging fire was not as cold as Yue Feng's Bai Lian's cold fire, it was not something that everyone could stand up to. Can live.

"Set fire? Hehe..."

Looking at the rapidly spreading flames, the corners of Zhang Jiao's mouth twitched, and then he raised his hand and waved.

hum!

Seeing Zhang Jiao's inner strength surging, immediately, a black hurricane erupted and rolled directly towards the flame. In just a few seconds, the astonishing flame was completely blown out.

What?

Seeing this scene, whether it was Yue Feng, Zhu Rong, and Wen Chou Chou were all shocked.

Chapter 2393

This.... What skill did Zhang Jiao use to blow out Zhu Rong's flame? You know, that is Zhu Rong. For thousands of years, he has been respected as the existence of the God of Fire by the world. What they rely on is the control and use of flames, and now, Zhang Jiao has easily restrained them.

If you hadn't seen it with your own eyes, who would have believed it?

"You..."

Zhu Rong also widened his eyes and looked at Zhang Jiao in disbelief. While angry, he was also inexplicably shocked.

Zhang Jiao smiled slightly and said to Zhu Rong: "Don't be surprised, I call this a black sky hurricane, which is very different from an ordinary hurricane.

"Skills, the Book of Immortality is a marvelous book in the world, and it covers everything. When Zhou Qin was in the Book of Indestruction, he realized the method of

refining the Black Heaven Pill, which forced all the sects to submit. And the black sky hurricane is more brilliant than the black sky pill.

Hearing Zhang Jiao's words, Zhu Rong opened his mouth, his face flushed, and he was speechless.

"Yue Feng!"

Zhang Jiao's face was gloomy, and his eyes flashed with pride: "Today, I have God's help, you can't turn the situation around, make a decision quickly, otherwise next year will be your day of death, ha Haha..." The

voice fell, and Zhang Jiao laughed loudly in the sky, extremely arrogant.

Even Zhu Rong was easily defeated by himself. Who else was his opponent on the scene?

call!

Yue Feng took a deep breath and didn't respond, but looking at Zhang Jiao's eyes, he also flashed solemn and shocked.

Nima's, this horn is worthy of being an existence that ran rampant in the world a thousand years ago, and even Zhu Rong is no match for it. It seems that he was able to create the Yellow Turban Army and the cholera Kyushu back then, not purely by luck, but with real strength.

It's over, it's over now.

Yue Feng smiled bitterly, it seemed that he really had to give in to Zhang Jiao today.

"Amitabha!" At this time, Moraya, who had been silent, couldn't help but chanted a Buddha's name, and folded his hands towards Zhang Jiao and said: "Zhang Shizhu, the current situation requires the two sides to unite and deal with the Rakshasa with one heart and one mind, you Is there anything wrong with doing the opposite and turning to deal with his allies?"

"Haha..." Zhang Jiao sneered and said lightly: "Master Moroye, you don't need to tell me these things, if you can't stand it, Let's fight, if we can beat me, I'll withdraw, but if we can't, please shut up."

Uh...

Moroye's expression froze, very embarrassed.

To be honest, Moroye is very powerful, and he can fight Zhang Jiao one-on-one, but he also consumed a lot of internal energy before.

Made.

At this time, Wen Chou Chou and others not far away were scolding secretly in their hearts, and their faces were extremely ugly.

This horn is too shameless, knowing that Master Moraye's internal strength has not recovered, he deliberately stimulates him.

At the same time of anger, everyone's heart sank to the bottom.

No one in the audience is Zhang Jiao's opponent, do you really want to surrender to him?

"Zhang Jiao, don't be arrogant!"

However, at this moment, a cold and coquettish shout came from the horizon not far away.

Swish!

Hearing the sound, in an instant, the two sides in the fierce battle stopped one after another, and all looked at the sky not far away.

I saw two figures in the night sky, flying quickly.

An old man and a woman.

