Chapter 2466

At the same time, the Kyushu army was indescribably excited.

Meng Ao was the president of the Rakshasa army. He died, and the Kyushu army was leaderless. This battle was won.

“Mengao!”

Not far away, seeing this scene, Mona couldn't help exclaiming, but she didn't feel much sadness in her heart.

Meng Ao killed his beloved eldest brother. In Mona's heart, it was not a pity to die, but she did not expect that this moment would come so quickly.

“Kill!”

“Avenge the prince.”

Soon, the Rakshasa army reacted one by one, without flinching in the slightest, but because of Meng Ao's death, it was inspired by blood. The mainland intercepted in this area, first the Rakshasa King disappeared, and then the eldest son died.

And now, the second son Meng Ao is also dead.

In the hearts of all the Rakshasa tribesmen, this hatred will never end.

At this moment, above the air.

In the face of Yue Feng's father and son's attack, Duan Yu gradually became powerless.

Made.

Seeing Meng Ao's tragic death, Duan Yu felt even more panicked.

I was still thinking of using Meng Ao and the Rakshasa army to hit the continent of Kyushu, and I could take advantage of the fisherman, but I didn't expect that the second son of the Rakshasa clan would die so soon.

“Duan Yu, Meng Ao is dead, it's your turn.” Yue Feng roared and hit with a palm.

Duan Yu snorted coldly, and instead of retreating, he stepped forward with a palm. In an instant, his palms met, and the two internal forces confronted each other in mid-air.

Yes, Duan Yu wants to fight with Yue Feng.

Since practicing Yang Jian's "Sacred Qiankun Gong", Duan Yu's internal strength has become stronger. He believes that Yue Feng, who fights for internal power, is not his opponent.

However, Yue Feng practiced Guiguzi's exercises, and his internal strength was not worth a level higher than before.

Seeing this scene, everyone below wiped a sweat.

Yue Feng and Duan Yu are fighting their inner strength, and if they are not careful, there will be casualties.

Soon, Duan Yu was secretly surprised that Mad, Yue Feng's internal strength was so powerful that he couldn't suppress it even after he had practiced Yang Jian's technique.

Thinking of this, Duan Yu let out a loud roar, and suddenly urged his inner strength to separate from Yue Feng.

boom!

Along with a powerful vibration, Duan Yu and Yue Feng retreated one after another.

"Duan Yu, eat my hammer!"

At this moment, Yue Wuya, who had been looking for an opportunity, roared, and the Overlord Hammer slammed over. When the two of them were fighting for internal strength, Yue Wuya wanted to take action, but he knew that his father and Duan Yu had strong internal strength, and he made a rash attack and was easily injured. At this time, seeing the two separated, he immediately shot decisively. .

Made!

Feeling the powerful momentum of Yue Wuya's outbreak, Duan Yu's expression changed, and he quickly took off the axe to resist!

clang!

The Overlord's Hammer collided with the Kaitian Axe, and Duan Yu spit out a mouthful of blood, and his body flew far away.

Just now fighting Yue Feng's internal strength, consumes too much, at this time can't stop Yue Wuya's attack!

At this time, Duan Yu decided not to fight anymore. He swung his axe towards Yue Wuya and Yue Feng, and saw the golden light flickering, and the world was torn apart.

Neither Yue Feng nor Yue Wuya dared to make a hard call, so they hurriedly dodged.

Taking advantage of this opportunity, Duan Yu did not hesitate to flee towards the wild and strange realm.

run?

Yue Feng shouted angrily, grabbed Fang Tianhua halberd tightly, and chased after him.

Yue Wuya followed closely behind.

"Y'er." Yue Feng turned back and shouted, "Go down and help the Kyushu army, Duan Yu is already injured, I can deal with it alone." Seriously, Yue Feng was very relieved to fight with his son, but he saw , After Meng Ao's death, the Rakshasa army not only did not lose morale, but desperately resisted.

Chapter 2467

In this case, I can only let Ya'er go to the battlefield to help.

"Okay!" Yue Wuya hesitated, nodded, turned around, and joined the battlefield.

Yue Feng took a deep breath, locked onto Duan Yu in front of him tightly, stimulated his inner strength, and accelerated his speed.

Made!

Seeing Yue Feng chasing after him, Duan Yu was shocked and angry. The two of them flew very fast, and in a blink of an eye, they flew over the waste area of the Primal Chaos Mountains and entered the depths of the wild and strange realm.

After chasing for half an hour, Duan Yu finally landed on a cliff.

Yue Feng also slowed down and fell more than ten meters away. Seeing the surrounding environment, Yue Feng frowned secretly.

