Chapter 2431

Everyone looked at each other, and then a patrolling soldier said: "I saw just now that Master Huasheng went to Sect Master Yue's camp."

Shuh!

Hearing this, everyone was shocked, and immediately rushed towards Yue Feng's camp.

Duan Yu pretended to be Moroye's apprentice and mixed in the camp, it was definitely not a good thing.

At this moment, Yue Feng is here.

Um?

At this moment, Duan Yu entered the tent and saw that Ren Yingying was also there, and was stunned.

"Little Master Huasheng, is there something important?" Yue Feng asked.

Duan Yu reacted and said with a smile: "It's nothing, just come and see, is Sect Master Yue ready, and when are we going."

Duan Yu kept paying attention to Ren Yingying when he said this.

And Ren Yingying's eyes kept looking at Duan Yu. Although Yue Feng disagreed, Ren Yingying insisted on her own feeling and believed that there was something wrong with this metamorphosis.

Ha ha!

Yue Feng smiled slightly and said to Duan Yu: "I will explain some things and I can leave at any time."

Hearing this, Duan Yu nodded, but did not go out immediately.

Ren Yingying used to be the princess of Apocalypse Continent, Bingxue is smart and resourceful, but now, she has been looking at herself with suspicion, has she discovered her identity?

This chapter is provided by . Visit for daily update.

Thinking of this, Duan Yu couldn't help but feel a little flustered.

In the next second, Duan Yu's thoughts turned, and he suddenly had an idea, and said politely to Yue Feng: "Sect Master Yue, you have a heavy responsibility, and you left the camp rashly. you."

Having said that, Duan Yu pretended to think of something and continued: "By the way, can I watch the dragon ball on Sect Master Yue? Since it was left by Emperor Xuanyuan, it must be extraordinary."

Duan Yu was very cunning and realized that Suspected by Ren Yingying, he wanted to deceive Yue Feng's Dragon Ball, so that he didn't need to grab it.

This...

Seeing that Duan Yu wanted to use the Dragon Ball to appreciate it, Yue Feng instinctively resisted and pondered.

Ren Yingying, who was next to him, also immediately became suspicious.

Yue Feng is about to set off with him to Coral Island. Along the way, there are many opportunities to enjoy Dragon Balls. Why do you ask to appreciate it at this time?

Made!

Seeing the expressions of Yue Feng and the two, Duan Yu scolded secretly, Yue Feng and Ren Yingying are both very alert.

Thinking to himself, Duan Yu showed a smile and said softly: "If Sect Master Yue is unwilling, forget it, in fact, I heard from the head of the sea shark clan before on Coral Island before, saying that Xuanyuan Huangdi left two things, The same is in the sea shark clan, the same is in the Chaos Mountains, I just want to see if the dragon ball in the hands of Yue Sect Master is the same as the description of the sea shark clan chief."

Yes, Duan Yu lied, he did not know the sea at all. The patriarch of the shark tribe, he was only active near the coral island at that time, and never really entered the coral island at all.

It turned out to be so.

Hearing this, Yue Feng nodded, relaxed his vigilance, and took out the dragon ball: "In this case, Little Master Huasheng has a good look." After the

voice fell, he handed the dragon ball to Duan Yu.

At this moment, Duan Yu was so excited that he took over the dragon ball and said with a smile, "Sect Master Yue, I will wait for you at the entrance of the Zhongjun tent first. After watching the dragon ball, I will return it to you."

Hahaha... Yue Feng, this fool, actually gave the Dragon Ball to himself like this.

The treasure chest of the shark clan was located in a cave in the mountains and forests a few miles away. Now that the dragon balls are also in hand, the peerless treasure left by Xuanyuan Huangdi is already within easy reach.

Duan Yu thought about it, and after saying goodbye to Yue Feng, he left the camp directly, went to the mountain cave to take out the treasure chest, and then used the dragon ball to open it. At that time, when he got the treasure inside, he would no longer pretend to be a monk and restore his previous identity.

The more Duan Yu thought about it, the more excited he became, so he bid farewell to Yue Feng and left.

"Father!"

However, at this moment, footsteps suddenly came from outside the tent, and at the same time an urgent voice sounded: "That metamorphosis is Duan Yu, don't be deceived by him."

It was Han Bing, and Wen Chou Chou and others.

Chapter 2432

Mad.

Duan Yu had just taken the Dragon Ball from Yue Feng's hand, when he suddenly heard the shouting outside, and he was shocked.

Yue Wuya, that kid and Han Bing, came over so quickly?

However, the Dragon Ball has already been obtained, so what should I worry about?

What?

Yue Feng and Ren Yingying also heard the shouts from outside, and their expressions suddenly changed.

The little master Huasheng in front of him is Duan Yu? How is this possible?