The old man was dressed in Taoist robes, immortal and Taoist, with a good aura and a kind face, but the breath that permeated his body was extremely amazing, almost unfathomable.

Two of the charming women came slowly.

The woman is wearing a long white dress, the skirt fluttering in the wind, setting off a tight and charming curve. A face with a beautiful country and a city is really like a fairy descending to the earth. Many men's eyes are straight, and they forget where they are, and all the women present are also deeply attracted.

Chapter 2394

Haha...

Seeing the two of them, Yue Feng was stunned for a moment, and then showed an excited smile.

It is Chang'e and the pure Yangzi Lu Dongbin.

At the beginning, Chang'e was tracked down by Yang Jian, and finally had to hide in the mountain gate where Chun Yangzi practiced. At that time, after Yue Feng said goodbye to her, he never saw her again.

But now, I never thought that at such a critical moment, Chang'e and Lu Dongbin suddenly appeared, which was too timely.

This...

The people next to Wen Chou Chou were all stunned, shocked and puzzled in their hearts.

Who is this old man? The strength is so strong!

And this woman, she is so beautiful, all the beautiful words in the world are not enough to describe her style.

Wen Chou Chou and everyone had never seen Chang E, and they were all attracted by her fairy-like appearance and her aloof and luxurious temperament.

hiss!

The Beiyang army, with hundreds of thousands of soldiers, couldn't help gasping for air, and they all froze there.

Chang'e is the woman of Emperor Hou Yi, and her mother is the world. Who doesn't know the Northern Ying army?

Zhang Jiao was also stunned for a moment. He looked at Chang'e deeply, and his face changed. He thought he had already taken control of the situation, but unexpectedly, Chang'e suddenly appeared.

call!

After being stunned for more than ten seconds, Zhang Jiao finally came to his senses, clasped his fists at Chang'e, and pretended to say, "So it's the mother of Chang'e, and the strategist Zhang Jiao has seen the mother."

What?

Hearing this, Wen Chou Chou, Long Qianyu and the others were shocked.

Chang'e? So this is Empress Chang'e?

At this time, Yue Feng also took a deep breath and smiled at Chang'e: "Miss Chang'e, it's been a long time." Compared with Zhang Jiao, who pretended to be respectful, his attitude was very relaxed.

Half a year ago, Yue Feng and Chang'e experienced a lot of interesting things together. Thinking about it now, I still have a lot of aftertastes.

Um!

Seeing Yue Feng smiling, Chang'e nodded, but there was a faint trace of unnaturalness on her beautiful face.

This Yue Feng, who hasn't seen him for so long, is still so rude.

Thinking to herself, Chang'e's eyes fell on Zhang Jiao, and she said coldly, "Zhang Jiao, you don't have to pretend to be in front of this palace. I heard that you became Yang Jian's military adviser, attacked other continents, and helped Zhou to abuse. Now Rakshasa The clan is preparing to bring disaster to Kyushu, you do not unite with the continents to defend against it, but you want to start a civil war, it is really a shame for the Northern Ying mainland for someone like you to become the supreme commander of the Northern Ying army." The

tone was cold and loud.

Three days ago, Chang'e learned that the Rakshasa clan had crossed the Chaos Mountains, and a fierce battle broke out with the Kyushu Continent. Yang Jian and Rakshasa King fought, and both disappeared. At that time, Chang'e was shocked, and immediately invited Lu Dongbin to come to help.

As a result, as soon as they arrived at the Chaos Mountains, they saw Zhang Jiao leading the Northern Ying army to fight against Yue Feng. Chang'e was not only profoundly righteous, but also very clever.

Zhang Jiao's face changed, and he sneered: "Miss Chang'e, don't talk about me. It is rumored that you and Zhu Bajie joined forces to murder the descendant of the Great Emperor, and your Majesty hunted them down everywhere. If you do this, it's a loss that the world has admired you for so many years."

"You !"

