

The ultimate husband in Chinese chapter 2491-2500

Chapter 2491

Seeing Ye Hongshang, Liu Xi also had a smile on his face, admiring the charming curve up and down, and said with a smile: "I haven't seen you for a few days, Manager Ye is even more charming, he can literally take people's souls away ."

After speaking, Liu Xi tilted his head and glanced at Yue Feng, and said coldly: "Your trading house, is the review so low now? Anyone can let in?"

Hearing this, Ye Hongshang's eyes fell. On Yue Feng, he also frowned.

Seeing that the atmosphere was not good, Hua Ling quickly explained: "Manager, this is my friend who came in with me." After speaking

, Hua Ling pulled Yue Feng and whispered, "Will you go first, it's my business? Son, I'll deal with it myself."

"The other party has made up his mind to let you accompany you to drink, how do you deal with it?" Yue Feng couldn't help laughing.

The next second, Yue Feng looked directly at Liu Xi and said word by word, "Miss Hua owes you money, right? How much? I'll help her pay it back."

Seriously, this Hua Ling is arrogant and self-righteous, Yue Feng I didn't want to meddle in her own business, but during the few days I've been in contact with her, I know that she has a good heart. In Yue Feng's heart, she has already been treated as a younger sister, and naturally she doesn't want her to fall into Liu Xi's clutches.

Liu Xi was stunned for a moment, his face full of mockery: "What did you say? Do you help her? Can you afford it? With the smelly animal skin on your body?"

After speaking, Liu Xi couldn't help sneering.

Haha...

The people around also burst into laughter.

"Haha, where did this bastard get his confidence?"

"That's right, judging from his appearance, I'm afraid he hasn't seen anything about money."

"Where did the idiot come from."

Amidst the laughter, Liu Xi slowly came over, with a resolute expression on his face: “Boy, my patience is limited, it’s not like I lost my demeanor in front of Miss Hua, so, while I’m in a good mood, get out.”

Yue Feng smiled slightly. He took out an inner alchemy from the spirit beast bag, and said lightly: “Is this inner alchemy enough?”

The moment the inner alchemy was taken out, the faint brilliance suddenly illuminated the surroundings, and it was the realm of a Martial Emperor. The beast’s inner pill, when Hua Ling used the black sand python inner pill to pay back the money just now, Yue Feng saw that the lady at work had taken a lot of money.

And the black sand python is only the inner core of the Martial Saint level, so the inner core of the beast of the Martial Emperor realm will be more than before, at least several times.

hiss!

At this moment, both Liu Xi and everyone around were stunned, staring blankly at the inner pill in Yue Feng’s hand, shocked.

Inner alchemy in the realm of Emperor Wu? You are right.

You must know that in the past few years, many cultivators have organized into the wild and strange realm to explore, and most of what they have obtained are Marquis-level Inner Cores, very few Martial Saints, and Martial Emperor and above, almost none.

Unexpectedly, the savage-like guy in front of him took out an inner core of the Martial Emperor realm as soon as he shot.

Hua Ling was also stunned, seeing that Yue Feng couldn’t speak, her delicate body trembled faintly.

He actually has an inner alchemy in the realm of Wuhuang, who is he?

“Haha!”

Finally, Liu Xi reacted, glanced at the inner elixir in Yue Feng’s hand, and said coldly: “Boy, do you know how much Hua Ling owes me? One inner elixir is like a settlement. Five hundred Wan, do you know what five million is?”

After speaking, Liu Xi said to the working lady next to him, “Tell him, how much is this inner alchemy worth?”

The working lady hurried over and said softly: "This is the inner core of the Yellow Spirit Giant Bear, the Martial Emperor level. According to the price of our trading house, it is worth three million."

Three million?

Yue Feng frowned, took out another one, and said lightly: "Enough is enough now." The color is lustrous and the light is flowing. Like the one just now, it is also an inner pill of the Martial Emperor realm.

What?

In an instant, the entire trading floor was silent, and everyone was dumbfounded.

And... another one?

Chapter 2492

Hua Ling was also blinded, and looked at Yue Feng blankly, only to feel that her legs were softened and she couldn't speak.

In Hua Ling's heart, after having been in contact with Yue Feng for a day, she only felt that she understood a little bit, but at this time she realized that the man in front of her, like a vast ocean, was completely unpredictable.

That is the inner core of the Martial Emperor Realm. If it is only one, it can explain his good luck, but he took out two at once, which is unbelievable.

Ye Hongshang, who was not far away, also looked at Yue Feng closely, with a strange light flashing in her eyes.