Yue Feng could clearly hear that the voice from outside was Han Bing, who was his daughter, smart and kind, and could never be created out of nothing.

In the next second, Yue Feng's face changed, and he looked directly at Duan Yu:
"You..."

"Go to hell!"

Seeing Yue Feng's suspicion, Duan Yu's eyes rolled, and he decided not to cover it up any more. The aura of Duan Yu erupted from Duan Yu's body, and he slapped it hard, hitting Yue Feng's heart directly.

Duan Yu knew that when Yue Wuya and Han Bing came, his identity could not be concealed, but the Dragon Ball had already been obtained, so there was no need to hide it.

Yue Feng's strength is not low. Rather than being passively restrained, it is better to take the initiative to attack. When Yue Feng is injured, the Kyushu camp is in chaos, and he can take the opportunity to escape.

Moreover, Duan Yu is very confident in himself, even if Yue Feng is strong, he can't escape his full-strength palm.

Made!

Yue Feng was extremely frightened, and he never thought that Duan Yu would jump over the wall and attack him directly, but it could be seen that he was indeed Duan Yu, and he couldn't be wrong.

"Yue Feng, be careful!"

Seeing this scene, Ren Yingying couldn't help but let out a coquettish cry, and at the same time wanted to rush over to help, but it was too late.

At this moment, Yue Feng wanted to dodge, but he was too close to Duan Yu, and Duan Yu was too fast to dodge. In a hurry, Yue Feng hurriedly used his internal strength to protect his body.

Bang!

This palm contained all of Duan Yu's skills, and he saw that the air in the tent was distorted, which was amazing. With the strong wind howling, this palm hit Yue Feng fiercely.

Nima!

In an instant, Yue Feng's inner strength was forced to protect his body. He heard a groan from him, and the whole person flew up, knocked out a hole in the tent, flew out, and finally fell on the ground dozens of meters away.

At the moment of landing, Yue Feng spurted out a mouthful of blood and was extremely weak, but his eyes were fixed on Duan Yu, and he said fiercely: "Duan Yu, it's really you!"

Hahaha....

Duan Yu looked up to the sky. Laughing, not hiding at this time, his figure was suspended in mid-air, looking at Yue Feng coldly, jokingly

said: "I didn't expect it, Yue Feng." Duan Yu's eyes flashed with endless resentment: "I am indeed Moruo. Master Ye's disciple, Metamorphosis is also my Dharma name, but, in my heart, I have never considered myself to be a Buddhist, and you idiots have never found any clues, hahaha, it's so stupid. Yes, I didn't kill you with this palm just now, it's cheap, but I tell you Yue Feng, your death is not far away."

After saying the last sentence, Duan Yu looked at the dragon ball in his hand, unable to say anything. proud.

The Dragon Ball has already been obtained, and he will soon be able to obtain the peerless treasure left by Xuanyuan Huangdi. At that time, it will be completely disguised to come back to kill Yue Feng.

Made!

Hearing this, Yue Feng struggled to stand up, his eyes were blood red, and he locked Duan Yu tightly.

It turned out that the little master Huasheng was Duan Yu, but he never found out.

At this time, Ren Yingying was panic-stricken, rushed to Yue Feng, helped her, and almost cried: "Yue Feng, how are you? Are you okay?"

Yue Feng gave Ren Yingying a comforting look.

The next second, his eyes locked on Duan Yu again, thinking of something, he asked word by word: "Duan Yu, how did Master Moroye die?"

Chapter 2433

As the commander-in-chief of the Kyushu Continent, Yue Feng has an active mind. Seeing Duan Yu revealing his identity at this time, he immediately guessed that the death of Master Moroye was not that simple.

When the words fell, Duan Yu sneered: "You don't have to guess, I'm not afraid to tell you that the stinky monk in Moraya was besieged by me and the Rakshasa clan and died, and that old bald donkey forced me to convert to Buddhism. It's not a pity to die. "

Made, it's really him.

Yue Feng's temperament was broken, and he was so angry that he almost fainted.

Next to Ren Yingying, her face flushed with anger, she pointed at Duan Yu and yelled, "Duan Yu, are you still human? Moraye accepted you as a disciple, and you want you to change your ways, but you deceive your master and destroy your ancestors. , and also helped the Rakshasa clan to besiege him together, so if you do such a thing, you are not afraid of being punished by God?" God's

condemnation?

Hearing these two words, Duan Yu's face was hideous, and he retorted with a sneer: "I never believed in the destiny of heaven, but it is you, Ren Yingying, you were once the princess of the Apocalypse Continent, but you condescended to be the woman of Yue Feng. What's going on."

Whoops!

Just as they were talking, Han Bing, Wen Chou Chou, Sun Dasheng and others arrived, and they were stunned when they saw the scene in front of them.

I saw that Yue Feng's face was pale and weak with Ren Yingying's support.

