

## The ultimate husband in Chinese chapter 2511-2515

### Chapter 2511

Finally, Ma Wu regained his senses, looked at Yue Feng up and down, and said coldly: "Little arm brat, who are you?"

Speaking of which, Ma Wu had seen Yue Feng, but that was three years ago, and At this time, Yue Feng, after staying in Death Valley for three years, had scars on his face, and he was different from before.

Yue Feng responded coldly: "The person who protects Xiao Xi."

At this time, Yue Feng wanted to reveal his true identity, but an hour ago, he had just discussed with Wen Chou Chou and wanted to conceal his identity and investigate the Wutian Organization. hold back.

"Hahaha, the person who protects Xiao Xi? Mad, isn't he just a bodyguard? You have to say that you are so tall, boy, in my eyes, you are a servant, do you know what a servant is? Master's business." Ma Wu laughed arrogantly, his eyes full of contempt.

With that said, Ma Wu pointed to the door: "Hurry up and wait outside for me, and tell you, Xiao Xi is about to become my woman, talk to me politely, understand?"

Hehe!

Yue Feng sneered and looked at Ma Wu and said word by word, "Do you know what is courting death?"

When he said this, Yue Feng was filled with suffocating energy, and that look made everyone in the room tremble!

In Yue Feng's heart, among all the confidantes, the most distressed and sympathetic is Xiao Xi, and the one with the deepest affection is also Xiao Xi. You must know that when she first went to Tianqi Continent, Xiao Xi took care of her meticulously along the way.

Now that she was bullied by Ma Wu, Yue Feng's blood was about to burn.

At this

moment, I felt the suffocating energy around Yue Feng, whether it was Ma Wu, Murong Jun and others, all had some inexplicable heart palpitations.

what happened? Isn't this kid a bodyguard? Why is his aura so strong? !

“Good boy, do you want to be a hero in front of me? You don’t know who you are talking to, right? The last one who talked to me like this was thrown into the mountains by me to feed the wild dogs. Go to hell!” Ma Wu roared and rushed towards Yue Feng.

call!

Seeing this scene, the expressions of everyone in the surrounding Murong family became complicated.

Although this bodyguard was a little arrogant, it was also to protect Xiao Xi, and they didn’t want him to be killed by Ma Wu on the spot.

But thinking of Ma Wu’s identity, they were relieved one by one.

Just a bodyguard, Tianmen will not pay attention, just die.

Xiao Xi showed a smile, not panic at all.

The son is a great hero in the sky, defeating Ma Wu is easy, and there is no need to worry at all.

Bang...

In the blink of an eye, accompanied by a breath of vibration, Yue Feng and Ma Wu fought fiercely together.

Yes, in order to conceal his identity, Yue Feng deliberately concealed his strength. Otherwise, with Ma Wuhuang’s strength, even Yue Feng would not be able to take a single move.

This...

Even so, seeing this scene, the surrounding Murong family members are all stupid.

They saw that the bodyguard in front of him was on a par with Ma Wu, and even Ma Wu was completely suppressed and had no ability to fight back.

Bang!

Finally, Yue Feng raised his hand and slapped Ma Wu out a dozen meters. He heard Ma Wu scream, his body fell to the ground like a broken kite!

What?

This bodyguard, won so quickly?

For a while, the entire hall was silent, and a needle could be heard clearly.

“You...” After more than ten seconds, Murong Jun reacted and pointed at Yue Feng and wanted to say something, but when he saw those blood-red eyes, he immediately held back the words that came to his mouth.

Such a terrible look.

Chapter 2512

“Let’s go!”

Yue Feng, too lazy to talk nonsense, explained Xiao Xi’s acupuncture points, and took her away with big strides.

At this time, Yue Feng felt very guilty. He thought that by encouraging Xiao Xi to return to the family, he would get the long-lost family affection, but he didn’t expect that it would almost ruin Xiao Xi’s innocence.

At the same time, Yue Feng secretly rejoiced in his heart, fortunately, he followed, otherwise, the consequences would not have been imagined.

“Yeah!”

As soon as she walked out of the door of Murong’s house, Xiao Xi let out a soft moan, her delicate body softened, and she almost fell to the ground.

Yue Feng’s eyes and hands are quick, so he hurriedly put her in his arms, and said with concern, “What’s wrong?”

Being hugged by Yue Feng all of a sudden, feeling his breath, Xiao Xi’s beautiful face suddenly blushed and bit her lip. He whispered, “I’m about to break through the realm recently, and suddenly Ma Wu blocked the acupuncture point, which caused some disturbances in the inner strength of the dantian.”