This savage-like guy actually possesses the inner core of the Martial Emperor Realm? Moreover, looking at the bag on his waist, it seems to be the legendary beast bag.

Unexpectedly, such a mysterious person came to Heishui Town.

Ye Hongshang is a businessman, and her intuition is very keen, and she immediately saw that the business opportunities brought by Yue Feng, you must know that the inner alchemy of the Martial Emperor realm is in short supply in the market.

Yue Feng didn't care about the gazes around him, and looked at Liu Xi with a half-smiling smile: "How is it? It's enough now, and the extra will be treated as interest. Of course, if there are conditions, you are not allowed to harass Miss Hua in the future."

In the eyes of others, the inner core of the Martial Emperor Realm is a valuable treasure, but in Yue Feng's case, it is nothing at all. You must know that in the three

years of Death Valley, Yue Feng killed a lot of beasts. , more than half of them are in the realm of Martial Emperor, and the two taken out at this time are only a drop in the bucket.

“You...”

Hearing this, Liu Xi's face flushed, extremely ugly.

In the next second, Liu Xi's eyes became gloomy, and he said word by word, “Good boy, pretend to be an uncle in front of me, right? You think it's great to have a few inner pills? Tell you, this is Heishui Town, and it's not Ask and ask, what will be the consequences of being a hero to save the beauty in front of this young master?”

Madeleine, you are a dignified young master of the Liu family, who would not be polite when you meet him? How to swallow this sigh of relief in front of a savage guy today.

“Oh?” Yue Feng didn't panic at all, scratched his head and said calmly: “What's the consequence?”

“Death!”

Liu Xi's eyes flashed fiercely, and he roared, pointing at Yue Feng: “Kill him to death for me.

” When they fell, the two bodyguards rushed towards Yue Feng.

Seeing this scene, Hua Ling was so anxious that she quickly pulled Yue Feng: “Go away, go away.” This Liu Xi is so abhorrent, Feng Tao has already helped him pay back the money, but he wants to kill Feng Tao.

However, Yue Feng didn't panic at all, patted Hua Ling's hand and signaled not to be nervous.

“Stop!”

Seeing the two bodyguards, he was about to rush in front of Yue Feng, when suddenly a coquettish shout came, followed by Ye Hongshang walking over on high heels.

The two bodyguards stopped immediately.

Liu Xi frowned and smiled unnaturally: “Manager Ye, what do you mean? You want to cover up this bastard?”

“Liu Shao, don't be angry.” Ye Hongshang smiled and said very charmingly: “I This is a trading house, everyone is here to do business, peace is the most important thing, Liu Shao give me a face, forget it.”

After saying that, Ye Hongshang gave Yue Feng a deep look and continued. "Furthermore, this person also helped Miss Hua. He paid you back. He has to forgive others and forgive them. What do you think?" The

voice was soft and charming, but there was an unquestionable aura.

call!

Hearing this, Liu Xi took a deep breath, looked at Yue Feng very unwillingly, and said coldly: "Okay, boy, today I will take care of Manager Ye and let you go, it's better not to let it go in the future. In my hands."

After saying this, Liu Xi held two inner pills and greeted the bodyguards to leave.

Seeing a fierce battle, it disappeared without a trace, and the crowd quickly dispersed.

At the same time, Hua Ling was relieved.

Yue Feng didn't take Liu Xi's threat to heart at all, smiled slightly, and clasped his fist at Ye Hongshang: "Thank you."

Chapter 2493

"You're polite." Ye Hongshang smiled lightly, very generous.

Afterwards, Ye Hongshang looked up and down at Yue Feng, showing a strong interest: "This gentleman, he still doesn't know his surname."

"Feng Tao."

"Good name, it sounds very rebellious." Ye Hongshang praised, and then smiled and invited: "I have a business, and I want to talk to Mr. Feng in detail. I don't know if Mr. Feng is willing to honor him?"

Ye Hongshang made a gesture of invitation, meaning It is very clear that Yue Feng should go into it and discuss it in detail.

Yue Feng smiled, no need to guess, this Ye Hongshang was looking for herself for the inner core of the Martial Emperor Realm.

Thinking of this, Yue Feng was about to respond, but Hua Ling pulled him gently.

"What?" Yue Feng tilted his head and asked.

Hua Ling bit her lip lightly and said in a low voice, "Don't go, this woman is very powerful, be careful to suffer losses."

As the captain of the Bloodthorn mercenary team, Hua Ling often works in the area of Heishui Town. Ye Hongshang, the manager of Ye Hongshang, is very familiar with this woman. This woman is not only good at doing business, but also the most attractive to men. She does not want Yue Feng to suffer.

