

The ultimate husband in Chinese chapter 2441-2450

Chapter 2441

Duan Yu's shot was very quick, Yang Jian was severely injured, and he didn't have time to dodge. This palm firmly slapped his heart and directly broke his heart.

Blood spurted out at once!

"You..." Yang Jian trembled all over, shocked and angry, and at the same time a little unwilling, glaring at Duan Yu: "What a ruthless villain, how dare you go back on your word?"

"Duan Yu, who was in front of him, even attacked him.

Now that the army of the Rakshasa clan is attacking, and the Kyushu continent is united as one, but he has obtained his own practice, and he actually kills him.

"Yang Jian!"

Duan Yu's face was grim, with a cruel smile on his face, and said coldly: "As a person who has been famous for thousands of years, how can you blame others with such poor vigilance? Tell you, I, Duan Yu, seem to want to dominate. People from Kyushu, a strong person like you is the biggest stumbling block, how can you allow you to live in the world? But don't worry, after killing you, it will be Yue Feng's turn, haha..." The

voice fell, Duan Yu He raised his right hand again and slapped it directly on Yang Jian's Tianling cover.

"Pfft..."

Yang Jian spat out a mouthful of blood and glared at Duan Yu with incomparable resentment: "Shameless villain, you won't end well..." Before the

last sentence was finished, Yang Jian died of anger, his eyes widened. Big, obviously dead.

A generation of peerless powerhouses ended their splendid lives.

Seeing that Yang Jian was dead, Duan Yu sneered, sat down cross-legged, and began to comprehend the "Sacred Universe Art".

"Hahaha, Yang Jian's stunt has been acquired by me, Yue Feng, you wait for me, and soon I will tell you guys, send them to Huangquan one by one..."

Duan Yu laughed proudly, and soon entered the state of cultivation.

hum!

I don't know how long it took, and finally, Duan Yu suddenly opened his eyes and saw two rays of light burst out.

The first level of the Holy Universe Art! Practice!

There was a smile on Duan Yu's mouth. He clearly felt that his dantian had an incomparably full and powerful force that spread throughout his body! And this power, I don't know how much stronger it is than before!

"Haha, is this Yang Jian's stunt? Sure enough, he is unparalleled!" With emotion, Duan Yu tilted his head to look at Yang Jian's corpse, revealing a sinister smile: "Rest in peace Yang Jian, I will help you complete the hegemony of unifying Kyushu. Yes, hahaha..."

With a big laugh, Duan Yu burned Yang Jian's body directly, and then strode out of the cave.

Arriving at the entrance of the cave, Duan Yu glanced at the body of King Rakshasa, without hesitation, he raised his foot into the magma.

Duan Yu knew that he went out to kill Yang Jian, and Heaven would not tolerate it. In order not to leave any clues, he could only destroy the scene.

A few minutes later, Duan Yu returned to the top of the abyss.

Um?

Seeing the scene in front of him, Duan Yu frowned secretly, and saw that around the top of the abyss, there were many Rakshasa warriors, each riding a colorful black tiger, which was the Tigers.

And the leader, with a proud expression and unparalleled aura, is Mengao.

hiss!

Feeling Duan Yu's aura, Meng Ao's face changed, and he was secretly shocked.

It's this monk again. I saw him yesterday, and his strength is comparable to his own. It's only been a day, and his breath is so strong.

Whoops!

The surrounding Tigers were also terrified, but they rushed up quickly and wanted to surround Duan Yu.

Chapter 2442

“Go back!” Meng Ao shouted, and retreated from the Tigers, then walked straight over.

When he got to the front, Meng Ao looked at Duan Yu up and down: “Master, we met again, dare to ask, before the civil strife in the Kyushu camp, but because of you? Are those people who were chasing you before?”

Because before and Duan Yu Cooperate and kill Moroye together, so Meng Ao doesn't have much hostility towards Duan Yu. On the contrary, this person is so strong that if he can use it for himself, he is still afraid of the Kyushu army?

“Not bad!”

Duan Yu nodded and replied lightly: “I was originally the Emperor Xi Cang, but I was hated by various continents. They united to kill me and killed me. I almost killed me before. If this revenge is not repaid, I will not be a human being.”

Duan Yu was smart and cunning, and he could see Meng Ao's thoughts at a glance, so he took advantage of the situation to tell his grievances and grievances with Yue Feng and others, so as to dispel Meng Ao's doubts.

Haha...