In the mid-air in front of them, a figure, holding a two-meter-long giant axe, was quietly suspended there.

It was Duan Yu!

In midair, Duan Yu's holding a giant axe, like a round of luminous sun, radiates radiance, while his other hand is holding a dazzling bead.

It's Dragon Ball!

Seeing this, everyone was furious.

Holding the opening axe, who is not Duan Yu? This kid, who actually became a Moraya disciple, lurked around everyone for so long, and was not discovered. It was really hateful.

Also, what are the beads in his hand?

At this moment, apart from Wen Chou Chou who had seen Dragon Ball, Yue Wuya, Han Bing, and Hai Ling'er all frowned and were very puzzled.

"Uncle Great Sage, what is that?" Han Bing couldn't help but asked in doubt.

Sun Dasheng took a deep breath and said quickly: "Eldest niece, what is in his hand is Xuanyuan Huangdi, the second thing left behind, the essence of the dragon, the dragon ball."

What?

Dragon Ball?

At this moment, Yue Wuya and Han Bing were both shocked, and Duan Yu, who was tight, was shocked and angry.

This is broken. Duan Yu used Tang Qingyun to snatch the stone box of the sea shark in the sea before, and now he got the dragon ball. In other words, the two things left by Xuanyuan Huangdi are in his hands.

Seeing the expressions of the two brothers and sisters, Wen Chou Chou faintly felt that something was wrong, and couldn't help but ask, "Niece, what's the matter?"

Huh!

Han Bing took a deep breath, and while staring at Duan Yu, he gently explained: "Uncle Wen, you don't know, the treasure guarded by the sea shark clan has been brought out by us, but it was only halfway through by Duan Yu. He took it away. Now he has the Dragon Ball, Xuanyuan Huangdi's treasure, which means that he has mastered it."

What?

Hearing this, everyone present was furious.

The two things that Xuanyuan Huangdi left behind are all in his hands. This piece of feather is really hateful. He has been lurking in the camp before, I am afraid it is to win Yue Feng's Dragon Ball.

Now it seems that his plan has succeeded, not only succeeded, but also took the opportunity to injure Yue Feng.

Thinking of this, everyone is filled with righteous indignation.

Swish!

At this moment, Sun Dasheng finally couldn't bear it anymore, his eyes fixed on Duan Yu in the air, and he roared angrily: "Go on, kill this bastard." After the words

fell, Sun Dasheng's inner strength exploded, and he rushed into the air and rushed to the air. Duan Yu left.

Chapter 2434

Swish swish...

At the same time, Wen Chou Chou, Long Qianyu, Yue Wuya and others all jumped into the air one after another and charged directly towards Duan Yu!

These people are all leaders in each continent. Any one of them is the Megatron side. At this time, they shot together, and the burst of breath distorted the sky, and the momentum was amazing.

“Haha, want to kill me? Come on.”

Watching Sun Dasheng’s crowd attack, Duan Yu’s face was full of madness, and he clenched the axe tightly, his eyes flashing with endless evil spirits.

To be honest, Duan Yu originally wanted to leave, but when he thought about this period of time, he swallowed his anger and hid in the Kyushu camp.

Anyway, the Dragon Ball has been obtained, and there is no need to worry, it is better to make a scene and turn the entire Kyushu camp upside down.

Of course, it would be better if they could kill a few more people.

As he thought to himself, Duan Yu had a ferocious look on his face, and shouted: “Go to hell!” The roar came, and he swung out with an axe!

“Roar!”

Only a dragon roar was heard, emanating from the giant axe, and the next moment, a touch of golden light seemed to tear the world apart and swept toward everyone!

Made!

Feeling the power of that touch of golden light, Wen Chou Chou and the others all changed their expressions, and quickly urged their inner strength to deploy a protective film in front of them to resist.

Bang bang bang...

Jin Mang banged on the protective film, many people trembled, their blood swelled, and they almost fell from the air.

“Ah!”

Many Kyushu soldiers, who did not have such strong defenses, screamed incessantly in an instant, and they were knocked out one by one and fell into a pool of blood.

Made!

Seeing this scene, whether it was Yue Feng, Wen Chou Chou, or everyone else, their expressions changed, and at the same time, the anger in their hearts rose.

Duan Yu, this bastard, I haven't seen him for a while, but his strength has increased so much, and so many people have yet to subdue him.

This kind of person, if he continues to keep it, is the scourge of Kyushu. More importantly, he has the stone box of the sea shark clan in his hand, and he has also deceived Yue Feng's dragon ball. He must not be allowed to leave easily.

Under the anger, Yue Feng's eyes became blood red, and he roared: "Everyone be careful, don't let him escape."

When he said this, Yue Feng glanced at Ren Yingying with shame.