Yue Feng was stunned: "Why?" It's just business, it's not that serious.

"Just listen to me and reject her." Hua Ling was a little anxious.

Haha...

Seeing Hua Ling's expression, Yue Feng suddenly laughed, leaned over and said in Hua Ling's ear, "You think this manager Ye is beautiful and sexy, and you're afraid that I won't be able to resist the temptation and be jealous?"

Jealous?

Hearing this word suddenly, Hua Ling was a little stunned, but she quickly reacted, her face turned red all of a sudden, and she stomped her feet: "Who eats your vinegar..."

Yue Feng laughed and said no more, let her wait here, and then went inside with Ye Hongshang.

When I arrived at the private room, I saw that the decoration here is very luxurious, warm and elegant.

Ye Hongshang poured a glass of red wine, handed the glass to Yue Feng, and said with a smile: "I can't see that Mr. Feng dresses so casually, but he is a peerless expert."

Yue Feng held the glass, but did not drink, but He smiled and said, "If Manager Ye has something to say, just say it quickly."

Ye Hongshang didn't seem to expect that Yue Feng would be so straightforward, her gorgeous face was slightly taken aback, and then she smiled charmingly: "Mr. Feng really doesn't understand sentiment, this situation In this scene, besides business, you don't want to tell me anything else?" The

voice was soft and charming.

At the same time, Ye Hongshang came close to Yue Feng's arm.

shit.

Feeling the soft feeling, Yue Feng's face was expressionless, but his heart was a little confused.

This woman is really amazing, and her sultry methods are so familiar, ordinary men, I'm afraid they can't stop her.

Noticing Yue Feng's eyes flickering, Ye Hongshang raised her head, with a charming smile on her delicate face, and said softly, "Mr. Feng, you shouldn't...haven't been close to a woman for a long time, right? "

How do you know?" Yue Feng said subconsciously. After three years in Death Valley, he hasn't touched a woman for a long time.

However, just after saying this, Yue Feng felt a little regretful.

puff!

After Ye Hongshang heard it, she laughed out loud, stared at Yue Feng tightly, and said softly: "In this world, it is rare for Mr. Feng to be so disciplined when he encounters beautiful women."

Chapter 2494 Yue Feng resisted the

urge and said lightly, "What do you want to say?"

Seriously, if ten years ago, if he saw such a mature and sexy beauty and deliberately teased himself, Yue Feng would take her on the spot. done.

But Yue Feng knew that the gentleness of the woman in front of her was all fake. Behind her, there is another purpose.

"Oops."

Ye Hongshang gave him a sullen look: "Do you have to spoil the mood? Well, then I'll just say it."

After saying that, Ye Hongshang sat on the sofa next to her, smiled and relaxed. Slowly said: "I want to know, you got the two inner pills of the Martial Emperor realm just now?"

"Not bad."

Ye Hongshang was very curious: "However, your strength is not too strong. ."

Yue Feng laughed: "This is my secret."

How could he tell her that he had hidden his strength?

Ye Hongshang's eyes flickered, she took a sip of wine, and said with a smile: "Well, I shouldn't ask, I won't ask more, I want to cooperate with you, and you can get the inner

core of the military general realm in the future, I hope you can sell it to me, don't worry, I will give you a higher price than the market."

Ye Hongshang's beautiful face became serious: "But there is one condition, you can't tell others, and you can't sell the inner alchemy. Give it to others, this is an exclusive transaction between us, how about it?"

When saying this, Ye Hongshang looked at Yue Feng closely, her eyes full of urgency.

Yes, Ye Hongshang did this for the purpose of hoarding the inner pills and getting the same price on the same stage. On the other hand, he also wanted to know about Yue Feng, because a seemingly weak person could actually get the Emperor Wu's inner pills. It's incredible.

"sure."

Yue Feng showed a smile, nodded and said, "You can consider it."

Seeing his agreement, Ye Hongshang was very happy, and said with a smile: "Since we have cooperated, let's rest here tonight, looking at your appearance, it should be I just came back from the wild and strange realm, here I am..."

Before she could finish, Yue Feng interrupted.

"No, my friend is still waiting outside." Yue Feng said lightly.

As an ordinary man, he would not refuse the retention of such a sexy beauty, but Yue Feng knew that Ye Hongshang was by no means an ordinary woman.

To be honest, with Yue Feng's strength, he was not afraid of Ye Hongshang's tricks, but Yue Feng didn't want to waste time here.