Hearing this, Meng Ao's eyes flashed, and he couldn't help laughing: “It seems that we are too fateful, my name is Meng Ao, I am the son of the Rakshasa clan, and I was with the master before. Killing the eminent monk of Linyin Temple is really a joy.” After

speaking, Meng Ao looked urgent and continued: “Since the master has an enmity with the mainland of Kyushu, why don't you join us, and when we have defeated the army of Kyushu, let's divide the world equally, how? ?”

Speaking of which, Meng Ao is arrogant and arrogant, and has never spoken to anyone so politely, but in front of him, Duan Yu is powerful and has grudges with the Kyushu Continent. Yue Feng's military skills gave him a lot of headaches.

The Duan Yu in front of him was from the Kyushu mainland, and he definitely knew how to deal with the Kyushu army.

Divide the world?

Hearing this, Duan Yu remained calm, but his eyes lit up slightly.

Without waiting for him to speak, Meng Ao continued: "Master, as long as you are willing, you will be the deputy commander of my Rakshasa clan in the future, commanding the army, one person under ten thousand people! How?"

"

Hearing this, the surrounding Tigers warriors suddenly burst into an uproar.

The person in front of him is from the mainland of Kyushu, and the prince actually named him the deputy commander? You know, this is the supreme glory among the Rakshasa clan! However, this person's strength is terrifying. If he cooperates with the Rakshasa wholeheartedly, he can also be worthy of this position.

For a time, the gazes of hundreds of pairs of Tigers warriors converged on Duan Yu, gleaming with envy and complexity.

Hehe, this prince of the Rakshasa clan is quite sincere.

Duan Yu showed a smile, looked at Meng Ao and nodded: "Since the prince trusts so much, that's fine."

Duan Yu thought about it, going alone against Yue Feng's army, although not afraid, but also quite troublesome, If you cooperate with the Rakshasa tribe, you will get twice the result with half the effort.

More importantly, the box that I hid in the cave in the mountains and forests still needs to be retrieved. However, the Kyushu army is searching around for me now. If I go to retrieve it myself, it is difficult to guarantee that the whereabouts will not be revealed. After all, the cave where the box is hidden is very close to the Kyushu camp. .

Now that we are cooperating with the Rakshasa clan, we can let the Rakshasa people do the work of fetching the box. They don't know what's inside anyway.

After uniting the Rakshasa clan and defeating the Kyushu army, he will use the dragon ball to open the stone box, get the peerless treasure inside, and turn his head to deal with the Rakshasa clan. At that time, he will be the well-deserved supreme ruler of Kyushu, and everyone will be there. surrender to your feet.

"Haha!"

Seeing his promise, Meng Ao was very happy, and laughed loudly in the sky: "It's great, with the help of the master, it's just around the corner to break through the army of Kyushu." After the words

fell, Meng Ao invited Duan Yu to return to the camp.

...

At this moment, the Kyushu army is here.

Wen Chou Chou, Sun Dasheng and others chased Duan Yu, but they returned without success, and everyone was extremely annoyed.

At this time, Yue Feng was pale and sat there in the central army tent. He was attacked by Duan Yu before. Although it was not fatal, it also injured his dantian. It took two days to recover.

“Made!”

At this moment, Sun Dasheng slammed down the table and said ruthlessly: “Duan Yu, this despicable villain, catch him, and he must be slashed with a thousand swords.”

Chapter 2443 The

voice fell, and everyone around was also angry.

“This person is too cunning, and keeping him would be a disaster.”

“Yeah, I didn’t expect that he was actually a disciple of Master Moraya...”

“Doesn’t matter? Master Moraya accepted him as a disciple, of course. I want him to change his ways, but unfortunately, this person is vicious and hard to change, but he killed Master Moraya, not only that, but also Sect Master Yue.”

Everyone’s comments came from you and me, and Yue Feng’s face was extremely ugly.

Duan Yu is cunning and despicable, although it is hateful, but what makes people unacceptable is that this kid deceived his own dragon ball, which is an important thing to get Xuanyuan Huangdi’s treasure.

Thinking of this, Yue Feng was heartbroken.

At this moment, Han Bing stood up and couldn’t help but said: “Duan Yu was at sea and snatched the treasure chest of the sea sharks, but when he fled just now, he did not see the treasure chest, so it can be inferred that the treasure chest It was hidden by him.”

Yue Wuya and Hai Ling’er, who were next to them, nodded.

Yes!

Hearing this, Yue Feng's eyes lit up, and he quickly instructed everyone: "Quick, search around the camp immediately, don't let go of every place, and search carefully."

When he said this, Yue Feng looked at Han Bing, with a smile on her face, as expected of her own daughter, she is smart, and she didn't realize it.

This time, everyone also reacted, leaving the tent one after another, and led people to search around the camp.