Hearing this, Chang'e frowned and was very angry: "That was a misunderstanding, and it's not your turn to make irresponsible remarks about the internal affairs of the palace."

As she said that, Chang'e looked around and said to the hundreds of thousands of Beiyong troops: "All soldiers, you are all loyal to the monarch and serve the country, the Rakshasa army is overwhelming, you don't want to resist, but listen to Zhang Jiao's words and deal with your own Kyushu. Don't you feel ashamed, my compatriots?"

Shuh!

In an instant, hundreds of thousands of Beiyong troops bowed their heads one by one, very guilty, but no one responded.

"Haha..."

Zhang Jiao chuckled lightly and said lightly, "Miss Chang'e, you don't need to bewitch the military. You have plotted against the descendants of the Great Emperor. If you haven't explained it clearly, it's impossible for these soldiers to listen to you."

Chang'e suddenly became angry. , tilted his head towards Lu Dongbin and said softly: "Daoist Chunyang, please take action and help me take down this despicable villain."

What? !

Chapter 2395

Hearing this, whether it was Wen Chou Chou or Long Qianyu and others, they were all stunned, their faces full of incredulity.

This... this old Taoist, is a Taoist master who is well-known in Kyushu? Pure Yangzi Lu Dongbin?

You must know that Lu Dongbin is a god-like existence in the Taoist sect. Do you know the name of Chunyangzi? Almost no one knows, no one knows.

Under everyone's attention, Lu Dongbin smiled slightly and said to Chang'e, "You're welcome!"

Om!

As soon as the words fell, Lu Dongbin's figure rose into the air and went straight to Yue Feng.

A few dozen meters away from Zhang Jiao, Lu Dongbin stood in the air and said in a light tone, "Zhang Jiao, if you do too much injustice, you will kill yourself. Back then you created the Yellow Turban Army and caused chaos in the world, and now it has triggered the civil war in Kyushu. I advise you to stop in time. Right."

Hehe..

Zhang Jiao looked contemptuous and said coldly: "Stinky Taoist priest, don't follow me like this, when I led the Yellow Turban army to conquer the world, you were still hiding in the mountains to cultivate, and now you have become a Taoist sect. Grandmaster, are you here to teach me?" The

words were full of disdain.

Ugh!

Seeing that Zhang Jiao had no regrets at all, Lu Dongbin sighed softly, "Since you insist on doing this, there is no need to say more."

Om!

The voice fell, and a powerful Daoist infuriating burst out from Lu Dongbin's body. In an instant, the surrounding air seemed to be stagnant!

Unfathomable and powerful coercion, suppressing people panic!

The next second, Lu Dongbin slowly raised his right hand and hit Zhang Jiao with a palm. He saw that this palm contained a very strong aura, and at the same time, a huge gossip pattern condensed and formed behind Lu Dongbin.

It is Lu Dongbin's famous stunt, the Eight Trigrams Xuantian Palm!

Made...

Feeling the strength of Lu Dongbin's palm, Zhang Jiao frowned, secretly frightened.

The strength of this stinky Taoist is not weak.

Thinking about it, Zhang Jiao reacted quickly, his internal energy surged, and a sword shadow erupted from the long sword in his hand, welcoming Lu Dongbin's palm.

In an instant, between heaven and earth, the wind is surging.

Seeing this scene, everyone below raised their hearts.

boom!

The next second, the sword shadow and the palm collided, and a burst of aura vibrated, and the dust and smoke filled the sky and the earth. When the dust and smoke gradually disappeared, they saw Lu Dongbin and Zhang Jiao, both retreating nearly a hundred meters in the air.

“This is Chun Yangzi? That’s all.” Stabilizing his figure, Zhang Jiao looked up and down at Lu Dongbin with contempt on his face.

Lu Dongbin didn’t speak, he slowly raised his right hand!

Click!

With a crisp sound, a long sword as white as jade appeared in Lu Dongbin’s hand.