It turned out that her guess was right, this metamorphosis not only has problems, but also a big problem, it turned out to be Duan Yu. If I had known this earlier, I should have been more cautious and should not have given him the Dragon Ball lightly.

Buzz buzz...

Hearing Yue Feng's roar, Wen Chou Chou and the others erupted again, jumping into the air, and fighting with Duan Yu.

However, after more than ten minutes of fierce battle, everyone was still unable to suppress Duan Yu.

You must know that Duan Yu's strength has improved a lot after practicing in the sea for half a month. Later, he was taught the Buddhist practice by Moroye, and his realm has improved a lot.

Under such circumstances, he still has a peerless divine axe in his hand, how could Wen Chou Chou and others be his opponents?

"Everyone, let's meet him."

At this moment, the six fairies of Fuyao Palace who heard the news rushing over, shouted coquettishly, and the moment the words fell, they flew up and went straight to Duan Yu.

"Six palace masters, I'm here to help you too."

Zhou Qin, who was beside him, also trembled, pulled out his long sword, and flew up!

At this moment, Zhou Qin and the six palace masters released their internal forces, as if the sky was about to shatter!

The six palace masters of the White Sacred Water in Fuyao Palace are famous goddesses in the rivers and lakes of the Earth Round Continent, and their strength is extraordinary.

And Zhou Qin, who used to be the head of the Emei faction and the leader of the martial arts alliance, is very powerful.

When the two sides joined forces, they saw a terrifying force spread out in the air, and the calm sky was instantly surging.

Chapter 2435

Call!

At this time, everyone in the Kyushu Continent was in a cold sweat for the Six Fairies and Zhou Qin.

The strength of the six fairies and Zhou Qin is strong, but against a powerhouse like Duan Yu, I am afraid they are not opponents. You must know that Duan Yu has an axe in his hand.

However, the six fairies and Zhou Qin at this time were not panic at all.

I saw Bai Shengshui take a step forward and said coldly: "Form a formation." The voice fell, and I saw five Erqings and Zhou Qinqi moving in the middle.

Misty Seven Immortals Formation?

Seeing this scene, Yue Feng, who was standing below anxiously watching the battle, was shocked.

He clearly saw that Zhou Qin and the six fairies cooperated tacitly, advancing and retreating in an orderly manner, which seemed dazzling, but in fact every step was very mysterious. It is the Misty Seven Immortals Formation of Fuyao Palace.

This... When will Zhou Qin become the Seven Immortals?

Yue Feng was secretly surprised!

You must know that the formation of the Misty Seven Immortals has been circulated in Fuyao Palace for thousands of years, and it has never been rumored. However, what Yue Feng didn't know was that when Yang Jian led the Northern Ying army to attack Zhongzhou, the Fuyao Palace made an exception to let Zhou Qin join the exercise for the sake of the overall situation.

In less than ten minutes, Duan Yu was temporarily restrained by the mystery of the Misty Seven Immortals Array.

Made!

At this time, Duan Yu was so annoyed that he had been entangled in several women.

hum!

At this moment, Long Qianyu found the opportunity, his internal power exploded, and a sword shadow came out of the sky, straight towards Duan Yu, with a speed like thunder and lightning.

Seeing this scene, everyone below was inexplicably excited.

Duan Yu was taken aback, and hurriedly waved his axe to resist, and at this moment, Wen Chou Chou and Sun Da Sheng joined forces to explode, condensing a huge fireball.

This fireball makes the surrounding temperature rise instantly!

Duan Yu didn't have time to dodge, and the fireball slammed into his back.

“Boom!...” The

roar came, Duan Yu trembled, vomited out a mouthful of blood, and his body flew far away.

Sun Dasheng and Wen Chou Chou, one is the hall master of the Hall of Longevity, and the other is the head of Huaguo Mountain. In recent years, their strength is close to the transcendence realm. Even if Duan Yu has the opening axe, he can't resist the brothers. Hit it together!

“Brother Wen, Dasheng played well.” Yue Feng couldn't help but shouted, “Take him and get back the Dragon Ball.”

Hearing this, Wen Chouchou and Sun Dasheng broke out again and rushed towards Duan Yu.

At this moment, facing the siege of Wen Chou Chou, Sun Dasheng, and the Six Fairies and Zhou Qin, Duan Yu's face was extremely ugly, and he became more and more flustered.

At this moment, Long Qianyu rose into the air, took out a leather whip from his waist, and slammed Duan Yu fiercely.

“Crack!”

When the whip fell, Duan Yu didn't have time to dodge, he howled in pain, and a bloodstain appeared on his body, and his skin was split open!

“Made! You all wait for me. When the time comes, I will torture you one by one.” Duan Yu's face was grim, and the pain made him sweat profusely. He swung a few axe fiercely,

With these axes, Duan Yu used all his strength!