After a while, Wen Chou Chou took the lead in returning, and shouted at Yue Feng excitedly: "Fengzi, what do you think this is? Haha, Duan Yu is really cunning, so he hid his things in a cave in the northern mountain forest."

The voice fell, and several soldiers came in carrying a simple stone box, which was hidden by Duan Yu.

Yue Feng was very excited. He took a closer look and saw that there was a depression on it, the size of which was as gentle as Dragon Ball.

"Put the things away, and at the same time send people to ambush around the cave, Duan Yu will definitely go back and get it." Yue Feng quickly commanded, and at the same time, his eyes flashed with anger.

Mad, if it wasn't for the Dragon Ball being deceived by Duan Yu, he would have opened the treasure chest and obtained the peerless treasure left by Xuanyuan Huangdi.

.....

On the other side, the Rakshasa camp.

When he arrived at the tent, Duan Yu immediately sent a few Rakshasa soldiers to the cave in the mountains and forests to retrieve the treasure chest.

After doing this, Duan Yu and Meng Ao chatted for a while in the big tent.

Meng Ao and Duan Yu are both ruthless and ruthless people, and many ideas coincide, and they are completely happy to talk.

"Haha."

At this time, Meng Ao showed a smile and said to Duan Yu: "Deputy commander, I just joined our Rakshasa clan, this prince has nothing to give, just so I have two peerless beauties here, I will give them away later. When you go to the deputy commander's tent, the deputy commander is welcome."

Yes, Meng Ao was talking about Su Qingyan and Xu Qingyi.

In Meng Ao's heart, beauty is certainly attractive, but compared to hegemony, it is not worth mentioning. As long as the Kyushu army is defeated, the women of Kyushu are not what they want, what are they?

two women?

Duan Yu frowned, but still nodded with a smile: "Thank you, Prince."

After a few minutes, Duan Yu returned to his tent and was stunned when he saw the scene inside.

are they?

In the tent, two slender figures, bound by five flowers, were indescribably sexy and charming, it was Su Qingyan and Xu Qingyi.

Chapter 2444

Swish!

At this moment, Duan Yu was stunned for a moment, very shocked, and at the same time, his eyes were fixed on Su Qingyan and Xu Qingyi, and his eyes were straight.

After watching for more than ten seconds, Duan Yu reacted with a smile.

Is it the two of them?

Haha... It's really fate. I didn't expect that after such a long absence, in the end, these two women ended up in their own hands.

"Qingyi, Senior Sister!" Duan Yu walked over slowly, sat on the leather felt, and said with a smile, "I really didn't expect the three of us to meet again. Did you miss me?" Huh

!

Hearing this, neither Su Qingyan nor Xu Qingyi said a word, but they were shocked and a little scared at the same time.

This... turned out to be Duan Yu?

Just now, the Rakshasa warrior said that Meng Ao gave him two to others, Su Qingyan thought it was a member of the Rakshasa clan, but she never expected that it was Duan Yu.

At this time, Duan Yu seemed to be different from before. He lost his hair and had a ring scar on his head. It was even scarier before.

How could this be?

When did Duan Yu become a monk and a guest of the Rakshasa clan? Even Meng Ao respectfully gave up three points and gave him two of his own?

After Moroye destroyed Duan Yu's lifeline, he let Xu Qingyi and Su Qingyan leave, so Su Qingyan never knew about forcing Duan Yu to apprentice.

"you..."

Finally, Su Qingyan reacted and stared at Duan Yu, nervous and angry at the same time: "You are the lackey of the Rakshasa clan?" Duan Yu

, insidious and cunning, can be so respected by the Rakshasa clan. Collusion with Meng Ao, can't be wrong.

Made!

Hearing this, Duan Yu's face sank, and he was very unhappy: "Lady? Senior sister, you are so wrong, I Duan Yu is everywhere in the world, when have I been someone else's running dog? I am with the Rakshasa clan. Let me cooperate and tell you that from now on, the Kyushu continent will be mine, and the Rakshasa clan are just pioneers who clear obstacles for me."

Despicable.

Su Qingyan snorted softly and turned her head away, not wanting to talk to Duan Yu.

This little guy is disgusting to look at.

Su Qingyan's attitude made Duan Yu very angry, he stood up all of a sudden, and sneered: "Su Qingyan, the special code for me is arrogant, don't forget, now you are in my hands, I respect you You, you can call you Senior Sister, if you don't know how to praise, you're just a slave."

"You..." Su Qingyan blushed and wanted to refute, but was speechless.