This is a long sword made of jade, made from a piece of ten thousand year cold jade that Lu Dongbin obtained on the top of the snow-capped mountains five hundred years ago. It is a rare purple-rank weapon.

As soon as this sword came out, the surrounding temperature seemed to plummet!

Purple rank long sword? At this moment, seeing the jade sword in Lu Dongbin’s hand, everyone below was incomparably shocked.

It turned out to be a jade sword of the purple order? Purple-rank weapons are not uncommon, but those carved from white jade are very rare.

“Stinky Taoist priest!” Zhang Jiao suddenly became serious when he felt the aura pervading Lu Dongbin’s body, and said coldly, “Are you going to compare swords with me?”

The sword art that he has learned from the Inextinguishable Classic is unparalleled in the world. If Lu Dongbin competes with swords, he is completely courting death.

“Not bad!” Lu Dongbin’s face was indifferent, without the slightest emotional fluctuation: “Zhang Jiao, the sword art you learned in the Inextinguishable Scripture is indeed very powerful, but it is too evil. You must know that evil is invincible.”

Evil overcomes righteousness!

The four words are loud and powerful.

The ultimate husband in Chinese chapter 2396-2400

Chapter 2396

Haha...

Hearing this, Zhang Jiao was also stunned for a moment, then he looked up to the sky and laughed: “What an evil person, I’ll see today, what skills do you have.” The

voice fell, Zhang Jiao clenched tightly. The long sword came straight towards Lu Dongbin.

Alas..

Lu Dongbin shook his head slightly and sighed.

“The Promise Illusion Sword!” The cold words came out of Lu Dongbin’s mouth. Zhang Jiao had been given a chance just now, but Zhang Jiao was not sure at all.

In the next moment, I saw a dark cloud with a radius of 1000 meters centered on Lu Dongbin, which instantly collapsed, and an illusory sword shadow faintly condensed. The way of harmony in Daomen is very shocking.

hum!

In a short blink of an eye, the illusory sword shadow, carrying unparalleled power, flew to Zhang Jue in an instant! !

“Zhang Jiao, admit defeat!” Lu Dongbin shouted coldly.

The huge phantom sword shadow pierced the sky, almost tearing the world into two worlds. The speed was really fast, and in the blink of an eye, it was already in front of Zhang Jiao.

Mad, is this Lu Dongbin so powerful? This burst of sword shadows seems to be unstoppable.

Zhang Jiao frowned, a trace of fear rose in his heart, without hesitation, he hurriedly stimulated the inner strength of the indestructible truth, and also condensed a sword shadow, attacking it, trying to block it!

Bang!

In the blink of an eye, an earth-shattering roar rang out, and Zhang Jiao let out a muffled groan, and the whole person was shocked and flew out, flying over a hundred meters before falling heavily to the ground.

This chapter is provided by . Visit [for](#) daily update.

When facing the siege of Wen Chou Chou just now, Zhang Jiao had already consumed a lot of internal energy. At this time, facing Lv Dongbin’s stunt, he was already at the end of his force, and he couldn’t resist it at all.

After all, this is the famous Pure Yoko!

hiss!

Seeing this scene, everyone present couldn't help gasping for air, and looked at Lu Dongbin blankly, full of admiration and awe.

Strong, really strong.

Yue Feng was also extremely excited, as expected of an expert in the Taoist sect, he defeated the hateful Zhang Jiao as soon as he made a move.

"Zhang Jiao!" At this time, Lu Dongbin was suspended in the air, his robe was floating like a fairy, and he said in a light tone: "The sword just now, Pindao has been merciful, I hope you can change the evil and return to the right."

Yes, the Promise Illusion Sword just now, Lu Dongbin only used 70% of his power, otherwise, Zhang Jiao would be a corpse now.

Zhang Jiao's face was miserable, his eyes flickered, and he didn't respond.

Obviously, there is still some dissatisfaction in my heart.

At this moment, everyone around couldn't help but whisper, especially Wen Chou Chou and Ren Ying Ying, who were very puzzled.