Hearing this, Yue Feng sensed it, and sure enough, as Xiao Xi said, the inner strength of the dantian, There are signs of disorder.

You must know that when the practitioner’s realm is about to break through, it is very dangerous to suddenly be blocked. The acupoints are blocked, and the internal force cannot flow smoothly in the meridians, which will cause hidden dangers, and serious ash will go into the devil.

Made!

Feeling this, Yue Feng scolded secretly, the Murong family is so not a thing, it almost hurt Xiao Xi.

Yue Feng did not hesitate, and took Xiao Xi directly to a nearby hotel to open a room.

When entering the room, Yue Feng still hugged Xiao Xi and said, "Don't be afraid, I will help you clear the dantian meridian later." After the

voice fell, Yue Feng put Xiao Xi on the bed.

Swish.

At this moment, she felt Yue Feng's thoughtfulness, and Xiao Xi was moved again. At the same time, there was a strange feeling in her heart. Her delicate face suddenly turned red, she was unspeakably shy, and her pair of jade hands had nowhere to put it.

While shy, Xiao Xi said very firmly: "Young master, no need, I can help myself."

Hearing this, Yue Feng felt very distressed, and held Xiao Xi's hand lightly, blaming himself: "Be obedient, I'll help you faster, by the way, Xiao Xi, I'm sorry, it's my fault, I shouldn't support you in returning to the family."

Mad, the Murong family, don't even recognize it.

When he said this, in addition to being distressed, Yue Feng's face was full of tenderness.

Xiao Xi smiled slightly, shook her head and said, "Young master... don't blame yourself, who knows that my clansmen are all selfish people."

Seeing her consoling herself in turn, Yue Feng felt even more distressed, Xiao Xi felt even more distressed. So kind.

Thinking to himself, Yue Feng didn't say more, just sat there cross-legged and started to help Xiao Xi to clear the meridians.

Time passed by minute by minute.

I don't know how long it took, Xiao Xi's face became ruddy, and her strength rose from the first stage of Wuhuang to the second stage of Wuhuang.

"Thank you, son." Xiao Xi said happily.

Yue Feng smiled, thinking of something, and jokingly said: "Xiao Xi, do you really plan to never marry again?" Although the previous scene at Murong's house was very

infuriating, but thinking about it carefully, Xiao Xi is a woman You can't stay with your child forever.

"I..."

Xiao Xi's face flushed, and she lowered her head and said softly, "I don't want to get married, I want to serve the son for a lifetime."

Hearing this, Yue Feng was stunned for a moment. No matter how stupid people are, they can understand what it means. In an instant, his heart throbbed: "Xiao Xi, don't worry, I will not let you down."

Huh?

As he was talking, Yue Feng suddenly sensed that a figure flashed outside the window at a very fast speed. Obviously, he was being watched.

"I'll go take a look, I'll be back soon." The voice fell, Yue Feng kissed Xiao Xi's face, and then walked out.

At that moment, a blush appeared on Xiao Xi's face.

Looking at Yue Feng's back, Xiao Xi couldn't tell the sweetness in her heart.

When they got outside, Yue Feng frowned and saw that in the darkness, several figures quickly disappeared into the night.

Madd, who is the other party?

Yue Feng frowned secretly, could it be someone without a heavenly organization?

Chapter 2513 It's

not right, I concealed my identity, no one knows that I am alive except Brother Wen and Xiao Xi.

Muttering in his heart, Yue Feng quickly returned to the hotel room.

...

this moment, the other side.

Yunchuan City, in the Yellow Sky Trading House in the northwest of the city.

In the hidden office, Zhang Jiao sat in black with a gloomy expression. In front of him, several of his subordinates stood there respectfully.

Yes, these people are the ones who followed Yue Feng just now.

After the failure of the previous raid on Yue Feng, which caused Yue Feng to escape, Zhang Jiao activated all the power of the Yellow Sky Trading to pursue the trace of Yue Feng, and finally found Yue Feng's whereabouts in Yunchuan City.

"How's it going?" Zhang Jiao said coldly.

One of them responded quickly: "My lord, that person is very alert. He noticed us as soon as we approached."

Hearing this, Zhang Jiao sneered, Mad, this Yue Feng, still as alert as before.

Afterwards, Zhang Jiao thought about it, and ordered, "Continue to follow and report the situation to me at any time." To

be honest, Zhang Jiao wanted to kill Yue Feng immediately, but he knew that he had only injured Yue Feng by his own surprise attack. But now, Yue Feng's strength has completely recovered, and it is impossible to attack again.