"Okay!" Ye Hongshang was very disappointed, and then took out a special VIP card: "This is the internal VIP card of our Huangtian transaction. With it, you can come to me at any time, and no one will stop you. "

Yue Feng nodded, put away the card and walked out.

Watching Yue Feng go out, Ye Hongshang's delicate face became solemn. Then, she called two cronies and instructed: "Keep an eye on this person."

"Yes."

At this moment, a low voice came: "Hongshang, what makes you so serious?"

Ye Hongshang trembled, and quickly turned around to see a man in a black robe walking in slowly, about sixty years old, with a gloomy face, There is a strong aura around him.

Especially the strength, it is very amazing and unfathomable.

If Yue Feng was present, he would definitely be shocked, because this person was Zhang Jiao.

That's right, Zhang Jiao created the Yellow Sky Trade. After he left the Kyushu camp, Zhang Jiao hid in a deserted valley, trying one by one the antidote he stole from Yuefeng's camp, although he tasted all of them in the end. No, but with a very high understanding, Zhang Jiao finally refined the antidote to Tongtian Pill after half a year.

For more than a year after that, Zhang Jiao established the Yellow Sky Trading while concentrating on his cultivation. Up to now, Huangtian Trading has spread all over the Kyushu, and it is almost the most powerful and mysterious organization in the Kyushu mainland.

"My lord." Ye Hongshang hurriedly bowed and spoke respectfully.

Zhang Jiao nodded and inquired about the situation of the Heishui Town branch, and something came to his mind: "I saw you sent a subordinate to monitor a person just now, what is the origin of the other person?"

Ye Hongshang did not neglect and explained the situation.

Um?

Chapter 2495

Knowing the situation, Zhang Jiao frowned secretly, an unremarkable person, actually has two inner cores of the Martial Emperor realm?

"What does it look like?" Zhang Jiao was very alert and asked coldly.

"The appearance is very cold, a little handsome, but there are three scars on the face." Ye Hongshang recalled Yue Feng's appearance in detail.

At this moment, Zhang Jiao's eyes flashed, both joy and shock.

Mad, isn't this Yue Feng? It turned out that he did not die, but came out of the wild and strange realm.

After the truce between the Kyushu continent and the Rakshasa tribe, people from all continents sent people to the wild and strange realm to investigate the whereabouts of Yue Feng and Duan Yu. As a result, three years later, they still found nothing.

Under such circumstances, there were rumors in many places that Yue Feng had died, or that he and Duan Yu had perished together. In short, every argument did not believe that Yue Feng could come back alive. Both fell with King Rakshasa, and no bones have been found so far.

At this time, when he heard Ye Hongshang's narration, Zhang Jiao immediately determined that this person was Yue Feng. You must know that the grievances between him and Yue Feng could not be finished for three days and three nights. How could he forget Yue Feng? like?

Yue Feng, ah Yue Feng!

Zhang Jiao looked out the door, his mouth twitched gloomily, and he said to himself, "What if you come back from the wild and strange realm by chance? If you meet me, you will still end up dead."

... On the

other side!

Yue Feng returned to the hall and saw Hua Ling waiting impatiently there.

"Why did it take you so long?" Seeing Yue Feng coming out, Hua Ling frowned and couldn't help but say, "What did you guys talk about?"

Yue Feng smiled and said, "It's nothing, just a few words."

Seeing that he didn't say anything, Hua Ling got even more angry and muttered: "A womanizer, he must see that he is beautiful, and he will not be willing to leave."

Hahaha...

Hua Ling's voice was very small, but Yue Feng could still hear it clearly. Clearly.

This Hua Ling is so interesting, she says she is not jealous, but she still cares so much in her heart.

Thinking about it, Yue Feng talked about Ye Hongshang's cooperation.

"Don't trust that woman." Hua Ling said instinctively.

Yue Feng nodded: "I know, so I just casually said a few words." As they

spoke, the two left the trading house.

“Fengtao!”

Hua Ling couldn't help but ask, “Who are you? Where did you get those two Martial Emperor Inner Pills from before?”

Hua Ling held back this question for a long time. I can't vomit quickly.

Yue Feng looked at her with a smile: “I'm from the Kyushu Continent, I have no background, I'm just an unknown person, those two inner pills were picked up when I first entered the wild and strange realm. At that time, a peerless master killed them. The spirit beast left, and I took advantage of it.”

In Yue Feng's heart, Hua Ling's thoughts were too simple, so it's better not to tell her these things.

Hearing this, Hua Ling suddenly nodded.

It is known that with his strength, it is impossible to kill the beasts in the realm of Martial Emperor.

