

The ultimate husband in Chinese chapter 2411-2415

Chapter 2411

Hearing these words, Su Qingyan and Xu Qingyi looked at each other, and they were both extremely shocked.

Meng Lang... dead?

“You...”

After a few seconds, Su Qingyan reacted and looked at Meng Ao closely: “You killed him?”

When she said this, Su Qingyan’s face was full of disbelief, you know, Meng Lang With both ability and political integrity, he is a rare and wise master of the Rakshasa clan. With him, there is a chance for reconciliation between the Rakshasa clan and the Kyushu mainland.

More importantly, during this period of time, she and Xu Qingyi taught Meng Lang wholeheartedly and pinned all their hopes on him.

But now, such an excellent person has died.

Xu Qingyi also bit her lip and stared at Meng Ao closely. She hoped that all this was fake and that Meng Ao deceived them.

If Meng Lang died, the two of them would not only be meaningless here, but also very dangerous.

Haha...

Meng Ao sneered, very proud: “Tsk tsk, look at the worried look of the two of you, let me guess, you have been confusing Meng Lang before, just want to be his woman, become a high-ranking Rakshasa clan. Woman, now Meng Lang is dead, your dreams are shattered, right? Hahaha...”

Laughing wildly, Meng Ao suddenly put away his smile, and his tone became cold: “You Kyushu women are so deceitful, how could I let me Do you wish?”

Huh!

Hearing this, Su Qingyan was so angry that her delicate body kept shaking.

He and Meng Lang are both teachers and friends, and they are innocent, but they are so slandered by this Meng Ao.

This chapter is provided by . Visit for daily update.

Xu Qingyi also had a pretty face with anger.

“Now the lives of the two of you are in my hands, tell me, how do you want to die?” Meng Ao sat down with a cold arrogance, and said coldly.

In his heart, there are only two weak women in front of him, and there is no threat to him at all.

“Damn it is you!”

At this moment, Su Qingyan snorted tenderly, pulled out the long sword next to her, and flew away, straight towards Meng Ao.

Su Qingyan knew that it was impossible for Meng Ao to keep her and Xu Qingyi alive.

Whoosh.

Su Qingyan’s speed was very fast, and in the blink of an eye, she was in front of Meng Ao, her beautiful face was full of anger, and the long sword in her hand was whispering!

“Meng Ao, you scum who killed your brother and seized the throne, today I want to get rid of you scum and avenge the great prince!” A cold voice came from Su Qingyan’s mouth.

When the words fell, Su Qingyan walked lightly and stabbed Meng Ao with a sword!

call!

This sword contains ten successes of Su Qingyan! It can be clearly seen that wherever the long sword passes, the surrounding air seems to be distorted!

At the same time, Xu Qingyi also gave a coquettish shout and slapped Meng Ao with a palm!

Just as Su Qingyan thought, the situation in front of you must take the initiative to attack, otherwise, waiting for the two of them will be a doomed situation.

“Beyond one’s own strength!” Meng Ao smiled coldly and stood up suddenly, his face full of arrogance.

“Just rely on you two women, want to kill me?”

After Leng Leng said this, Meng Ao's eyes turned gloomy, and a violent aura burst out, and then, with lightning speed, he avoided Su Qingyan's attack. A sword flashed in front of Xu Qingyi.

Bang!

In the blink of an eye, Meng Ao and Xu Qingyi exchanged palms, and then they heard Xu Qingyi groan, and her tender body retreated again and again.

Xu Qingyi used to be a well-known talented girl in Xi Cang Continent, but her cultivation was not high, so her strength was really much worse than Meng Ao.

Xu Qingyi only felt that a violent force was coming, and she couldn't exert any strength.

Chapter 2412

Papa!

Meng Ao snorted coldly, rushed over, quickly touched Xu Qingyi, tapped her acupuncture point, and made her unable to move.

"Your sister has already been subdued by me, you still want to continue fighting? It's useless, give up." Controlling Xu Qingyi, Meng Ao sneered, his internal strength revolved, and greeted Su Qingyan again, at the same time, playing abusive 's opening.

Su Qingyan clenched her lip and didn't respond. Holding her long sword tightly, she attacked again.

Meng Ao didn't panic at all, he pulled out his machete and attacked.

"Dangdangdang!"

Su Qingyan's long sword collided with the machete, making loud noises. After a few rounds, Su Qingyan's beautiful face became more and more flustered.

This Mengao's strength is really too strong.

Su Qingyan was already close to the Tribulation Transcendence Realm, but she could not gain the slightest advantage against Meng Ao!

In his heart, Su Qingyan's long sword was knocked out, Meng Ao was very conceited, and did not want to bully the weak, so he immediately put away the machete and hit him with a palm.

hum!