“Buzz!”

Duan Yu's internal strength was instantly evacuated by these axes. But I have to say that the power of these axes is really terrifying! I saw that the whole world seemed to be shattered, and the air was torn apart!

call!

Feeling the power of this terror, Wen Chou Chou, Sun Dasheng, and the rest of Zhou Qin did not dare to neglect, and they all urged their figures to avoid their edge.

The ultimate husband in Chinese chapter 2436-2440

Chapter 2436

“Yue Feng, I didn't kill you today, you are lucky, next time you won't be so lucky.” Duan Yu hissed and howled, taking advantage of this opportunity, turned around and flew into the distance.

In a blink of an eye, he had already rushed a few hundred meters away.

Made!

Seeing that Duan Yu was able to escape under the siege of the crowd, Yue Feng's face was extremely ugly.

“Chase!”

Sun Dasheng roared without hesitation, and took the lead in chasing after him.

Wen Chou Chou followed closely behind.

The treasure chest of the shark clan and the dragon ball of Yue Feng are all in his hands, and he must not be allowed to run away like this.

While running, Duan Yu looked back and saw that Sun Dasheng and the others were chasing after him, and he was instantly furious.

Mad, these people are really haunted.

.....

At this moment, the Rakshasa camp is here.

In the big tent, Meng Ao sat there with a gloomy face. Next to him, Mona and many Rakshasa soldiers also looked solemn.

Made!

Meng Ao patted the table and was very annoyed. He thought that this time, he used Moroye's head to stimulate the Kyushu Continent and make them lose their minds, so that they would be defeated in one fell swoop, but unexpectedly, Yue Feng did not know where to get it. A strange bead turned into a dragon.

This chapter is provided by . Visit [for](#) daily update.

In the end, not only did they fail to win, on the contrary, they were killed by Yue Feng, and two giants were killed. Moreover, the highly mobile wolf group was also killed.

“Second brother!”

Just when Meng Ao thought about it more and more, Mona came over, bit her lip and said, “I think, we really have to negotiate with the Kyushu Continent, and you can see that Yue Feng can transform into a huge dragon, it proves that what he said before is true.”

“Today's battle, Yue Feng may just shock us a little, so he just transformed the phantom of a dragon. If he continues to fight, I'm afraid he will release the real dragon. .”

When saying this, Mona's face was full of anxiety.

Yes, Mona is not afraid of death, but in the battle just now, seeing so many people die tragically, she couldn't bear it. Continue to fight, maybe the Rakshasa can win, but it will also pay a heavy price.

This is not the result Mona wants to see.

More importantly, the father is missing, and the second brother cannot be allowed to continue to act arbitrarily.

Swish!

Hearing this, Meng Ao was extremely annoyed, and drank at Mona: "Little sister, I think you were bewitched by that Yue Feng, eldest brother believed the words of the two Kyushu women and died tragically, you want to be the same as him. What's the end?"

Meng Ao's expression was very scary, and Mona's body trembled, and eagerly said: "Second brother, it's not what you think, I..."

Before she could finish speaking, Meng Ao interrupted her.

"Don't say it, I must avenge the revenge of the elder brother." Meng Ao said coldly: "And the disappearance of my father, all of which were caused by the Kyushu mainland, I must let them pay their debts with blood."

Hearing this, Mona stomped her feet angrily, turned around and ran out of the tent.

The second brother is getting more and more unreasonable.

call!

As soon as his forefoot left, a Rakshasa warrior walked in quickly and respectfully said to Meng Ao: "Sir, there was a battle in the Kyushu camp just now, and then we saw a group of people chasing a monk, heading towards the ruins. go."

What?

Hearing this, Meng Ao was stunned for a moment, and then he showed a sneer.

Haha... There is infighting in the Kyushu camp, which is good news.

Thinking to himself, Meng Ao raised his hand and waved: "Quick, call the Tigers, follow me to the ruins to check the situation!"

"Yes, Prince!"

Chapter 2437

Soon, hundreds of tiger warriors gathered, and they saw that each of them was riding a colorful tiger, and these tigers were all black and brown stripes, completely different from the tigers in the Kyushu mainland. Domain-specific black evil tiger.

Meng Ao didn't hesitate and set off quickly with the Tigers.

This moment, the other side!

Duan Yu, Dasheng Sun and others, one after the other, quickly bypassed the Rakshasa camp and reached the depths of the ruins of the Chaos Mountains.

call!

Seeing that there was a huge abyss in front of him, and there was scorching magma below, Duan Yu's face changed and he was furious.

Mad, can't you escape?

After finally deceiving Dragon Ball, he will soon be able to obtain the peerless treasure left by Xuanyuan Huangdi, and he must not die like this.

Thinking to himself, Duan Yu reached the edge of the abyss, looked down, gritted his teeth for the last time, and jumped down for the rest of his life.