The smile on Duan Yu's face deepened, and he continued to playfully say: "Also, I heard that the two of you have been following the eldest son before and became their teacher, tsk tsk, you are really scheming."

"Duan Yu. Finally, Xu Qingyi ,

who had been silent all the time, couldn't bear it any longer, and said tenderly: "Don't go too far, Su Qingyan and I, as Meng Lang's teachers, want to teach him the etiquette and

civilization of the Kyushu continent. I hope he can Leading the Rakshasa from their savage nature is not as filthy as you think.”

Chapter 2445

Dirty?

This word made Duan Yu very unhappy, and sneered and retorted: “No need to explain, the entire Rakshasa clan knows that you want to be Meng Lang’s woman, but this kid died young.”

“He was killed by Meng Ao . Yes.” Su Qingyan interrupted immediately, and said very angrily: “Meng Ao killed his brother and seized the throne, the crime is extremely heinous, the world will not tolerate it, Duan Yu, if you still have any conscience, let us go, and then fight Luo together with the Kyushu Continent. Sha clan.” The

voice fell, Xu Qingyi nodded and said: “Yes, Duan Yu, I always believed that you are not bad in nature, it was just a variety of coincidences that made you like this, you...”

However, she didn’t say anything . After that, Duan Yu was interrupted coldly.

“Shut up.” Duan Yu’s eyes flashed gloomily: “I tell you, from today onwards, you are my slaves, you have to do whatever I ask you to do, otherwise, don’t blame me for being ruthless.”

When he said this, Duan Yu looked at Su Qingyan up and down, and there was a sinister smile on the corner of his mouth.

Duan Yu’s gaze made Su Qingyan feel uncomfortable and wanted to struggle, but her hands and feet were tied and she couldn’t move at all.

“Duan Yu, don’t forget, I’m your senior sister.” Su Qingyan couldn’t help saying.

This despicable villain, who has always coveted his own beauty, fell into his hands today, how could he keep his innocence?

Su Qingyan didn’t know yet, she thought too much, Duan Yu had no life, and it was impossible to defile her.

Snapped!

As soon as he finished speaking, Duan Yu strode over and slapped Su Qingyan on the face without warning.

Hearing Su Qingyan exclaimed in surprise, five finger prints appeared on her fair face. For a while, she was shocked and angry, staring at Duan Yu, speechless.

“Senior sister?” Duan Yu sneered and mocked: “Do you really think I’m your junior brother? I joined Wangyougu at the beginning, but it was just an expedient measure, and you, in my heart, are just a woman, and I will take less senior sister’s in the future. If the identity speaks, my master will be killed, how can I eat your way?”

What?

In an instant, Su Qingyan and Xu Qingyi trembled, and they were stunned.

This... Duan Yu was so cruel, he actually killed his master? Such a rebellious, and Meng Ao, who killed his brother and seized the throne, is really a raccoon dog.

“Duan Yu!”

At this time, Xu Qingyi reacted with urgency in his eyes: “Come on, okay, you forgot, when we got married, how high-spirited you were, thinking about serving the West Cang Continent To expand territory and achieve hegemony, Duan Yu at that time, in my heart, was indomitable.” After

speaking, Xu Qingyi’s eyes flashed with endless loss: “But now, you have changed and become more terrifying than the devil. , I know I’m sorry for you, I haven’t experienced the test, but I still hope that you can wake up in time.”

Duan Yu sneered and said nothing.

Xu Qingyi said more and more excited: “Duan Yu, as long as you are willing to repent, we will still be together, okay? I will not leave you in the future, I will follow you all my life. I will always follow you.”

Yes, Xu Qingyi this The words come from the heart.

Originally Xu Qingyi had guilt towards Duan Yu, but seeing that he was on the path of evil, sinking deeper and deeper, she wanted to help him rein in. Speaking of which, Xu Qingyi was a very traditional woman, and she broke up with Duan Yu before. There is absolutely no room for recovery.

But Duan Yu joined the Rakshasa clan, and Xu Qingyi knew that if Duan Yu was allowed to help the Rakshasa clan, the future wars in the Kyushu continent would become more and more difficult. After all, Duan Yu had the divine axe.

Under such circumstances, Xu Qingyi planned to use her tenderness to influence Duan Yu and help him turn back in time.

The ultimate husband in Chinese chapter 2446-2450

However, the Duan Yu at this time is no longer the Duan Yu two years ago.

If Xu Qingyi said these words two years ago, Duan Yu would definitely change his past. You must know that there were many women around Duan Yu, but the only one he loved was Xu Qingyi.

However, when he heard Xu Qingyi's words at this time, Duan Yu felt very harsh.