This horn almost killed everyone, and even had a chance to plunge Kyushu into endless wars, and Lu Dongbin had the virtue of good life, but he was spared like this.

"Daoist Chunyang!"

At this moment, Sun Dasheng couldn't help shouting: "You are a master of Taoism, and you don't care to kill such scum, so, how to deal with it, you should leave it to us!"

Said, An axe appeared in Sun Dasheng's hand, and he approached Zhang Jiao step by step, his eyes extremely blood red: "Zhang Jiao, you are cruel and ruthless, the Rakshasa army is coming, you don't resist the first time, but for your own ambition, you design to harm the allies, I'm going to kill you today to avoid future troubles!"

"I..." Feeling Sun Dasheng's killing intent, Zhang Jiao was full of cold sweat and was extremely frightened, and instantly lost his previous arrogance.

To be honest, if it was before, Zhang Jiao couldn't have paid attention to Sun Dasheng at all, but now it is different. He was just severely injured by Lu Dongbin, let alone Sun Dasheng, even a soldier can easily kill him.

Seeing this scene, Wen Chou Chou and everyone looked indifferent.

Chapter 2397

It's not a pity to die for someone like Zhang Jiao!

Yue Feng's face was also cold, without the slightest expression fluctuation.

Many generals in the Beiyang army were secretly anxious and wanted to come to stop them, but thinking of Lu Dongbin's strength, they all lost their courage.

Pfft! Seeing this

situation, Zhang Jiao finally couldn't hold it anymore. He bent his knees, knelt in front of Sun Dasheng, and begged for mercy: "Sun Daxia, I was really carried away by my ambition before. I was wrong, please forgive me..."

At that time, Zhang Jiao almost wanted to cry without tears!

He never thought that he would be in an embarrassed situation. If Yang Jian was there, he would not need to be afraid of Lu Dongbin, but Yang Jian was missing and could not be relied upon at all.

Sun Dasheng snorted and did not respond, but turned his head to look at Chang'e, who was suspended in mid-air.

After all, Sun Dasheng is not from the Northern Ying Continent. And Zhang Jiao is the military advisor of the Northern Ying Continent. How to deal with him depends on what Chang E wants.

Swish!

In an instant, everyone's eyes were focused on Chang'e.

Whether Zhang Jue lives or dies depends on her thoughts.

Zhang Jiao is very clever, and he is not a fool. Seeing this situation, he quickly kowtowed to Chang E: "My subordinate, I have offended you so much, please forgive me.

" He took a breath and said softly: "Okay, get up. Now that I know the fault, I will spare you, but I will only give you one chance. The next time you have a different opinion, the head will fall."

After speaking, Chang'e looked down. Yue Feng, continued: "Zhang Jiao, from now on, you have to assist Yue Feng and do your best to resist the Rakshasa clan. You can't have any second thoughts, you know?"

What?

Want to assist Yue Feng yourself?

Hearing this, Zhang Jiao's heart was shocked, thinking that he had heard it wrong, that he was talented in the sky, and Yue Feng was just a young junior, how could he be subordinate to him?

For a time, Zhang Jiao's face flushed red, and he was very conflicted.

Zhang Jiao's expression changed, Chang'e saw it in her eyes, and said displeasently: "What? You don't want to?"

"Yes, yes!" Zhang Jiao reacted and nodded again and again.

The next second, Zhang Jiao came over and bowed deeply to Yue Feng: "Zhang Jiao greets Sect Master Yue, and I hope to follow him in the future and do the same."

When he said this, Zhang Jiao was polite on the surface, but his eyes flashed. With a hint of gloom.

Zhang Jiao thought about it, he pretended to compromise first, and when he found an opportunity, he would kill Yue Feng, but he was determined to become the overlord of Kyushu, how could he be Yue Feng's subordinate?

Yue Feng did not respond, but looked at Zhang Jiao with a half-smile.