Unconsciously, the two also arrived at the inn where Hualing stayed.

“I'm leaving.” Yue Feng said with a smile: “Without me as a guide, you'd better not go to the wild and strange realm, take care.” The

voice fell, and Yue Feng walked out of Heishui Town.

At this moment, Hua Ling felt a little reluctant, but she did not stop her.

The ultimate husband in Chinese chapter 2496-2500

Chapter 2496

At this time, it was already dark.

A few minutes later, Yue Feng walked out of Heishui Town and arrived at the edge of the woods a few miles away. Yue Feng thought about whether to release Qiongqi.

After leaving for three years, I don't know what happened to the Earth Circle Continent, but Qiongqi has wings and can be divided quickly, and he doesn't have to use his internal skills to fly.

“Mad, stop!”

But at this moment, a loud shout came from behind, followed by a dozen people, who rushed over quickly and surrounded Yue Feng.

The one at the head, dressed in a valuable suit, but with a grim face and anger flashing in his eyes, is Liu Xi!

The dozen or so people behind him were the subordinates that Liu Xi called.

Before in the Huangtian Trading Company, Yue Feng was in front of Hua Ling, and Liu Xi was completely angry. Hua Ling was the woman she liked, how could she allow other men to show her strength in front of her?

All, after Liu Xi left at that time, he has been sending people to guard the door of the trading house, keeping an eye on Yue Feng's whereabouts.

At this time, Liu Xi, with the corners of his mouth up, looked at Yue Feng coldly, full of contempt: "Bumper, you were in the trading house before, and you dared to be so disrespectful to me, I said I would not let you go, just die. When the

voice fell, more than a dozen men around him held the long sword tightly and slashed directly at Yue Feng.

Chi...

In the night, more than a dozen long knives were waving, bringing a cold glow, directly shrouding Yue Feng.

Seeing this scene, Yue Feng chuckled lightly, not panic at all, his body flashed, all of a dozen knives deviate from the direction, and they were all chopped empty, not even touching Yue Feng's clothes.

What?

This chapter is provided by . Visit [for](#) daily update.

At this moment, Liu Xi was so frightened that more than a dozen of his subordinates didn't even touch this person's clothes, which was a shame.

"Liu Xi... I really don't know if you're too arrogant or out of your mind. I've let you go at the auction before, but you're actually courting death."

At this moment, Yue Feng stood there, as if Xiao Feixiao looked at Liu Xi and said sarcastically.

Of these subordinates brought by Liu Xi, the most powerful one was only a Martial Emperor, so he didn't need to take it seriously.

Swish!

Hearing this, Liu Xi's face flushed red, and he was furious. He pointed at Yue Feng and said angrily, "Come on together, I will abolish him for the young master." As

soon as he finished speaking, a dozen of his men clenched their long knives and rushed again. up.

Boom!

Yue Feng stood there without any signs of running, but moved his body and knocked more than a dozen people to the ground with three punches and two feet.

"Bullying others, damn it."

At this time, Yue Feng said lightly, his body flashed, and he was already in front of Liu Xi. A slap in the face!

How could Liu Xi react? The whole person was slapped and flew out, flying dozens of meters before sitting on the ground.

Yue Feng clapped his hands, walked over step by step, and said coldly, "Your name is Liu Xi, right? I tell you, if you want to survive, don't bother me, otherwise, I won't be merciful next time!

", Yue Feng showed mercy, otherwise, Liu Xi and his men would be dead.

To be honest, Yue Feng would not be tolerant towards people like Liu Xi, but thinking that this is Heishui Town, and Hua Ling is still active in this area, in order not to cause trouble to her, she didn't do anything ruthless.

"You..."

Liu Xi covered his face, stared at Yue Feng fiercely, gritted his teeth and said, "Okay, you have the kind, don't be arrogant, just wait for me, we'll see..." The mouth was fierce, and his heart was fierce. But panicked.

Mad, he is already in the realm of Martial Emperor, but he can't even hide from this person's slap, it's too scary.

When the words fell, Liu Xi quickly got up, covered his face and walked away sullenly.

A fool!

Yue Feng sneered.

Chapter 2497

Immediately, Yue Feng patted the dust on his body and prepared to continue on his way.

hum!

That is, at this moment, a terrifying aura suddenly filled the back, and then, a dangerous aura came over, and the surrounding air seemed to be stagnant in an instant!

Yue Feng was startled, and when he looked back, he was taken aback.

I saw a man wearing a black robe, his inner strength exploded, and a palm hit his back heart, the speed was like lightning, and the power was amazing.