I can see that this is a place in the wild and strange realm. There is a cliff on one side and an endless forest on the other. There is a layer of fog shrouded in the sky and the earth, and this fog is still black.

In this environment, even though the two were more than ten meters apart, they could no longer see each other's faces. Not only that, the mist seemed to contain poison, and Yue Feng only felt that every breath he took was very uncomfortable.

Duan Yu was not feeling well, but he locked onto Yue Feng.

"Yue Feng!"

Finally, Duan Yu showed a trace of grimace: "Let's make a break here."

When he said this, Duan Yu sneered, but he was a little flustered, and he kept paying attention to the surrounding environment.

Yue Feng was too lazy to talk nonsense, he snorted coldly, held Fang Tianhua halberd tightly, and walked over step by step.

"Go to hell!"

When he was about to approach, Yue Feng shouted loudly, Fang Tian drew a halberd, and stabbed Duan Yu directly. Yue Feng clearly felt that Duan Yu had consumed too much internal energy before, and he no longer had the ability to resist.

Duan Yu's expression changed, and he quickly raised the Heaven-Opening Axe to resist.

clang!

A shock came, Yue Feng only felt an overwhelming force coming, and then he stumbled back a dozen steps, while Duan Yu shook his body.

What?

Yue Feng was shocked, and looked at Duan Yu with anger, it was impossible, his internal strength was severely exhausted, how could he block his own blow? Can you even shake yourself back?

Seeing Yue Feng's expression, Duan Yu laughed proudly: "Haha, Yue Feng didn't expect it? If the sky doesn't kill me, what can you do with me?"

After speaking, Duan Yu took out a radiant light from his body. Dragon Ball continued to smile and said, "It really is Dragon Ball. The power in this can help me recover. Haha, Yue Feng, it seems that you are the one who died today, not me." The

last sentence fell, and Duan Yu held the Dragon Ball tightly. , with a ferocious face, madly absorbing the power in the Dragon Ball, although the absorbing speed is not fast, but for Duan Yu, it can completely save his life.

Nima.

Yue Feng held Fang Tianhua's halberd tightly, shocked and annoyed at the same time.

It turns out... he borrowed the power of Dragon Ball.

Haha...

Duan Yu sneered at Yue Feng while absorbing the power of the Dragon Ball: "Yue Feng, what if you have an army of Kyushu? Didn't you lose to me in the end?"

When he said this, Duan Yu's eyes were full of It was gloomy and cold. He clearly felt that Yue Feng also consumed a lot of internal energy, and he had the power of Dragon Balls to help him recover. After absorbing a certain amount of power, he could easily kill Yue Feng.

Yue Feng did not respond, staring at Duan Yu coldly, while silently running the exercises to restore his inner strength.

For a while, there was silence on the cliff, but it was full of palpating tension.

hum!

Two minutes later, Duan Yu stopped absorbing, holding the opening axe tightly, and said coldly to Yue Feng: "Yue Feng, everything is over, go to hell." The

voice fell, and Duan Yu rushed over directly.

Seeing Duan Yu rushing up, Yue Feng was furious, and at the same time he couldn't tell how anxious he was.

Mad, this kid has Dragon Ball, how can he beat him?

Hiss!

However, at this time, a strange sound suddenly came from the woods next to it. In an instant, Yue Feng glanced at it subconsciously and was stunned.

Chapter 2468

saw a giant python swimming at an indescribable speed.

This giant python is tens of meters long, the tank is as thick as a water tank, and its body is covered with black scales. In the dim surrounding environment, it glows with a cold light. , the blood-red snake letter quickly swallowed.

hiss!

Seeing this scene, Yue Feng couldn't help gasping for air, but felt his scalp numb and panicked instantly.

Because he clearly felt that the strength of this giant python was in the realm of Martial Emperor. A giant python in the realm of Martial Emperor is already very terrifying.

To be honest, if he had encountered this giant python before, Yue Feng would not have panicked at all, but he fought with Duan Yu for a few hours just now and chased after him for so long. .

At the same time, Duan Yu rushed to the halfway, and when he saw the giant python, his heart was shocked, and his face was pale.

Mad, such a huge python?

Hissing...

The python was very fast, and it was in front of him in the blink of an eye. A pair of blood-red eyes tightly locked the Dragon Ball in Duan Yu's hand.

Yes, this giant python was originally resting in the woods, and when it sensed the power of the dragon ball, it was immediately attracted. You must know that the dragon is the strongest divine beast, and the dragon ball is the essence of the dragon, all the spirit beasts in the world. , I can't resist the urge to take it as my own when I sense Dragon Ball.

At this moment, the giant python didn't hesitate at all, the blood basin opened its mouth wide, thinking that Duan Yu had bitten.

"Go to hell!"