Made!

Seeing this scene, the expressions of Sun Dasheng and others who were chasing after them all changed. Afterwards, when they reached the edge of the abyss, they saw a depth of several kilometers. The heat wave continued to rise and rushed toward the face. Everyone looked at each other, their faces were extremely ugly.

"That kid actually jumped down, I'll go down and have a look." Sun Dasheng shouted, and was about to jump down.

"No!"

At this moment, Wen Chou Chou hurriedly stopped Dasheng Sun, frowning and said, "There is lava underneath, which is very dangerous, and Duan Yu is very cunning and cannot be reckless."

At this time, Long Qianyu took a step forward and looked at Look, Xiu Mei frowned and said: "Palace Master Wen is right, it's too dangerous below, Duan Yu jumped down, and he died."

"Made, let him die like this, it's cheap for him."

"It's a pity, Yue Feng's Dragon Ball is still in his hands."

"What should I do?"

For a time, everyone was very annoyed, and at the same time they were helpless.

“No, the Rakshasa people are here.” At this moment, someone shouted, everyone quickly turned around and saw a pair of Rakshasa warriors rushing over.

Wen Chou Chou acted calmly and made a decisive decision: “Let’s go, go back to Feng Zi to discuss first, and then make plans!” After the

voice fell, Wen Chou Chou quickly returned to the direction of the Kyushu Camp. Long Qianyu, Sun Dasheng and others, although a little unwilling, were also tight Followed.

They all know that it is very unfavorable to fight against the Rakshasa tribe in the Rakshasa camp. Once the fight begins, it will be difficult for the Kyushu army to come to support, and then everyone will be in danger, so the best way is to return to the camp and not give Luosha. Brass any chance.

the other side. Below the abyss!

Huhuhu...

The wind whistled in his ears, Duan Yu held the Sky-Opening Axe tightly, his body kept falling, and he fell to the bottom as soon as he saw it. Feeling the scorching magma below, Duan Yu gritted his teeth and waved the Sky-Opening Axe. Chop on the rock wall next to it, then force and slow down!

Pedaling...

Finally, Duan Yu landed on a collapsed platform. Although he was prepared, the powerful falling force made him stumble back a few steps, and his back hit the mountain wall before finally stopping. down.

puff!

At the same time, the blood in the body surged, and a mouthful of blood spurted out.

Made!

At this moment, Duan Yu’s face was extremely gloomy.

Yue Feng’s gang almost drove me to a desperate situation, but fortunately my life is big, and I still didn’t die in the end, you all wait for me.

Muttering in his heart, Duan Yu looked around and was stunned when he saw a cave a few meters away.

Nima? Is there someone here?

Duan Yu saw that the entrance to the cave was leaning against a burly figure, his black armor was tattered, his legs were all broken, and that majestic face showed a dead gray color, apparently dead for a long time, just a pair of Eyes, still flashing with endless anger, stared in the direction of the top of the head.

It is the Rakshasa King!

Chapter 2438 Realizing

that the Rakshasa King was out of breath, Duan Yu immediately took courage and walked over to check.

Made! These Rakshasa people are really like a group of savages, they have nothing on their bodies except animal skins. At this time, Duan Yu did not know that the one who died in front of him was the king of the Rakshasa clan.

With a murmur in his heart, Duan Yu saw the winding cave in front of him and walked in slowly.

Facing the siege of the crowd before, Duan Yu consumed a lot of internal energy and was injured. He continued to find a place to practice recovery. More importantly, the entrance of the cave, just a few meters away from the magma below, was too hot. Even if he wasn't injured, Duan Yu couldn't take it.

hiss!

The more you go inside, the burning sensation brought by the magma gradually weakens, but Duan Yu's mood is always tight, because there is a dead Rakshasa at the entrance of the cave, and I don't know if there will be any danger inside. .

I don't know how long I walked, but finally the space in front of me opened up a bit, Duan Yu was shocked, and he couldn't help taking a deep breath.

As you can see, this is a karst cave. The karst cave is not big, about the size of a basketball court. Compared with the scorching environment outside, it looks a bit gloomy and cold.

Duan Yu saw that there were some blood stains on the stone walls of the cave, extending to the depths.

Finally, in the deep shadow, there was a person sitting there, not moving, because the light was dim, it was impossible to tell whether it was life or death, but Duan Yu clearly found that the armor on this person was the same as what he saw just now. The people of the Rakshasa clan were obviously different, and they were obviously people from the mainland of Kyushu.

Looking at it like this, at this time, which strong man in the Kyushu Continent was fighting with that Rakshasa clan, and they both lost in the end.

call.

Although he couldn't see the man's face clearly, Duan Yu could sense the powerful aura that permeated his body.