Seeing the other party's face, Yue Feng was shocked and angry.

Nima, it turned out to be Zhang Jiao?

Feeling the speed of Zhang Jiao's lightning fast, Yue Feng was startled.

At this time, Yue Feng never thought that he would meet Zhang Jiao here, and what was even more angry was that Zhang Jiao had already been loyal to himself, and now he dared to sneak attack.

At this time, Yue Feng did not know that Zhang Jiao had defected three years ago.

Bang!

The two palms collided fiercely. Because of Yue Feng's hasty response, he only felt an overwhelming force coming from the mountains.

Nima!

I haven't seen him for three years, but Zhang Jiao's strength has increased so much, and he can barely block this palm after mobilizing all his inner strength!

Haha...

Seeing Yue Feng's face blushing, obviously hurt by himself, Zhang Jiao raised his head and laughed proudly: "Yue Feng, it really is you."

At the same time, he was secretly shocked. This Yue Feng, worthy of being a famous existence in Kyushu, was able to block his palm, but Zhang Jiao still clearly felt that Yue Feng was fine on the surface, but he was actually injured by the shock. .

“Yue Feng, I’ve been working hard for three years, and I’ve been waiting for this moment.” At this moment, Zhang Jiao looked up and down at Yue Feng and said coldly.

Click!

The voice fell, and a long sword with a flickering cold light appeared in Zhang Jiao’s hand.

This is a purple-level weapon, which seems to contain extremely cold aura. The moment Zhang Jiao pulled out the scabbard, the surrounding temperature seemed to plummet!

call!

At this moment, Yue Feng frowned secretly, feeling a little flustered in his heart.

Nima, just now, in a hurry, he took Zhang Jiao’s palm, and his dantian has received some shock injuries. Now Zhang Jiao has shown his weapon, I am afraid it will be more difficult to resist.

“Yue Feng, go to hell.”

Zhang Jiao roared without talking nonsense, and pointed his long sword straight at the sky, and saw the aura of the heaven and earth merging crazily. Yue Feng burst out.

“The sword turns yin and yang!”

With Zhang Jiao’s roar, Yue Feng only felt that the air within a thousand meters around him was stagnant. He didn’t have time to think about it, and quickly urged his inner strength to block Fang Tianhua halberd in front of him!

Bang!

Jianmang slashed on Fang Tianhuaji, and heard Yue Feng let out a muffled groan, and the whole person was shocked and flew out, flying dozens of meters away, before falling heavily to the ground.

When he resisted Zhang Jiao’s palm force just now, Yue Feng had already suffered shock injuries. At this time, facing Zhang Jiao’s peerless swordsmanship, he could not resist it at all.

“Roar!”

At this moment, Yue Feng did not hesitate at all, and directly released Qiong Qi, accompanied by a roar, Qiong Qi burst out of the air, and Yue Feng immediately jumped onto Qiong Qi’s back.

At the same time, Yue Feng clenched Fang Tianhua's halberd and violently erupted with internal force, forcing Zhang Jiao to retreat.

Whoosh!

Taking advantage of the opportunity, Yue Feng drove Qiong Qi and rushed into the distance, disappearing into the night in the blink of an eye.

Chapter 2498

Mad!

Zhang Jiao slapped the tree next to him with a palm, and watched Yue Feng escape, his face was extremely ugly.

In the past three years, Zhang Jiao established the Yellow Sky Trading Organization incognito, but he could not be sure whether Yue Feng was dead or alive, because he knew that if Yue Feng was alive, he would not be able to dominate Kyushu.

But today, it was a great time to learn that Yue Feng was not dead, and that there was still such a good opportunity to assassinate him, but it turned out to be a failure.

No matter if you flee to the ends of the earth, I will find you and take your life.

Speaking coldly, Zhang Jiao's internal force was running, and he chased directly in the direction of Yue Feng's escape.

the other side.

Yue Feng was driving Qiongqi, flying all the way high in the sky, flying over the mountains, making sure that Zhang Jiao couldn't catch up, and then he landed in a forest.

In the forest, there is a small abandoned temple, Yue Feng did not hesitate, put away Qiongqi, and sat in the hall of the ruined temple to meditate and rest.

Ma De, Zhang Jiao is too cruel, the palm of his hand almost broke his heart.

Before he knew it, half an hour later, Yue Feng's injuries were almost recovered.

It's getting late, so let's take a break here tonight.

Thinking to himself, Yue Feng found some hay, and after laying it down, he lay down. For three years, Yue Feng has been accustomed to the harsh environment by sleeping in the wind in Death Valley.