"You want to get back with me?"

Duan Yu stared at Xu Qingyi with a burning gaze, "Want to be my woman again?"

Phew! .

Xu Qingyi couldn't help fighting a cold war, her eyes were too scary, but she still nodded.

For the Kyushu Continent, in order to help Duan Yu get out of the evil way, he has no regrets or regrets.

Hahaha...

Duan Yu looked up to the sky and laughed, as if he heard a big joke, and then glared at Xu Qingyi: "You bitch, I tried so hard to find you, but you have a heart that follows you. I lost that Zhu Bajie."

"Later, we finally met again, I don't remember the past, I just hope you can come back to me, how about you? But you said that the fate of the two of us is over, how heartless you said at the time. Now I want to go back Come to me? What do you think I am?"

Duan Yu's face was grim when he said this, and at the same time there was a voice in his heart that kept howling.

I, Duan Yu, are no longer a complete man. What is the use of a woman?

When I could give you happiness, you refused, and now I have nothing but strength, and you want to come back to me again, hehe, what a great irony.

"Duan Yu, don't do this." Xu Qingyi was frightened by his appearance, bit her lip tightly, and whispered: "I'm telling the truth, in fact, I still love you."

"Qingyi!" At this time, Su Qingyan on the side was anxious, and couldn't help but shouted, "What's wrong with you? This despicable

person, do you want to go back to him?"

Xu Qingyi was about to return to Duan Yu's side, Su Qingyan was not only anxious, but also very puzzled.

Xu Qingyi ignored Su Qingyan.

The next second, Xu Qingyi looked at Duan Yu closely, and continued: "Let's make peace, then you let Su Qingyan go, and I'll stay here with you, okay?"

When saying this, Xu Qingyi said There was urgency in his eyes.

Yes, she wanted Duan Yu to change her course, and she wanted Su Qingyan to leave this dangerous place.

"Okay, of course." Duan Yu showed a smile, walked over slowly, raised his hand to hook Xu Qingyi's chin, and grinned: "Since you love me so much, then leave your life to me."

When the words fell, Duan Yu slapped Xu Qingyi's heart without warning.

Bang!

A dull sound came out, Xu Qingyi was shocked, blood spurted out, her face was extremely pale, she looked at Duan Yu in shock and fear, and said weakly: "Duan Yu, you...you just...hate. Me?" As the

last word fell, Xu Qingyi tilted her head, and she was breathless. The generation of talented women in Xicang Continent has eliminated jade damage in this way.

Hate,

watching Xu Qingyi stop breathing, Duan Yu's face flashed a trace of confusion, but soon, his eyes returned to gloomy and cold.

I never hated you, I just kept hating myself.

"Qingyi."

Chapter 2447

Seeing this scene, Su Qingyan was completely dumbfounded. After more than ten seconds, she cried out, and in the blink of an eye, she was already crying.

In the past two years, sisters Su Qingyan and Xu Qingyi have been deeply in love, helping each other. I don't know how many hardships they have gone through.

Especially during this period of the Rakshasa clan, they were dependent on each other for life and death. At this time, seeing Duan Yu showed no mercy After killing Xu Qingyi, Su Qingyan was full of grief and anger, and only felt that her heart was about to be broken.

“Duan Yu, you bastard, bastard, scum...”

Su Qingyan cried while yelling at Duan Yu: “You are a beast in human skin, Qing Yi loves you so much, she wants to be with you. You reunited, but you killed him, are you still human?”

Su Qingyan at this moment was so angry that she wanted to slash Duan Yu with a thousand knives. Hundreds of times.

Snapped!

Duan Yu’s eyes were fierce, he raised his hand and slapped Su Qingyan on the face, and said coldly, “Shut up, you scolded me, I will call some Rakshasa soldiers to serve you well.”

Hearing this , Su Qingyan’s tender body trembled, and immediately stopped cursing, but staring at Duan Yu’s eyes still flashed with endless hatred.

Duan Yu was too lazy to talk nonsense, turned around and walked out.

After a while, the Rakshasa warriors sent should have retrieved the treasure chest of the sea sharks.

A few minutes later! in the big account.

Duan Yu stood there, his face full of anger, and his whole body was filled with killing intent.

The few Rakshasa warriors in front of them were dissatisfied, and at the same time, there were some inexplicable fears.

“What did you say?” Duan Yu grabbed the collar of a warrior captain and said coldly, “The stone box in the cave is no longer there?”

Huh!

The warrior captain nodded: “Yes, when we arrived, there was nothing in it. Then, the Kyushu army sent soldiers to block the entire cave...”