After being stunned for a few seconds, Duan Yu couldn't hold back his curiosity, summoned up his courage, and walked over slowly.

What the hell!

When the distance was less than a few meters, Duan Yu finally saw this person clearly, and saw that he was wearing a golden armor, but it was covered with blood, like a bloody man, with long hair draped over his shoulders, holding a handful of arms tightly in his hand. Strange weapon, I don't know if it's dead or alive.

Duan Yu could clearly see that the position of this person's lower abdomen dantian had two thick blood openings on his arms. The blood had already solidified, but it looked a little shocking.

Golden armor, with such a powerful aura, could it be...

shuh!

Just when Duan Yu was thinking about it secretly and had already guessed who the other party was, suddenly, the person in front of him raised his head, and his terrifying gaze instantly locked on Duan Yu.

"Who are you?" Yang Jian coldly locked Duan Yu and asked.

Yes, this person is Yang Jian, who fought fiercely with King Rakshasa before, causing the Chaos Mountains to collapse, and finally both fell. After falling to the ruins, the two continued to fight, and finally fell into this abyss one after another.

The Rakshasa King broke both legs, and Yang Jian was not much better. His dantian was pierced by the Rakshasa King, and he finally hid in the depths of the cave. I was closing my eyes just now to cultivate, when I suddenly heard the movement, I locked Duan Yu at once!

What the hell! not dead?

Duan Yu was taken aback. Seeing that the person in front of him could speak, he felt that all the hairs on his body stood up. He subconsciously took a step back and said, "My name is Duan Yu! Dare to ask your Excellency..."

“Duan Yu?” Yang Jian frowned, thinking of something, and said with a chuckle: “It turned out to be the emperor of Xicang Continent, I am Erlang Zhenjun, have you heard of it?”

What?

He...is he Yang Jian?

Hearing this, Duan Yu was shocked, and looked at Yang Jian blankly, speechless!

Chapter 2439 In the

past two years, Yang Jian has been the emperor of Beiyang, and he has been fighting everywhere. Moreover, Yang Jian is a person who has been famous for thousands of years. It is said that his strength is unfathomable. When he saw it today, he really lived up to his reputation.

call!

Finally, Duan Yu took a deep breath, calmed down, and asked politely, “Dare to ask Your Majesty, why are you trapped here?” Before the first fierce battle between the Kyushu Continent and the Rakshasa tribe, Yang Jian and the Rakshasa King clashed, Duan Yu was still in the Guixu Sea Area at the time, so he didn't know.

“I fought against King Rakshasa, and both sides suffered!” Yang Jian said lightly, his tone seemed calm, but his eyes flashed with endless annoyance.

As the true monarch of Erlang, he was a powerful man in the world. He thought he could easily kill the Rakshasa King, but he didn't expect the Rakshasa King to be so powerful.

It turned out to be so.

Hearing this, Duan Yu nodded silently, and at the same time was a little shocked.

It turned out that the Rakshasa man who died at the entrance of the cave was the king of the Rakshasa clan.

“Did you encounter King Rakshasa when you came here?” At this time, Yang Jian looked at Duan Yu closely and asked.

Duan Yu didn't hide it, and said: “Already dead!”

Hahahaha... the

voice fell, Yang Jian was stunned for a moment, and then he looked up to the sky and laughed: “Rakshasa King, Rakshasa King, even if you are from the Rakshasa tribe. The only great leader who has appeared over the years, didn’t he die by my hands in the end?”

At this time, Yang Jian still didn’t know that King Rakshasa was in the same situation as him. Although he was seriously injured, it was not fatal. But Meng Ao still chose to give up him for his rights.

Hearing Yang Jian’s laughter, Duan Yu’s eyes kept rolling.

I heard that this Yang Jian has an unparalleled cultivation technique in the world. I wonder if he can take the opportunity to deceive him.

Speaking of which, Duan Yu has gained a new understanding of the way of cultivation after comprehending the Buddhist practice. However, the power within the Heaven-Opening Axe is terrifying, and if he wants to fully activate it, he still needs stronger power. Only legal support.

“Duan Yu, how did you get here?” Yang Jian smiled for a while, looked at Duan Yu and asked.

Duan Yu is notorious for being fierce, and Yang Jian certainly knows it, so he paid attention to it at this time. If Duan Yu is against the Kyushu Continent, he has to be on guard.

Although Yang Jian has a deep obsession with rights, he has never wavered in the righteousness of Kyushu, which is much stronger than Duan Yu.

Uh...

Facing Yang Jian’s gaze, Duan Yu pondered for a while and said slowly: “I was chased here by the Rakshasa clan. I didn’t expect to encounter His Majesty.”

Duan Yu is not a fool, all of a sudden I understood what Yang Jian meant by asking these words.