The speed of this palm is too fast, the power is amazing, and the air is twisted.

Su Qingyan's pretty face changed, knowing that she couldn't escape, so in a hurry, she had to use her inner strength to greet her with a palm.

boom!

The two palms touched each other and made a dull vibration. At this moment, Su Qingyan's tender body retreated several steps, her face instantly ugly!

Meng Ao practiced the special exercises of the Rakshasa clan, and his internal strength was strong and domineering. With that palm, Su Qingyan was no match for him at all!

“you...”

Su Qingyan only felt stuffy in her chest, stabilized her figure, looked at Meng Ao in shock and anger, her face was full of unwillingness and shame.

Done!

He and Xu Qingyi are not his opponents, so this is trouble.

Meng Ao sneered and looked at Su Qingyan indifferently: “How is it? I said, you two are not my opponents at all!” The voice fell, Meng Ao rushed over, quickly raised his hand, and in Su Qingyan's place Click twice on the acupuncture point.

In an instant, Su Qingyan's delicate body froze, unable to move at all.

Seeing this scene, Xu Qingyi's beautiful face was full of despair, but she still couldn't help shouting: “Mengao, you dare...”

At this time, Xu Qingyi was embarrassed and angry again. Shocked again.

I thought that I could subdue Meng Ao by cooperating with Su Qingyan. After all, Su Qingyan used to be the sect master of Wenzong, and his cultivation strength was very strong.

“Meng Ao, you murdered your brother and seized the throne. It's a heinous crime. We are your elder brother's teachers. How dare you be so rude!” Xu Qingyi bit her lip tightly: “Let us go.”

“Call me?”

Meng Ao showed a trace With a wicked smile, his eyes were extremely cold, he walked quickly to Xu Qingyi, slapped her hard, and slapped her in the face!

“Clap!”

As soon as the slap went down, Xu Qingyi let out a coquettish cry, and a slap print appeared on her fair face.

Swish!

Seeing this scene, Su Qing's smile is not good, and subconsciously, she has to mobilize her inner strength to rush through the acupoints, but the way of acupoint-pointing of the Rakshasa is too special, and they can't use a little strength.

He slapped Xu Qingyi, Meng Ao's face was hideous.

“No need to struggle.” Meng Ao smiled evilly, looked at Xu Qingyi, and looked at Su Qingyan up and down again, with a sinister light flashing in his eyes.

Chapter 2413 As expected

of a Kyushu woman, she is indeed much more water spirit than the Rakshasa clan.

Meng Ao originally planned to kill Su Qingyan two directly, but at this time, when he observed closely, he was immediately fascinated by the appearance of Su Qingyan and Xu Qingyi, as well as their slender curves.

“If you don't want to die, just be obedient and serve me comfortably. Maybe I'll let you be my woman, and you will be the queen of the Rakshasa clan in the future, hahaha...”

Meng Ao said proudly, and immediately removed from his body. He took out a packet of pollen and sprinkled it in front of Su Qingyan and Xu Qingyi's faces.

call!

Su Qingyan and Xu Qingyi didn't react and directly inhaled the pollen.

In an instant, Su Qingyan and Xu Qingyi felt a heat rise all over their bodies, and at the same time, their minds were also dizzy.

In an instant, both Su Qingyan and Xu Qingyi's expressions changed.

“You shameless person!” Xu Qingyi couldn't help shouting coquettishly, she was shy and angry, she was a smart woman, she was strange, and she could guess what Meng Ao had done to her.

“I've already become my captive, and still so stubborn, tsk tsk, this is a bit like our Rakshasa women, yes, yes! But when you two, you will be like cats, very docile to me, hahaha, tell you, what you inhaled just now is the Manluo pollen in the wild and strange

realm, no matter how strong a woman is, after inhaling it, she will become extremely slutty!”

Meng Ao said with a proud face, and his eyes were extremely hot.

asshole!

Hearing this, Su Qingyan and Xu Qingyi both trembled, and they only felt the heat coming from their bodies.

At this moment, Su Qingyan couldn't bear it anymore, and shouted at Meng Aojiao, “Meng Ao, you killed your elder brother and treated his two masters like this, aren't you afraid of retribution?”

When she said this, Su Qingyan was very regretful.

Knowing this earlier, when Yue Feng secretly came to the Rakshasa camp to investigate, he and Xu Qingyi should have left with him.

But who would know that Meng Ao was so ruthless that he actually killed his eldest brother. Is this just being blindsided by rights?

Haha...