Yue Feng's gaze made Zhang Jiao's heart skip a beat and panic.

Oops, he assassinated him before, and framed him several times, wouldn't he also kill himself?

.....

On the other side, in the forest more than ten kilometers away from the Chaos Mountains, a monk, dragging a huge stone box, was moving quickly.

The monk's face was gloomy, and although his facial features were handsome, there was a bit of evil spirit.

It was Duan Yu.

Yes, Duan Yu had captured a dozen people before, cracked the ancient text on the stone box, and later, Chen Qi, the leader of the mouse club, looked through it and learned that in addition to the stone box, there was another treasure, and as long as it

was found, the stone box could be opened. Another treasure is near the Chaos Mountains.

When Shidou Yu was very excited, he immediately rushed to the vicinity of the Chaos Mountains and searched almost all over the area for a hundred miles. Now, except for the Rakshasa camp and the Kyushu camp, this mountain forest has not yet been found.

Chapter 2398

At this time, Duan Yu dragged the stone box and looked around in the forest, but found nothing, and was suddenly a little annoyed.

Um?

At this moment, Duan Yu suddenly discovered a cave that collapsed.

Is it here?

Duan Yu was immediately excited, seeing that although the entrance to the cave was sealed, without hesitation, he directly used his internal force to shake it open, and then quickly walked in.

Yes, this cave is the one where Yue Feng was trapped before and then met Guiguzi.

After a while, Duan Yu was overwhelmed with excitement when he found the stone room where Yue Feng practiced. He had a feeling that another treasure must be here.

Whoa!

After looking around, he saw that something was wrong with the stone platform in the middle. Duan Yu immediately searched and quickly found the patio below. Then, he saw Guiguzi's body and the opened stone box.

Made.

Seeing that the stone box was opened, Duan Yu's face was extremely gloomy.

I actually came a step late, the treasure was taken away, the carvings on the stone box and the stone box, and the text are all from the same era, I can't go wrong.

For a time, Duan Yu stood there with anger flashing in his eyes, almost going crazy.

Seeing that he could open the treasure left by Xuanyuan Huangdi, he was so happy that no one could accept it.

After a few minutes, Duan Yu calmed down and began to think.

Those who can find it here are definitely not ordinary people, and now, the Kyushu Continent is fighting against the Rakshasa tribe in the Chaos Mountains, so the people who took the things in the stone box were either the Rakshasa people or the Kyushu camp.

Yes, go to Kyushu Camp first.

Soon, Duan Yu made up his mind, hid the stone box, and then rushed towards the Kyushu camp.

Duan Yu had already thought about it. After arriving, he continued to pretend to be Moroye's apprentice to inquire about the whereabouts of the stone box treasure. If there were no clues, he could only venture to the Rakshasa camp.

....

"Open your mouth!"

Yue Feng looked at Zhang Jiao coldly and said lightly.

Ah?

Hearing this, Zhang Jiao was stunned, but he opened his mouth subconsciously. At this moment, Yue Feng took out a medicinal pill from his body and quickly stuffed it into it.

Gudong!

Before Zhang Jiao could react, the medicinal pill was swallowed directly into his stomach.

"You..." Zhang Jiao was shocked and angry, looking at Yue Feng, his tone trembled a little: "What did you give me to eat?" Zhang Jiao is ruthless, he naturally knows that Yue Feng's food for himself is definitely not good. thing.

Yue Feng sneered: "What are you panicking about? Zhang Jiao, it is said that when you were in command of the Yellow Turbans, you used this method to control the people under your command. Why? Now you know you are afraid?"

"Word by word: "Don't worry, what I'm giving you is not poison, but Tongtian Pill!"

Yue Feng just gave Zhang Jiao the Tongtian Pill!

Tongtian Pill is a method used by the Tongtian sect master to control his subordinates. After taking it, there is no antidote for one year, and he will die miserably.