Hearing this, Yang Jian nodded silently, and then said: “My dantian has been severely damaged, you rescue me out, I will designate you as a general to defend against the Rakshasa clan.”

When he said this, Yang Jian’s face was full of urgency. His dantian was pierced, and his internal strength was disintegrated. At this time, it was all supported by his strong will and physique.

Hehe... In the end, you still want me to save you.

With a sneer in his heart, Duan Yu was very worried: "Your Majesty, you have seen it too, I am also injured, it will be difficult to take you up in a short time, and, the first time we met, you asked me to save you, What benefits can I get?"

Duan Yu had a serious look on his face when he said this, but he was sneering in his heart, and at the same time a little excited.

Haha... I was worried about how to deceive Yang Jian's exercises, but Yang Jian took the initiative to ask himself to save him, which saved a lot of trouble.

Chapter 2440

Swish!

Hearing this, Yang Jian's expression changed, and he glared at Duan Yu: "Do you want benefits?"

Mad, himself a dignified Erlang Zhenjun, and the Emperor of Beiyang, who is not respectful when he sees it, and now, this Duan Yu actually took advantage of the dangers of others and asked himself for benefits?

He had already promised to make him a general, but he was still not satisfied.

Feeling Yang Jian's anger, Duan Yu didn't panic at all, he sat aside, smiled and said, "Your Majesty, don't blame me for being selfish, you must know that I have come all the way to support the Kyushu Continent, but Yue Feng is always targeting me because of personal grievances. In the end, I was besieged by the Rakshasa people, and I fell here!"

Said, Duan Yu's face was full of grief and indignation: "What did I get for the Kyushu Continent wholeheartedly? So, I want to understand, I want to become stronger. "

Made, it's Yue Feng again.

Hearing this, Yang Jian's face was extremely ugly. This Yue Feng, who was able to release his quarrel with him for the sake of the Kyushu Continent, but he framed Duan Yu who came to help out of personal grievances, is really a villain.

At this time, Yang Jian did not know that he was deceived by Duan Yu.

"Okay!"

Finally, Yang Jian reacted, nodded slowly and said: "Since you are here for the Kyushu Continent and were hunted down by the Rakshasa clan, then I will promise you, the practice I practice is called "Sacred Holy" "Qiankun Gong"! With this practice, I am able

to roam the world, and my reputation has been passed down for thousands of years. As long as you are willing to save me, I will pass it on to you?”

Haha...

Hearing this, Duan Yu's heart shuddered and his eyes lit up. , was very excited.

The name “Sacred Qiankun Gong” is very domineering when you hear it. If you practice it yourself, you don't have to be afraid of Zhu Rong and Shen Nong. As for Yue Feng, you don't have to take it seriously.

Thinking to himself, Duan Yu looked at Yang Jian with a smile: “Is what Your Majesty said true?”

“Of course, I am the honorable man of the Ninety-five Five, and I speak every word!” Yang Jian nodded earnestly.

Duan Yu pondered for a while, nodded and said: “In this case, I believe in Your Majesty, but I am also seriously injured now and need to meditate and practice to recover, so, during my cultivation, you pass the formula to me, and wait for me to recover my strength. , I'll take your majesty out of here after you've taught the formula. This will save everyone's time, what do you think?”

When he said this, Duan Yu's face was flattering, but his heart was extremely cold.

“Okay!”

Yang Jian thought for a while, then nodded slowly and said, “Okay, then let's make a deal!” Yang Jian's dantian was pierced, and he urgently needed a panacea to restore the treasures of heaven and earth, and he wanted to go back in a hurry. Go back a little and regain your strength, and you will have more hope.

Duan Yu smiled, sat cross-legged, and began to meditate and recover.

And Yang Jian didn't break his promise, and said the formula of “Sacred Universe Gong” word for word.

In Yang Jian's eyes, although Duan Yu is also a rare powerhouse in the Kyushu Continent, he is a junior after all and cannot lie to himself.

call!

At this moment, while Duan Yu meditated and cultivated, he firmly memorized the formula in his heart.

Unknowingly, two hours passed. Finally, Duan Yu breathed a sigh of relief and stood up slowly. His weak face also regained its blood and energy.

Yang Jian was very excited and urged Duan Yu: "Duan Yu, the formula told you, you have recovered your strength, take me out quickly, when the time comes, I will still have a reward."

"Don't worry, Your Majesty." Duan Yu He walked over slowly, smiled and said, "I'll take a look at your injury first. Then I'll take you out."

The voice fell, and Duan Yu walked step by step.

Yang Jian nodded again and again, with ecstasy flashing in his eyes.

Mad, finally leaving this hellish place.

"Haha, do you still want to go back to be the emperor? Go die." But at this moment, Duan Yu came to the front, his face suddenly turned hideous, he shouted angrily, and slapped Yang Jian's heart.

Bang!