But Zhang Jiao thought about it, and when Yue Feng left Yunchuan City, he intercepted him halfway.

"Yes. My lord!" Several subordinates responded in unison.

...the

next morning early in the morning.

Xiao Xi got up early and went out to prepare breakfast for Yue Feng.

I have to say that Xiao Xi takes care of people really well.

At this time, Yue Feng drank the porridge, and saw Xiao Xi took out her mobile phone. After reading a message, her brows were lightly frowned, showing some sadness.

"What's wrong?" Yue Feng asked with a smile.

Xiao Xi sighed: "The uncle sent me a message just now, saying that when the family is dying, he wants me to help."

Still helping?

Yue Feng frowned secretly, suppressing his anger, Mad, these people really don't want any face.

Seeing Yue Feng's face, Xiao Xi said in a low voice, "Uncle apologized to me about what happened yesterday, saying that it was inappropriate to arrange Ma Wu to come without my consent."

Hearing this, Yue Fengshen He took a breath and said, "You want to go, right?"

He could see that although Xiao Xi was angry about what happened yesterday, she couldn't let go of Murong's house. After all, that was where she was born.

Thinking of this, Yue Feng said, "Okay, after breakfast, I'll go with you."

"Thank you, son!" Xiao Xi thanked him with a smile.

Xiao Xi knows Yue Feng too well. The Murong family has already angered him about what happened yesterday. With Yue Feng's personality, he will never come to visit him again, but for himself, he promised to be with him, which is enough to prove that he is in his heart. status.

Soon, they arrived at the Murong Family Courtyard.

Entering the hall, I saw that the Murong family had already arrived.

Swish!

At this moment, seeing Yue Feng following him again, everyone's eyes converged at once.

"Why did you come in here again? Don't you know your identity?" Murong Jun stood up and pointed at Yue Feng and shouted.

Mad, if he hadn't made trouble yesterday, the Murong family would have already received financial assistance from Ma Wu.

Yue Feng smiled coldly: "Why can't I come?"

Murong Jun said angrily: "Why? Do you know that if you didn't make trouble yesterday and got into a fight with President Ma, things wouldn't be so stiff."

Chapter 2514

As soon as Murong Jun opened his mouth, everyone else nodded.

"That's right, we're looking for Xiao Xi's husband's house for her own good."

"You are a bodyguard, why are you making fun of yourself?"

Amidst everyone's approval, Murong Jun looked at Yue Feng and sneered, "If you are a little self-aware, then Hurry up and get out, we are going to talk about family affairs, outsiders are not qualified to listen."

Mad, still so self-righteous.

Hearing this, Yue Fengqi laughed, and looked at Murong Jun closely: "It's really interesting, your family, for the sake of your own interests, forced Xiao Xi to destroy your own happiness, and you are so righteous and arrogant, it's really shameless. Extremely."

"What did you say?" Murong Jun's expression changed and he scolded angrily.

Yue Feng smiled coldly: "What I said, you all understand in your heart."

At this time, Xiao Xi couldn't help but say: "Uncle, if you are still like this, I don't think I need to come back.

" Xiaoxi!"

Murong Yan, who was sitting there, quickly stood up and said with a smile, "We were wrong yesterday, don't be angry, don't be angry."

After saying that, Murong Yan glared at Murong Jun.

Murong Yan's face turned blue and white, reluctantly, but he still closed his mouth.

Just then, a cousin stood up and said to Xiao Xi, "Xiao Xi, I introduced you to Ma Wu yesterday, but you didn't agree. Originally, if you wanted to marry Ma Wu, Ma Wu would be able to solve our family's problems. The problem, it's all gone now."

Everyone else spoke up.

"Yeah, it was a good thing, but it made a mess."

Xiao Xi was expressionless and said lightly: "What do you want to say, just say it directly, no need to beat around the bush."

At the same time, Murong Yan patted the seat handle: "Okay, everyone be quiet."

Then, Murong Yan looked at Xiao Xi: "Xiao Xi, since you don't want to marry Ma Wu, the uncle doesn't force you. That's right, our family's problems originally had two solutions."

“The first one is Ma Wu. Wu, with his investment, our Murong family’s property will be able to operate normally, but unfortunately, you don’t like him, so Ma Wu left unhappy, this method is no good.”

“The second one is Baiyun . Group, our Murong family’s industry, many of them can be connected with Baiyun Group, but unfortunately, we have never cooperated with them before, so I think, if you invite Tianmen to come forward, Baiyun Group will definitely agree to cooperate in the face of Tianmen. .”