Shasha...

However, as soon as he lay down, he heard a mess of footsteps outside, and there were two sounds.

Yue Feng hurriedly sat up, looked up and saw two figures running into the yard in embarrassment.

A middle-aged man and a girl.

The middle-aged man is well-dressed, in suits and leather shoes, and looks like a brand name, but his face is pale, there is a slash on the shoulder, and there are several stab wounds on the back, and blood is flowing.

The girl is 18 or 19 years old, wearing a purple dress, with delicate facial features, some similarities between the eyebrows and middle-aged people, and a slender and tight figure, the type that any man will be moved when he sees it.

The middle-aged man's name is Bai Hetang, a wealthy businessman in the Yellow Sea Continent, and the girl is his daughter Bai Li. Two days ago, Bai Hetang spent a lot of money to buy an antique, but was hunted down by a mysterious organization.

At this moment, Bai Li supported Bai Hetang and ran in staggeringly, her beautiful face full of anger and fear.

Yue Feng noticed that both of them were practitioners, but their strength was not very high. The middle-aged person was in the realm of Martial Saint, and the girl had just broken through Marquis Wu.

Um?

Seeing Yue Feng in the lobby, both father and daughter were stunned.

"Big brother beggar, please take my father away, I'll give you one million Kyushu coins!" Bai Li spoke quickly, her eyes full of anticipation.

The Kyushu coin was issued a year ago. Before, although the Kyushu continents communicated with each other, they still used their own currencies. Since the fierce battle with the Rakshasa, the Kyushu has become more and more united. In order to develop better with each other, They jointly launched the Kyushu Coin.

Previously in Heishui Town, the Neidan that Yue Feng took out was sold for several million in Kyushu coins.

Without waiting for Yue Feng's answer, Bai Li turned her head to Bai Hetang and said, "Dad, you go first, I am in the back, and block those bastards."

“No!” Bai Hetang shook his head firmly: “I’m dying, you Let’s go.”

Bai Li cried and shook her head.

Seeing this scene, Yue Feng was stunned, this girl is quite filial.

Seeing that Yue Feng didn’t speak, Bai Li became anxious: “Big brother beggar, please, take my father away quickly.”

Yue Feng sighed and wanted to say that your father was dying, but she didn’t know how to say it, yes, Yue Feng clearly felt that Bai Hetang’s heart was pierced, and he was able to hold on until now, entirely by perseverance.

After all, people are flesh and blood, and no matter how strong their perseverance is, there are times when they run out of oil.

hula...

Chapter 2499 I

was thinking, Yue Feng was about to comfort him when he heard footsteps, and in a blink of an eye, a dozen people broke in, each with a knife in his hand. The ruthless atmosphere is obviously a killer who kills without blinking an eye.

Moreover, the strength is not low, and they are all above the strength of the third-rank Martial Saint.

When they got to the front, the leader looked at Bai He and his cousin, with a cruel smile on his face.

“Run? Can’t run anymore, Bai Hetang, someone who is sensible, hurry up and hand over the things, otherwise, your father and daughter will be dismembered on the spot.”

Said, the leader looked at Bai Li up and down, smiling slyly. Said: “Your daughter is so beautiful, of course you have to enjoy it before killing it.”

Hearing this, Bai Li’s delicate face suddenly turned pale, and her delicate body trembled with anger: “Inglourious bastard.”

Bai Hetang was also angry . It was not easy, and he shouted: “I bought the things, why should I give them to you?”

With that, Bai Hetang continued with a determined look: “And you, suddenly broke into our house, and moved as soon as they met. Killer, lawless, don’t think I don’t know, even if I give you things, you will not let me go.”

Mad.

Hearing this, the leader's face sank, and he said with a sinister smile: "If that's the case, you can go to Huangquan to report." When the

voice fell, he brought his companions and approached step by step.

Bai Hetang was suddenly desperate, and said to Bai Li, "You hurry up, I'll hold them back, hurry up."

"No..." Bai Li shook her head desperately, tears streaming down her face.

At this moment, Yue Feng stood up slowly, stood in front of the father and daughter, and said to the killers: "Murder and robbery, you are really lawless."

Huh?

Seeing Yue Feng, more than a dozen killers frowned.

The next second, the leader said coldly, "Where's the beggar from? If you don't want to die, get out." Mad, dressed in animal skins, looked like a stinky beggar, and dared to meddle in his own business.

At the same time, Bai Hetang said gratefully: "This friend, these people are not easy to mess with. Thank you for your help. Let's go quickly."