Meng Ao didn't get angry but laughed, came over, stretched out his finger, and tugged Su Qingyan's chin: “Don't follow me like this, Meng Lang is confused by you, and has no Rakshasa clan anymore. Bloody, it is not a pity to die, and it is also your blessing that you can enjoy the joy I bring.”

Crazy!

Crazy like a demon.

Su Qingyan's delicate body was trembling, she tilted her head to avoid Meng Ao's hand, her delicate face was full of anger and resistance: “Go away! Take away your dirty hands!”

His tone was cold, but he sealed the acupuncture point. He was hit with Manluo pollen again, his delicate body was soft and he couldn't even try, and his delicate dodging, in Meng Ao's view, was full of temptation.

“Tsk tsk, it's very sexy. I finally understand why my Rakshasa ancestor has to return to the Kyushu continent so much. It turns out that the women of Kyushu are so attractive. Seeing how stubborn you are, let's start first.”

Su Qingyan said The scolding did not make Meng Ao restrained, but stimulated his interest.

After saying this, Meng Ao grabbed Su Qingyan's hand, got a little closer, sniffed gently in front of her, his face full of intoxication: "Kyushu women, not only sexy, but also very fragrant... Hahaha!"

"Go away! Go away!"

Su Qingyan struggled and shouted: "You shameless scum, let go of me, let me go!" However, with no strength, how could he break free?

Next to Xu Qingyi, who was also anxious and angry, kept shouting: "Bastard, shameless bastard, let her go, don't touch her."

After being together for so long, Xu Qingyi and Su Qingyan are already Sister Qingtong, now seeing Su Qingyan about to be defiled, Xu Qingyi is both angry and heartbroken.

"Haha!"

Meng Ao became more and more excited, and looked at Su Qingyan with a smile: "You call, the entire Rakshasa clan is in my hands, even if you call the tent to pieces, no one will come to rescue you!"

Said, Meng Ao turned his head to look at Xu Qingyi: "And you, don't worry, when I finish hurting her, I will accompany you well!" The

voice fell, Meng Ao's eyes flashed with evil fire, and he was about to tear Su Qingyan to pieces. smoke clothes.

Chapter 2414

Call!

At this moment, Su Qingyan was extremely ashamed and angry, and at the same time was completely desperate.

Is this God's will?

If it was tainted by Meng Ao, it would be better to die.

Xu Qingyi, who was next to her, was also so frightened that she almost cried.

"Prince!"

Seeing that Su Qingyan's skirt was about to be torn apart by Yue Chen, at this critical moment, a loud shout suddenly came from outside the tent, with a loud and respectful voice!

It is Meng Ao's personal guard.

"You bastard!"

Meng Ao got angry when the good thing was interrupted, and scolded: "Didn't you say, don't disturb me no matter what? Don't you understand?!" The

guards stood outside the door, full of His face was nervous and nervous, but he still had the courage to say: "Sir, it's a big deal. The wolf group that was searching the ruins has just received news that they have found the whereabouts of the king." The

wolf group has always been special to the Rakshasa army . The team's mount is a special wind and fire wolf in the wild and strange realm. It has strong mobility. Before, King Rakshasa and Yang Jian both fell into the ruins of the Chaos Mountains. They didn't know what to do, so Meng Lang sent a group of wild wolves to search.

In addition to the wolf group, the Rakshasa army also has other special teams, the wild bear group, the wild lion group, the giant elephant group, etc...

Mad!

Hearing this, Meng Ao cursed secretly, turned around and strode out of the tent.

King Rakshasa is not only the king of the Rakshasa clan, but also the spiritual leader of the entire clan. Speaking of which, after Meng Ao killed Meng Lang, he already had the ambition to be king, so he was very annoyed when he learned about the clues of King Rosa. .

Once King Rakshasa returns, his plan to become king will be shattered, and the matter of killing his brother and seizing power will also be revealed. At that time, his father will not forgive him lightly.

But there is no way, since there are clues of King Rakshasa, if he behaves too indifferently, he will be suspected by the entire clan.

But Meng Ao already had an idea in his heart.

The moment he walked out of the door, Meng Ao did not forget to look back at Su Qingyan and the two, and said with a wicked smile: "I will come when I go, you two, wait for me, haha..." After the

voice fell, Meng Ao said with a wicked smile. Leave with people laughing.

At this moment, Su Qingyan and Xu Qingyi looked at each other, their beautiful faces were full of despair.

Although temporarily out of the clutches of Meng Ao, he is still trapped in the Rakshasa camp.

When Meng Ao came back, it was still a miserable end.

...

on the other side, in the Kyushu camp.

In the camp full of Zen, with cigarettes lingering, Moraya lay there, resting.

Next to him, Duan Yu was sitting cross-legged, looking at his nose and heart, and was quietly cultivating.