Mad!

Before he could finish speaking, Duan Yu pushed him away and slapped the table fiercely. Looking at the situation, the treasure chest of the sea sharks fell into Yue Feng's hands.

Really unwilling, I thought I could get the peerless treasure left by Xuanyuan Huangdi, but I didn't expect that my stone box and Yue Feng's dragon ball would be exchanged for each other.

But this is also good, Yue Feng lost the dragon ball, and he couldn't open the stone box, so he couldn't get the treasure, and he couldn't defeat the Rakshasa army.

Haha....

At this moment, a loud laugh came, and then Meng Ao walked in, saw Duan Yu, and immediately laughed: "Deputy commander, why did you come out so quickly, the two gifts this prince gave you A Kyushu beauty, how do you feel?"

Shuh!

Duan Yu is not a complete man. Hearing Meng Ao mentioning this, he felt very awkward, but he still squeezed a smile on his face: "Thank you for your concern, it's not bad."

Meng Ao nodded, then thought of something, and said seriously: "Deputy commander, how do you think we can defeat the Kyushu army? Speaking of which, the beast army of our Rakshasa clan is already on its way, but this prince still has no chance of winning."

Duan Yu pondered for a moment and said slowly. : "Although the Rakshasa clan is powerful, the continent of Kyushu is vast, and there are many strong people. The outcome of the battle is unpredictable. The prince really wants to win this war with the least casualties. One person is the key."

"Who ?" Meng Ao's face became serious, and he quickly asked.

Duan Yu took a deep breath and said word by word: "The military advisor of the Northern Ying army, Zhang Jiao. This man is very ambitious, and he was originally at odds with Yue Feng, but a few days ago, with the help of Chang'e, Yue Feng subdued Zhang Jiao, But I know that Zhang Jiao never surrendered to Yue Feng."

Having said this, Duan Yu looked at Meng Ao seriously: "Zhang Jiao has been waiting for Yang Jian to appear and regain command of the Beiyang army, but Yang Jian is the only one. Zhang Jiao is already dead, and Zhang Jiao doesn't know it yet. My solution is to find a way to inform Zhang Jiao of Yang Jian's death, and then the prince will send an invitation, and Zhang Jiao will definitely come to help

. Don't try to defeat the Rakshasa army.”

Chapter 2448

“Haha, good!”

Hearing this, Meng Ao was full of joy, nodded and said, “Just listen to the deputy commander.”

After speaking, Meng Ao turned his head to the soldiers beside him and instructed: “Send someone immediately, see Look at the letter to Zhang Jiao.”

“Yes, Prince.”

...

At this moment, the Kyushu camp is here.

As night gradually fell, the camp was silent, and many patrols were seen, patrolling back and forth, including many sentries, which can be said to be heavily guarded.

In a tent in the northwest corner, Han Bing stood there, with a beautiful face full of complexity and embarrassment.

In front of her, Zhang Jiao's face was full of sorrow, and there was no pride in galloping the world.

“Master, what's the matter with you suddenly looking for me?” Han Bing bit her lip and said.

From the return to the ruins sea area to the Chaos Mountains, Han Bing and Yue Wuya and their group have gone through a lot of hardships and hard work. Yue Feng felt sorry for his daughter, so he quickly prepared a tent and let her rest. .

To be honest, facing Zhang Jiao, Han Bing has a very complicated mood. Once, he respected this master very much. Without him, his strength would not have improved by leaps and bounds.

However, since Zhang Jiao followed Yang Jian to conquer various continents, and later disregarded his own objections, he insisted on attacking the Diyuan Continent and became the enemy of his father Yue Feng. At that time, Han Bing was disheartened.

But now, although all the continents are united to resist the Rakshasa, Han Bing also knows that he and Zhang Jiao have nothing to talk about, but he never expected that Zhang Jiao would take the initiative to come over.

“Bing’er, you have to help me as a teacher.” Zhang Jiao was full of bitterness and pleaded at Han Bing: “I followed Yang Jian to conquer various continents before, but now in retrospect, Master regrets it very much, and has sworn in my heart to unite Kyushu. , against the Rakshasa.”

“But neither Chang’e nor your father, Yue Feng, believed me, especially your father Yue Feng, who forced me to eat Tongtian Pill.”

“Bing’er, my good disciple, I think Let you take the antidote from Yue Feng’s hand and help me get the Tongtian Pill.”

When he said this, Zhang Jiao’s face was full of misery, how pitiful and pitiful he looked, but his eyes flashed gloomy and cold.

This...

Hearing this, Han Bing bit her lip and got into a tangle.