In Bai Hetang's eyes, the person in front of him was sloppy. The strength is not very strong, and he cannot be implicated.

Yue Feng laughed and signaled him not to be nervous.

Immediately, Yue Feng looked at the dozen or so killers in front of him, and said indifferently, "Leave the money on your body as compensation for the father and daughter, and then cut off their arms one by one, get out."

What? What does this kid say?

The dozen or so killers looked at each other, thinking they had heard it wrong.

A stinky beggar, so crazy? Who gave him the courage?

The leader suddenly became angry and scolded: "Are you crazy? What a big tone, brothers." When the

voice fell, he rushed over first, and the other killers rushed forward.

Yue Feng sighed helplessly. Since you are not courting death, you can't blame me.

At this moment, Yue Feng's internal force was running, and he went up to meet him.

"Be careful."

Seeing this scene, Bai Li couldn't help but exclaimed.

However, in the next second, her delicate body trembled, and the whole person was stupid.

I saw that a powerful aura burst out from Yue Feng, directly covering more than a dozen killers.

"what..."

Accompanied by screams, more than a dozen killers fell down before they could react at all!

Yue Feng looked indifferent and shook his head. A few inexperienced killers are not worth using Fang Tianhuaji by themselves.

Chapter 2500

Hiss!

Seeing this scene, Bai Hetang and Bai Li couldn't help but gasp.

Isn't this... a beggar? Why is the strength so terrifying?

puff.

At this moment, Bai Hetang's legs softened and he fell directly to the ground, his face pale, obviously he couldn't hold it anymore.

"Father!" Bai Li shouted bitterly, and hurried forward to help.

At the same time, he did not forget Yue Feng's plea: "Master, please, save my father. Please."

Yue Feng came over, checked Xiabai Hetang's injury, looked sad, shook his head and said, "I'm sorry. , I can do nothing."

Just now Yue Feng read it right, Bai Hetang's heart was pierced, and he lost too much blood at this time, still immortal and helpless, even if Shennong came, he was powerless.

Yue Feng remembered that when the heart was destroyed, only the heart of the ocean could save it, but the heart of the ocean was only one in the world. Ten years ago, Sun Dasheng's heart was pierced, and it was already used.

Hearing this, Bai Li sat there with a look of despair.

Bai Hetang showed a smile and said to Bai Li: "Daughter, don't be sad, you are all right, even if I die, I will rest my eyes."

"Father, don't say that, I will definitely find a way to save you."

Bai He Tang waved his hand, his face full of love: "Don't be persistent, I know my injury." After speaking, he took out a delicate cloth bag from his body and handed it to Yue Feng.

"Benefactor, you saved my daughter's life, and you can't repay it. This is the treasure that these killers want to snatch, and now I give it to you."

At the end of the day, Bai Hetang's weak face was full of emotion: "Alas, it really is a man who is innocent and guilty. Daughter, you must do your part in the future, and don't be like me, causing trouble for no reason."

The last sentence fell, and Bai Hetang slanted his head and died.

"Father..." Bai Li refused sadly, lying there, tears streaming down her face, she almost fainted.

Yue Feng sighed, unfolded the cloth bag, and was suddenly shocked.

I saw that there was a strange stone inside the cloth bag, with colorful rays of light flowing, full of aura, it was the stone that filled the sky, and the shape and size just opened the fifth floor of the Linglong Tower!

Haha...

Yue Feng was very excited to find this. He didn't expect that the last piece of the Heaven Patching Stone would be found like this, and a few seconds later, Yue Feng's brows furrowed.

Mad, Linglong Pagoda was stolen by Yu Wenyan three years ago. This time, when he came back from Death Valley, he must find her to get it back.

Thinking to himself, Yue Feng walked over and checked the bodies of more than a dozen killers. In the end, nothing useful was found. Organized killers like this concealed their identities very well.

At this time, Bai Li also stopped crying.

Yue Feng walked over and helped her bury Baihetang.

After burying Baihetang, Bai Li bowed to the tombstone, then turned to Yue Feng and said, "Thank you. This is my business card. If you need anything in the future, feel free to contact me. I will definitely help.

" People didn't save their father's life, but they also saved themselves. This kind of grace will never be forgotten in a lifetime.

Yue Feng took the business card and looked at it, the president of Baiyun Group.

Unexpectedly, this girl turned out to be the president of a group at such a young age.

Thinking to himself, Yue Feng put away his business card and was about to leave.

"Benevolent, dare to ask your honorable name." Bai Li asked from behind.

Yue Feng stopped and thought about it: "Fengtao."