Duan Yu was shocked and angry, waving the Heaven-opening Axe, and chopped directly at the snake's head.

At this time, Duan Yu was very annoyed, Mad, who could kill Yue Feng at a glance, but never imagined that suddenly a giant python in the realm of Martial Emperor came, not only to snatch the dragon ball, but also to swallow himself .

Seeing that the opening axe was about to split the snake's head in half, at this critical moment, Yue Feng did not hesitate at all, Fang Tianhua halberd quickly stabbed out.

In the current situation, Yue Feng knew very well that once Duan Yu killed the giant python, he would continue to deal with him, so he did not hesitate to take action.

As long as the python doesn't die, he can help himself to delay time, and maybe he can also help himself and kill Duan Yu.

clang.

In the next second, Fang Tianhua halberd slammed into the opening axe, a vibration came out, and the opening axe was deflected.

The giant python responded very quickly, and the snake head flexibly retreated, avoiding Duan Yu's axe.

hiss.

Immediately afterwards, the ferocity of the giant python was aroused, swallowing the snake letter, and the huge snake tail slammed and swept directly towards Duan Yu. Wherever the snake tail passed, it was like a hurricane, with astonishing power.

Made!

Duan Yu was very annoyed when he was raided by Yue Feng. At this time, he saw the tail of the snake swept over. He was shocked and wanted to dodge, but the distance was too close, and he couldn't dodge at all.

Bang!

The snake tail slammed hard on Duan Yu, and he heard a rib shattering, followed by a miserable howl, and the whole person was swept away and fell towards the bottom of the cliff.

At the same time, Dragon Ball is also out of hand.

What the hell!

Seeing Duan Yu falling off the cliff, Yue Feng showed a smile, unable to express his resentment, but when he saw Dragon Ball, his face changed, and at the same time, he urged the figure to hold it in his hand.

This dragon ball is related to the peerless treasure left by Xuanyuan Huangdi, and it is also the reliance of the Kyushu mainland to defeat the Rakshasa tribe. It cannot be lost like this.

However, at this moment of lightning, the giant python came first, and its huge body jumped up, grabbed in front of Yue Feng, and swallowed the dragon ball in one bite.

At the moment of swallowing the dragon ball, the entire huge body of the giant python was suspended in the air, and it was too late to return to the cliff and fell directly.

This is not over yet, the huge snake tail swept away Yue Feng.

Nima.

Chapter 2469

When the figure fell, Yue Feng's face changed greatly, and he kept cursing in his heart. At the same time, he did not forget to hold Fang Tianhua halberd tightly and stab it on the cliff to slow down the speed of his fall.

.....

the other side.

The battle between the Kyushu army and the Rakshasa clan continues.

On the battlefield, the screams of killing and the screams kept coming, and the blood flowed into rivers.

Whether it was the Kyushu army or the Rakshasa clan, all of them were red-eyed, and they fought each other desperately, endlessly.

Wen Chou Chou, Sun Dasheng, Long Qianyu and others, after killing many beasts, all consumed a lot of internal energy, all of them were pale and very weak.

In the current situation, although the Kyushu Continent has already occupied the advantage, it will pay a heavy price to win this war completely. After all, the warriors of the Rakshasa tribe are fighting too fiercely, and they are not afraid of death.

“Whoosh!”

At this moment, a fit and slender figure leaped into the sky, looked around, and shouted at the Rakshasa tribe: “All warriors of the Rakshasa tribe obey the order and stop fighting immediately.” The

cold voice Spread all over the battlefield, there is no doubt.

It was Mona.

Since the outbreak of this battle, Mona was very anxious. She knew that if the battle continued, the Rakshasa tribe would be wiped out, or even disappear from the world forever. This was not the result she wanted to see.

Whoa!

When the words fell, all the Rakshasa warriors stopped fighting, and dozens of generals looked up at Mona, their eyes flickering and puzzled.

“Stop!”

Seeing this scene, Wen Chou Chou and Long Qian Yu also shouted.

Mona was captured by Yue Feng before, but after following Yue Feng’s suggestion, she agreed to negotiate, so Wen Chou Chou and others had a good impression of her.

In an instant, a tragic and fierce battle stopped. Immediately, everyone’s eyes were focused on Mona, and they all wanted to know what decision this Rakshasa Princess would make next.

call!

At this time, Mona looked around, her eyes fell on Wen Chou Chou and Long Qian Yu, and she took a deep breath and said: “Everyone, it will not benefit both parties if you continue to fight. We Rakshasa do not have to occupy Kyushu. Mainland, why don’t we stop the war and have a good talk about how to live in peace.”

Hearing this, Wen Chou Chou, Long Qian Yu and the others looked at each other and nodded silently.