It was entirely his own fault that Master could end up like this. Moreover, this matter was also related to his father, so it would be better to not intervene.

Thinking to himself, Han Bing shook his head and said, “Master, I’m afraid I can’t help you with this.”

Hearing this, Zhang Jiao suddenly became anxious: “Good disciple, you don’t know, after taking Tongtian Pill, every time I arrive At night, my bones will be itchy and unbearable, if I am in this state, how can I fight against the Rakshasa with all my heart?”

Yes, Zhang Jiao lied, taking Tongtian Pill, under normal circumstances, I don’t feel at all. , unless it is almost time to take the antidote, it will be unbearable.

Zhang Jiao thought about it, and when he solved Tongtian Pill, he left the camp and went to find Yang Jian. As long as he found Yang Jian, he could regain control of the Beiying army.

Han Bing was still very resistant, shook his head and said, “Master, my father was severely injured by Duan Yu, and he is currently recuperating. How can I get the antidote for you?”

“That’s why you have to help me.”

Zhang Jiao looked serious: “Yue Feng’s current state, continue to recuperate, but if the Rakshasa clan calls, who else can command the army except me? But I was tortured by Tongtian Dan, and once I made a wrong decision, Who will take the responsibility?”

“Okay, I’ll try.” Han Bing didn’t know how to refute, so he nodded.

Haha...

Seeing her promise, Zhang Jiao was indescribably excited, nodded and said, "Good disciple."

Chapter 2449

.... On the

other side, in the Rakshasa camp, Duan Yu's tent.

Su Qingyan was tied there, her face was haggard, Duan Yu was no more, and Xu Qingyi's body was taken out. There was silence all around, but Su Qingyan's heart was like a gust of wind and waves, and it was difficult to calm down.

My good sister Xu Qingyi dies, what will happen to her?

Duan Yu is ruthless and will never let himself go easily.

Thinking about it, Su Qingyan's heart was ashes.

"Huh—"

But at this moment, I heard footsteps coming from outside. The footsteps are very soft! A few seconds later, with a slight noise, the tent curtain was lifted, and then, a sexy figure flashed in quickly.

who?

Did Duan Yu come back and torture himself again?

Su Qingyan's heart trembled, she thought it was Duan Yu, but when she looked closely, she was immediately surprised: "Princess Mona?" She

saw the woman in front of her, with beautiful features and a sexy body. It feels like it's Mona!

At this moment, the moment she saw Mona, Su Qingyan was very surprised. She never thought that Mona would dare to take advantage of the night to quietly come to Duan Yu's camp.

“Princess Mona, why are you... here?” Su Qingyan couldn’t help asking.

Su Qingyan and Mona have met several times, and they are not very familiar with them, but they also know that Mona is kind-hearted, and is the Rakshasa person who makes Su Qingyan and Xu Qingyi the most favorable apart from Meng Ao.

“Don’t ask so many questions..” Mona glanced outside vigilantly, then walked over quickly to help Su Qingyan untie, and said angrily: “Second brother is too much, you and Xu Qingyi The girls are both teachers of the eldest brother, but he gave you to that Duan Yu.”

“That Duan Yu, at first glance, is a sinister and ruthless person who actually killed Miss Xu Qingyi.”

After saying this, Mona went up and down . Looking at Su Qingyan: “Miss Su, how do you feel? Can you go?”

Mona was very angry when she learned that the two of Su Qingyan were given to Duan Yu by Meng Ao, and came to rescue when it was dark Su Qingyan.

“Fortunately...you can go...Princess Mona, thank you...” Su Qingyan squeezed out a smile on her pale face. But when she said this, Su Qingyan felt sour in her heart, and tears almost fell.

He may have a chance of life, but Xu Qingyi can no longer survive.

Mona took a deep breath, looked at Su Qingyan and said: “Miss Su, I will take you out of the camp later, you can walk around the chaotic ruins behind, and then go to the Kyushu camp to find your compatriots, remember, Qian Don’t go straight to the Kyushu Camp, because my second brother has deployed a lot of warriors to patrol. You are the only way out.” After

saying that, Mona took out a bottle of elixir from her body and handed it to Su Qingyan In hand: “You also take this medicine. There are many dangers in the ruins of the Primal Chaos Mountains. This is the medicine used by our Raksha people to expel the beasts and poisonous insects. It may be able to help you.”

“Princess Mona...” Su Qingyan was dumbfounded. Staring blankly at Mona: “You... you want to let me go?”

Phew!