A few hours ago, at Duan Yu's sincere entreaty, Moroye agreed to teach him the Buddhist practice. After the teaching, Moroye rested. After all, he had fought fiercely with the Rakshasa before and patiently taught Duan Yu a few. Hours are really exhausting.

Duan Yu, on the other hand, was full of energy. In order to find Moroye's weaknesses from the Buddhist practice, he did not intend to rest at all, but concentrated on comprehension.

Duan Yu thought about it. Before cheating Dragon Ball from Yue Feng, he must kill Moroye. This stinky monk has made himself an incomplete man. If he is not torn into pieces, it will be hard to vent his hatred. .

call!

Chapter 2415 I

don't know how long it took, Duan Yu breathed a sigh of relief and slowly opened his eyes.

Haha...

At this moment, Duan Yu showed a smile and was very excited. He found it, and finally found Moroye's weakness.

Duan Yu is talented and intelligent, and is also a rare cultivation wizard. In just a few hours, he found a flaw in the Buddhist practice. When he thinks that he will be able to take revenge soon, why is he unhappy?

Um!

Hearing the movement, Moroye woke up. Seeing that Duan Yu hadn't rested, he couldn't help but wonder: "Teacher, you are so happy, what's the matter?"

Mad! Some got carried away!

Duan Yu quickly smiled and said cautiously: "Master, I just learned about Buddhism, and I have some understanding, so I am a little happy."

Hearing this, Moroye was very pleased and nodded in approval: "Yes, you are enlightened. Very high, if you can continue to study Buddhism, you will definitely do something."

Duan Yu responded quickly, then rolled his eyes, and said, "Master, now our Kyushu Continent and the Rakshasa clan are facing each other, it seems to be peaceful, but later No one can guarantee the situation."

Duan Yu looked at the ruins of the Chaos Mountain Range in the distance. He continued: "The apprentice was guilty of serious sins and did a lot of bad things in the Kyushu Continent. Now I am very ashamed. I want to go to the waste behind the Rakshasa camp to see the situation. See if it is possible to raid the Rakshasa from the rear. In this way, I can also do something for the Kyushu Continent."

When he said this, Duan Yu's face was sincere, but his eyes flashed with cunning.

Of course, Duan Yu didn't go to observe the terrain, but wanted to lead Moroye out. He already had a way to deal with Moroye, so he couldn't wait to take revenge.

It's just that there are too many people in the Kyushu camp. Once Moroye is dead, I can't argue with myself. I can only think of a way to lead Moroye outside. The ruins of the Chaos Mountains behind the Rakshasa camp are a good place to kill people. .

call!

Hearing this, Moroye thought for a while, and said seriously: "Teacher, you have this idea, you can take the initiative to contribute to the Kyushu continent, and it is very gratifying for the teacher, but this matter is no trivial matter, I feel it is necessary to cooperate with Sect Master Yue discuss it."

Now the entire coalition forces in the Kyushu Continent are under the command of Yue Feng, the apprentice's method is good, but he can't follow the whereabouts of the fan, and he has to say hello to Yue Feng.

Made!

Duan Yu cursed inwardly, but with a smile on his face: "Master, we are just going to investigate, not to fight, so there is no need to tell Sect Master Yue. After we have explored the terrain, we will come back and tell Yue Feng, that's fine. Give him a surprise."

This....

Seeing him say this, Moroye nodded: "Okay!" A

few minutes later, the master and the apprentice left the camp and took advantage of the night to bypass the Rakshasa camp and head towards the Rakshasa camp. The ruins of the Chaos Mountains.

call!

Standing on a rock among the ruins, Moroye looked around, frowning secretly.

I saw that after the fierce battle between King Rakshasa and Yang Jian caused the collapse of the Chaos Mountains, this area with a radius of 1,000 meters was not only surrounded by rocks, but also scattered with many huge cracks. Under the cracks, there was scorching magma. The environment is very bad.

In such a terrain, it is difficult to accommodate many people to hide, not to mention tens of thousands of troops, even thousands of people are difficult to hide, because if they are not careful, they will fall into the magma in the cracks.

It is difficult to launch a surprise attack to the rear of the Rakshasa from here.

Moroye has been observing the surrounding terrain attentively, but Duan Yu, who is next to him, is not at all concerned, his eyes are flickering cunningly, and his attention is all on Moroye.

"Teacher, the environment here is complicated and not suitable for raids. Let's go back." After watching for a while, Moroye said.

Duan Yu smiled and said, "Master, what are you anxious about? This place is not suitable for raiding the Rakshasa clan, but it is suitable for doing other things."

"What?" Moroye frowned.