Although this Mona is a woman, in comparison, she understands the current situation better than the previous Rakshasa King and Meng Ao, especially advocates peace, which is very rare.

Whoa!

However, among the Rakshasa army, there was an uproar. Many warriors were a little unwilling, but in the face of Mona’s powerful aura, no one dared to refute.

The Rakshasa King disappeared, and the two brothers Menglang and Mengao died. As the Rakshasa princess, Mona was the supreme commander of the Rakshasa clan.

“Why negotiate!”

However, at this time, a strong man strode out of the Rakshasa army, with an amazing aura, his eyes fixed on Mona and shouted: “We Rakshasa, we have been exiled for a few times. Thousands of years, and now I have finally returned to the Kyushu Continent. It is the time to expand the territory and develop it. Why should I submit to these people from the Kyushu Continent?”

“Peace talks? Absolutely not.” The strong

man is called Luo Shen, who is exactly One of the twelve gods.

Swish!

Mona's pretty face flushed with anger, and she said coquettishly, "Luo Shen, I am the supreme commander of the Rakshasa clan now, how dare you disobey?"

Supreme commander?

Luo Shen sneered and said loudly: "Princess Mona, are you the supreme commander, you haven't been recognized by everyone, and the Rakshasa King disappeared because of the battle, and his whereabouts are still unknown. Your eldest brother and second brother, for the future of the Rakshasa clan, are all in the hands of the people of the Kyushu Continent, you don't want to avenge them, but you are afraid of the strength of the Kyushu Continent, and you only want to negotiate, you are not worthy of being our commander."

Chapter 2470 The

voice fell, and many Rakshasa warriors nodded in agreement.

Yes, how can such a person be a commander?

"You're courting death!"

Seeing Luo Shen bewitching the army, Mona was so angry that she snorted, without any hesitation, her inner strength was running, her jade hand raised, and she called Luo Shen with a palm.

Luo Shen was not afraid at all, his anger sank into his dantian, he raised his hand and gave her a head-to-head slap!

"Touch!" The

palms of the two were facing each other. Roshen only felt a strong force coming, and staggered back a few steps! There was blood oozing from the corner of his mouth.

In this palm, after all, Mona has the upper hand. Speaking of which, Roshen is one of the Twelve Magicians. He is very powerful. It is really difficult for Mona to win him one-on-one. In a wait-and-see state, in this case, Luo Shen naturally couldn't stop Mona's palm.

call!

Seeing this scene, all the warriors of the Rakshasa tribe changed their expressions.

The people opposite Wen Chou Chou also frowned. "Brother Wen." At this time, Dasheng

Sun couldn't help but said: "Should we help this Princess Mona?" Wen Chou Chou stopped Sun Dasheng, shook his head and said, "No, we can't interfere in the internal affairs of the Rakshasa clan at this time." Wen Chou Chou thought deeply and finally stopped the fight. . "Roshen!" At this moment, Mona walked over step by step and stared at Roshen: "You accept me as the commander-in-chief, are you convinced?"

Luo Shen gritted his teeth, didn't respond, and snorted coldly.

call!

Mona took a deep breath, without hesitation, her figure flashed, and in the blink of an eye, she came to Luoshen, and slapped him in the heart.

Bang!

In this palm, Mona used 90% of her internal strength, only to see Luo Shen groaning, the whole person flew directly, flew more than 100 meters away, fell heavily on the ground, and died.

Mona's eyes flashed with pity and heartache. Seriously, Luoshen was loyal to the Rakshasa. She didn't want to kill the killer, but there was no way. The Kyushu Continent will contend, and at that time, the fate of the Rakshasa clan will be in a state of doom.

Enduring the discomfort in her heart, Mona looked around, and a cold voice spread throughout the audience: "Rakshasa warriors, who else of you is dissatisfied, you can stand up." The

voice was not loud, but it showed a strong aura.

For a time, the entire Rakshasa clan looked at each other in dismay, and no one dared to stand up.

Pfft!

After dozens of seconds, the remaining eleven gods, as well as many leaders, knelt in front of Mona: "Subordinate, I have seen the Queen."

Seriously, Mona's strength is not very strong. Powerful, but these gods and generals were all convinced by the momentum of the leader on Mona at this time.

Whoa!

Immediately afterwards, all the Rakshasa warriors knelt down and shouted in unison.

“Meet the Queen.”

Seeing this scene, Mona nodded in satisfaction and raised her hand: “All get up.” As she spoke, a smile appeared on the corner of her mouth, but tears flashed in her eyes.

Finally, there is no need to continue fighting. In the future, the Rakshasa clan can live in peace with the Kyushu Continent, but... the price is too high, the whereabouts of the father are unknown, and the two brothers are also dead...

haha...