Mona took a deep breath and said seriously: “Yes, in fact, like my eldest brother, I don’t want the Rakshasa tribe and the Kyushu continent to be enemies for generations. Moreover, I have a verbal covenant with Yue Feng, but it’s a pity that the second brother insists on going his own way.”

“Thank you!”

Hearing this, Su Qingyan was both moved and complicated. It turned out that in addition to Meng Lang, the Princess Mona also advocated peace.

“Okay, time is running out... let’s leave quickly and promise.” Mona didn’t say much, and walked out of the tent with Su Qingyan.

Taking advantage of the night, with the help of Mona, Su Qingyan quickly left the Rakshasa camp.

At that moment, Su Qingyan looked at Mona gratefully: “Princess Mona, thank you for saving your life. If I can escape this danger this time, I will definitely repay your kindness.”

Chapter 2450

Hmm!

Mona nodded and waved her hand: “Go quickly, it will be too late.”

However, Su Qingyan did not rush to leave, but thought of something, looked at Mona and hesitated: “Princess Mona, the death of your eldest brother , you don’t know?”

Su Qingyan is beautiful and smart, knowing that Mona and Meng Lang have a good relationship, while Meng Ao has a normal relationship. Seeing that she has never questioned Meng Ao, she knows that she has been kept in the dark.

big brother?

Mona was stunned for a moment and responded, “He...wasn’t he badly injured by Su Qingyan and bled to death?”

When she said this, Su Qingyan’s figure appeared in Mona’s mind, and she couldn’t tell. It is him who is complicated and resentful. Otherwise, the elder brother will not die, and the Rakshasa will not become what it is now.

call!

Su Qingyan breathed a sigh of relief and said slowly, “Your elder brother, you were killed by Meng Ao.”

What?

Hearing this, Mona's body trembled, and the whole person was stunned. After a few seconds, she shook her head desperately: "No...Impossible, the second brother has always respected the big brother, how can he..." Do

n't wait for her After speaking, Su Qingyan interrupted.

"Meng Ao wanted to seize power, and he always believed that your eldest brother was under the influence of me and Xu Qingyi, and only advocated making peace with the Kyushu mainland, and then assassinated your eldest brother. These are all things that Meng Ao told me and Xu himself. Qingyi." Su Qingyan said seriously.

Speaking of this, Su Qingyan's beautiful face was full of sincerity and worry: "Princess Mona, you are a good person, be careful, especially your second brother."

After the last sentence, Su Qingyan turned around and faced the ruins And go.

call!

At this moment, Mona froze there, unable to recover for a long time. The second brother killed the elder brother. The news was too shocking and unbelievable.

I don't know how long it took, Mona reacted, her delicate face was full of anger, and then she turned and returned to the camp.

At this time, Mona was almost furious, and asked Meng Ao to question her face to face.

Right now, on the other side.

Su Qingyan did not stop all the way, and soon arrived at the ruins of the Chaos Mountains, and saw the ruins in front of her, surrounded by mist, the environment was harsh, and the area was too large. It would take half an hour to leave here.

Thinking to herself, Su Qingyan was about to speed up her pace.

She could feel a trace of powerful internal force fluctuations permeating the air! He subconsciously looked forward, and when he saw it, Su Qingyan's body trembled, and she couldn't help taking a breath of cold air!

I saw not far away, a person standing quietly, blocking the way.

In the fog, the bald head is bright and can be seen, wearing the leather robe of the Rakshasa tribe, standing there as steady as Mount Tai! With a sinister sneer on his face, it was Duan Yu!

Just now, Duan Yu returned to the camp, saw that Su Qingyan was gone, and immediately chased after him, just in time to see Mona leaving the camp with Su Qingyan.

When the time period Yu remained silent, when Mona left, Su Qingyan entered the ruins alone, and she chased after him.

“Zhuzhu, I really underestimated you, Senior Sister, in this case, you can still escape from the Rakshasa camp.” Duan Yu said with a smile, his eyes locked tightly on Su Qingyan, full of teasing.

It's over..

it's over! This time, there is no escape.

Su Qingyan's body was trembling, and she only felt her head buzzing. She gritted her teeth and stepped forward and scolded: “Duan Yu, you took refuge in the Rakshasa clan, betrayed Kyushu, and even killed Xu Qingyi. Even if I can't leave today, your shameless actions will be known, and it will not end well.”

Duan Yu is too hateful, Xu Qingyi is so kind, but he kills him, this kind of person should not die. .

Haha...

Duan Yu looked up to the sky and laughed: “What am I going to do, it's not your turn to worry about it, but I know that you will never be able to escape from my palm.” The

voice fell, and he rushed over directly! Raise your hand and hit Su Qingyan!