Baiyun Group?

Hearing this, Yue Feng was stunned, feeling a little familiar.

Soon, Yue Feng remembered that the Bai Li who was rescued at the broken temple a day ago seemed to be the female president of Baiyun Group. In order to thank himself, he also gave the Tian-Mending Stone that his father finally got to him. Own.

“No!”

Xiao Xi shook her head, her delicate face was full of determination: “Uncle, I made it very clear yesterday that Tianmen is strictly disciplined, and it is strictly forbidden to participate in commercial activities. I can’t do anything special.”

Shuh!

Murong Yan’s expression changed, and he got angry, stood up and scolded: “Xiao Xi, the uncle has given up again and again, why are you so stubborn? Could it be that you have the heart to watch the centuries-old foundation of our Murong family, and then it will fall. ?” The

voice fell, and Murong Jun and the others also stood up, shouting in vain, and kidnapping Xiao Xi.

Faced with such a situation, Xiao Xi bit her lip and was very angry, but she didn’t know how to refute it.

Ha ha!

At this moment, Yue Feng couldn’t bear it any longer, and suddenly burst out laughing.

“What are you laughing at?” Murong Yan said angrily.

Yue Feng’s face was full of mockery: “I think it’s ridiculous, a family with hundreds of years of heritage, for the sake of profit, has to force a woman to be so righteous, isn’t it ridiculous?”

Murong Yan was furious: "This is It's our Murong family's family business, it's not your turn to dictate, and what do you know as a bodyguard?"

Chapter 2515

Call!

Yue Feng took a deep breath, walked to the side delicately, sat on the chair, and said lightly: "Isn't it just to cooperate with Baiyun Group? I can help you connect, but I want to make it clear that after helping you this time, you will not be allowed in the future. Please disturb Xiao Xi again."

What?

Hearing this, everyone around was stunned, and then burst into laughter.

Haha... what did this kid say? Can he help?

He is a bodyguard, how could he know someone from Baiyun Group?

The cowhide is a bit outrageous.

For a time, everyone in the Murong family in the hall couldn't help laughing.

Yue Feng ignored everyone's ridicule, took out his mobile phone, and sent a message.

Yes, Yue Feng was sending a message to Bai Li.

At this moment, Xiao Xi stood quietly beside Yue Feng with an indifferent face. She knew that Young Master was omnipotent. Since he said there was a way, there must be a way.

Um?

Seeing this scene, Murong Yan and everyone were secretly surprised.

Why does it feel a little wrong, isn't this kid Xiao Xi's bodyguard? Why is Xiao Xi standing while he is sitting?

This...

"Patriarch, President Bai of Baiyun Group is here."

At this moment, someone shouted from outside the hall, interrupting everyone's suspicion, and immediately, everyone was shocked, and then, Murong Yan quickly stood up.

The next second, I saw a slender figure walking in slowly under the protection of two men in black.

It was Bai Li.

When she received a text message from Yue Feng just now, Bai Li was very puzzled. When she learned that it was Feng Tao who saved her life, Bai Li didn't dare to neglect and rushed over immediately.

"Mr. Bai's presence really makes my Murong family shine." Murong Yan walked over with a smile, greeted politely, and stretched out his hand at the same time.

However, Bai Li didn't mean to shake hands with him, but walked straight towards Yue Feng.

"Fengtao, no, my benefactor, it's really you." Bai Li smiled excitedly. If not so many people were there, she would really like to hug Yue Feng.

Bai Li was still a little unconvinced when she received a text message from Yue Feng just now. She was overjoyed to see the real person at this time.

What? benefactor?

Seeing this scene, everyone present was stunned, staring at Yue Feng blankly, speechless.

Isn't this a bodyguard? How could the president of Tangtang Baiyun Group be so respectful to him?

.....

At this moment, on the street outside the Murong Courtyard, a young man hid behind a tree, keeping an eye on the Murong family's situation. At the same time, he took out his mobile phone and made a call.

"My lord, the target is now the Murong family, and the president of the Baiyun Group just went too, the woman we chased before."

"Interesting." On the other side of the phone, Zhang Jiao showed a sneer: "Look at this, That ancient object should have fallen into Yue Feng's hands."

Yes, the killers who hunted down Bai Hetang before were all sent by Zhang Jiao.

The next second, Zhang Jiao instructed: "Watch closely. Once that Bai Li leaves Murong's house, he will kill him halfway, and then lead Yue Feng to appear. Doesn't he like to meddle in his own business? I'll give him this chance."

"Yes, my lord!"