At that time, relying on such means, Tongtian Sect developed and expanded, and even the six major sects were terrified.

“Tongtian Pill?”

At this moment, Zhang Jiao was sweating profusely, and he could hardly stand still.

Zhang Jiao was also a master of alchemy, and of course he knew what Tongtian Pill was, but at this moment, he was both frightened and angry. Sweat could not stop flowing.

Mad, this Yue Feng is so hateful, he is afraid that he will betray him in the future, so he uses this method to control himself.

Chapter 2399

Seeing Zhang Jiao's expression, Yue Feng sneered: “It's not that I don't believe you, but your previous actions are really hard to trust, but as long as you help me resist the Rakshasa wholeheartedly, I promise you can Got the antidote on schedule. Do you understand?”

“Understood...” Zhang Jiao nodded without hesitation, how could he dare to disobey the slightest at this moment!

It's not good if you don't agree. Although Zhang Jiao is also a master of alchemy, he only has no prescription for Tongtian Pill. After all, Tongtian Pill was the secret of Tongtian Sect.

Zhang Jiao shuddered at the thought that he would die miserably without an antidote.
call!

Seeing this scene, everyone couldn't help but take a deep breath.

Especially Wen Chou Chou and Ren Yingying, as well as Chang E and others, all looked at Yue Feng and nodded approvingly.

Zhang Jiao's temperament is unruly, it is difficult to determine whether he is really submissive, and Yue Feng's use of this method to suppress him is the most suitable.

At this moment, Yue Feng showed a smile and said to Chang'e: “Miss, you asked Zhang Jiao to assist me, don't you plan to lead the Northern Ying army to resist the Rakshasa with us?”

” Look at Chang'e.

This is Empress Chang'e, the daughter of the descendant of the Great Emperor, the mother of the world, as long as she says a word, the continent of Kyushu will respond positively and unite well.

"I..."

Facing everyone's eyes, Chang'e smiled lightly and said to Yue Feng: "In the mountain gate of Chunyangzi, during the time I have been here, Ben Gong has become accustomed to the cleanliness of the Taoist gate, and is tired of fighting. Kill kill. Besides, how can this palace have the ability to lead the army to fight?"

Saying that, Chang'e looked at Yue Feng, and her tone became serious: "Yue Feng, you have a talent that penetrates the sky and the earth, and you are proficient in all things

. At that time, Chang'e's beautiful face was full of seriousness and even some appreciation.

To be honest, Chang'e used to look down on Yue Feng, but after getting in touch with him, she realized that although Yue Feng was not at all serious at ordinary times, he could always turn things around at critical moments, and he was someone with great ability.

Looking at the continent of Kyushu, it is difficult to find a second genius like Yue Feng.

Uh...

Being praised by Chang'e in front of so many people, Yue Feng scratched his head, a little embarrassed, is he that powerful?

"The Beiyong army, all the soldiers obey the order."

At this moment, Chang'e's delicate face was extremely solemn, and she said coldly to the hundreds of thousands of Beiyong army: "From today onwards, you are just like Zhang Jiao, wholeheartedly. Do your best to help Yue Feng, resist the Rakshasa clan, and obey Yue Feng's command without any violation." The

tone was cold and unquestionable.

"Follow your orders!" Dozens of generals looked at each other in dismay, and then respectfully responded.

To be honest, these generals were somewhat resistant to Chang'e's orders. After all, the death of Emperor Hou Yi had not been fully understood, and Chang'e had not been cleared of suspicion.

However, Yang Jian did not know what to do, and Zhang Jiao surrendered to Yue Feng again.

“Follow your orders!” The

army of hundreds of thousands of Beiyang also responded in unison, and the momentum was overwhelming.

Immediately afterwards, he said to Yue Feng in unison: “See Sect Master Yue!

“

Seeing this scene, Yue Feng was stunned there, and the whole person was stunned.

This... Half an hour ago, I was still worrying about how to deal with the hundreds of thousands of Beiyang troops. In a blink of an eye, the Beiyang army became my own soldiers?

With emotion, Yue Feng bowed deeply to Chang'e: “Thank you for your trust.”

Chang'e nodded with satisfaction and said with a smile: “I hope you can successfully defeat the Rakshasa clan, and I will go back with Daoist Chunyang. Waiting for the good news of your victory.”

Originally, Lu Dongbin wanted to stay here to help, but now that the Beiyang army has returned to Yue Fengguan, there is no possibility of civil strife. In this case, all people will be able to defeat Luo Bra clan, so it doesn't matter whether Lu Dongbin stays or not.

Yue Feng nodded.

Chang'e didn't say more, flew away with Lu Dongbin, and disappeared from everyone's sight in a blink of an eye.

Chapter 2400

Wow!

At this moment, everyone in Wen Chou Chou reacted, all of them were extremely excited and cheered.

With the participation of the Northern Ying army, there is no need to worry about civil strife, and then we can fight against the Rakshasa wholeheartedly. Can you be unhappy?

Yue Feng also had a smile on his face, and quickly commanded to let the camps of the Beiyang army merge together, and at the same time let everyone go back to rest. Before the fierce battle, many people were injured. Rakshasa tribe.

After the explanation, Yue Feng will return to the tent to rest.

“Who?”

At this moment, at the gate of the camp, the soldier suddenly found something and scolded coldly!

Swish.

In an instant, the eyes of everyone present were looking in the direction outside the camp!

I saw a figure walking slowly. Under the night, the bald head was very obvious, the facial features were sharp and angular, but it was a little tired.

It was Duan Yu.

Seeing Duan Yu, Yue Feng and everyone were stunned.

Master Moraya's apprentice reincarnated? This man has been missing for many days, but he has reappeared.

At the beginning, Yue Feng, Long Qianyu, Ye Ziyi and others sent their disciples to go to the Chaos Mountains to investigate the situation. This Moraya disciple led the way, but after they left, they all disappeared.

At this time, Yue Feng and everyone have not yet discovered that the monk in front of him is Duan Yu!

“Metamorphosis!”

At this time, Moraya was overjoyed and rushed over: “Why did you only appear now, what about the disciples of the sect with you? What happened to you?”

“Master!” Duan Yu looked ashamed: “The disciple is incompetent, and when he and the disciples of various sects were passing through the sea, they encountered a storm, everyone died, and I almost lost my life, but the disciple did not forget the crisis in the Chaos Mountains. , I'm back.”

After speaking, Duan Yu looked around and said to Yue Feng, “I'm sorry for everyone, Huasheng has failed your expectations.”

What?

All buried in the sea.

Hearing this, the expressions of Yue Feng and Long Qianyu changed.

But seeing that Duan Yu's attitude was very sincere, and felt very ashamed, everyone sighed, and then comforted each other.

"Little Master has done his best, so don't blame yourself."

"Yeah, we didn't think carefully about this at the beginning."

"Yes, Little Master, don't be sad."

Seeing Yue Feng's generosity forgive, Duan Yu was full of gratitude, but sneered in his heart.

Haha... These idiots don't know that they were deceived by themselves. All their disciples were killed by themselves, and now they are still letting them go to comfort them.

"Master Moraye!"

At this moment, Yue Feng smiled and said to Moraye: "To make disciples, come back after all the hard work, and quickly invite him to the central army tent for a rest, I'll have someone prepare some tea, Wash the dust for him."

Moraye and Lingyin Temple contributed greatly to the matter of the Chaos Mountains. Without them, the Kyushu Continent would not have deployed defenses here in time, so Moraye's apprentices must not be neglected.

"Sect Master Yue is very polite." Moroye smiled slightly, and then said to Duan Yu: "I don't thank

Sect Master Yue yet." It is extremely cold.

Yue Feng, you paid me back so badly, when I get Xuanyuan Huangdi's treasure, I will kill you first.
